My dear Dr. Silver:

I am sorry to trouble you so soon but it is really a followup of our talk in London in connection with the invitation extended to you by our Pittsburgh friends to be the guest of honor at a Dinner which they are planning for Monday, October 8th or for Thursday, October 11th.

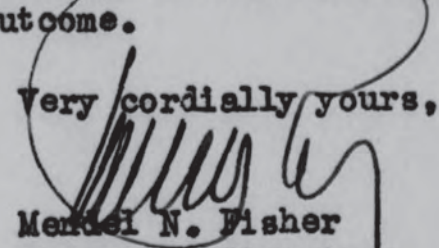

A delegation consisting of Mr. Engelberg and Judge Ellenbogen who were in New York a few days ago to discuss this matter expressed the hope that you will accept their invitation.

I received a long distance telephone call today in which our Pittsburgh friends advise that they would like to be able to build a Dinner around you in tribute to your Zionist work, etc. I know that you are carrying many heavy burdens but you know that the JNF has spared you as much as possible. It would be a service not only to the JNF but to the Zionist movement as well if you could accept, as I hope you will, the Pittsburgh invitation.

They expect a tremendous turnout and are genuinely desirous of utilizing this occasion as an expression of gratitude to you for your magnificent leadership of our Cause. It is my sincere hope that you will find it possible to accept this invitation which comes from warm friends and admirers. It will also mean a great deal for the JNF.

I hope you found Mrs. Silver and the children in the best of health. I have been barraged with telephone calls since my return concerning the London Conference. There was widespread interest in the deliberations and there is general satisfaction in the outcome.

Very cordially yours,

Mendel N. Fisher

Dear Rabbi Silver:

As an integral part of the population of Greater Cleveland, the local Jewish community is called upon to lend its full cooperation and support to the War Chest Victory Campaign conducted by the Community Fund from October 15 to 25.

The \$6,000,000 goal this year is \$250,000 greater than last year's, the increase representing the minimum cost of added services needed by our home population in this immediate post-war period. During the war years, our local agencies were compelled to forego meeting certain needs because of the pressure of direct war-related demands. But now, these services can no longer be denied our community.

May I ask you to bring to your congregants during your forthcoming services the message of the War Chest and its campaign needs? In addition to aiding agencies providing war relief and catering to the morale of the millions of men still in our armed forces, the Chest Appeal finances the operation of 100 social agencies on the local scene. Included in these are our Jewish Welfare Federation and its health and welfare agencies, which receive a total of more than \$400,000 through the War Chest Campaign. This year's campaign marks the end of the War Chest drives, as Cleveland will resume its regular Community Fund Campaign next year.

I enclose a War Chest Campaign leaflet, which gives you fuller information about the drive and the beneficiary agencies.

Your interest in this great cause, conveyed to your congregation, will as in former years do much to enlist in greater measure their generous financial support and service.

Yours sincerely,

President
The Jewish Welfare Federation

My dear Dr. Silver:

Re: Pittsburgh, Pa. - October 17, 1945

I understand from Judge Ellenbogen and from our Mr. Kadis that they expect a large turn-out for the dinner. Judge Ellenbogen is very eager for you to come as early as possible so that you may meet some of the prominent non-Jewish statesmen of Pennsylvania who can be very helpful in our political work.

I am coming especially for this dinner. I shall be flying in from Buffalo where I am speaking before the Hadassah.

I do not know whether it is a surprise to you or not but a presentation in the form of an album including a large number of golden book inscriptions is to be made to you. It is quite a formidable list of donors who have given \$100 and over as an expression of tribute to you for your Zionist leadership. The entire proceeds, as you are aware, will go for the acquisition of land in Palestine.

The Committee is very anxious to receive an advance copy of your address so that they can give it the widest publicity. We know that you have a very busy schedule but our many friends have worked so hard and so diligently that I trust you will be able to comply with their request. Will you have your secretary forward to Mr. I. Kadis, Jewish National Fund, 901 Keystone Bldg., Pittsburgh, who has been handling the affair on our behalf, two or three copies of your address. If you cannot give him a complete text, if you will give him the highlights it will be very much appreciated.

The Committee wants you to deal, of course, with the political situation. I am sure you will want to make reference to the work of the Keren Kayemeth since the evening is being sponsored by the Jewish National Fund.

I should like to ask of you, too, to say a word in appreciation of the splendid leadership that Judge Ellenbogen has given our effort. He has spent a great deal of time and energy and has given of his fine talents to make the evening a crowning success. The Chairman of the JNF is Mr. Max Engelberg, who has been of tremendous assistance to us and the name of Mr. I. Kadis too should be mentioned as one who has had a great share in the success of the evening.

I am sending you "Facts and Figures" together with our calendar which will give you a factual picture of our operations. I am sending you this merely as background information. We would like to emphasize the urgency of land acquisition as it relates itself to our political struggle.

I have made reservations to fly to Cleveland from Pittsburgh on the morning of the 18th at 9:08 A.M.. I would suggest you stay overnight and take the same plane out. You will, of course, send us a bill covering your expenses.

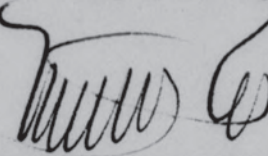

2

Dr. Abba Hillel Silver - 10/11/45

It was very kind of you to have accepted the invitation to speak for the Jewish National Fund. From all indications, it is going to be a truly great event, not only for the Pittsburgh Jewish community but delegations are coming from other parts of the State as well.

With warmest personal regards,

Sincerely yours,

My dear Judge Ellenbogen:

I have tried to make arrangements for a plane which would get me into Pittsburgh earlier than 5:45, which is train time. So far I have not succeeded. I cannot leave early in the morning because there is an important meeting which I have called for that morning. If I can get a plane reservation which will get me into Pittsburgh earlier in the afternoon, I will let you know.

THIRD ANNUAL DINNER

of

JEWISH NATIONAL FUND

Dr. Abba Hillel Silver

Guest of Honor

WEDNESDAY, OCTOBER 17, 1945

BALL ROOM, HOTEL WILLIAM PENN

PITTSBURGH, PA.

In Appreciation

THIS is the third annual dinner sponsored by the Jewish National Fund in Pittsburgh over which it has been my privilege to preside. Each of these dinners has been an affair worthy of the Jewish community of Pittsburgh and of the high purposes of the Jewish National Fund. Tonight we honor a leader of American Jewry, whose greatness is recognized in every land where Jews dwell and whose eloquent voice is ever raised for the fulfillment of the Jewish hopes in the Holy Land.

I wish to acknowledge my deep appreciation of the services of the Associate Chairmen and officers of the Committee, the members of the Executive Committee, and all the co-workers whose unselfish efforts made this, like the previous dinners, an inspiring event.

I am deeply grateful also to our guests who contributed generously towards the redemption of the Land of Promise.

JUDGE HENRY ELLENBOGEN

Chairman of Committee

The moving finger writes...

4,000 Years Ago the Jew appeared in history. In the centuries that followed, rooted in his own soil, he evolved a spiritual life whose ideals form the bedrock of all that civilized men hold dear to this day . . .

2,000 Years Ago he was driven forth from his land. From generation to generation he suffered oppression and calumny, cursed by his landlessness. Yet always a fresh generation arose to withstand the oppression, armed with indomitable persistency, with the memory of lost liberty, with unquenchable hope of reviving the people on its own soil. Never did that historic continuity falter . . .

28 Years Ago in the midst of the First World War came the Balfour Declaration which stirred to life the twenty-century-old vision. Physical attachment with the ancient soil was renewed, land regenerated, language revived, a new generation reared free of the corrosive influence of the Diaspora—these were the beginnings . . .

Today, the forces of evil which dominated the world these past six years are shattered in total defeat. And, among the ruins lie the corpses of uncounted millions of Jews. Slowly, the remnants of European Jewry rise from the valleys of woe and anguish. Despite unspeakable tortures, their spirit remains unbroken. They still hope. Their voices in an ever-growing crescendo, demand . . .

Redeem the Land of Promise! REDEEM it for us, the tormented. **REDEEM** it for us who demand the right to rebuild our broken lives. **REDEEM THE LAND! REDEEM!** . . .

Tomorrow, when the promised land is ours again, it will again be the source from which Israel will draw its inspiration for a life of freedom, creative power, and of high achievement.

The records of an imperishable people...

THE JEWISH NATIONAL FUND FOUR DECADES OF ACHIEVEMENTS

Established forty-four years ago, the Jewish National Fund was formed as an instrument of the Jewish people to translate into reality the program for the upbuilding of Palestine as a Jewish Homeland.

The Fund has acquired, as of today, more than 800,000 dunams of land in Palestine. Upon these lands there have been established 190 agricultural colonies in which the Jewish pioneers live, work, and build a new future for their people.

The continuous progress which marked the work of the Jewish National Fund has not been interrupted by World War II. Since September, 1939, the Keren Kayemeth (as the Fund is called in Hebrew) has acquired a new area of 400,000 dunams. The same pace of progress is still being maintained. This has made possible the establishment of scores of new settlements.

On the land of the Fund there have been established 103 Moshavim (smallholders' settlements), 87 Kibbutzim (communal settlements), 57 workers' camps, 12 agricultural schools, 20 rural quarters, and 16 urban quarters.

These settlements, constituting the backbone of the Jewish National Home, have created a pattern of salvation for the survivors of the slaughter in Europe and for the renaissance of the Jewish people as a respected member of the family of free nations in a world of justice and freedom.

My dear Dr. Silver:

I am enclosing herewith clippings from today's Pittsburgh daily newspapers. Everyone here is still under the spell of your historic address last night. As for myself, I want to state that I was conscious of the tremendous significance of your visit to Pittsburgh recognizing its importance beyond the local JNF Dinner and I hope that the press reports locally as well as nationally will have reflected your visit and utterance last night.

I was privileged to serve the movement in Pittsburgh on this occasion and I hope that I may have opportunities in the future to be of further service in these historic days. I look forward to an opportunity to talk with you.

With kindest personal regards, I am,

Dear Dr. Silver:

The subject matter of the enclosed copy of my letter to Mr. Joseph M. Berne is, I think of critical importance both to the American Fund and the Jewish Welfare Federation of Cleveland. Because of your understanding and sympathy for the aims and purposes of the Fund, I do hope I can count on you to help arrange a meeting at which we can discuss this matter. I am looking forward with a great deal of personal pleasure to seeing you.

Sincerely yours,

Mr. Joseph M. Berne, President
The Jewish Welfare Federation
Public Square Bldg.
Cleveland, Ohio

Dear Mr. Berne:

Five years ago, with strong convictions as to the essential nature of cultural and educational agencies to Palestinian life, I set out to establish in America a unified Fundraising Organization for Palestinian Institutions which would be efficient, progressive, and mutually beneficial to them and to organized American Jewish communities.

Today the American Fund is recognized, approved and supported by 232 Welfare Funds and by the Jewish Community of New York, and will receive from them for 1946 an estimated income of \$450,000; a glowing testament to the desire of American Jews to create coordination and low-cost fundraising where chaos once existed.

I am mindful, however, that the American Fund functions as an instrument of the American Jewish community through its representative bodies such as your Jewish Welfare Federation. Our National Council, consisting of some 450 community leaders, has been invaluable to us in its guidance, but at the same time too large to serve as an operative body. I am eager, therefore, to establish as part of this Council a Budget Advisory Board, of not more than 35 members, which would meet once each year, and which would have the following functions:

1. To guide us in the adoption of our annual budget, after an examination of the programs and needs of the Agencies
2. To guide us in the determination of the equitable proportion of the budget to be asked of each community
3. To advise and assist us in the interpretation of this program to the communities of the country

I, therefore, appeal to you, as President of the Jewish Welfare Federation, to recommend from your community leadership a representative person whom I can invite to serve on this Budget Advisory Board. I list below for your information the persons in your community who are associated with the organization, but I assure you I would welcome your selection of someone whose approach would be fresh and objective.

Mr. Joseph M. Berne

I am devoting several weeks to a trip around the country on behalf of the American Fund, and I plan to be in Cleveland on Wednesday, February 6. May I have the pleasure of meeting with you at lunch, in the afternoon or in the evening to discuss the above with you and such others of your leaders as you feel would be interested.

I look forward to the pleasure of meeting with you soon.

Sincerely yours,

Edward A. Norman, President

Dear Rabbi:

May I ask you to serve as one of the Delegates for the Welfare Fund of the Jewish Welfare Federation at the General Assembly of the Council of Jewish Federations and Welfare Funds to be held in Detroit on February 8-11; there are five other Delegates appointed with power to vote and in the event that any of the delegates so appointed find that they cannot attend the Assembly, their votes will be cast by Alternate Delegates now being appointed also.

Hotel reservations have been requested of the Council Office in New York for yourself and the others and I would ask you to please advise the Federation Office at once if you will be able to attend.

The minutes of the Board meeting of the Federation held on December 26, 1945 contain a statement and resolution adopted by the Board with regard to instructions to the delegates in voting on the Proposal for a National Advisory Budgeting Service which is to come before the Assembly. The Delegates are to be guided by this resolution.

I trust that you will be able to attend and will so advise us.

I am,

Yours sincerely,

Chairman,

Minutes of the Regular Monthly Meeting of the Board of Trustees of the Federation held on Wednesday, December 26 at the Federation Office.

1. There were present:

Henry A Rucker, Chairman	
Harry F Affelder	Mrs. Albert J Goodman
Judge Maurice Bernon	Dr S F M Hirsch
Rabbi B R Brickner	Frank E Joseph
Rabbi Armond E Cohen	Jack Lampl
Jerome N Curtis	James H. Miller
Mrs. Mildred Davidson	L W Neumark
Emil Elder	Edward L Rosenfeld
Eugene Freedheim	Ezra Z Shapiro
Suggs Garber	Mrs. Benj Levine

2. Minutes of the regular meeting of November 28, having been mailed to the members, further reading was dispensed with.

3. The members present were furnished with copies of the statements of the financial operations of the Federation for the fiscal period ending November 30. (Copy here attached as Exhibit A.)

4. With reference to the next Federation Annual Meeting, the Chairman advised that Dr. E.M. Bluestone, the Director of the Montefiore Hospital of New York City, had accepted an invitation to come as Guest Speaker and to discuss an over-all program of health service for the Jewish Community. Invitations for the 42nd Annual Dinner Meeting, which will be held at the Carter Hotel on January 20, should be mailed out this week.

5. Mr. Sidney Weitz who, with Mrs. Emery Klineman, Mr. Leonard Ratner, and the Executive Director, had attended the National Conference called by the United Jewish Appeal at Atlantic City, December 14-17, gave a brief resume of the proceedings. Mr. Weitz stated that all of the reports given by American representatives of the J.D.C. who had been abroad as well as the Jewish leaders from overseas who addressed the Conference, were to the effect that Jews could not live in Europe because of the deep-seated anti-Semitism which prevailed generally throughout most of the countries and especially where displaced Jews were congregated in large numbers. As a result, hundreds of the Jews were trekking daily over the borders towards the south of Europe to escape these manifestations of hatred and persecution. At the moment it appeared that Palestine offered the only possible haven if the doors of immigration could be opened and every effort had to be made to transfer as many of the displaced persons and even nationals who desired to go to Palestine. As a result of these conditions, the burden upon American Jewry would be greater than ever and a resolution adopted by the Conference called for the raising of \$103,000,000 for 1946. This would supply the needs of the J.D.C. and the U.P.A. on the present basis of their agreement as to the division of funds; and also the needs of the National Refugee Service which would likely be increased now by reason of President Truman's opening of the doors of immigration into this country within the established quota.

There was some discussion as to the possibility of securing such a huge amount of money nationally or locally so far as the local quota was concerned.

6. The Board was advised that a letter of condolence had been sent to Mrs. Jacob Soglovitz on the passing away of her husband recently, Mr. Soglovitz having been an active member of the Federation Board for many years.

7. A telegram of congratulations was sent to Rabbi Brickner on behalf of the Board in recognition of his years of service as a spiritual leader of the Euclid Avenue Temple and his valuable participation in communal affairs.

8. The Central National Bank, as Trustee for the Past Service Retirement Fund of the Federation, recommended recently the investment of

\$10,000 of the Trust Fund in $1\frac{1}{2}\%$ United States Treasury Bonds due in 1950; and \$4,000 in $2\frac{1}{2}\%$ United States Treasury Bonds redeemable in 1962. The investments were approved by the Retirement Fund Committee.

9. In response to the request of the Jewish Convalescent Hospital for representation on the Federation Social Agency Committee, motion was made, duly seconded, and carried that such representation be granted.

10. The Chairman stated that he would shortly appoint the Federation's representation on the Jewish Community Council for the ensuing year. The present representation included Messrs. Paul Einstein, Nathan Loeser, Max Simon, and himself.

11. Approval was given to the renewal of the \$500 allotment which the Federation had granted for the past two years towards the public relations program of the Welfare Federation. This allotment would be effective for the year beginning September 1, 1945.

12. The Federation, having been requested by the Council of Federations and Welfare Funds to appoint 12 delegates to the General Assembly which is to take place in Detroit, February 8-11, the Chairman stated that there was involved as one of the important items of business coming before the Assembly, the question of the adoption of a proposal for a National Advisory Budgeting Service. Copies of the proposal had already been sent to all of the Board members of the Federation for their reading and the Chairman desired to know if the matter should be taken up for consideration at a special meeting of the Federation Board with the end in view of instructing the delegates as to their vote on the proposal.

Mr. Jack Lampl expressed the view that the question was of sufficient importance to warrant a special meeting and a full discussion, particularly since there were too few Board members present at this meeting.

Judge Bernon then stated that he had given a great deal of thought to the matter and was himself convinced of the desirability of a program of National Advisory Budgeting Service such as contemplated by the proposal. However, he was of the opinion that since the two major agencies, the Joint Distribution Committee and the United Palestine Appeal, were bound by an agreement as to division of funds for 1946, such a budgeting procedure would have no effect on the budgeting of these agencies for the ensuing year; and furthermore, that precipitating discussions locally or nationally on the subject at this time would only tend to weaken the U.J.A. Drive, which had to be made this year for a tremendously increased goal which had been voted. He moved, therefore, that the Federation's delegates be instructed to vote for any deferment of a vote on the proposal at the Assembly; and in the event the Assembly voted not to defer action, the delegates were further instructed to vote no, without regard to the merits of National Advisory Budgeting Service and solely because in the opinion of the Federation Board, the best interests of Jewry would be conserved by taking no action at this time which would tend to divide us in the crucial year of 1946.

Judge Bernon's motion was seconded and following some further discussion, the motion was put to vote and carried, Mr. Lampl voting in the negative.

13. No further business coming before the meeting, it was adjourned.

Respectfully submitted,

S. Goldharun
Secretary

My dear Dr. Brickner:

I received your letter of January 7 informing me of my appointment as a delegate for the Welfare Fund to the General Assembly of the Council of Jewish Federations and Welfare Funds which will be held in Detroit on February 8-11. I should very much like to attend the meeting but unfortunately I have a long standing engagement to be at Harvard University over the weekend and to preach there on February 10.

I should not like to cancel the engagement or ask for a deferment inasmuch as I had already asked for another date because of my visit to Palestine.

I need not tell you how very grateful we are for your continued and most generous interest in the cause of aid to our European co-religionists, and I hereby acknowledge on behalf of the Jewish Welfare Fund Committee, the receipt of your \$500 Bond as your contribution to that aid for 1946.

Distinguished world and American leaders will address this conference.

MAJOR GENERAL WILLIAM J. DONOVAN, noted soldier-hero, diplomat, administrator and head of America's Office of Strategic Services during the World War - Member of the War Crimes Prosecution Staff for the preparation of evidence against the Nazi war criminals tied at Nuernberg.

HON. CLAUDE PEPPER, United States Senator from Florida, orator, statesman, liberal, fighting advocate for post-war world order.

DR. IMRICH ROSENBERG OF PRAGUE, Minister of Social Welfare of the Czechoslovakian Government.

RABBI ABBA HILLEL SILVER, President of the Zionist Organization of America.

HAROLD J. GOLDENBERG, National Chairman of the U. J. A. for Trades and Industries.

DR. JOSEPH C. HYMAN, Executive Vice Chairman of the Joint Distribution Committee.

HENRY MONTOR, Executive Vice Chairman of the United Jewish Appeal.

Conference sessions are as follows:

Morning session: 10:00 A.M., Luncheon: 12:30 P.M., Afternoon session: to 4:30 P.M.

Dear Rabbi:

I thought you would be interested in the enclosed copy of a letter which I sent to Mr. Goldhamer concerning the invitation to return to Cleveland as Federation director. I wanted to discuss this with you last weekend but I didn't have the heart to trouble you after Sunday night, knowing your condition and the pressures you are under. Florence told me of her conversation with Aunt Virginia, and I believe the letter is in line with your judgment. I'll let you know what the response is.

I hope you've completely recovered. It was a real pleasure - and an inspiration - to see and hear you. Please give our love to Aunt Virginia and Raphael.

Sincerely,

Phil

SPECIAL DELIVERY

Mr. Samuel Goldhamer
Jewish Welfare Federation
320 Chester-Twelfth Bldg.
Cleveland, Ohio

Dear Mr. Goldhamer:

It looks like you win. I was pretty well pushed over the fence by the time I left Cleveland Saturday night and your own generous attitude had much to do with it. Further consideration here has completed the process subject only to your confirmation of my understanding of the arrangement as follows:

As I told you, I have reached the point professionally where I could not accept an assistantship or associate directorship. I was also convinced, as you know, that even from your own standpoint a divided authority would not work. You answered that by making it clear you wanted me to take over the position and authority of the executive in fact as well as in title.

The other major question was the scope of responsibility. I would not want to confine myself to responsibility for the functional agencies only. Here too, your own statement that the Federation and Welfare Fund activity could not be separated and that it all formed a unit settled that. I understand, therefore, that I would be director of the Welfare Fund as well as of the Federation.

While titles aren't crucial, I don't think there ought to be any confusion on that score. Where there is an Executive Vice-President and an Executive Director the former is usually the active director of the organization and the latter the assistant director. I believe that something like "Consultant" (Ben Selekman's title in Boston) would be more accurate and preferable.

If the officers, you, and I have the same understanding of my responsibility as executive, as I have reviewed it, there is nothing left for me to do but to say I'll accept -- and look forward with great pleasure to coming to Cleveland.

Mr. S. Goldhamer

April 5, 1946

I told Mr. Larie of the desire to have me start June 1. This would depend in part upon our ability to get a successor, and I hope that we would at least have one selected if not actually on the job by that date. The other factor is that of a vacation. I didn't get out of town last summer, and have put in a terrific year. In justice to Florence as well as to myself - and to the Federation - I really ought to get away for a vacation soon. I want to work all of this out satisfactorily for the Council and the Federation, and I'll know better in two or three weeks how it will shape up. I don't want to delay your own vacation, and would try to arrange things with that in mind.

I want to tell you again how much I appreciate everything you've said and done. After nine years of daily association, it means a great deal. Your confidence in turning over the Federation after 40 years of stewardship is something which no one could take lightly. I hope that I shall justify that confidence.

Sincerely yours,

PHILIP BERNSTEIN

CONFIDENTIAL

April 15, 1946

Rabbi A. H. Silver
The Temple
East 105th Street & Ansel Road
Cleveland, Ohio

Dear Rabbi:

I am enclosing a copy of Henry Rooker's reply to my letter. After further consideration, and knowing something of the conversations which took place upon receipt of my letter, I have decided that the proposed arrangement is untenable and that I cannot accept it. I wired Rooker that I wanted to consider the matter further and that I could not give him a decision for two weeks. In the meantime I shall appreciate very much having your suggestions and advice on the enclosed draft of the letter which I plan to send.

The prospects of returning to Cleveland would be a very pleasant one personally and the directorship of the Cleveland Federation is of course one of the top professional opportunities in the country. But that isn't what was offered and my own work here is of such a nature that I see no reason for leaving it for something basically unsound. For example, during the past two and a half years I have helped, directly and through our staff, to reorganize fundamentally over forty communities -- through the formation of Jewish community councils in cities such as Newark, Atlanta, and Dayton, mergers of federations, welfare funds, and community councils in communities like Hartford, and Oakland, and revision of community council constitutions in cities like Rochester and Richmond -- all to make them broader in scope, more representative in structure and more democratic in operation. There is a great deal of satisfaction in it and I believe significance in this and there is no point in leaving it to return to what in effect would be a renewal of the former assistantship on a somewhat different level.

Florence and the children are well and send their love.

Cordially,

Phil

Dear Phil:

I received the copy of your letter to Mr. Goldhamer in Saturday's mail and am very happy to know of your decision to accept the position.

I believe your letter accurately sets forth the substance of the arrangement discussed at our meeting.

I agree with you that titles are not crucial, but in view of the fact that it will be definitely understood that you will be the Executive Director in fact as well as in name, it is my feeling that we should, in recognition of his long and distinguished service to the Federation, confer on Mr. Goldhamer the title of Executive Vice President. I am confident that this will meet with your approval.

I am calling a meeting of our executive committee to approve the arrangement.

With best wishes, and looking forward to seeing you soon, I am,

Sincerely yours,

Henry

Draft of Suggested Letter to Henry A. Rucker

Dear Henry:

As you must know, I have been giving the most careful consideration to the very attractive opportunity to return to Cleveland as executive director of the Jewish Welfare Federation. Very reluctantly, but inescapably, I have been forced to the conclusion that the proposed arrangement could not work satisfactorily and that I must decline to accept it for reasons which I shall try to explain.

As I have looked ahead to see what the arrangement would mean, specifically rather than generally, it has become crystal clear that regardless of titles and formal agreements, I could not be the executive director "in fact as well as in title". A cardinal requirement of any administration is that with responsibility must go equal authority. This could not obtain under the proposed arrangement. I would in effect have full responsibility with only partial authority.

Despite my title, elementary human decency would make it necessary for me to confer with Mr. Goldhamer on every important matter. Obviously, I could not and would not ignore him. No one with any sensitivity to what is involved would fail to ask his judgment on such questions. In matters on which we might not agree -- no two people are going to see eye to eye on everything, and there is no point in blandly and vaguely expecting that such questions would always be resolved -- in such matters, while I would have the paper authority as executive director, I would not want to and could not ride rough shod over the judgment and feelings of the person who has held the reigns for forty years. To refer to him in this case must mean to defer to him. The only alternative would be a situation which would cause him and me - and the Board - considerable unpleasantness, and could not continue very long.

What it would mean is that I would be an associate rather than an executive director, with divided authority. I would find myself compelled to do not what I thought best, but something contrary or less than what I believed was indicated. One simply doesn't treat a man with Mr. Goldhamer's history with the Federation as a subordinate. Yet I cannot take responsibility for actions and procedures with which I do not fully agree.

Having served as an assistant director of the Federation for nine years, though with a different assignment of specific responsibilities, there would be no point in my returning to that role.

Another major deficiency in the plan is that if I were to carry out my responsibility, I don't see how an administrative arrangement other than such consultation could be made for Mr. Goldhamer that would be satisfactory to him or to the community - at least for eight or nine months of the year. Your statement was that I would have complete responsibility for the Federation and Welfare Fund. To carry that out, I would have to have executive responsibility for all Board matters, all major Federation and Welfare Fund Committees, would have to represent the Federation professionally in the Community Chest and Cleveland Welfare Federation, and would have to direct the Welfare Fund campaigns and the work with the Welfare Fund Committee on policies. To meet these obligations, I could not delegate action or judgment on these primary responsibilities.

This would leave possibly a minor committee or two, and some subordinate aspects of the campaign for Mr. Goldhamer. I don't see how he could find that arrangement satisfactory. I don't believe from our discussion that that is actually the arrangement which you or he envisaged. Yet I could not be responsible for the Federation and Fund under any other procedure.

Here too there would be the question as to whether one can "assign" subordinate tasks to a predecessor.

In short, my administration would have to be a series of professional compromises. I could not do justice to the position or myself under such circumstances.

There would be no reason for me to spend two years under such an arrangement in order to be "groomed" for the position. Such a procedure in any event would be an extraordinary one. In this case having spent nine years with the Federation and followed its work very closely since that time, there would be no question as to my being familiar with the community and the Federation. And on the basis of that service and of my activity during the past three years as consultant to Federations and Welfare Funds throughout the country, I know that my professional competence was not in question.

Logic and instinct therefore tell me that the plan is not feasible. There is experience to support that judgment. Two other major cities entertained the prospect of such an arrangement recently. One discarded it when it found that the men it wanted as successor to the executive would not accept the position. The other tried it and found it a very unhappy experience, to the point where the person employed was on the verge of resigning.

As I told Mr. Goldhamer when he first proposed such an arrangement to me, I don't see how he can be anything but the executive director so long as he is associated with the Federation and regardless of how inactive he may be in doing the detailed administrative tasks. I don't see how anyone can be employed as his successor until he terminates that association - which is of course the usual procedure.

I have tried to be entirely frank in setting forth this reasoning, because I believe that the situation requires such frankness, and because I could not be less than completely honest. The decision has been a most difficult one - the most difficult I have ever made. I could not see how I could fail to accept the opportunity to direct the Cleveland Federation. Yet I could not see how I could accept the proposed arrangement. The question resolved itself when an analysis of how it would actually work on a day to day basis made it clear that the position was not actually that of executive, that it could not be anything but an associate directorship regardless of title, and that the contradictions involved would make it untenable for Mr. Goldhamer and the community as well as for myself.

I understand fully the purposes and merits of what you have been trying to achieve through this arrangement, and can see why it seemed sound and logical to attempt it. But I cannot see it actually working, and I am convinced that experience would bear out this judgment.

I want you to know that I am deeply grateful for the generous and kind statements which the officers and Mr. Goldhamer made, and for everything that your invitation implies. It made it almost impossible not to accept, and you may be sure that I am most appreciative.

Sincerely yours,

Philip Bernstein

BULLETIN NUMBER SIX

APRIL 19TH, 1946

MORE PLACES WHERE OUR JEWS NEED HELP IF THEY ARE TO SURVIVE

Belgium

A third of Belgium's Jews who survived the war, are in urgent need of aid. Credit co-operatives have been established in Brussels and Antwerp. 1946 appropriations to April first, amounted to \$795,000.

The Netherlands

In the Netherlands, 30,000 of the pre-war 150,000 Jews have survived. The J.D.C. is supplementing government aid for the Jews and in one recent shipment sent 4,300 undergarments, 3,000 sweaters, 3,000 wool caps, 7,200 pairs of hose, 315 pairs of shoes and 1,075 Prayer Books. To April 1st a total of \$230,000 was appropriated for 1946.

Italy

Of the 52,000 Jews in Italy, 15,000 to 20,000 are refugees and displaced persons half of whom live in UNRRA Camps. Institutions subsidized by the J.D.C. include twenty canteens, fifteen hostels, five homes for the aged, one Hospital, nine maternity and convalescent homes, ten children's Institutions and eleven schools. Total appropriations to April 1st amounted to \$440,000.

Greece

Fewer than one out of seven Greek Jews survived. Of the 10,500 who remain, 4,500 are on relief. The J.D.C. has purchased \$60,000 worth of supplies in Palestine for distribution in Greece and also shipped food and clothing from this country. Appropriations for 1946 amounted to \$175,000 thus far.

Yugoslavia

Virtually all of the 10,500 Jews left of a population of 75,000, require assistance. The J.D.C. subventions canteens, orphans homes and homes for the aged. Recently the J.D.C. shipped 37,700 pounds of clothing, 24,000 cans of food, 6,000 pairs of men's hose and other supplies. Total allotments to date have been \$175,000.

AND THIS DOES NOT BEGIN TO EXHAUST THE COUNTRIES WHERE JEWS IN DIRE
NEED, MUST BE HELPED TO LIVE AND TO MIGRATE OR ESTABLISH THEMSELVES.

EVERY CITY, TOWN AND HAMLET IS GOING STRONG FOR THE \$100,000,000 DRIVE IN NEW HAVEN, 200 GIVERS WHOSE 1945 GIFTS TOTALLED \$138,000, HAVE ALREADY SUBSCRIBED \$360,000 OR \$35,000 MORE THAN THE TOTAL SUBSCRIBED IN 1945.

IN BUFFALO, 30 CONTRIBUTORS UNDERWROTE FIVE TIMES THEIR LAST YEAR'S GIFTS.

IN BRIDGEPORT, 500 PERSONS WHO GAVE \$40,000 IN 1945, PRACTICALLY CLINCHED THE 1946 GOAL OF \$285,000 BY SUBSCRIBING \$220,000.

AND WE ARE NOT DOING SO BADLY OURSELVES HERE IN CLEVELAND ---- WHAT WE NEED TO DO IS TO KEEP UP THIS PACE. WILL YOU DO YOUR PART?

----- AND MORE

OUR LEADERS THIS YEAR HAVE NOT ONLY BEEN 'SPARK-PLUGS' IN GIVING BUT THEY HAVE BEEN TAKING THEIR PLACES AS SPEAKERS AT THE MANY GATHERINGS OF DIVISIONS AND HOUSE PARTIES. THE GOODMAN-KLEIN-RATNER COMBINATION IS WORKING OUT FINE AND WE ONLY RECORD WITH DEEP REGRET THAT HARRY FISHER HAS HAD TO RETIRE, TEMPORARILY WE HOPE, BECAUSE OF A SUDDEN ILLNESS. WE EXTEND HIM THE GOOD WISHES OF THE WHOLE CAMPAIGN ORGANIZATION.

Last Friday evening, two of our local leaders, Eugene Goodman and John Portner (of the Real Estate Division) were invited to attend a meeting of contributors to the Jewish Federation of Lake County, at Painesville. The Meeting was in charge of Mr Nathan Levitt, former Chairman, Mr Morrie Rosenthal, present Chairman, Dr Ellison and Mr Cofferman. Following brief messages by Mr Goodman and Mr Portner, the gathering decided to raise its pledges for 1946 among those present, and though Painesville turned in only about \$3,300 to the Cleveland Welfare Fund last year, the following, "sparked" by the generous gifts of Mr & Mrs Ralph Abramson, Dr & Mrs Edward Schwartzenfeld, the Levitt Family and Morrie Rosenthal, made the following pledges:

	Pledged 1945	Pledged 1946

The Temple
Ansel and E. 105th St.
Cleveland, Ohio

Dear Rabbi Silver:

We know that you are familiar with the work of our Migration and Location Service in attempting to locate relatives of survivors of Nazi persecution. After exhausting all other channels, we are unable to locate the people listed on the attached sheet.

We believe that it may be possible to locate them through your membership. Could you post the enclosed list on your bulletin board where it would attract the attention of your congregation. We call on you knowing that you realize the great importance of reuniting families who are desperately seeking one another.

Thank you again for your continued cooperation.

Sincerely yours,

Rae C. Weil
