Ansel Rd. & E. 105th St.,
Cleveland, Ohio.

My dear Rabbi Silver:

Early in October the membership committee of the Citizens League, of which I happen to be chairman, will begin its campaign for \$5 and \$10 members.

As one of the mailing pieces in this campaign we are planning a post-card testimonial which will be signed by a number of our members. It is our wish that you be one of the signers.

The testimonial to which we are asking you to subscribe is as follows: "We are members of the Citizens League because we are interested in securing better men for public office, honest elections and efficient government. We invite you to join too".

Will you kindly give this your immediate attention as we are very anxious to have this mailing piece ready so that the campaign can begin.

Sincerely yours,

William Feather

Dear Rabbi Silver:-

I called your secretary today in regard to a meeting of the executive committee which Miss Gannett was asked to appoint at the Unemployment Conference last spring. Since talking with her it has been found impossible to have the meeting on Wednesday. Miss Gannett is setting the time for Tuesday, October 16, at the Women's City Club at 12 o'clock.

Mr. Paul Feiss has accepted a place on the committee as well as Mr. Kreindler of the International Ladies Garment Workers' Union. We hope that Mr. Lynde of the Associated Charities as well as Mr. Calfee- president of his organization - are both going to join. Miss Phelan of Merrick House is also a member. Mr. Feiss has made a suggestion which Miss Gannett wishes to have discussed at once, and she hopes also to have plans made for the next meeting of the Conference as a whole.

Hoping very much that you will find it possible to attend on Tuesday, I am

Sincerely yours,

Elizabeth S. Magee

If you have others to suggest, I should be glad to write them, or to have you bring them with you.

My dear Rabbi Silver:-

I shall be very glad to take home with me and read the April Survey Graphic when it is received and expect to discuss the matter with Mr. A. D. Rodgers Chairman of the Manufacturers' Committee of The Cleveland Chamber of Commerce, whom I know quite intimately.

I think it might be a good idea to turn this copy over to him when I have finished reading it. I quite agree with you that unemployment is one of the most important elements in the problem of labor.

With kindest regards, I am

Sincerely yours,
