Dear Rabbi :

May I take the privilege of extending to you heartiest congratulations and best wishes upon your election as President of the Cleveland Zionist District No. 2.

I hope that with the advent of the new district, a new spirit and enthusiasm will be developed in Cleveland Zionism, that will consolidate all the creative and constructive forces of Jewish life, which is so essential to the upbuilding of Eretz Israel. And that with your energetic guidance you will succeed to build up one of the finest districts in the country, that will serve as a model for other Jewish communities.

In the Hope of Zion Rebuilt,

Cordially yours,

Bernard Gutow.

Dear Reverend:

Last Wednesday evening I attended the open meeting and entertainment of the Second Zionist District. I was deeply impressed with the cultural and entertaining program and I left with the resolve of affiliating with this great movement and to be an active part of it to serve it in any capacity.

The fact that you are at the head of this movement as President and that Mr. Irwin Greene, whom I have always greatly admired, has been appointed on the Executive Committee, has filled me with a great desire to be numbered among the fifteen who are to be appointed to this great body.

This letter is written you, therefore, in pursuance of your statement, that anyone desiring to serve on any committee should notify you. May I hope to be able to serve on this committee?

For a brier history:

Under the late Walter Leo Solomon I received my early social guidance at the Council Educational Alliance and have acted as a club leader for the past seven years. Miss Ida Schott and Mr. Samuel Levine will furnish you with any reference necessary.

I am also a member of the American Hebrew Benevolent Association and various other organizations.

I neglected my early Jewish education and am most anxious to affiliate with such a group.

I also have contacts with the various editors of the various newspapers and am ready to SERVE the Second District.

Mr. Joseph Seltzman has my application and will no doubt record it Monday.

Trusting for the honor and pleasure to SERVE on the Executive Committee, I am

Respectfully yours

Ben Weltman.

SEVERAL SUGGESTIONS FOR THE NEW ZIONIST DISTRICT

Until the new headquarters are established ,it is recommended that the organization set up for itself temporary headquarters in some suitably located hall,library or temple. The designated place should be supplied with the information,literature and history of Zionism and be made available at all times for members and friends.

A capable individual should be appointed who is acquainted with the materials,information etc.such a headquarters should require. Palestinian newspapers,magazines etc. should be made available for all.

The organization should publish a bulletin to acquaint the members with local,national and world affairs in Zionism.This bulletin should be monthly,if possible;at least quarterly.

The organization should create and sponsor some Hebrew speaking society for Cleveland Jewry.Whether such a society is to become a branch of the Histadruth or an independent group is for the organization to determine.But that Cleveland,including about 100,000 Jews,needs a Hebrew speaking group is undeniable.

To prepare young Jewish men and women for active membership in Zionism it is wise to first train them in and acquaint them with the necessary information,history and spirit of the movement.~~Only~~ Only such trained men andwomen can be of genuine service to the active groups , .

The utmost should be done to acquaint the members of our organization with Living Palestine. To promote this several suggestions are in order.

1.For all great occasions the district sponsors that are attended by paid tickets,raffles should be held,the winner being

awarded a free trip to Palestine.

2. We should celebrate in minor fashion all affairs held in the Holy Land, namely such as the Purim and Chanukah celebrations and the Olympic games for Jewish youths.

3. S. Edelheit, 5501 Snyder avenue, Brooklyn, New York, traveller and lecturer has available a series of late films taken in Palestine as well as in several of the European countries. To acquaint Cleveland Jewry with living Palestine, Mr. Edelheit should be procured to show the film and lecture.

The district should make it its duty and privilege to keep it contact with the Jewish young men and women of our colleges, to instil in them interest and spirit of Zionism; they should be encouraged to sponsor active groups in the movement. The right methods will undoubtedly keep Jewish youth awake to Jewish life and problems.

U.S. SENATOR ROYAL S. COPELAND TO ADDRESS CLEVELAND ZIONIST SOCIETY

The Cleveland Zionist Society Announces Opening of Year's Activities

For its first public meeting of the year, the Cleveland Zionist Society will have the pleasure of presenting to the Cleveland Jewish community, United States Senator Royal S. Copeland who has just returned from an unofficial tour of Palestine in the company of U.S. Senators Warren R. Austin and Daniel O. Hastings. The meeting will be held in Mahler Hall on Monday evening, October 26 under the chairmanship of Rabbi Abba Hillel Silver.

Senator Copeland made a careful study of conditions in Palestine during the disturbances which have taken place in the country. He visited the important Jewish towns, settlements and institutions. He interviewed the outstanding Jewish leaders, government officials as well as Arab leaders in Palestine. He has brought back a tremendously important report which Cleveland Jewry will receive with the greatest of interest.

A largely attended meeting of the Board of the Cleveland Zionist Society was held on September 23 at which time extensive plans of activities for the coming year were laid.

The membership of the Cleveland Zionist Society is now close to five hundred and is one of the largest single Zionist units in the United States.

Gentlemen:

I received your telegram with reference to Senator Copeland's coming here. There must be some confusion as to the date of the Senator's coming here. We had invited him for October 6, 13 or 14. He wired asking whether October 26 would be at all possible for us. I replied that whereas we would prefer to have him come earlier in the month, we would accept October 26 if that was the only date available. On September 24, the Senator wired me: "October calendar very full and since I must be in Ohio at that time much prefer twenty-sixth". I accordingly wrote him that same day that we would be delighted to have him on the 26th. I proceeded to give the announcement to the newspapers, a clipping of which I am herewith enclosing.

It would embarrass us greatly if we would have to change the date. Under any circumstances, the Cleveland Zionist Society, under whose auspices the Senator is coming, could not arrange a meeting on a Sunday.

Regarding the honorarium of \$250 - the figure is rather high - not that Senator Copeland is not deserving of such an honorarium but that the Society is charging no admission at this meeting. It has arranged it as a community-wide reception for the Senator. It had been our hope that \$100 plus traveling expenses would be the fee. Perhaps you would take this matter up with the Senator?

I shall be pleased to hear from you promptly.
With best wishes, I remain

Very cordially yours,

NEWS-RELEASE

The Cleveland Zionist Society

Please Use front page

With Cut of Sen. Copeland

In opening the Fall season the Cleveland Zionist Society under the leadership of Rabbi Abba Hillel Silver, is presenting a timely lecture by Senator Royal S. Copeland of New York. The Senator's subject, "My Observation on a Recent Trip to Palestine", will be the major feature of the first open meeting of the Society at Mahler Hall, The Temple, Ansel Road and East 105th Street, at 8:15 p.m. Monday, October 26. This presentation is free ~~and open~~ to the public.

In order to answer such questions as: what is the situation in Palestine today? what are the issues involved in the bloody strife now in progress there? how does Great Britain administer the mandate over Palestine? what is the future of the Jewish National Home?, an unofficial Senatorial Commission of which Senator Copeland is a member, was sent to Palestine.

The commission studied the great progress made by the Zionist effort to establish the Jewish National Home; inquired into the British trusteeship over the Holy Land and conferred with the recognized Arab and Jewish leaders. ^{They} ~~It~~ investigated the precarious status of American citizens in the present conflict, and devoted themselves especially to examine the potential capacity of Palestine to absorb larger numbers of Jewish immigrants.

The commission has recently returned. Senator Copeland has already written articles embodying first hand observations of what he saw in Palestine.

To the Cleveland Zionist Society audience he will impart from the platform his interesting experiences which millions of Americans feel are of vital concern. ~~xxxxxx~~

The Cleveland Zionist Society Executive Committee ~~promises~~ ^{states} ~~that~~ ^{this} ~~to be~~ ^{is} but the first in a series of vital presentations dealing with Zionism, its ideals and present ~~xxx~~ status.

They ~~xxxx~~ report that the coming season will emulate the Society's past efforts in bringing to Cleveland outstanding personalities who can speak authoritatively on problems of ~~xxxx~~ real concern to American Jewry.

The Speakers Bureau of the ~~xx~~ Society, under the chairmanship of Henry X. Kutash, met last Tuesday to formulate plans for extending its service. The Bureau furnishes free to organizations so requesting, capable, well informed speakers on ~~xxxxxxx~~ Zionism and related topics. This service to the Jewish community has been well-received by those organizations who have taken the opportunity of availing themselves of it.

CLEVELAND ZIONIST SOCIETY*Plain Dealer 10/8/36***COPELAND TO TALK HERE****Will Address Zionists at Temple on Situation in Palestine.**

United States Senator Royal S. Copeland of New York, who has recently returned from a visit to Palestine as a member of an unofficial senatorial commission which studied the progress of Zionist efforts in the Jewish National Homeland, will address the first meeting of the Cleveland Zionist Society in Mahler Hall of the Temple at 8 p. m. Oct. 26.

Senator Copeland will give his impressions of the potentialities of Palestine in absorbing larger numbers of Jewish immigrants and of the relations of American citizens to the current conflict in that country.

*News**10/23/36**Press**10/ /36**Plain Dealer 10/21/36***BLAMES BRITAIN IN
PALESTINE TANGLE****Copeland, Addressing Zionist Group Here, Hits U. S. for Failure to Act.**

United States Senator Royal S. Copeland of New York last night placed responsibility for current disorders in Palestine squarely upon the shoulders of Great Britain as the mandatory power charged with the task of assuring development of that country as a homeland for Jews.

Senator Copeland spoke before the Cleveland Zionist Society's first fall meeting in the Temple in his first address based upon observations in Palestine since his return to this country as a member of an unofficial senatorial commission which visited the Holy Land during the summer.

Strongly hinting that a row in Palestine gave England an excuse for keeping large bodies of troops available and that her hesitant policy was not unallied with her interests in the Suez Canal and her fear of Arab sympathies in India, he declared the Arab-Jewish differences could be worked out simply through the League of Nations mandate.

He also criticized the United States for not interesting itself more definitely in the matter and insisting that England treat her responsibilities as an international rather than a colonial duty.

During a question period following his address, Senator Copeland said he had written Secretary of State Cordell Hull a letter setting forth his belief that the United States should insist upon the full enforcement of the mandate, and had been offered in reply access to confidential information possessed by the government.

Asked if he had attempted to see President Roosevelt, he said he had, but had found it very difficult to gain access to him.

"You see I'm sort of off the reservation and not much in demand," he replied, laughing.

Dear Rabbi Silver:

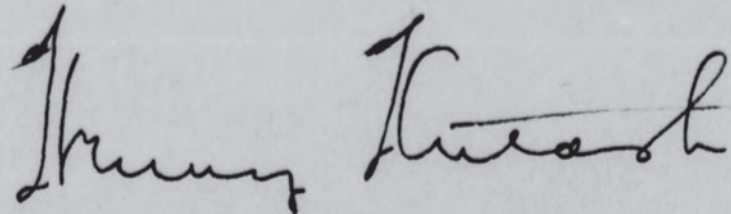

The Zionist Speakers Bureau is preparing to send out a small folder, setting forth the topics available, the speakers, and how to make arrangements for securing a speaker.

I should very much like to include a brief message from you — perhaps one hundred and fifty words — calculated to arouse the interest of the organizations in having Zionism discussed. In addition to the value of the message itself, your name will serve to identify the organization, since the name of the District is so very similar and the folder itself will not otherwise contain the names of the officers.

Will you favor us?

c/p GRACE MCELDOWNEY, CLERK
ROGER WILLIAMSON, ASST. CLERK

Dear Dr. Silver:

I shall arrive in Cleveland over the Pennsylvania Railroad at 8:25 Monday morning. That is pretty early. If the committee cares to call on me later in the day, will that not be just as well?

With your kind permission, I shall go to the Cleveland Hotel, because I have promised to speak before the Middle West Foreign Trade and Merchant Marine Conference on Monday. That organization meets in the Hotel Cleveland, and it would be more convenient for me to make headquarters there.

As I understand the matter, I am to be at Mahler Hall of the Temple at 7:45 p. m. In any event, please do as you think best about meeting me at the train or calling on me sometime at the hotel. I am at your disposal any time you name.

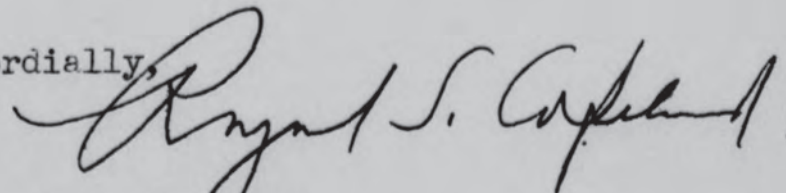

I have a few personal friends in Cleveland. Naturally I am anxious to see them during the day. Dr. Joseph H. Ball, of the Rose Building, and his wife, are old-time friends of mine, and I want to spend some hours with them.

I am delighted to be with you and shall look forward to our meeting.

I have an appointment to see Mr. Justice Brandeis this afternoon. I thought I should like to get his present-day thought regarding the Palestine situation.

With kind regards,

Cordially,

Royal S. Copeland

My dear Mr. Straus:

An outstanding event in the life of the Zionists and Jewish community of Cleveland is the annual Chanukah banquet arranged by the Cleveland Zionist Society. Last year, an attendance which taxed the largest banquet hall in the city celebrated the Festival of Chanukah ~~and welcomed as the guest of the community, the President of the Zionist Organization of America, Mr. Morris Rothenberg, and Judge William Lewis of Philadelphia.~~

We are now making arrangements for the Chanukah celebration this year. It will be held on ~~Saturday~~ evening, December 15. The committee was unanimous in extending to you an invitation to be our ~~house~~ guest on that occasion. You will bring great happiness to all of us if you will accept this invitation. I assure you of a very warm and enthusiastic reception. I do not recall that you have been in Cleveland at any time in the years that I have been here which is close on to twenty years and our people knowing of your distinguished service in the cause of Palestine and the Jewish cause generally, are very anxious to see you and to hear you.

You can come to Cleveland by plane in two hours and leave again the same night by train bringing you back to New York early Monday morning; or you can leave New York Saturday night and spend the day with us here.

Hoping to have the pleasure of a favorable response, and with all good wishes, permit me to remain

I am very pleased to call your attention to a service of education which the Cleveland Zionist Society is offering to Jewish groups and societies in Cleveland through its Speakers Bureau! Recognizing the need for the dissemination of accurate information about modern Palestine and the Zionist movement among our people, the Cleveland Zionist Society organized last year a group of very talented and capable men, good students and good speakers, who have specialized in the subjects and who are now prepared to address groups throughout the city on the various political, social, economic and cultural phases of modern Palestine.

This service is rendered to Jewish organizations without any charge. It is part of the educational program of the Cleveland Zionist Society. I trust that you will avail yourself of this opportunity to bring to your membership from time to time an informative lecture on Palestine.

MORITZ NEUMAN, PHILANTHROPIST, DEAD AT 83

NEW YORK, Sept. 28. (JTA) -- Moritz Neuman, Jewish philanthropist and religious leader, died early today in his eighty-third year. His widow, Mrs. Clara Neuman, four daughters and one son survive.

Mr. Neuman was vice-president of the Israel Orphan Asylum and president of the Congregation Ohab Zedek for twenty years and was its honorary president for the last ten years. He was a member of the Hungarian Society of New York and of the Independent Order of Brith Abraham.

HADASSAH LEADER, J.D.C. PUBLICITY CHIEF BACK FROM TOURS ABROAD

NEW YORK, Sept. 28. (JTA) -- The deplorable condition of Jews in Eastern European countries was described today by Mrs. Edward Jacobs, national president of Hadassah, women's Zionist organization in America and Herbert J. Seligman, public relations director of the American Joint Distribution Committee, both of whom returned yesterday from European tours.

Mrs. Jacobs said that the mounting anti-Semitism abroad was a "reflection of the unhealthy and unwholesome general state" in Europe.

Mr. Seligman asserted that the Jews of Eastern and Central Europe were existing under conditions "more critical than even in the anarchic post-war years."

COPELAND SEES ROOM FOR VAST DEVELOPMENT IN PALESTINE

NEW YORK, Sept. 28. (JTA) -- Palestine's absorptive capacity depends upon the development of its industry and commerce, Senator Royal S. Copeland declared in the first of a series of articles for the Hearst newspapers. In the company of Senators Warren R. Austin, and Daniel O. Hastings, he recently returned from an unofficial tour of investigation in Palestine.

Terming Palestine "the maritime frontier of a vast hinterland which is just beginning to awaken to the call of civilization," the Senator maintained that the country may be made a home for millions of Jews by the development of industry, without minimizing the role of agriculture.

He praised "Jewish endeavor and sacrifice." He said the party found Palestine "an armed camp."

"A state of warfare prevailed, without the martial law warranted by the activities of the Arab terrorists," he said.

We understand that Senator Copeland recently addressed the Zionist Society of Cleveland.

We will appreciate it very much if you could give us the following information:- what did you have to pay; what is the general impression that he makes as a speaker; did he draw a large audience; did he get much space in the metropolitan papers?

We are considering inviting Senator Copeland to address the Zionist Organization of Detroit, and would therefore appreciate very much an immediate reply to the above inquiries.

Mr. Paul Friedman,
2808 So. Moreland Blvd.,
Cleveland, Ohio.

My dear Paul:

I have a job for you. The Cleveland Zionist Society will hold its second annual Chanukah banquet on Tuesday evening, December 15. You may recall last year's very successful affair. It is our hope to make this year's affair even more outstanding. We have invited as the guest speakers of the occasion, Mr. Nathan Straus Jr. of New York and Dr. Ben Zion Mossinsohn of Palestine who is visiting this country at the present time. The banquet will be held at the Cleveland Hotel.

It is our thought to utilize the occasion to raise funds for the scholarship for the Hebrew University which we pledged last year as well as a small amount to help defray the expense of the cultural programs of the Society during the year. The total amount which we will require will be about \$1000. The money is to be raised through contributions of a group of men and women who will act as patrons to the Chanukah affair. Their names would be published in the souvenir program of the evening. I am sure that it will not be difficult to raise this modest sum among friends for the Hebrew University and for the splendid cultural programs which our Society is presenting to the community. No one need be asked for large donations.

And here is the job I have for you. I would deeply appreciate it if you would take the chairmanship of a small Committee on Patrons which will do this fine piece of work. The other members of the Committee will be of your own choosing. We have some great enthusiasts for the Hebrew University in our group who will be delighted to cooperate with you. Personally, I shall be very happy to help in a very real way. You will make us all happy by accepting this, to us, very important and vital assignment.

Mr. Friedman

Dr. William Rigelhaupt,
3812 Franklin Ave.,
Cleveland, Ohio.

My dear Dr. Rigelhaupt:

— We have definitely procured Dr. Benzion Mossinsohn as our guest speaker for the second annual banquet and dance of the Cleveland Zionist Society which will be held on Tuesday, December 15 at the Hollenden Hotel.

I think it would be advisable for the Program Committee to meet in the near future to arrange for the details of the meeting. There is need for engaging (1) the dance orchestra, (2) Emanuel Rosenberg to chant the service of the kindling of the Chanukah lights, (3) any other music which your Committee may wish to have on the program - an outstanding violinist, perhaps.

I am still corresponding with people in the hope of getting another national figure here for the banquet. Should I succeed, I will inform you.

With all good wishes, I remain

Very cordially yours,

My dear Rabbi:

Your letter of November 4th naming the active committee for the Hebrew University Committee received and I shall be very glad to respect your wishes in the matter. However, it will be impossible to complete the brochure for the University until I receive the names of the Advisory Committee. I suggest that the number on the Advisory Committee equal the number of the active committee.

When I talked to you the other day, you told me it was your desire that the University Committee cooperate with the Chanukah Festivity Committee. This I assure will be done as soon as the committee holds its meeting. I assume that a joint committee meeting will be called and members of both committees notified.

If there is anything further you wish to have me do on this worthy cause, please do not hesitate to so advise me.

Sincerely yours

Mr. James Marshall,

My dear Mr. Marshall:

An outstanding event in the life of the Zionists and Jewish community of Cleveland is the annual Chanukah banquet arranged by the Cleveland Zionist Society. It serves as a great educational vehicle for the needs and the achievements of modern Palestine. Last year, an attendance which taxed the largest banquet hall in the city celebrated this Chanukah Festival.

We are now making arrangements for a similar celebration this year. It will be held on Tuesday evening, December 15, at the Hollenden Hotel. Our Program Committee was unanimous in its desire to have you as our guest of honor and speaker on that occasion. We all feel that you can bring a message that will be stimulating and helpful, particularly at this time. You will bring great happiness to all of us if you can see your way clear to accept this invitation. I assure you of a very warm and enthusiastic reception.

You can come to Cleveland by plane in two hours and leave again that same night by train bringing you back to New York early Wednesday morning.

Hoping to have the pleasure of a favorable response and with all good wishes, permit me to remain

Let me thank you for your kind letter of November 21. I am glad to note that Mr. Marvin Lowenthal will be available in January for a lecture before the Cleveland Zionist Society. The date which you offer, however, January 7, is not convenient for us. Thursday is not a good day. Is Mr. Lowenthal available for Tuesday, January 19, or Wednesday, January 20, or Wednesday, January 27? Anyone of these dates would be acceptable. Dear Rabbi Silver:

I am sorry that January 7th is not a convenient time for you to arrange a meeting for Mr. Lowenthal. He will be passing through your city on that day on his way to Chicago from Buffalo, and I was thus able to quote you his minimum fee. I am afraid the other dates in January you suggest are out of the question because of other commitments he has in the Middle West. Could you consider Saturday night, January 9th or Sunday, January 10th? Is January 7th entirely out of the question? Please let me know and I'll see what other arrangements I can make.

Mr. Lowenthal is eager to be with you, and I hope very much we can decide on a mutually convenient date.

MORTIMER GOODMAN
3253 CLARENDON ROAD
CLEVELAND HEIGHTS, OHIO

December 15, 1936.

Rabbi Abba Hillel Silver, President, Cleveland
Zionist Society.

Dear Sir:

Enclosed is the contract form for space in the convention issue of the Avukah Bulletin. This number of the Bulletin will be the official program for the four-day convention (December 30, and 31, and January 1 and 2) at the Cleveland Jewish Center.

Avukah is asking Jewish business concerns, Jewish societies and Zionist groups to buy space or advertise therein; this is the only direct way money is being raised for the convention. Besides the ads, the names of individuals who donate one dollar or more will appear as a list of convention patrons.

We would feel greatly indebted to the Cleveland Zionist Society if this matter would be acted upon at its next executive board meeting, because the Bulletin goes to press (in New York) December 22 at the latest. Will you please answer to the above address or telephone Ye.2888 J.?

Sincerely Yours,

Mortimer Goodman

Dec. 16, 1936

Dear Rabbi Silver:

Let me thank you for the fine evening Mrs. Rocker and I enjoyed last night at the annual dinner of the Cleveland Zionist Society.

The rapid and steady growth of the Society and its fine work in enlisting in the cause of Palestine men and women who seemed hitherto to have been passive and indifferent is not only a tribute to your leadership, but is proof also of the fact that there is a great reservoir of Jewish strength in the city which seems to have been sadly neglected for many years.

With cordial good wishes, Sam,

Sincerely yours

HAILS HEROISM OF JEWS IN PALESTINE

Zionist Leader, Here, Urges
Clevelanders to Help
Land of Refuge.

The Jews in Palestine have overcome great obstacles, both material and moral, in the crisis of the last six months, and have displayed a heroic spirit which both Great Britain and the Arabs have been compelled to recognize, Dr. Ben Zion Mossinsohn, vice president of the World Zionist Movement and for many years head of a Hebrew school in Palestine, told an audience of more than 600 at a dinner on the Cleveland Zionist Society's second birthday in Hotel Hollenden last night.

Rabbi A. H. Silver of the Temple, presided and announced that a \$500 scholarship to Hebrew University of Jerusalem had been subscribed by the Cleveland Zionist Society, United States Senator Robert J. Bulkley and Mayor Harold H. Burton conveyed greetings.

The value of Palestine as a place of refuge for Jewish youth of Eu-

rope was emphasized by Dr. Mossinsohn.

"When the Jew has the slightest possibility of doing so, he builds and creates," said Dr. Mossinsohn, adding that the exclusion of Jews from professions in many European countries meant depriving them of hope.

Two Trends of History.

"History is divided into two parts," he continued. "The east has given the world culture, and the west has given it civilization. Our destiny may be to bring the civilization of the west to the culture of the east and give back, as a present to the world, a new culture from the east."

Referring to progress the Jews have made in transforming Palestine into a fertile land, Dr. Mossinsohn asserted that, through new implements and methods of irrigation, the Jews had made the country five times as productive as it was before.

The Zionist movement has a three-fold motivation, explained Dr. Mossinsohn. The Jews wish to have the feeling of a home, where they have already rooted themselves to the soil; they want to keep their position secure for the sake of the 17,000,000 Jews in the world, and they feel and know that in maintaining their position in Palestine they are defending a right and just cause.

"It is your destiny," said the speaker, addressing the audience directly, "to speak out to the Jews of the world and for the Jews of the world. You must demand Palestine for the Jews. The United States, in its position, has a right to demand of Great Britain that it fulfill its duties as trustee."

"It is now a fight for Jewish honor, and we shall have to see we shall not lose this privilege, for never before have the Jews needed Palestine as bitterly as they need it today."

CLEVELAND ZIONIST SOCIETY BANQUET HUGE SUCCESS

A crowd which overflowed the Ballroom of the Hollenden Hotel and filled the adjoining rooms attended the Second Annual Banquet and Dance of The Cleveland Zionist Society. A holiday spirit prevailed among the guests.

The celebration opened with the kindling of the Chanukah lights by Emanuel Rosenberg following which the entire assembly joined in the singing of the "Rock of Ages".

Warm greetings were conveyed by Maror Harold H. Burton. United States Senator Robert J. Bulkley spoke of his deep interest in the Zionist movement and of the full and sympathetic attitude which the United States Government has taken towards the Balfour Declaration and the upbuilding of the Jewish homeland from the days of President Woodrow Wilson to President Roosevelt. Both the Mayor and the Senator were enthusiastically received by the audience.

A stirring and eloquent address which made a profound impression was delivered by Dr. Ben Zion Mossinsohn of Palestine. He told of the heroism displayed by the Yishuv during the recent troubles in Palestine and of the determination of Palestine Jewry to defend its position acquired through labor and sacrifice in Palestine not merely for their sake but for the sake of World Jewry. The story of what Palestine has come to mean to the politically and economically harassed Jewish communities throughout the world was graphically told by Dr. Mossinsohn.

Dr. Abba Hillel Silver, Toastmaster of the Affair, announced that the Cleveland Zionist Society had forwarded its first scholarship of \$500 to the Hebrew University of Jerusalem and read a telegram from Dr. Samuel B. Finkel, Director of the American Friends of the Hebrew University conveying the thanks and appreciation of the University for the scholarship as well as for the organization of the Cleveland Committee of the Hebrew University which now contains some of the most representative citizens in the cultural and educational life of Cleveland.

Judge Joseph H. Silbert, Chairman of the membership Committee, presented to Dr. Silver as a token of the love and respect of the Society, one hundred and eleven new members who have joined the Society within the last four weeks. Dr. Fred M. Falkman presented the Certificate which was received from the Jewish National Fund acknowledging the inscription of the name of Dr. Nahum Sokoloff in the Golden Book of the Jewish National Fund.

The two candles of the birthday cake marking the second anniversary of the Society were kindled by Dr. William Rigelhaupt, Chairman of the Program Committee, and Mr. I. Evans, Treasurer.

Mr. David Glinkovsky rendered a group of Palestinian and Hebrew songs which delighted the audience.

This service is rendered to Jewish organizations without any charge. It is part of the educational program of the Cleveland Zionist Society. I trust that you will avail yourself of this opportunity to bring to your membership from time to time an informative lecture on Palestine.

Biographical Sketch of Dr. Ben Zion Mossinsohn

Dr. Ben Zion Mossinsohn, one of the foremost personalities in Palestine as an educator and scholar and one of the leaders in the world Zionist movement, has for almost two generations played an important role in the upbuilding of the Jewish National Home in Palestine.

Born in Russia in the late eighties, he early identified himself with the Zionist ideal and joined a group of fellow-students in going to Jaffa, Palestine in 1904 to become teachers. They wanted to begin molding the social and cultural aims and purposes of Jewish resettlement in Palestine. Dr. Mossinsohn and several of his associates founded the first major educational institution in Palestine, the Herzlia Gymnasium, of which he is the Principal today and of whose steady growth he has been the inspiration.

The Herzlia Gymnasium, under Dr. Mossinsohn's guidance, became the first independent Hebrew school in Palestine. It was the nucleus for the city of Tel Aviv which grew on the outskirts of Jaffa where the school was first established. Today, the Herzlia Gymnasium is the center of the educational life of Tel Aviv's Jewish population of 150,000.

Because of his link with the Jewish National Home, Dr. Mossinsohn was called upon to stimulate the growth of Zionist sentiment throughout the world. The World Zionist Organization and Palestine Foundation Fund availed themselves of his knowledge, his fervor and his oratorical ability to send him to visit Jewish communities in Canada, Argentina, South Africa, England and the United States, to which he has been a welcome guest several times during the past decade.

At various times, Dr. Mossinsohn's place in the Jewish community has been reflected in his election to the Vaad Leumi, Jewish National Council of Palestine. At the World Zionist Congress held in Zurich in 1935 he was elected a Vice President of that biennial international gathering. He is one of the most influential figures in the so-called Center group of Zionists and is one of the Presidents of the General Zionist Confederation. ~~He was named to represent Palestine to the first World Jewish Congress at Geneva.~~

Dr. Abba Hillel Silver

East 105th Street and Ansel Road
Cleveland, Ohio.

Dear Dr. Silver:

When I was asked by Judge Drucker and others to speak before the Cleveland Zionist Society, I had forgotten, I confess, that there were two Cleveland societies. I had somehow taken it for granted that there had been a reunion of the two organizations. So of course I did not know about the annual Chanukah banquet on December 15th, which I am glad to know as you and Dr. Mossinsohn are to be the speakers.

Under the circumstances I have declined to speak at the meeting, which was immediately to precede your banquet.

With cordial greeting,

Faithfully,

Stephen S. Wise
President
