My dear Max:

Mrs. Silver and I are leaving for Europe next Monday. We are flying to Rome. We hope to spend a few weeks in Italy and a few weeks in Israel. We will probably get to Israel toward the end of February or early in March. I am afraid that that will make it impossible for me to attend the rally in Miami but I will make up for it in other ways.

I would appreciate if you would apprise the Bond Organization in Israel of our coming. It took such good care of us the last time we were there. Our first stop will be at Hotel Hassler, Rome. From there our plans are indefinite but I will let the good people in Israel know exactly the time of our arrival.

I trust that you are well. With warmest regards,  
I remain

As ever yours,

*Abba Hillel Silver*

Dr. and Mrs. Abba Hillel Silver

Dr. Silver advises me that Mrs. Silver and he are leaving for Europe February 1st. They plan to spend a few weeks in Italy, and following that, approximately two weeks in Israel, arriving in Israel probably toward the end of February or early in March.

Remembering and appreciating the excellent care you gave them the last time they were there, he asked me to apprise you of their coming. He has made no plans, nor any hotel reservations for his stay in Israel, and desires to place himself in your hands, completely, as previously.

Unfortunately, at the moment of writing, I cannot obtain from him an exact date of arrival in Israel so as to help you make specific hotel reservations. However, I will see Dr. Silver on the date of departure from New York, which is this coming Monday, and will urge him to wire you from Rome, at the very earliest possible moment, his exact time of arrival in Israel, as well as length of stay.

Should you wish to get in touch with him, his first stop will be at the Hotel Hassler in Rome, beginning February 2nd.

I am certain that your reception and arrangements for Dr. Silver will again highlight his visit to Israel.

Regards, and my best to all of you.
