EUROPEAN ORT DELEGATION

Rabbi A. H. Silver,  
1485 E. 106th St.,  
Cleveland, Ohio.

Dear Rabbi Silver:

You will no doubt recall our conversation when I was in Cleveland some few months ago.

Dr. Singalovsky has since returned to Europe and I remained here to help in the further development of the American ORT and particularly in promoting the cause of the ORT Reconstruction Fund. Along this line we have made rapid progress. The enclosed list will show you what important persons are serving on our Committee.

At this moment we are concerned with the problem of organizing groups of prominent people in the various important cities who can help us in this campaign. I recall your sympathetic attitude <sup>toward</sup> our cause. May we not count on your support?

I expect to be in Cleveland some time during the latter part of this month, and I shall very much appreciate it if you will let me know whether I shall find you in town then.

With kindest regards, I am

Very cordially yours,

*L. Bramson*

P. S.---I am sending you a copy of the first leaflet about the American ORT.
