BOARD OF GOVERNORS

ISAAC BLOOM, SECRETARY
P. O. BOX 266

ALFRED M. COHEN
PRESIDENT

November
Twenty-third,
1921.

Dr. A. H. Silver,
Cleveland, O.

Dear Dr. Silver:

You doubtless recall that some time ago you made a contribution which was to be used for the publication of Dr. Newmark's magazine, the Journal for Jewish Lore and Philosophy, which was to appear quarterly.

The publication of that magazine has been suspended and its place will be taken by an annual publication to be issued by a Board of Editors under the auspices of the Hebrew Union College, the publication known as The Hebrew Union College Annual. The one annual number of this publication will comprise as many pages as the four numbers of the Journal for Jewish Lore and Philosophy.

I am informed that the understanding was that you should receive copies of Dr. Newmark's Journal until the amount of your contribution has been consumed in annual subscriptions. In other words if you subscribed \$10.00 you were to receive the Journal for four years. I am taking it for granted that you have no objection to having your contribution to the Journal transferred to the new Annual. We will, of course, carry out the arrangement and send you the Annual from year to year until the entire amount of your contribution will have been consumed.

Thanking you for your interest in a magazine of Jewish Learning, I beg to remain

Very sincerely yours,

David Philipson
Chairman.

Board of Editors.

Rabbi A.H. Silver,
Cleveland, Ohio.

Dear Rabbi Silver:

When the Dormitory Campaign was first mentioned at Buffalo someone suggested that, if each Sisterhood would raise an amount equivalent to \$7 per member, this would yield \$250,000, the sum required to build and equip the Dormitory. This \$7 quota was accepted without further examination.

We have since then been urged by the authorities of the Union of American Hebrew Congregations to change this quota to \$10. We have refused to do this because a great many Sisterhoods are now in the process of collecting the funds, and have advertised the fact that they are working on a \$7 quota. To make any change now, would necessitate that they make many explanations to their campaign workers and to their membership.

My advice is that although we cannot change the quota, still we can do this--Every Sisterhood can go over the top and raise more than its quota of \$7 per member.

I am happy to inform you that I have heard from a number of Sisterhoods that have already adopted this plan and who have raised far more than the quota assigned to them. I feel assured that we shall be able to count your Sisterhood among those.

The Tribute of the Mothers in Israel to Those Who Devote Themselves to the Study of the Torah.

The Four Steps in the Dormitory Campaign

The First Step is ORGANIZATION---

- a. Select a proper chairman, one who will work and who can get the assistance of your community.
- b. If in a city where there are several Sisterhoods, arrange a meeting of all the Sisterhood Presidents and Chairmen and elect a chairman for the city, either from those present or some one else. Let this group be the Campaign Executive Committee. This is to insure running the campaign at one and the same time and getting the benefit of the momentum and publicity.
- c. Select for your Sisterhood a Campaign Committee having the following characteristics:
 - (1) Not afraid to work; (2) Large enough so that no one member will have to visit more than 10 persons; (3) Large enough to visit every family (man or woman) on your Sisterhood or Congregation list.
- d. Make it easy for your committee by providing your workers with cards containing the names of the persons they are to see. Don't be afraid to spend the money that it takes to do this. It will be well spent.

The Second Step is PUBLICITY---

- a. Get your city talking about the Dormitory Campaign from the very beginning.
- b. Ask your rabbi to deliver an address on Dormitory Campaign at a special meeting of your Sisterhood.
- c. Ask the rabbi to speak of it in the pulpit.
- d. Take your whole Campaign Committee, or as many as you can, to a photographer and get a picture taken of the group. Take this to the local paper. Tell the Editor of the campaign you propose to start.
- e. The same in your weekly Jewish paper.
- f. When you get some large subscriptions, publish them.

The Third Step is GETTING THE MONEY---

- a. Send the right person to the right party.
- b. If you fix your quota at \$7.00 or \$10.00, don't ask every lady or gentleman for that amount. Ask every person for the amount he or she ought to give. Make up your mind on this subject before you call.
- c. Treat your contributors right. Let each worker give a receipt for every donation received—before leaving. Send us every name, with full address and amount. Upon receipt of the money we will acknowledge the same to the contributors.

The Fourth Step is WHEN TO START---

- a. Only one answer—NOW! It makes no difference what other campaign is going on. There is always something going on. **START TODAY**—and keep it up. Don't stop until you are finished.
- b. When you begin collecting money have a place of meeting, where all the workers can come every afternoon at 4 P. M. to report what they did.
- c. Chalk up the returns of each committee on a blackboard and induce a generous rivalry.
- d. Serve tea every day.
- e. The parlors of the hotel are a good place to meet, or in the temple.
- f. It need not take more than seven days of solicitation for the biggest campaign, if you have enough workers and if you have done the preliminary work for them.

You Are Going to Succeed

- 2 -

Please let me hear from you as to the plan you are adopting for raising the money.

With personal greetings, I am

Cordially yours,

Max Abraham Simon

Chairman.

P. S. Have you sent the name and address of your Campaign Chairman to me and to the Executive Office, Cincinnati?

P. S. In order to avoid confusion, may I ask you please to mail all checks to me.

December 29, 1921.

Rabbi A. H. Silver,
Cleveland, Ohio.

Dear Rabbi Silver:

I don't think I have to tell you that we are running a Campaign to raise \$250,000 for a Dormitory for the students of the Hebrew Union College. You have undoubtedly heard from Dr. Englander, and have received the able report of Dr. Morgenstern on Housing Conditions for the Hebrew Union College Students.

We have no hope of making a success of this Campaign unless we are assured of your personal advice and co-operation. I am writing to elicit this both for myself and the benefit of your Sisterhood. May I be so bold (in a letter asking for advice) as to make a suggestion? In order that each city may raise its quota a great deal of information has to be given and considerable enthusiasm has to be created. There are two places and two occasions where this may be done.

Some of the money will have to be raised from Sisterhood members. Some of it will have to be raised from the men in your congregation. May I ask you to speak on the subject, both from your pulpit and also at a meeting of the Sisterhood. Possibly a combination of the two would be the best solution, if you will have the kindness to bring this about. I mean a special Sisterhood Day or Sisterhood Service to be held in the temple. On this occasion the College and the Dormitory, and the new position of women in the religious world of today might be made the subject of the address.

If this could be arranged in the near future it would make the assistance doubly effective.

Thanking you in advance for your hearty co-operation which I anticipate, and trusting to hear from you, I beg to remain, with cordial greetings,

Very sincerely yours,

Mrs. Abram Simon
Chairman.

Dr. Jacob Z. Lautsbach,
Hebrew Union College,
Cincinnati, Ohio.

My dear Dr. Lautsbach,

You will recall that some time ago I discussed with you the subject of my Theses for the D.D. You suggested then that I write on the subject "Sabbatai Zevi". I have devoted a good deal of study during the past three years to the subject of Jewish Mysticism, etc. I think I shall definitely fix on Sabbatai Zevi. I hope to major in history and minor in Talmud. With the material that I have accumulated, I think that I ought to have my Theses in pretty good shape by the end of this year.

I wish you would let me know what you think of it. Any advice or suggestions that you can give me would be deeply appreciated by me,

With kindest regards, I am

Very sincerely yours,

Dear Colleague:-

Just received the Resolutions from Doctor Stolz and am sending you a copy for any suggestions that you may wish to make.

It is essential that you send your suggestions by return mail, as the Resolutions are to be read this Saturday afternoon, February 11th, during the Deutsch Memorial Service.

Awaiting your immediate reply and with cordial greetings, I am,

Sincerely yours,

Henry Englander
PRESIDENT,
ALUMNI ASSOCIATION.

Dr. Henry Englander,

Cincinnati, Ohio.

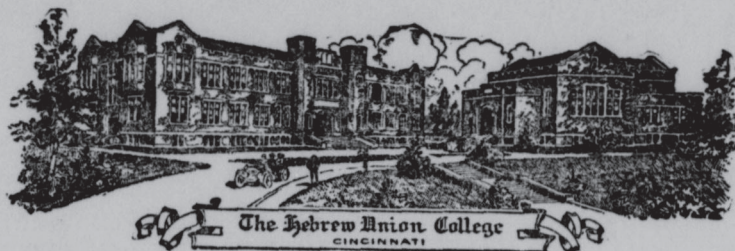

My dear Dr. Englander,

I am returning herewith the Resolutions in memory of Dr. Deutsch. I have made a few slight changes. I am sorry that the Resolutions were not drafted in time to give the other members of the Committee a chance to participate more fully in its composition.

With kindest regards, I
beg to remain

Very sincerely yours,

Rabbi Abba Hillel Silver,
Cleveland, Ohio.

My dear Silver:-

I am writing to you today in regard to the holding of another session of the Teachers' Institute in Cleveland during the last two weeks of June and thus continuing the good work begun and carried on during the last few years.

I hope that you and Rabbi Wolsey and your teachers may see your way clear to carrying on this work. It is quite possible that this year we may be able to send one man, at least, who has never visited your city in this capacity before - either Marcus or Freehof. As soon as I hear from you and Rabbi Wolsey, I will take up with the members of the Faculty the question of who shall come to Cleveland and what courses shall be given.

I would suggest that Monday, June 19th, through Friday, June 30th, would seem, tentatively at least, to be the best date for this purpose.

Trusting that I may hear from you soon in this matter, and with very best regards, I am, ever,

Faithfully yours,

JM:DA

*Easter vacation
Begins Friday, Mar. 24th*

February 10th, 1922

Dr. Julian Morgenstern,
Hebrew Union College,
Cincinnati, Ohio.

My dear Dr. Morgenstern,

Replying to your letter of the seventh instant, regarding the Teachers' Institute - some of our teachers have expressed the thought, that as far as they are concerned, they would rather have the Institute held in Cleveland during the Easter Vacation of the Public Schools, which begins on Friday, March 24th and lasts a week or ten days.

I wonder what you think about it and how it would harmonize with your program. Please let me hear from you.

With kindest regards, I am

Very sincerely yours,

TEACHERS' INSTITUTE

—OF THE—

HEBREW UNION COLLEGE

CINCINNATI,

February 14, 1922.

Rabbi Abba Hillel Silver,
Cleveland, Ohio.

Dear Rabbi Silver:-

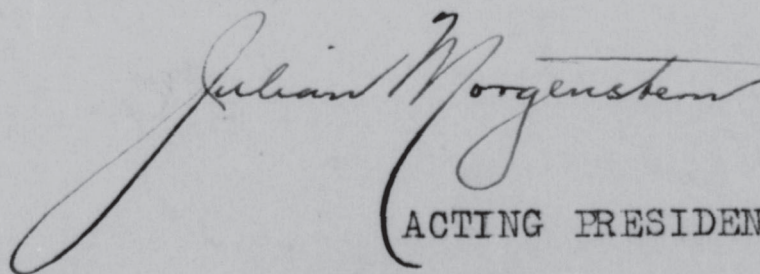

Replying to yours of the 10th instant, I note that your teachers would prefer to have a session of the Teachers' Institute held during the week of March 24th at which time the schools of Cleveland have their Easter vacation.

I would like very much to oblige you in this, but inasmuch as the College will be in session during that entire week and our Faculty is short-handed, as it is this year, I fear that it will be impossible to meet the wishes of the teachers, at least, for this year.

Such being the case, I see no alternative other than to continue for this year, at least, our previous arrangements of a session during the last part of June. I earnestly hope that we shall be able to carry out our program for this year.

With very best regards for yourself and likewise for your teachers, I am,

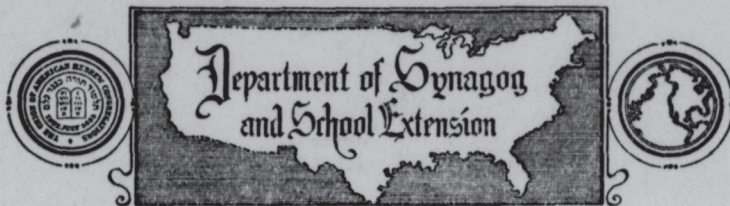

Faithfully yours,

ACTING PRESIDENT.

OFFICE OF THE CHAIRMAN

MERCHANTS BUILDING
CINCINNATI, O

February
Fourteenth,
1922.

Mr. A. H. Silver,
Cleveland, Ohio.

Dear Mr. Silver:

In connection with the present campaign for Synagog Extension, it has been suggested to me by the members of the Board of Managers and I gladly pass this suggestion on to you; WHY SHOULD SYNAGOG EXTENSION BE DONE BY THE RABBI ALONE?

The only answer I can give is because we cannot afford to pay the expenses of more than one man to visit each community once. When I made this statement to the Board of Managers they assured me that it would not be necessary to pay the expenses of laymen in connection with this work. In accordance with this suggestion I have taken the liberty of writing to the president of your congregation in order to lay the situation before him. It seems that every organization in America is able to attract laymen to its volunteer service. Why should not the synagog be able to do the same?

Will you be so kind as to take this matter up with the president of your congregation as soon as possible in order to have a committee appointed to visit the cities in your district with you?

With kindest personal greetings I beg to remain,

Very sincerely yours,

Amos Stein

Chairman.

Professor Solomon B. Freehof,
Hebrew Union College,
Cincinnati, Ohio.

My dear Sol,

I have been doing some work on the subject of Sabbatai Zevi. I am under the impression that Dr. Deutsch had some references in his card index to this subject as well as to the general subject of Messiah, Pseudo-Messiah and Messianic Computations.

I wish you would get Mrs. Deutsch's permission to go through his cards under that head and get some girl to copy these cards for me. I shall of course be very happy to bear the expense. Several months before Dr. Deutsch's death, I had spoken with him about a set of these cards and he had contemplated making such cards for me. I trust that this request will not inconvenience you too much.

With kindest regards, I beg to remain

Very sincerely yours,

Freehof

Cincinnati O. Mar 16/1922

Dear Abba

I am sorry that it is impossible
for me to have the Sabbathar Zevi
cards copied for you just now.

Mrs. Deutch has the cabinet
all tied up & away in storage
warehouse. I hope that the

College or the Alumni or somebody
will make a volume to buy the
index so we can have it at

the college where it can be
consulted. As soon as it

becomes available (if you
still will want the cards)

I will have the little job

done for you. I hope that all

is well with you
Sol.
