Rabbi Abba Hillel Silver,  
The Temple,  
Cleveland, Ohio.

Dear Rabbi Silver:

On my last trip to Cleveland I interviewed Messrs. Louis Skolnik, Aaron Reznick and Morris Levin, of the Poala Zion group, who are interested to settle on a farm collectively. The committee undoubtedly apprised you of our conference.

They told me that you were interested in their project and that you would like to discuss the matter with me in person. I accordingly tried to get in touch with you on August 13th, while I was in Cleveland, as well as on my return to Cleveland later, but you happened to be out of the City.

I wish to inform you that I expect to be in Cleveland next Monday, September 19th. If you want to see me with reference to the aforementioned matter I shall appreciate it if you would have your Secretary get in touch with me at Attorney Alfred A. Benesch's office in the forenoon of the 19th to make an appointment to meet you any time after 2:00 o'clock that afternoon, wherever it will be more convenient for you.

Very respectfully yours,

*Samson Liph*  
Ass't. Western Manager.
