Harry Markson Named Bond Chairman

UTICA DIRECTOR TO LEAVE IN JANUARY FOR TOP POST WITH JDC REPLACEMENT BEING SOUGHT

By BERNARD SHONINGER

It was with great regret that the Utica Jewish Community learned of the impending departure of our very capable and well liked Executive Director, James Senor. Jim will be leaving us in January, 1958 to accept an important post with the Joint Distribution Committee which will necessitate his going to Teheran, Iran, with his wife and two daughters, Ellen and Dabora.

The Joint Distribution Committee helps guard the health of Jews, both adult, and children, and a great deal of this activity centers around North Africa, and the middle east. Iran is a center of dispensaries and clinics, and the fight against trachoma, tinria, tuberculosis, malnutrition and other dread products of the slums of the east in which these Jews live, forms an important part of JDC's work.

Those of us who have worked closely with Jim in our local Jewish activities feel a mixture of regret at his leaving along with a justifiable pride for him in his having been selected to help carry on the important work of JDC.

Jim Senor came to us in 1952 and in the 5 years that he has been with us, he supervised the scope and work of the Community Council in many ways. Some of the more vital extensions of the Community under his guidance include: establishment of

EBAN CONFERS WITH DULLES; STRESSES DANGER

WASHINGTON, (JTA)—Israel Ambassador Abba Eban today conferred with Secretary of State John Foster Dulles and conveyed to him the views of the Israel Government on the present situation in the Middle East.

Mr. Eban said a central point in his presentation of views to Secretary Dulles was the danger to Israel's security arising from hostility on the part of neighboring states, especially Syria and Egypt which are receiving arms from the Soviet Union as a "vast rate." He emphasized to Mr. Dulles the importance of strengthening all available deterrents to aggression in the Middle East.

Israel Bans Airlift of U.S. Arms to Jordan Over its Territory

JERUSALEM, (JTA)—Israel refused permission for American arms to be flown across Israel air space and delivered to Jordan, it was learned here from informed sources. The request was put to Israel in the form of a feeler, seeking Israel's reaction. That reaction was firm and negative.

Israel is apprehensive about Washington's decision to dump quantities of arms on "pro-Western" Arab states, finding practically no difference in anti-Israel hostility between pro-Western and pro-Soviet Arab states. Both sides indicate an intense desire to use any arms they get against Israel.

Israel also recalls that when Washington first armed Iraq it made a clear distinction between countries neighboring on Israel and other Arab states.

Business Manager Needed

The Jewish Community is in need of a Business Manager. The important duties of this position include handling inquiries for advertising and helping to set up the newspaper's yearly budget. Those interested should contact the Editor-in-Chief, Dr. Arthur Margolis (5-3826) or the Jewish Community Council Office in the Foster Bldg. (3-S2343).

Persons who would like to work on the newspaper in other capacities are also asked to contact the above.

SHONINGER, ZAHN SELECTED VICE-CHAIRMAN

Harry Markson, popular Utica business figure and Jewish Community leader, has been named General Chairman of the Utica Committee for State of Israel Bonds for the 1957 campaign in this area. This has been announced by Mrs. Florence Sitrin, President of the Jewish Community Council, and an active Bond worker and leader in past drives in this city.

Mr. Markson served as Israel Bond Co-Chairman during the 1956 campaign, and has been active in Bond and UJA work for many years. He has been a member of the Board of Trustees of Temple Beth El, and he is a former Chairman of the United Jewish Appeal in this area, constantly serving at the forefront of many civic and religious endeavors for many years and in conjunction with a variety of causes. It was also announced that two Vice-Chairmen have been appointed to serve with Markson in an accelerated Bond program that will stress the need for new housing units in the State of Israel to accommodate close to 120,000 immigrants flocking to her shores from Egypt, Hungary and other lands of oppression and persecution. The Vice-Chairmen are Bernard H. Shoninger and Jerome Zahn, both active in past Israel Bond Drives in Utica, and both having served UJA campaigns in the past.

Bernard H. Shoninger visited the young Jewish State of Israel in April of this year as a member of a National Leadership Tour organized by the Israel Bond Organization. While in Israel, Shoninger met with top Israeli government officials, including Prime Minister David Ben-Gurion, in meetings and discussions concerning the Israel Bond effort and the work being done with Bond dollars. Shoninger is the Treasurer of the Jewish Community Council, and served as Chairman of the 1957 UJA Special Gifts Division. He was in charge of the 1956 Special Gifts Cash Drive for UJA.

Jerome Zahn, 1st Vice-President of the Jewish Community Council and former Treasurer of the Council is the other Vice-President. Zahn has been active in Bond and UJA campaigns for many years, and served as Chairman of General Solicitations for the 1957 UJA Drive in this city, and was Chairman of the UJA Cash Drive in 1956. He serves as Treasurer and member of the Board of Trustees of Temple Emanu-El.

In accepting the General Chairman for the 1957 Utica Israel Bond Drive, Markson pointed out the importance of accelerated Bond sales, and indicated that 30,000 new housing units will be needed in Israel before the end of this year. He said each unit would cost \$3,000, making the total goal for the project \$90,000,000. He added that a new Bond category has been established to cope with the need, saying that any man or woman who purchases \$3,000 worth Bonds becomes a "Builder of Israel" and will receive a special emblem signifying this investment in the Jewish State.

A number of special civic events are being planned for the

The first meeting of the season of the Jewish Community Council Executive Council was held Wednesday, September 11th, and was highlighted by the appearance of Moshe Nacht, legal advisor to Israel's Ministry of Defense, and Mrs. Alexander Brailove, former National Women's Division Chairman of the United Jewish Appeal, who were on the UJA Good Will Tour.

Major business items were a letter of resignation from James Senor, Executive Director (see other story page 1) and approval of a Capital Funds Drive by the Hebrew University to be held in January, 1958. This campaign for \$15,000 was recommended by the Capital Funds Committee under the chairmanship of Harold Hymes following a study during the summer and a meeting with a representative of the University. The campaign will be limited to a select number of prospects and conducted

SOME RANDOM THOUGHTS ON A COUNTRY CLUB

A group of devoted golfers and sports enthusiasts have formed the nucleus of a private country club . . . There is considerable divergence of opinion as to the need or advisability of such an undertaking, but we do not feel that it is in our province to pass on this one way or the other.

There has been, however, much discussion as to the form of membership that shall be employed, some saying that it must be open to all, whereas others seem equally convinced that it must consist of an entirely Jewish membership. Your editors feel that a great deal of consideration must be given to this question by the "founding fathers" of this club before they finalize their action.

We all know the situation that has prevailed for many years here where certain private clubs have held their memberships to limited segments of the community. There are those who feel that it is entirely proper for a private club to restrict its membership; and there are others who believe that any discrimination of a general nature is un-American . . . and out of keeping with a democratic way of life . . .

It is not easy for an editorial group to think along general lines, since any group is but a collection of individuals. Your editors do not propose to give you a set opinion on this subject, but prefer to set forth some principles that may help to guide the founders of the country club in reaching a decision that will (1) tend to launch the venture on a firm and fair course and (2) avoid the possible stigma of having committed the "second wrong, that never made a right."

If we are agreed that discrimination by non-Jews is wrong, then we must agree that discrimination by Jews is equally wrong. The Jewish Community Council is tremendously interested in seeing justice done, not only by its own acts, but also in a counselling way for any of its members either individually or collectively. It is the desire of your editors to ask those interested in the formation of the country club to consider, and consider very carefully the principles they adopt in proceeding in what all hope will be a healthy and happy outlet for their energies . . . Perhaps a stronger and better life for all of us can be achieved by taking a liberal view in matters of discrimination, never forgetting that we Jews are not alone in our exclusion from certain social and athletic activities. We do not believe that there can be boundaries to discrimination. A country club open to all who care to join will surely pose some problems, but they are not insurmountable, and they might be more easily overcome than is now assumed by certain of the founders of the country club. We think the effort should be made.

MORE RANDOM THOUGHTS

While I am in general agreement with my colleagues I feel their approach to a very complex question is much too narrow. To practice the "equality of all mankind" is but to follow the words and teaching of God. Surely few of us feel that we as Jews, who have been persecuted for centuries, should not actively support the cause of racial and religious integration. Because we support and practice the theory of public equality however does not necessarily mean we drop from our private lives every barrier which might possibly arise. It does not mean for example, that we must embrace closely the oppositely radical viewpoint of complete submission of religion in our social life.

If our desire is to remove barriers because of race or religion from purely social organizations then it would be wiser

FUTURE PLANNING FOR UNITED JEWISH APPEAL

The United Jewish Appeal Committee is the fund-raising arm of the Jewish Community. It has the responsibility of raising the necessary monies that make possible our organized communal activities and enables Utica to meet its obligations to the American Jewish scene and brethren overseas.

Despite the fact that we have been successful in fund-raising in recent years, the committee has come to feel that the time span of the campaign has been too long, and the demand on the time and energy of the workers has been too great. It is firmly believed that **changes in the future are necessary if successful campaigning is to be continued.** After serious thought and discussion of the problem, the following recommendations have been made:

(1) Starting with the 1958 Campaign the period from March 18 through April 3 will be a time when all organizations in the area will be invited to devote a part of a regularly scheduled meeting to the United Jewish Appeal. These programs will be interesting, informative and will highlight the needs and purposes of the campaign.

(2) For a period of approximately two weeks, from April 14 through April 24 all local organizations will be requested to **cancel or curtail their regular meetings.** Not only will this free the community calendar of dates which would conflict or interfere with the drive, but would afford to the UJA the opportunity to concentrate its efforts and bring about a swift and successful campaign.

(3) During the two week period during which little if any other activity will occur, a series of 'parlor meetings' will be held, (in fact, one every weekday night).

In order to institute this new approach to UJA campaigning, a series of meetings were held during the month of August to which the Presidents of each of the local organizations were invited. At these well-attended meetings the plan was explained in detail, and the organizations expressed their approval, and it is to be hoped that as the plan evolves, it will become the "fashionable thing to do"—to devote the period right after Pesach to the successful completion of our annual UJA campaign, without which our Jewish activities would have little meaning. A letter asking for official approval from each of our Utica organizations to this plan is now in the hands of each president and it is our earnest hope that 100% of them will do their part to make it a success.

BOOKSHELF
COMPULSION, by Meyer Levin

REVIEWED BY SUE BAUM

On a late summer evening in 1924, two promising young college men, of exceptional brilliance and family prestige, mutilated and acid-scarred the body of a 12-year old boy and then deposited it in a drainpipe.

The details of the crime, the detection of the wrongdoers and the courtroom sequences which ensue represent the story told in *Compulsion* by Meyer Levin.

But if the reader of this column, being unfamiliar with the book, surmises that *Compulsion* is another trite mystery, he is grossly in error.

Mr. Levin employs the names of Judd Steiner and Artie Strauss for his murderers but only as obvious pseudonyms for Leopold and Loeb who in the 1920's, in Chicago, actually committed such a crime, many times referred to as the "crime of the century."

It is a skillful job. The author's background more than helps him to make it so since he was a contemporary of Leopold's and Loeb's while in attendance at the University of Chicago.

The sexual perversions of the boys and the most shocking aspects of the crime itself are deliberately stressed. For those who frown on the use of sensationalism to create a best seller, it should be noted that the serious intention of the author appears not to make a play of these details for such a purpose. They must be present, for without these facts there would be no crime to

if done slowly and with education of both Christian and Jewish groups. Surely such a movement would be commendable if approached cautiously and with logic. It also would probably be wiser to start with adult organizations such as the local lodges of Knights of Pythias, Masons, Biko Cholim etc. rather than a baby such as the Country Club. The Country Club like these other groups is basically a private social organization and the members should be allowed to decide their policy with a minimum of outside pressure.

I, too, favor the concept of social intermixture between Christian and Jew, white and Negro but to plunge wildly into this complex question without much thought and reflection upon the results could do more harm than good for the practice of "equality of mankind."

L. ROMNEY NEW DIRECTOR OF SITRIN HOME

Leonard S. Romney, newly appointed Executive Director of the Charles T. Sitrin Home for the Aged, has undertaken his duties at the Home it was announced by Dr. J. L. Savett, President.

Romney succeeded James Senior, Executive Director of the Jewish Community Council who had been Acting Director of the Home since December 1st.

Romney came to Utica from Bellefaire Home in Cleveland, where he served as Unit Supervisor. The new Executive Director has previously been associated with the Jewish Home for Aged in Miami, was Extension Supervisor of the Greater Miami Community Center and had worked on the staff of the Brockton, Mass. Y.M.H.A. as Director of Youth Activities. He was also associated with the Boston Y.M.C.A. and Alta House, a neighborhood settlement in Cleveland.

A graduate of Syracuse University, Romney received his Master's Degree from the Boston School of Social Work. He recently completed an advance third year program in Social Work at Western Reserve University. The recipient of a certificate for taking part in the Western Reserve Institute for Administrators of Home for Aged, Romney plans to complete his Doctorate Study Program.

Professionally, Romney is affiliated with the National Association of Social Workers, the National Association of Jewish Center Workers and the National Conference of Jewish Communal Service.

He is the author of "A Young Adult Training Program in Miami" and "The Residents of the Home and Golden Agers Plan Together." Romney conducted two research projects, "A Survey of the Golden Age Membership of the Greater Miami Jewish Community Center" and "A Study of Social Relationships in a Golden Age Housing Center." He is a member of the National Research Committee of the National Association of Jewish Center Workers.

His interests in the problems of the older adult are reflected by his previous membership in the Senior Citizens Committee of the Dade County, Fla. Welfare Planning Council and his participation in the 6th South-

relate.

In addition to the account of the murder case, Mr. Levin interestingly probes into the psychological influences and motives which may have led to the crime—the background of the boys which represented the wealthiest of Jewish families; the influence of the home; school; the times themselves.

The book has become a best seller and with reason. Anyone who has yet to read it will find *Compulsion* very worthwhile.

The family of the late Bessie Siegel wish to thank friends and relatives for their kind expressions during her last illness and upon her passing.

NEWS

REGISTRATION FOR CHILDREN'S ACTIVITIES PROGRAM

Monday, September 30th, will be the opening date of the Children's Activities Program at the Jewish Community Center. It is hoped that this year's program will meet with an even greater response than that of last year, which was the most successful program in the history of the Center. As in the past, there will be both club groups, and special interest activities. The club groups will offer an opportunity to youngsters from kindergarten through 6th grade to do their own planning and thinking with the aid of an adult advisor. They will democratically arrive at decisions which they see to completion. The individual youngsters will be helped to accept and share responsibilities. The special interest classes will, in addition, stress the creative skills in their individual areas.

Registration is planned between 2 to 4 P. M. on Sunday, Monday, and Tuesday, Sept. 22, 23, 24. Since last year several groups reached maximum enrollment, it is advisable to enroll as early as possible. Registration will take place at the Jewish Community Center, 1703 Genesee Street. As in the past, there will be no fee for club groups and the registration fee for special interest classes will be \$2.50 for a semester of 10 sessions, to members of the Center.

Mrs. Marcia Sternberg will be advisor to the 1st & 2nd grade girls, and to the 3rd & 4th grade girls. Mrs. Adele Friedenson will lead the kindergarten group, and Mrs. Vivian Workman, the 5th & 6th grade girls. The 1st & 2nd grade boys will be advised by Martin Arlen and the 5th and 6th grade boys by Bruce Minkin.

The special interest classes will be taught by the same staff as last year: Art, Mrs. Reatha Jetter; Ceramics, Mrs. Roz Zimmerman; Dramatics, Mrs. Dolores Freed. The opening meeting date for each of the above groups is listed on this page.

TEENS SET PLEDGE RULES

At a meeting last week of the presidents and representatives of the four teen sororities and fraternities, the groups set up some regulations regarding the pledging of prospective members. The groups decided that all incoming freshmen would receive bids to their groups, and that initial rushing programs for them will be held in late September and early October. The actual pledge period will begin on Tuesday, October 8, for all pledges to all groups.

All of the groups gave their full support to the Inter-Fraternity-Sorority Council, and indicated that the Council would be able to plan many programs during the course of the year. The groups also decided that the Council would handle all grievances regarding the pledging process that any group or individual might have.

BRIDGE AND CERAMICS FOR ADULTS PLANNED

The first two offerings for adults by the Center will get underway immediately after the holidays, in mid-October.

The extremely popular Bridge Class, suspended last year, will again be taught by Bill Wolfe and Dave Gersten. Tentative plans call for the class to start on Wednesday evening, October 23, and continue for ten sessions.

The Ceramics Class, under the direction of Mrs. Reatha Jetter, will also get underway in mid-October. Prospective students should call the Center, indicating the best day for them to attend this group. Mrs. Jetter has won a number of prizes in many different areas of art, including a first prize at this year's State Fair in Syracuse.

Since enrollment in both groups is limited, registrations must be made now at the Center.

Center membership is required for participation in all programs of the Center, including these. The fees for the Bridge Class have been set at \$5 per person and for the Ceramics Class at \$7.00 per person.

Tween Program Starts Soon

Monday evening, September 23, has been set as the opening date of the tween program at the Center. The tween program is a service of the Center to the younger adolescents in our community to help these youngsters develop socially and emotionally through the stage between childhood and adulthood. As in the past, both the Tween Boys and Tween Girls will meet on Monday evenings at 7:30. Advisor to the Tween Girls will be Mrs. Sara Brooks, and Burt Sack will be advisor to the Tween Boys.

Plans are now underway to organize special interest classes for these tween-agers. Courses in chess, fencing, and judo are at present under consideration.

Milt Manning Elected Mr. & Mrs. Club President

A year and a half ago, several couples in conjunction with the Jewish Community Center organized a Mr. & Mrs. Club for the purpose of having natives of Utica, and newcomers to the city get better acquainted. In this, the Club has succeeded in answering an important community need, as its growing membership will testify. An article in a national professional magazine has been written about the group, to help other communities meet similar needs.

On September 11, 1957, the second slate of officers was elected by a group representing over forty couples. The nominating committee, chaired by Arnold and Charlotte Fellman, presented the slate.

Congratulations are due the new group of officers, who will take office as of October 12. Elected are:

President: Sandra and Milton Manning.

Vice-president: Glenda and Stanley Buckman.

Treasurer: Helen & Murray Schmuckler.

Recording Secretary: Shelly and Max Stettner.

Corresponding Secretary: Arlette and Irwin Miller.

Program: Beverly and Norman Feldman.

Hospitality: Adele and Leon Cohen.

Publicity: Nita and Eugene Luxenberg.

Installation Dinner Dance on October 12th.

An installation dinner dance will be held on October 12th at the Club Monarch, promptly at 7:30 P. M. For additional information concerning this affair, call Helen or Murray Schmuckler, 5-5242.

For a season filled with good times contact Alice and Howard Blaustein, 5-5398. Meetings are held on the first Wednesday of each month at the Jewish Community Center at 8:30 P. M. However, due to the holidays, there will be no meeting in October. Monthly social programs on Saturday evenings are also held throughout the year.

HERE WE GO AGAIN

Now that the summer is over and most of us are once again back in school, the youth activities of our Jewish Community are coming back into full swing. Our many organizations are filled with high ambitions of making this year the most successful and eventful one ever experienced.

"Here We Go Again" giving you a glimpse of the activities which have already begun and are in the making. For instance, now that there are two sororities and two fraternities, a common meeting ground could be established in the form of an inter-fraternity sorority council. This council could schedule all events on a calendar, iron out any disputes, sponsor inter-city weekends, and generally take the place of a Youth Council.

We, the editors, hope to keep you, the readers, abreast of situations such as this and to present new and different ideas for your enjoyment.

Nursery School Opens September 30th Parents to Meet September 24th

The Center's Nursery School will open on Monday morning, Sept. 30, with a maximum enrollment. In addition to the 30 children starting on that day, a long waiting list exists.

For the second consecutive year, the school staff, Marian Hoffman, head teacher, Mildred Rokeach and Emily Smith, will greet the children on a special short session schedule. The special schedule will hold for the first two days, making the initial adjustment of the youngsters as smooth as possible.

Mrs. Shirley Daniels, Nursery School committee chairman, has indicated that this year an experiment in parent participation will be undertaken. Each parent is being asked to contribute one morning per month in a voluntary capacity at the school. This program is basically one of first hand parent education, and also answers the school's need for an additional person on hand to help with some of the school load, freeing the teachers for more creative contact with the children. The plan will be fully explained, along with all the other details parents must know before school opens, at a meeting of all parents to be held at the Center on Tuesday, Sept. 24th at 8:30 p. m.

The committee also has indi-

cated that the school could be expanded to include an afternoon session if enough parents are interested. Those on the waiting list have already been contacted, and other interested parents are urged to call the Center if this is in line with their needs. Because of the size of the waiting list and the number of names already on hand for the February '58 semester, parents planning to send children at that time should also contact the Center now.

ORGANIZATIONAL NEWS

Hadassah Kick-off Features Dance

Mrs. Irving Rokeach, president of the local chapter of Hadassah, presided at a "Hadassah Court of Awards" Monday evening, September 16th, when the group met for the first membership session of the season.

The short business meeting was followed by an exciting program featuring Jean and Dick Shapiro who interpreted the modern folk dancing of Israel. This couple met ten years ago at college as members of a folk dance group and have sustained their interest in this art form. They were presented by Mrs. Milton Richards, program chairman. Another highlight of this Israeli art performance was a community song fest.

The local group was recently presented a beautiful candelabra to be on display at Temple Beth-El during this year of tenure. This regional award is presented annually to a chapter in the region for the best series of mimeographed bulletins. Last year's editor, Mrs. Martin Immerman, will be called upon to accept the honor.

The Sept. 16th date was the kick-off for a membership campaign, according to plans being formulated by Chairman Mrs. Saul Harris. She reminds all Hadassah women to invite prospective members as their guests.

"Sound the Great Horn for Our Freedom"

THIS ROSH HASHONAH, as in ancient days, this will be the prayer when Jews gather to greet the New Year. Men in free lands, in our own country and Israel, will say these words as a thanks offering for the liberty they enjoy.

But in grim lands of oppression and danger, wherever Jews dare to utter it, the Rosh Hashonah prayer will come as a cry from the heart.

It will be a cry as well to you. For you must help if the prayer is to come true.

The people of Israel are ready to do their part.

Since Rosh Hashonah last, despite the gravest hardships, they have taken in 10,000 new refugees every month — a great human flood that is pouring out of Egypt, North Africa, and above all, Eastern Europe.

They welcomed all, without stopping to count the cost — because lives were at stake. Nor will they count the cost now — while tens of thousands of lives remain to be saved.

But you must help. Hasten the day of deliverance for those who must leave places of danger and despair for Israel or other free lands.

Help those who cry out for freedom to start a new life in the New Year.

Pay your pledges to the regular UJA and the Emergency Rescue Fund. And if you have not already pledged — do so today.

ly; are re-organization of our United Jewish Appeal Committee, United Jewish Appeal Committee, tee. The Israel Bond Committee has come under the sponsorship of the Community Council, and Rome, Herkimer, Little Falls and other area towns have been integrated into the Mohawk Valley Committee for Israel Affairs.

In the field of fund raising and due in large measure to his untiring efforts, over \$600,000 has put to the use of local and oversea agencies through the United Jewish Appeal, plus nearly \$80,000 in the emergency drives for Israel, and our Jewish Community Center is now here and functioning; thanks to the \$56,000 capital drive that made it possible.

In the present Israel Bond Drive, Jim Senor is acting as City manager and this is an innovation, since Utica is the first city in the U. S. to run its Bond Drive in the manner. The success of this method of selling Israel Bonds is being watched with great interest by the National Bond office, and may well set the pattern for the whole country in the future.

Jim Senor's influence and guidance in our many local agency programs are well-known by all who have worked with him, whether in the Jewish Community Center and development or the obtaining of its building; he has facilitated the expansion of the services of Jewish Social Service and played an important part in the setting up of its Child Guidance Program. The enlargement of the Charles T. Sitrin Home and the improvement in the quality of its services bears evidence of the Senor touch.

The Community will be interested to know something about the work of the JUC with which Jim Senor will be associated.

The American Jewish Joint Distribution Committee is the largest agency of its kind in the world. It is second only to Red Cross in relief and rehabilitation. With an annual budget of \$30 million, it is a major beneficiary of the National United Jewish Appeal.

Jim Senor will be responsible for supervision of about 100 social welfare agencies serving the 100,000-member Jewish Community of Iran. These include clinics for treatment of trachoma and tinnia, homes for aged, summer camps, tuberculosis institutions, maternity and child care centers. Talmud Torahs, vocational training and rehabilitation, feeding programs and distribution of US surplus foods, kindergartens and nurseries. An important part of this job will be training Iranians to operate agencies and utilizing social work techniques and methods found successful in the American Jewish communal scene.

He will also seek to organize a Community organization Project which will aim to have the few educated and wealthy Iran-

MESSAGE FROM JCC PRESIDENT

On the eve of Rosh Hashanah, I am privileged, personally, and on behalf of the officers of the Jewish Community Council, to extend to all of you sincere wishes for a very Happy and Healthy New Year. May the Year 5718 bring peace and happiness to our fellow Jews in Israel and throughout the world, and to all mankind.

The coming year marks the 25th anniversary of the organization of our Community Council. They have been 25 years of progress, marked by the development of a strong, unified Jewish Community, with many services that makes for better and happier living for all of us. In those years, we have also been able to help immeasurably those Jews less fortunate than ourselves, and we have given outstanding assistance to the founding and the growth of the growth of the State of Israel. The Council plans a city-wide celebration of this anniversary, and we hope to highlight it by the long awaited publication of Rabbi S. Joshua Kohn's book "History of the Jews of Utica".

We regret very much that Jim Senor will not be with us this year to help us in our new projects and in the continuation of our year-to-year responsibilities and undertakings. I, myself, had expected his sound guidance and invaluable advice in the many problems of this first year of presidency. Lacking that, I am doubly in need of your cooperation and help. We all agree, I am sure, with T. S. Eliot when he says "What life have you if you have not life together? There is no life that it not in community."

Working together, and with God's help, the coming year can follow the pattern of previous years, with solid achievements locally, and with continued aid to Israel until all crises are passed, and she will be firmly entrenched in the society of nations.

FLORENCE R. SITRIN, President
Jewish Community Council

ian Jews assume financial leadership and policy-making responsibilities for their own community, and eventually enable them to take over so that JUC can retire from Iran.

During Jim Senor's five short years in Utica, he has been a member of the faculty of Utica College of Syracuse University, and has served as guest lecturer at Mohawk Valley Technical Institute.

He is Chairman of the Mohawk Chapter, National Association of Social Workers, Vice-Chairman of Utica Community Ambassador Project, a member of the Board of Directors of the verseas Friendship Center, a member of the Religious School Committee of Temple Emanu-El, and Community organization Consultant to the Greater Utica Co-ordinating Committee.

He was formerly Program Chairman of Temple Emanu-El Brotherhood, Vice-Chairman of Utica association Group Workers, Treasurer of Community Ambassador Project, a member of the Mayor's Committee for Hungarian Refugees, and National Chairman of Small City Executive Directors' Conference.

Jim has spoken before many organizations locally. He is the author of several articles on social work appearing in CONGRESS WEEKLY, JEWISH CENTER WORKER, THE GROUP, and PROGRAM AIDS.

Jim and his wife, Miriam have made their home in Utica at 1927 Holland Avenue. Miriam is an associate member of Munson-Williams-Proctor Institute where she has been studying painting. She is a former pro-

gram chairman of the Council of Jewish Women and a member of its board. She was President of the Jewish Community Center P.T.A. and is a member of the League of Women Voters, as well as a student at Utica College. She is also a staff decorator at J. B. Wells & Sons. Daughters, Ellen and Debbie are students at John F. Hughes School and attend Sunday School at Temple Emanu-El.

The Jewish Community Council is now engaged in interviewing a successor to James Senor, and will consider itself fortunate indeed if it can find a man (and family) that will equal our departing Senors. On their leaving we wish the mail good writer expresses the fervent hope that when their job is done in distant lands, that we may by some stroke of good fortune, possibly have them back here with us once again.

through parlor meetings.

The Council also learned of meetings held during the summer by the United Jewish Appeal Executive Committee and its plans for the 1958 Campaign. Reporting for Dr. Arthur Kaplan, Committee Chairman, Martin Abelow outlined the UJA proposal for a cessation of all community meetings and activities during a two week period in April. The officers of the Jewish Community Council held two meetings with organization presidents in August to seek their cooperation of the plan (see editorial page 2). The Council is now waiting to hear of the results have been asked to take up the requests for cooperation of their organizations at their meetings this month.

Manuel Cominsky Named Chairman of Institutional Funds for Israel Bonds

Manuel Cominsky of this city has been named Chairman of Institutional Funds for the 1957 Israel Bond Drive in this area, according to an announcement made here by Mrs. Florence Sitrin, President of the Jewish Community Council, and Harry Markson, General Chairman of the Utica Committee for State of Israel Bonds. Cominsky will head a special division of the current Bond program and will specialize in sales to institutions, synagogues, cemetery associations and other groups interested in making Treasury or other Sequestered Fund purchases of State of Israel Development Bonds.

Cominsky has long been associated with Israel Bonds and was the recipient of a Testimonial. He served as Chairman of the Israel Bond Drive in 1954 and 1955, and has been Trustee of Israel (a person who buys at least \$10,000 worth of Bonds). He has served as UJA Special Gifts Chairman, and is active on behalf of the Board of Trustees of Temple Emanu-El and House of Israel.

Mr. Cominsky, in accepting the appointment as Chairman of Institutional Funds for the current Israel Bond Drive in this area announced the fact that religious, charitable or educational organizations "exempt from income or similar tax under the Internal Revenue Code of the United States" may purchase State of Israel Development Bonds using funds marked for Building Purposes, with the express provision and guarantee that the Bond may be cashed in on demand when needed for building purposes, and in any event, no later than thirty days after the making of said demand.

This provision, said Mr. Cominsky, is open to institutions and he urged local groups with Treasury Funds earmarked for Building purposes to contact him for complete details concerning this special guarantee. "Thousands of institutions all over America have already taken advantage of this opportunity to invest in Israel", said Mr. Cominsky, who stressed the importance of this project as a means to make Bond dollars available to the Jewish State at

a time when immigrants are swelling her population, and must be integrated into the economy of the country without undue delay.

Information concerning this special provision may be had at the local Israel Bond office in the Jewish Community Council, 212 Foster Building, Phone: 3-2343, or by contacting Mr. Cominsky. All religious and educational institutions, including cemetery associations, are urged to contact Mr. Cominsky or the Bond office as soon as possible, and the facts will be presented to their governing bodies without obligation to purchase at that time.

LAMPL HAS BEEN ESTABLISHED IN THE FEDERATION. THIS FUND TO DATE HAS RECEIVED 88 GIFTS IN THE AMOUNT OF \$7,980. THIS FUND, MR. SALTZMAN CONTINUED, HAS BEEN ANNOUNCED BY LETTER, BUT WITHOUT GENERAL PUBLICITY. HE EXPRESSED THE HOPE THAT FRIENDS OF MR. THE CHAIRMAN EXPRESSED HIS PERSONAL PLEASURE AND OFFERED THE CONGRATULATIONS OF THE BOARD TO MR. SALTZMAN ON THE OCCASION OF HIS RECEIVING A LETTER OF TRIBUTE FROM PRIME MINISTER DAVID BEN-GURION. THE GENEROSITY AND ZEAL OF MR. SALTZMAN, SAID THE PRIME MINISTER, HAS GREATLY CONTRIBUTED TO THE UPBUILDING OF THE STATE OF ISRAEL AND HAS SERVED AS AN INSPIRATION TO OTHERS. MR. ZUCKER COMMENTED THAT HE BELIEVES THIS LETTER TO BE THE FIRST SENT BY THE PRIME MINISTER TO AN AMERICAN WELFARE FUND LEADER.

RELIGIOUS QUESTION IN 1960 CENSUS (EXHIBIT "C")

MR. HERBERT A. ROSENTHAL, CHAIRMAN OF THE COMMUNITY RELATIONS COMMITTEE, INFORMED THE BOARD THAT CONSIDERABLE DIFFERENCE OF OPINION HAS ARISEN NATIONALLY CONCERNING THE ADVISABILITY OF INCLUDING A QUESTION ON RELIGIOUS AFFILIATION IN THE 1960 DECENNIAL CENSUS. THE BUREAU OF THE CENSUS WILL DECIDE THIS CONTROVERSIAL QUESTION BY THE END OF THIS YEAR.

A NUMBER OF CATHOLIC AND PROTESTANT ORGANIZATIONS AND INDIVIDUAL SOCIOLOGISTS HAVE URGED THE INCLUSION OF THIS QUESTION. THE AMERICAN JEWISH COMMITTEE, THE ANTI-DEFAMATION LEAGUE OF B'NAI B'RITH, THE AMERICAN JEWISH CONGRESS, AND THE AMERICAN CIVIL LIBERTIES UNION HAVE ADOPTED POSITIONS OPPOSING SUCH A STEP. MR. ROSENTHAL STATED THAT THE NATIONAL COMMUNITY RELATIONS ADVISORY COUNCIL, WITH WHICH WE ARE AFFILIATED, WILL DECIDE ITS POSITION ON THIS QUESTION ON OCTOBER 20 AND HAS ASKED LOCAL COMMUNITIES FOR THEIR ATTITUDE. THE COMMUNITY RELATIONS COMMITTEE RECOMMENDS APPROVAL OF THE ATTACHED DRAFT STATEMENT (EXHIBIT "C") PREPARED BY THE JOINT ADVISORY COMMITTEE OF THE SYNAGOGUE COUNCIL OF AMERICA AND THE NCRAC, EXPRESSING OPPOSITION TO INCLUSION OF ANY QUESTION ON RELIGIOUS AFFILIATION IN THE 1960 CENSUS, WITH ONE SUGGESTED CHANGE. THE CRC RECOMMENDS THAT PARAGRAPH 1 BE AMENDED TO MAKE CLEAR THAT THE QUESTION IS OBJECTIONABLE EVEN IF IT IS MADE VOLUNTARY.

V MR. ROSENTHAL MOVED ADOPTION OF THE DRAFT STATEMENT, WITH THE SUGGESTED CHANGE,
O INDICATING THAT IF ADOPTED IT WILL BE SENT TO THE NCRAC AS THE OPINION OF THIS
T FEDERATION. THE MOTION WAS SECONDED BY MR. MASCHKE AND THE BOARD VOTED ITS
E UNANIMOUS APPROVAL.

JEWISH CONVALESCENT HOSPITAL CAPITAL PROGRAM

A. SOCIAL AGENCY COMMITTEE RECOMMENDATION (EXHIBIT "D")

MR. FREEDHEIM, CHAIRMAN, PRESENTED A COMPREHENSIVE REPORT FROM THE SOCIAL AGENCY COMMITTEE RELATING TO THE BUILDING PROGRAM OF THE JEWISH CONVALESCENT HOSPITAL (EXHIBIT "D"). ON FEBRUARY 27, 1957, THE BOARD OF TRUSTEES, MR. FREEDHEIM STATED, AUTHORIZED THE JCH TO PLAN FOR A 100-BED NURSING HOME ON THE GROUNDS OF, OR CONTIGUOUS TO, MT. SINAI HOSPITAL. BECAUSE OF MANY UNRESOLVED QUESTIONS, A JOINT COMMITTEE OF NINE, REPRESENTING THE FEDERATION, THE JCH, AND MSH, WAS ORGANIZED TO WORK OUT SPECIFIC PROBLEMS WITH RESPECT TO THE LOCATION AS WELL AS THE RELATIONSHIP BETWEEN THE TWO HOSPITALS.

THE JOINT COMMITTEE OF NINE WAS ULTIMATELY REQUESTED BY THE BOARD ON JUNE 7, 1957, TO WORK OUT DETAILS FOR EITHER:

- A) THE BUILDING OF A 60-BED NON-EXPANDABLE NURSING HOME ON THE ORIGINALLY PROPOSED SITE, NEXT TO MT. SINAI HOSPITAL'S NURSES' RESIDENCE AND THE TEMPLE; OR
- B) THE BUILDING OF A 60-BED NURSING HOME ON THE LARGE MT. SINAI PARKING LOT ON ANSEL ROAD.

THE MSH PLANNING COMMISSION, MR. FREEDHEIM CONTINUED, WAS THEN ASKED TO CONSIDER THE FEASIBILITY OF UTILIZING THE SITE ON ANSEL ROAD ACROSS FROM MSH AND, AFTER DUE CONSIDERATION, PASSED THE FOLLOWING RESOLUTION:

"RESOLVED: (1) THAT MOUNT SINAI HOSPITAL AGAIN AFFIRMS THE DESIRABILITY AND FEASIBILITY OF THE DEVELOPMENT OF A NURSING HOME FACILITY BUILT CONTIGUOUS TO MOUNT SINAI HOSPITAL, (2) THAT IT IS NOT FEASIBLE TO CONSIDER BUILDING THIS FACILITY WITH THE NEXT EIGHTEEN TO TWENTY-FOUR MONTHS WHILE OTHER CONSTRUCTION ACTIVITY IS IN PROGRESS ON MOUNT SINAI HOSPITAL PROPERTIES, (3) THAT IT WILL BE FEASIBLE TO UNDERTAKE SUCH CONSTRUCTION IN EIGHTEEN TO TWENTY-FOUR MONTHS SUBJECT TO THE FOLLOWING TWO CONDITIONS:

- A) COMPLETION OF A STUDY OF LONG RANGE BUILDING PLANS OF THE HOSPITAL, INCLUDING THE POSSIBILITY OF RELATING THE NURSING HOME FACILITY TO OTHER PHYSICALLY SEPARATE BUT RELATED FUNCTIONS, AND
- B) APPROVAL BY THE BOARD OF TRUSTEES OF MOUNT SINAI HOSPITAL OF AGREEMENTS REACHED ON THE PROGRAM AND POLICIES OF THE NURSING HOME FACILITY."

MR. FREEDHEIM REPORTED THAT ON AUGUST 23, 1957, THE EXECUTIVE COMMITTEE OF FEDERATION MET TO CONSIDER THE RECOMMENDATIONS OF THE JOINT COMMITTEE OF NINE AS WELL AS THE RESOLUTION ADOPTED BY THE MSH PLANNING COMMISSION; BY UNANIMOUS VOTE, THE EXECUTIVE COMMITTEE PASSED THE FOLLOWING MOTION:

"THAT IT BE THE SENSE OF THE EXECUTIVE COMMITTEE THAT IT CONTINUES TO FEEL THAT A PROPER SOLUTION TO THE PROBLEM OF A NURSING HOME CAN ONLY BE FOUND THROUGH A FACILITY BUILT CONTIGUOUSLY WITH MT. SINAI HOSPITAL, BUT THAT IN VIEW OF THE DELAY CAUSED BY THE PRESENT MT. SINAI BUILDING PROGRAM, THE JEWISH CONVALESCENT HOSPITAL BE GIVEN AN OPPORTUNITY TO CONSIDER THE PRESENT SITUATION IN THE LIGHT OF ALL RECENT DEVELOPMENTS, AND TO REPORT ITS THINKING AND POSITION TO FEDERATION."

IN THE LIGHT OF THESE DEVELOPMENTS, MR. FREEDHEIM CONTINUED, THE JCH AFTER CONSIDERABLE STUDY IS NOW RECOMMENDING THE BUILDING OF A 100-BED NURSING HOME FACILITY ON ITS ORIGINAL HARVARD ROAD SITE. THE PROGRAM PROJECTED IS LESS INTENSIVE MEDICALLY THAN WAS PLANNED FOR THE FACILITY ADJACENT TO MSH. THIS PROGRAM HAS BEEN REVIEWED BY THE MEDICAL ADVISORY COMMITTEE OF JCH WHICH HAS STATED THAT IT IS POSSIBLE TO DEVELOP A HIGH QUALITY NURSING HOME ON A SITE AWAY FROM MT. SINAI HOSPITAL.

COST ESTIMATES DEVELOPED BY JCH FOR THE PROPOSED 100-BED NURSING HOME FACILITY ARE AS FOLLOWS, MR. FREEDHEIM STATED:

CONSTRUCTION COSTS, INCLUDING LANDSCAPING, ARCHITECTS' FEES, PARKING AREAS, AND CONTINGENCIES	\$1,500,000
FURNISHINGS AND EQUIPMENT	<u>130,000</u>
<u>TOTAL CAPITAL COSTS</u>	<u>\$1,630,000</u>

THE HILL-BURTON GRANT OF \$540,000 FOR THE PROJECT IS STILL BEING EARMARKED, IN SPITE OF THE PROJECTED CHANGE IN LOCATION. THE AVAILABILITY OF THIS MONEY APPEARS TO BE CONTINGENT UPON MT. SINAI'S NOT WITHDRAWING ITS SIGNATURE FROM THE JOINT APPLICATION.

A SUMMARY OF JCH ASSETS IS:

\$540,000	HILL-BURTON GRANT
<u>\$380,000</u>	CASH AND PLEDGES ON HAND (AFTER SHRINKAGE)
<u>\$920,000</u>	<u>TOTAL</u>

APPLYING THESE ASSETS AGAINST A COST OF \$1,630,000, AN ADDITIONAL \$710,000 IS NEEDED TO COMPLETE THE BUILDING PROGRAM. THE FIRST YEAR'S OPERATING DEFICIT IS ESTIMATED AT \$100,000, WHILE CAMPAIGN EXPENSE AND SHRINKAGE IS ESTIMATED AT \$40,000. THEREFORE A CAMPAIGN GOAL OF \$850,000 WILL NEED TO BE PROJECTED.

THESE PROPOSALS, MR. FREEDHEIM WENT ON, WERE REVIEWED BY THE HEALTH COMMITTEE ON SEPTEMBER 18 AND THE SOCIAL AGENCY COMMITTEE ON OCTOBER 1. THEY REAFFIRMED THAT NURSING HOME BEDS OCCUPY THE HIGHEST PRIORITY IN THE HEALTH FIELD TODAY AND THEY DEFINED THE NURSING HOME AS AN INSTITUTION WHERE THE PRIMARY SERVICE IS HIGH QUALITY NURSING CARE UNDER MEDICAL SUPERVISION, AS DISTINGUISHED FROM A CHRONIC DISEASE HOSPITAL WITH INTENSIVE DIAGNOSTIC AND REHABILITATION SERVICES.

SINCE MT. SINAI HOSPITAL CANNOT CONSIDER NEW CONSTRUCTION ON ITS PROPERTY WITHIN THE NEXT EIGHTEEN TO TWENTY-FOUR MONTHS, THE JCH BELIEVES THAT ITS PROGRAM SHOULD GO FORWARD IMMEDIATELY. FURTHER DELAY, IT WAS FELT, WOULD CREATE DIFFICULTIES FOR THE ORGANIZATION, WOULD ENCOURAGE OTHER FEDERATION AGENCIES TO CONSIDER BUILDING NURSING HOME BEDS, AND WOULD PROBABLY CONTRIBUTE TO HIGHER ULTIMATE CONSTRUCTION COSTS.

IN THE LIGHT OF DIVIDED OPINION ON LOCATION, HOWEVER, THE SAC GAVE CONSIDERATION TO A PLAN CALLING FOR A 50-BED FACILITY. THIS WOULD REQUIRE A CAPITAL EXPENDITURE OF APPROXIMATELY \$1,000,000 AND WOULD NECESSITATE A CAMPAIGN FOR ONLY ABOUT \$400,000.

MR. FREEDHEIM POINTED OUT THAT DIFFERENCES OF OPINION EXISTED WITHIN THE SAC, EXPRESSED AS FOLLOWS: (1) THE JCH SHOULD NOT GIVE IN TO EXPEDIENCY AND SHOULD GIVE ITSELF A FEW MORE MONTHS TO DETERMINE DEFINITELY WHETHER THE CONVALESCENT HOSPITAL CAN BE LOCATED ON MT. SINAI'S GROUNDS; (2) BECAUSE OF THE DIVIDED OPINION REGARDING LOCATION, AND BECAUSE OF THE OPINION OF WELFARE FUND LEADERS THAT \$850,000 WOULD PRESENT DIFFICULT FUND-RAISING PROBLEMS IN TODAY'S ECONOMY, A BEGINNING SHOULD BE MADE WITH A 50-BED FACILITY ON HARVARD ROAD, WHICH WOULD TEST OUT A PROGRAM AT SOME DISTANCE FROM MT. SINAI; (3) THE ACUTE NEED FOR NURSING HOME BEDS AND THE UNLIKELIHOOD THAT THE PROJECT CAN GO FORWARD ON MT. SINAI'S GROUNDS IN THE NEAR FUTURE MAKES A 100-BED PROPOSAL PREFERABLE TO OTHER ALTERNATIVES.

A LARGE MAJORITY OF THE COMMITTEE, MR. FREEDHEIM CONCLUDED, AGREED WITH THE THIRD VIEWPOINT. THE SAC THEREFORE RECOMMENDS APPROVAL OF THE JCH'S PLAN TO BUILD A 100-BED NURSING HOME ON ITS HARVARD ROAD PROPERTY, AT A COST OF \$1,630,000 FOR CONSTRUCTION, FEES, CONTINGENCIES, FURNISHINGS AND EQUIPMENT, REQUIRING A CAMPAIGN FOR AN ADDITIONAL \$850,000, SUBJECT TO FINAL APPROVAL OF PROGRAM DETAILS BY THE HEALTH COMMITTEE. MR. FREEDHEIM MOVED THE ADOPTION OF THIS RECOMMENDATION, SECONDED BY MR. GLICKMAN.

B. EXECUTIVE COMMITTEE RECOMMENDATIONS (EXHIBIT "E")

MR. SCHWENGER STATED THAT THE EXECUTIVE COMMITTEE HAD GIVEN CAREFUL CONSIDERATION TO THE PROPOSALS OF THE JCH AND RECOMMENDS THAT THE BOARD OF TRUSTEES AUTHORIZE THE JCH TO BUILD A 50-BED NURSING HOME ON THE HARVARD ROAD SITE OR OTHER SUITABLE LOCATION, TO BE CONSTRUCTED AT MINIMUM COST CONSISTENT WITH THE PROVISION OF NECESSARY FACILITIES AND ECONOMIC OPERATION, ALL OF THIS SUBJECT TO LATER APPROVAL OF THE BUILDING PROGRAM AND THE CAPITAL AND OPERATING BUDGETS BY THE BOARD OF TRUSTEES; AND TO AUTHORIZE THE JCH TO CONDUCT A PUBLIC CAMPAIGN IN NOVEMBER AND DECEMBER, 1957, FOR THE NECESSARY FUNDS. THIS RECOMMENDATION, MR. SCHWENGER STRESSED, WILL INVOLVE A COST OF APPROXIMATELY \$1,000,000 AND A PUBLIC CAMPAIGN OF APPROXIMATELY \$450,000.

A FULL DISCUSSION ON THIS SUBJECT ENSUED. MR. FREILER AND OTHERS OBSERVED THAT THE PRESENT JCH ON HARVARD ROAD NOW HAS 19 BEDS; THE PROPOSALS UNDER CONSIDERATION CALL FOR EITHER AN ADDITIONAL 31 BEDS OR 81 BEDS.

MR. BENESCH ASKED IF THE FACILITIES PRESENTLY OFFERED BY THE BENJAMIN ROSE INSTITUTE AND HIGHLAND VIEW HOSPITAL WERE TAKEN INTO CONSIDERATION. MR. FREEDHEIM REPLIED THAT THOSE FACILITIES ARE PRIMARILY FOR PATIENTS DESCRIBED AS CHRONICALLY ILL WITH CHANCES FOR PARTIAL OR FULL RECOVERY; IT IS UNLIKELY, HE SAID, THAT THE JEWISH COMMUNITY WOULD SEEK TO DUPLICATE THESE LARGE AND EXPENSIVE FACILITIES. OUR NEED, HOWEVER, IS FOR HIGH QUALITY NURSING CARE FOR PATIENTS WHOSE MEDICAL NEEDS AND REHABILITATIVE PROSPECTS OFFER LESS CHANCES FOR FULL RECOVERY.

MR. GLASS OBSERVED THAT THE MT. SINAI PLANNING COMMISSION AND MEDICAL ADVISORY COMMITTEE REPORTS HAVE NOT YET BEEN ACTED ON BY THE BOARD OF MT. SINAI HOSPITAL.

MR. LEVIN MOVED TO AMEND THE REPORT OF THE SAC TO AUTHORIZE THE JCH TO DEVELOP A 50-BED NURSING HOME FACILITY ON HARVARD ROAD, WITH THE UNDERSTANDING THAT THE PLANS WERE TO BE SUBSEQUENTLY REVIEWED BY THE SAC AND THE BOARD OF TRUSTEES, AND THE FUND-RAISING CAMPAIGN WOULD BE AIMED AT AN AMOUNT TO BE APPROVED BY THE BOARD. THE MOTION WAS SECONDED BY MR. MASCHKE.

MRS. KATES AND MR. METZENBAUM EXPRESSED THE VIEW THAT INSTEAD OF ARRIVING AT A DECISION ON EITHER PLAN AT THIS TIME, THE BOARD DEFER APPROVAL AND WAIT FOR THE FULL IMPLEMENTATION OF THE MT. SINAI HOSPITAL MEDICAL PLAN. MR. SCHWENGER POINTED OUT THAT THIS SUGGESTION HAD BEEN CONSIDERED BY ALL PARTIES INVOLVED, BUT THAT IN VIEW OF THE DELAYS TO BE ENCOUNTERED AND THE DESIRE OF JCH TO PROCEED WITH SOME KIND OF PROGRAM, IT SEEMED UNWISE TO WAIT ANOTHER EIGHTEEN TO TWENTY-FOUR MONTHS. MR. HERBERT ROSENTHAL INQUIRED ABOUT THE POSSIBILITY OF REVIEWING THE USE OF THE SOVEREIGN HOTEL, BUT MR. SCHWENGER STATED THAT THIS POSSIBILITY WAS AGAIN STUDIED AND DISAPPROVED BY THE JCH JOINT BUILDING COMMITTEE.

MR. RATNER STRESSED THE URGENT NEED FOR NURSING HOME BEDS IN THE COMMUNITY TODAY, BUT ADDED THAT THE FUND-RAISING POTENTIAL AND THE ECONOMIC CLIMATE PRESENTLY PREVAILING WERE ALSO PRIME FACTORS IN ANY DECISION. IT IS FEASIBLE NOW, HE SAID, TO BUILD A MODEST INSTITUTION ON HARVARD ROAD WITH A FLEXIBLE PLAN PROVIDING FOR LATER EXPANSION.

MR. AFFELDER EXPRESSED THE VIEW THAT CLEVELAND IN FIVE TO TEN YEARS WILL BE VASTLY OVERBUILT IN TERMS OF ACUTE HOSPITAL BEDS. THE DEVELOPMENT OF SUBURBAN HOSPITALS COUPLED WITH CHANGES IN MEDICAL PROCEDURES WILL ALTER THE CHARACTER OF PRESENT-DAY HOSPITAL ADMINISTRATION. HE EXPRESSED THE BELIEF THAT THE NEW AND COMPLETED MT. SINAI HOSPITAL WILL ULTIMATELY BE ABLE TO RE-ALIGN ITS MEDICAL PROGRAM TO ACCOMMODATE PATIENTS IN NEED OF NURSING HOME BEDS. HE SUGGESTED DELAYING DECISION TO AWAIT STUDY AND DEVELOPMENT OF THESE NEW PROGRAMS.

MR. GLICKMAN STATED THAT THE JCH HAS DEVELOPED ITS NEW PLANS WITH A FULL UNDERSTANDING OF THE MANY FACTORS THAT HAD BEEN ALLUDED TO IN THE DISCUSSION. ALTHOUGH THE BOARD OF THE JCH IS QUITE AWARE OF THE DESIRABILITY OF LOCATING ITS FACILITY NEAR MSH, A DELAY OF 18 TO 24 MONTHS NOW, MR. GLICKMAN STRESSED, MIGHT HAVE FATAL CONSEQUENCES TO THE ENTIRE PROGRAM OF JCH AS IT SEEKS TO DEVELOP ADEQUATE NURSING AND CONVALESCENT FACILITIES FOR THE COMMUNITY. MR. GLICKMAN OUTLINED THE FOLLOWING RISKS ANTICIPATED BY JCH IF IT DELAYED FURTHER:

- 1) THE FINAL PLANS OF MSH MAY REVEAL THAT INTEGRATION OF ITS PROGRAM WITH THAT OF JCH IS NOT FEASIBLE.
- 2) AGREEMENT ON ADMINISTRATIVE POLICIES MAY NEVER BE REACHED.
- 3) A DEFINITE MINORITY ON THE MSH BOARD FEEL THAT JCH SHOULD NEVER BECOME INTEGRATED WITH THE HOSPITAL; THIS GROUP FEELS THAT IF A NURSING HOME FACILITY IS NEEDED, MT. SINAI HOSPITAL SHOULD DEVELOP ITS OWN PROGRAM.
- 4) THE FINAL DEVELOPMENT PLANS OF MSH ARE LIKELY TO REQUIRE TEN YEARS TO FULFILL IN TOTO, CERTAINLY AT LEAST FIVE YEARS.

IT IS THE OPINION OF MANY PHYSICIANS AND LAYMEN ALIKE, MR. GLICKMAN CONTINUED, THAT PROXIMITY OF JCH TO MT. SINAI HOSPITAL WILL LEAD INEVITABLY TO THE DEVELOPMENT OF A CHRONIC DISEASE HOSPITAL. MANY PHYSICIANS ARE INCLINED TO FAVOR SUCH AN INSTITUTION, CREATED AT THE HIGHEST PROFESSIONAL LEVELS INCLUDING TEACHING. UNTIL MSH AND THE COMMUNITY DECIDE IF SUCH A DEVELOPMENT IS IN THEIR BEST INTERESTS, THE NEED FOR HIGH QUALITY NURSING HOME BEDS WILL NOT BE MET. MR. GLICKMAN EMPHASIZED THAT THE PARAMOUNT MEDICAL NEED TODAY IS FOR NURSING HOME FACILITIES AT ANY SUITABLE LOCATION.

MR. GLICKMAN THEN TURNED HIS ATTENTION TO THE COST PICTURE WHICH HE DESCRIBED IN DETAIL. STRESSING THAT THE HILL-BURTON FUNDS MUST BE UTILIZED QUICKLY OR ABANDONED IN TERMS OF FUTURE PLANNING, HE STATED THAT A 100-BED FACILITY ON HARVARD ROAD IN 1958 WITH USE OF HILL-BURTON FUNDS AND WITHOUT NEED TO PURCHASE ADDITIONAL LAND WILL COST LESS THAN A 50-BED FACILITY NEAR MT. SINAI HOSPITAL TWO YEARS HENCE, WITHOUT HILL-BURTON FUNDS AND INCLUDING THE NEED FOR LAND ACQUISITION FOR GARAGE AND PARKING SPACE.

MR. ELDER OBSERVED THAT A 50-BED HOSPITAL HAS THE BEST CHANCE AT THIS TIME OF OBTAINING UNIFIED COMMUNITY SUPPORT. HE URGED THAT THE JCH BE GIVEN THE OPPORTUNITY TO DEMONSTRATE ITS SERVICES AND SKILLS ON THIS BASIS WITH DECISION ON FURTHER DEVELOPMENTS TO BE BASED ON ACTUAL EXPERIENCE.

MR. FREEDHEIM URGED THE COMMUNITY TO KEEP ITS SIGHTS HIGH AND TO LOOK FAR AHEAD TO BE SURE OF OBTAINING THE BEST POSSIBLE PROGRAM OF SERVICE. THE RECOMMENDATION OF THE HEALTH COMMITTEE AND THE SOCIAL AGENCY COMMITTEE FOR A 100-BED FACILITY DESERVES APPROVAL, HE STATED. HE INDICATED THERE WAS SOME EVIDENCE THAT A HIGH QUALITY NURSING CARE PROGRAM CAN BE SUCCESSFULLY OPERATED REMOVED FROM AN ACUTE GENERAL HOSPITAL.

MR. TREUHAFT INDICATED THAT IN THE MEDICAL PICTURE, THE SINGLE GREATEST NEED FACING CLEVELAND IS FOR 1100 TO 1400 NURSING HOME BEDS, OF WHICH ABOUT 150 WOULD BE REGARDED AS A REASONABLE NUMBER FOR THE JEWISH COMMUNITY TO SUPPORT. HE EXPRESSED HIS AGREEMENT WITH THE VIEW THAT THE BEST LOCATION FOR THE JCH WOULD BE IN PROXIMITY TO MT. SINAI HOSPITAL. BECAUSE OF THE EXPRESSED INTEREST OF THE BOARD OF JCH, HOWEVER, MR. TREUHAFT URGED SUPPORT FOR THE 50-BED PLAN, WHICH, IN ITS DESIGN SHOULD PROVIDE FOR FUTURE EXPANSION.

MR. BERNE URGED UNIFIED SUPPORT FOR THE 50-BED PLAN IN ORDER TO ASSURE A SUCCESSFUL FUND-RAISING EFFORT.

IN CONCLUSION, MR. LAMPL EXPRESSED APPROVAL OF THE PROPOSAL FOR A 50-BED INSTITUTION ON HARVARD ROAD WHICH, HE STATED, WILL REQUIRE THE ENDORSEMENT OF THE JCH BOARD OF TRUSTEES. HE ASKED FOR SOME DEGREE OF FLEXIBILITY SO THAT THE AMOUNT OF MONEY REQUIRED AND THE NUMBER OF BEDS TO BE BUILT WILL NOT BE HELD TO SPECIFIC FIGURES. HE THEN COMMENDED THE BOARD OF FEDERATION AND THE MANY COMMITTEES INVOLVED IN CONSIDERATION OF THE PLAN OF JCH FOR THEIR INTEREST AND ENCOURAGEMENT AND INDICATED HIS BELIEF THAT A SUCCESSFUL FUND-RAISING DRIVE CAN GO FORWARD AND THAT A MEDICAL CARE PROGRAM WILL BE DEVELOPED BY JCH WHICH WILL BE A CREDIT TO THE ENTIRE COMMUNITY.

A NUMBER OF BOARD MEMBERS EXPRESSED THEIR GRATIFICATION WITH MR. LAMPL'S REMARKS AND THEIR BELIEF THAT THE 50-BED FIGURE WOULD NOT BE INTERPRETED RIGIDLY.

ON A CALL FOR THE QUESTION, THE BOARD VOTED APPROVAL OF THE FOLLOWING AMENDMENT TO THE MOTION OF THE SOCIAL AGENCY COMMITTEE AS OFFERED BY MR. LEVIN:

JEWISH CONVALESCENT HOSPITAL IS AUTHORIZED TO BUILD AND OPERATE A NURSING HOME FACILITY OF APPROXIMATELY 50 BEDS ON THE HARVARD ROAD SITE OR OTHER SUITABLE LOCATION, TO BE CONSTRUCTED AT MINIMUM COST CONSISTENT WITH THE PROVISION OF NECESSARY FACILITIES AND ECONOMIC OPERATION, ALL OF THIS SUBJECT TO LATER APPROVAL OF THE BUILDING PROGRAM AND THE CAPITAL AND OPERATING BUDGETS BY THE BOARD OF TRUSTEES, AND TO AUTHORIZE THE JCH TO CONDUCT A PUBLIC CAMPAIGN IN NOVEMBER AND DECEMBER, 1957, FOR THE NECESSARY FUNDS.

MESSRS. AFFELDER, BENESCH, CURTIS, FREEDHEIM, FREILER, GEISMER, GLICKMAN, GOULDER, GUREN, METZENBAUM, AND MYERS ASKED TO BE RECORDED IN THE NEGATIVE.

THE BOARD THEN VOTED APPROVAL OF THE MOTION. MR. MYERS ASKED TO BE RECORDED IN THE NEGATIVE.

TO: Federation Committees and Delegate Assembly

FROM: Max Simon, President

I have been informed that on Sunday, November 24, at 10:30 a.m., Rabbi Abba Hillel Silver will repeat at services in The Temple the same address that he just delivered as the keynote speech of the General Assembly of the Council of Jewish Federations and Welfare Funds in New Orleans. The address, "The Goals and Outlook for Jewish Life in America", covers a subject of underlying interest and importance to individuals, agencies and organizations engaged in Jewish communal activity.

Since many of you could not be at the General Assembly, I hope you will avail yourself of the opportunity to hear Rabbi Silver give the same address here on November 24. May I suggest that you also call this event to the attention of the agencies or organizations with which you are associated.

Dear Rabbi Silver:

It is time once again for our Contingent Fund Committee to disburse the funds made available for the traditional institutions in Israel which merit our support. You will be pleased to learn that the Budget Committee, this year, has assigned us an additional \$500.00 which makes it possible to provide modest increases to some of the institutions.

Our Committee, as you know, has in the past found it difficult to meet and in order to expedite our work I am enclosing a recommended schedule of allocations to the various institutions. The schedule indicates the 1956 allocations and, in the next column, the recommended figures for 1957. One institution is included for the first time, the Yeshivath Hadorom in Rehovoth, an institution of higher learning designed to have influence in the southern portion of Israel.

Will you be good enough to examine this schedule of allocations? If you have any questions to raise, may I ask that you get in touch with me at the Heights Jewish Center (YE 2-7424) or with Alan D. Kandel, Secretary to our Committee.

If we do not hear from you within a week, we shall take your assent for granted and will forward the checks to the various institutions in Israel. Your assistance is greatly appreciated.

Sincerely yours,

I. Porath

SPECIAL LETTER ANNOUNCING ISRAEL TOUR

Dear Friend:

In 1958, celebrations will take place throughout the world in observance of the Tenth Anniversary of the State of Israel. It is my pleasure, on behalf of The Jewish Community Federation, to extend to all Cleveland friends of Israel a cordial invitation to join a Tenth Anniversary Tour of Israel to be sponsored by the United Jewish Appeal in 1958. The Tour is planned to coincide with a Special Anniversary Conference of the United Jewish Appeal in Jerusalem on June 24, 25 and 26.

As indicated on the accompanying fact sheet, special rates and arrangements are being made for the Tour by the United Jewish Appeal. The modest prices indicated include round-trip transportation by air, hotel accommodations and meals and all expenses in Israel for five, ten or fifteen days.

The Tour as outlined offers a great opportunity for American Jews to visit Israel and see at firsthand the wonders accomplished in the short space of ten years. It is my hope that many members of our Cleveland Jewish community will wish to attend the special conference and take satisfaction at developments in Israel which our common efforts have helped bring about.

You will find the answers to many questions concerning the Tour on the attached page. If you are interested in the Tour, our staff will be prepared to advise with you on fuller details. I hope that you will find it possible to join what I know will be a fine Cleveland contingent for this historic Conference and Tour in June.

Cordially yours,

Max Simon, President
Jewish Community Federation

The price does not include the cost of your passport (\$10) and personal expenses such as laundry, cleaning and beverages.

WILL THIS TOUR PERMIT YOU TO STOP OVER IN EUROPE EN ROUTE TO ISRAEL OR IN RETURNING TO THE U.S.?

In order to enable the UJA to carry out these tours and to keep the cost to a minimum it will be necessary to fly direct to Israel, but participants will be given the opportunity of selecting one or more special European tours en route back to the U.S. at a special extra rate.

CAN YOU MAKE INDIVIDUAL ARRANGEMENTS FOR THE RETURN TRIP?

Yes. You can terminate your trip either in Israel after the Conference, or in Rome, and make individual arrangements for return to the U.S. by any route you desire, by air or steamer, at extra cost.

CAN YOU ATTEND THE JERUSALEM CONFERENCE ALTHOUGH YOU PLAN YOUR OWN TRANSPORTATION THROUGH YOUR OWN TRAVEL AGENT?

Yes. You do not have to go on one of the special planes to attend the Conference. Nor do you have to make bookings through the UJA. You can make any arrangement you wish through your own travel agent who can have you join any of the UJA special tours you choose in Israel, or none at all. Or your travel agent can arrange only for your attendance at the Jerusalem Conference. Should you or your travel agent encounter any difficulty in this connection, please communicate with the United Jewish Appeal.

HEALTH

The trips will have competent physicians and medical service available everywhere you go in Israel. However, if you are not in good health you should not make the trip.

No special inoculations are required for Israel; but for reentry into the U.S. you should be vaccinated against smallpox well in advance of your departure. U.S. immigration law requires proof of such vaccination within three years of reentry date. Have the physician who vaccinates you give you a health certificate properly dated and signed.

CLOTHING AND LUGGAGE HINTS

Free luggage allowance on the aircraft is 44 lbs. per person, which you should find ample. Plan to take lightweight luggage, and lightweight clothing. Israel's climate is warm and sunny in summer and lightweight clothing is in order. Take sport clothes, one dressup suit for wear during the evening, a sweater or jacket for cool evening and morning weather. Sunglasses and a light cap are a good idea in Israel's brilliant sunshine. Comfortable walking shoes, a camera, a notebook, plenty of film are all indicated to help you get the most out of your trip.

TO MAKE SURE YOU WILL BE ONE OF THOSE TO MAKE THE TRIP

(1) FILL OUT AND RETURN NOW THE ATTACHED APPLICATION FORM, TOGETHER WITH YOUR DEPOSIT CHECK. THE NUMBER THAT CAN BE ACCEPTED IS NECESSARILY LIMITED. LATE APPLICANTS MAY BE DISAPPOINTED.

(2) APPLY FOR YOUR U.S. PASSPORT.

APPLICATION FOR YOUR PASSPORT should be made in person to the Passport Agency in New York, Boston, Chicago, New Orleans, San Francisco or Washington, D.C., or to the nearest Federal Court or to the nearest State Court authorized to naturalize aliens.

Dear Rabbi Silver:

It is with real pleasure that I take this opportunity to confirm your acceptance as one of the two major speakers at our community-wide celebration of Israel's Tenth Anniversary, which will be held on Wednesday evening, June 4, at Severance Hall.

As you know, the Jewish community Federation has accepted the invitation of the National Committee for the Observance of Israel's Tenth Anniversary to take responsibility for the city-wide celebration. It is our expectation that all sections of the community will join in making June 4 the occasion for a memorable observance of Israel's independence.

Our local Celebration Committee is most pleased that you have agreed to participate in the program. We will keep you informed as our plans for the meeting are completed.

MY DEAR RABBI:

FOLLOWING YOUR CALL, I CHECKED WITH HENRY ZUCKER AND GERALD SOROKER ABOUT AVOIDING FEDERATION MEETINGS ON SUNDAY MORNING. THEY ASSURED ME THAT EVER SINCE RECEIVING A CALL FROM YOU SOME WEEKS BACK, THEY HAVE DONE EVERYTHING FEASIBLE TO AVOID SUNDAY MEETINGS.

IT HAS BEEN NECESSARY TO SCHEDULE A VERY FEW MEETINGS ON SUNDAY MORNING AND ALL OF THESE HAVE BEEN SMALL ONES. FOR EXAMPLE, THE LAST SUNDAY MORNING MEETING WAS A RE-SCHEDULE OF A MEETING OF HALF A DOZEN TOP LEADERS WHO HAD ORIGINALLY PLANNED TO MEET ON THURSDAY, MARCH 6--A MEETING WHICH WE CALLED OFF BECAUSE IT CONFLICTED WITH YOUR TECHNION MEETING.

AT THE PRESENT TIME WE HAVE ONLY TWO MORE SUNDAY MORNING MEETINGS SCHEDULED, EACH ONE INVOLVING A SMALL GROUP OF MEN. IN EACH CASE WE TRIED TO DIRECT THIS MEETING TO ANOTHER TIME, BUT THE GROUP ITSELF INSISTED ON SUNDAY MORNING.

THE CALENDAR IS SO TIGHT AND THE DEMANDS OF THE CAMPAIGN SO URGENT THAT IT IS NOT POSSIBLE ABSOLUTELY TO AVOID SUNDAY MORNING MEETINGS. HOWEVER, I WANT TO ASSURE YOU THAT ALL OF US AT THE FEDERATION, INCLUDING STAFF, ARE DOING THEIR VERY BEST TO AVOID SUNDAY MORNING AS A MEETING TIME. I TRUST YOU UNDERSTAND WE WANT TO COOPERATE IN EVERY WAY POSSIBLE.

BEST PERSONAL REGARDS.

DEAR RABBI SILVER:

I WANT TO TAKE THIS OPPORTUNITY, ON BEHALF OF MAURICE SALTZMAN AND MYSELF TO EXPRESS OUR VERY DEEP APPRECIATION TO YOU FOR THE WONDERFUL WAY IN WHICH YOU RESPONDED TO OUR MEETING THE OTHER DAY. WE ALL FEEL THAT A LOT WAS ACCOMPLISHED AND WE ARE MOST GRATEFUL.

I THOUGHT THIS WOULD BE A GOOD OPPORTUNITY TO RECAPITULATE THOSE ITEMS WHICH WE ALL FELT WOULD BE HELPFUL TO PURSUE:

- 1) IT WAS FELT THAT REFERENCE TO THE CURRENT JEWISH WELFARE FUND CAMPAIGN WOULD BE MOST APPROPRIATE IF MADE BY THE RABBIS TO THEIR CONGREGATIONS DURING THE PASSOVER HOLIDAYS.
- 2) IT WAS ALSO AGREED THAT A PERSONAL LETTER SHOULD GO OUT FROM EACH RABBI TO HIS CONGREGATION ON CONGREGATION STATIONERY, STRESSING THE IMPORTANCE OF THE CURRENT CAMPAIGN. (SOME OF THE FACTS OF THE CAMPAIGN, ARE LISTED ON THE ATTACHED SHEET.)
- 3) IT WAS ALSO THOUGHT THAT IN INDIVIDUAL SITUATIONS, THE RABBIS COULD BE OF HELP WITH RESPECT TO ACTUAL SOLICITATION.

IN THIS RESPECT, IT WAS SUGGESTED THAT EACH RABBI BE ASSIGNED AS A CONSULTANT TO A SPECIFIC TRADE DIVISION OF THE CAMPAIGN. IN THIS CAPACITY, HE WOULD BE ABLE TO EXAMINE WITH THE LEADERSHIP OF THE DIVISION THOSE INSTANCES WHERE HE, OR SOME OTHER RABBI COULD BE OF THE MOST HELP. RABBI DANIEL SILVER VOLUNTEERED TO WORK WITH MR. SOROKER, THE CAMPAIGN DIRECTOR, TO COORDINATE THIS ASPECT.

AGAIN, MAY I STATE HOW HELPFUL WE ALL FOUND THE MEETING. ON OUR PART, WE CERTAINLY WILL BE GLAD TO DO ANYTHING WITHIN OUR POWER TO HELP YOU ACHIEVE THE ABOVE.

FACT SHEET 1958 CAMPAIGN

I GOAL

The 1958 Goal is \$5,662,337. We need \$500,000 more in 1958 in order to reach our Goal.

II CAMPAIGN DATES

The Campaign Dates have been set from Wednesday, April 30th to Thursday, May 22nd.

III CURRENT OVERSEAS NEEDS

To rescue and resettle 80,000 Jewish Men, Women and Children now in Europe, North Africa, Poland and other areas.

Of Particular notice this year is the Polish situation, where remnants of Polish Jewry once numbering 3,500,000 people are being permitted to leave for Israel if sufficient funds can be raised. While they remain in Poland 40,000 remaining Jews need to be helped in every way.

IV ISRAEL

Sometime this year the One Millionth Jewish refugee will have moved to Israel. We need to continue to help Israel consolidate its gains.

V LOCAL NEEDS

Many people do not know this, but, nearly 40¢ on every dollar raised in Cleveland remains with the Local Agencies. These local agencies this year are requesting increased funds to take care of the increased cost of doing business.

There are 22 local agencies in greater Cleveland which are beneficiaries of the Fund. These agencies serve all Jews in the fields of Family Welfare, Child Care, The Aged, Acute and Chronically Ill, Culture, Recreation, Jewish Education and Vocational Guidance. We must have increased gifts in order to achieve our Goal of supporting these beneficiary agencies.

Dear Mr. Simon:

I believe that you are deeply aware of the indispensable role that Technion plays in the life of Israel today, and I do not think that it is necessary to belabor the point that this vital institute of higher learning is a veritable cornerstone of Israel's development. The engineers and architects who are graduated from Technion are the men -- and women -- upon whose shoulders falls a large measure of the responsibility for bringing about industrialization and agricultural development which will assure Israel's long-term security and economic stability.

The American Technion Society, the American arm of the Technion -- Israel's oldest institution of higher learning -- is presently engaged in a capital fund campaign in the United States to raise \$10,000,000 to build a greater school of engineering and technology in Haifa, Israel. This \$10,000,000 is the share to be raised in the United States of the \$20,000,000 capital fund expansion plan of the Technion. This campaign has been undertaken at the request of the Israel Government which realizes that the future development of the State of Israel is tied to its industrial and agricultural development. Israel can live and grow only when it approaches the point of economic self-sufficiency. A number of similarly situated states in the world have achieved this and point the way for Israel's economic future.

It has been said that Israel must become the Switzerland of the Near East. This requires the development of highly skilled and educated technicians and technologists. Here in the United States studies indicate a shortage of 90,000 engineers. We cannot send enough engineers to work in Israel for the simple reason that enough are not available and dollar cost would be beyond reason.

The second alternative in developing technologists for Israel would be to send young boys and girls to schools of engineering all over the world. Again, unfortunately, hard currency shortage make this impractical. Also, the specific problems of Israel are not reflected in the engineering schools of any other country.

Therefore, the only practical solution is to develop the school of engineering which men of vision had the foresight to establish in Haifa in 1912, when Palestine was part of the Turkish Empire.

Prime Minister David Ben-Gurion has asked the Technion to expand its program to a point where it will be able to graduate 500 students a year. A handful of trained engineers who can set up or run an industrial plant providing employment for hundreds of families, and leading Israel onward on its march towards economic self-dependence -- this is what Technion does for and can mean to Israel.

Some four years ago, we of the American Technion Society launched a campaign to raise \$10,000,000 in this country for the erection of a new and suitable campus for Technion. The original Technion premises, put up some 30 years ago for student body of 300, can certainly no longer cope with the present enrollment of nearly 3,000.

I am happy to say that we have to date attained more than half of our objective and 800 students are already attending classes and doing laboratory work in the new buildings which have been constructed on the slopes of Mt. Carmel, just outside Haifa. (The 300 dunams of land required for the campus were deeded to Technion by the Israel Government). The buildings of the Aeronautical Engineering Department, the Electrical Engineering Building, the Aeronautical Engineering Laboratory (supersonic wind tunnel), the Albert Einstein Institute of Physics Building, and the Building Research Station have been completed. The Hydraulics Laboratories, the Churchill Auditorium, the Soil Mechanics Laboratory, the Technical High School (first part), and dormitories for 300 students are almost completed and will be in full use by May 31, 1958.

Many more buildings must still be put up, such as: the Technical High School (final part), the Mechanical Engineering Department, the Chemistry Building, the Chemical Engineering Building, the Library, the Cafeteria, the Agricultural Engineering Building, and the General Studies and Industrial Engineering Building. Upon completion of this program, the new Technion campus will be able to provide its undergraduate, postgraduates and special students with adequate classrooms and laboratory facilities, as well as dormitories, administrative offices and the other components of a modern technological institute.

Earlier this year, Rabbi Abba Hillel Silver invited a group of friends of Technion to meet with General Yaacov Dori, President of Technion, who was in the United States at the time, in order to work out plans for Cleveland's support of the Technion building program. Among the outstanding Clevelanders who participated in the luncheon were Leonard Ratner, George Nachman, Maurice Masche, Jr., Henry Rocker, Max Simon, Dave Myers, Irving Hexter, A. P. Goulder, Harry Gellin, Samuel Givelber, Samuel Friedman, Adrian Weiss, and Harry Affelder.

It was my pleasure and privilege to be present at the luncheon with General Dori, and I was asked by the group to return to Cleveland and bring with me a specific project which the Cleveland community could undertake on behalf of Technion. Last month Rabbi Silver arranged another luncheon meeting, at

which time, Colonel J. R. Elyachar, Honorary President of the American Technion Society, and I proposed that Cleveland undertake to raise the necessary funds for one of the buildings in Technion's Mechanical Engineering Department. The proposal, I am happy to say, was enthusiastically endorsed by the luncheon participants. Rabbi Silver appointed a committee of three to select a chairman or co-chairmen to direct this effort.

On March 10th, the committee met and selected as co-chairmen for the proposed Technion drive Messrs. Maurice Saltzman, Irving Hexter and Jack Mandel.

With Rabbi Silver lending his leadership to our campaign, and with a substantial group of influential Cleveland leaders supporting this effort, I am at this time formally requesting that the Jewish Community Federation of Cleveland extend to the American Technion Society permission to conduct a capital funds campaign in your community. We believe that it is of importance to Israel that construction of the Mechanical Engineering Department building go forth, and we believe further that the community of Cleveland will want to be fully represented in the construction of the new Technion campus.

We contemplate a short-term effort, which would take place between October 15, 1958 and end of the year, culminating in a dinner function.

Trusting that we may have an affirmative response in the early future, with every good wish,

Sincerely yours,

David Rose

Dear Mr. Simon:

Thank you for your very kind letter of April 22, addressed to Mr. David Rose. Mr. Rose is en route to Israel to attend the annual Technion Board of Governors meeting in Haifa and I am taking the liberty of replying to your letter.

In answer to your questions regarding Technion's capital funds campaign plans for Cleveland, you will recall, that at the meeting called by Dr. Silver at the Hotel Carter on March 6th, it was proposed by Mr. Rose that the Cleveland community accept as its project, the construction of a building in the Mechanical Engineering Department, to be known as the "Cleveland Building," at a cost of approximately \$500,000. All those present at the meeting accepted this project wholeheartedly.

We hope to use the special gift approach and solicit those people in the community who are in a position to make a contribution of at least \$1,000 or more, payable over a three year period. The technique to be used, which we would like to suggest to our committee in Cleveland, would be that of small parlor meetings in advance of a culminating dinner. This is the approach which we have used in most of our campaigns throughout the country.

We would be very happy with a starting date of November 1st for the campaign and your suggestion that either Maurice Saltzman, Irving Hexter, or Jack Mandel, represent us at a meeting of the Welfare Fund Committee is an excellent one. Perhaps all three might want to attend and if Dr. Silver has returned from abroad at the time of the meeting, he might want to be there, too.

If there is any further information you desire, please feel free to call on me.

With kindest regards and many thanks for your cooperation.

Dear Mr. Simon:

I am turning to you with the request to grant us clearance for a small Building Fund campaign for the Hebrew University's School of Pharmacy to be conducted in Cleveland during this summer, 1958. I am making this request in spite of the fact that the main amounts to be raised during this campaign are expected from non-Jewish firms, the same way it has happened in Philadelphia, Chicago, Cincinnati and many other communities where this campaign has already been conducted. However, as there are, of course, Jewish donors involved, I feel that I should request this clearance.

You know that on April 27th the Hebrew University's new campus, although not yet completed, was officially dedicated. Great progress is also being made on the medical campus in Ein Karem and in enlarging the agricultural campus in Rehovoth.

Last year Dr. Ivor Griffith, the President and Dean of America's oldest School of Pharmacy, in Philadelphia, accepted the Chairmanship of a Pharmacy Campaign which is being conducted nationwide in complete cooperation with our organization. The first pledges towards this campaign were made by two pharmaceutical fraternities. One of them, The Alpha Zeta Omega fraternity, has its national convention in Cleveland on July 15th, 1958 and it is precisely around this time that we would like to conduct our campaign which, of course, will be very limited as far as the number of contributors is concerned, as well as in time. I repeat, that a great number of contributions from non-Jewish manufacturers, wholesalers and druggists is expected.

I understand that at this time the campaign of your own Federation will have been completed and I hope you will see fit to give us the clearance I am requesting. I am very grateful for the kind attention you will give this matter. Please accept my best wishes.

Sincerely yours,

signed

Dear Rabbi Silver:

Somehow I feel it necessary to supplement the tremendous enthusiastic response evoked by your address last Wednesday night with this note, mainly to make official the Federation's appreciation.

It was our good fortune in planning for the observance of Israel's anniversary that you were able to accept our invitation to address the meeting. Your appearance and address made it truly one of the most memorable and exalting events it has been my privilege to attend.

Once again, all of us are deeply in your debt for your cooperation and your inestimable contribution.

With warmest thanks.

I REQUESTS FOR CAPITAL FUND CAMPAIGNS

A American Friends of Hebrew University

The American Friends of Hebrew University is requesting clearance for a small building fund campaign for the School of Pharmacy to be conducted in Cleveland during the summer of 1958.

B American Society for Israel Institute of Technology

The American Society for Israel Institute of Technology is requesting clearance for a capital fund campaign in Cleveland this fall. This capital fund drive is part of a \$10,000,000 drive in the United States to build a greater School of Engineering and Technology in Haifa, Israel. Cleveland is being asked to raise \$500,000 to finance the construction of a building in the Mechanical Engineering Department to be known as the "Cleveland Building". Payments would be made over a three-year period with solicitation to be confined to those individuals able to make a contribution of at least \$1,000 or more.

II REQUESTS FOR SUBVENTION

The following agencies which have previously been denied subventions have again made requests for allocations:

- A Chicago Medical School
- B Rabbi Jacob Joseph School & Mesifta
- C Rabbinical Academy
- D Beth Medrash Govoha of America
- E Yeshiva-Farm Settlement

The above agencies were denied subventions previously on the basis of the existing policy of not making allocations to institutions of higher learning under Jewish auspices.

F Torah Umesorah

This institution, which is a national service agency for Jewish all-day schools, was denied a subvention on the basis that institutions with broad constituencies should derive their support from their constituencies.

This agency requested reconsideration on the basis that since it served a beneficiary agency of the Cleveland Federation (Hebrew Academy) that such a policy was not applicable to them. At a previous meeting of the Executive Committee the request for reconsideration was denied on the basis that to re-open discussion on this institution might serve to re-open discussion on the inclusion of Hebrew Academy, on which there is currently divided opinion.

- G The following agency has not previously made a request for an allocation:
Research Institute of Religious Jewry

This institute is currently studying "Shechitah", the Jewish method of slaughtering animals for food. Study is being made with Cornell University in order to attempt to answer attacks of individuals who have been trying to outlaw this particular method on the basis that it is not humane.

III CLEVELAND DELEGATION TO UJA ANNIVERSARY CONFERENCE IN JERUSALEM, JUNE 24 - 26.

The following Clevelanders now hold reservations for the UJA tour: Mr. and Mrs. Julius Paris, Mr. and Mrs. David Moskowitz and son, Mr. and Mrs. Jacob M. Hurwitz, and Mr. David Miller.

The UJA informs us that Jewish communities in our population bracket will be entitled to 12 representatives at the Conference.

IV 1958 WELFARE FUND OUTING

The 1958 Welfare Fund Outing has been scheduled tentatively for Thursday, August 28, at the Hawthorne Country Club. Howard Metzenbaum will be Chairman of the Outing Committee. At previous meetings of the Welfare Fund Committee there has been considerable discussion of methods which might be used to handle the large crowds that have been turning out in recent years. These have ranged from the use of two clubs, to severely cutting down the invitation list. The Outing Committee will meet on Thursday, June 19. Does the Executive Committee have any suggestions with respect to the above?

V MULTIPLICITY OF CAMPAIGNS

A letter has been received from one of our contributors remarking on the great number of campaigns held outside of the Welfare Fund and suggesting that we establish a committee which could supply information on such campaigns similar to the Chamber of Commerce Committee on Solicitations.

Mr. Max Simon, President
The Jewish Community Federation of Cleveland

Dear Max:

The attached report of the Budget Committee regarding allocations for the fiscal year July 1, 1958 to June 30, 1959 merits careful study by every member of the Board of Trustees, prior to the July 2nd meeting. Because it may be impractical to read the report in detail at the meeting, I should like to call your attention to several important features.

You will note that in addition to the Special Rescue Fund of \$493,421, which is, of course, allocated in total (less shrinkage) to the UJA, the Budget Committee is recommending that the overage of \$47,927 in the regular campaign, be allocated to UJA in its entirety in addition to its formula allocation of \$2,176,150, for a total of \$2,221,202. The Budget Committee felt it was unrealistic to believe the regular campaign could have exceeded last year's result when the Special Campaign fell so far short. It was felt that many prospects do not designate the amount of the total for the Special Fund. UJA, therefore, will receive from the 1958 Campaign, a grand total of \$2,685,018.

The Committee was faced with some very difficult problems in budgeting local agencies. In spite of less favorable economic conditions, the cost of food, printing, etc. is still on an ascending scale. The salaries of professional workers are still below the standards prevailing in industry for comparable positions, according to studies conducted by the Cleveland Welfare Federation. In addition, several agencies demonstrated the need for necessary improvements and extensions in service.

In the light of the 1958 Campaign achievement, however, the Budget Committee concluded that no expansion or improvement of service could be recommended for any local agency for the coming fiscal year. It did recommend that agencies be given 5% above last year's approved salary budget, which in many instances will merely enable agencies to maintain their current level of spending and meet contractual obligations. The Budget Committee took cognizance of increased food costs and the need to maintain buildings in good repair. Too, some additional funds had to be provided for central services, such as retirement, social security and insurance. Other than these, only minor adjustments in other budgetary items were made.

Mr. Max Simon, President
Jewish Community Federation

.2

I want to emphasize that the salary and other adjustments were made within the same number of dollars available to local agencies last year, plus the following: \$42,446 additional available from the Community Chest; projections of increased fee income; and certain savings described in the report.

Budgeting for national and overseas agencies is impossible on a line by line basis as with local agencies. We did have available, however, helpful information from the Large City Budgeting Conference. Only two national agencies received small increases -- the CJFWF and the NCRAC, both service agencies of Federation and entirely dependent for their operation on dues payments by member federations.

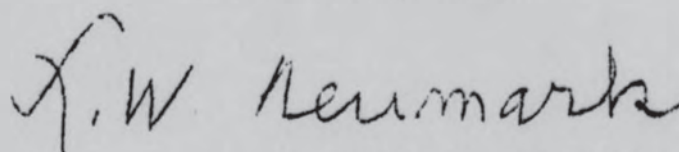

In view of present economic conditions, the Committee recommends that the balance of funds remaining after these allocations be placed in a contingent reserve fund - amounting to \$49,309. This was deemed advisable because in addition to increased estimates of income by the agencies, the Committee itself added substantially to some of the estimates.

Members of the Budget Committee, in the course of their work, gain a great deal of knowledge about community needs and agency services. We had many new members on the Committee this year, who together with the old members, attempted to do the budgeting with an eye to all of the needs, overseas, national and local.

I want to express sincere appreciation to all members of the Committee, the office staff, and especially to the chairmen of subcommittees, Bertram W. Amster, Henry W. Marcuson, Leighton Rosenthal and Lloyd S. Schwenger. It was especially gratifying to see many members attending meetings of subcommittees to which they were not assigned, as well, of course, as the full Budget hearings.

The Committee welcomes any suggestions which might help us make our work more effective.

Sincerely yours,

L. W. Neumark, Chairman
Budget Committee

REPORT OF THE BUDGET COMMITTEE
TO THE
BOARD OF TRUSTEES OF THE JEWISH COMMUNITY FEDERATION OF CLEVELAND

The Budget Committee herewith submits its recommendations regarding allocations to the Federation's beneficiary agencies for the fiscal year 1958/59. The Committee followed its usual practice - requests of the local, national and overseas agencies were studied by four subcommittees and reviewed by the full Budget Committee. The whole process called for a total of eleven meetings by the Budget Committee and its subcommittees.

Prior to the 1958 Campaign the Board of Trustees adopted the following resolution:

1. That a Regular campaign goal of \$4,286,644 be set and, if reached, that the UJA receive as its regular allocation \$2,176,150 less allocations beyond the normal rate for other Federation supported refugee services.
2. That flexibility be allowed for adjustments in the regular distribution between the UJA and other beneficiary agencies, in the event that the regular campaign goal of \$4,286,644 should not be fully realized.
3. That a Special Rescue Fund goal of \$1,375,693 be set and that all monies realized in the Special Rescue Fund be allocated to the UJA after provision for shrinkage.
4. That the Budget Committee reserves the rights to adjust its commitment to UJA at a later date if and when the needs of the United HIAS Service should call for such an adjustment.

The grand total raised in the 1958 campaign amounted to \$4,827,992 of which \$493,421 was designated by the contributors for the UJA Rescue Fund, leaving an amount of \$4,334,571 for the regular needs of all the beneficiary agencies including the regular UJA campaign.

While the Rescue Fund fell short of its goal by \$882,272, the regular campaign exceeded its goal by \$47,927. After the usual provision for shrinkage (6%) an amount of \$4,074,497 remains in the regular campaign for distribution to local, national and overseas beneficiary agencies including that portion of the UJA which is part of the regular campaign.

The Budget Committee felt that the designation of contributions to the regular and Rescue Fund as recorded on the pledge cards, did not in many instances reflect the wishes of the contributors. Many persons, especially during the latter part of the campaign, did not differentiate between the regular and rescue campaigns. The Budget Committee felt that in a year where the over-all fund-raising result declined by about \$500,000 contributions to the regular campaign could not have increased. For this reason, the Budget Committee recommends that the overage of \$47,927 in the regular campaign (after making provision for shrinkage) be allocated to the UJA in its entirety in addition to its formula allocation of \$2,176,150, for a total of \$2,221,202. UJA, therefore, will receive from the 1958 campaign, a grand total of \$2,685,018 (\$2,221,202 Regular and \$463,816 Rescue) which compares with a 1957 total of \$3,168,095 (\$2,176,150 Regular and \$991,945 Rescue).

The Budget Committee was advised that there are a few substantial contributors who (although they made firm pledges) indicated that continued adverse business conditions might compel them to extend their commitments into 1959. The total of such pledges was carefully computed at \$100,000.

The Budget Committee recommends that this situation be taken into account as follows: That the allocation to the UJA be made with the understanding that of the total, an amount of \$65,000 be contingent upon Federation ascertaining by December 31, 1958 the availability of these pledges as a part of this year's campaign, and in addition, a contingency fund of \$35,000 be set up for purposes other than UJA.

In its initial evaluation of the outlook for this year's budgeting, the Committee determined that the local, national, and overseas agencies exclusive of UJA would have the same number of dollars available, except for an additional amount of \$42,446 realized by the Community Fund Campaign for 1958 for Red Feather agencies.

Only two national agencies received small increases - the Council of Jewish Federations and Welfare Funds and the National Community Relations Advisory Council. These two agencies are service agencies of Federation and entirely dependent for their operation on dues payments by the member Federations.

The Budget Committee was faced with very serious problems in budgeting the local agencies. In spite of less favorable economic conditions, the cost of food, supplies, printing, etc. is still on an ascending scale. The salaries of professional workers are still below the standards prevailing in industry for comparable positions according to Cleveland Welfare Federation studies. In addition, a number of agencies demonstrated the need for some necessary improvements and extensions of service.

Before its study of budget requests, the Committee found certain current savings could be available. Certain items in the 1957/58 local allocations no longer require funds during the coming fiscal year. While last year an allocation of about \$31,000 was made for the Orthodox Jewish Children's Home, only about \$15,000 will be needed for the operation of the Group Foster Home program of the OJCA, now operated by the Jewish Children's Bureau. There are also savings of about \$15,000 in the Refugee Budget of the Jewish Family Service Association. An additional amount of \$35,000 became available by reducing last year's contingent reserve fund of \$70,578 to \$35,000. \$10,000 was saved by a reduction from \$15,000 to \$5,000 in repayment of a loan to Federation's capital funds, the usual figure used for this purpose (this loan was for setting up Federation offices).

These savings plus \$42,446 available from the Community Fund gave a total of \$118,446. In the light of the additional funds available from the Chest and the savings effected, our Committee felt that highest priority should be given to a salary adjustment. Our Committee agreed that such an adjustment be 5% over the approved 1957/58 salary budgets.

After much discussion, the Committee concluded in spite of the demonstrated need for some new positions, no expansion or improvement of service could be recommended for the coming fiscal year for any local agency.

Other than the salary item, only minor adjustments in other budgetary items were made. The Budget Committee took cognizance of increased food costs, and the need to maintain buildings in good repair. Too, some additional funds had to be provided for central services, such as retirement, social security, and insurance.

Throughout its deliberations, members of the Budget Committee expressed concern that economic conditions in 1958 call for extreme care in evaluating the collection potential of this campaign. For this reason, the Committee recommends that

the \$56,717 after the adjustments referred to above, be added to the contingency reserve fund. This reserve fund may well be needed further if the Budget Committee's income estimates should prove to be too high. Many agencies increased their own income projection to which the Budget Committee itself added additional in some instances.

The Budget Committee wishes to make the following specific comments and recommendations:

A. NATIONAL AGENCIES

1. NATIONAL AGRICULTURAL COLLEGE

The Welfare Fund Committee at the request of the Budget Committee is presently engaged in a study whether this agency should be continued as a beneficiary. Pending action by this Board on a recommendation of the Welfare Fund Committee, our Budget Committee recommends the allocation to this agency be kept in a contingency fund. If the Board upon recommendation of the Welfare Fund Committee should vote that this agency no longer be continued as a beneficiary, the Budget Committee recommends that no allocation be given to the agency in the fiscal year 1958/59.

2. LEO N. LEVI MEMORIAL HOSPITAL

The Budget Committee is recommending a reduced allocation to this agency because Cleveland's contribution to this organization in the past years has been out of line with the grants made by cities comparable to Cleveland.

B. LOCAL AGENCIES

1. JEWISH ORTHODOX HOME FOR AGED AND MONTEFIORE HOME

At the present time it is not known whether there will be a session of the State Legislature considering the possibility of increased aid to the aged. The Budget Committee recommends the allocations to both homes for the aged be made with the understanding that the allocations for the fiscal year 1958 will be adjusted if and when additional funds from this source become available.

2. CLEVELAND HEBREW SCHOOLS AND YESHIVATH ADATH

In reviewing the budgets of the Cleveland Hebrew Schools and the Yeshivath Adath Schools, both of which are operating afternoon schools with a comparable enrollment, it appeared to our Committee that the Yeshivath Adath is doing a more adequate job in obtaining tuition income. As this is only a general impression which cannot at this time be substantiated, the Budget Committee recommends that the Social Agency Committee be asked to undertake a study of the tuition practices of the two schools.

3. HEBREW ACADEMY

The Hebrew Academy was budgeted for the current year on the basis of an enrollment of 450 students while the budget projection for the next year is based on a 490 student enrollment. Our Committee has again based its projection on 450 students because available funds do not permit increased support on a larger enrollment basis.

4. BELLEFAIRE

In the case of Bellefaire, the Budget Committee was again cognizant of its responsibility to budget this agency on behalf of all communities using Bellefaire's services. Proper attention was given to all items of expenditure which are the basis for establishing a per diem cost. Applying the formula which has been in existence for a number of years, the Budget Committee arrived at a per diem cost of \$15.51. The Committee believes that in lieu of our total commitments, Cleveland can only assume responsibility for 9,300 days' care to Cleveland Jewish children. This limitation will not prevent Bellefaire from servicing additional children provided that:

- a) No additional monies will be asked from the Cleveland Federation and
- b) No increase will be effected in the rate of spending.

With regard to all local agencies the Budget Committee wishes to reaffirm the following resolutions which had been adopted previously:

1. No requests for additional allocations will be considered in the course of the fiscal year, unless a case of dire emergency exists which would threaten the proper operation of an agency. (This same rule has been in effect for several years.)
2. All local agencies are urged to examine continuously all items of income and self-support. Our agencies are serving more and more a cross-section of the community in all income brackets. The Budget Committee is sensitive to current economic conditions, yet feels that its income projections are realistic and that the agencies should continue to strive for greater self-support.
3. The Budget Committee strongly urges each agency to examine its administrative practices to insure that they are following sound business practice in connection with miscellaneous expenditures. The Budget Committee feels in some agencies substantial requests for such items as: out of town travel, telephone, printing, transportation of workers, etc., may need study. This year, the Budget Committee urges all local agencies to give particular thought to their interpretation programs. There have been comments that too many mailings emanate from our agencies.

Regardless of the amount of money it has to work with, a Budget Committee is always faced with a most difficult assignment, because there is never enough to cover all requests. Every effort is made to approach the budgetary problems of all beneficiary agencies with fair and open minds. As all points of view are represented in the Budget Committee, all members of the Committee are exposed to the needs of all agencies, and attempt to make decisions they feel to be in the best interest of the whole community.

The Budget Committee appreciates the cooperation and understanding of the representatives of the agencies which share in the funds distributed. This constructive attitude was evident in the careful preparation and presentation of their budgets for the coming fiscal year.

The Budget Committee recommends that the Board of Trustees approve this report, together with the specific allocations.

Jewish Welfare Fund appeal
Dear Temple Member:

Our community is about to enter the 1958 Campaign for the Jewish Welfare Fund. Realizing the tremendous importance of this campaign this year I am taking the liberty of writing to you in the hope that you will give it your maximum support. [1958]

Our Temple members have in all previous years made very commendable contributions to the Jewish Welfare Fund, both in terms of giving and also in leadership and as active workers. This year the Welfare Fund is reaching out for the largest goal in its history. This has been made necessary not alone by the increasing needs abroad, but by our local needs here in Cleveland. Many people do not realize that nearly forty cents of every dollar remains with our local agencies -- Family Welfare, Child Care, the Aged, the Acute and Chronically Ill, Jewish Education, Vocational Guidance, etc. All these agencies are facing this year increased costs in carrying on their activities.

The Overseas needs of our people have not diminished. Tens of thousands of Jews from Europe, North Africa and Poland are forced to seek emigration opportunities and are eager to settle in Israel.

The young State of Israel is celebrating, this year, its 10th Anniversary and during this year it will take in its One-Millionth Jewish refugee. We all wish, I am sure, to help Israel take care of these refugees, and to assist in its economic growth and stability.

I am leaving for Israel in a few days to see what has been accomplished there as the result of the generosity of American Jews and the skill, enthusiasm and dedication of its own people. I shall return before our Campaign is over -- in time to celebrate what I hope will be another very successful community achievement such as we have enjoyed

~~xxxxxxx~~

in past years and which has placed the Cleveland community in the very forefront of generous giving among the Jewish communities of America.

Let us all do our share to the maximum of our ability!

AHS:sl

Most cordially yours,

ABBA HILLEL SILVER
