Taylor To Be Feted Nov. 26 By "Project 65"

"Project 65" in honor of the 65th birthday of Isaac H. Taylor, general chairman of the Baltimore Committee for State of Israel Bonds, will be held Tuesday, Nov. 26, at the Straus Auditorium at 6:30,

and will be keyed to raise enough funds in Israeli Bonds to build 65 housing units in Israel.

Rabbi Abba Hillel Silver, chairman of the board of Governors of the Israel Bond Organization and an outstanding American Jewish leader, will be guest speaker at the reception and dinner.

Emphasis on housing in Israel is precipitated by unprecedented immigration which this year will see more than 2,000,000 people settled in the 10-year-old country. Approximately 100,000 newcomers are expected to be among the additional 30,000 families which will

be settled in Israel in the coming year.

The unprecedented wave of immigration calls for special emphasis on housing facilities so that Israel must spend approximately \$90,000,000 this year to build 30,000 immigrant housing units at a cost of \$3,000 each. A new Israel Housing Bond has been issued in the \$3,000 denomination which represents the cost of a one-family housing unit.

THE TAYLOR DINNER

Next Tuesday evening, November 26, the Baltimore community will honor Isaac H. Taylor, local general chairman of the Development Corporation for Israel for "many years of devoted service which Mr. Taylor has given to the establishment and upbuilding of Israel."

It can truly be said that Isaac Taylor has given not only of his time and money and effort, but of his heart as well. For Mr. Taylor is a man who believes in what he sells and each and every Israel Bond that is issued under his guidance is sold with the firm belief that the buyer will benefit from the interest he receives, but that Israel will benefit even more immediately in raising funds necessary for expansion of housing and industry for the thousands of newcomers arriving almost daily at her shores.

Isaac Taylor is not interested only in Israel Bonds, but in years past has given much of his time to the Associated Jewish Charities and Welfare Fund as well as many other fund raising campaigns. He has been interested in humanitarian activities of all kinds, not only those aiding the Jewish community but those for the community at large.

Believing in Israel and her future, Mr. Taylor was glad to accept the chairmanship of the Baltimore Israel Bond organization, and under his guidance the local office has done an outstanding job during the past year. This dinner Tuesday night is really an "appreciation dinner" to show Mr. Taylor that the community is cognizant of the time and effort he has expended and is gratified with the results he has achieved.

It will be interesting to hear Rabbi Abba Hillel Silver, one of America's outstanding Jewish leaders, who will be guest speaker for the evening. Dr. Silver is a forceful orator, a keen thinker and has been in the forefront of many efforts to weld the American Jewish community into a powerful bloc. He is sure to give those who attend the Taylor dinner a finer insight to those things which are happening in Israel, America and the Middle East.
