Dear Sir:-

Your services in previous Loan campaigns have been of the utmost value to the Liberty Loan organization. They will mean just as much in the Victory Loan and in the preliminary work which opens about April 1.

The selling plan for the Victory Loan will be very different from that heretofore employed in Cleveland. There will be no industrial sales division, taking subscriptions in the larger manufacturing plants and commercial establishments of the city. There will be no special sales division, working upon a selected list of names. There will be a single general selling organization, which will make its appeal to every home in Cuyahoga County.

This makes it the more necessary that every means of arousing interest and enthusiasm be employed in selling the loan. Loan speakers will work therefore in shops and stores and factories, theatres and generally at public gatherings.

Actual assignment of the speakers will be handled this time by Mr. Thomas V. Hendricks, who will communicate with you. Headquarters will be at 214 Hickox Building.

Sincerely yours,

*C. L. Bradley*  
Vice Chairman.

April 14, 1919.

Dear Sir:-

The Cleveland Liberty Loan Committee is sending you, under separate cover, some hundreds of copies of a little folder entitled "Peace and Resurrection" which we trust you will distribute to your parishioners. It sets forth effectively, as we believe, how appropriate to the Easter Season is this --- the Victory Loan.

It is desirable, also, that you should emphasize to your congregations the importance of the Loan as a means of making Victory secure and, indeed, of making Civilization's sacrifice worth while.

We are also sending you a limited number of appropriate posters which should be put up on the outside of your Church building, and which will help to carry a patriotic message to all who pass.

Relying, as in previous loan campaigns, upon your patriotic co-operation, I remain,

Sincerely yours,

C. A. PAINE,

Chairman.

P. S. You can render your community and your Country no more valuable service RIGHT NOW than by urging upon the members of your congregation that THEY become Victory Loan workers.

We need every available man and woman for this important service.

Dear Sir:-

You must read this letter, however long, and notwithstanding the fact that it is a circular letter addressed in the same language to many people. Some of it may not be at all appropriate in your individual case. Furthermore, you should answer it, and promptly, on the enclosed form and in the enclosed addressed envelope which requires no stamp. Doing less than this does not render the deserved co-operation.

The work of the Fourth Liberty Loan is upon us. The campaign proper will last three weeks instead of four. Notwithstanding this shorter time, it is proposed to have more meetings than we have hitherto had. We need speakers for all sorts and conditions of meetings. There will be meetings out of town for addressing in which your actual expenses will be paid. We need speakers for schoolhouses, churches, factories, theatres, public places, street corners, - indeed, we want to reach the people wherever they may be. To do all of this, and do it effectively, we must not only have more speakers than we have hitherto had, but they must work harder.

This letter is an appeal personal to you to enroll yourself as one willing to speak under the auspices of the Speakers' Bureau of the Fourth Liberty Loan. Please do not "pass the buck" to somebody else. It is quite likely that that somebody else is just as busy as you are. Please accept promptly. Fill out the enclosed return in detail and with accuracy.

Having enrolled, let us suggest that so far as possible you refrain from accepting personal invitations to address Liberty Loan meetings. Our scheme will work out better for you and for us if you would simply advise such inviters that you are speaking under the auspices of the Liberty Loan Committee, and refer them to the Committee.

(2)

Some of you who receive this letter will be interested this fall in politics. It is not to be assumed that any of you would knowingly permit any meeting to be given a political coloring, but we do not always know who the chairman of a given meeting may be. Will not you who may be interested in politics please always make a point of seeing to it that the chairman does nothing which could by any possibility give a political tinge to a meeting? You can appreciate how very out of place it would be for an over-zealous chairman to announce to the audience that he had pleasure in introducing Mr. So and So, the distinguished candidate for the office of - - - on the - - - ticket at the coming November election.

Having enrolled yourself, please always co-operate to the fullest extent with the Speakers' Bureau at Main 1. Try never to fail a meeting which you have accepted, and above all things, please never fail a meeting without notifying the Bureau sufficiently in advance for it to supply some one in your place. If you should, upon returning to your office at any time, find a request to call the Speakers' Bureau upon the telephone, please be good enough to do so. If you should ever visit the Liberty Loan headquarters and see how exceedingly difficult it is to get people upon the telephone, you would help out by calling up yourself when requested to do so. The secretary has frequently called up a given man as many as a dozen times a day and perhaps then without being able to catch him in his office.

We wish you would suggest additional speakers, but to help us in this respect please suggest only those whom you know to be willing and able. Very many are able, but perhaps unwilling, while very many are willing but wholly unable to deliver their message in the right way. We do not want you to assume in making suggestions that just because a man is a preacher or a lawyer he is therefore fully qualified to do this work.

Please send in your reply promptly, because organization meetings at which speakers will be required will start soon, in advance of the regular campaign.

Very sincerely yours,

C. A. PAINE, CHAIRMAN.

By H. M. T. Lee  
Chairman Speakers' Bureau.
