Dear Dr. Silver:

Thank you very much for your letter of September 9th enclosing a check for \$100.00 for Mr. Nathan Wolfson. Even without the bribe I would gladly accept the invitation extended by you to address a meeting of the Cleveland Zionist Society, but please do not tell the Hadassah ladies that I accepted it just now because I refused their invitation to address the opening meeting of the Hadassah Chapter in Cleveland. I would like them to think that I had already accepted your invitation before receiving theirs.

As for the date, I would suggest one of the days from October 21 to October 23. I shall not be free on the 20th as I am scheduled to address a United Palestine Appeal convention in Rochester on that date.

I hope to see you here next week at the meeting of the Emergency Committee. As a matter of fact, I should like to have a talk with you before the meeting. Could you meet me either on the evening of September 18th or on the morning of the 19th?

Awaiting your reply and with best wishes, I am,

Sincerely yours,

Nahum Goldmann

Rabbi Abba Hillel Silver, Chairman,
Executive Board of Cleveland Zionist Society.
Dear Rabbi: -

It is with regret that I
tender my resignation on the executive
board of the Cleveland Zionist Society.

During the summer, I
underwent an operation, and have
been convalescing since.

Since I cannot devote myself
as ardently to the duties of an executive
board member as I should like to,
I feel there are others, who no doubt
could, and am therefore making it
possible for some one else to do so.

Assuring you of my best wishes
in this important cause, I am,

Sincerely Yours,

I am sorry that due to ill health, you will not be able to devote yourself to the duties of an Executive Board member of the Cleveland Zionist Society. I trust that you are fully recovering. I will submit your resignation to the next meeting of the Board. Annual elections are held in October and we shall then fill the vacancy.

Rabbi Abba Hillel Silver

My dear Rabbi Silver:

Only a short while ago I arrived here on my way from Palestine via the Pacific Ocean to the East Coast. I was compelled by a slight cold to stay here a bit longer than I had originally planned to.

A few days ago Mr. Finkel, who had come to see me here, gave me your letter of October 14th with your kind invitation to the Chanukah Banquet. I am very pleased with it and shall be happy to attend the meeting, and doubly so since I had to cancel my visit last year.

I left Jerusalem two days after Rosch Haschanah and met your father briefly on the second holiday at the service at the Rechaviah Temple. I can reassure you that he is feeling fine.

I am leaving for New York at the end of this week and would welcome it to be able to have soon a general talk with you about Zionist and Palestinian affairs.

I suppose that you are quite frequently in New York and I would be glad to know when you will be there again. If, however, you do not intend to come to New York in the near future, I may be able to stop over at Cleveland on my way east, if this suits you.

I am looking forward to hearing from you. My address in New York will be at Hotel Delmonico, Park Avenue at 59th Street.

Very cordially yours,

I. S. Silver

ZIONIST YOUTH COUNCIL

Digest of Minutes of meeting held on Monday, November 25, 1940 at the Hadassah Office, 10616 Euclid Ave.

Presiding, Mrs. B. F. Margolin, Temporary Chairman
Secretary, Miss Dianne Kaplan

The meeting was held for the purpose of hearing the reports of the Budget Committee and the Program Committee which had been appointed at the last meeting.

Mrs. Weidenthal, Chairman of the Budget Committee gave the following report.

The Committee consisting of Mrs. C. M. Weidenthal, Chairman, Miss Lillian Berman, Mr. Nathan Brilliant and Mr. H. Goelman had met and discussed the needs of a budget for Young Judea and suggested the following budget:

10 leaders @ \$1.50 per session	\$600.00
30 sessions for Gymnasium @ \$5.00 per	150.00
Postage, Bulletin, Interclub activities, etc.	250.00
	<hr/> \$1000.00

Mrs. Weidenthal explained the the committee had discussed the matter of budget at great length and investigated all the needs and had arrived at the above conclusions as the minimum for Young Judea for this coming year.

There was a great deal of discussion and the motion was passed to accept the report of the committee for recommendation to the various organizations represented on the council.

Dr. Azreil Eisenberg (was not present), Chairman of the Program Committee submitted the following report;

It was recommended that the Council devote its major efforts to Young Judea this year both in the matter of Budget and Program.

The Committee further recommended the following proposals:

I. That every Zionist adult group in the city be asked to invite Young Judea to present a part or all of its March program before the regular meeting of the organization, (March is designated as "Youth Month" throughout the country)

II. That all Zionist groups in the city have a Zionist-Family Get-Together during the month of March. The program of the affair to be given by the Zionist Adult Youth Groups of the City. Every General Zionist body be represented on the program committee for the arrangements.

III. That the Zionist District be asked to devote one of the Friday luncheon sessions in March to a discussion of Zionist Youth.

IV. That the Zionist Council for Youth conduct a week-end Seminar at one of the camps in the spring to which will

be invited Young Judaea Leaders, Avukah, Masada and Junior Hadassah; that Friday Evening and Saturday be devoted to general Zionist youth discussion and that Sunday be devoted to a discussion of the organizational problems of each of the constituent organizations which will participate in this project. (Dr. Eisenberg has conducted similar Seminars in Cincinnati).

The report of the Committee was accepted as presented. The program committee consisted of Dr. A. Eisenberg, Chairman, Mr. Morris Friedman, Mr. Elazar Goelman, Mrs. B. F. Margolin, Mrs. Harry Rosen and Mrs. C. M. Weidenthal.

The discussion reverted to the question of the budget and how the money would be raised. It was the consensus of opinion that the budget be allocated equitably among the various constituent groups. Mr. Brilliant moved that the allocation be presented to the constituent members as follows:

Senior Hadassah	\$300.00
Zionist District	250.00
Zionist Society	250.00
Heights Zionist District	150.00
Keren Hayesod	150.00
Migdal Zion	25.00
Total	<u>\$ 1125.00</u>

This motion was seconded and passed to be recommended to the constituent members.

It was moved and passed that a digest of the minutes be sent to each representative and to each of the constituent groups with a letter urging the presidents of the groups to send in the names of appointed representatives and alternates.

The next meeting of the Council will be held on Monday, December 23, 1940 at the Hadassah office.

Those present at the meeting were:

For Hadassah, Mrs. C. M. Weidenthal, Mrs. Jack J. Bloch, Mrs. Chas. Auerbach, Mrs. B. F. Margolin, Miss Lillian Granovitz, Miss Rebecca Hellerstein, Mrs. S. Braverman.

Dear Friend:

The Cleveland Zionist Society maintains a Cultural and Hebrew University Scholarship Fund through the voluntary contributions of its members and friends. We have established a Scholarship fund at the Hebrew University in Jerusalem for the benefit of deserving students. This University has attracted outstanding Jewish refugee scholars and scientists who have found a haven there and it is the center of Jewish culture. The enclosed booklet and its interesting pictures will give you a brief idea of the aspirations, aims and accomplishments of this center of learning.

The Cultural fund makes possible the instructive monthly meetings held by this Society, where speakers of international reputation appear to address the community. During the past year some of the outstanding personalities in the Zionist and Jewish world have been brought to Cleveland by us to deliver messages of inspiration and hope to our people.

As part of our activities, we also sponsor the annual Chanukah Banquet which is a prominent event in the Jewish life of this city. This year the banquet will be held December 29, at Hotel Statler in the form of a dinner-dance and a personality of world renown has been invited to speak.

We would like to continue these activities during the coming year and this is made possible only through the voluntary contributions of our friends to augment the small amount received from our dues. You will derive personal satisfaction during the year in helping us in this work. The names of all contributors are included in a list of patrons published in the souvenir program and distributed at the banquet. We will greatly appreciate your contribution. Please make your check payable to the Society and mail in the enclosed envelope.

Yours with Zion's greetings,

President

In accordance with your request, I am mailing under separate cover twenty booklets of the Hebrew University. About one hundred fifty of these booklets were mailed together with copy of the enclosed letter, to each of last year's subscribers, together with likely prospects from our membership.

From the list sent you, P. L. Steinberg sent his check for \$10.00. I have approximately \$200.00 in small miscellaneous pledges, but none of the larger ones have come in yet. I hope you will be able to follow up your list, as each of them received a copy of the booklet and letter.

I will keep you advised of the progress of this campaign.

Mr. Sidney N. Weitz

Cleveland, Ohio

My dear Sidney:

Last year you graciously contributed the sum of \$10 to the Hebrew University Scholarship Fund. This Fund enables the Cleveland Zionist Society annually to contribute a scholarship to the Hebrew University in Jerusalem - already one of the great educational centers of the world, and which has in recent years invited to its faculty some of the foremost Jewish scientists who have been exiled from Nazi Germany. The little booklet which I am enclosing will give you something of an idea of the nature of the University. You might be interested to know that within this year the University has added five new buildings.

I would greatly appreciate it if you would renew your contribution for this coming year. The names of the patrons of the Hebrew University Scholarship Fund are printed in the souvenir program of the annual Chanukah Banquet of the Cleveland Zionist Society which will be held, this year, on Sunday evening, December 29, at the Statler Hotel.

With all good wishes, I remain

My dear Doctor Silver:

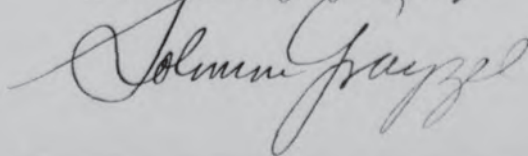

My conscience has bothered me for the past two days because, in the haste of my departure Monday night, I failed to say good-by to you and to Mrs. Silver and thank you for the cordial hospitality which you extended to me. If I were to tell you how thoroughly I enjoyed my visit with you, you would, very likely, consider me a flatterer - and I am not one of that kind. So please forgive my rudeness and transmit my greetings and my thanks to Mrs. Silver.

I looked up the talmudic quotation. You will find it in Shabbat 151b. Since I too am interested in the speedy coming of the Messiah, I want to give you the name of the man who actually found it for me, at least to disclaim credit for the feat. I really could not find it, and therefore asked a fellow-teacher at Gratz College, Dr. Pincus Schub, who recalled it almost immediately.

I hope that my address on Judah Halevi was better than I think it was. My expenses amounted to \$28.

With cordial greetings and repeated thanks, I remain,

Sincerely yours,

I trust that you did not find your trip back too wearying. Please let me know what your traveling expenses were so that I can send you a check.

February 21, 1940.

My dear Rabbi Silver:

Back home, I am still under the influence of the cordial hospitality I received in Cleveland yesterday. I thoroughly enjoyed the kindness extended to me by Mrs. Silver and yourself. The enthusiasm with which my address was greeted is, naturally, not the least pleasant of the memories of the day spent with you. All in all, I had a very good time. My sole regret is that you have led me into one sin, namely that I cannot get over the feeling of envy of your magnificent collection of books.

My expenses total \$30.50. This includes my rail fare - for I still travel at clergy rates - sundry expenses, and also the sum I shall have to pay the man who proctored my classes at Gratz last night.

Please extend my greetings to Mrs. Silver, to Rabbi and Mrs. Harris, and to the other charming men and women whom I met at your home.

With repeated thanks and good wishes, I remain,

Sincerely yours,

Solomon Grayzel

Thank you so much for your kind note. I am happy to know that you enjoyed your stay in Cleveland. We certainly enjoyed you tremendously. Your address was superb and made a tremendous impression upon the hundreds of people who heard you. As I told you that evening, you should repeat this address to many other Jewish groups throughout the country.

I am enclosing herewith a check to cover your traveling expenses plus a modest honorarium of \$50.

With all good wishes and hoping that The Cleveland Zionist Society may have the pleasure of your presence again in the not too far distant future, I remain

Dear Rabbi:-

In spite of your reticence in making requests for money rightfully due you, we feel that we should pay our honest debts when and as able. I am, therefore, enclosing our check for \$100.00 which is the balance due you for the money advanced for the Chamukah banquet.

If you will advise me how much we are indebted to you for money paid to Miss Maxa Nordau, I will try to pay it in the near future.

Cordially yours,

Albert B. Lefton.

April 14, 1941

Dear Friend:

You may be interested in reading the enclosed pamphlet. It contains vital and heartening news for every Jew.

Palestine is becoming increasingly more important in the life of Jewry today, first as a haven of refuge for hundreds of thousands who have fled from lands of persecution, and secondly as the pivotal point in any solution of the problem of European Jewry which will follow the world war.

The Zionist cause has been completely vindicated by the events of recent years, but much still remains to be done. Every Jew who is interested in seeing a free Jewish Homeland established in Palestine where millions of our people may live in peace and honor should join the Zionist Organization.

It is of utmost importance to have a powerful Zionist Organization to represent Jewish Palestine during the present grave world crisis and afterwards, at the conclusion of the war, at the peace conference.

If you are not yet a member of the Zionist Organization of America we shall be very happy to have you join us in the Cleveland Zionist Society.

The Cleveland Zionist Society, as you probably know, is one of the largest Zionist units in America. It carries on a rich cultural program throughout the year, and presents to the public national and international figures on all the vital issues of Jewish life today. It supports many important institutions in Palestine. It has pleasant social gatherings through the year.

The membership dues are four dollars a year, three of which pay for your membership in the Zionist Organization of America and in the World Zionist movement.

If you desire to join the Cleveland Zionist Society, please sign the enclosed card. With all good wishes, we remain

Most cordially yours,

My dear Mr. Sieff:

The Jewish community of Cleveland is eager to see you and hear you. We feel that you have a real message to bring to it at this time. Cleveland is on the eve of its 1941 Jewish Welfare Fund Campaign. Your coming here would greatly stimulate the campaign.

Would it be possible for you to come as the guest of the Cleveland Zionist Society on Thursday, May 1? We would make your stay in Cleveland a pleasant one. The meeting will be held in Mahler Hall of my Temple and I am sure that a large and appreciative audience will be present. If you can not come on May 1, would you indicate what dates in the early part of May are convenient for you?

With all good wishes and hoping that it may be possible for you to accept our invitation, I remain

BIOGRAPHICAL SKETCH

of

ISRAEL MOSES SIEFF

Israel Moses Sieff, distinguished British-Jewish industrialist and philanthropist, is now visiting the United States on behalf of the British Board of Trade. THE HEBREW UNIVERSITY
JERUSALEM

The Hebrew University of Jerusalem was opened on April 1st, 1925. It has developed rapidly since then, and today comprises over ten main buildings. These include the Jewish National and University Library, which, with its 350,000 volumes, is the largest library in the Near East, and the three buildings of the "Medical Centre" (Clinic, Medical School and Nurses' School) erected jointly by the University, the American Jewish Physicians' Committee and the Hadassah Women's Zionist Organisation of America. Four more buildings are in course of erection.

The University possesses Faculties of Humanities and Science, also a Prefaculty of Medicine, which is to be developed gradually into a full faculty. A Faculty of Agriculture is in the process of being created, and a special building for it is already being erected. There are at present 1200 students on the University registers. The teaching staff, research workers and assistants number 130 persons.

The University possesses a number of collections, some of them unique of their kind. Among these are the Schocken Collection of Hebrew Incunabula, the Schwadron Collection of Jewish Autographs and Portraits, the Museum of Biblical and Talmudic Flora and Jewish and Arabic Plantlore, archaeological, botanical, zoological, geological and medical collections, and an Archive of Oriental Music.

At the head of the University's administration in Jerusalem is Salmann Schocken, in his capacity as Chairman of the Executive Council. Prof. Chaim Weizmann is Chairman of the Board of Governors, and Dr. Judah L. Magnes President of the Hebrew University. Academic matters are dealt with by the Senate and the Faculties.

The University bestows the degrees of "Magister Artium" (M. A.), "Magister Scientiarum" (M. Sc.) and Doctor of Philosophy (Ph. D.). The Hebrew University is open to all students, without distinctions of race or creed.

At this time, when a calamity even worse than they have ever suffered in the past has befallen the Jewish people, special significance attaches to the Hebrew University. Jewish scientists of renown, exiled from scientific institutes in Europe, have found new possibilities for instruction and research at the Hebrew University. The certificates placed by the Mandatory Government at the disposal of the University, entitle the immigrant students to Palestinian citizenship. Here the exiles find a home, and at the University, they are given every opportunity of acquiring that knowledge which will enable them to fit into their new sphere. At the same time, the Hebrew University is saving the cultural treasures of the Jewish people from the destruction that has overtaken their sources in Central and Eastern Europe. Thus, in ever greater measure, the University on Mount Scopus is becoming the great spiritual centre of the Jewish people.

The University's achievements in the various branches of science play a decisive part in the upbuilding of Palestine — in caring for health and hygiene, in solving problems of soil and irrigation, in cooperating actively in the fields of industry and agriculture. In the sphere of education, and in furthering and developing the Hebrew language, the University fulfills functions of the highest importance. Its library circulates books throughout the country, and these facilities are supplemented by various courses and lectures by members of the University staff.

The Hebrew University receives no subsidy from the government, and must depend on the help of friends all over the world. Today, when in addition to its ordinary functions as a scientific institute, the Hebrew University has to fulfill tremendous obligations in saving Jewish scholars and students, and when it must, furthermore, fully support hundreds of its students, who have been rendered destitute, since war has cut them off from their sources of maintenance abroad, it is naturally especially difficult to cover the budget. The more so, since leading Jewish communities who were formerly active supporters of the University have now been annihilated.

In spite of all, however, the Hebrew University carries on, in the firm conviction that help from its friends in all parts of the world will not be lacking. Every Jew is bound to support the University in fulfilling its vital tasks on behalf of the Jewish people and the Jewish spirit.

SHU-SHU-SHUSHAN

Oh Haman was a high and mighty bluff
 In Shu Shu Shushan long ago.
 He ordered Mordecai to take his derby
 off,
 In Shu Shu Shushan long ago.
 So we sing, so we sing!
 So we sing and raise a row!
 For Haman he was swinging,
 While Mordecai was singing,
 In Shu Shu Shushan long ago!

But Mordecai sat and laughed in his
 face
 In Shu Shu Shushan long ago.
 So Haman swore he'd exterminate his
 race
 In Shu Shu Shushan long ago.
 So we sing, so we sing!
 So we sing and raise a row!
 For Haman he was swinging,
 While Mordecai was singing,
 In Shu Shu Shushan long ago!

Oh Esther was a timid little maid
 In Shu, Shu, Shushan long ago
 But Mordecai told her she needn't
 be afraid
 In Shu, Shu, Shushan long ago,
 So we sing, so we sing!
 So we sing and raise a row!
 For Haman he was swinging,
 While Mordecai was singing,
 In Shu Shu Shushan long ago!

She she went to the King and she gave
 him a smile
 In Shu Shu Shushan long ago
 The King he liked her manner and
 her style
 In Shu Shu Shushan long ago.
 So we sing, so we sing!
 So we sing and raise a row!
 For Haman he was swinging
 While Mordecai was singing,
 In Shushan long ago!

Ahasuerus was a jolly little king
 In Shu Shu Shushan long ago
 He ordered Haman to take a little
 swing
 In shu Shu Shushan long ago.
 So we sing, so we sing!
 So we sing and raise a row!
 For Haman he was swinging,
 While Mordecai was singing,
 In Shu Shu Shushan long ago!

BIOGRAPHICAL SKETCH

of

ISRAEL MOSES SIEFF

Israel Moses Sieff, distinguished British-Jewish industrialist and philanthropist, is now visiting the United States on behalf of the British Board of Trade. Mr. Sieff, who is a director of the Marks & Spencer chain store system of Great Britain, has been one of the leading figures for many years in London's "Political and Economic Planning Group".

Due to his predominant position in British economic and political spheres, Mr. Sieff has exerted a powerful influence on behalf of the rebuilding of the Jewish homeland in Palestine, with which he has been identified from the days of the first World War.

Mr. Sieff has been an officer of and the leading contributor to the various campaigns on behalf of refugees and Palestine upbuilding initiated in England in the past two decades. In 1934, he endowed, in memory of his son, the Daniel Sieff Technical Research Institute at Rehoboth, Palestine which is directed by Dr. Chaim Weizmann, President of the Jewish Agency for Palestine.
