COPY Of letter sent to prospective Chairmen who have
already served in previous Campaigns:

Our experience in the past year when we served as Chairmen for the Welfare Fund Drive, has indicated to us the importance of earlier and more careful preparation. Not sufficient time has been allowed in previous years for proper organization, but we hope, that with the cooperation now of the Chairmen who have served with us in the past Campaigns, we can plan much more effectively for the Drive next May.

May we therefore invite yourself and the other Chairmen and their wives to be our guests at a Meeting at the Oakwood Club on Monday evening, January 13th, at 8 o'clock. While the men are in Meeting, the ladies can play Bridge or visit; and following the conclusion of the meeting, a light supper will be served for all.

This Meeting is an important one to enable us to plan now for such organization as is to take place between now and the May Campaign; will you therefore please try to come.

We should like you to return the enclosed reservation Card so that we may know how many to count on.

Sincerely yours,

My dear Rabbi:

The Officers of the Jewish Welfare Fund and the Committee having in charge Organization for the Campaign in May, have just fixed the date of Sunday, May 10th for the opening of the Campaign in Cleveland.

You will recall that Mr Halle and Mrs Herzog and I spoke to you in Chicago inviting you to address this Opening Meeting and promised, at your suggestion, to advise you as early as possible of the date so that you could arrange to accept our invitation.

The Welfare Fund in Cleveland is under the direction of a Committee of the Federation of which Rabbi Silver is Chairman; and includes the International Appeals, quite a number of National Agencies and a few Local Organizations including the Bureau of Jewish Education. We shall be glad to send you more detailed information if you desire it later on; and in the meantime would like very much to be assured of your acceptance.

I am

Sincerely yours,

My dear Rabbi:

I was indeed very happy to learn on my return to the City that you were planning to so arrange your itinerary as to be able to visit Cleveland on May 10th for the Opening Meeting, which we are planning for our Welfare Fund Drive.

We shall look forward with pleasure to your coming.

Mr. Samuel Goldhamer,
The Jewish Welfare Federation,
1900 Euclid Ave.,
Cleveland, Ohio.

My dear Sam:

I am very happy to learn that Rabbi Lazon
will be with us for the opening meeting of our Campaign
on May 10. That ought to give us an excellent start.

I notice that the letter is signed by Mr. Berne
as Campaign Chairman. I believe that there ought to be a
definite clarification on the subject of the titles and
functions in the Jewish Welfare Fund organization. I note
that I am Chairman of the Jewish Welfare Fund and yet I
don't know what my functions really are. The budget is
decided upon by the Budget Committee, of which Mr. Halle
is Chairman. The Campaign for the Jewish Welfare Fund
seemingly has Mr. Berne for Chairman. These being the
only two functions of the Welfare Fund, I wonder just what
the function of the Welfare Fund organization itself is, and
mine, as its Chairman.

My understanding was that I am Chairman of the
Fund and of the Campaign, Rabbi Brickner, Associate Chairman
of the Campaign, Mr. Berne, Chairman of the Men's Division,
Mrs. Herzog, Chairman of the Women's Division and Mr. Curtis,
Chairman of the Youth Division. If I am wrong about it,
please let me know.

Here's hoping for a grand success next
Wednesday.

Very cordially,

AHS:BK

9. The Minutes of a Meeting of the Jewish Welfare Fund Committee held on February 14th were then read; copy of these Minutes is hereto attached.

The Board having before it the Resolution of the Welfare Fund Committee asking approval of action to augment that Committee by representation from all of the financially participating Agencies of the Fund, and to place with that Committee responsibility for the allocation of the funds, the Chairman called on Mr E M Baker to express his opinion as to the import and effect of the action proposed in this Resolution on the future administration of the Fund.

Mr Ezra Shapiro asked to record, before Mr Baker spoke, his changed vote on the Resolution as presented, he having since realized the full significance of the transfer of control of allocation, as therein proposed.

Mr Baker said that the criticisms which were offered or implied in the discussion of the Welfare Fund Committee were such as should be welcomed by the Organization at any time insofar as they were helpful toward a more successful operation of the Fund; and that that portion of the Resolution which suggested the enlargement of interest and responsibility of the Welfare Fund Committee was entitled to full approval and support. Mr Baker pointed out also, that while the suggestion itself was a wise one, it would be desirable to consider the practical effect of the addition of further official representation on the Committee for Agencies which already had representation in an unofficial capacity; the result being to give to such Agencies greater strength of representation than might be accorded other participating Causes, which did not have any local official connections of their own, and at best would be represented by some single individual not at all adequately prepared to represent and protect the interests of the Agency selecting him. It was Mr Baker's thought, therefore, that in the approval of this suggestion the attention of the Agencies be directed to the fact that the Committee may already have on its Membership one of their representatives, who if satisfactory, might be asked to continue service.

With regard to the transfer of responsibility in the division of the funds, from the present Budget Committee of the Federation to the newly augmented Welfare Fund Committee, Mr Baker expressed the opinion that the Fund would suffer not alone from the inevitable conflict of interests, which would arise within the councils of the Committee itself in the distribution of the moneys; but more so perhaps, from the lack of confidence which many contributors in the Community might feel regarding the decisions of a Committee constituted largely of representatives with special official interests to serve. Mr Baker strongly urged, as he had at the Meeting of the Welfare Fund Committee itself, the disapproval of such an action.

Mr Eugene L Geisner, who offered the original motion at the Welfare Fund Meeting, stated that his original motion did not include the suggestion for the transfer of authority on allocations; furthermore that he did not understand at the Welfare Fund Committee Meeting, that inclusion of this suggestion implied all that Mr Baker had set forth in his statement; nor that there were implied in the discussions which took place, the criticisms recorded in the Minutes regarding the conduct and planning of previous Welfare Fund Campaigns.

Rabbi Brickner then asked for the floor and likewise disavowed any intention to transfer the control of the Welfare Fund out of the hands of the Federation at this time, but said that he felt that the weakness of last year's Campaign and the failure of the Cleveland Community to support its Fund in adequate measure, justified his suggestions for the inclusion of a wider representation of the participating Agencies and a broadening of the base of interest in the Fund.

Judge Bernon, said, that while not wishing to interject himself in the discussion as Chairman of the Meeting, he felt called upon nevertheless as Chairman of the Jewish Welfare Fund Committee, to disagree with Rabbi Brickner in his estimate of the interest manifested in the Campaign of last year; he called attention to the fact that in his judgment there had been no Campaign for the Fund in the past few years into which the personnel had thrust itself with such zeal and earnestness.

After some further discussion in which it was pointed out that there was danger in the new setup, of overlooking the potential value of the newly created Auxiliary Board, it was finally moved, seconded and carried, on the suggestion of Judge Bernon, that the President of the Federation be instructed to appoint a new Welfare Fund Committee for 1935, such a Committee to include the official representatives to be designated by the respective participating Agencies and Causes, it being understood that the Welfare Fund Committee will again avail itself of the services of the Auxiliary Board.

10. Rabbi Brickner asked for the consideration by the Board of the needs of the Bureau of Jewish Education during the interim between the close of the 1934 fiscal year, February 28th, and the time of the Campaign.

It was moved, seconded and carried that the Budget Committee be empowered to make provision on the same monthly basis as the present appropriation, namely \$2,000 per month, to be met out of borrowings and against the Campaign proceeds.

11. No further business coming before the Meeting it was adjourned.

Respectfully submitted

Dear Mr. Goldhamer:

We are happy to learn through Mr. Philip Bernstein as of February 26th that the Cleveland Jewish Welfare Fund campaign is to be held this spring. In view of this timely announcement we are pleased to submit herewith our request for a grant of \$5,000 for Wider Scope. In this respect and in a spirit of helpfulness, may I point out to you that our needs have increased. This year ¹⁹³⁵ we have established a Hillel Foundation at Penn State College. An eleventh Hillel Foundation will be established at North Carolina. We sincerely trust that this time we may hope for an increase in our allotment over that of 1935.

I am enclosing herewith an assortment of literature which I believe you will welcome and want to make a part of your file of information concerning various Jewish organizations.

I am sending a copy of this important communication to the officers of the Jewish Welfare Fund Committee and thus a number of you will be sufficiently informed to discuss this request.

In accordance with Mr. Bernstein's request we are sending to him today current literature, etc., which he will want to use in planning the publicity aspects of your Jewish Welfare Fund drive.

With every good wish for a successful campaign and with personal regards, I am

Dear Mr Goldhamer:

We have your letter of February 27th, and note your request for information as to where people in Germany may address their requests on matters of a Jewish welfare nature.

The organization in Germany with which we co-operate and which has federated all the important Jewish welfare bureaus in that country is the Zentralausschuss der Juden in Deutschland fuer Hilfe and Aufbau, 158 Kantstrasse, Berlin-Charlottenburg. Any person in Germany, wanting information with regard to relief, reconstruction aid, and possibilities for emigration, may address his request to the Zentralausschuss which, in turn, will then refer it to the proper constituent committee or local community organization.

If Mr Nathan Loesser is writing to these people in Germany you might suggest that he get in touch with the Zentralausschuss.

Dear Rabbi:

A Meeting of the Jewish Welfare Fund Committee will be held on Thursday, March 12th at 12:15 o'clock in Parlor "H" of the Cleveland Chamber of Commerce.

It is urged that all Members of the Committee try to be on hand, since this meeting is to discuss plans for the 1936 Jewish Welfare Fund Campaign and it is important that full consideration be given to the matters in hand.

Rabbi A H Silver, Chairman

Dear Rabbi Silver:

I will be at the Welfare Fund Committee meeting on March 12th.

Please reserve place for me at Lunch.

Rabbi A H Silver

Minutes of a Meeting of a Special
Committee of the Federation to re-
view the functions of the Jewish
Welfare Fund Committee, held at the
Chamber of Commerce on Thursday,
March 18th, 1936.

1. There were present Rabbi A H Silver, Chairman; Judge Maurice Bernon, Irwin H Loesser and Ezra Z Shapiro.

2. The Chairman requested the Secretary to read an excerpt from the minutes of the Federation Board Meeting of February 19th, 1935, wherein there was set forth the general understanding and agreement as to the functions and place of the Jewish Welfare Fund Committee of the Federation. Following the reading of this excerpt, it seemed to the Members of the Committee that there was needed only a statement defining more clearly the procedure to be followed in the administration of the Jewish Welfare Fund itself, and the relation of the Jewish Welfare Fund and Budget Committees to the Federation Board. To this end it was suggested that the following statement be submitted to the Federation Board for approval:

That the President of the Federation in his appointment of the Jewish Welfare Fund Committee, shall aim to include an adequate representation for the Constituent and Beneficiary Agencies of the Fund; and that all applications for initial inclusion in the beneficiary list of the Welfare Fund, as well as requests for increased allotments to the Fund, shall be reported to the Welfare Fund Committee of the Federation and then to the Budget Committee; and that the actions and recommendations of the Budget Committee on all such applications and requests, as well as the budgetary set-up annually of the Fund, shall be submitted to the Jewish Welfare Fund Committee and finally to the Federation Board for approval. Also that the Jewish Welfare Fund Committee shall control the plans and policies of organization of the annual Welfare Fund Campaigns directly or through its delegated Officers and Committees, and it shall meet periodically during the year when matters affecting the Welfare Fund require consideration.

3. No further business coming before the Meeting it was adjourned.

Respectfully submitted,

(Signed) S. Goldhamer

Secretary.

Agenda for Meeting of the Jewish Welfare Fund Committee

March 12, 1936

1. Report of the 1935 Subscriptions Account; collections to date; co-operation of Committee members who have had delinquencies referred to them.

- a Subscriptions and Collections;

- b Distribution of Funds and Payments to date;

- c Co-operation of Committee members on collection of delinquent pledges still unpaid; and which have been referred to them for attention;

2. Plans for 1936 Campaign subject to approval and further suggestion from the Welfare Fund Committee:

- a Goal of the Campaign

The Goal will be increased substantially by the demands of the Overseas Agencies for the aid of German and Polish Jews mainly; a need of approximately \$200,000 as against \$50,000 which was allotted in 1935, for the United Jewish Appeal. This will include the special Emergency Emigration Fund for German Jews for which \$10,000,000 is to be sought in this country over a period of four years.

Jewish Education and certain national Agencies will likewise need additional Funds; and some new Agencies have made application for inclusion in the Fund.

Recommendations will need to be brought back on the Budget and the Goal from the Budget Committee.

- b Date of the Campaign and Campaign Headquarters

The date of May 10th has tentatively been decided upon for the opening of the Drive, with all plans working towards that date;

If possible, with the danger of any continuation of picketing being removed, effort will be made to secure from the Statler Hotel, necessary rooms and offices such as were furnished gratis last year.

- c Campaign Organization Activities to Date

While the Campaign Officers themselves have not been chosen as yet, plans have gone forward to complete the working personnel of the Divisions;

1. Men's Division

Under the leadership of Jos M Berne and with the help of the Business Men's Council of the Federation, Division Chairmen and Co-Chairmen were chosen; and these in turn have been meeting at convenient times to select the team personnel of the Trade and Professional Divisions;

2. Women's Divisions

Under the Chairmanship of Mrs Sieg Herzog, a Women's Executive Committee of thirty-six was selected; these in turn have chosen Team Captains, and the latter Team workers, making at present a total woman's soliciting and office volunteer force of nearly 400.

3. Youth's Division

Jerome Curtis has again kindly consented to take the leadership of this group and plans are going forward for its organization;

4. Store and Factory Employee Division

Messrs Leo Newmark and Henry Greenberger are planning the selection of Kep People in all Stores and Factories having Jewish employees, to give this group as complete an opportunity to participate in contributing to the Fund as possible.

5. Publicity Division

Mr Howard Wise is being asked to direct the activities of the Publicity Committee this year; and advantage will be taken of the great amount of valuable publicity matter which is to be had from the international as well as some national Agencies.

Publicity will be had through direct mail; the Jewish weeklies; speakers Bureau; the Radio, etc.

3. Actions required by the Welfare Fund Committee; approval

- Note Dancy*
- a For the Budget Committee to proceed with consideration of all appeals from national, international and local Agencies for inclusion and for their 1936 needs; and to report back their recommendations to the Welfare Fund Committee and the Federation Board;
 - b For the Advisory Committee of the Men's Campaign Organization to review the larger prospect cards for new ratings and special assignments for pre-campaign solicitation; in this they are to have the co-operation of the Division Co-Chairmen;
 - c A Special Nominating Committee of the Welfare Fund Committee to bring in a slate of Officers for the Campaign itself.

SPECIAL

(This should be done at this meeting by the Chairman selecting such a Committee to meet while the rest are at Lunch) *or after*

Dear Rabbi Silver:

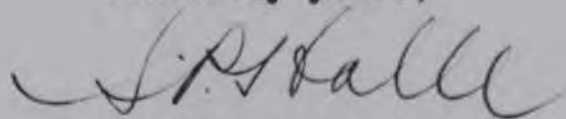

While the Community Fund Investigating Committee is continuing to study the question of Salary Re-adjustments by the Agencies of the two Federations, it is not at all likely that the results of the Study will alter the decision of the Fund Council to retain for some Emergency use in the future the balance of 1935 Delinquent Collections. And since there is to be no further distribution by the Fund, it will be advisable for the Budget Committee to consider at once the re-allocations to the respective Agencies of our Federation for 1936. This will be on the basis of the resources available (Schedule "A" here attached) and deficits and budgetary requirements as set forth in Schedule "B". There is also attached hereto detailed memoranda bearing on the operating expenses and budgets of the Individual Agencies.

I am hopeful that the Members of the Budget Committee will have an opportunity to review this information before a Meeting which is being called for Thursday afternoon, March 19th at 3:00 o'clock at the Federation Office. Representatives of the Institutions are being asked to be present to discuss briefly their respective needs, after which the Budget Committee will go into Executive Session to arrive at some final recommendations to be made to the Board.

Will you please make every effort to be present at this important Meeting.

I am,

Sincerely yours,

Chairman,
The Budget Committee.

- (f) Deficit of \$1,754 reduced by \$372.75 Buffalo Charities' 1935 Compensation received after January 1, 1936.
- (g) County Child Welfare Board \$10,000; Cleveland Foundation \$4,000, though no word has as yet been received from the Cleveland Foundation indicating definitely that the appropriation to the Welfare Association for Jewish Children of \$4,000 in 1935, will be duplicated for 1936.

Excerpt from Letter of Mr Treuhart
to Budget Committee 1/10/36

"Altho not requested in your letter of Dec. 12th, we are enclosing a copy of this Budget, which in our judgment represents the very minimum amount necessary for the operation of the Camp for 1936, if the utmost economy is exercised, if no more than absolutely necessary repairs and replacements are made, and if the same standards and capacity which have prevailed heretofore are continued. It will be noted that the total expense represents a reduction from the budget submitted on August 10th, by approximately \$470.00 and represents an increase over the total expended in 1935 by approximately \$354.00, the principal increase is represented by an estimated increase in food costs.

"The total amount which would be required of the Federation is \$11,685.00 which would be reduced by any amount to be received from the Cleveland Foundation. We cannot be certain that any appropriation will be made for camps this year by the Foundation. The \$11,685.00 requested of the Federation represents an increase over the amount received in 1935 from the Federation, including S D Wise Fund and \$500.00 from the Cleveland Foundation, by \$607.50

"This Budget does not contemplate any extension in service, altho we have had requests for service which number approximately double the number of individuals we are able to serve and in our opinion there exists a pressing need for additional camp facilities for Jewish Children."

Dear Rabbi Silver:

The Jewish Welfare Fund Committee of the Federation at its Meeting held on March 12th, selected Officers for the 1936 Campaign from the Federation Board and the membership of the Welfare Fund.

A list of these Officers is here attached.

While I have been asked to serve again as the General Chairman, and realize the importance of Cleveland Jewry's response to the grave situation that confronts our people, I can only accept this honor and responsibility if I am assured of your continued cooperation with me.

Our Campaign of last year succeeded because of the spirit with which the Community engaged in this enterprise; I am sure that that success can be repeated with your council and assistance.

I am,

Yours most sincerely,

March 13, 1936.

Dr. James G. McDonald,

8 West 40th St.,
New York, N.Y.

My dear Dr. McDonald:

I am writing you this letter as General Chairman of the 1936 Jewish Welfare Fund Campaign of Cleveland. This Welfare Fund includes over twenty national and international agencies, outstanding among which are the Joint Distribution Committee and the United Palestine Appeal. It is our hope to raise, this year, about a quarter of a million dollars, most of which will be devoted to over-seas relief and particularly in connection with the proposal to settle German immigrants in various parts of the world. Our Campaign, last year, was a success and we are hoping for an equal success this year.

We shall open our Campaign with a large public dinner on Sunday evening, May 10. These opening meetings have always set the tone for our Campaign. To it are invited the Campaign workers, the representative members of our community as well as the civic leaders of Cleveland. It is the outstanding meeting of our united community for the year. The Jewish Welfare Fund Committee, at its last meeting, voted unanimously to extend to you an invitation to be our guest of honor and speaker on that occasion. Your presence in our midst would inspire our people. They know of the historic services which you have rendered the cause of German Jewry in the last three years and of your profound humanitarian sympathies. We would regard it as a distinct honor if you would accept our invitation. We shall, of course, be most happy to pay your traveling expenses and whatever honorarium may be involved. May I hear from you at your earliest convenience?

With all good wishes and hoping that your many duties will permit you to come to us for this important event, I remain

Very cordially yours,

My dear Sam:

I am enclosing herewith a letter from McDonald. He can not come to us on May 10. He suggests that it may be possible for him to address a private group meeting of larger contributors some time during the Spring. I would suggest that you carry on correspondence with Jonah Wise with the idea of availing ourselves of McDonald's services at any time convenient to him.

I would suggest also that you get in touch with the Scripps-Howard papers first through the Cleveland Press to find out when Pegler is expected back in the United States.

Very cordially yours,

Dear Art:

At the suggestion of Herbert Buckman, Rabbi Silver sent a letter, a copy of which is here attached, to Mr Ben W Blaushild asking his cooperation with yourself and Herbert in heading up the Automobile Division.

It was the consensus of opinion of the Executive Officers yesterday that we make no further effort to invite the cooperation of Marcus Feder Jr, either as a Chairman or as a Worker on the Division. This is a matter that will no doubt have some further attention.

With kind personal regards and thanks for your interest, in which the Members of the Committee join I am,

Sincerely yours,

March 27, 1936

P S As soon as we hear from Mr Blaushild, I will get in touch with you to arrange for a Meeting of a half hour at the Campaign Headquarters to select Vice-Chairmen and Workers. Most of the Division Chairmen have already done this.

Mr Jack H Rose
State Packing Co

Cleveland, Ohio

My dear Mr Rose:

My attention is called today to your acknowledgement of my recent letter asking your kind cooperation in the forthcoming Jewish Welfare Fund Campaign.

May I say to you that with the limited number of prospect cards to be solicited in the Wholesale Food Products Division, and the number of Members who have been asked to assist in the Division, there will be very little demand on the time of any one Member; and it would lend great encouragement to the efforts and interest of your Co-Chairmen if you would accept.

I hope you can. There will be but one Meeting before the time of the Campaign, May 10.

I am,

Sincerely yours,

Dear Mr Wintner:

Being aware of the fact that you have lent your kind assistance in previous Jewish Welfare Fund Drives, I should like to be able to report to our Executive Officers that you will reconsider your declination, and that we may count on your cooperation again.

My dear Mr Kaufman:

I have your letter of March 24 and while I recognize your inability to serve in the Campaign if you are expecting to be out of the city during that week, the assignment of cards for solicitation will take place some time before the opening of the Campaign, and there would be opportunity, therefore, for you to lend us your valuable help in respect to such cards, as you could better solicit them than some other Members of the Team.

May I, therefore, ask you to reconsider your decision and to let us inform you when the Knit Goods group meets during the ensuing month.

Sincerely yours,

Dear Mr. Goldhamer:

I trust that you will pardon the liberty we are taking in addressing this appeal to you, as the leader of the Community Chest or Welfare Fund in your community.

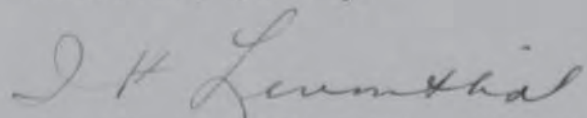

The Histadruth Ivrit is a national Hebrew speaking organization, the only one of its kind in America, that sponsors the revival of the Hebrew language and culture in this land. It publishes the Hadoar, a weekly Hebrew periodical, that has been rated by Hebrew writers of Palestine and Europe as one of the finest published in all the world. This periodical gives an opportunity to Hebrew writers to develop their talent, and even to earn a modest livelihood through their literary ability. It also publishes a Hebrew paper for the Jewish Youth, called "Hadoar Lanoar". In addition, the Histadruth sponsors the publication of Hebrew works -- both of poets, philosophers, scientists, and essayists, and has thus enriched Jewish scholarship.

A number of Welfare Funds throughout the land have recognized the value of this organization, and have included the Histadruth and the Hadoar in their allotments.

As chairman of the Board of Sponsors for the Hadoar, and in behalf of the Hadoar, I formally make application to you for such allotment in the 1936 campaign of your Welfare Fund or Community Chest. I hope that we shall be privileged to receive a favorable reply to our application.

With all good wishes, I am

Sincerely yours,

ISRAEL H. LEVINthal, CHAIRMAN
Board of Sponsors for HADOAR

My dear Dick:

Enclosed please find confidential report of the meeting at the Hollenden Hotel about which I spoke to you.

The Jewish Welfare Fund appropriates considerable money to Jewish defense agencies which ferret out these anti-Jewish and anti-American activities and which endeavor to counteract them through large scale education and counter-propaganda among the American people.

With all good wishes and thanking you for the time which you gave me this morning from your crowded day, I remain

BARGAINS IN GIFTS

The Federal Government exempts donations to charitable institutions up to the amount of 15 per cent of the net income before gifts. The rate of income tax is like a flight of steps; a tax on each step, or bracket, mounting as the income goes up.

Charitable gifts being deductible are therefore taken off the highest bracket. The savings in tax, as a result of making charitable gifts, therefore increase as the income mounts.

Below is a table showing the net cost to the donor of various incomes of each dollar donated up to the maximum of 15 per cent of income:

Net Income Before Gift	Charitable Gifts Exempt from Tax	Net Cost to Donor per One Dollar of Gift up to Maximum Tax Exempt
---	---	---

Mr. Nathan G. Richman,
Richman Brothers Co.,
1600 E. 55th St.,
Cleveland, Ohio.

My dear Mr. Richman:

I am sorry that I did not have the opportunity of speaking to you about the needs of the Jewish Welfare Fund this year. I do not wish to impose myself upon you again. I know how busy you are. But I would like to present to you some facts which I did not include, perhaps, in my conversation with Dick.

Over and above the funds which the agencies for the relief of Jews in foreign countries have been raising heretofore, a special International Fund of \$15,000,000 is being raised to enable 100,000 Jews to leave Germany in the next four years and to be settled elsewhere.

You may recall that Sir Herbert Samuel, Lord Bearsted and Mr. Simon Marks came over here as a delegation of British Jewry to present this project to the American Jews. Under this plan, English Jewry will raise \$5,000,000 and American Jewry, \$10,000,000 in the next four years. This means that an extra fund of \$2,500,000 is to be raised in the United States, this year. For Cleveland, it means that an extra \$100,000 must be added to our Jewish Welfare Fund quota which was, last year, \$138,000 and which will be, this year, \$238,000.

After a careful survey of our list of contributors of last year, the Executive Committee felt convinced that the extra \$100,000 would have to be raised among a relatively small number of people. Larger donors who have the means to give, must now be asked to double and treble their gifts of last year. Unless this is done, our Campaign will fail.

Mr. Richman

-2-

April 6, 1936

Such a failure would not only deprive foreign relief of a just measure of support from Cleveland Jews, but would react most unfortunately upon the morale of our community which at a great sacrifice of time and energy, I and a few others succeeded in building up last year.

We must have five or six people in our community who will give from five to ten thousand dollars each so as to set the pace for other people. Mr. Nathan Dauby and Mr. Hiram Rivitz have already pledged themselves to give \$5,000 each. You have always been such a leader in giving to every worthy cause in our city, and one whose generosity has been a spur and an inspiration to others, that I feel confident in turning to you at this time with a request to head off our Campaign with a gift which will encourage and inspire all the workers of our Campaign. We desperately need such a gift at this time. An amount such as Dick suggested to me over the phone, this morning, would, I am afraid, handicap the Campaign, particularly in view of the fact that we shall miss, this year, the annual gift of your dear departed brother, Charles Richman.

Jewish life faces a desperate emergency abroad - a more serious emergency than has confronted our people in a generation. American Jewry which is more fortunately situated, must now make an heroic effort to help our brothers who are victims of unspeakable persecution. I am giving of myself at a great cost of time, energy, and I am afraid, also of health to this Campaign. The responsibilities of General Chairmanship have again been placed upon my shoulders. I earnestly hope and pray that those lay leaders of the Jewish community of Cleveland who have never faltered in their responsibilities in the past will not be found wanting in this great and unusual hour.

I shall eagerly await your response.
With all good wishes, I remain

Very cordially yours,

Dear Rabbi Silver:

I have asked Mr N L Dauby to again act as Chairman of the Quota Committee for the Jewish Welfare Fund Appeal.

He has kindly accepted, and he would greatly appreciate your service on the Committee with him, and with the others who are being asked now.

The Committee will meet at the Oakwood Club on Monday Evening, April 13 at 8:00 o'clock, to consider suggestions for an effective Campaign result, and to review as it has in other years, the quotas of some of those who are to be solicited by the respective Divisions; this will provide the Chairmen of the Divisions with information which is both necessary and valuable for the success of their work.

There has been no period in the history of American Jewry when our joint thinking and planning, were more vital; and we shall be very grateful for the benefit of your suggestions and advice.

I am,

Very Earnestly Yours,

General Chairman

Mr Isidor Coons, Director

Dear Isidor:

While our Budget Committee turned down the appeal of the Federation of Polish Jews for a separate allotment out of the Welfare Fund here in Cleveland, we are nevertheless glad to have the information set forth in the memoranda attached to your letter; and which bears out our impressions as to the validity of their separate appeal.

Final action on the Federation Budget was taken after a very lengthy Budget Meeting which took place last Wednesday and a further meeting of our Board and the Welfare Fund Committee jointly, yesterday. A goal of \$235,000. was determined upon, out of which the U.P.A. and the J.D.C. are to receive \$60,000. each.

With kindest personal regards, I am

Sincerely yours,

Dear Dr Milcoff:

In considering the request of the Local Chapter of the National Labor Committee for inclusion in the forthcoming Welfare Fund Appeal, the Board of Trustees and the Jewish Welfare Fund Committee deemed it inadvisable, in the light of the very much larger budget which it has been necessary to provide for both of the Overseas Organizations, the United Palestine Appeal and the Joint Distribution Committee, to add to this budget any new items the aggregate of which would increase the goal beyond its already enlarged figure. The amount which we are asking this year is \$235,000 as compared with the total of \$137,000 raised in 1935.

The Committees regret that they were compelled to take this action with respect to yours and a number of other new applications.

Dear Sirs:

This will advise you of the action of the Board of Trustees of the Jewish Welfare Federation in allocating to your Agency the sum of \$1,000 from the Cleveland Jewish Welfare Fund as a tentative allotment for the fiscal year 1936-37.

This is one of many items included in the goal of \$235,000 for which our Campaign is to be conducted the week of May 10.

I am,

Yours sincerely,

Dear Rabbi:

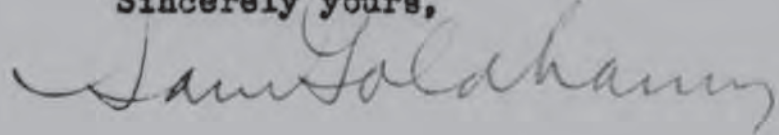

Attached hereto are the memoranda showing the organization of all of the Men's Divisions with the exception of the Automobiles and Dentists. The Dentists Division is having a meeting tomorrow to select the personnel; but we have not yet secured Chairmen for the Automobiles Division.

The responses which have come from the Workers who were invited, have been better than last year, indicating undoubtedly the effectiveness of last year's organization plans and the acceptance of the Welfare Fund as a continuing instrument.

Beginning with April 16 these Divisions will meet for the assignment of cards and at each of these Meetings it will be desirable to have one or more of our Campaign Officers to explain the purposes and the goal; and to lend some inspiration to the Appeal.

With thanks for your cooperation, I am,

Sincerely yours,

April 8, 1936.

We are asking you please, to renew your interest and co-operation with us in the forthcoming Jewish Welfare Fund Appeal here in Cleveland.

The Campaign is to take place in May; one or two Meetings for organization purposes, will be held during the month of April. The entire Campaign Organization will be more widely representative, and more thoroughly prepared this year than ever before.

The tragically distressing conditions with which Jewry is faced in Europe, are finding their echoes here on our own shores; and the purposes for which we shall be raising our funds, will have to do not only with relief and reconstruction needs Overseas, but with developments here at home as well. The success of our Campaign is imperative.

Messrs. Henry Greenberger, Meyer S. Fine and Martin Blum, have accepted the duties of Co-Chairmen of the Amusement Division for the Drive. They and we are asking you to serve with them as a Member of this Division.

A Meeting of the whole Division will be called shortly to make plans for the Drive. May we personally urge you to lend your interest and help; it is so vitally important.

We are,

Yours sincerely,

General Chairman

March 21, 1936.

N.B. Please return this Card indicating your acceptance.

Mr. Isaac Hamlin, Secretary,
National Labor Committee,
1225 Broadway,
New York, N.Y.

My dear Mr. Hamlin:

I received your telegram concerning the inclusion of the Geveerkshaften Campaign in the 1936 Cleveland Jewish Welfare Fund. In view of the emergencies which exist and the necessity for raising an extraordinarily large sum of money for the United Palestine Appeal and the Joint Distribution Committee this year, the Executive Committee of the Jewish Welfare Fund and the Federation of Jewish Charities decided not to include any new agencies this year. There were six or eight other agencies which appealed for inclusion. It may be possible to include your Fund in next year's campaign.

With best wishes, I remain

Very cordially yours,

AHS:BK

Mr James McDonald
The New York Times
New York City

My dear Mr McDonald:

In the thought that your plans since you have returned to New York, may have so shaped themselves that there is a possibility of your absenting yourself from New York for one day, we have left open the question of the Speaker for our Opening Dinner Meeting for the Jewish Welfare Fund Campaign on May 10; and I am taking the liberty of writing you again to urge your acceptance of our invitation, if it is at all possible.

For several years, during your activity as High Commissioner for the Refugees, we looked forward to an opportunity of having you visit our Community and address our Leaders. We trust that that hope can now be fulfilled and would most heartily welcome such a message from you.

With all good wishes, I am,

Sincerely yours,

General Chairman
The Jewish Welfare Fund
of Cleveland

April 10, 1936.

BARGAINS IN GIFTS

The Federal Government exempts from income tax donations to charitable institutions up to the amount of 15 per cent of the net income. The rate of income tax is like a flight of steps; a tax on each step, or bracket, mounting as the income goes up.

Charitable gifts being deductible are therefore taken off the highest bracket. The savings in tax, as a result of making charitable gifts, therefore increase as the income mounts.

Below is a table showing the net cost to the donor of various incomes for each dollar donated up to the maximum of 15 per cent of income:

* Net Income	Charitable Gifts Exempt from Tax	Net Cost to Donor per One Dollar of Gift up to Maximum Tax Exempt
---	---	---
\$ 3,000	\$ 450	\$ 0.96

My dear Mr Loeser:

In line with the conversation which I had with you several days ago regarding the subscription of Louis Selden, I am enclosing herewith his prospect card and pledge card also; and I should like to urge that we do not accept a subscription of less than \$500 from him. His contributions to the Fund during the past several years have cost the Fund a great deal of money where certain persons have chosen to use his contribution as a standard for their own responsibilities and giving.

I am also taking the liberty of sending along a pledge card for the subscription which I know you will want to make before leaving, and which I trust you will make as generous as possible in the light of the greatly increased Goal which we are compelled to seek this year.

With all good wishes I am,

Sincerely yours,

Dear Will:

I wired to your brother, Lessing, today in behalf of Rabbi Silver, who is General Chairman of our Welfare Fund Campaign, asking his good offices in securing the acceptance of an invitation to Dr Hutchins, to be the Guest Speaker for the Opening Dinner of our Welfare Fund Drive on Sunday evening, May 10th.

A reply by wire from your secretary advises that the matter was referred to you in your brother's absence. We do hope that you will succeed in getting Dr Hutchins to accept, and on receipt of such advice, we will send him a formal invitation.

With much thanks and kind personal regards,
I am,

Sincerely yours,

Rabbi A. H. Silver,
The Temple,
Ansel Road
Cleveland, Ohio

Dear Rabbi Silver:

I spoke to Mr. Goldhamer today about the notices which have been appearing in the "Jewish World" with regard to the Yeshiva Adath B'nai Israel and the Jewish Welfare Fund. He thought that perhaps I should write you concerning them.

As you know, the Yeshiva has resented bitterly its failure to obtain a subsidy from the Fund, and has called a conference for Sunday afternoon to plan a separate drive in stated opposition to the Fund. The "World" published an editorial favoring support of the Yeshiva by the Fund about three weeks ago, and today included a notice over the name of the president of the Yeshiva announcing the conference and calling attention to the "fact" that the Fund has no use for Orthodox institutions.

While I don't know how much harm this is doing the Fund financially, it isn't doing it any good. I thought that you might want to contact Mr. Wiesenfeld to see that he understands that the Fund has not rejected the application of the Yeshiva, and so that the facts may be interpreted correctly in the publicity which he is giving the matter.

Sincerely,

Philip Bernstein
Assistant Director

Dear Rabbi Silver,

I am able to subscribe the entire quota of \$235,000 myself. No cause has ever appealed so strongly to me. - However, you know what terrific expense I was subjected during my year's illness. No income, no money for that time - and extraordinary expenses. I have no income now except my nominal salary as a State official. I accepted the office because as a Jew.

I felt a duty bound to do so. -

I am increasing my subscription over last year's - and am assured that I am doing the best I can. -

I hope to be able to attend the opening meeting of the campaign on May 10th.

Helen joins me in warmest greetings to you, Regina, & the children.

Sincerely,
A.

My dear Al:

I am deeply grateful to you for your prompt reply to my letter and for your generous contribution which is double what you gave last year. The Campaign is progressing very nicely. There is a tendency all along the line to make substantial increases over last year's giving.

We shall look forward with pleasure to your coming to the opening of the Campaign on May 10. With all good wishes to you and Helen in which Virginia joins me, I remain

Very cordially yours,

Mr. George Richman,

My dear George:

I am taking the pleasure of enclosing herewith your subscription card for the Jewish Welfare Fund. As I explained to you over the telephone, our quota this year is \$235,000 as against \$135,000 last year. This large increase has been made necessary by the \$15,000,000 Fund which is being raised in England and in the United States to take care of the settlement in other parts of the world of 100,000 Jews who must leave Germany in the next few years - a desperately necessary task. The additional \$100,000 which we are raising this year will have to be contributed, of course, by the larger givers of last year. We are calling upon these people to double and treble their gifts of last year. The response so far has been gratifying.

Let your generous heart guide your own decision. With all good wishes to you and your dear lady, I remain

Most cordially yours,

Dear Friend:

Here are more of the increases out of the many that are coming into the Campaign Headquarters rapidly now, and we shall be publishing these lists daily for your information and guidance in the work you are doing on the Special Gifts.

The doubling and trebling of pledges is necessary if we are to achieve the Campaign Goal.

Where you know you have the right to ask it, do not hesitate to ask for the quotas that have been fixed by our Committee---if those who can give, do not do so, the rest of us must carry the burden.

Give him the reasons why we must have what we are asking, and why he must share with us to the extent we are asking of him.

Here are some more Increases---there'll be more tomorrow. And send yours along as fast as you get them, please.

COPY OF LETTER SENT TO RABBIS

A few weeks ago Rabbi Silver wrote you, asking you to include a few words with regard to the Jewish Welfare Fund in one of your Passover sermons. I believe that he also mentioned the fact that we were planning to ask every Rabbi to devote the sermon on the week-end preceding the campaign to a full explanation of the purpose of the Fund, and the extraordinary nature of the campaign this year.

As you know, we are seeking approximately \$100,000 more than was raised last year. The goal of \$235,000 is a minimum -- a minimum which we must obtain, and can obtain, if every Jew in the city understands how serious the present crisis is.

I know that such a message from your pulpit on May 8th, 9th, or 10th, would be very helpful, and I am sure that we can count upon your assistance.

Sincerely yours,

Howard E. Wise

My dear Senator:

Our Officers are gratified with the advice of your coming to Cleveland to address the Opening Rally of the Jewish Welfare Fund Appeal, on Sunday evening, May 10th; we shall welcome your presence here most heartily.

Our Campaign is one of many now being conducted throughout the land to raise funds mainly for the succor for our co-religionists in Germany, Poland, and other countries; a share of the national quota of \$7,000,000, is to be devoted, as you may know, to the plan of emigrating many of these people out of Germany, as proposed by Sir Herbert Samuels and his Colleagues, when they visited this country some weeks ago;

We shall be sending out our announcements and invitations for the Dinner within a few days, and if you can conveniently do so, would you advise us of the subject of your address.

With reference to train accommodations, there is a Pennsylvania train out of Washington to Cleveland at 11:10 P M arriving in Cleveland at 7:45; and there is a Cleveland train for Washington at 9:35, should you find it impossible to remain over as our guest for the night. The Dinner Meeting is scheduled for 6:15 o'clock, and you can if necessary make it.

With real appreciation for your acceptance of our invitation, I am,

Yours sincerely,

April 28, 1936

Just a word of caution --- please do not be too eager to accept any amount that your Prospect wants to give --- leave the Card with him --- ask him "to think it over --- to bear in mind the emergency for which this money is needed --- and that 27 great Purposes are being served with one Gift to the Fund."

This Campaign is going to succeed just as the one last year did --- Patience and more of the good work you have been doing will put it over.

BULLETIN NUMBER SEVEN

Dear Friends:

These Increases are coming better all the time---
shows what patience and intelligent soliciting will do.

The same results will be achieved in the lower
brackets if the Chairmen of the respective Divisions will see
to it that their workers are at the Opening Dinner Meeting on
Sunday night, and at the Daily Report Meetings Next week. These
Meetings always inspire the workers to more effective soliciting.

The members of the Reviewing Committee are reminded of
their meeting, Thursday Noon, May 7th, Parlor E, second Floor,
the Statler.

DO YOU WANT TO CHECK UP ON THE OTHERS, AND PHONE IN THEIR RESERVATIONS? THEY WILL DO A BETTER JOB IN THE CAMPAIGN IF THEY ARE INSPIRED AND PROPERLY INFORMED.

Here are some more of the Pledges we have in---they are coming along well, but we must maintain that average of double and more---please don't overlook that.

Dear Rev Lupton:

It is with a great deal of pleasure that we learn from Rabbi Silver of your acceptance of the invitation to be with us at the Thursday noon-day Meeting of the Jewish Welfare Fund Campaign; and I am enclosing for your information some of the literature describing the scope and purposes of the Drive.

Our noon-day Meetings begin promptly at 12 o'clock, and we aim to adjourn the Meetings by 1:30. The reports of the various Divisions are called for at about 1:15, and just prior to that time 10 or 12 minutes are given for the speakers that we have each day. Thursday's Meeting will be in the Pompeian Room of the Statler Hotel.

I am,

Sincerely yours,

Dear Rabbi Silver:

May I trouble you to have the following arrangements made for me in connection with my trip to Cleveland on May 19: a room reservation in one of the downtown hotels; a lower berth reservation on the "Big Four" train leaving Cleveland at 11:40 P.M., May 19, for Boston; and a game of golf on the afternoon of that day. I should be exceedingly grateful for all of these.

I expect to arrive in Cleveland from St. Louis (through Chicago) by plane due at the United Air Lines airport at 2:18 P.M., May 19. *If I change my arrival plans, I'll wire you.*

Sincerely yours,

My dear Mr. McDonald:

Let me thank you for your kind letter of May 11. We are looking forward with the keenest interest to your coming to us on May 19. Reservations have been made for you at the Statler Hotel. A committee will meet you upon your arrival at the Cleveland Airport at 2:18 P.M. Should you change your plans, please let us know.

With all good wishes, and looking forward with eagerness to your coming, I remain

Very cordially yours,

P.S. I have also arranged a golf game for you.

My dear George:

I have far more difficulty in reaching you than you have in reaching me when you want me. I have tried to reach you now four times in connection with your subscription to the Jewish Welfare Fund. You probably know I don't receive any commission for this work. Our Campaign is drawing to a close and we would like all subscriptions in. Whether you give as much as you should or not, please sign the enclosed card and return it so that I will not have to keep on telephoning.

With all good wishes, I remain

My dear Mrs. Finn:

Let me thank you personally and in the name of the Jewish Welfare Fund for the generous gift which you and your family have contributed to the Campaign in memory of your dear departed husband. It is a very worthy way of memorializing one whose life was bound up with all that was fine and uplifting in our community. A record of your memorial gift will be included in the Record Book of Gifts which the Welfare Fund will publish during the year.

With all good wishes to you and yours, I remain

My dear Mr. Knebel:

It was most gratifying to receive your letter and your contribution to our Welfare Fund. One of the pleasant features of our Campaign has been the number of unsolicited contributions which have come to us from non-Jewish citizens in the community who recognize that such humanitarian causes over leap all religious and racial lines. I shall present your letter at the closing meeting of the Campaign this evening and I am sure that our workers will be delighted with its spirit.

With all good wishes, I remain

My dear Mrs. Richman:

I was very happy to have had the opportunity of talking with you yesterday. I was particularly gratified to find you improved in health after all that you have been through.

I am grateful to you for having listened favorably to my suggestion in connection with the memorial for Mr. Charles Richman to be given to the Cleveland Jewish Welfare Fund. Our Campaign, as you probably read in the newspaper came within \$5,000 of its goal of \$235,000. This is highly gratifying and we are hopeful of reaching the full quota soon. The enclosed card will indicate to you how consistent was Mr. Richman's interest in this Welfare Fund right through the years. I shall be very happy to hear from you when you have made your decision.

With all good wishes and hoping that you will continue to improve in health and spirit, I remain

Very cordially yours,

My Dear Mrs Kleinman:

The gathering of Workers of the Jewish Welfare Fund Campaign Organization was indeed grateful to you for the generous gift of \$500 which you sent to the Meeting in memory of your departed husband. His was a deep and abiding interest in all that was good in the community and that contributed to its well-being; and he gave of himself and his substance in generous measure for these purposes. The community was the better for his having served it.

It will interest you to know that there were many similar memorial gifts made both before and at the Meeting last evening to assist us in realizing our Goal. We are only sorry that the physical limitations of these meeting halls have made it impossible to extend the invitation to attend, to all of the contributors, or even to the many friends who help these Campaigns in a material way with their gifts.

I sincerely hope that it will be possible for you in the near future to participate in the work of our organizations and we shall be most happy to welcome your assistance.

I am,

Sincerely yours,

Dear Mr. Loeser:

Please accept my apologies for not having acknowledged your letter of May 13th, but between making preparation for our drive and trying to give some little attention nights to our law practice, I have very little spare time.

I want to congratulate you on the great job you are doing in your campaign. I am quite interested in hearing from you as to what your final results were.

Ninety-five percent of this campaign goes to the Joint Distribution Committee and the United Palestine Appeal and the balance to six smaller agencies.

I know that you will be happy to know that our own guest speaker will be your own Rabbi Silver. I know that he is extremely busy in leading your drive, but I would appreciate it, if when you see him, you would ask him to simply drop me a line confirming my letter to him.

With kindest regards to you and yours, in which all the Saperstons join me, I am,

May 21st, 1936.

Mr. Alfred M. Saperston,
Liberty Bank Building,
Buffalo, N.Y.

Dear Mr. Saperston:

Replying to your letter just received:

Our drive closed Tuesday night. We had High Commissioner McDonald as our speaker, and he made a very fine impression on our people. It was the largest gathering we have had in years, over 650 attending.

At the conclusion of the evening's reports, we had \$222,000 in, leaving \$13,000 to be raised, which Rabbi Silver as Chairman undertook to get from the assemblage. We succeeded in getting \$9,000 more, and probably would have gotten it all except for an unfortunate interpolation by one of our leaders suggesting that the matter be held over for individual effort. As it is, I am quite sure that the remaining \$4,000 will have come in within the next few days from cards which had not been reached during the campaign.

Rabbi Silver told me some days ago that he had been asked to speak at your opening meeting.

With kindest regards to you and all of the family,

I am,

Sincerely yours,

(sgd) NATHAN LOESER

NL-K

P.S. I might say to you confidentially that during the last few years the standard of giving in this community has fallen to a rather alarmingly low level, due in part of course to the fact that the city has been exceptionally hard hit in the bank failures. A large part of our success this year was due to the fact that Rabbi Silver, anticipating what a job was in store for us, undertook almost single-handed the solicitation of the cards of some of our more generous givers; so that at the opening meeting we

had already raised \$111,000, which was almost half of our goal. In most of the other large cities, I believe, large sums have been raised by solicitation at the opening meetings. The belief has been that our community does not take kindly to such solicitation.

COPY OF LETTER SENT TO MEMBERS OF YOUNG ADULT DIVISION

May I take this opportunity to thank you, in behalf of Mr. Curtis, the officers of the campaign, and myself personally, for your service in the successful drive which has just closed.

In a splendid campaign marked by many fine features, the work of the Young Adult Division stood out as one of the very best. Not only did you succeed in obtaining more than \$1,750 from 1600 persons--twice the amount which they gave last year -- but even more valuable than that, the educational message which you carried to the young people of the city gives promise that our community will continue to meet its responsibilities adequately in the days to come.

Please be assured of our grateful appreciation. It is my earnest hope that you will join us again next year in this great, mutual effort.

Sincerely yours,

Dear Harry:

If I recall clearly, though my minutes do not indicate it, you were the one who made the motion with regard to the amount to be allotted to the Bureau of Jewish Education, in the final set-up which was agreed upon in the session with the Committee held on April 1st.

Do you recall if in the decision to allocate \$36,000 any reservation was made as to the use of part of this amount definitely for the repayment of back salaries due teachers in the Hebrew Schools? I have some recollection that when the original amount of \$39,000 was being discussed, question was raised with Rabbi Brickner as to how much of this would be used for such repayment, and some such figure as \$5,000 was given; however one or two members of the Committee are reminding me that it was understood that all of the increase of \$8,000 over the amount of \$28,000 granted last year was to go for this purpose.

If your memory serves you in the matter it will be very helpful to me. I am

Sincerely yours,

June 4, 1936.

Attention: Mr. Max Myers, Treasurer

Gentlemen:

ALL AGREEMENTS CONTINGENT UPON STRIKES, FIRES, ACCIDENTS, OR OTHER CAUSES BEYOND OUR CONTROL.

QUOTATIONS SUBJECT TO CHANGE WITHOUT NOTICE.

I note that in a notice of the first payment for my subscription this year, you have marked Three-hundred dollars (\$300.00).

My recollection is that I have signed the original card for Two-hundred dollars (\$200.00), which was double my subscription for last year, and I told Rabbi Silver to increase it by Fifty dollars (\$50.00) after he spoke to me over the telephone and told me that the campaign did not reach its goal, so according to my recollection, it should be only Two-hundred-fifty dollars (\$250.00) and not Three-hundred dollars (\$300.00) as shown on your statement.

Will you please let me know whether I am correct or not.

Very truly yours,

A. Cahen

Mr. A. Cahen is right. His contribution was \$200 which was double his contribution of last year. To this amount he added \$50 so that his total contribution is \$250.

Memoranda for the Chairman for the Meeting of the Advisory Committee and the Chairmen and Associate Chairmen for the 1936 Jewish Welfare Fund Appeal.

1. The Value of the Jewish Welfare Fund, as a means of combining the collection and Distribution of our support of Special Jewish Appeals, needs no further emphasis in this Community; plan is being adopted all over the country; serves not only its primary purpose, but also as a medium for bringing about a solidarity of Jewish interest, much needed in these precarious times.

2. Inclusiveness of the Cleveland Jewish Welfare Fund Exhibit A

In 1931 when the Fund was established, but 14 Agencies and causes were included; today, with no larger funds available than in 1931, the Fund includes 25 Agencies and Causes, indicating the actual monetary saving to the Community as a result very largely of the economies possible under a centralized system of collection and distribution, and of more careful budgeting processes.

3. Statement of Financial Experience in 1935 Exhibit B

Cleveland Jewry produced the largest number of Pledges ever given to a Jewish Appeal, 7003, for a total of \$138,105;

Fiscal year does not end until February 28th, but a total of \$111,766 has been collected to date on 1935 account;

Delinquent Collections on 1931-32-33-34 Accounts during this year amount to \$5,014; this latter amount belongs and is being paid to the Joint Distribution Committee and the American Palestine Campaign.

Business Men's Council and the Women's Welfare Fund Division, are now assisting with personal effort, in the collection of all delinquencies.

4. New Demands to be Met in 1936 May Campaign.

A. Cleveland's Share of the National Quota assigned to the local Chapter of the Hadassah, for the building of the Rothschild Hadassah Unit of the Hebrew University Hospital; amount is \$2,500, which is the same as was provided for the American Jewish Physicians' Committee's Share, last year.

B. Cleveland Jewry's share of the national quota for the Jewish National Fund, now a part of the American Palestine Campaign, and to be so included in the Cleveland Welfare Fund. The amount asked by the Keren Hayesod, which places pioneers on the land in Palestine, and the National Fund which buys the land, is \$2,500,000 for the entire country, and Cleveland's quota will be determined by the Budget Committee at a later date.

C. German Jewish Refugees in the United States, now number about 15,000; of these about 10,000 are self-sufficient, i.e. they have either relatives or others who have assisted them in establishing themselves without out-

side aid. The balance, who include many professional and scientific men, journalists and business people, but who have only limited means and no connections, must be aided to settle themselves. Most of these people have settled in New York City, and the problem has become a critical one for that City, the most populous center of Jewry in this country already.

New York City itself, has established a branch of its Family Welfare Department to deal with the problem, and has 450 such German families on relief until they can be established; one hundred families are willing and ready to take up residence in any interior City which will assist them to get adjusted; and it is for these latter that a plea is now being directed to every Jewish Community in the country, to provide the necessary means and to take some of these families.

Some Cities are already prepared to do the work; Pittsburg has set aside \$9,000 from its last J.D.C. Campaign for this purpose; Columbus, Ohio and Los Angeles, California have established Committees to receive these Refugees.

The Cleveland Federation has appointed a Committee composed of Messrs. Lester I Miller, Mrs Siegmund Herzog, Adolph Keller, Richard H Kohn and Sidney Weitz, to undertake this task with the assistance of the Jewish Social Service Bureau. Money will need to be provided in the Jewish Welfare Fund Campaign.

This is not unlike the task which was undertaken by the Baron De Hirsch Removal Society in the early 90's to aid East European Immigration, to settle throughout the country.

5. General Set-up of the Welfare Fund Organization under the Federation

Exhibit C

Welfare Fund Committee for direction and policy-making;

Business Men's Council to provide Campaign Organization; Personnel;

Advisory Committee of the Business Men's Council to act as an Executive directing body in respect to the Organization plans and the Campaign itself;

Budget Committee of the Federation to establish the merit of projects to be included each year; and the amounts to be allotted for their purposes.

Publicity Committee to plan and co-ordinate the Publicity through Speakers, Newspaper, Radio, and Direct Mail.

Personnel of Chairmen and Associate Chairmen to develop the respective Business, Professional and Other Divisions of the Campaign itself.

6. Procedure to be discussed

Exhibit D

1. Chairmen and Associate Chairmen to meet during January and February at their convenience, to select Division members. Number will be determined somewhat by the schedule of Cards to be assigned to each Division. See Exhibit E.
2. Two Meetings of the respective Divisions will probably be needed in April, to review the Prospect Cards and make proper assignments before the opening of the Campaign in May.
3. The Advisory Committee and the Budget Committees will meet in the interim, the former to fix Division Quotas and also some individual Quotas in special Cases for pre-Campaign Solicitation; while the Budget Committee will establish the Campaign allocations and Goal. See Exhibit F.

Suggested Procedure to be followed for Campaign Organization
For 1936 Welfare Fund Drive

1. Organization of Divisions

Chairmen and Associate Chairmen to confer at their earliest convenience, and with the co-operation of the Federation office and Advisory Committee members, in the selection of the personnel of their respective Divisions.

This should be done sometime during January and February so that proper invitations can be extended to those who are being asked to serve; with advice as to the time approximately when they will be asked to attend Division Meetings.

2. Meetings for Review of Present Prospect Cards

The Meetings of the respective Divisions for the purpose of reviewing the Prospect Cards, should take place during March and April. These Meetings would serve the following purposes:

- a To supplement the present prospect files with new names;
- b To suggest individual quotas based upon the Campaign Goal; and upon individual quotas which may be suggested beforehand by the Advisory Committee in special cases.
- c To suggest proper assignment of the Prospect Cards within each Division, for the best results to be obtained in the Campaign.

3. Campaign Budgeting and Campaign Goal

The Budget Committee will meet sometime in March to review the schedule of Agencies already included in the Fund, as well as new applications, to determine the merit of such projects for support; and to decide upon allocations to be recommended to the Welfare Fund Committee and the Federation Board.

They will also set the amount of the Campaign Goal.

4. Advisory Committee's Co-operation

Members of the Advisory Committee by groups, will be asked to counsel with the respective Chairmen in the selection of their Division Members; and in their Division service of Card rating and assignment.

The Advisory Committee as a whole, augmented by the Chairmen, Associate Chairmen and Vice Chairmen of the Divisions, will meet sometime during April to review Special Prospect Cards for Pre-campaign solicitation; these Cards will be taken out of the hands of the Divisions temporarily, until they have been properly solicited and then returned to the Divisions for report in the Campaign.

5. Publicity Committee

The Publicity Committee should meet sometime during February to plan for the opening Meeting of the Drive, subsequent Meetings, Speakers, and all forms of publicity that are to be co-ordinated with the organization procedure.

WHAT IS GENEROUS GIVING?

The question has been asked frequently by prospective contributors as to what proportion of their incomes would represent generous giving.

That is, of course, a matter of judgment. It would vary, too, according to the circumstances of the individual taking into consideration the other demands made upon him. The Officers of the Jewish Welfare Fund would like, however, merely as a guide, an estimation of what in your opinion would represent generous giving by the average person in the various income brackets.

Will you therefore please indicate opposite each classification the amount which should be devoted to the two major welfare funds, the Community Fund and the Jewish Welfare Fund -- the former a responsibility which must be borne as a citizen and resident of this community, the latter one which falls entirely upon the Jewish people and must be met solely by them.

It should be remembered that 17 Jewish agencies receive support from the Community Fund, and 25 from the Welfare Fund. The contribution indicated must go to 42 Jewish agencies, at least, including the tremendous needs of German, Polish, and other European Jewry as only a fraction of the total.

WHAT MAY WE EXPECT FROM EACH DIVISION?

Below is a record of the number of pledges and the total amounts subscribed through each division of the Jewish Welfare Fund Campaign in 1935. Since the Drive last May, there has been considerable improvement in business conditions, more in some fields than in others. Taking this into account, and likewise the fact that the efficiency of the soliciting organization varied in different Divisions, (and with careful preparation this may be standardized in 1936), the Officers of the Welfare Fund would like the benefit of your judgment with regard to the following question:

On the basis of improved business and an equal standard of efficiency among all the Divisions in their solicitation effort, what per cent of the total goal might be expected from the respective Divisions in 1936 as against 1935?

THE JEWISH WELFARE FUND -- 1936 CAMPAIGN

WOMEN'S DIVISION

What is the Jewish Welfare Fund?

The Jewish Welfare Fund since its formation in 1931 has been the money-raising agency for the Jewish Welfare organizations which do not come within the scope of the Local Community Fund. Last year 25 organizations were included in the Welfare Fund. Twenty-two of them are national or international in their service -- only three are local.

The bulk of the money raised is spent for the relief of German and other European Jews, and for providing them with a new homeland in Palestine. They are given food, clothing, and shelter, are assisted in leaving the countries where life has become intolerable, are trained for new occupations and established in other lands, and are cared for until they can make a good permanent adjustment.

The remainder of the Fund is used for protection against anti-Semitism here and abroad, for the support of national Jewish tuberculosis hospitals, and for general educational and cultural activities which contribute to the wholesome development of Jewish life.

Why a Jewish Welfare Fund?

The Jewish Welfare Fund was created by the Jewish Welfare Federation to combine into one campaign the numerous drives which had been conducted separately and independently.

Its purpose was to decrease the large proportion of money which had been spent for campaign expenses, to prevent the community from being over-run with a number of separate drives, and to distribute the money after careful study on the basis of merit instead of the former hit-and-miss method.

In other words, its purpose is to assure each contributor that his donation is spent for service, that it is intelligently distributed, and efficiently used.

What is the function of the Women's Division?

The Women's Division is one of the four major soliciting Divisions of the Campaign. The other three are: (1) the Men's Division, consisting of business and professional units; (2) Employee Division; (3) Young Adult Division.

The Women's Division will be responsible for the solicitation of: (1) those types of business which it is felt they can reach more effectively than the men, such as dress shops, millinery stores, beauty parlors, various types of food stores, etc.; and (2) almost all types of business in the residential areas.

At least one-third of the total number of prospect cards will be assigned to the Women's Division.

What are the next steps for the Women's Division?

The next step is the recruiting of Solicitors. This must be completed by March 1.

Each Captain should appoint seven or eight women to serve as Solicitors under her supervision. She will be responsible for seeing that they cover all the prospect cards which she assigns to them, and that the maximum contribution is obtained from each. It is therefore obviously necessary to select these persons carefully.

As soon as the Solicitors are appointed, their names should be sent to Mr Bernstein at the Federation Office.

Meetings will then be held of each Vice-Chairman with her Captains; and of each Captain with her Solicitors, to assign prospect Cards. These will be held during the months of March and April, so that the assignment may be done carefully and deliberately, at the convenience of the persons involved. The meetings will be small, in order to attain a maximum of efficiency.

Prospect cards will be assigned on a geographical basis. Each Solicitor will have about ten cards to cover, and these usually will be located within the same area.

The Campaign will then start approximately May 10, and will continue for about a week.

What other units will there be in the Women's Division?

In addition to the soliciting organization, there will be a Zoning Committee, to classify the prospect cards geographically; a Rating Committee for each District, composed of persons who know the residents of that area, to designate on each card the amount the prospect might be expected to contribute; a group to assist at Campaign Headquarters; and the Auditors Division.
