Dear Sir:

We hereby extend our most cordial invitation to your organization to participate at our dinner banquet Sunday evening, January 19th, 6:30 PM at the Heights Temple, in celebration of the Thirtieth Jubilee of the Labor Zionist Movement in America.

Among the numerous activities and achievements of our Movement, we would like to single out the great struggle on winning the Jewish workers to the cause of Zionism throughout the world, and also the organized Jewish labor in Palestine, under the Histadruth and its Institutions which is really the only assurance of building the Jewish Homeland for the Jewish people.

The Labor Movement in Palestine has created scores of cultural, economic, industrial and social institutions and undertaking on a cooperative basis, laying the foundation for the future socialist commonwealth.

We would greatly appreciate your participation at our celebration as an expression of the sympathies shown by your party towards our work at all times.

With socialist greetings,

Very sincerely yours,

My dear Rabbi:-

I was very glad to receive your letter. The Panel forced me to do a good deal of thinking about the subject, and I have come to the conclusion that while there are many young men and women whom we cannot interest in Zionism, there are, nevertheless, countless numbers who, if properly approached, would at the present time become live, enthusiastic members.

Young people today, as a class, are very much disturbed, very much worried about their future. The search for a solution of their problems is causing them to look not only at themselves, but at the city, the country, and the world in which they live. Palestine, as one of the two countries that has no unemployment problem, is one place on which his eyes rest or can be made to rest; and while I have no quarrel with the young man who looks at Russia, I think that even there the Jew in Russia and the Jew in Palestine have a good deal in common.

I think today we have a cause; and I think in you our organization has a leader. If you want to plan a drive to interest those of our young people who can be interested in Zionism, I am willing to be one of your supporters.

Sincerely yours,

A. L. Glaser.

Dear Sir:

At the last meeting of the Executive Committee of the Cleveland Zionist District, it was resolved that a Palestinian Fund Raising Commission be created in the City of Cleveland.

Accordingly, it was suggested that each Zionist group designate two of its' members to serve on this Commission. It is hoped that this Commission will be authorized by The United Palestine Appeal to represent them in their negotiations with the local Welfare Federation.

It is our aim that this Commission may be instrumental in obtaining for the Palestinian Fund Raising Activities, a maximum allocation out of the local Welfare Fund.

Will you, therefore, forward at once the names of two representatives of your organization so that a meeting may be called in the near future.

My dear Gene:

You may recall that I spoke to you at the lovely Altschul dinner, the other night, about the special fund which we are raising for the Cleveland Zionist Society to finance the splendid cultural program which the organization is putting on this year. Our membership dues is three dollars, two dollars of which goes to headquarters in New York so that comparatively little money out of the membership dues is left to enable us to carry on the kind of educational program which we would like to have. You probably know that on February 19 the Society is bringing Mr. Ludwig Lewisohn. Last month we had Mr. Rothenberg and Judge Lewis. Earlier in the year we had Professor Franz Oppenheimer. We have had to pay these people traveling expenses and in some instances an honorarium.

You suggested a contribution of \$100. If you can see your way clear to give it to us, we will be deeply grateful. Of necessity we are approaching only a limited number of people.

In these days when Jewish problems are occupying the public mind and modern Palestine is in the focus of public attention, many requests have been made by Jewish organizations, societies, associations and clubs for qualified speakers to address them on Zionism and related topics.

AMERICAN JEWISH
ARCHIVES

To meet this need, the Cleveland Zionist Society has organized a Speakers Bureau. A group of interesting and informed speakers are available to address such organizations as may desire to avail themselves of this service. Among the included topics are: "The Aims and History of Zionism", "The Conquest of the Soil in Palestine", "Social Experiments in Palestine", "Jewish Cultural Renaissance in Palestine", "From Berlin to Tel Aviv", "Palestine and World Politics", "Party Politics in Zionism", "Arab Jewish Relations".

There is no charge for this service. If you are interested in obtaining one of these speakers, please communicate with the undersigned at an early date.

My dear Mr. Arnold:

I am out "schnorring" again, this time for the cultural program of the Cleveland Zionist Society. As you know, we have been putting on some very splendid cultural programs open to the public. This coming Wednesday, for example, we are bringing Mr. Ludwig Lewisohn, the famous writer and champion of Jewish rights. In December, we brought to Cleveland Mr. Morris Rothenberg, President of the Zionist Organization of America and Judge Lewis. Earlier in the year, we had the internationally famous Professor Franz Oppenheimer. These programs, of course, involve us in considerable expense. We are also launching, this year, an oratorical contest among the Jewish youth of our city, offering prizes amounting to \$100 for the best oration on a Jewish subject. The Dues of our Society is \$3 a year, \$2 of which go to the National Headquarters in New York, leaving us only \$1 with which to operate.

We will need, this year, \$500 over and above our revenue from Dues to meet our program obligations. I am turning to a few friends who are interested in seeing a high grade educational program presented in our community for the dissemination of knowledge about Zionism and Palestine to contribute to this Fund. I already have one contribution of \$100. Any amount which you might care to send will be deeply appreciated.

With all good wishes, I remain

My dear Miss McLaughlin:

Permit me to acknowledge receipt of your letter of February 7 in which I note from its contents that Dr. Lewisohn plans to leave Milwaukee early Wednesday morning, arriving in Cleveland at 5:32 p.m. That is making very close connections and weather conditions being what they are at the present time in this part of the country, it is taking quite a chance. Frankly, I don't think that such close connections should be made by speakers. I have just had the unpleasant experience of postponing a meeting of The Temple Lecture Forum at which Senator Nye was scheduled to speak. He waited for the last plane out of Washington and then found that planes were not flying.

With best wishes, I remain

My dear Dr. Rigelhaupt:

In connection with our Purim program, I should like to have you go over the musical program which you have arranged with an eye to cutting it down in point of time to the limitations under which we shall work that evening. As you know, the picture "Power" will probably last an hour and a half. We will have a business meeting of from fifteen to twenty minutes. Our experience has been that we cannot begin our meetings much before 8:30. That means that the program, without the music, will carry us pretty close up to 10:30. I would therefore suggest that the musical program be no longer than from twenty to twenty-five minutes. Perhaps you can dispense with vocal music altogether and have just the instrumental music. I would strongly suggest that you hear the music somewhere before it is presented at our meeting.

With all good wishes, I remain

My dear Sam:

Dr. Falkman was in a few days ago and from his conversation I inferred that there was some confusion in the minds of ~~the~~ Board members as to the appointment of the new committee for the collection of dues, of which Judge Silbert is chairman. The sole function of this committee is to collect dues of last year's members. This committee is not a substitute for the Membership Committee of which you are chairman, the purpose of which is to get new members for the Society. I hope that your Committee is functioning and that we may be able to report a substantial increase of new members at our April meeting.

Mr. Albert Woldman,

My dear Woldman:

I should like to devote the May Meeting of the Cleveland Zionist Society to a discussion of the World Jewish Congress. It would prove helpful to the thinking of the community if both sides of the subject were presented by their outstanding champions. I wonder whether we could get Dr. Wise to come and present the pro-Congress point of view and, perhaps, Mr. A. J. Rongy, who has been one of the foremost opponents to present the other point of view. If you think well of the project and the names suggested, I would appreciate it if you would communicate with them at once so that we might proceed with the proper arrangements.

It would not be advisable to hold the meeting before the conclusion of the Jewish Welfare Fund Drive. The first free Wednesday evening would be on May 20. May 27 is out of the question because that is Confirmation day. Monday, Tuesday or Wednesday, June 1, 2 or 3 would be open dates although I shall be out of the city on the 3. Let me hear from you.

Mr. Henry Freyman,
1731 Holyoke Ave.,
Cleveland, Ohio.

Dear Mr. Freyman:

We have made a regular check-up on your payments and find the following:

On April 17th, the Jewish National Fund received \$6.00 from you for their Purim Fund. This came to them directly and we have had no reason for knowing about this payment or checking up on it until now.

On April 23rd, the Zionist Organization received \$6.00 from you as a direct payment for your 1936 membership dues in the Zionist Organization of America; and its affiliated district, according to your desire; which district received notice of this payment. For this payment, a regular membership card for the year 1936 was mailed to you, which you sent us for identification and which we are returning to you herewith.

We have no record at all of the \$3.00 remittance you talk about paying to the local Zionist office. With regard to this, we are sending a copy of this letter to Rabbi Silver, who will most likely be able to clear up the matter. It would be advisable for you to get in touch with Rabbi Silver personally.

With reference to the date of validity, please note that our fiscal year runs from Rosh Hashonah to Rosh Hashonah; that is, from the October of one year to the next October. Payments made during that year are credited for dues for that current year and are valid to the end of the particular fiscal year. The privilege connected with the \$6.00 category of membership payment, which the \$3.00 member is not entitled to, is the receipt of our paper, The New Palestine, for the length of membership validity. The regular subscription fee to the New Palestine is \$3.00 a year.

We feel that this explanation will prove quite satisfactory to you. We are, with Zion's greetings

Sincerely yours,

Lilla Hyman

The extraordinary crisis confronting World Jewry has made imperative the convening of a World Jewish Congress in Geneva, Switzerland, in August, to cope with the critical situation.

The American Jewish Congress, as the organizing agency in the United States for the World Jewish Congress, is addressing itself to the organized Jews of America inviting their cooperation in the election of a delegation to represent American Jewry at the World Congress.

For this purpose a National Electoral Conference is being convened in Washington, D. C., on June 13th and 14th, when the American delegates to the World Jewish Congress will be elected.

Cleveland Jewry, constituting the fourth largest Jewish community in the United States, is entitled to twenty-five delegates to the Washington Conference.

All Jewish organizations of Cleveland are, therefore, urged to send delegates to a Cleveland Community Convention to be held in Heights Temple, Lee Road at Mayfield Road, Sunday, May 31st, at 2:00 o'clock P. M. Louis Lipsky, past president of the ~~Zionist~~ Organization of America, vice-president of the American Jewish Congress and chairman of the Committee on the World Jewish Congress will be the principal speaker. An address will also be given by Rabbi Rudolph Rosenthal of Heights Temple.

Organizations are entitled to send one delegate for each fifty members or major fraction thereof. Delegates shall pay \$1.00 each to defray expenses of the local convention.

You are urged to fill in and mail the enclosed credential form at once to the office of A. A. Woldman, 826 Standard Building.

As this will be one of the most important gatherings in the history of the Cleveland Jewish Community, the participation of your organization is most necessary. Your cooperation in forwarding the signed credentials within the next few days will be very helpful in our organization work.

Very sincerely yours,

Cleveland Division of
The American Jewish Congress

Mr. Morris Margulies, Secretary,

My dear Mr. Margulies:

Thank you for your telegram. The meeting which we have arranged as a tribute to Dr. Nahum Sokolow and at which Abraham Goldberg is to be the guest speaker, is the regular June meeting of our Society. It will also be the last meeting of the season at which election of officers and other important business of our Society will take place. This makes it quite impossible to hold a joint Memorial Meeting with the Cleveland Zionist District although this meeting will be open to the public just as are all of our meetings. Our announcements have been out for a few days now. The only reason the Cleveland Zionist District thought of the same date as ours is because it wished to utilize the presence of Mr. Lipsky in the city. It would, of course, be most unfortunate if the District would arrange a competition meeting on the same evening of the Cleveland Zionist Society meeting and if Mr. Lipsky were to address it. The District seems to have a genius for arranging such rival meetings on the same evening as the Cleveland Zionist Society. This happened last month when our Society held its city-wide Youth Zionist Oratorical Contest, the date of which was announced months ahead, (in which contest, by the way, the son of the President of the District participated). The District arranged a public meeting on that same evening.

You may show this letter to Mr. Lipsky. With all good wishes, I remain

The Cleveland Zionist Society is arranging a Memorial Service to Dr. Nahum Sokolow next Monday evening in Mahler Hall at eight o'clock P.M. Mr. Abraham Goldberg, of New York, will deliver the Memorial Address. I will also speak on Sokolow.

This will be the final meeting of the Society this season. Election of officers will also take place in the brief business meeting which will precede the Memorial. I should like to make this meeting a fitting tribute to the great Sokolow. Please give it proper publicity in the Jewish World over the week end.

SENT BY RABBI SILVER ON JUNE 5, 1936

Dear Friend:

My dear Mr. Wolpaw:

I have just received word from New York that the election of delegates to the forthcoming Zionist Convention must be held during the week of June 14. That means that by June 14 we must send to New York the full list of our paid up members which will determine the number of delegates we will be entitled to. As you know, we are entitled to one delegate for each fifth paid up members. I understand that there are hundreds of names on our books who have not yet paid their 1936 dues. At the last meeting of the Board, you will recall, many of these names were distributed to the Board members for solicitation. I would appreciate if during the next ten days you would canvass those who took the names to see what results they have obtained. We should have at least 450-500 paid up members by the time we begin balloting for our delegates.

With all good wishes, I remain

Very cordially yours,

TO THE CHAIRMEN AND SECRETARIES
OF ZIONIST DISTRICTS:

Dear Friends:

In view of the very grave problems that will confront the Thirty-Ninth Zionist Convention - problems of history-making significance - it is our earnest hope that your District will be directly represented through Delegates elected from your own midst. However, as mentioned in the circular sent to you on June 2nd, in the event you are unable to send a Delegate from your own group, attached herewith you will please find a list of prominent Zionists who have expressed a desire to serve as Proxies.

Since the time is short, I would urge that you make your designations immediately; fill out the Delegates' Election Blank and return it to this office.

With Zion's Greetings,

Sincerely yours,

Morris Margulies

P.S. According to our records you have now 331 members in good standing. I appeal to you to secure at least 119 members which will entitle you to 9 representatives to the Providence Convention.

announcing
SOKOLOW MEMORIAL MEETING

The Jewish community of _____ will pay its tribute to the memory
of Dr. Nahum Sokolow, one of the commanding Jewish figures of modern times who
died in London on May 17th, at the age of 75, at a memorial meeting to be held
on _____ at _____
date place.

This announcement was made by Robert Selman Chairman of the ~~local~~ Zionist
name
~~District~~, who stated that the meeting here is one of similar gatherings now being
held throughout the United States under the direction of the Zionist Organization
of America. The late Dr. Sokolow, Robert Selman declared, was one of the
name of Chairman
outstanding leaders in the world Zionist movement, being at his death, the Honorary
President of the World Zionist Organization.

Eulogies of the departed Jewish leader will be delivered by _____

(Give names of speakers and other details of the program of your meeting)

Born in 1861 in a small town in Poland, Dr. Sokolow gave promise in his early
youth of becoming the extraordinary figure into which he later developed. At a
very early age he launched upon a literary career becoming the founder of modern
Hebrew journalism, and later recognized as the Dean of Hebrew Literature. He had
full command of a dozen languages, being able to read and write, with equal fluency.
Hebrew, Yiddish, English, French, Polish, Russian, Greek, Italian and German. He
was amazingly versatile in his literary output, producing works on philosophy,
geography, belles-lettres, as well as innumerable journalistic articles on events
of the day.

Recognized as an outstanding man of letters, he attained equal fame as a
diplomatist and statesman. Associated with Dr. Theodor Herzl, the founder of the
Zionist movement for the upbuilding of Palestine as the Jewish Homeland, Dr. Sokolow
later became one of the important leaders in this movement, occupying a number of
important posts culminating in his accession to the presidency of the World Zionist
Organization and of the Jewish Agency for Palestine in 1931. He was considered
the ambassador-at-large of the Jewish people, using his contacts with governments
and statesmen for the advancement of the Zionist cause.

In this capacity, he had conferences with the leaders of virtually every
nation, being also officially received in 1917 by Pope Benedict XVI. He succeeded
in securing the support for Zionism of the leading European diplomats and had an
important share in obtaining the famous declaration of Lord Balfour, pledging the
British Government to assist in establishing a Jewish National Home in Palestine.

EXTRACTS FROM ADDRESS OF DR. J. L. MAGNES, PRESIDENT OF
HEBREW UNIVERSITY, PALESTINE, DELIVERED AT THE OPENING
OF THE ACADEMIC YEAR 1935-36

In opening his address, Dr. Magnes paid his respects to three great Jews, who were early, devoted supporters of the Hebrew University, who passed away in the last year, Baron Edmond de Rothschild, Dr. Shmaryahu Levin and Isaac L. Goldberg. Of them, Dr. Magnes said: "These three far-seeing men had a vision of the inestimable worth of a great center of learning in Jerusalem and its value to the Jewish people and to mankind. Fortunately, all of them had the exceptional privilege of knowing that the beginnings of this University had actually been made, and the interest of each of them in everything that transpired at our young University was a constant encouragement to every University worker. In the roll of honor of the Hebrew University these names will be inscribed with everlasting gratitude and affection.

Thus far fifty-eight men and women have been graduated from the University with the degree of M.A. In the course of the coming winter semester, it is expected that an additional eight will be graduated with the degree of M.A. During this winter semester also there will be a small number of students graduated from the University with the degree of M.Sc. This is the first time that this degree will have been conferred.

Applicants for admission come from all parts of the world. It is impossible to admit the full number of those desiring to attend. Unfortunately we have not the room or the facilities for this. It is expected that there will be about six hundred students attending the University during the coming year.

There are 38 students in the Postgraduate Department working towards the degree of Ph.D. Their dissertations deal with Jewish and Palestinian themes, with Philosophy, History, Islam, Mathematics and Biology. Thus far,

no doctor's degree has been granted by the University. I need hardly repeat that the requirements are severe. It is our expectation that a doctor's degree from the Hebrew University will be recognized everywhere as indicating a high standard of scholarship.

- - - - -

The Hebrew University has now on its regular academic and research staff twenty scholars and scientists who formerly lived and worked in Germany, -- a large number when we consider how poor the Hebrew University really is. But this comparatively large number is to be explained by reason of the fact that this growing University is genuinely in need of those whom it has brought here from Germany and elsewhere, and it is to be hoped that the Jewish people will continue to place funds at the University's disposal which will have the two-fold purpose of adding to the strength of the University and at the same time of enabling scholars and scientists to escape the terrible fate to which present day Germany wishes to condemn every one of them.

- - - - -

The Chancellor now becomes the President of the University. If a personal word be permitted, it would be this: that the President of the University be enabled to aid the University in keeping to its high spiritual and intellectual ideals, and to encourage all of its workers to give of their best to science, to scholarship, to Judaism, to humanity.

It now becomes the duty of everyone at the University to endeavor as best he can to make a complete success of this new period upon which the University is now entering. For that purpose, it will be necessary to have faith in the ideals of the University and to have confidence in the calibre of the men who are being entrusted with these new and responsible tasks. The success of these new arrangements will be the best testimonial to the training

and education of the University in self-government during the first ten years.

I have upon several occasions mentioned the need of an Academy of Jewish Scholars and Scientists, perhaps also of Artists, throughout the world centered about the Hebrew University. Productive, creative work by Jews should be organized in these days of terror and dread. There is danger of the isolation of Jewish scholars, scientists, and artists to their own injury and to the injury of science and culture. Jewish life is in the crucible and today is therefore a day for the conception of the largest possible plans. Despite the poverty of large masses of Jews, the Jewish people still has all the requisite funds for these projects. I am not able to understand the mentality of Jews with means who keep aside and who do not feel it to be a primary duty to further with all their means the intellectual and spiritual life of the Jews and Judaism. If for no other reason, then at least for the sake of the good name of Jews and Judaism the world over. Take the example of Germany. What is it that has most stirred the hearts and conscience of mankind? The plight of Jewish industrials, the Jewish politicians? No. The Jewish University teacher, the Jewish scientist, the Jewish author and artist -- it is in large measure through their merit and suffering that the eyes of the world watch with indignation and pity the tragedy that is Germany.

Let each one of us rededicate himself at the beginning of this new term to the welfare of the Hebrew University and the exalted ideals for which it stands.

THE CLEVELAND ZIONIST SOCIETY

NEWS RELEASE

RABBI SILVER AND JUDGE BERNARD A. ROSENBLATT TO ADDRESS CLEVELAND ZIONIST SOCIETY

PRE-CONVENTION MEETING SCHEDULED FOR TUESDAY EVENING, JUNE 15TH IN MAHLER HALL

Climaxing a season of splendid meetings, the Cleveland Zionist Society has arranged a public meeting to discuss the problems which confront the Zionist movement today and which will be reflected in the forthcoming Convention of the Zionist Organization of America as well as of the World Zionist Congress. The meeting will be held on Tuesday evening, June 15th 8:15, in Mahler Hall of The Temple. Delegates will also be elected to the Zionist Convention which is scheduled to be held in New York City on June 26-29.

Dr. Abba Hillel Silver, Vice-president of the Zionist Organization of America and member of the Jewish Agency for Palestine, will share the program with Judge Bernard A. Rosenblatt of New York and Haifa. Judge Rosenblatt is well-known to the Zionists of America. He has recently returned from an extended sojourn in Palestine and will give first hand information concerning the reaction of Palestinian Jewry to the vital problem of Jewish-Arab relationships and the hearings of the Royal Commission whose findings are being eagerly awaited. Judge Rosenblatt who is a former member of the World Zionist Executive at Jerusalem and founder of the American Zion Commonwealth has recently published a brochure called "An American Solution of the Palestine Problem."

Both Dr. Silver and Judge Rosenblatt will discuss the subject: What shall be our attitude to the proposal for the partitioning or the cantonization of Palestine? What is the proper approach to the problem of Jewish-Arab relationships? How shall we face the findings of the Royal Commission about to be published?

The meeting is free and open to the public and a cordial invitation is extended to all the friends of Palestine to attend this meeting.

A Nominating Committee consisting of Saul Danaceau, Harry Epstein, Michael Gallin, Daniel Wasserman and David Wolpaw will present a list of delegates to be voted on at this meeting.

The Program Committee, under the chairmanship of Dr. William Rigelhaupt, has offered an unusually attractive program of meetings to the community during the year which is now closing. Such outstanding personalities as Dr. Royal S. Copeland, Dr. Ben Zion Mossinson, Marvin ~~xxxxxxxxxx~~ Lowenthal, Pierre Van Paassen and Erika Mann appeared under the auspices of the Cleveland Zionist Society this season.

Dr. Hugo Bergmann, Rector of the Hebrew University at Jerusalem, was tendered a banquet ~~xxx~~ and reception under the auspices of the University Committee, of which Mr. Irwin Greene is chairman, at which the foremost representatives of the cultural life of Cleveland were present. The first \$500 scholarship to the Hebrew University was also forwarded this year.

In the field of youth work, the second annual Oratorical Contest was held in which more than fifty young men and women participated. The finalists were heard at a meeting of the Society on April 28th and prizes were awarded to those who wrote and delivered the best orations on a Zionist or a general Jewish subject.

The Cleveland Zionist Society is ~~xxx~~ rounding out its year's activities with the largest membership in its history. This is due to the work of the Membership Committee which is under the chairmanship of Judge Joseph H. Silbert.

THE HEBREW UNIVERSITY JERUSALEM

GENERAL INFORMATION

University Hill (an aerial view).

ESTABLISHMENT.

The University was dedicated in April, 1925. At the time it had no regular students but was composed of three research departments. Since then other research departments have been added.

For purposes of undergraduate instruction there have been organized also a FACULTY OF HUMANITIES (since 1928) and a DIVISION OF BIOLOGICAL STUDIES (since 1931).

INSTITUTES AND DEPARTMENTS.

The following Institutes and Departments are in existence:

THE INSTITUTE OF JEWISH STUDIES:- Bible, Talmud (Unterberg Chair), Hebrew Jurisprudence, Hebrew Language (Bialik Chair), Hebrew Literature, Palestinology (Rosenbloom Chair), Jewish Philosophy and Mysticism, Jewish History and Sociology, and Jewish Archaeology.

THE SCHOOL OF ORIENTAL STUDIES: Art and Archaeology of the Near East (Sassoon David Chair), Arabic Language, Literature, and History and Philosophy of Islam.

THE INSTITUTE OF GENERAL HUMANITIES: Philosophy (Achad Haam Chair), History, Classics, Romance Languages and Literatures, and International Relations (Weizmann Chair).

THE INSTITUTE OF MATHEMATICS.

THE LABORATORY OF PHYSICS.

THE DEPARTMENT OF BIOLOGICAL AND COLLOIDAL CHEMISTRY, and the LABORATORIES OF INORGANIC AND APPLIED CHEMISTRY.

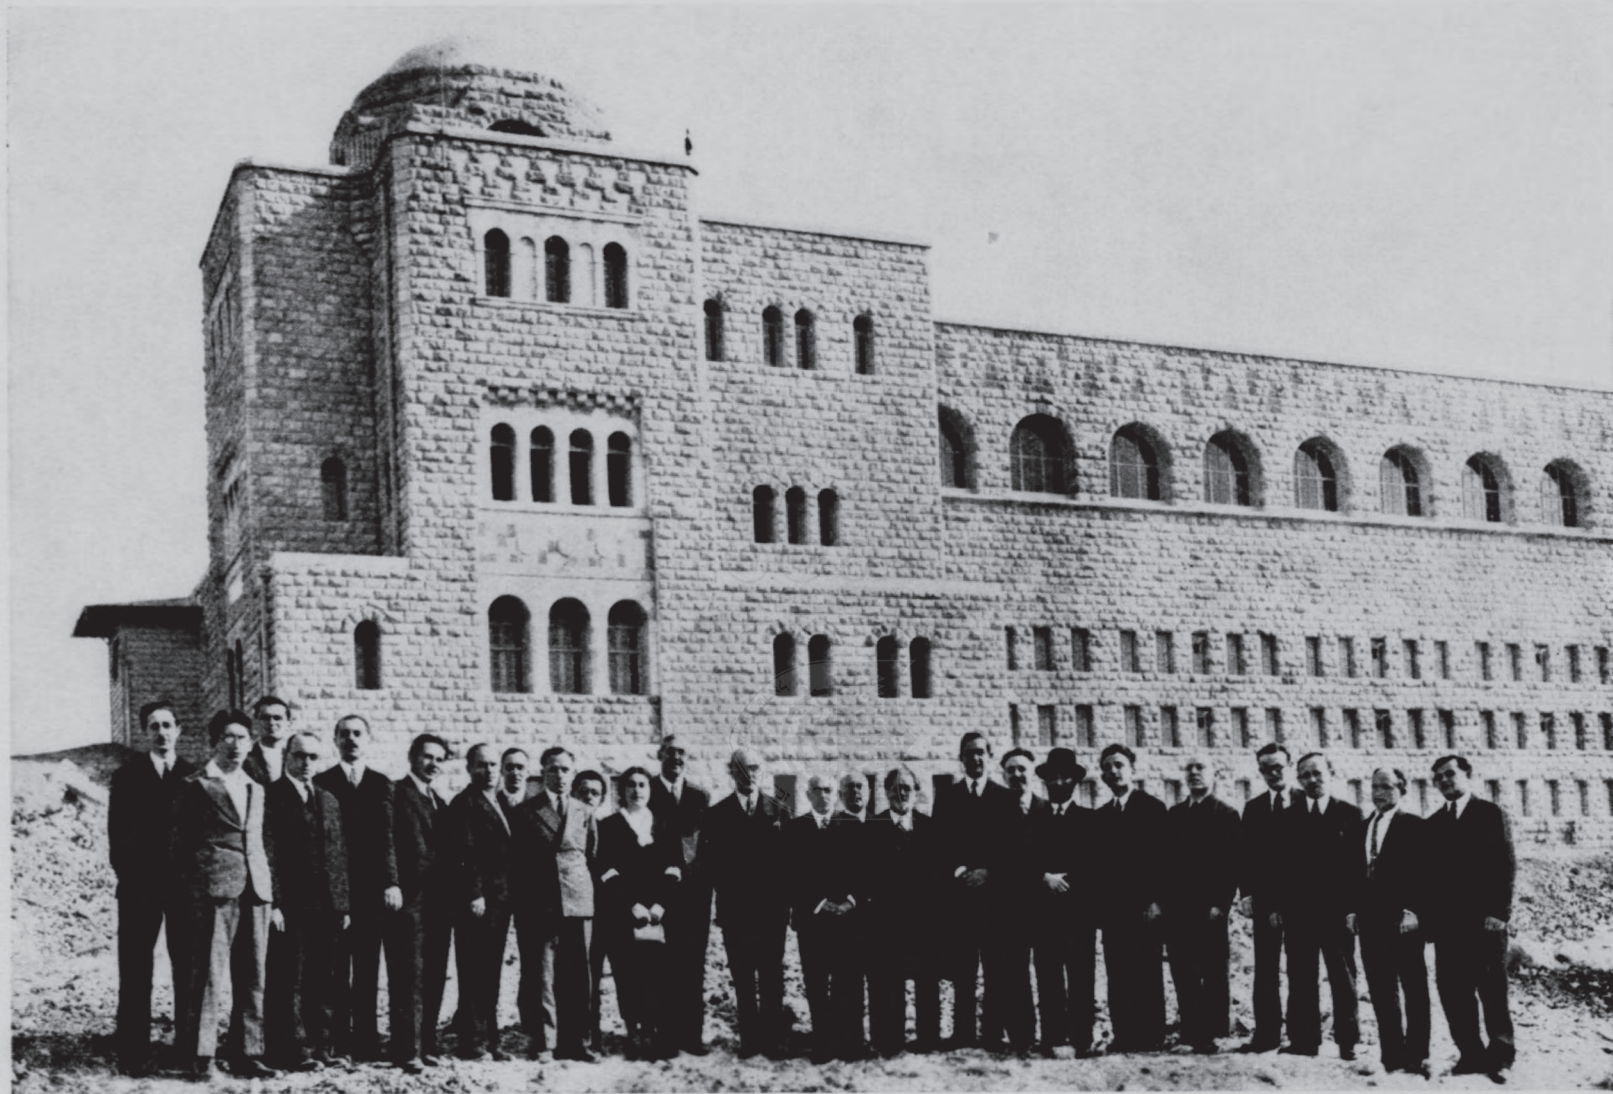

THE INSTITUTE OF PALESTINE NATURAL HISTORY, which comprises BOTANY—with sections for Systematic Botany (with an Herbarium and Botanical Garden), Plant Physiology, and Biblical Botany (with a Museum); ZOOLOGY—General and Systematic; and GEOLOGY (with collections).

THE DEPARTMENT OF PARASITOLOGY.

THE DEPARTMENT OF HYGIENE AND BACTERIOLOGY.

RESEARCH.

Research is carried on in all the above departments, their scientific staff numbering at present 74, to which may be added several research assistants and scholars temporarily engaged in special research work. Members of the various Science departments participate in undertakings of practical value for the development of the country through both scientific investigations and advisory activities in relation to Government, public bodies, and agricultural and industrial enterprises.

The 1933 Graduates of the Hebrew University, with the Chancellor, Members of the Survey Committee, and others,
in front of the Library Building.

INSTRUCTION.

The Hebrew University is open to all students who possess the requisite secondary education, irrespective of creed, race or nationality. The language of instruction is Hebrew.

The FACULTY OF HUMANITIES gives regular instruction in the humanistic subjects mentioned above (including Mathematics), leading to the degree of Master of Arts after a four years' course and examination in one major and two minor subjects. Post-graduate students are also admitted for the degree of Ph.D., obtainable after two years' study and the presentation of a piece of original research.

The DIVISION OF BIOLOGICAL STUDIES offers a four years' course, the chief subjects being Botany, Zoology, Biological Chemistry, Bacteriology and Hygiene, Parasitology, and Geology. The first science degrees will be granted in 1935. The number of students is restricted by the limited accommodation and equipment now available at the University. There are also provisions for post-graduate study.

EXTENSION.

Extension courses by members of the University staff are being conducted in Tel Aviv, the enrolment amounting to about 400. The University also provides for extension work in the field of musical education.

STUDENT BODY.

There are at present 321 students at the University. The Faculty of Humanities numbers 232 undergraduate and 21 postgraduate students. Forty-one students (three classes) have thus far been graduated with the M.A. degree. In the Division of Biological Studies there are 68 students.

Forty per cent. of the University students come from the schools of Palestine, and the remainder from abroad (in the order of their numbers: (Poland, Germany, U.S.A., Roumania, Russia, Lithuania, Latvia, Czechoslovakia, England, Austria, Hungary, Switzerland, Bulgaria, South Africa, Canada, and Esthonia). About one-third are women students.

A few scholarships and prizes are available for students (twelve in 1933/34), as well as stipends for the remission of tuition fees (twenty-two in 1933/34).

There is a Students' Organization to further the social life and the corporate interests of the students.

A booklet giving full information for students can be obtained from the Registrar's office.

Institute of Physics (Monness Shapiro Building).

LIBRARY.

THE JEWISH NATIONAL AND UNIVERSITY LIBRARY, the largest library in the Near and Middle East, contains over 270,000 catalogued volumes. During the year its circulating book department lent about 30,000 volumes to readers drawn from various sections of the Palestine population. Its departments of Hebraica and Judaica, Arabica, Mathematics, and Medicine, may be especially mentioned, as well as its Hebrew incunabula, its collection of Autographs and Portraits of Jewish notables for the past 400 years, and the Economic Archives of the Near East which are housed in the Library. Over sixteen hundred periodicals in different languages are received regularly.

PUBLICATIONS.

THE HEBREW UNIVERSITY PRESS, established in 1929, publishes original work by members of the staff, translations of classical philosophical texts for students' use, and two periodicals—"Tarbitz", a quarterly review in the Humanities, and "Kiryath Sepher", a bibliographical quarterly, issued by the Library.

A complete list of publications is available.

BUILDINGS AND GROUNDS.

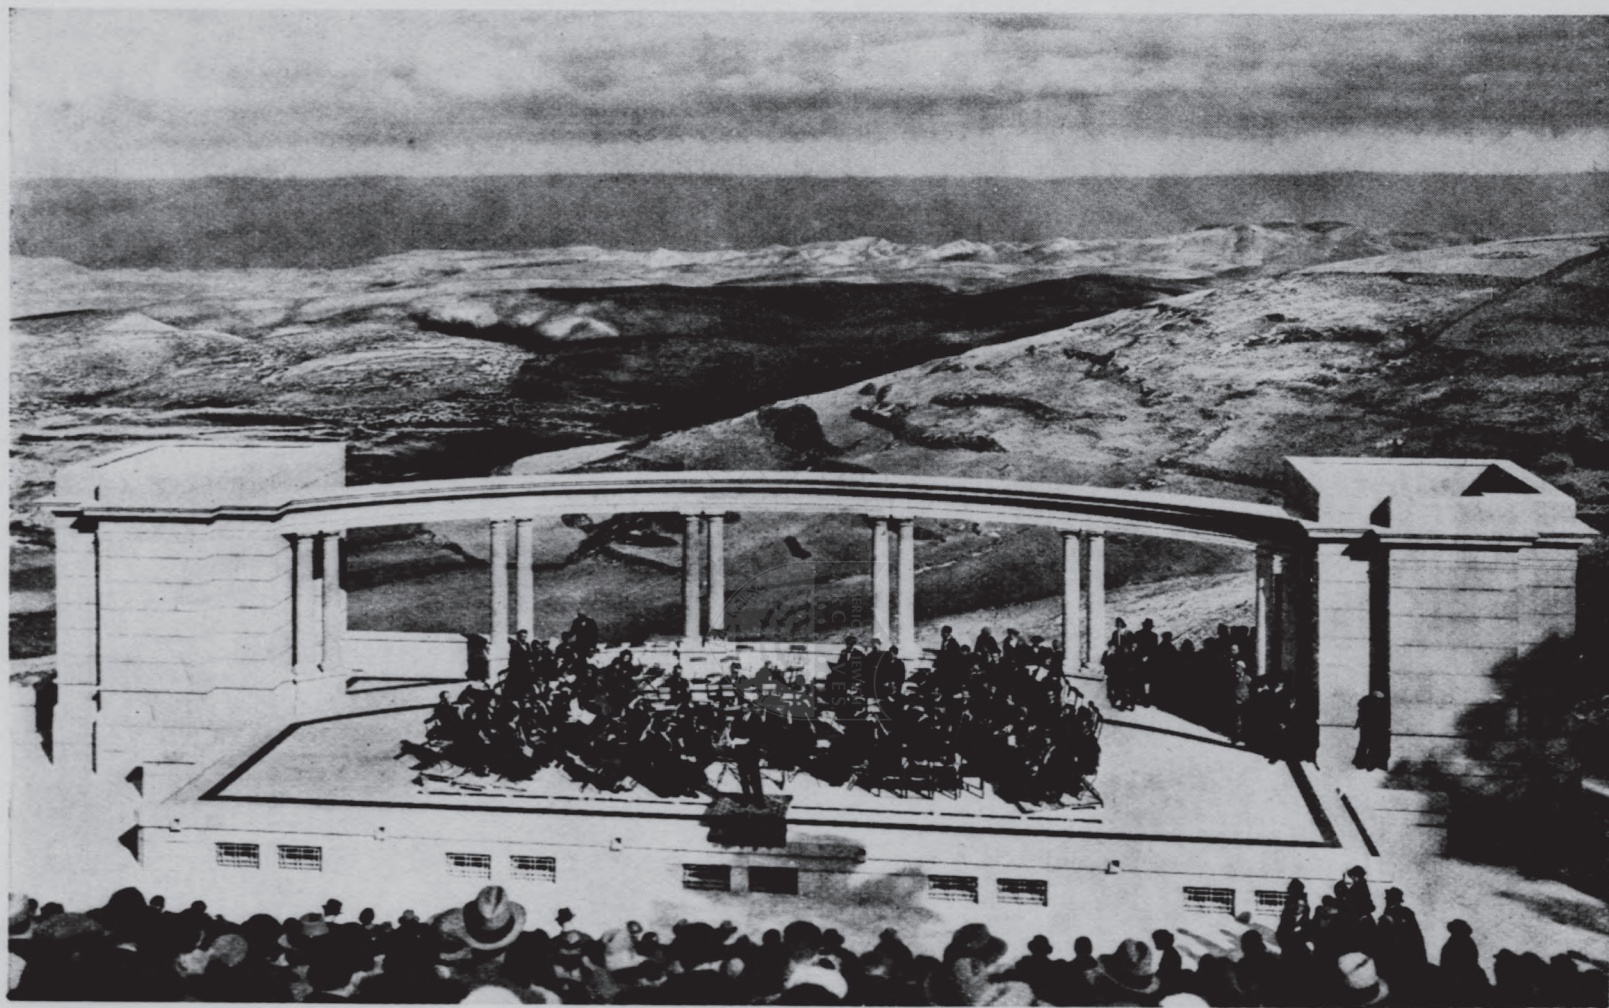

The principal buildings of the University are those for Chemistry and the Biological Sciences, Physics (Monness Shapiro Building), Mathematics (Wattenberg Building), and the Library (David Wolffsohn House), as well as four service buildings.

On the eastern slope of Mount Scopus there is an Open-Air Theatre (Minnie Untermeyer Memorial) with a magnificent view of the Wilderness of Benjamin, the Dead Sea, the Jordan river, and the mountains of Ammon and Moab.

Grounds held by or for the University now exceed 200 dunams (50 acres).

ADMINISTRATION.

The University is governed by a Board of Governors composed of prominent Jewish personages in different parts of the world. The administration of the University in Palestine is in the hands of the Chancellor and the University Council of Professors.

Dedication of the Minnie Untermyer Memorial Open-Air Stage (April, 1933).

FUTURE DEVELOPMENT.

The University is still in the process of organization. It has only two of the usual Faculties, and even those are far from complete. Plans are in hand for the addition or strengthening of many important subjects as soon as funds are available. There is special need at present for Education; Psychology; Modern Languages; Political Economy; Physics; General Chemistry; and Applied Mathematics. A School of Agriculture is projected for the academic year 1934/35, and the erection of a University Hospital is contemplated, as well as a Postgraduate School of Medicine and Hygiene, both meant to be steps in the establishment of a Faculty of Medicine.

Some of these posts will be filled with the help of emergency funds obtained by the University for refugee Jewish scholars and scientists from Germany.

This, however, will be only temporary relief. The development of the University is gravely threatened by financial difficulties. The annual income of the University has shrunk, since the world crisis began, from about £ 50,000 to less than £ 40,000, and that in spite of the growth of the University in the meantime. It receives no grant to its regular budget from any public exchequer. The major part of its income is derived from annual contributions of which, hitherto, over two thirds has come from donors in America. A special effort is now being made to secure more active support from European countries. An active Society of Palestine Friends of the University has been formed here, its first achievement being the endowment of the Bialik Chair of Hebrew.

Help should be forthcoming quickly and generously to enable the University to maintain the existing structure and to make development possible.

Dear Friend:

Judge Joseph H. Silbert has informed me that you have made a generous contribution to the Cultural Fund of the Cleveland Zionist Society. I wish to thank you in my own name and in the name of the Society for your kind cooperation.

This Fund has enabled us to bring to our community great leaders in Jewry to address the meetings of The Cleveland Zionist Society which are open to the public, thereby contributing to a better understanding of Jewish life and its problems generally, and our work in Palestine, particularly. The monthly cultural programs of our Society have been praised throughout the country. We shall be in a position to carry on the same type of meetings during the coming year.

With all good wishes and thanking you again for your good will and cooperation, I remain

Very cordially yours,

Dr. Oppenheimer began work in the Zionist cause in 1902 when he met Dr. Theodor Herzl, its founder. He studied Palestine's agricultural possibilities

and in 1910 attempted the first co-operative community. He has since revisited the country many times in behalf of the World Zionist Executive Committee. His address here will be on "Race Problems, Especially Mock Races."

RABBI SILVER AND JUDGE BERNARD A. ROSENBLATT TO ADDRESS CLEVELAND ZIONIST SOCIETY

Pre-Convention Meeting Scheduled for Tuesday Evening, June 15th in Mahler Hall

Climaxing a season of splendid meetings, the Cleveland Zionist Society has arranged a public meeting to discuss the problems which confront the Zionist movement today and which will be reflected in the forthcoming Convention of the Zionist Organization of America as well as of the World Zionist Congress. The meeting will be held on Tuesday evening, June 15th, 8:15, in Mahler Hall of The Temple. Delegates will also be elected to the Zionist Convention which is scheduled to be held in New York City on June 26-29.

Dr. Abba Hillel Silver, Vice-president of the Zionist Organization of America and member of the Jewish Agency for Palestine, will share the program with Judge Bernard A. Rosenblatt of New York and Haifa. Judge Rosenblatt is well-known to the Zionists of America. He has recently returned from an extended sojourn in Palestine and will give first hand information concerning the reaction of Palestinian Jewry to the vital problem of Jewish-Arab relationship and the hearings of the Royal Commission whose findings are being eagerly awaited. Judge Rosenblatt who is a former member of the World Zionist Executive at Jerusalem and founder of the American Zion Commonwealth has recently published a brochure called "An American Solution of the Palestine Problem."

Both Dr. Silver and Judge Rosenblatt will discuss the subject: "What shall be our attitude to the proposal for the partitioning or the cantonization of Palestine? What is the proper approach to the problem of Jewish-Arab relationships? How shall we face the findings of the Royal Commission about to be published?"

The meeting is free and open to the public and a cordial invitation is extended to all the friends of Palestine to attend this meeting.

A Nominating Committee consisting of Saul Danaceau, Harry Epstein, Michael Gallin, Daniel Wasserman, and David Wolpaw will present a list of delegates to be voted on at this meeting.

The Program Committee, under the chairmanship of Dr. William Rigelhaupt, has offered an unusually attractive program of meetings during the year which is now closing. Such outstanding personalities as Dr. Royal S. Copeland, Dr. Ben Zion Mossinson, Marvin Lowenthal, Pierre Van Paassen and Erika Mann appeared under the auspices of the Cleveland Zionist Society this season.

Dr. Hugo Bergmann, Rector of the Hebrew University at Jerusalem, was tendered a banquet and reception under the auspices of the University Committee, of which Mr. Irwin Greene is chairman, at which the foremost representatives of the cultural life of Cleveland were present. The first \$500 scholarship to the Hebrew University was also forwarded this year.

In the field of youth work, the second annual Oratorical Contest was held in which more than fifty young men and women participated. The finalists were heard at a meeting of the Society on April 26th and prizes were awarded to those who wrote and delivered the best orations on a Zionist or a general Jewish subject.

CLEVELAND ZIONIST SOCIETY

-2-

The Cleveland Zionist Society is rounding out its year's activities with the largest membership in its history. This is due to the work of the Membership Committee which is under the chairmanship of Judge Joseph H. Silbert.

“PIONEERS”

First Talking Film Produced in Palestine with the
WORLD FAMOUS

Habimah Players

A Zenith Production Directed by Alexander Ford

Palestine Relaxes

“During the Palestine day the sun burns into the Holy Land and keeps hot the tempers of its tripartite population. But at night racial and political antagonisms fade out under the cooling influence of the moon and the movies. It is then at one of the twenty-three Palestinian picture houses that Briton, Jew and Arab meet, and declare a truce until the morrow.

* * *

“... Palestine continues to talk of its own cinema. The climate is much like California. The scenery is varied, offering both mountains and the Mediterranean. The influx of German theatrical talent and the fame of the Habimah, Palestine's leading theatre, combined with the physical properties of the country, have led some to think that the cinema will become an industry as well as the chief source of amusement there.”

—Jean Jaffe

New York Times

“Pioneers” Effectively Done

“A vivid chapter . . . in the building of a new Palestine filmed in the land of promise serves as the material from which the Habimah Players have fashioned the first Hebrew all-talking picture produced in Zion. The production, “Chalutzim,” or “Pioneers of Palestine,” opened its Western premiere engagement yesterday at the Grand International Theatre.

The Story

“... a simple and effective effort to capture the drama of one of the great epics of history — the odyssey of the Jews. The story chronicles the adventures of the first group of emigres who left their homes in Europe and America to form a colony on the desolate land purchased from the Arabs.

“The fight centering about the water supply which had for many years belonged to the sheik who charged exorbitant prices for the valuable water, forms the dramatic

highlight of the production. Unable to pay the high price asked for water the newcomers set about digging their own well. The sheik, seeing his monopoly about to be broken, spreads adverse propaganda about the pioneers which nearly results in their massacre.

“The Hebrew dialogue is fully translated by English titles for those who do not understand the language.”

—Irene Cavanaugh

Illustrated Daily News, Los Angeles, Calif.

A Moving Performance

“... the performances are credible and moving. A simple story is told of the hardships encountered by the small handful of Jewish people who went out to find a new empire in Palestine. Certain scenes are almost brutally realistic, and there is a validity in the presentation of the fight against heat and thirst and unfriendly natives, that Hollywood might well study.”

—Stanley Bigelow

Los Angeles Evening News

“Habimah” Gets Its Own Theatre

“Preliminary work . . . we are informed from Tel-Aviv, has begun . . . on the construction of the first permanent home of the “Habimah”, Hebrew Repertory Theatre, which began its career in Russia eighteen years ago. This is the first Hebrew Theatre in the world to have its own home. The design for the building is an extraordinary one and the theatre promises to be one of the finest in the entire Near East. A marble staircase of nine broad steps will lead from the street to the portico of the theatre which will be built in a semi-circle having ten columns, thirty feet high, supporting the room. The front facade will be of red Jerusalem stone, with box offices to the right and left, wide doors leading into the foyer and extensive corridors extending around the building.

PERMIT TO SEND OUT BUSINESS REPLY CARDS OR ENVELOPES FOR RETURN UNDER SECTION 510, POSTAL LAWS AND REGULATIONS

PERMIT No. 3842Post Office Cleveland, OhioFebruary 20, 193 5.Cleveland Zionist District No. 2,P. O. Box 1859, Station E.Cleveland, Ohio

In accordance with the request in your application and under authority received from the Third Assistant Postmaster General, permission is hereby granted you to send out business reply cards or business reply envelopes for distribution and return under section 510, Postal Laws and Regulations, and the conditions promulgated thereunder set forth on this permit, which must be strictly observed.

R. Zimmerman Postmaster.

CONDITIONS GOVERNING THE DISTRIBUTION AND RETURN OF BUSINESS REPLY CARDS AND ENVELOPES

1. Section 510, Postal Laws and Regulations, reads as follows:

Sec. 510. Under such regulations as the Postmaster General may prescribe, it shall be lawful to accept for transmission in the mails without prepayment of postage, business reply cards and letters in business reply envelopes, which have been sent out in the quantity and under the conditions he may establish, postage thereon at the regular rate, together with an additional postage charge of not more than 2 cents on each such card and letter, to be collected on delivery. (Act of May 29, 1928.)

2. The postage on business reply cards when collected on delivery as provided in this section shall be 2 cents each, and the postage on letters in business reply envelopes shall be the regular first-class rate plus 1 cent additional for each letter. When such cards and envelopes are prepared for return by air mail, the regular air mail rate plus 1 cent additional shall be collected on delivery.

3. Persons desiring the privilege of sending out business reply cards and envelopes for return to them under the provisions of this section shall make application therefor on Form 3614 to the postmaster at the office to which the cards or envelopes are to be returned, who, except as otherwise instructed, shall transmit it to the Third Assistant Postmaster General, Division of Classification, and await the receipt of a permit and instructions as to procedure.

4. Business reply cards shall conform in size, form, and quality to the conditions prescribed in section 508 for private mailing or post cards. Such cards and also business reply envelopes, which must be furnished by the user without cost to the department, shall bear on the address side in the manner prescribed in the permit the printed name and address of the person or concern to whom they are to be returned, together with the permit number and such other information as may be required. * * *

5. Business reply cards and envelopes deposited in the mails at any post office for return to the person or concern who sent them out under the provisions of this section shall be postmarked and promptly dispatched in accordance with the address thereon. (See sec. 426, concerning inclusion of postage at regular rates on business reply cards and envelopes in amounts upon which postmasters at fourth-class post offices are entitled to base their commissions on cancellations.)

6. When business reply cards and envelopes are returned to the office of origin, they shall be delivered to the person for whom they are intended upon payment of the postage chargeable thereon as prescribed in paragraph 2 of this section. Postage-due stamps representing the amount collected on the cards and envelopes so returned and delivered shall be affixed to one or more of the cards or envelopes or to a piece of paper attached thereto and canceled, stamps of the highest denominations available being used for such purpose. * * *

INSTRUCTIONS

1. The following instructions shall be observed in connection with section 510, Postal Laws and Regulations, with regard to the acceptance for mailing of business reply cards and letters in business reply envelopes without prepayment of postage:

2. Business reply cards and envelopes may be distributed in any quantity desired by the permit holder, no minimum being prescribed. They may be distributed through the mails from the post office to which they are to be returned or from such other post offices as the distributor may desire, or, if no abuse results, they may be distributed outside the mails. Such cards and envelopes need not be presented at any particular place at the post office, but may be deposited in the same manner as other mail of the sender, or, as stated, distributed outside the mails.

3. The cards may be sent out either as reply portions of double post cards or folded cards or may be inclosed with other matter, as also may the envelopes.

4. Business reply cards and envelopes will be accepted for return mailing at all post offices in the United States and its possessions, except the Canal Zone and the Philippine Islands. They should not be sent to any foreign countries, including Canada, Cuba, Mexico, and the Republic of Panama, as they can not be returned from any foreign country without prepayment of postage.

5. Business reply cards must conform to the conditions prescribed for post cards or private mailing cards, and, therefore, may not be smaller than 2 3/4 inches by 4 inches (a size somewhat larger is preferable) nor larger than approximately 3 3/8 inches by 5 3/8 inches. They may be printed in two or more colors. The law authorizing the use of business reply cards and envelopes does not contemplate that they shall be attached to parcels of merchandise or other matter either for the purpose of carrying messages or merely as address tags or labels without prepayment of postage. They may be used to transmit communications only, as that term is commonly understood. Business reply cards or envelopes may not be used to return parcels of merchandise or other articles without prepayment of the required postage on both the cards (or envelopes) and the parcels.

6. The address side of such cards and envelopes shall bear the permit number, the name of the post office issuing the permit, the words "Business reply card" or "Business reply envelope," as the case may be, the inscription "No postage stamp necessary if mailed in the United States," the words "Postage will be paid by addressee" (whose name may be inserted if desired), or in lieu of such words the inscription "2 cents postage will be paid by" in the case of the cards, or "4 cents postage will be paid by" in the case of envelopes, over the name and complete address of the person or concern to whom the cards or envelopes are to be returned. A space of at least 1 1/4 inches shall be left for postmarking at the top of the card or envelope on the left of the indicia in the upper right corner. Such indicia shall be prominently printed and not obstructed or surrounded by any other matter. All of the foregoing shall be arranged in one of the forms illustrated on the back of this permit. No extraneous matter may appear on the address side. However, when Form A is used, the word "From" together with blank lines for the insertion of the name and address of the sender, may be placed in the upper left corner of the address side, but such lines should not extend into the space within 3 1/2 inches from the right end which must be reserved for the postmark and the prescribed indicia.

7. Postmasters must see that the proper postage is collected on all business reply cards and letters in business reply envelopes before delivering them to the addressees. Such cards or letters must not be placed in direct packages or sacks made up for individuals or concerns.

8. Permits to distribute business reply cards and envelopes are issued with the understanding that the permit holder guarantees to pay the postage on all that are returned. In view of this, no deposit will be required when the cards or envelopes are sent out.

9. When large concerns having branches or dealers throughout the country desire to distribute business reply cards and envelopes under the provisions of section 510, Postal Laws and Regulations, from their main office to be returned to various dealers or branches throughout the country, the distribution may be made under permits obtained at each of the offices to which the cards or envelopes are to be returned, or it may be made under one permit issued at the post office where the main office is located.

When the distribution is made under a permit issued at the post office where the main office of the person or concern is located, it shall be with the understanding that the person or concern distributing the business reply cards or envelopes guarantees that the postage will be paid on all such cards or envelopes returned in the event any of the branches or agents refuse to accept delivery and pay the postage due thereon.

Postmasters shall promptly report to the Third Assistant Postmaster General, Division of Classification, any refusal to pay the postage due by any person or concern to whom such business reply cards or letters in business reply envelopes are addressed, giving the permit number.

10. Business reply cards and letters in business reply envelopes otherwise conforming to the provisions of section 510, Postal Laws and Regulations, may be prepared for return via air mail, the regular air-mail rate plus 1 cent additional to be collected upon delivery.

Such business reply cards and envelopes intended to be returned via air mail must bear, in addition to the indicia prescribed for business reply cards and envelopes, the words "Via air mail," which should be printed in bold letters on the right portion of the address side above the name of the addressee and adjacent to the heavy short lines along the right edge of the address side, which form a prescribed part of the distinctive indicia for such cards and envelopes. The form of business reply card or envelope (Form A) which includes the amount of postage to be collected, should be used and the proper amount at the air-mail rate plus 1 cent should be shown, as, for example:

7 "9c—POSTAGE WILL BE PAID BY—"

In order that business reply cards and envelopes intended for return by air mail may be readily identified, the red and blue parallelograms forming a part of the distinctive design, which has been approved for air-mail envelopes, should be placed around the edges of business reply cards and envelopes, as illustrated in Form C. Assurance can not be given that business reply cards and envelopes will receive air-mail treatment unless they are of the distinctive design approved for air-mail cards and envelopes, thus enabling them to be readily identified.

11. A record should be kept by postmasters in such manner that a report can be made at the end of each year on a special form which will be furnished by this office without request therefor, showing the aggregate number of business reply cards and the aggregate number of letters in business reply envelopes returned and the amount of postage collected on the cards and the amount collected on the letters in such envelopes. If there is more than one permit holder at a post office it is not necessary to keep a separate record of the number returned to each individual permit holder, but merely the total number returned to all concerns and the total postage collected.

Dear Friend:

Palestine, today, is the center of world Jewish interest. Zionism is a movement which is fast embracing increasingly large sections of our people. The large influx of immigration into Palestine and the swift upbuilding of the Jewish homeland have been the sole sources of hope and cheer in this fateful hour of Jewish destiny.

The Cleveland Zionist Society which has been recently organized, is devoting itself to cultural and educational programs for the dissemination of information about Palestine and the ideas underlying the Zionist movement among the Jewish people of our city. We believe that you would enjoy fellowship with us and we invite you to join us. Enclosed is an application blank. Please sign and return it to us with your membership dues of three dollars.

The Cleveland Zionist Society is a member of the Zionist Organization of America. Your membership in the Society makes you a member of the National Organization and will entitle you to vote for delegates to the convention of the Zionist Organization of America and to the World Zionist Congress, both of which will take place this Summer.

The next meeting of the Society will take place on Monday evening, April 22, (Passover week) at 8 P.M. in Mahler Hall.

PROFESSOR JACOB MARCUS of the Hebrew Union College of Cincinnati will be the guest speaker. His subject will be "The Rise and Destiny of the German Jew." This, you will recall, is the theme of his book which has received such nationwide recognition and acclaim. A question period will follow the address. The Cleveland Jewish Singing Society, under the direction of Mr. Charles Dawe, will render a musical program.

We cordially invite you to attend this meeting.
With all good wishes, I remain

Very cordially yours,

Abba Hillel Silver

Dear Friend:

The next general meeting of the Cleveland Zionist Society will be held Tuesday evening, May 28, at eight o'clock in Mahler Hall of The Temple, Ansel Road and East 105th St.

In view of the forthcoming World Zionist Congress to be held at Lucerne, Switzerland, beginning August 27, and the convening of the Zionist Organization of America on June 29, this meeting will be devoted to a discussion of the important issues that will come up at the Congress.

Rabbi Edward L. Israel of Baltimore, President of the Seaboard Zionist Region, will participate with me in a joint discussion on "Problems of Zionism Today: The Issues Before The Forthcoming World Zionist Congress." Rabbi Israel has gained an enviable reputation as one of the foremost and most enlightened leaders of the Zionist Movement in this country. He is a clear and forceful speaker. There are few men better qualified to discuss the inner policies and problems of the Zionist Movement.

Following the speakers, the meeting will be thrown open to a general discussion in which the audience will participate.

We cordially invite you to attend this meeting and to bring your friends. With Zion's greetings, I remain

Very sincerely yours,

, PRESIDENT.

P.S. Please note the enclosed membership card. It is important that we have as many new members at this meeting as possible.

LUDWIG LEWISOHN

FEBRUARY 19

●

Dear Friend:

I am pleased to inform you that THE CLEVELAND ZIONIST SOCIETY has been successful in procuring the internationally famous writer and champion of Zionism, Ludwig Lewisohn, to address the members of our Society and their friends on Wednesday evening, February 19, 1936 at 8:15 P.M. in Mahler Hall.

Dr. Lewisohn's subject will be "THE JEW AND THE WORLD".

This meeting promises to be the outstanding event in our Society's calendar for this season - a calendar already distinguished for its rich and successful cultural program.

The meeting will be open to the public. Seats, however, will be reserved for members of the Cleveland Zionist Society and their wives in the front part of Mahler Hall until 8:15 P.M.

This month marks the close of our fiscal year. 1936 Dues must now be collected. May I remind you of the two categories of membership dues, \$3 and \$6. Only those who pay \$6 a year will, from now on, receive the "New Palestine". This is the official ruling of the Zionist Organization of America.

Out of the \$3 dues, our Society retains only \$1. The other \$2 are sent to the Headquarters of the Zionist Organization of America. Out of the \$6 Dues, our Society retains \$2.

The nature of our cultural programs, the eminent speakers whom we bring from out of the city and our entertainment program involve us in considerable expense during the year. Our only source of revenue is Membership Dues. May I not urge upon you, therefore, either to enter this year into the \$6-a-year class of membership or to take out an extra \$3 membership for your wife? We will then make arrangements to have the "New Palestine" sent to you on the strength of two memberships in one family.

Please send in your Dues at once. Use the enclosed envelope.

With all good wishes, and looking forward with pleasure to seeing you at the great Lewisohn meeting on February 19, I remain

Very cordially yours,

Abba Hillel Silver

President
