It was good seeing you again last weekend, and I was particularly happy to be present at the Z.O.A. dinner honoring you and to hear your deeply stirring speech. Incidentally, I am enclosing a copy of Dr. Schwartz's greetings that night, as you requested.

Cordially,

Dear Dr. Silver,

It has just come to my attention that you will be the principal speaker at the Israel Bond Rally to be held at Bnai Amoona Congregation in St. Louis on the night of Wednesday, November 9th.

At our Board Meeting held this week, it was the unanimous opinion of those present that it would be a tremendous uplift for the cause of Zionism in St. Louis if we could prevail upon you to stay over in St. Louis for a Parlor Meeting the following night to which we would invite about 75 of our most interested leaders.

I know this is an imposition on such a busy man as you, but I do hope you can see your way clear to grace us with your presence on Thursday night November 10th.

most cordially yours,

Marvin B. Seltzer

My dear Mr. Seltzer:

Let me thank you for your kind invitation to stay over for a Parlor Meeting when I visit St. Louis in behalf of Bonds for Israel. I wish I could do so but I must leave the next morning to keep an appointment elsewhere. I am also trying to reduce my lecture commitments to a minimum in order to conserve my health. I shall be very happy to see all your friends at the Israel Bond rally on November 9th.

With warmest regards I remain

Very cordially yours,
