LECTURERS' REPRESENTATIVE

January 4, 1936

Rabbi A. H. Silver
The Temple
East 105 Street
Cleveland, Ohio

Dear Rabbi Silver:

You may expect Marvin Lowenthal on Thursday, January 7th, per schedule. He will communicate with you immediately upon his arrival in Cleveland.

Since Mr. Lowenthal will be going on a long tour after he leaves Cleveland, he would appreciate it if his fee were remitted directly to him (instead of sending it to this office as my contract indicates). If this inconveniences you in any way, you may of course remit to this office.

I shall be interested in your comments on Mr. Lowenthal's lecture.

Perhaps you already know that Dr. Cecil Roth has arrived in this country for a three months' tour. He will be very near Cleveland at the end of this month and again the latter part of February, and I am wondering whether you will wish to take advantage of this opportunity to arrange a meeting for him. I find that there is a tremendous interest in his lecture on "The Vatican and the Jew" and he is now being interviewed by the Associated Press on this subject with special reference to the Audience which Dr. Roth had with the Pope in 1935. In any case, the variety of his subjects makes him an attractive speaker for many different groups, and he is having an extensive tour throughout the South, Middle West and East this year. I should very much like to see him included in your own plans.

With best wishes,

Sincerely yours,

Frances Grossel

THE CLEVELAND ZIONIST SOCIETY

MARVIN LOWENTHAL TO ADDRESS CLEVELAND ZIONIST SOCIETY ON THURSDAY EVENING, JANUARY 7

Marvin Lowenthal, author of "The Jews of Germany" will address the Cleveland Zionist Society, Thursday evening, January 7 at 8:15 P.M. in Mahler Hall of The Temple, East 105th St. and Ansel Road. Mr. Lowenthal will speak on GERMANY TODAY AND AMERICA TOMORROW. This meeting is free to the public.

Proof of Mr. Lowenthal's keen ability as an analyst of modern social trends on the world scene is his feat ~~xxxx~~ of predicting the success of the Nationalists in Germany and the effort to drive the Jews to the Ghetto ten years before the event. At that time, 1923, Hitler was known only for his fiasco in the Munich beer hall.

Marvin Lowenthal was born in Bradford, Pa., in 1891. He was graduated from the University of Wisconsin in 1915 and then spent a year at Harvard. He has been an editor of the Menorah Journal and one of its leading contributors.

For ten years (1922-32) he has lived abroad, chiefly in Paris, but his work as editor, journalist, representative of national minority interests at the League of Nations and as a secretary of the World Conference for International Peace through Religion took him on extensive travels through Europe, North Africa, and the Near East.

In 1922 he spent the greater part of a year in Germany which he has frequently revisited, but his new book is not concerned only with modern Germany. ~~It~~ It is a story ~~xx~~ of 16 centuries, tracing the history of the Jew in Germany from 321 A.D. down to the present time.

An additional feature of this meeting is the ~~xxxxxx~~ showing of the motion pictures taken at the recent Chanukah Banquet of the Society. The pictures were filmed by J. T. Selzman, member of the organization, who states that all who attended the affair will be interested in viewing this film record of one of the outstanding social and cultural events of the season.

Dr. Abba Hillel Silver, resident of the Cleveland Zionist Society will preside at the meeting.

TO CHAIRMEN AND SECRETARIES OF
ZIONIST DISTRICTS AND CAMPS OF
THE ORDER SONS OF ZION:

Dear Friends:

The third annual assembly of the National Conference for Palestine, to be held in Washington, D. C. on Saturday evening, February 6th and Sunday, February 7th, makes it incumbent upon all Zionist forces to lend their utmost support so that the Conference may be a truly significant event on behalf of the Jewish National Home.

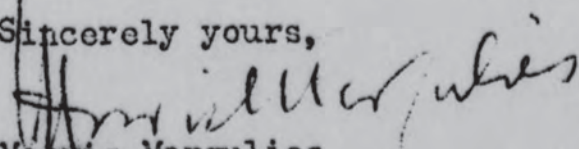

You are hereby urged to elect five representatives of your District to attend the Conference at Washington and thereby give to the assembly the bulwark of strength of the Zionist Organization of America.

With Dr. Chaim Weizmann expected as the guest of honor at Washington, it becomes all the more imperative that the occasion be utilized to provide an impressive demonstration of American Jewry's concern over the rebuilding of the Jewish National Home in such a manner as will have a decisive influence in both London and Jerusalem.

Never was there greater need for an expression by a united American Jewry of our determination that nothing shall be done in Palestine to undermine the foundations already laid or to retard the progress essential for the salvation of our people.

Please indicate on the attached memorandum the names and addresses of the Delegates you have selected so that proper credentials may be sent to them.

Sincerely yours,

Morris Margulies

Rabbi Abba Hillel Silver

Dear Rabbi Silver:

I am happy to inform you that we have arranged for Mr. Pierre van Paassen, internationally famous correspondent and Christian Zionist, to visit your community on Tuesday, February 23rd.

It is no exaggeration to state that a real treat is in store for you, coming from recent visits to Palestine, Soviet Russia and a number of European countries including Spain — for that matter even Ethiopia figured in his itinerary — Mr. van Paassen's message is not only pregnant with information but also has in it the elements of lofty inspiration.

As you were informed when we originally wrote you, the lecture fee is \$50. plus railroad expense. Having succeeded in arranging so extensive a tour for him the railroad fare has been reduced to a minimum and therefore amounts to only \$15. In other words the total cost to you will be \$65.

Mr. van Paassen is prepared to lecture on the following subjects:

"A Gentile Surveys the World Jewish Scene"
"Does the Chaos in Society Lead to War"
"Zionism and World Forces" ✓

Kindly indicate which topic you would prefer.

Being intensely interested in numerically strengthening the Zionist Organization of America, Mr. van Paassen is willing either prior to his scheduled public lecture or immediately thereafter to meet with a group of the workers of your District. If possible I would urge that such a conference be arranged. It could take the form of a little dinner meeting in which case, of course, it would have to be arranged in advance of the public lecture.

Will you be good enough to send me an immediate confirmation.

Sincerely yours,

Morris Margulies, Secretary

P.S. I have also notified Judge Drucker about van Paassen's availability.

Dear Dr. Silver,

Mr. Finkel, Director of the American Friends of the Hebrew University, has written us that the Cleveland Zionist Society has formed a Hebrew University Committee for the purpose of providing an annual \$500.- scholarship for the Hebrew University commencing this year, with the provision that the University select the successful candidate.

As we have informed Mr. Irwin Greene, ^{also} our Committee on Scholarships and Prizes will shortly consider the best purpose for which to use this newly established scholarship, and its decision will be communicated to you in due course.

We thank you not only for the part you have taken in bringing about the establishment of this scholarship, but also for your past and present interest and activity on behalf of the Hebrew University.

My dear Mr. Margulies:

Let me thank you for your letter informing me of the lecture tour of Mr. Pierre van Paassen and that he is scheduled to visit Cleveland on Tuesday, February 23. We would like to have Mr. van Paassen come to Cleveland under the auspices of the Cleveland Zionist Society. But we have scheduled our February meeting as a Purim celebration on Thursday, February 25. If Mr. van Paassen can come on that date, we shall be glad to have him and we shall meet the honorarium and traveling expenses as indicated in your letter. We are assuming, of course, that this will be his only meeting in Cleveland during that month. Let me hear from you as to Mr. van Paassen's availability for that date.

If not, the enclosed announcement relative to another Palestinian picture may be of interest. I wrote to New York to get full information about this picture, "Pioneers".

I also wrote to Zionist headquarters in New York which had previously informed me about Pierre van Paassen's scheduled visit to Cleveland, asking whether the date of his coming could be shifted to the 25th so that we could present him to our group. Van Paassen is making a tour of America under the auspices of the Zionist Organization of America. You know him, of course - a non-Jewish journalist of international reputation who has rendered our cause a great deal of service in the last few years. As soon as I hear from New York, I shall communicate with you.

On the occasion of its Second Annual Purim Celebration on Thursday evening, February 25, the Cleveland Zionist Society will present the new picture "Chalutzim" (Pioneers). It is the first talking film produced in Palestine with the world famous Habimah Players. The dialogue is in Hebrew, fully translated by English sub-titles. There is an introductory talk by the late Nahum Sokolow and a short epilogue which gives a survey of Palestine. The picture lasts one hour and fifteen minutes. Participating in it, besides the artists of the Habimah Players, are Cantor Sirota, Cantor Kupfer and a cast of one hundred.

This will be the picture's first showing in Ohio.

On the program for the Purim Celebration, which promises to be one of the outstanding affairs in the community, is also the world-famous lecturer and journalist, Pierre Van Paassen, who will speak on "Zionism and World ~~xxx~~ Forces". Mr. Van Paassen is one of the best informed men in the world today on current events and movements. He has specialized in the political problems connected with the upbuilding of the Jewish Homeland.

At the conclusion of the ~~xxxx~~ program, a Purim buffet supper will be served. The arrangements for the supper are in the hands of the Women's Committee of the Cleveland Zionist Society.

I just read in the papers that you have arrived in this country. Welcome! How long do you plan to remain in the United States? It would give me great pleasure to meet with you and get some first hand information about conditions in Palestine. I shall probably be in New York in the next few weeks.

Would it be possible for you to come to Cleveland for an address? I would arrange a community meeting under the auspices of the Cleveland Zionist Society at a date convenient to you. It would be a tremendous boost to our work here, particularly in connection with the campaign of the United Palestine Appeal and the Joint Distribution Committee which will be launched here towards the end of next month of which, by the way, I am chairman. Let me hear from you at your earliest convenience.

Dear Abba:

I am touched by your cordial invitation to come to Cleveland which much to my regret, I can't accept.

I arrived on the 22nd and spent five days with my wife and child who have been here for a year. and want in the intervening time to finish my negotiations on the Huleh for which I have gotten from the Refugee Economic Corporation a participation of \$250,000. I must sail again on the 10th.

Our situation in Palestine is far from happy. I look for restrictions on rights previously possessed of one sort or another. These are matters which can best be talked about but not written about. If you are in New York before March 10, I shall be extremely glad to tell you in detail about my views and conjectures.

My wife and child are coming here over the weekend to remain with me until I sail. You will forgive me, I am sure, if I do not want to leave my family whom I have not seen since last July. Some other time I shall be more than glad to have the opportunity of coming to Cleveland.

Dear Friends:

1. CONVENTION CITY

The Executive has decided to recommend to the meeting of the Administrative Committee, which will be held on Sunday, March 21st, to fix the time of the next Zionist Convention as June 26-27-28-29.

With respect to the place of the Convention, it has been decided, in advance of the decision of the Administrative Committee, to obtain the consensus of opinion among the Districts, as between New York and Chicago. Accordingly, I enclose herewith a postcard on which you will kindly indicate the preference of your District. I want to urge you to return this postcard before next Sunday. If you prefer any other city than New York or Chicago, kindly indicate your choice.

2. SHEKEL BOARD

I enclose herewith a statement issued by the heads of all national Zionist organizations, calling upon all Zionists to take steps for the organization of a Shekel Campaign and immediate formation of local Shekel commissions. You are urged to take the initiative in calling together a conference of the representatives of other Zionist groups in your city, for the purpose of organizing a local Shekel Board, and communicate your action to the Central Shekel Board at 111 Fifth Avenue, New York.

Dear Dr. Silver:

Lord Melchett has given the United Palestine Appeal only two dates -- one, a function with the Jewish bankers and brokers at the Bankers Club, and the other, the Greater New York Rally on May 20th. According to my information, when Dr. Wise pressed him for an additional date, he not only declined, but threatened to cancel the two dates referred to above.

That is the Melchett situation as of today. Nevertheless, I am going to show your letter to Silverman and Montor who, I am sure, if any additional dates are procured from Melchett, will immediately communicate with you.

With kind regards and Zion's Greetings, I am,

Sincerely yours,

Morris Margulies,
Secretary.

THE SHEKEL CAMPAIGN FOR 1937

Important Announcement

- - - - -

The Zionist Executive in Jerusalem has summoned Zionists the world over to undertake an extraordinary campaign for the enrollment of Shekel-payers as the first step in the organization of the next Zionist Congress to be held in August of this year.

It is anticipated that at this session of the Congress, important, far-reaching decisions will have to be made, in view of the forthcoming report of the British Royal Commission. All Zionist resources will have to be mobilized and registered in the next Zionist Congress.

At a meeting of representatives of the various national Zionist Organizations in America, called by Eliezer Kaplan and Louis Lipsky, members of the Zionist Executive, it was decided to organize the National Shekel Board for the United States forthwith; and to take steps at once to inaugurate an extraordinary Shekel Campaign to be held during the months of April and May, 1937.

It was agreed that notice be given to all local Zionist groups - Z.O.A. Districts, Hadassah Chapters, Order Camps, local branches of the Poale Zion-Zeire Zion, and of the Mizrachi Organization - to proceed with the organization of local Shekel Commissions who are to assume charge of the Shekel Campaign in their respective communities, and to set the machinery for the election of delegates to the Zionist Congress, in accordance with the rules and regulations of the National Shekel Board.

The officers of all Zionist groups are requested to call a conference of representatives of all Zionist groups in their communities in order to form a local Shekel Board and to communicate their action to the National Shekel Board, 111 Fifth Avenue, New York.

SECOND ANNUAL Oratorical Contest

Thursday Evening, April 29, 1937

Dear Friend:

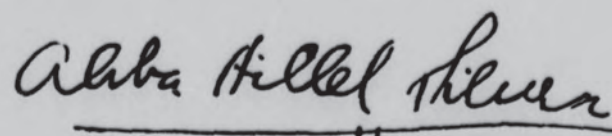

The second annual Oratorical Contest of our Society will be held on Thursday evening, April 29, 1937, at 8:15 p. m., at Mahler Hall at The Temple.

You will recall that last year, the evening of the Oratorical Contest proved to be one of the most enjoyable of the entire season. This contest is conducted by our Society for the purpose of fostering interest on the part of young boys and girls in Zionism and matters pertaining to Zionism.

The contestants range between the ages of fifteen and eighteen and have been carefully selected from a large group during preliminary trials. The judges of the contest will be Messrs. I. R. Morris, Phillip Steinberg, and Saul Danaceau.

We urge that you attend this meeting and bring with you your sons and daughters for what will, we are sure, prove to be an enjoyable and instructive evening.

Very cordially,

President

Dear Dr. Silver,

It is planned to award the Cleveland Zionist Society scholarship commencing with the coming academic year (opening in October). Before making this award, however, we should like to know if you have any objections to the division of this amount of \$500. into two parts, thus benefitting two proficient students instead of one.

We hope that this procedure will meet with your approval. We are awaiting your reply before taking any steps in this connection.

Yours faithfully,

JUDGE BERNARD A. ROSENBLATT

Judge Bernard A. Rosenblatt has been a leader in American and world Zionism for many years, occupying a number of important positions in the Administration of the Zionist Organization of America and in the World Zionist Organization. He was vice-chairman of the American Organization and American member of the Financial and Economic Council of the World Zionist Organization.

Judge Rosenblatt has been successful in initiating and carrying through a number of important institutions and enterprises which have been of conspicuous service in promoting the development of Palestine. Chief among these is the American Zion Commonwealth organized for the purpose of selling Palestine land to American Jews and establishing colonies, which he founded before the war. The Commonwealth has already established Balfouria, which it is now extending and has also established Herzlia, to the north of Tel-Aviv and Afule. In 1923 Judge Rosenblatt returned from Palestine with the first Jewish municipal bonds in history, those of Tel-Aviv, which he successfully floated on the American market. On his recent visit in Palestine Judge Rosenblatt brought about a union of principal Jewish townships in Palestine under the name of the Palestine Municipal Union. Mr. Rosenblatt returned from Palestine a few ~~months~~^{days} ago, where he made a thorough survey of economic conditions.

Judge Rosenblatt served as City Magistrate in New York where he is prominent in the councils of the Democratic Party. He has written extensively on economic subjects and is the author of several books on Zionism. Judge Rosenblatt is a forceful speaker and is a recognized expert on Palestinian economic problems.

RULES AND REGULATIONS FOR THE ELECTION IN THE UNITED STATES
OF DELEGATES TO THE TWENTIETH WORLD ZIONIST CONGRESS

1. **DATE OF ELECTION:** The date of Election of Delegates to the Twentieth World Zionist Congress is officially set for Sunday, June 20th, 1937.
2. **ELIGIBILITY FOR VOTING:** Every Jew, eighteen years of age, or over, who has paid a Shekel fee for the year 5697 (1937) before May 28th, 1937, has the right to vote at the Congress Election, providing the number of his Shekel Receipt appears as paid on the official register of paid Shekolim Receipts.
3. **SUPERVISION OF ELECTIONS:** (a) The Central Election Board directs and has complete supervision of the Elections throughout the United States. All communications should be addressed to the Central Shekel and Election Board for the Twentieth World Zionist Congress, 111 Fifth Avenue, New York, N. Y.

(b) The entire election area of the United States is considered as one constituency. The Central Election Board therefore also exercises the rights and duties of District Election Committees.

(c) Local Election Committees are to be constituted by the representatives of the Z. O. A., Poale Zion, Ziere Zion, Mizrachi and Jewish State Party where branches of these organizations exist. Other electoral groups, having nomination lists, are entitled to be represented on local election committees in an advisory capacity only. The Z.O.A. includes the Hadassah and the Order Sons of Zion.

In constituting these committees the proportion of 4:4:2 - General Zionists, Poale Zion and Mizrachi respectively - should be maintained.

4. **NOMINATION LISTS:** All nomination lists must be submitted to the Central Shekel and Election Board not later than May 28th, 1937. Each nomination list is to be signed by at least one hundred voters belonging to the election area. These voters have to declare the name of the person authorized to act as their representative. No voter may sign more than one nomination list. No nomination list shall contain more than twice as many names as can be elected delegates in the particular area in addition to the required number of Deputy Delegates. Each nomination list must also state to which World Election List it is attached.
5. **POLLING PLACES:** (a) All localities where there are any Zionist Societies, or branches, shall be provided with one or more polling places to be organized under the direction of the Central Election Board.

(b) Polling places shall remain open on election day from 9 A.M. to 8 P.M.
6. **REGISTER OF PAID SHEKEL RECEIPTS:** The Central Shekel and Election Board will publish an official register containing a record of the numbers of the paid 5697 (1937) Shekel Receipts, which have been reported as issued and paid for on or before May 28th, 1937. Only persons, the number of whose Shekel Receipt appears on official register have the right to vote.
7. **METHODS OF VOTING:** (a) The ballot is secret and direct. No one may vote on behalf of another. Each voter must call in person at the polling station, declare his name and address to the Local Election Committee. Before receiving a ballot, each voter must present and surrender to the Local Election Committee his Shekel Receipt for the year 5697 (1937). Each voter, after receiving a ballot, shall mark it and personally place it into the ballot box.

(b) The Local Election Committee shall enter upon special forms, supplied by the Central Election Committee, the name and address and Shekel Receipt number of each voter. Each Shekel Receipt, upon being surrendered, must be marked voted.

(It is suggested that every polling station be supplied with rubber stamp "voted", so that the marking of the surrendered Shekel Receipt may be facilitated.)

RULES AND REGULATIONS FOR THE ELECTION IN THE UNITED STATES
OF DELEGATES TO THE TWENTIETH WORLD ZIONIST CONGRESS

(continued)

(c) On completion of elections, the Local Election Committee shall open the ballot boxes, count the votes and record results upon official forms supplied by the Central Election Board. Counting of votes shall take place in public.

(d) When a Shekel payer's right to vote is challenged for any reason, or when there may be doubts of any kind about a Shekel payer's eligibility for voting, the ballot papers of such voters are not to be deposited in the ballot box, but are to be put in special sealed envelopes which together with their Shekel Receipts, are to be forwarded (in an another envelope) with the rest of the ballots accompanied by note of explanation.

8. ELECTION RETURNS: (a) The Local Election Committee shall forward to the Central Election Board immediately after the election, the completed election returns, together with all ballots cast and the corresponding Shekel Receipts. Election returns postmarked, or expressed, later than midnight, June 22nd, will not be counted by the Central Election Board.

(b) The Central Election Board shall ascertain the election results on the basis of all election returns.

9. COMPLAINTS: (a) Complaints against instructions or regulations issued by the Central Election Board or the Local Election Committee, must be made and forwarded to the Congress Attorney (Dr. A. Barth, Rechov Jerusalem 16, Hadar Hakarmel, Haifa, Palestine), and this must be done in writing. Copies of the complaint must also be forwarded simultaneously to the Executive of the Zionist Organization (77, Gt. Russell Street, London, W.C.1), and to the Central Election Board, 111 Fifth Avenue, New York, N.Y.

(b) Petitions against validity of elections have to be sent in writing and in two copies. One of these to be sent to the Central Election Board and one to the local committee. Such petitions must reach their destination not later than July 12th, 1937. The petition must include a correct description of the polling station, particulars as to election proceedings which are being contested and particulars as to the evidence submitted, and if at all possible also depositions of witnesses signed by at least 20 Shekel payers entitled to vote. Their signatures and addresses must appear in a legible handwriting.

Elections shall be conducted in all respects subject to the rules of election and the Constitution of the World Zionist Organization.

These rules are subject to amendment by the Board.

*"A born story-teller, but,
as story-tellers seldom are,
civilized and erudite as well."*

—New York Herald Tribune

WARREN LOWENTHAL

Every organization should avail itself of Mr. Lowenthal's original, instructive, and entertaining lectures."

—Chicago Book and Play Club

MARVIN LOWENTHAL—author, foreign correspondent, editor, world traveler—divides his time between America, Europe, North Africa, and the Near East. He has the gift of tongue and pen for putting his many rich experiences with men, issues, events, and far-off lands into personal anecdotal living phrases. Although a recognized scholar in the varied fields in which he speaks with authority, he does not pontify or "lecture," but talks like a fascinating dinner guest who has seen and known the world of men and books. "Mr. Lowenthal's address at the Community Church," writes John Haynes Holmes

in a typical letter, "was packed with important information and presented with great interest and charm. He must have noticed how successful he was with his audience." For several years now he has devoted a limited time to speaking at public and private forums, clubs, institutes, and universities; and he has become one of the most popular platform attractions in all parts of the country.

Author of: "A World Passed By," "The Autobiography of Montaigne," "The Memoirs of Glueckel of Hameln," "The Jews of Germany —A Story of Sixteen Centuries."

SUBJECTS

"I have had very favorable reports concerning the lecture given here by Mr. Lowenthal. It was recommended that he ought to charge double his fee. This is a kind of treachery which drives chairmen of lecture committees to an early and undeserved grave."—JOHN M. GAUS, *Chairman of Lecture Committee, University of Wisconsin.*

"Marvin Lowenthal has a brilliant mind, a fund of knowledge, and great charm."—CAROLYN DOUGHTY, *Woman's City Club, Kansas City.*

"As a lecturer Marvin Lowenthal combines erudition and humor, orderliness of mind with charm of personality. His audiences are impressed with the wealth of his knowledge, the beauty of his style, and above all his integrity which is as unyielding as it is unpretentious."—MARION M. MILLER, *Executive Director of the National Council of Jewish Women.*

"I consider Marvin Lowenthal one of the best, if not the best, lecturer of the ten you sent us."—LOUIS F. POUNDER, *Supt. of Schools, Ashland, Pa.*

"Some four or five hundred men sat spell-bound for over an hour . . . no lecturer has left a deeper impression than Marvin Lowenthal, a rare and captivating personality."—RABBI LOUIS L. MANN, *Temple Sinai, Chicago.*

"The same vigor and fervor that inspires his written page characterizes his brilliant platform lecture delivered here last winter—a masterpiece of scholarship, composition, and delivery."—Nashville, Tenn., *Banner.*

"Marvin Lowenthal gave us a wonderful lecture last Sunday afternoon and we had another fine audience present."—DR. WILLIAM BLAKE HINDMAN, *Minister, First Presbyterian Church, Uniontown, Pa.*

"Mr. Lowenthal gave the impression of seating the 900 people in front of him in a comfortable arm-chair. He had plenty to say and said it with keen wit and delightful enthusiasm, which charmed every one of his listeners."—A. L. SACHAR, *Hillel Forum, University of Illinois.*

By LEWIS GANNETT

BOSTON EVENING TRANSCRIPT.
What Is the Fate of the Jews in Nazi Germany?

"A text book for all those who love Liberty and Justice"

The pressing and urgent problems of the situation in Germany today cannot be fully understood without a sound knowledge of the whole long history of the Jews of Europe. In this book Marvin Lowenthal has written the first complete social-economic study of the Jews of Germany from 321 A.D. to the present time. A book to "beg, borrow, or buy," says one discerning critic. "History as it should be written."

BY MARVIN LOWENTHAL

THE JEWS OF GERMANY

A STORY OF SIXTEEN CENTURIES

Its lucidity and impartiality hailed a triumph by critics and readers

"Lowenthal never raises his voice; he writes with mellow dignity and charm, rather as if he were a wise Chinese than as a Jew himself; he makes his story of the 'Jews of Germany' an exciting study of the nature of man."—Lewis Gannett in the *New York Herald Tribune*.

"A valuable contribution to European cultural history."—Harry Elmer Barnes in *World Telegram*.

"An intensely interesting book on a far-reaching subject in which is involved the fate of the world as well as of the Jew."—Edwin Francis Edgett in the *Boston Transcript*.

"This history is conceived from so broad a perspective as to become not merely an account of the struggles of a persecuted minority but an epitome of man's intolerance, and a study of the linked fates of all racial or religious minorities. Very well written."—*The New Yorker*.

"I am full of admiration for the author's sanity, scholarship, and the way he writes."—Benjamin Stolberg.

"The *Jews of Germany* would take top rank in any season; there have been few books published this year that touch it either for quality or timely interest and importance."—Herschel Brickell in *New York Post*.

"For the American reader, Jew or Gentile, Marvin Lowenthal's book is by far the most valuable that has hitherto appeared or is likely to appear for a long time."—Ludwig Lewisohn

"The most effective possible volume to win the intelligent Gentile to the cause of his brother, the Jew."—William Gilmore in *Brooklyn Daily Eagle*.

"The present volume may be warmly recommended to all those who are interested in the Jewish and in general minorities problems, as well as to those who still put some store by the ideas and principles of human liberty."

—*New York Herald Tribune Books*.

"As entertaining as enlightening, his work is of so high an order as to rank him with Lytton Strachey and Philip Guedalla."—Lewis Browne in the *Los Angeles Times*.

THE FIRST UNIVERSITY OF THE JEWISH PEOPLE
WHERE ALL RACES AND CREEDS
ARE WELCOME

A BRIEF STORY
of
Hebrew University
on
Mount Scopus
Jerusalem.

THE HEBREW UNIVERSITY

In 1918, while the Turkish guns could still be heard in the Holy Land, a few men of vision and inspiration laid the cornerstone of the Hebrew University on Mt. Scopus.

In 1925, the first building was dedicated by the late Earl of Balfour in the presence of scientists and scholars of world renown who came as the representaives of many of the oldest universities of the world.

"This occasion marks a great epoch in the history of the people who have made this little land of Palestine the seed ground of great religions . . . and who will look back to this day as one of the great milestones in their future career.

The late Earl of Balfour

"Our University is still a modest undertaking . . . I am convinced that this development will make rapid progress and that in the course of time this institution will demonstrate with the greatest clearness the achievements of which the Jewish spirit is capable."

Prof. Albert Einstein

From that time the Hebrew University has rapidly grown and has extended its scope through the addition of new departments. The progress of the University is shown by the growth of its Academic Staff from thirty-seven in 1925, to one hundred and three in 1936 and its student body from one hundred and thirty to six hundred.

THE HEBREW UNIVERSITY

The University at present numbers ten buildings, housing among others, the Institute of Mathematics, the Institute of Physics, the Chemistry Department, the Cancer Research Laboratories, the School of Oriental Studies, the highly important Institute of Jewish Studies and the Jewish National and University Library, the largest in the Middle and Near East. Recently ground was broken for a Medical Center and a Hospital.

Many famous scholars and scientists, some of them exiles from Germany, have found at the Hebrew University, a place of refuge where they are enabled to continue their important studies and research.

"... It will start (the University and its teachings) a current that will carry it, not only among the Jews themselves, but to others, and in this I see the best medium the Jews have for bringing better understanding between the races."

Prof. John Dewey

"... The tragic development in Germany thus furnishes an opportunity, as well as a duty, to win for the Hebrew University in Palestine, men of world wide distinction."

Prof. Felix Frankfurter

The Society voted to hold a picnic for its membership sometime during the summer.

JUDGE BERNARD A. ROSENBLATT

Judge Bernard A. Rosenblatt has been a leader in American and world Zionism for many years, occupying a number of important positions in the Administration of the Zionist Organization of America and in the World Zionist Organization. He was vice-chairman of the American Organization and American member of the Financial and Economic Council of the World Zionist Organization.

Judge Rosenblatt has been successful in initiating and carrying through a number of important institutions and enterprises which have been of conspicuous service in promoting the development of Palestine. Chief among these is the American Zion Commonwealth organized for the purpose of selling Palestine land to American Jews and establishing colonies, which he founded before the war. The Commonwealth has already established Balfouria, which it is now extending and has also established Herzlia, to the north of Tel-Aviv and Afule. In 1923 Judge Rosenblatt returned from Palestine with the first Jewish municipal bonds in history, those of Tel-Aviv, which he successfully floated on the American market. On his recent visit in Palestine Judge Rosenblatt brought about a union of principal Jewish townships in Palestine under the name of the Palestine Municipal Union. Mr. Rosenblatt returned from Palestine a few ^{days} ~~months~~ ago, where he made a thorough survey of economic conditions.

Judge Rosenblatt served as City Magistrate in New York where he is prominent in the councils of the Democratic Party. He has written extensively on economic subjects and is the author of several books on Zionism. Judge Rosenblatt is a forceful speaker and is a recognized expert on Palestinian economic problems.

Marvin Lowenthal

~~xxx~~

Marvin Lowenthal, author of "The Jews of Germany" will address the Cleveland Zionist Society, Thursday, January 7 at 8:15 p.m. in Mahler Hall, The Temple, Ansel Road and East 105th Street.

"Germany Today and America Tomorrow" is Mr. Lowenthal's subject.

This meeting, which is free to the public, will be the first get-to-gether of the Society since the eminently successful Chanukah Banquet at Hotel Hollenden, December 15, when Dr. Ben Zion Mossinsohn addressed the overflow crowd which filled the ballroom and adjoining rooms.

Proof of Mr. Lowenthal's keen ability as an analyst of modern social trends on the world scene is his feat of predicting the success of the Nationalists in Germany and the effort to drive the Jews ~~xx~~ to the Ghetto ten years before the event. At that time, 1923, Hitler was known only for his fiasco in a Munich beer hall.

Marvin Lowenthal was born in Bradford, Pa., in 1891. He was graduated from the University of Wisconsin in 1915 and then spent a year at Harvard. He has been an editor of the Menorah Journal and one of its leading contributors.

For ten years (1922-1932) he has lived abroad, chiefly in Paris, but his work as editor, journalist, representative of national minority interests at the League of Nations and as a secretary of the World Conference for International Peace through Religion took him on extensive travels through Europe,

North Africa, and the Near East.

In 1922 he spent the greater part of a year in Germany which he has frequently revisited, but his new book is not concerned only with modern Germany. It is a story of 16 centuries, tracing the history of the Jew in Germany from 321 A.D. down to the present time.
