Rabbi Abba Hillel Silver
The Temple
Cleveland, Ohio

Dear Rabbi Silver:

Ever since I returned from Washington, where I attended the National Mobilization Conference for Israel Bonds, I have been giving a great deal of thought to the prospects of the Bond campaign and what we here can do to help it succeed.

At Washington I was profoundly impressed with the spirit of dedication and optimism of the delegates as well as the men and women who took over the helm of leadership at a very difficult period for the Bond drive.

However, the particularly critical situation confronting us -- the increased belligerence of the Egyptians who have started a systematic infiltration of terrorists -- the staggering financial burden of resuming mass immigration to rescue the Moroccan Jews -- compels us to look for far larger resources than ever before from the Israel Bond Organization.

The Finance Ministry has estimated that we will need a minimum of \$35,000,000 from Bonds before the end of 1955, in addition to what we expect to receive from the United Jewish Appeal.

I've had long discussions on the subject with Joe Schwartz when he was here two months ago and in Washington. From what I gather, his basic problem is leadership. I am sure the Jewish Communities will respond, if they are properly stimulated.

It is this great need for leadership that impels me to write to you at this time. All of us are keenly aware of the unique place you occupy in American Jewry because of your lifelong devotion to the Zionist cause. In this period of crisis, your participation in the active leadership of the Israel Bond drive would represent a major contribution to its success.

American Jewry has always met its obligations and responsibilities with a high measure of generosity and understanding. But it has done so largely because it has been awakened and stirred by leaders of stature.

The time has come for another awakening and we hope that you will be in a position to lead such an awakening and mobilization under the banner of the Bond drive.

In this emergency situation, we look to you as one of the great and distinguished leaders of American Jewry to assume a position of leadership in the Bond Organization and thereby share in the vital task of arousing the Jewish communities of America to the urgency and importance of the Israel Bond campaign.

With all good wishes and with Zion's greetings, I am

Sincerely yours,

/s/ L. Eshkol

My dear Joe:

I was very happy to see you yesterday in my home and to have had a pleasant chat with you.

I have given considerable thought since our conversation to the matter which you brought to my attention. Before I finalize my thinking, I would appreciate if you would give me some additional information as to the set-up of the Development Corporation for Israel. I understand that there is both a Board of Directors as well as an Executive Committee. Who are the officers and members of the Board of Directors and who are the officers and members of the Executive Committee? What office, exactly, are you proposing to me and what, in the main, would be my duties? Are you planning any other changes in the official set-up?

With all good wishes, I remain

Most cordially yours,

JOSEPH J. SCHWARTZ
Vice President

November 15, 1955

Dr. Abba Hillel Silver
The Temple
East 105th Street at Ansel Road
Cleveland 6, Ohio

Dear Dr. Silver:

I want to thank you very much for your letter of November 8th which I regret not to have been able to acknowledge sooner because of my frequent absences from the city. I, too, was very happy of the opportunity of seeing you in your home and being able to discuss with you some problems of mutual interest.

I am, of course, happy to know that you are giving serious consideration to assuming a position of leadership in the Bond organization. I shall try to answer the questions you raise in as "unlegalistic" a manner as possible.

The Development Corporation for Israel, which is the official name of our company, has a Board of Governors, an Executive Committee of the Board of Governors, and a Board of Directors. The Board of Directors consists of a small group of people who have agreed to undertake the legal responsibility for the functioning of this organization. I am told by our lawyers that we were obliged to organize in a form of a commercial company under the Stock Corporation Law of New York. To do that required the enlistment of a small group who assumed responsibility for the company and risked the liabilities that might result from violation of the myriad laws here in the United States, Europe, and Central and South America which govern the sale of securities - liabilities which I am told can be quite substantial. The members of the Board of Directors also had to assume the drudgery of filling out questionnaires, forms, and other paper work required by the S.E.C. as well as by the Blue Sky regulations of the forty eight states and the District of Columbia. In addition to all of the above, members of the Board of Directors also were required to put up the sum of \$100,000, which represents the capital funds of the company.

In actual fact, however, the policies, direction, and approach of the Israel Bond organization are determined by a

November 15, 1955

larger group organized into a Board of Governors. The Board of Governors is the vital link between the Bond organization and the Jewish communities, and for that reason membership on the Board consists of representatives from all sections of the country and all groups in the country, as well as all individuals whose devotion and experience are vital to the success of our program.

The Chairman of the Board of Governors serves a rather unique function. In one sense he is a symbol of the stature of American Jewry and its united determination to aid Israel through the sale of Bonds. In another sense he is the leader who gives inspiration and direction to the Board itself and to the entire Israel Bond organization and program. The activities of the Chairman of the Board depend to a large extent on his own conception of the manner in which he can participate and give guidance most usefully. It is the kind of a post that does not lend itself easily to exact definition and delineation.

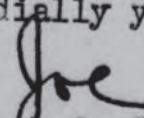

In the old company, the American Financial and Development Corporation for Israel, that post was filled by Mr. Henry Morgenthau, Jr., and was left vacant on his retirement. No one else has had that title, either in the old company or in the new one which has now been set up. It is this very important post that we would very much like to have you fill.

The Executive Committee of the Board of Governors is a smaller group which is called together very frequently to deal with immediate problems facing the Bond organization. The Chairman of this Executive Committee is Mr. Joseph Shulman of Paterson, New Jersey, and New York. I am enclosing a list of the members of our Board of Governors, a list of the members of the Executive Committee, and a list of the members of the Board of Directors, together with the names of the officers of our organization.

Aside from our very keen desire to have you assume the post of Chairman of the Board of Governors, we are planning no other changes in our organizational structure at the present time. We do try, however, to benefit from experience and to remain as flexible as possible in terms of organizational structure.

I hope that this is the information that you wanted, and of course I shall be glad to furnish any further information you may wish. I do hope that we shall receive your favorable reply very soon so that we can set the wheels in motion for a proper announcement, which I am sure will be greeted with great satisfaction by the entire Jewish community.

Cordially yours,

Joseph J. Schwartz

SET \$75,000,000 GOAL FOR 1956

*Outline Intensive Drive for Trustees, Guardians, Sponsors,
As Urgent Task in Meeting Israel's Grave Emergency*

Responding to a call from Prime Minister David Ben-Gurion for a greatly intensified Israel Bond effort, the Board of Governors, meeting in New York on January 8 and 9, adopted a goal of a minimum of \$75,000,000 in Israel Bond sales during 1956.

The grave emergency in which Israel finds itself was foremost in the minds of the Board members as they considered plans for the coming year. Recognizing the key role of Israel Bond investment capital, they resolved to back up Israel in its present grave crisis, and to raise the Bond campaign to new levels in the immediate future.

The Board, meeting for the first time under the Chairmanship of Dr. Abba Hillel Silver, the distinguished Jewish leader, set forth plans for an intensive effort directed toward the enrollment of Trustees, Guardians and Sponsors during the first three months of the year. This effort will be highlighted at the 1956 Inaugural Conference for Israel Bonds, to be held at the Hotel Seville in Miami Beach on Saturday evening, February 4 and Sunday, February 5.

Announce Trustee Renewals

Determination to achieve outstanding results for Israel Bonds during the coming weeks and months was reflected in the comments of Jewish leaders from all parts of the country at the Board of Governors meeting. Representatives of one community after another indicated their keen awareness of Israel's problems, and pledged themselves to the fullest mobilization of Trustees, Guardians and Sponsors in order to assure the achievement of the 1956 goal of \$75,000,000. Many individuals announced immediate renewals of their Trusteeships for 1956 with purchases of \$10,000 or more.

Among the key leaders who took part in the stimulating discussion were Herbert R. Abeles of Newark, President of the Council of Jewish Federations and Welfare Funds; Morris Breakstone of North Hudson, N. J.; Adolf L. Hamburger of Baltimore; Samuel Horelick of Pittsburgh; Louis A. Kasen of Newark; Leon H. Keyserling of Washington; Albert A. Levin of Cleveland; Philip Lown of Auburn, Maine; Sol Luckman of Cincinnati; Mortimer May of Nashville, President of the Zionist Organization of America; Rabbi Irving Miller of New York, President of the American Zionist Council; Max Movshovitz of Trenton;

\$42,318,550 IN BONDS SOLD DURING 1955

A total of \$42,318,550 in Israel Bonds was sold during the calendar year 1955, Dr. Joseph J. Schwartz, Vice-President, reported to the Board of Governors meeting. This represented a 20 percent increase over 1954.

As a result of the 1955 achievement, the total in Israel Bonds sold since the drive began in May, 1951 reached \$216,595,450. The total number of Bonds sold is now more than 800,000.

Outstanding results were achieved in many communities during 1955. Among those which showed a substantial increase over 1954 were New York, Los Angeles, Boston, Philadelphia, San Francisco and Pittsburgh. Many smaller and medium-sized cities also made significant advances, including Denver, Wilmington, Atlanta, Shreveport, Lynn, Paterson, Binghamton, Buffalo, Harrisburg, and Charleston, W. Va. Noteworthy gains were recorded in Canada and Europe as well.

Ben-Gurion Calls for Greater Bond Effort

*Cable from Prime Minister David Ben-Gurion
to the Board of Governors*

I extend to you and the members of the Board of Governors warm greetings and congratulations for the successful efforts you have made to ensure a steady flow of development capital to the State of Israel.

This week I told the Knesset that we believe the maintenance of peace is preferable even to victory in war. Our dearest wish is the rehabilitation of the ruins of our country and the ingathering of our people.

We have made great strides towards reconstructing the State but we still face enormous difficulties in absorbing destitute immigrants and creating a productive and self-supporting economy. At this crucial turning-point in our history we are determined, while maintaining complete alertness along our borders, to

press forward with our constructive work which in the long run is one of the bases for our continued existence.

Your moral and material stand side by side with us has given the people of Israel both encouragement and the tools to build, but just as we are demanding more sacrifices and more effort from the people of Israel, so must we request more understanding and greater efforts from our friends abroad.

May your auspicious success in the past year lead you on to greater success now in the urgent and immediate future and may the ancient prayer of our people be fulfilled: "The Lord will give strength unto His people. The Lord will bless His people with peace."

D. BEN-GURION

ENROLL CHARTER TRUSTEES, GUARDIANS, SPONSORS FOR '56

To meet the urgent crisis which faces Israel, a special nationwide drive to enlist immediate support for Israel's economic development through the speedy enrollment of Charter Trustees, Guardians and Sponsors has been launched by the Israel Bond Organization. Charter Trustees, Guardians and Sponsors are those who enroll by the week-end of February 4, when the 1956 Inaugural Conference for Israel Bonds will take place in Miami.

Those who become Charter Members of these honor organizations will have their names inscribed on special scrolls indicating their readiness to stand with Israel during its present crisis. Following the conclusion of the Inaugural Conference for Bonds, the scrolls will be sent to Jerusalem for placement in the archives of the State of Israel.

A. FEINBERG

Bond President Abraham Feinberg, in announcing the campaign, said:

"We are launching this drive for Charter investors to help meet Israel's economic needs in this time of crisis. The next few months are crucial to Israel's future. The Charter Trustees, Guardians and Sponsors, by participating from the very beginning of the year as partners in Israel's economic growth, are proving their faith in the future of Israel."

The members of the Board heard Dr. Silver stress the fact that "in the last analysis, it is the economic strength of the State of Israel which will determine its capacity to defend itself against aggression and consequently also its ability to survive." They also heard Ambassador Abba Eban describe the record of Israel Bond sales to date as "an achievement without parallel in the contemporary international scene", highlighting the fact that "Israel's preservation and welfare are passionately cherished by millions of people throughout the world."

A heightened program of activity at the Trustee and Guardian level was projected by Judge Louis E. Levinthal, the noted Zionist leader who is National Chairman of the Guardians of Israel. Increased levels of work among women, with special emphasis on Sponsor enrollments, were outlined by Mrs. Michael A. Stavitsky, Women's Division Chairman.

A detailed discussion of campaign programs took place at the session on

the morning of January 9, with National Campaign Chairman Morris W. Berinstein presiding. Leo Bernstein, Director of Field Operations, outlined some specific problems of the Bond drive, and approaches to their solution.

The program of action developed in relation to the Miami Conference indicated the following points of emphasis:

1. Achievement of the highest possible level of Israel Bond campaign activity.
2. Speedy re-enrollment of Trustees, Guardians and Sponsors.
3. Development of a widespread awareness of Israel's intensified need for large-scale industrial and agricultural expansion in the face of increased Arab hostility.

THE NEED FOR A JUST PEACE

Excerpts from address of Ambassador Abba Eban to Board of Governors

The mobilization for Israel's economy of over \$216,000,000 in Israel Bond sales in less than five years is an achievement without parallel. No other foreign government has ever received such a practical vote of love and confidence from the people of the United States. The achievement be-

ABBA EBAN

comes even more spectacular when we recall that it has been accompanied by equally impressive efforts in the mobilization of funds by voluntary grant.

These achievements, together with other manifestations of support for Israel's cause, illustrate an important fact in the life of the Middle East, namely that Israel's preservation and welfare are passionately cherished by millions of people throughout the world. There is little value in a statesmanship which does not attach due weight to moral calculations of such universal scope. If Israel were submerged in a torrent of violence, a shudder of horror would go around the world, and the conscience of mankind would be weighed down by a burden of guilt which all the oil of Arabia could never wash clean.

It is urgent that western statesmanship should confront its responsibility

THE LARGEST SINGLE PURCHASE of Israel Bonds by an American labor union since the inauguration of the Israel Bond drive in 1951 was made last week by District 65, Retail, Wholesale and Department Store Union (A.F.L.-C.I.O.). In a ceremony in the office of District 65 President David Livingston (right), a check for \$100,000 was presented to Max Varon, Consul of Israel in New York, in payment for the purchase.

ties in our region. The need for a just peace settlement is repeatedly emphasized in Israel, in the United States and elsewhere. I have listened very carefully and have not heard this objective proclaimed from any Arab capital.

THE SUREST GUARANTEE

Excerpts from address of Dr. Abba Hillel Silver to Board of Governors

In the last analysis it is the economic strength of the State of Israel which will determine its capacity to defend itself against aggression and consequently also its ability to survive. A sound economy towards which the Government of Israel has been steadily moving is the surest

DR. SILVER

guarantee for the ultimate solution of its political problems. That, and the stout hearts and firm resolutions of the Israelis themselves, who have built their country with such zeal and vision and who can be relied upon to defend it with their very lives.

Whatever support is given to the State of Israel through the purchase of Israel Bonds helps to undergird its economy and to strengthen the hands of its defenders.

The enemies of Israel have been waiting for its collapse, and they have sought to hasten it by means of boycotts and blockades. Because they believed that such a collapse was imminent they have resisted every attempt made by Israel in the last seven years to conclude an honorable peace.

Having failed to strangle Israel economically and to check its development through an incessant harass-

ment of the Israeli border settlements, they are now hoping to crush it in another war and to that end they are building up a massive reservoir of armament.

We are persuaded that the great powers are pursuing a policy in the Middle East which, if not quickly revised, will bring disaster to that part of the world, and which may involve them too in a way in which they do not wish to be involved. But until sanity returns and better counsel prevails, it is our primary responsibility to rally to Israel's support and enable it to strengthen its defense.

TEXT OF RESOLUTION

*Adopted by
Board of Governors*

The State of Israel is confronted with one of the most serious crises in its history, a crisis which creates a constant drain upon its resources and its entire economy. In this situation, the maintenance of Israel's program of economic development without interruption constitutes a decisive element in the capacity of the country to survive.

In view of the intensified need for investment capital through the Israel Bond drive, we are faced with a pressing need to exert an even greater effort to assure the success of the Bond campaign at this decisive moment.

Therefore we, the Board of Governors of the Israel Bond Organization, meeting on January 8th in New York City, hereby adopt as our goal for 1956 the sale of a minimum of \$75,000,000 in Israel Bonds, and determine to take every possible step to assure the fulfillment of that aim as a decisive service to Israel, the Jewish people, and the cause of democracy.

CHANUKAH FESTIVALS EVOKE OVERWHELMING RESPONSE IN ISRAEL BOND S

MORE THAN 125,000 ATTEND BOND CHANUKAH EVENTS

Lending a modern and particularly meaningful interpretation to the observance of Chanukah as a Festival of Freedom, the recent Chanukah Festivals, concerts and BIG Shows held in many communities throughout the United States and Canada have resulted in a record-breaking series of dramatic achievements in behalf of Israel's economic consolidation through Israel Bonds.

All previous standards of response in terms of attendance and Bond sales have been overwhelmingly surpassed. At one of the most critical periods in

the history of the State of Israel, the Chanukah Festivals and other special events provided the channel for effective response on the part of many Jewish communities. The opportunity to purchase an Israel Bond and to attend one of the mass celebrations thus served to strengthen Israel in two ways: first, by furnishing an immediate and accelerated flow of Bond dollars; second, by providing a spectacular demonstration of solidarity with the people of Israel. More than 125,000 men and women attended the Festivals in various cities.

A development unprecedented in the history of organized community

activity took place in connection with the Chanukah Festival at Madison Square Garden in New York, where, in response to tremendous demand, a second performance was held to accommodate 20,000 additional purchasers of Israel Bonds. Dr. Israel Goldstein, Chairman of the New York Chanukah Festival Committee, announced that the 40,000 men and women who attended the two performances had purchased a total of \$4,000,000 in Israel Bonds.

WOMEN RECORDED OUTSTANDING RESULTS IN MANY CITIES IN 1955

Thousands of women, constituting between 50 and 75 percent of the total number of volunteers, went out in force on Action Day to sell Israel Bonds to their friends and neighbors. In late November and early December, they also staged several independent functions that resulted in significant Bond sales and purchases. Record achievements were noted by Mrs. Michael A. Stavitsky, National Chairman of the Women's Division.

More than 300 women took part in the annual "Shalom Shalom" Luncheon of the Los Angeles Women's Division on December 15. Mrs. Edward Meltzer, 1955 Chairman, was honored for her "creative thinking and inspirational leadership" of one of the most dynamic divisions in the country. To mark her attainments, she was presented with a plaque by Mrs. Stanley Slotkin, President of the Board of Governors of the Division.

Almost 700 women purchased

Bonds totalling \$144,450 at the December 7th "Diamonds and Dior" Show held in Washington, D. C., under the Chairmanship of Mrs. Paul Eanet. Mrs. Abba Eban, wife of Israel's Ambassador to the United States and Honorary Chairman of the Show, presented Chen Charms to Advance Guard members Mrs. Asriel Berry and Mrs. Louis C. Grossberg, as well as to forty-five other Chen members. She also pinned those of Washington's ninety Sponsors who had not yet received their awards. Elsewhere in Canada, the women of Winnipeg scored a 1955 total of \$83,000, a great increase over 1954. Forty-five women attended a luncheon whose speakers included Mrs. D. P. Gotlieb, Chairman of the Canadian Women's Division for Bonds, and Mrs. J. Barney Goldhar, Sponsor Chairman for Canada. Winnipeg had thirty-one Sponsors for 1955.

Bridgeport Operalogue Productive

An Operalogue in Bridgeport, attended by 180 women, netted \$51,900 in Bond purchases. The speaker on that occasion was Zvi Englander. The Bridgeport Women's Division of which Mrs. Harold Cooper is Chairman, held a cash collection luncheon given by Mrs. Benjamin Bresler, one of the Co-Chairmen.

The over-all Buffalo report on women's activities for 1955 for sales and purchases is \$99,250. Fifty-seven women, a record number for the community, enrolled as National Sponsors.

Baltimore women held a regular series of Sponsor Teas, as a result of which 162 women enrolled as Sponsors during 1955.

Mrs. Joseph Katchke, Chairman of the eminently successful Detroit Women's Division, announced the enrollment of 190 National Sponsors in 1955.

3,000 Volunteer in Boston

Boston women broke all previous Action Day records when 3,000 of them volunteered for door-to-door sales. They are credited with having sold \$325,000 worth of Bonds. In addition, a grand total of more than \$275,000 in Bond dollars was provided by the 275 Boston women who enrolled as Sponsors for 1955, it was announced by Mrs. William J. Talcoff, Women's Division Chairman for Greater Boston. This is more than double the enrollment for 1954.

The Toronto Chairman, Mrs. Mark A. Levy, reports that members of the Women's Division attained \$455,825 in Bond sales and purchases in the year just ended. On December 8

CHEN ADVANCE GUARD. Mrs. I. E. Millstone of St. Louis is congratulated by Dr. Joseph J. Schwartz for having earned membership in the Advance Guard of Chen by selling \$30,000 in Israel Bonds. Mrs. Millstone was honored at ceremonies inducting Nathan Shever as General Chairman for Greater St. Louis.

NATIONAL ACTION DAY BOOSTS BOND SALES

National Action Day for Israel was an overwhelming and inspiring success, as tens of thousands of volunteer workers recorded high levels of Israel Bond sales to bolster Israel's economy and help to meet her emergency.

During the intensive one-day canvass to obtain subscriptions for Israel Bonds, the volunteers visited their friends and neighbors at home to bring them the latest news of Israel's economic progress. Jewish families from coast to coast were made aware of the severe strains being imposed on Israel's economic resources by urgent defense measures and by the need to absorb tens of thousands of harassed North African immigrants.

Many Communities Take Part

Among the communities which participated in National Action Day were the following: Phoenix and Tucson, Ariz.; Los Angeles and San Francisco, Calif.; Hartford and New Haven, Conn.; Washington, D. C.; Atlanta, Ga.; Chicago, Ill.; Indianapolis, Ind.; Baltimore, Md.; Boston, Mass.; Detroit, Mich.; St. Louis, Mo.; Atlantic City, Camden, Newark and Trenton, N. J.; Albany, N. Y.; Cincinnati and Cleveland, Ohio; Philadelphia and Pittsburgh, Pa.; Houston, Tex.; Richmond, Va.; Charleston, W. Va.; and Milwaukee, Wisc. In Canada, Toronto held an Action Day campaign.

The response to Action Day in Boston was so great that the concerted effort is being continued. Under the firm and dedicated leadership of Grand Marshals Sidney Covich and Mrs. Irving Uretsky and Women's Division Chairman Mrs. William J. Talcoff, volunteers continue to canvass the Jewish community to obtain Israel Bond subscriptions.

Los Angeles placed more than 1,000 volunteers in the field during its Action Day observance. Led by Grand Marshal Isadore Margolin, leading Labor Zionist, the one-day campaign resulted in dramatic Bond sales throughout the city. Volunteers received two reserved tickets to the Shrine Auditorium Festival of Freedom, which featured concert violinist Joseph Szigeti.

TRIBUTE TO LOUIS ROSS. Louis Ross (right), new Jersey City Chairman, received a Jerusalem Bible from Foreign Minister Moshe Sharett (second from right) at a dinner in Mr. Ross' honor. A. D. Hirsch (second from left) also received a Bible from the Foreign Minister for his efforts as Bond Chairman since 1951. Looking on is Louis Struhl, Dinner Chairman and Toastmaster.

Although suffering its worst gale and rainstorm in 50 years, San Francisco held a most effective Action Day. Despite flooded areas and the loss of most transportation facilities, Grand Marshal Jack Shemano got a large corps of volunteers into assigned regions. Because of this spirited display of courage and devotion, Israel Bond purchases have been coming in at a fast pace since the one-day effort took place.

Organization Members Serve

Washington, D. C. took part in National Action Day for Israel by scoring one of the best one-day sales records in its history. Members of 40 major Jewish fraternal and social organizations formed an army of volunteers which sold Israel Bonds in homes that day. Joseph Andelman, prominent Washington businessman and civic leader, served as Grand Marshal, while Dr. Harry Projector, Zionist leader, was Co-ordinator of Volunteers.

In Detroit, under the leadership of Grand Marshal Norman Allan and Women's Marshal Mrs. Morris Adler, hundreds of volunteers showed up at Action Day headquarters in the

HAMBURGER IS NATIONAL HIGH HOLIDAY CHAIRMAN

The extraordinary results achieved during the High Holiday mobilization in Baltimore, which has led the nation in this effort for several years, are attributable in great measure to the inspiration and devotion of Adolf L. Hamburger, Chairman of his community's Synagogue-Temple Mobilization. Mr. **A. HAMBURGER** has now accepted the post of National Chairman for High Holidays.

Under the guidance of the distinguished Baltimore leader, a special program of intensive High Holiday work during 1956 will be developed.

Memorial Building of the University of Detroit. After receiving last-minute instructions, coffee and rolls, they were out ringing door-bells by 9 A.M. Television Station WWJ-TV covered the unique campaign, and flashed films about the one-day Bond effort to television screens in homes which were still to be visited.

The Grand Marshal for Action Day in Trenton was Dr. Benjamin Lavine, former President of the Trenton Zionist District and an active Bond worker in his community. Mrs. Jules Mayzell, President of the local Hadassah Chapter, was Chairman of the Women's Division for Action Day.

More than 4,000 volunteers participated in Philadelphia's intensive one-day Bond drive, with Maximilian J. Klinger as Grand Marshal.

BRESSLER SPARKS CHICAGO ENROLLMENT OF 52 TRUSTEES

The dedicated activity of one man can set an example for outstanding achievement in the course of an Israel Bond campaign. This was the case in Chicago's highly successful fall campaign—where Max Bressler initiated a project to enroll fifty-two Trustees as members of the Moshe Sharrett reception committee. The number fifty-two was chosen because it represented the age of Judge Henry L. Burman, who was being honored as the "Israel Bond Man for 1955."

M. BRESSLER

A stalwart leader in Chicago's Israel Bond effort since the inception of the drive, Mr. Bressler was his city's General Chairman in 1951. At the climax of Chicago's fall drive, Mr. Bressler's single-mindedness of purpose and tireless effort resulted in the enrollment of the fifty-two Trustees in a record-breaking period of time.

PIONEER WOMEN NAME MRS. KAHN BOND CHAIRMAN

Mrs. Alexander Kahn of New York, outstanding communal personality, has been elected National Israel Bond Chairman for Pioneer Women for 1956-1957. Mrs. Kahn, who recently returned from an extensive tour

of Israel, has long been active on the National Board of Pioneer Women and as Chairman of the New York Council. She is a former National Chairman of Histadrut and was on the National Committee for its 1953 biennial convention.

In accepting the Pioneer Women National Chairmanship for Bonds, Mrs. Kahn said that she will do all in her power to stimulate the sale of Israel Bonds and promote the economic welfare of the State of Israel.

POOL ASSETS FOR \$2,000 PURCHASE. Bruce, Brian and Allan Bergman, sons of Mr. and Mrs. Saul C. Bergman of West Hartford, Conn. are shown after they combined their resources to buy \$2,000 in Israel Bonds from Israel Grody, Hartford General Chairman. The brothers, who made the purchase in tribute to Foreign Minister Sharett, attended the recent dinner in his honor in Hartford and received his personal thanks.

B'NAI AMOONA OF ST. LOUIS SELLS \$100,000 IN BONDS

Members of B'nai Amoona, the largest Conservative synagogue in St. Louis, brought their total 1955 Bond purchases to \$100,000 at a "Night for Israel" on December 25. The affair was sponsored by the Men's Club and Sisterhood, whose presidents are Mr. and Mrs. Ted Fischer.

The Co-Chairmen of the event were David Shever and Max Jackoway. Entertainment was provided by singer-humorist Jan Bart, who was accompanied at the piano by Mrs. Mendelson Bach, former Women's Division Chairman.

ROBISON FETE PLACES TEANECK AT \$190,000 MARK

More than 500 men and women of Teaneck, taking part in a December 13 testimonial dinner honoring Adolf C. Robison, helped to swell total Bond sales for 1955 to \$190,000. This is almost 30 percent more than the sales for the entire 1951-1954 period in Teaneck, it was announced by the General Chairmen of the campaign, David Ross, Leonard Marcus and Mrs. Selma Liben.

Mr. Robison, who is Councilman of Teaneck, has for many years been one of the country's outstanding Jewish personalities. A member of the Board of Governors of Israel Bonds, he is a Director of the Palestine Economic Corporation and Chairman of the Teaneck Community Chest. His activities have resulted in the flow of millions of dollars in cash and materials to Israel.

A. ROBISON

Mrs. Eleanor Roosevelt was the guest speaker at the Robison dinner, which was the largest ever held by the Jewish community of Teaneck. District Attorney Edward S. Silver, who is Bond Chairman for Brooklyn, made the presentation of the award to Mr. Robison. Chairman for the dinner was David W. Goldman.

A special congratulatory message for Mr. Robison was sent by Prime Minister David Ben-Gurion.

SOUTH BEND LEADER SPURS CITY-WIDE DRIVE

A remarkable Israel Bond record has been achieved in South Bend, Ind., by Eli Goloubow, prominent Farband member, who was responsible for a substantial part of the community's \$101,000 in Bond sales for the year. As a result of Mr. Goloubow's outstanding efforts, more than 15 percent of South Bend's total purchases were made by Christians.

Buenos Aires, January 17th 1956.

Dr. Abbe Hilel Silver,

CLEVELAND, Ohio, U.S.A.

Dear Dr. Silver:

Let me say once more that the news about your leadership of the Board of Governors of the International Financial and Development Corporation for Israel was great news and good news indeed.

You might have heard that I am right now on an special mission for Bonds in this part of the world. At the moment I am in Buenos Aires, where I am going to stay another six weeks, after previously visiting Brasil and Uruguay.

Buenos Aires is a many thousands of miles away not only from the States, but from my home base in Israel as well and I want therefore say this: without any advance information this was a very surprising and most welcome event.

Without knowing much about ^{the} background of what actually happened, I am convinced that it was the present serious and grave situation of Israel that was instrumental in your accepting once more the leadership.

Let me take this opportunity and express my sincerest hopes that this is only the begin of the begin and that you are right on the road back in assuming once more a central position in the diraction of affairs.

Herewith I am conveying to you my best wishes on this occasion and it is a good feeling for an Israeli here, down under, thousands of miles away, to know that your stong arm and your vision are again at the helm. This will make it easier for Israel to steer a clear course in this stormy sea of world affairs.

As always I am at your disposal.
Please do remember me to Mrs. Silver.
With warmest personal greetings,

Sincerely,

Dear Dr. Silver:

In one of the latest editions of the Zionist publications, I noticed that you had accepted the most important position in the Bond-Drive for Israel.

To be frank, these news surprised me, considering that Mr. Ben Gurion is - now Prime Minister of the Israeli Government.

The reason I am addressing you is due to the fact that I expressed myself on several occasions to the effect "that as long as Dr. Silver will not take an - active part in the Zionist movement, I would not either".

Since you did return actively, I am sure there must be enough reason for - it, and I am consequently pressured to do the same.

I would very much appreciate to hear from you at your earliest convenience, and with Zionist greetings and personal regards to the family, I remain,

Affectionately yours,

Elias Sourasky

My dear Friend:

I was very happy to hear from you. It is a long time since I have had the pleasure of seeing you and Mrs. Sourasky and of enjoying your hospitality.

The reason for my assuming the Chairmanship of the Israeli Bonds is a very simple one. The heads of the Israel Bond Organization of the United States and of Israel turned to me and asked for my cooperation. In these critical times I could not refuse it, especially since the old group which was in charge of the Israel Bonds in the United States under Mr. Henry Montor, are completely out of the picture. I simply could not work with them, being in complete disagreement with their tactics and policies.

I am out of sympathy, of course, with many of the policies of Mr. Ben Gurion -- especially the recent affair in Syria. I am hoping that his actions hereafter will be more controlled by his cabinet.

I hope I will have the pleasure of seeing you before very long. With all good wishes to you and Mrs. Sourasky, in which Mrs. Silver joins me most heartily, I remain

Most cordially yours,

ABBA HILLEL SILVER

Dear Dr. Silver:

From the enclosed copy of my memo to Dr. Schwartz, you will learn that Mr. William Sylk of Philadelphia has accepted the National ZOA Chairmanship for Israel Bonds. I believe he will be alright. We needed a man who is in a position to buy Bonds and who is interested in ~~Israel~~ ZOA.

This happened after I wrote the enclosed letter to you.

With warm regards,

Yours sincerely,

Mr. Mortimer May, ZOA President has nominated Mr. William Sylk as National ZOA Bond Chairman. Mr. Sylk had made his acceptance dependent upon his talk with me to see what is involved. I am happy to report that Mr. Sylk has accepted. He is a very busy man, but is prepared to undertake some speaking engagements and any other service he can render. He did think that he would not be successful enough on account of his being a resident of Philadelphia and not New York. But if you know him you know that he is a very dynamic man and I believe we will get more out of him than of an average man in New York.

I took the opportunity to sign ^{up} him and his brother Harry as Trustees for 1956. I have it in writing. He will remit the cash through the Philadelphia office. He wished, however, the announcement to be made at the ZOA Breakfast Friday morning, by Mr. May.

Dear Dr. Silver:

At a meeting of the Executive Council of the Zionist Organization of Chicago, held on Tuesday, February 14, 1956, the following resolution was unanimously adopted:

For the last eleven years, the ZOC has presented a Hanukkah Festival as the culminating event of its fund raising activities. As a result the Hanukkah Festival has become indelibly identified in the minds of Chicago Jewry with the ZOC. In addition, the ZOC has come to rely upon the success of this Festival for fulfilling its financial obligations.

The Hanukkah Festival was scheduled for December 14, 1955. Notice of the selection of this date was duly given to the community. Newspapers which were familiar with the eleven year-old practice of the ZOC again received, in due course, material for publicity designed to insure the success of the event.

Imagine the shock and chagrin of Chicago Zionists when they discovered that the Israel Bond Office of Chicago scheduled a similar event a few days after the date set by the ZOC. To set up a rival festival was to jeopardize the ZOC affair. But the Israel Bond Office went further:

- a) It reserved the Amphitheatre, thus reducing the ZOC Festival's importance, by contrast. b) It actually usurped the very name, Hanukkah Festival, adding confusion to rivalry.

As a result of this rivalry, the newspapers which in the past afforded us generous publicity space, labored under the impression that our December 14th affair was merely a fore-runner of "our" big affair at the Amphitheatre, and gave us, our affair, little or no notice.

We do not feel called upon to reiterate our devotion to Israel in the sale of Bonds, or in any other effort on behalf of Israel. Our sixty years' record is sufficient testimony to that devotion.

We, therefore, feel impelled, without casting any shadows upon our loyalty, to submit our sincere protest against the action taken by the Israel Bond office. We further request assurances that there will be no repetition of such action.

The dignity, stability and continuity of all Zionist agencies demand mutual respect. In these troubled days, Israel requires the fullest measure of our collective efforts in its behalf, and not competition and rivalry.

Dear Mr. and Mrs. Kline:

When I became Chairman of the Board of Governors of the Israel Bond Organization I was very happy to learn that you both have been among the staunchest supporters of the Bond effort since its inception.

My memory goes back to the years I spent in Salem, Ohio, where we first met. I recall the devotion of the Kline family to so many Jewish causes and it is heartening to know that once again we are associated in our mutual endeavors for the Israel Bond effort.

I am well aware of the substantial investments you have made in Israel's economy through your purchase of Israel Bonds. Today the Jewish State needs the continued and increased support of all of us in order to maintain and fortify her economy in this critical period.

I have been told of the magnificent program you have initiated through which you are continuing your philanthropic activities by setting up a charitable Foundation. You may be interested to know that similar foundations have already purchased large sums of Israel Bonds, which of course yields to the foundation an income at the rate of 4% interest annually.

I am wondering whether it would be possible for you to invest some of the Foundation's funds in Israel Bonds this year. Because I know so well the dedicated love you both have for Israel I shall not stress how much she needs your help at this time.

With kindest personal regards to you both, I am

Sincerely yours,

Dear Dr. Silver:

I am sending you herewith a suggested news release on your departure for Israel. I would appreciate having your revisions by Monday.

You will note that the release refers to your transmitting to Israel the scrolls bearing the names of Charter Trustees, Guardians and Sponsors. These scrolls, as you know, were displayed at the Miami Conference. I would greatly appreciate having your consent to include this in the release; I think the item might prove newsworthy, and at the same time we can set up an impressive ceremony in Israel at which you turn the scrolls over to the Government. It will not, of course, be necessary for you physically to transport the scrolls; I can send them ahead directly to our Jerusalem office.

With many thanks for your cooperation, and with warmest personal regards, I am

Cordially yours,

DEAR DR. SILVER:

I AM A SIMPLE JEW FROM BOSTON WHO WANTS TO HELP ALTER THE COURSE OF JEWISH HISTORY. IT IS MY FIRM BELIEF THAT WE JEWS HAVE IT WITHIN OUR GRASP TO MAKE THE DECISIONS REGARDING THE FUTURE OF THE JEWISH PEOPLE. HOWEVER, TOO MANY JEWS ARE SMUG AND COMPLACENT. TOO MANY JEWS HAVEN'T READ ENOUGH BOOKS ON JEWISH HISTORY. TOO MANY JEWISH PEOPLE ARE IGNORANT - YES, JUST PLAIN IGNORANT - WHEN IT COMES TO UNDERSTANDING HOW A JEW IS TO EVENTUALLY SECURE SELF-RESPECT, DIGNITY, AND ABSOLUTE SECURITY.

WITH ALL HUMILITY - I HAVE BEEN TRYING TO DO MY BEST AS NEW ENGLAND CHAIRMAN FOR ISRAEL BONDS - - AS GREATER BOSTON CHAIRMAN FOR ISRAEL BONDS - - AS NATIONAL CHAIRMAN OF THE FINANCE COUNCIL OF THE AMERICAN ZIONIST COMMITTEE FOR PUBLIC AFFAIRS. BUT MY DEAR DR. SILVER - - I AM STILL A SIMPLE JEW FROM BOSTON WHO TRULY DOESN'T HAVE A FEELING OF ACCOMPLISHMENT WITH THE LITTLE I AM ABLE TO DO COMPARED TO MEN OF YOUR WISDOM AND STATURE.

I COME TO YOU - DR. SILVER - WITH A SINCERE REQUEST FOR HELP. WE ARE CURRENTLY ENGAGED IN A ONE MILLION DOLLAR ISRAEL BOND EFFORT IN BOSTON. AS OF THIS WRITING WE HAVE REACHED CLOSE TO \$600,000 TOWARD OUR GOAL. WITH ACTIVITY SCHEDULED FOR THE MONTH OF APRIL WE COULD EASILY REACH OUR OBJECTIVE.

ON SATURDAY EVENING, APRIL 28TH, WE WILL HOLD A COMMUNITY-WIDE DEFEND ISRAEL DINNER CELEBRATING ISRAEL'S EIGHTH ANNIVERSARY OF INDEPENDENCE. THE DINNER WILL BE HELD IN THE IMPERIAL BALLROOM OF THE HOTEL STATLER. WE EXPECT AN ATTENDANCE OF SOME 1,200 PERSONS. WE WANT THIS TO BE ONE OF THE BIGGEST DEMONSTRATIONS OF SUPPORT TO ISRAEL THAT THE BOSTON JEWISH COMMUNITY HAS EVER WITNESSED. EDDIE CANTOR - HAS PROMISED TO JOIN US ON THAT EVENING.

HOWEVER, IN MY OPINION - AND IN THE OPINION OF THE COMMITTEE - THIS DINNER CAN HAVE THE GREATNESS WE DESIRE - ONLY IF YOU CAN BE PRESENT.

I CAN WELL APPRECIATE THE GREAT DEMANDS MADE ON YOUR TIME AND HEALTH - BUT, DR. SILVER, IT WOULD MEAN SO MUCH TO ISRAEL - THE BOSTON JEWISH COMMUNITY AND TO ME IF YOU COULD POSSIBLY ARRANGE YOUR SCHEDULE TO BE WITH US IN BOSTON ON APRIL 28TH.

I SPOKE TO REUVEN SHILOACH TODAY AND ASKED HIM TO CALL YOU BECAUSE OF THE IMPORTANCE I PLACE ON YOUR PARTICIPATION. I HOPE WITH ALL MY HEART AND SOUL THAT YOUR ANSWER WILL BE IN THE AFFIRMATIVE.

WITH WARMEST REGARDS.

My dear Mr. Laskey:

I deeply appreciate your letter of April 6th. I read it with deep interest and I was gratified to know how much of time, thought and energy you are putting into the campaign for the sale of bonds in the New England region.

I wish I were free to come to you on April 28th, but I should like you to understand the situation in which I find myself. I have just now returned from Israel, after an absence of several weeks. My work here has accumulated tremendously. I should spend the next few weeks here at The Temple. Nevertheless I had scheduled meetings in Rochester and Montreal for the Israel Bonds during the month of April and I must not disappoint those communities. I must be in my own pulpit for the remaining few Sundays of the season — as you know, our principal service is on Sunday morning.

I regret very much indeed that I cannot be of service to you at this time. It is just physically impossible for me to take on any additional out of town engagements for the month of April. I am sure you will understand.

I wish you every success in your great and important work.

With warmest regards, I remain

Most cordially yours,

Dear Rabbi Silver:

I was truly disappointed to learn that you couldn't be with us in Boston on Saturday April 28th. However, I readily appreciate and understand your situation.

Since we are anxious and determined to have the benefit of your dynamic leadership - we will arrange our campaign activity to fit your calendar.

We will hold an Emergency Action Day For Israel on Sunday May 20th at which time some 5,000 volunteers will canvas the greater Boston Jewish community to sell Israel Bonds.

I am of the firm belief that our people want to give vent to their feelings about Israel at this critical time and this Action Day will afford them the opportunity to express themselves in a concrete tangible way.

As in past years - we will hold a "Worker's Rally" - to give volunteers the necessary inspiration to do an effective job. Each year over 2,000 people attend these meetings.

We are prepared to schedule this important meeting on any of the following dates: May 7th, 8th, 9th, 10th, 14th and 17th. Please, Rabbi Silver, give the Boston Jewish community the opportunity to hear your words of wisdom at a time when the future of the Jewish people is in jeopardy.

With kindest regards

to one I deeply admire.

ECONOMIC PRESSURES MOUNT AS SECURITY NEEDS GROW

Israel Bond Campaign Must Achieve Maximum Results in May and June

Mounting economic pressures as a result of Israel's serious security crisis are highlighting the key importance of a maximum level of Israel Bond activity during the months of May and June. The stepped-up tempo of Bond campaigns in communities throughout the country reflects an awareness of the critical situation in which Israel finds itself, and a determination by American Jewry to give Israel's economy the strength it will need during the coming period.

In many parts of the United States, communities are staging all-out efforts for Bonds in the form of celebrations of Israel's eighth anniversary. Spurred on by knowledge of the critical position in which Israel finds herself, Jewish men and women are using this anniversary to make known their un-

swerving faith in Israel, and their profound determination to speed the flow of Israel Bond dollars.

Key celebrations of Israel's eighth anniversary were held on April 28, 29 and 30 with the participation of one of American Jewry's most beloved

BOARD OF GOVERNORS MEETS ON MAY 20

In order to expand the program of action which will make May and June the most productive months since the beginning of the year, the Board of Governors of the Israel Bond Organization will convene on Sunday, May 20, at the Waldorf-Astoria Hotel in New York City. The meeting was announced this week by Dr. Abba Hillel Silver, Chairman of the Board of Governors. The meeting coincides with the fifth anniversary of the Bond drive, which has raised more than \$230,000,000 since its inception.

Dr. Silver pointed out, in calling the session, that "continuing tensions in the Middle East make it imperative that we remain on the alert during the ensuing critical period." He stressed that, despite the cease-fire agreement, security problems are still very grave.

Need for Bond Money Stressed

Israel's need for Bond money is acute, Dr. Silver emphasized, reporting on his observations during his recent visit to Israel. The situation, he underscored, "demands our fullest measure of devotion, planning and unceasing labor."

Following the meeting of the Board of Governors, the Women's Division leadership will meet on Monday, May 21, to map intensified campaign activities in terms of the proposals outlined by the Board of Governors. The women's session, which will take place at the Barbizon Plaza Hotel in New York, was announced by Mrs. Michael A. Stavitsky, National Women's Division Chairman.

MOURN LOSS OF JOSEPH CHERNER, NOTED LEADER

Jews throughout the world have suffered a tragic loss in the death of Joseph Cherner, distinguished spokesman for the Jewish people and beloved communal leader. One of the outstanding Jewish personalities of our time, he established a unique record of devoted and effective service to his people and to Israel.

The warmth of Joseph Cherner's

personality and his profound love for his fellow-men led him to assume the burden of leadership in a host of community enterprises. He played a decisive role in mobilizing support for the State of Israel through many channels. He served as National Treasurer of the Israel Bond Organization, and held key national posts in the United Jewish Appeal and the Zionist Organization of America.

When the Israel Bond drive was launched in 1951, Mr. Cherner stirred the Jewish community by announcing the purchase of \$750,000 in Israel Bonds. His name was identified for many years with every major effort to help those in distress and to advance the creation of a new life in Israel.

The passing of Joseph Cherner leaves a gap in the ranks of Jewish leadership that will not easily be filled. His memory is treasured by all who knew him.

AMBASSADOR'S BALL ON MAY 26 HIGHLIGHTS WASHINGTON EFFORT

The most important Israel Bond event of the year in Washington, D. C. will take place in the Grand Ballroom of the Sheraton-Park Hotel on Saturday evening, May 26, when Israel Ambassador and Mrs. Abba Eban are honored at a Ball, which will be attended by more than 1,000 prominent Americans. Admission is by purchase of \$1,000 or more in Israel Bonds.

Sponsored by the Washington Chapter of the Trustees, Sponsors and Guardians of Israel, the Ball is under the General Chairmanship of Mrs. Allie Freed, prominent business and social leader in the nation's capital. Serving as Honorary Chairman is former U. S. Ambassador to Israel James G. McDonald, while Milton Kronheim is Chairman of the Reception Committee. Morris Pollin is Chairman of the Washington Israel Bond Committee.

Large contingents of guests are expected from the Baltimore and Philadelphia areas. Hostess for the Baltimore group will be Mrs. Simon E.

SYLK NAMED ZOA HEAD FOR ISRAEL BONDS

With the grave danger to Israel's security uppermost in the minds of its leaders and members, the Zionist Organization of America has recently announced the acceptance of its National Israel Bond Chairmanship by William H. Sylk of Philadelphia. The appointment of Mr. Sylk to this post signifies the ZOA's determination to intensify its efforts in behalf of Israel's economic upbuilding.

A prominent lawyer, successful businessman and outstanding civic figure, Mr. Sylk has been in the forefront of Jewish communal activity for more than two decades. He is a member of the National Board of Governors of the Israel Bond Organization, Chairman of the Board of Directors of the United Israel Appeal, Vice President of the ZOA and President of the Jewish National Fund Foundation.

personalities—Eddie Cantor. Despite doctor's orders that he limit his activities sharply, Mr. Cantor appeared at meetings in Boston, Paterson and Baltimore on those three dates, producing more than \$1,250,000 in Israel Bond sales.

The Houston community will hold a major function on May 6, with the noted communal leader I. Weiner as guest of honor. Chicago has a heavy schedule of events during the coming weeks, highlighted by an eighth anniversary celebration on May 13 with Dr. Abba Hillel Silver as guest speaker. In Washington, the Ambassador's Ball which will be held on May 26 is expected to produce outstanding results in Israel Bond sales. New York will hold its third annual Guardians of Israel dinner on June 19. Harrisburg, Pa., will honor Governor George Leader and Ambassador Abba Eban at a dinner on May 24.

Important Israel Bond events during the coming two months will also be held in Boston, Cleveland, Miami, Dayton, Atlantic City, Jersey City, Indianapolis and many other cities.

As a tribute to Mr. Cantor, record amounts of Bonds were sold.

Boston Raises \$775,150

Boston's Israel Anniversary Dinner on April 28 at the Hotel Statler, which was the culmination in large part of a month-long intensive campaign in the Trades and Professions Divisions, produced \$775,150 in Israel Bond sales. More than 800 people attended the historic event. Campaign Chairman Lawrence G. Laskey announced that, in anticipation of Mr. Cantor's visit, Bond leaders held more than 20 Bond-selling meetings during April.

Paterson, Baltimore Hail Cantor

On Sunday evening, April 29, at the Preakness Hills Country Club, more than 200 key community leaders of Paterson and surrounding communities paid tribute to Eddie Cantor at a salute to Israel's eighth anniversary, at which over \$200,000 was raised.

Heading the dinner committee were Herman Yucht, Joseph Shulman, Paul Segal, Jack Stern, Albert H. Slater, Irving Brawer, Julian L. Bornstein and Ivan Grossman. Co-Chairmen of the Reception for Eddie Cantor were Philip Dimond and Morris Lesenger. Rabbi Arthur T. Buch conducted the candle-lighting ceremony. One of the outstanding pre-dinner parlor meetings was held at the home of Emil Deitsch on April 5.

The Baltimore salute to Israel's eighth anniversary, with Eddie Cantor as guest of honor, was held on April 30 at Straus Auditorium, with an attendance of 625 men and women and sales of more than \$250,000 in Bonds, carrying Baltimore's total since the beginning of 1956 over \$500,000.

Maryland's Governor Theodore R. McKeldin served as Honorary Chairman of the Dinner Committee, with Joseph Meyerhoff as Dinner Chairman. As a result of the outstanding service of Elkan R. Myers as Trustee Chairman, the enrollment of Trustees has already surpassed last year's total. The planning and follow-through on every phase of the history-making Bond event was directed by General Chairman Nathan S. Jacobson. Mrs. Louis Samuels, Chairman of the Board of the Women's Division, and Mrs. Solomon Rogers, Women's General Chairman, spearheaded a series of advance sales meetings.

N. Y. Campaign Features Guardian Dinner June 19

A high point of New York's 1956 campaign for Israel Bonds will be the third annual Guardians of Israel dinner to be held in the Grand Ballroom of the Waldorf-Astoria on Tuesday evening, June 19th.

More than 1,000 Guardians are expected to attend the dinner, which will honor Louis M. Rabinowitz, one of the country's most noted philanthropists and patron of the arts and education. Mr. Rabinowitz is particularly well known for his sponsorship of Yale University's Judaica Series.

L. M. RABINOWITZ RABBI MILLER

Veteran Israel Bond leader Rabbi Irving Miller is serving as Chairman of the dinner. Ambassador Abba Eban will be the principal speaker at the June 19th event. Serving as Honorary Chairmen are United States Senators Herbert H. Lehman and Irving M. Ives; New York Governor Averell Harriman; New York State Attorney General Jacob Javits; Rabbi Abba Hillel Silver; Edward M. M. Warburg; Abraham Feinberg; Jack Weiler; Dr. Israel Goldstein; U. S. Solicitor General Simon E. Sobeloff; Dr. Samuel Belkin; Dr. Louis Finkelstein and Dr. Nelson Glueck.

ANNIVERSARY DINNER HEADS CHICAGO'S BUSY CALENDAR

The Chicago Jewish community's determination to back up Israel in its present crisis is reflected in a record number of major campaign events for Israel Bonds.

An address by Dr. Abba Hillel Silver, Chairman of the Board of Governors, at Chicago's celebration of Israel's eighth anniversary on May 13 will highlight the intensive Bond activity that has created a crowded calendar for May and June.

Steering a successful course for the Chicago campaign for a second year, Chairman Morris R. De Woskin expects the results of the current Spring campaign to set a new record.

In addition to marking the eighth anniversary of Israel's independence, the dinner on May 13 will also represent a testimonial to Louis Zahn, Chairman of Trades and Professions.

Serving as Dinner Chairman will be Sam Baskin, President of the Covenant Club and an Associate Chairman of the Bond campaign. Charles Swibel, an Associate Bond Chairman and one of the city's foremost young communal leaders, is Associate Chairman for the dinner. Admission is by the purchase or sale of \$1,000 in Bonds.

On the afternoon of May 13, the Zionist Organization of Chicago will tender a Guardian Reception in honor of Dr. Silver. Chairman for the Re-

YOUNGSTOWN IN BOND TOAST TO ISRAEL. Leaders in Youngstown's Israel Bond campaign offer a toast to the State of Israel at an eighth anniversary dinner on April 15. ception is Harold Rosenberg, who has the key role of Trustee Chairman for the evening event.

An Oak Park community dinner under the chairmanship of Harry Hoffman was held on April 29 with Senator Wayne Morse as principal speaker. Special tribute was paid to Mr. Hoffman for his dedicated leadership.

Women's Division activities are geared to an Israel Fashion Show to be staged on May 24 at the Sheraton Hotel. Under the Chairmanship of Mrs. Harold Perlman, the plans for this stellar event include a series of parlor meetings and a special Israel Fashion Show Preview on May 6. From present indications, some 800 women are expected to purchase Israel Bonds to attend.

Chicago Synagogues Plan Events

An outstanding event will be a Bond dinner scheduled by Congregation Anshe Emet for May 22. This is the first time in the 100-year history of this important congregation that it is holding a dinner for any cause except its own program. Nathan Rosen-

stone is Dinner Chairman.

Among the other synagogues that have scheduled Bond sales dinners are Congregation Am Echod, under the chairmanship of Herman La Zar, on May 20; Agudath Achim North Shore Congregation on May 22; Logan Square Congregation on May 29; Albany Park Hebrew Congregation on June 3; B'nai Israel of Austin on June 13, and CKI Synagogue, June 17.

The heightened activity in the Trades and Professions Divisions is reflected in three major events: the tobacco industry's dinner held on April 29 in honor of Ralph Hanning-ton, Midwest Supervisor for Liggett and Myers, with Jack Kelner as Dinner Chairman; a drug industry dinner on May 1 under Charles Bondy's chairmanship; and a dinner for the medical profession, under the leadership of Dr. Paul Hurwitz, in June.

A delegation of Chicago Bond leaders will visit Israel this summer to view the accomplishments made possible through the use of Israel Bond proceeds.

ADOLF HAMBURGER SPURS HIGH HOLIDAY PROGRAM

Sparked by the inspired leadership of Adolf L. Hamburger, distinguished Baltimore Bond leader and National Chairman for the High Holidays, an intensified program of High Holiday preparations is under way.

Mr. Hamburger is visiting various communities to organize synagogue councils and meet with Rabbis, presidents of congregations and other religious and civic leaders in order to raise the level of Israel Bond sales during the High Holidays. His untiring efforts in this direction have thus far resulted in successful visits to Minneapolis, St. Paul, Milwaukee, Chicago, Hartford, Norfolk, Richmond, Atlanta, Newark, Philadelphia, Pittsburgh and Cleveland. He has also addressed a seminar of religious leaders in Greensboro, N. C.

Plan Congregational Efforts

During a two-day visit to Minneapolis and St. Paul, Mr. Hamburger discussed High Holiday plans with Rabbi Max Shapiro of Temple Israel; Rabbi David Aronson and President Max Shapiro of Beth-El Congregation (Mr. Shapiro is Co-Chairman of the city-wide High Holiday Appeal); Rabbi Namun Schulman of Mikro Kodesh Congregation; Rabbi Lewis Ginsburg of Keneseth Israel Congregation; Rabbi Stanley Rabinowitz and President Ellis Peilen of Adath Jeshurun Congregation; Phil Haspel of Tifereth B'nai Jacob Congregation, and Rabbi S. In Norfolk, Mr. Hamburger's visit resulted in the enrollment of three synagogues in the High Holiday campaign, with the likelihood that synagogues in Newport News and Hampton, Va., will also take part.

SCHWARTZ VISIT AIDS LATIN AMERICAN DRIVE

The 1956 campaign for the sale of Israel Development Bonds in Latin America received added impetus from a recent visit to Argentina by Dr. Joseph J. Schwartz.

Dr. Schwartz spent two weeks in the Argentine Republic meeting with leaders of the Jewish community and addressing meetings in several cities, including Buenos Aires, Cordoba, Mendoza and Rosario. During his visit to Argentina, Dr. Schwartz attended a number of Bond dinners and parlor meetings with Behor Shitrit, Israel's Minister of Police, who came to that country to spur the sale of Bonds. Nearly \$500,000 in new Israel Bond subscriptions were recorded during Dr. Schwartz's stay.

Other Countries Active

Elsewhere in Latin America, activity in support of Israel's economic growth through the Israel Bond campaign is at a high level. In Lima, Peru, Israel Minister of Communications Moshe Carmel spoke at a dinner to launch the first Israel Bond campaign there.

In Mexico City, Dr. Isaac Alcalay was formally received by Roman Catholic Archbishop Miguel Miranda at the start of a ten-day visit. His appearance was celebrated as a city-wide festival.

During the past few weeks, Pinhas Sapir, Director-General of Israel's Finance Ministry, has helped to record noteworthy Bond sales in Brazil and Venezuela. Two weeks of intensive Bond campaigning in Colombia by Israel Vice Consul Moshe Rivlin also brought an impressive response.

OUTSTANDING RESULTS IN ARGENTINA. Dr. Joseph J. Schwartz (center) is shown receiving an envelope containing \$100,000 in Bond subscriptions from Simon Mirelman (left), Chairman of Israel Bonds for Argentina. LABOR ZIONIST BOND EFFORT MARKS EIGHTH ANNIVERSARY

To salute the brave pioneers of Israel on their country's eighth anniversary as a sovereign nation, and to encourage them in their efforts to attain complete economic independence, the Labor Zionist organizations (consisting of the Labor Zionist Organization of America-Poale Zion, Farband-Labor Zionist Order and Pioneer Women) have put into operation a plan calling for all units of their groups to arrange Israel Bond events in honor of Israel's eighth year of freedom.

Enroll Special Volunteers

In addition, they have urged every unit throughout the country to elect eight special volunteers, each of whom is to sell a minimum of eight Israel Bonds by May 15. Special recognition will be given to the volunteers who fulfill their quotas in this unique anniversary campaign to increase Israel Bond sales in various parts of the country.

Since the inception of the Bond drive, Labor Zionist groups have carried on an active program of Bond sales in the interest of Israel's economic growth. Events scheduled have included rallies which resulted in the enlistment of large corps of volunteers; parlor meetings, luncheons and organizational dinners, and special events which brought Israel's economic needs to the attention of the public.

\$700,000 IN BOND SALES AT BRONFMAN TESTIMONIAL

Montreal's most important Israel Bond event this season was the Testimonial Dinner held in honor of Samuel Bronfman on Wednesday, April 18, at the Windsor Hotel, where guests and representatives of communities throughout Canada purchased \$700,000 in Israel Bonds.

Mr. Bronfman, recently termed "Mr. Canada" by Israel's Finance Minister Levi Eshkol, announced a purchase of \$200,000 for the Bronfman Interests and Barney Aaron, stressing that as a businessman he finds Israel Bonds an excellent investment. As a tribute to his father, Charles Bronfman announced an additional purchase of \$100,000 for himself, his mother, his brother Edgar and his two sisters.

The dinner was arranged by the Montreal Israel Bond Committee under the able leadership of Co-Chairmen Maxwell M. Kalman, Joel Sternthal and Max Wolofsky. Dr. Abba Hillel Silver was guest speaker.

The large audience responded enthusiastically when Mr. Bronfman described the impressions gathered on his recent visit to Israel. He told of the achievements he saw during the course of his intensive tour of Bond-financed projects throughout the country.

In addition to messages of congratulation from the highest government officials in Israel, and civic, religious and community leaders throughout Canada, greetings on behalf of the State of Israel were extended to Mr. Bronfman by the Honorable Yehuda Gaulan, Consul General of Israel in Canada. Commending Mr. Entin for his plan, Israel Bond President Abraham Feinberg stated: "Your Israel Bond investments will provide vital strength to Israel's economic growth and development. Dear Dr. Silver:

I recently returned from Europe and Israel to find your invitation to attend the Sunday meeting, May 20th, on my desk. I have made plans to be out of town over that week-end but will try to alter them in order to be there.

You might be interested to know that I was recently elected a delegate to the Republican National Convention in San Francisco from the 9th Congressional District in New Jersey. As there will be relatively few people there who have any long standing interests in the problems of Israel, I think it very important that proper arrangements be made well in advance of the Convention for discussing a number of questions.

I am at your disposal anytime you think it advisable.

Sincerely yours,

Adolf C. Robison

BOND DRIVE MOBILIZES FOR "SECURITY MONTH" IN JUNE

Must Reach \$30,000,000 by June 30

Responding to urgent reports on the seriousness of Israel's crisis despite the recent cease-fire, the Israel Bond Organization has designated June as "Security Month", to be marked by intensified Israel Bond campaigning to assure the economic security of Israel. The reports on Israel's needs were presented on May 20 to an Israel Bond Board of Governors emergency meeting by two personal representatives of Prime Minister David Ben-Gurion.

The two men—Dr. Giora Josephthal, Treasurer of the Jewish Agency, and Shimon Peres, Director-General of Israel's Defense Ministry—made the trip to the United States to stress Israel's reliance on Israel Bonds for the rest of the year as a major source of funds for Israel.

In response to their call for intensified Israel Bond activity, and to cabled messages from Mr. Ben-Gurion and Finance Minister Levi Eshkol, the Board members adopted a goal of a minimum of \$30,000,000 in Bond sales by June 30. In order to reach this total, a minimum of \$10,000,000 in cash must be raised during June.

In view of the critical nature of the situation, Dr. Josephthal and Mr. Peres will speak to community leaders throughout the country at a special telephone conference on May 29, to stimulate the accelerated pace of campaigning which must be established for "Security Month".

In his address to the Board of Governors meeting, Dr. Josephthal reported that Israel must have large sums within the next few weeks to build her defenses in order to preserve peace in the Middle East. This constitutes a serious drain on her entire economy, he emphasized. Israel Bonds,

he said, will be Israel's major source of funds from American Jewry for the remainder of 1956 to help Israel maintain her economic structure unimpaired in this crucial period.

Ambassador Abba Eban and General Shlomo Shamir told the Board of Governors that Israel's problems are greater than ever, and emphasized the decisive importance to Israel of a sound economy, in which Israel Bonds play a vital role.

Many Communities Plan For Maximum Activity

Major campaign functions are being scheduled in dozens of communities in order to make the period between now and June 30 most productive for the sale of Israel Bonds, so that Israel may have adequate investment capital at this critical time.

The tempo of activity was reflected in the report presented by Dr. Joseph J. Schwartz, Israel Bond Vice President, to the Board of Governors. The Bond drive has already raised 35 percent more than last year, he indicated. 343 Trustees have enrolled so far in 1956, an increase of 35 percent over the same period in 1955, and 3,738 Guardians and Spon-

sors have enrolled, an increase of 11 percent.

Dr. Schwartz and other speakers at the Board meeting emphasized that the present level of campaigning must be greatly increased to meet the crucial challenge with which Israel is faced. They called for planning of additional functions during June, so that the maximum in Israel Bond sales may be realized.

Key events already scheduled during June include a dinner in Indianapolis on June 3; Trenton on June

Abraham Feinberg will be guest speaker, and Louis Berry, noted communal leader, will be Chairman.

Mr. Cohn is a Director on the Board of the Hebrew Free Loan Association and United Hebrew Schools, Secretary of Sinai Hospital, and 1956 Chairman of the Professional Division of the Allied Jewish Campaign.

Mourn Death of Louis Calhern, Noted Actor

In the passing of Louis Calhern, the world has lost an outstanding artist and a man of profound sympathy for

the development of the State of Israel.

In spite of the demands of a highly successful career, he found time to appear on many occasions in behalf of the Israel Bond drive, contributing in large measure to the mobilization of unprecedented resources at important Bond events on the West Coast and at the annual Chanukah Festivals in Madison Square Garden in New York. During the most recent Festival, he starred in two performances in New York and one in Chicago.

A man of noble spirit, his sympathy and warm humanity were frequently manifested in his devoted work for Israel.

MESSAGE BY CHIEF RABBI HERZOG STRESSES HIGH HOLIDAY EFFORT

Plans for the Bond High Holiday campaign received added impetus this week, with the release in Jerusalem of a special message from Chief Rabbi Isaac Halevi Herzog addressed to the American Jewish community. The Chief Rabbi termed the Israel Bond Issue "an instrument of vital importance in the process of national redemption," and urged that his call for the sale of these Bonds in synagogues during the Rosh Hashonah and Yom Kippur services "meet a warm response in the hearts of all those whom it reaches."

Adolf L. Hamburger of Baltimore is Chairman of the Israel Bond High Holiday campaign. Activities for the High Holiday drive this year have already been initiated at a series of meetings throughout the country at which Mr. Hamburger has appeared.

The text of Chief Rabbi Herzog's message is as follows: ה"ב

should like to commend to all Israel the appeal for the State of Israel Development Bond Issue. This is an instrument of vital importance in the process of national redemption.

"This period in which Israel finds itself today is a difficult one. Enemies surround us on all sides and are constantly striving to wreck the structure which is being built for all Jews under Divine guidance in this country.

"This is, however, not the first time in Jewish history that men of evil strive to destroy that which is good for mankind and acceptable to the Creator. The command of the hour must be to rally to Israel's side.

"Specifically, it is vital that our brothers abroad share in building and strengthening the farms and factories of our young State. This will be the reply of the Sons of Abraham to men of evil design.

"I pray that my call on behalf of State of Israel Bonds will meet a warm response in the hearts of all those whom it reaches, so that we may be blessed with a full redemption speedily and in our day."

Sparking the historic dinner were the three dynamic leaders of the area's Israel Bond drive for the past two years, Abraham Hamelsky and Harry Kroll, General Chairmen, and Louis Rockoff, member of the National Board of Governors.

Mr. Hamelsky enrolled as a Trustee, as did Abraham S. Schwartz, Chairman of the South River Committee.

Host Congregation Makes Purchase

Highland Park Conservative Temple, host congregation for the dinner, made a \$27,000 Building Fund purchase, bringing its two-year total to \$52,000. Congregation Ahavas Achim and the Sisterhood of Temple Anshe Emeth announced Building Fund subscriptions of \$5,000 and \$1,000 respectively.

MASSACHUSETTS CITIES PLAN BOND EVENTS IN JUNE

Franklin D. Roosevelt, Jr., will be the key speaker at two Mobilization Dinners for Israel in Massachusetts, appearing in Haverhill on June 7 and in Lawrence on June 13.

The Board of Directors of Temple Emanu-El in Haverhill has sparked the campaign there by voting a \$13,000 Bond purchase from its Building Fund. William Cohen is President of the Temple. The Haverhill drive, which is being led by Vinson Grad, is expected to bring the Merrimac Valley city its greatest total of Israel Bond sales since 1951. Working with Mr. Grad are Louis Kleven, Chairman of the Roosevelt Reception Committee, and Harry Brown, Dinner Chairman. Abraham Merker, Haverhill Co-Chairman, was the host on May 24 to a group of community leaders who met with Max Varon, Consul of Israel, to discuss the role of Bonds in Israel's economic strengthening.

In advance of the Lawrence dinner on June 13th, activity is being spurred by an advisory executive committee of eight Jewish leaders who are working for extensive Israel Bond sales on both an organizational and person-to-person basis. The committee members are David Averbach, Hyman Axelrod, Hyman Golden, Abraham Rappaport, Rabbi Joseph Rudavsky, Benjamin Russem, Max Warshaw and Rabbi Norman Twersky.

The meeting took place during Dr. Schwartz's recent visit to Dallas.

MOBILIZATION OF SPONSORS TO BE STEPPED UP IN JUNE

In response to Israel's acute needs, American Jewish women are being mobilized immediately to make the month of June the most productive Bond-selling period in Women's Division history. Emphasis in all cases is to be on Sponsor enrollment and re-enrollment for 1956. Plans for the mobilization were mapped by more than fifty national and local women leaders who took part in an all-day emergency conference in New York on May 21, the day after the Board of Governors meeting.

Will Intensify Drive

The springboard for action was a report on the Board's decisions and plans for intensifying the campaign, which was given by Mrs. Michael A. Stavitsky, National Women's Division Chairman, who was presiding officer. Leaders representing almost every major national organization joined Bond leaders from several communities and members of the National Planning Board of the Women's Division in mapping prompt action.

A message on the urgent need for stepping up the campaign was given by Mrs. Alfred M. Karlin, National Chen Chairman, who has just returned from an intensive study tour of Israel. She reported that women who have reached the \$30,000 level in individual sales are now working toward the \$100,000 level to attain the Woman of Valor award. Other national officers who put forward campaign plans were Mrs. Alexander Simson, Sponsor Chairman, and Avis Shulman, Chairman of Speakers and Information. Mrs. Israel Goldstein, Women's Division Chairman for Greater New York, also spoke on her recent trip to Israel.

Major Organizations Represented

The National Israel Bond Chairmen of major organizations who took part in the meeting included Mrs. Jacob Weisberg, National Women's League of the United Synagogue of America; Mrs. A. Dewey Stahl, ORT; Mrs. Jacob Yanoff, B'nai B'rith; Mrs. Alexander Kahn, Pioneer Women; Mrs. Samuel Caplan, American Jewish Congress, and Mrs. Abraham Eisenstat, Co-Chairman, Mizrahi Women. Mrs. Benjamin Gottesman, National Treasurer of Hadassah, also participated.

INTENSIFYING EMERGENCY DRIVE. National officers of the Women's Division are shown with national organizational leaders with whom they met on May 21 to map plans for immediate intensification of the Bond drive. Women's Division officers include (seated, left to right) Mrs. Alfred M. Karlin, Chen Chairman; Avis Shulman, Chairman of Speakers and Information, and Mrs. Michael A. Stavitsky, Women's Division Chairman. With them are (standing, left to right) Mrs. Alexander Simson, National Sponsor Chairman; Mrs. Abraham Eisenstat, Co-Chairman of Bonds, Mizrahi Women; Mrs. Jacob Weisberg, Israel Affairs Chairman, National Women's League of the United Synagogue of America; Mrs. Jacob Yanoff, Bond Chairman, Women's Council, B'nai B'rith; Mrs. Benjamin Gottesman, National Treasurer of Hadassah; Mrs. Samuel Caplan, Bond Chairman, American Jewish Congress; Mrs. A. Dewey Stahl, Bond Chairman, ORT, and Mrs. Alexander Kahn, Bond Chairman, Pioneer Women. They were among fifty Israel Bond and organization leaders who took part in the mobilization meeting.

WOMEN SCHEDULE KEY CAMPAIGN EVENTS

Sparked by the May 21 planning meeting of National Women's Division leadership, significant Bond events for women will take place in many communities by the end of June.

On May 28, there will be a Sponsors Tea in Philadelphia, one of several functions in advance of the Israel Fashion Show there on June 4. On May 29, according to Mrs. Anna Raginsky, Chairman of the Montreal Women's Division, there will be an important Sponsors Tea; Chairman of Sponsors in Montreal is Mrs. Philip Joseph.

Other Communities Active

In Milwaukee, under the leadership of Miss Goldie Sosoff, Women's Division Chairman, there will be a Sponsors Luncheon on June 5 at the home of Mrs. Rudolph Kuper. In advance there will be a May 31 Tea at which the speaker is Mrs. Meyer Gold, Chicago Chairman, who has just returned from Israel as a member of the leadership tour. The Operalogue will be staged in Rochester on June 13, and on June 26 the Pittsburgh Women's Division will hold a Sponsors Dinner Dance. San Francisco will hold a Garden Party on June 10, announces Mrs. Jacob Abers, Chairman.

Bond delegation members who have already appeared in their home communities and elsewhere since their re-

turn from Israel are Mrs. Meyer Gold; Mrs. Alfred M. Karlin, National Chen Chairman; Mrs. Sidney Munter, Pittsburgh Chairman; Mrs. Harry Kaplan, Chen Chairman for Lowell, Mass., and Mrs. Louis E. Levinthal, Philadelphia. Community appearances are now being arranged for Mrs. Samuel Sakrais, Greater Miami Chen Chairman, and other tour delegates.

Sponsor events have been held recently in a number of communities. Seventeen of the Houston women who

MRS. GOLD

attended a recent Sponsors Tea at the home of Dr. Helen Schaffer enrolled as Sponsors, bringing total sales for the function to \$31,000. The recent Wilmington Operalogue brought in more than \$20,000.

The Israel Fashion Show schedule includes Cincinnati on May 27, Philadelphia on June 4, Boston on June 12, and Detroit on June 19. The Show will be held in Minneapolis on August 23, and will visit San Francisco, Cleveland, Paterson and other cities in the Fall. Mrs. Charles Milan, Detroit Chairman, reports that their Fashion Show Chairman is Mrs. David Schachter, Executive Vice-President of Detroit Hadassah; Sponsor Chairman for the community is Mrs. Philip Helfman.

KEY TRADE UNIONS SCHEDULE OUTSTANDING EVENTS FOR BONDS

With unprecedented enthusiasm, trade unions are participating in an intensified Israel Bond campaign in the Greater New York area to provide investment capital for the Jewish State. Outstanding trade union leaders, recognizing the significance of Israel and the importance of its survival as a democracy in the Middle East, are playing a major role in urging their members to invest in Israel Bonds.

Will Honor Earl W. Jimerson

One of the most intensive drives for Israel Bonds in the history of trade unionism will be held in the Meat, Fur and Leather Industries, with a testimonial dinner to honor Earl W. Jimerson, International President of the Amalgamated Meat Cutters and Butcher Workmen of North America. The dinner, to be held in the Fall, will culminate a drive which will feature the participation of outstanding spokesmen of the labor movement. Max Block, a member of the National Executive Board of the Meat Cutters Union, has been named General Chairman. Patrick E. Gorman, its national Secretary-Treasurer, is Honorary Chairman. George Lederman, Chairman of the Greater New York Trade Union Division of Israel Bonds and Manager of the Schochtim Locals 370 and 491, is Divisional Chairman.

SHIPBOARD LUNCHEON HIGHLIGHTS N. Y. EFFORT

A special city-wide campaign by women in Greater New York is being launched at a May 28 shipboard luncheon for Sponsors on the S. S. Israel. Special guests at the luncheon include Semah C. Hyman, Consul General of Israel, and Mrs. Hyman; Mrs. Paul Muni, and Commander Mordechai Limon of the Israel Navy.

The event formally opens an intensive drive by the Greater New York Women's Division throughout the metropolitan area to enroll new Sponsors and enlist new members of Chen during the coming weeks as part of the intensive "Security Month" program.

A major high point of the women's campaign will be a gala musical and dramatic tribute to Rebecca Shulman, National President of Hadassah, to be held on September 25 at Carnegie Hall. The drive in honor of Mrs. Shulman is being headed by Mrs. Charles Braverman, Chairman of Sponsors of Greater New York. Mrs. Alexander L. Simson, National Bond Chairman of Hadassah and National Sponsor Chairman for Israel Bonds, is arranging the program for the Carnegie Hall event, which will present prominent American and Israel government leaders and top artists of the world of music and drama. Admission will be based upon purchase of State of Israel Development Bonds.

EDWARD G. ROBINSON SPARKS TOP NEW JERSEY BOND FETE

\$11,154,150 STARTS '56 BOND DRIVE

Enthusiastic Conference Opens Campaign for \$75,000,000

American and Israeli Leaders Stress Urgency of Crisis

Inspired by a keen awareness of the serious defense crisis confronting Israel, delegates to the 1956 Inaugural Conference for Israel Bonds at Miami Beach registered a record pre-campaign total of \$11,154,150 in cash sales and commitments since the beginning of the year.

More than 900 key leaders from communities throughout the United States and Canada participated in the Conference on February 4th and 5th, which marked the official launching of the drive to raise \$75,000,000 during 1956.

The gravity of the present situation was presented to the delegates by Dr. Joseph Burg, Israel's Minister of Posts, and David Horowitz, Governor of the Central Bank of Israel. Cables from President Itzhak Ben-Zvi and Finance Minister Levi Eshkol underlined the need for greater Bond funds.

An important highlight of the Conference was the reading of a letter

from Adlai E. Stevenson. Addressed to Abraham Feinberg, President of the Israel Bond Organization, the letter called for a program to maintain peace in the Middle East, the first step of which "should be to restore an equitable balance of armed strength."

In a stirring response to Israel's call for investment capital, delegate after delegate arose to announce renewals as Trustees, Guardians and Sponsors, and to pledge an intensified community effort to help exceed the 1956 goal of \$75,000,000. Before the Conference ended, Morris W. Berinstein, National Campaign Chairman, was

able to report the enrollment of 260 Trustees, 2,845 Guardians and 1,101 Sponsors for 1956.

The formal opening of the Conference took place at a dinner Saturday evening, with Mr. Feinberg presiding. The delegates were welcomed to Miami by local Bond Chairman Jacob Sher. In a moving address at the dinner, Dr. Burg told the delegates that "the people of Israel must be prepared to face whatever the future may bring. We in Israel strongly hope," he said, "that a strong economy will deter any enemy from undertaking a risky adventure by attacking our country."

Leon H. Keyserling, noted economist and former Chairman of the President's Council of Economic Advisers, stressed that "the Israel Bond program is both an act of material force on freedom's side and an act of moral example." He referred to

STRESS BOND IMPORTANCE. Emphasis at the Conference was placed on the role of Israel Bonds in Israel's economic development by Dr. Joseph Burg, Israel's Minister of Posts (left) and Bond President Abraham Feinberg.

SPEAKERS AT CONFERENCE SESSION. Shown at the dais during one of the sessions of the Inaugural Conference are David Horowitz (left), Governor of Israel's Central Bank, and Morris W. Berinstein, National Campaign Chairman.

OUTSTANDING LEADERSHIP was given by Dr. Abba Hillel Silver (right), Chairman of the Board of Governors, and Dr. Joseph J. Schwartz, Vice President. Dr. Silver is shown receiving his Trustee pin for 1956.

MIAMI CHAIRMAN CONFIDENT. Jacob Sher, Bond Chairman for the Greater Miami area, tells National Campaign Chairman Morris W. Berinstein (left) and Bond President Abraham Feinberg (right) that his community is prepared to exceed all previous achievements in the Israel Bond drive in 1956. Mr. Sher welcomed the delegates to Miami.

AMONG THE LEADING CONFERENCE PARTICIPANTS were (left to right) Joseph H. Hoodin, Cincinnati, member of the National Executive Committee; Morris R. DeWoskin, Chairman of Chicago's Bond drive; Mrs. Alexander Simson, National Chairman of Sponsors, and D. Lou Harris, Israel Bond Chairman for Canada.

the Bond program as "but one manifestation—though a profoundly important one—of placing on the scales of freedom some reasonable portion of the massive strength for freedom which we in the United States so predominantly enjoy."

In an inspiring address at Saturday evening's session, Dr. Abba Hillel Silver, Chairman of the Board of Governors of the Israel Bond Organization, emphasized that it is the obligation "of all those who love justice and freedom, and who believe that the establishment of the State of Israel was one of the most significant and heartening moral achievements of this century, to provide the wherewithal to carry on its industrial, agricultural and social development."

"Israel Will Continue to Grow"

Referring to the opposition which Israel has encountered on the part of the Arab states, as well as some forces in Great Britain and the United States, Dr. Silver said: "I am strongly of the belief that the State of Israel, which is soon to celebrate its eighth anniversary, will, in spite of all these continuing oppositions and conspiracies, continue to grow and prosper."

Concrete discussions of campaign plans, geared to Israel's increased requirements, marked the Sunday morning session, at which Dr. Joseph J. Schwartz, Vice President, presided. Representatives of one city after another pledged their communities to an unprecedented mobilization of Israel Bond dollars.

The tone of the session was set by Mr. Berinstein, who called for "the

formulation of a program for united action to double the results of 1955."

"The total of \$11,154,150 represents an extraordinarily encouraging beginning for our 1956 drive," Mr. Berinstein said. "We are confident that the \$75,000,000 quota will be achieved if we maintain the spirit and level of this initial response."

Mrs. Michael A. Stavitsky, National Chairman of the Women's Division, reported that the division had undertaken a goal of \$18,500,000 for 1956.

Participants in the Sunday morning discussion, who helped to lay the basis for an outstanding result for Bonds in 1956, were the following campaign leaders: Henry Benson of Montreal; Mark Boyar of Los Angeles; Morris R. DeWoskin of Chicago; Jack Fishman of Miami Beach; Murray J. Fox of Astoria, Long Island; Joseph

Free of Milwaukee; Julius Ginsburg of Chicago; Mrs. J. Barney Goldhar of Toronto; Frank Grossman of Milwaukee; Adolf Hamburger of Baltimore; D. Lou Harris of Toronto; Joseph H. Hoodin of Cincinnati; Morris Horn of New York City; Nathan S. Jacobson of Baltimore; Louis Kasen of Newark; Abe S. Kay of Washington, D.C.; Irving Low of North Hudson, N. J.; Morris Pollin of Washington; Jacob Rifkin of Wilkes-Barre, and Mrs. William J. Talcoff of Boston.

The Conference concluded with a luncheon session Sunday, at which Dr. Silver presided. David Horowitz, Governor of the Central Bank of Israel, warned that "at any moment we may become the object of ruthless and reckless aggression."

In the concluding address of the

"To Restore an Equitable Balance . . ." Stevenson's Letter to Conference

Dear Mr. Feinberg:

Since 1947 when I served as a member of the United States Delegation to the United Nations General Assembly which established the partition of Palestine and through that act the State of Israel, I have been firm in my belief that it is right and just that Israel should exist and prosper. Bonds that provide economic strength are an important means toward that end. I once rose as high as Honorary Chairman of the Israel Bond campaign in Illinois, and I have been enormously impressed with the effectiveness of this means of financial assistance. I extend my best wishes for success in your effort this year.

STEVENSON

Important as is this aspect of Israel's drive to survive and become completely viable, at the moment security conditions are primary in everyone's mind. It is my conviction that it is good for the United States and the Western powers and that it is vital for Israel that Arab nations shall be our friends no less than Israel. Arab nations in the Eastern camp can only bring trouble and misfortune for us all. This must be avoided if we are to ever lay the basis for a solid peace in the Middle East. But the acts to avoid such a possibility must not be permitted at the expense of a proved friend of the United States and the West, Israel.

It must be our common purpose to see that aggression and force do not disturb the present boundaries between Israel and her neighbors. Provision should be made for the restraining effect of an equitable balance in military strength during the period of probing for long-term solutions. No one finds comfort in an arms race, but Russia should not be allowed to inflame this area by upsetting a delicate balance which has deterred large-scale military action since 1949.

Immediate acceptance of this view by the West is dictated by the occurrences of recent weeks. Time is thus a great factor. We cannot meet Rus-

sian action in the Middle East with inaction. They deliver the arms of war with extraordinary speed. We must counter just as quickly with a long-term and more constructive program. The first step, as I have said before, should be to restore an equitable balance of armed strength which will restrain aggressive military action from either side. Then the other steps, economic aid, long-term security and peace, will have a chance.

Sincerely,

Adlai E. Stevenson

"We Dare Not Lose One Day . . ." Message from Finance Minister

The great success of the Israel Bond sales in 1955 has been a signal of encouragement to the people and government here. Yet we must always be fully aware of the painful developments on the political and military scene in the Middle East. The dangerous tilting of arms

purchase in our disfavor increases the imminence of untoward occurrences in this area. Our neighbors who are unfortunately our enemies neglect the progress and well-being of their people in order to purchase sizeable amounts of arms which Iron Curtain countries are very eager to supply. We have no choice but to arm for defense,

Once again as in the brilliant days of Ezra and Nehemia the people of Israel stand with one hand on the sword and the other on the plow. Courage, determination and supreme devotion will be and are our reply to the totalitarian threats. But bare hands will be no deterrent to jets, heavy tanks and artillery. We must radically strengthen our defense potential. The people of Israel are rising to the occasion. Their spontaneous and voluntary contributions for defensive arms should be a great inspiration to all of us. While we divert our slender resources to defense we call upon you to play your full part in order to advance the economic strength of Israel

THE FIRST WOMAN OF VALOR PIN is awarded to Mrs. Eleanor Roosevelt by Mrs. Michael A. Stavitsky, National Women's Division Chairman, in recognition of her outstanding leadership in the cause of the development of Israel.

which is a prime necessity in the continuous struggle against our enemies. Development Bond sales will strengthen our hand on the plow, the miner's drill and the builder's hammer. We dare not lose one day of our struggle for development and economic self-sufficiency.

On the strength of your recent successes we believe that the \$75,000,000 goal is attainable in 1956. It is up to you to act and act swiftly, as time is a factor of vital importance. Your deliberations and the resultant efforts will be closely followed by Israel in the hope that they will succeed. Fate does not permit otherwise. Our warmest greetings and blessings to you all.

LAUNCH 1956 DRIVE

(Continued from Page 2)

Conference, Mr. Feinberg described Israel Bonds as "the most significant element of the economic core of the country." He pointed to the "exciting and exhilarating record of achievement made possible in Israel as a result of the Bond drive . . ."

"The provocative effect of a productively weak Israel is not at all difficult to calculate," he said. "It is and would be the most enticing stimulus to Arab attack. On the other hand, the deterrent effect of a strong, productive Israel is incalculable."

At an impressive special ceremony at the Sunday luncheon, Dr. Schwartz inducted 1956 members of the Trustees of the Guardians of Israel.

Mrs. Roosevelt Sparks Launching of 1956 Women's Bond Drive

Roused to action by Israel's pressing economic needs and by the stirring words of their guest of honor, Mrs. Eleanor Roosevelt, more than 650 American and Canadian women who took part in the Sabbath Luncheon at the Inaugural Conference purchased an added \$200,000 worth of Israel Bonds.

Enroll New Trustees, Sponsors

Between January 1 and February 5, the closing date of the Conference, thirty-six women had enrolled as Trustees and 1,101 as National Sponsors. Mrs. Abe S. Kay of Washington, D.C., was among those who enrolled as double Trustees, and many became double Sponsors. In addition, Chen sales mounted rapidly. Several women, as a result of their pre-Conference efforts, were nearing the \$100,000 mark, and will soon be eligible to receive the newly-created Woman of Valor award.

Mrs. Roosevelt received the first Woman of Valor award for her outstanding service to Israel.

The concept of the Woman of Valor is based on a quotation from the Book of Proverbs: "Who can find a Woman of Valor, for her price is far above rubies." The gold Woman of Valor pin is composed of laurel wreaths across which lies a sword, its hilt encrusted with rubies.

Hold "Tree of Life" Ceremony

Immediately after Mrs. Roosevelt's address, the delegates participated in a memorable ceremony which was one of the highlights of the entire Conference—the hanging of leaves, representing Bond purchases, on a gold-colored Tree of Life. Avis Shul-

man, National Chairman of Speakers and Information, urged potential investors to ensure Israel's flowering by pinning their leaves on the Tree.

After the 1956 Trustees and Sponsors had come forward, Community Chairmen placed specially-colored leaves on the Tree. These leaders included Mrs. Charles Milan, Detroit Chairman, who has already pledged her own Trusteeship for 1957 as well as 1956; Mrs. William J. Talcoff, Boston Chairman, an indefatigable worker on behalf of Bonds; Mrs. Solomon Rogers, Baltimore's new Chairman, and Mrs. Stanley Slotkin, Los Angeles

THE TREE OF LIFE, on which American and Canadian women hung leaves representing their 1956 Bond purchases, provides a background for leaders of the National Women's Division: Avis Shulman, Chairman of Speakers and Information, Mrs. Michael A. Stavitsky, Chairman, and Mrs. Alexander Simson, Chairman of Sponsors. All three were among the speakers at the Sabbath Luncheon.

Women's Division. Essex County, New Jersey, was represented by its Women's Chairman, Mrs. Sol Kassan.

The invocation was delivered by Mrs. J. Barney Goldhar of Toronto, who is Sponsor Chairman for Canada and one of her country's foremost Bond leaders. Mrs. Anna Brenner Meyers, the renowned lawyer and communal leader who has just become Chairman of the Greater Miami Women's Division, welcomed the delegates to her city.

Mrs. Stavitsky set before the women the \$18,500,000 goal that has been adopted for 1956, underlining the

need for a minimum of 100 women Trustees and 10,000 Sponsors.

Mrs. Alexander Simson of New York, National Sponsor Chairman, stressed the decisive role of TSC (Trustees, Sponsors, Chen) of the Women's Division as a force for the upbuilding of Israel's economy.

Mrs. Stavitsky expressed the gratitude of the Women's Division to those leaders who came to Miami well in advance of the Conference for the express purpose of working to ensure the success of the pre-Conference sessions and the Luncheon itself. These included Mrs. Louis Samuels, Chairman of the Board of Governors of the Baltimore Women's Division; Mrs. Lewis Goldberg, a National Vice-Chairman of the Women's Division and Chairman of the New England Region Women's Division; Mrs. Talcoff and Mrs. Goldhar.

Mrs. Alfred M. Karlin, National Chen Chairman, was prevented by family illness from attending the Conference.

MRS. ANNA BRENNER MEYERS, Women's Division Chairman of Greater Miami and the dean of women lawyers in the South, places her purchase leaf on the Tree of Life.

MRS. ISAAC TAYLOR of Baltimore, one of the first 1956 Trustees, admires Mrs. Roosevelt's Woman of Valor pin.

CHICAGOANS PLEDGE UNPRECEDENTED EFFORT IN 1956. The Chicago delegation to the Conference told David Horowitz, Governor of the Central Bank of Israel, and officers of the Israel Bond Organization that they were aiming for a goal in 1956 which would greatly surpass last year's total. Meeting at the Miami Beach home of Col. Jacob Arvey, Honorary Chairman of the Chicago Bond Committee, the delegation mapped detailed campaign plans. Shown (left to right) are Julius Ginsburg, National Chairman for Organizations of the Bond drive; Morris R. DeWoskin, Chicago Bond Chairman; Morris W. Berinstein; Col. Schwartz.

INTENSIFIED HIGH HOLIDAY BOND EFFORT PLANNED

Preparations for an intensified High Holiday Israel Bond effort this year were initiated at a meeting held in Miami Beach shortly before the Inaugural Conference. The meeting, which was held under the chairmanship of Adolf L. Hamburger of Baltimore, National Chairman for High Holidays, has laid the groundwork for unprecedented results in the synagogue effort which will mark the opening of the year 5717.

Mr. Hamburger will be in Boston on February 17 for a New England regional meeting on High Holiday plans. Rabbi Nathan Drazin of Baltimore, who is working closely with Mr. Hamburger in this effort, is assisting in the preparation of an effective High Holiday program. Mr. Hamburger has scheduled a series of meetings between now and March 1, one with leaders from Newark, one with those from other New Jersey communities, and a third with representatives of a number of Middle Atlantic states.

MAINE JEWRY TO SALUTE PHILIP W. LOWN ON MAR. 20

The Jewish community of Maine's Lewiston-Auburn area will turn out in record numbers on Tuesday evening, March 20, to pay tribute to Philip W. Lown, Chairman of the State of Maine Committee for Israel Bonds, at a testimonial dinner in his honor.

The dinner, which is being tendered Mr. Lown for "his dedicated service to the cause of Israel's economic welfare" will feature a major address by Israel Ambassador Abba Eban. Nickolas J. Grossman, Lewiston-Auburn Chairman for Bonds, will preside.

P. W. LOWN

President of several of the nation's leading shoe manufacturing companies, Mr. Lown has been active in Jewish communal affairs for more than four decades. He is President of the Lewiston-Auburn Jewish Federation, of Beth Jacob Synagogue, and of Camp Lown, which he founded for underprivileged children.

Associated with the Israel Bond drive since its inception, Mr. Lown is a member of the National Board of Governors. He is also State Chairman of the United Jewish Appeal and a member of its National Cabinet. In addition, he is a member of the Board of the American Association for Jewish Education, and of the Jewish Publication Society of America.

ENGROSSED IN LIVELY DISCUSSION on ways to meet and better the \$75,000,000 Israel Bond goal for 1956, Robert B. Stolkin of Indianapolis, State Chairman of Indiana (left) and Frank Grossman of Milwaukee (right) find Abraham Feinberg a ready listener at the Miami Conference.

BURG, HOROWITZ STRESS BOND ROLE

Stressing the integral part played by State of Israel Bond investments in bolstering Israel's economy, and indirectly her defense and security efforts, Dr. Joseph Burg, Minister of Posts of the State of Israel, and David Horowitz, Governor of the Central Bank of Israel, urged greater response to the campaign at this time of national emergency.

"Israel's confidence in the future is based on three factors," Dr. Burg told the Conference delegates. "These are, first, the determination of her people to keep their land strong and independent; second, the economic help which is being provided through Israel Bonds, and third, the sympathy and aid which Israel receives from people of good will all over the world."

In emphasizing the important role of Israel Bonds in building the country and giving it the strength to defend itself, Dr. Burg said: "Israel Bonds have been instrumental in providing employment for hundreds of thousands of newcomers to the State of Israel. Israel Bonds have made possible the development of areas that formerly were desolate."

Mr. Horowitz, Israel's foremost economic expert, declared that "at any moment we may become the object of ruthless and reckless aggression. Economic development is a deterrent of aggression and the backbone of the country's defenses in case of war. Because the cessation of development would mean the greatest moral victory for our enemies, because we cannot tolerate economic disturbance and dislocation, we are engaged in a race against time."

MAPPING NEW ENGLAND'S 1956 BOND DRIVE in a caucus meeting at the Miami Conference were this group of Israel Bond leaders and outstanding communal representatives. Seated (left to right) Mrs. Abraham Chetitz, Roxbury; Max Nigrosh, Boston; Mrs. William J. L. A. TO HONOR ROTHBERG AT DINNER ON FEB. 25

With more than \$500,000 in Israel Bonds already purchased, the Los Angeles community is well on the way to assuring that the Israel Bond testimonial dinner for Samuel Rothberg, former National Campaign Chairman of the Israel Bond drive, will be one of the most memorable achievements for Israel's economic growth.

S. ROTHBERG

The dinner, which has stimulated wide response from all over the nation, will be held on February 25 in the Grand Ballroom of the Beverly Hilton Hotel.

Louis H. Boyar, dynamic Los Angeles Bond Chairman, who is serving as Dinner Chairman, reports that, in

tribute to Mr. Rothberg's many years of dedicated leadership in work for Israel, the level of Bond purchases has exceeded all previous records.

G. Harry Rothberg, Trustee Chairman, has announced that the number of Trustees enrolled in Los Angeles thus far in 1956 now equals the total number of Trustees for 1955. Guardian and Sponsor enrollments are also setting a new pace.

Dear Rabbi Silver:

On Monday evening, June 24, Senator Jacob K. Javits will be honored for his many years of service as an eloquent advocate of freedom and for his staunch support of the State of Israel, now in its sixteenth year of achievement as a responsible and productive member of the family of free nations.

At this event, sponsored by the Fraternal Division of Israel Bonds, Senator Javits will be the recipient of the annual Israel Bond Fraternal Award in recognition of his efforts to make Israel secure and to advance the economy of the State. Israel Bonds, which constitute the central source of investment capital for Israel, have played a key role in the development of that nation's industry, agriculture and natural resources.

The dinner in honor of Senator Javits will be a highlight of the Israel Bond campaign in the year which marks the beginning of the redemption of the Israel Independence Savings Bonds floated in 1951. We would be deeply honored to have you serve as a Sponsor of this dinner. Your participation will enhance the occasion and will reflect the widespread American interest in and sympathetic support of Israel as a democracy of which we can all be proud.

May we hear from you at your earliest opportunity.

Cordially,

Ossip Walinsky

My dear Mr. Walinsky:

Replying to your letter of May 9th, I shall be very happy to serve as a Sponsor for the dinner which you are giving in honor of Senator Jacob K. Javits on Monday evening June 24th.

STATE OF ISRAEL BONDS

DEVELOPMENT ISSUE

On the economic front, much has been achieved, thanks in no small measure to Israel Bonds. Agriculture has been expanding rapidly, industry is developing, natural resources are coming to light, and exports are on the upgrade.

ITZHAK BEN-ZVI
*President,
State of Israel*

I am certain that American Jewry, which has had so large a part in our great enterprise, will not fail us in the future and will stand by us, heart and soul, until our historic task is done. The Israel Bonds you buy make you partners in our life work; increased success of the Israel Bond drive increases the success of our undertaking.

DAVID BEN-GURION
*Prime Minister,
State of Israel*

**I**

What are State of Israel Development Bonds?

State of Israel Development Bonds are a key source of investment capital for the growth and development of Israel. In the period from the beginning of the Israel Bond drive on May 1, 1951 to December 31, 1955, the sum of \$216,595,450 was raised through Israel Bonds to speed Israel on the path to economic independence.

Israel Development Bonds are securities of the State of Israel, sold for United States dollars, with interest and principal payable in United States dollars. Israel Development Bonds are now being sold in twenty-eight countries of North and South America and Western Europe.

**2**

Why are Israel Bonds needed?

The State of Israel needs Israel Bond funds for the development of new industries, the expansion of agricultural production, the building of homes for new immigrants in rural and urban areas, the construction of harbors and railways, and the exploitation of natural resources. Under the impact of Israel Bond investments, Israel, in the past five years, has made historic advances toward economic independence.

Industrial production has increased from \$356,000,000* in 1950 to approximately \$760,000,000 in 1955. Agricultural production has increased from \$98,800,000 in 1950 to approxi-

** These dollar values are based on the official "effective" exchange rates.*

mately \$180,000,000 in 1955. Exports have risen from \$37,000,000 in 1950 to an estimated \$85,000,000 in 1955.

Israel Bonds are opening significant new avenues of development. Fertilizers & Chemicals Ltd. has become Israel's largest industry, and one of the key plants in the Middle East. The Yuval Gad factory, which supplies pipes for Israel's irrigation program, is the largest pre-stressed concrete pipe plant in the world. With the huge pipes made at Yuval Gad, a new pipeline, sixty-six miles long, has been constructed between Tel Aviv and the Negev, and is bringing water from the Yarkon River to 50,000 acres in the northern part of the desert. The capacity of Haifa Harbor has been increased from 1,300,000 to 4,000,000 tons. New crops, such as cotton, tobacco and peanuts, are being grown for the first time in Israel's history. Mineral resources, such as oil, phosphates, copper and iron, as well as the potash of the Dead Sea, are being discovered and exploited.

3

What are the plans for the use of Israel Bond funds in the future?

Sufficient Israel Bond capital will enable Israel to achieve a very high level of economic independence. While the country will undoubtedly have to import certain commodities, such as part of the wheat and meat it requires, for many years, it is hoped that the need to import other products will have vanished within the next seven years. A nation-wide irrigation program, for example, is well under way, and is expected to increase agricultural production to record levels within a very short period. At the same time,

Israel is building up a highly significant export market. She is already exporting cars and refrigerators, phosphates, potash, glass, cement, and a wide variety of other goods which are new to Israel's economy.

4

Why are Israel Bonds of importance to Americans?

Israel Bonds represent a key channel through which Americans can participate in the development of a nation which has proved itself a courageous exponent of democracy, and a firm ally of the United States in a crucial part of the world. The foreign policy of our country calls for assistance to the development of underdeveloped lands, and for aid to the forces of democracy all over the globe.

Americans have purchased more than 800,000 Israel Bonds in recognition of Israel's role as an outpost of the democratic way of life.

What do America's leaders have to say about Israel and Israel Bonds?

President Dwight D. Eisenhower: "The State of Israel is democracy's outpost in the Middle East. Every American who loves liberty must join in the effort to make secure forever the future of this newest member in the family of nations. We pray that a strong Israel and her Arab neighbors will join in the creation of a just and lasting peace which will bring to all an era of prosperity and enlightenment."

Former President Harry S. Truman: "I had faith in Israel when, as President of the United States, I recognized it. I have faith in it now. You are right in giving support to this great new venture in human freedom. I believe that this new State will grow and become a bulwark of freedom. It will take the same kind of courage to bring the new State of Israel to success as was displayed by Israel of old."

Mrs. Franklin D. Roosevelt: "As an enlightened industrial democracy, Israel can wield an influence that can be of inestimable value to the good of our own country, because today democracy needs the kind of showcase Israel provides in the Middle East. There can be little doubt, therefore, of the importance of the impressive aid which Americans have rendered Israel through investments in State of Israel Bonds."

Why is it important to buy Israel Bonds now?

Today, Israel is faced with increased hostility, boycott and blockade on the part of neighboring states. Today, Israel needs economic strength to maintain her security and expand her role as an exponent of freedom in a backward part of the world. Economic aid to Israel today constitutes a decisive source of strength for the forces of democracy.

Israel Development Bonds represent a direct infusion of large-scale investment capital into the economy of Israel. Israel needs such capital more than ever *now*: to meet its present critical problems, to achieve the growth which is essential to its future, to build new industries and agricultural areas for the integration of tens of thousands of new immigrants, and to consolidate the gains already made on the path toward economic self-sufficiency.

An Israel Development Bond purchased *now* will pay interest in human freedom as well as in dollars. For an Israel Bondholder is a partner in the growth and strengthening of a heroic, democratic nation.

Israel's relentless drive for economic independence must be intensified in view of changes in the balance of power within the Middle East. The decisive part played by the Israel Development Bond Issue in this effort has thus acquired new urgency and importance. Every subscription to Israel Development Bonds is translated into a tangible addition to Israel's actual and potential strength. By helping to render Israel impregnable and by demonstrating faith in her future it discourages evil designs and promotes the prospects of constructive peace.
