Gentlemen:

Before Rabbi Silver left on his sabbatical leave, he informed me that Dr. Jorge Granados would address our congregation on February 22 and that the fee of \$500.00 would be taken care of by your organization. He asked me to advance the money from his personal account and make request from you for a rebate. I would greatly appreciate if you would send me your check by return mail so that we can clear this matter from our records.

You might be interested to know that Dr. Granados gave a most stirring address to a very large audience and his message in connection with the Zionist Partition was ably put and thoroughly enjoyed by all you had the privilege of hearing him.

Sincerely yours,

THE TEMPLE

My dear Harry:

I have charged most of my expenses of recent months to the Jewish Agency. There are, however, some items of travel, long-distance telephone, etc. which I feel, should be charged to the Emergency Council. Roughly speaking, they amount to \$400.00.

With all good wishes, I remain

Very cordially yours,

ABBA HILLEL SILVER
