Dear Rabbi Silver:

Our Palestinian delegate, Joshua Leibner, attempted to get in touch with you in Cleveland. However, due to his short stay in your city he was unable to do so.

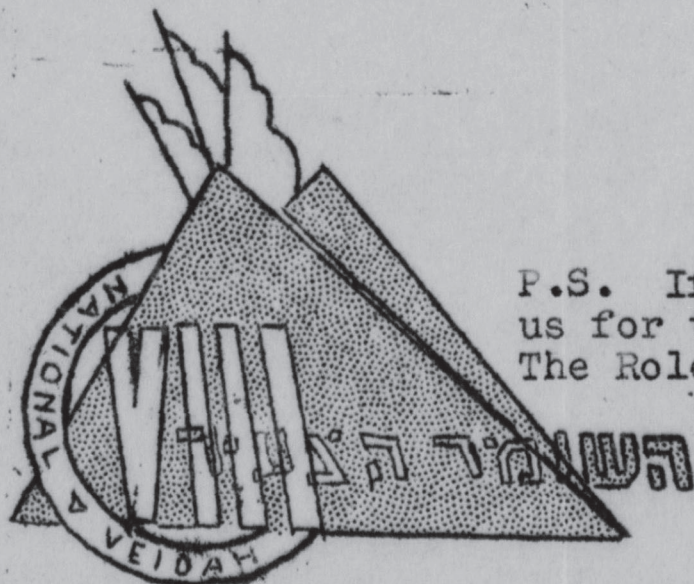

Our National Convention will take place in Cleveland April 7-10, probably at the Jewish Center. We should very much like to have you as our guest speaker for the Palestinian evening, which we are arranging on Saturday April 9.

We hope that you will find it possible to accept our invitation. Since we should like to publicize your address, we would appreciate an early reply.

Yours, with Zionist greetings,

*Pininah Horowitz*

P.S. If you would rather accept a suggestion from us for the subject of your address, we would suggest: The Role of Youth in Zionism.

My dear Friend:

Let me thank you for your kind letter of March 8th and for your invitation to address your National Convention on Saturday, April 9th. I would have been very happy to come but I shall be on the Pacific Coast from the 3rd to the 12th of April in connection with my work as national chairman of the United Palestine Appeal.

I wish your Convention every success. If there is anything I can do to make your stay in Cleveland pleasant, please communicate with me.

With all good wishes, I remain

Very cordially yours,

8TH NATIONAL CONVENTION APRIL 7-10

CLEVELAND, O

March 28, 1938

Miss Miriam Waldman, Secretary,  
Hashomer Hatzair of Cleveland,  
10221 Ostend Avenue,  
Cleveland, Ohio.

Dear Friends:

I am sorry that I will not be in Cleveland to attend the National Convention of Hashomer Hatzair. I shall be on the Pacific Coast beginning April 1st on behalf of the United Palestine Appeal.

I want you to know, however, that I welcome you most warmly to our community. I hope that your convention will be productive of good results and I wish to take this opportunity to congratulate your organization upon the splendid work which it is doing on behalf of the upbuilding of our Jewish National Home in Palestine.

Last week, at a meeting of the Administrative Committee of the United Palestine Appeal, a sum of five hundred dollars was voluntarily contributed by a group of men to the Hashomer Hatzair. You have undoubtedly been apprised of the action. I was one who contributed fifty dollars. You will therefore understand why I am refraining from making at this time an additional contribution through your program booklet.

With all good wishes, I remain

Very cordially yours,

AHS:BK
