Mr Rabbi Abba Hillel Silver,
The Temple,
Cleveland, OHIO. U.S.Am.

Dear Mr Silver,

Some time ago I have answered to your last letter mailed to me in France, and that I have received in Canada. I was hoping, but in vain, to hear from you.

In this letter I asked you to let me have the report to be published about our journey at the Front. As I intend to have an article published in our canadian papers about same, your report would be of a great utility for me, and I will accept with pleasure all the informations that you could let me have.

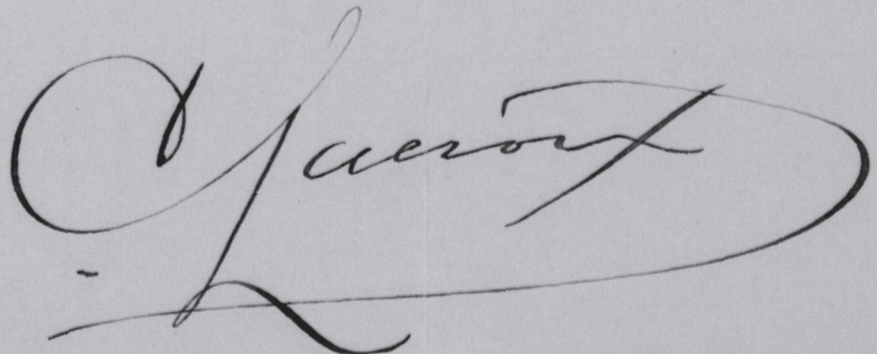

I hope to be able to return in France pretty soon, during the month of March probably.

If you come in Canada, do not forget to pay me a visit. I will be happy to meet you again.

I have heard about the Col. Dehay who directs me to offer you his respects.

I am, dear Mr Silver, your obedient servant,

18 St-Anne St.

Mr. Cyril Lameaux,

Quebec.

My dear Mr. Lameaux,

You will pardon, I hope, my long delay in replying to your very kind letter. I unfortunately misplaced it.

I should love to comply with your request to send you a copy of the report of my journey through France. However, the report is not yet out.

I do not know whether I shall go to Canada this year, but I do hope to be able to visit France again this coming summer. I should be most happy, of course, if you can arrange to go at the same time.

With kindest regards, permit me to remain

Very sincerely yours,

My dear Rabbi and friend:

I am extremely sorry not to have been able to see you for so many months and I hope that we will find soon an opportunity to lunch together. I sincerely hope that your family is in good health.

I take great pleasure in forwarding to you the enclosed article of the "American Hebrew".

I remain, my dear Rabbi,

Very cordially yours,

My dear Monsieur Knecht,

Replying to your letter of the
ninth of September - it was very thoughtful
of you to send me a copy of your article which
appeared in the American Hebrew. I read it
with a great deal of interest.

I spent some time this summer in
France and saw one or two of your friends.
I am quite eager to see you again and talk over
many things with you.

With my best wishes for success
in this splendid effort, and with kindest
regards, I remain

Very sincerely yours,

Hon. Myron T. Herrick,

My dear Mr. Herrick,

Permit me to take this opportunity of bidding you farewell prior to your departure for France, and of extending to you my sincerest wishes for a most successful and useful service as the Ambassador from our Country to France.

From personal acquaintance I know of the high regard and the great love in which you are held, not alone by the official bodies of the French Government, but what is a greater satisfaction, by the rank and file of the French people. I know that they are eagerly awaiting your return to the office which you graced during the early and trying days of the war.

With kindest regards, I beg to remain

Very sincerely yours,

MYRON T. HERRICK

My dear Rabbi:

I hope you will pardon this hasty line, written on the eve of my departure for New York, whence I sail for France in a few days.

Your letter of congratulations and appreciation touches me deeply. In the task that confronts me I need all possible encouragement from those who believe in me, and I appreciate deeply your thought in having written me.

With sincere best wishes, believe me,

Yours very sincerely,
