My dear Abba:

First let me wish you, Virginia, Daniel and Raphael a Happy New Year. ^{שנה טובה ופורה}
Enclosed you will find an interview with you in the Hadoar. I am sure that you have seen it, but I want to make doubly sure your Zionists are talking about your absence from the J. O. Q. convention. Some ask me but I know not what to tell them. Incidentally I too did not attend. The following Sunday you were scheduled to address the Israel Bond Conference in Chicago, but there too your place was missing. If it was because of the presence of the ^{הנשיא} Golda I would not blame you.

The Officers and Past Presidents of the Long Island Zionist Region discussed at a meeting held last Tuesday the undertaking of a special project in Kfar Silver. The Region is very anxious to have you as Guest Speaker at the Region's

AIRMAIL - SPECIAL DELIVERY

Dr. Abba Hillel Silver
The Temple
Cleveland, Ohio

Dear Dr. Silver:

Last night the President of the Long Island Zionist Region has appointed me as Chairman of the Region's 25th Anniversary Celebration. Having failed in my efforts for the 20th Anniversary I am hoping that in honor of our Silver Anniversary you will agree to be the guest speaker at our dinner, tentatively scheduled at the Essex House for Sunday, April 24th. At present any date in March or April is available to us.

You will be happy to learn that the Long Island Zionist Region has adopted the project of the construction of a laboratory at Kfar Silver. I am arranging for a series of parlor meetings to take place prior to the dinner so that we may present you with a substantial check at the time of the dinner.

Fully aware of some of the vain promises and promiscuous statements made to you before, I, therefore, wish to assure you that every dollar raised in connection with this Anniversary Celebration will be applied to Kfar Silver.

Our people of the Region have been thirsting for your appearance for many and many years. I hope and pray that you will find it possible to quench our thirst by gracing us with your presence.

With every good wish to you and your loving family for a very happy and healthful new year, "ub'virkat gemar tov,"
I am

Faithfully yours,

I. Usher Kirshblum

My dear Sol:

Thank you for your kind letter. I have not been well during these last few weeks but I am rapidly recovering. That is why I have had to fore-go quite a number of meetings which I normally would have attended. I am not sure at the present writing whether I will be able to accept the invitation of the Long Island Zionist Region as I am reducing my out of town travel and engagements to the minimum until I feel entirely strong.

With all good wishes for a happy New Year, I remain

Very cordially yours,

ABRA HILLEL SILVER

Dear Dr. Silver:

As I mentioned in our conversation yesterday, the Jersey City Bond Dinner in June, to which the community leadership has asked us to invite you, is the main function for 1960. Your presence at the dinner would unquestionably insure its success and assist in accomplishing our purpose.

Jersey City has very limited hotel facilities, and the choosing of the date for this dinner is consequently restricted to the dates on which the air-conditioned ballroom in the Hotel Plaza is available.

The three dates which are open to us, in the following order of preference as indicated by the community, are:

1. Wednesday - June 22nd
2. Thursday - June 23rd
3. Thursday - June 9th

I trust that after checking your calendar you will find it possible to confirm one of these dates.

With warmest personal regards, I remain

In checking over my calendar, I find of the three dates which you offer only one - Thursday, June ninth, is possible for me. While the week will be a crowded one for me, I shall make every effort to attend and I hope the occasion will be such as to warrant my attending it.

After receiving your note of April 5th, I confirmed to Jersey City the fact that June 9th, is an acceptable date for you. Needless to say, all the principals involved are delighted, and preparations for the dinner are now being carried out.

The function will take place at the Hotel Plaza in Jersey City, on Thursday, June 9th, at 6:30 PM. I will be sending you shortly the necessary air tickets.

Dear Dr. Silver:

You cannot imagine how grateful all of us of the Long Island Zionist Region are to you for your appearance at our Silver Jubilee Dinner. The telephone has not as yet stopped ringing. People have been requesting copies of your speech. You have breathed new life into the Zionist dry bones.

Dr. Silver, we need you more than ever now. You must find more time for us than in the past few years. All that is required of you is to indicate to some of us, younger men, the road upon which we are to trod. Give us your leadership and the hard work you can leave to us.

Will your secretary be good enough to notify me about the expense which you have incurred as a result of your visit to New York.

May I thank you most profusely for having made our Anniversary Dinner a huge success.

Faithfully yours,
