Dear Dr. Silver:

I checked again this morning about the shipment of the 16mm film, and was advised that it will definitely be put on a plane either this evening or early tomorrow morning -- and that your office would be wired or phoned so that someone can pick the film up at the airport. I hope there won't be any hitches and that you will have an altogether successful event.

Bart Crum phoned me on Friday prior to his departure for San Francisco, from which he will be flying to Cleveland, and said that he was eagerly looking forward to seeing you again.

On another matter -- our Membership Department advises me that no membership report has been received as yet from the Cleveland Zionist Society, and that those who have renewed their membership or enrolled as new members have therefore not received appropriate acknowledgment as yet. I do not wish to trouble you with these matters, but I do not know who is responsible for handling the organizational affairs of the Cleveland Zionist Society after Falkman's passing. It would, in any case, be helpful if you were to indicate to the appropriate persons that an early and good membership showing is vital for the Society.

Ever best

Dear Rabbi Silver:

We deeply appreciate your support of the AZF campaign. We want to thank you on behalf of all the officers of the ZOA.

Because of your interest, we believe you will want to know about our special problems this year. On the one hand, increased funds are needed by the regular campaign to conduct our expanded basic program. On the other, funds must be provided to increase the capacity of our Kfar Silver Agricultural Training Institute from the present 95 students to the anticipated 320 students. We are opening wide our doors for those who trek from North Africa, Egypt and other Jewries. Further, events in Israel have made it imperative that we undertake extraordinary public relations activities beyond our normal budget and additional contributions must do this job.

So we say, thanks again for your understanding and generous assistance. We feel sure that you will continue to do everything to help meet these pressing problems.

DR. ABBA HILLEL SILVER

Dear Fellow Member:

Because our dues have not been adequate, we have in the past appealed to our membership to provide for the essential activities of our Society through a cultural fund. This year we are making a special appeal for the support of Kfar Silver.

Kfar Silver is a school for agriculture, chartered in America and established in the State of Israel by the Zionist Organization of America to train and educate children who will be future farmers in Israel. The school is named in honor of Dr. Abba Hillel Silver, our president and leader, and it is but fitting that we, his associates in the Cleveland Zionist Society, make a creditable contribution to the completion and support of Kfar Silver. We are looking forward to as generous a contribution as you can possibly make. Most certainly it will be appreciated by all of us and especially by Dr. Abba Hillel Silver.

Sincerely yours,

Committee
