Israel Bonds, Omaha, Nebraska, 1960.

"A people must have the courage to dream . . . In the darkest hour of modern Jewish history, Herzl projected his dream of the Jewish state . . .

"Defiantly it came to life. The Messianic hope of restoration and vindication and ultimate triumph remained unvanquished, unquenched, deathless . . .

"How can you defeat a people that never acknowledges defeat? How can you defeat a dream?"
