Rabbi A. Hillel Silver,
c/o Temple,
E. 55th Street & Central Ave.,
Cleveland, Ohio.

My dear Rabbi Silver:

We are seriously concerned about the state of the membership in the Zionist Organization. In many of the Districts they do not realize that we have got to reaffiliate our entire membership of 156,000. And that if we delay after January, there will be difficulties in securing \$2.00 from the members for the rest of the fiscal year. There will be the additional difficulty in carrying on a membership effort while the Palestine Restoration Fund campaign is in full swing. We have got to have these members in good standing in order to make a success of our Palestine Restoration Fund drive.

I need not point out to you the importance of both undertakings—the membership and the Palestine Restoration Fund.

Upon the membership depends the Palestine Restoration Fund and upon the Restoration Fund depends the whole success of our movement.

I am therefore writing this letter to you with the earnest request that you use your influence immediately in your District, and wherever you come in contact with Zionists, to impress upon the officers and workers the importance of their getting to work without any delay to bring into the Organization, if not twice the number of members of last year, at least the members who were registered during the last year's campaign.

Your personal cooperation in this matter is earnestly solicited. We trust you will realize that as a member of the Executive Committee it is your duty to stimulate the local workers in their efforts.

In the hope of the New Zion, I am,

Very cordially yours,

Dear Rabbi Silver,

In view of the fact that you are the principal speaker at the dinner which is being given at the Hotel Astor on January 5th for the Palestine Restoration Fund, may I ask you to cooperate with my department to the extent of preparing and sending on to me in advance the address which you will deliver on that occasion. I find that the best way to get maximum publicity is to give the newspapers as much as possible in advance. I feel confident that I may rely on you in this matter. If I can have your address here by the morning of January 4th, it will greatly help our cause.

Dear Rabbi Silver:

I sent you a telegram last evening to which I expect response at most any time now.

We regretted exceedingly the delay in the letter promised you. We had decided to act upon your suggestion of holding the conference and mass-meeting for the Palestine Restoration Fund on the same date, and as we were advised by New York that there is a possibility of having Judge Mack come to Youngstown on the 29th, we awaited definite word. Just yesterday we received wire that Judge Mack can be with us from 4:30 to 8:00 o'clock on the Sunday of that date. Since it is necessary for Judge Mack to leave at an early hour, we deemed it not advisable to hold the mass-meeting and conference on the same date. We are therefore planning our mass-meeting for the 7th of March, that is, if this date suits your convenience. If you cannot be with us on the 7th, which would be the nearest date to that time which you could give us? We have yet to communicate to New York for a Yiddish speaker, but as we are leaving the date open to your convenience, we await your reply before taking up the matter of a Yiddish speaker with headquarters. As the time is getting short, may we again take the liberty of asking you, should you not have done so before this, to kindly wire us as soon as possible?

We appreciate greatly and are highly honored that you so kindly accepted our invitation, extended thru the courtesy of Mr. Carmel, to give us your very able assistance in our campaign for the Palestine Restoration Fund; we now have every hope for a successful campaign.

Thanking you most kindly, I am, in the hope of the restored Zion,

Cordially yours,

(Mrs. A.) *Mattie J. Kamenetzky*

My dear Rabbi Silver:

Mr. Charles A. Cowen has sent me the following memorandum which I am submitting to you:

"Rabbi Silberfeld thinks it of the utmost importance that Rabbi Silver speak some Friday evening in the near future in the City of Newark. The members of Rabbi Foster's congregation have never heard Zionism discussed from the Zionist standpoint. If Rabbi Silver will give us some available date, Rabbi Silberfeld will have an invitation extended to him by Rabbi Foster's congregation or will turn over to him his own pulpit, sending special invitation to the members of Rabbi Foster's congregation. He is certain that they will come as they are anxious to hear Rabbi Silver."

Thanking you for your attention in the matter, I am

My dear Rabbi Silver:

In the absence of Mr. de Haas, your letter addressed to him was referred to me for reply.

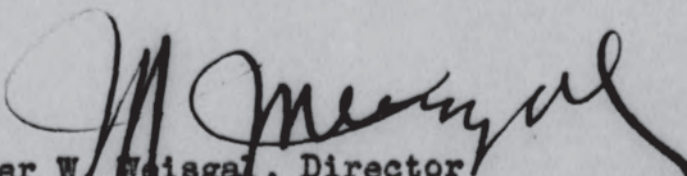

I have wired to Washington, giving them the 15th as the date, and making your provision clear to them, - that you will not consider going to Washington if the immediate purpose is not the raising of money for the Palestine Restoration Fund. As soon as I have a reply from Washington, I will wire you.

I have also written to Pittsburgh with regard to the exchange of pulpits. I will probably hear from them within a few days.

I am writing Dr. Wise, asking him to communicate with you with regard to occupying your pulpit on Sunday, the 14th. The date is definite. I am not quite sure, however, that he will reach Cleveland on Sunday in time to speak in your Temple. But he will wire you, I believe.

In the hope of the New Zion, I am,

Very cordially yours,

My dear Rabbi:-

I beg to acknowledge receipt of your telegram informing us that you will be in Buffalo on the 26th of March, to occupy Rabbi Kopald's pulpit and speak upon Zionism.

We have postponed our drive until April 11th, 1920, so you will have an opportunity of meeting some of Buffalo's people to enlist their co-operation. We are proceeding with arrangements to invite a number of Buffalo influential Jews as your guests at a luncheon at the Iroquois Hotel on the 27th of March, 1920, so as to enlist their moral and influential assistance and active participation in the drive.

We will appreciate it very much if you will have your secretary send us your picture for publicity.

We will be glad to receive any suggestions with reference to this luncheon. Unless we hear from you to the contrary, we will assume that this arrangement

My dear Rabbi Silver:

We have been receiving very many requests for your picture from places in which you are scheduled to speak. So far as I know, there is not a single picture of you in the office. Will you be good enough to send us at least one copy so that I can have several more made, and will you also send a copy of your picture at once to Mr. Louis Golding, c/o the Buffalo Zionist District, 323 Hickory Street, Buffalo, N. I shall appreciate it very much if you send me, together with your picture, some "dope" that we can use as advance stuff for your speaking tour.

My dear Mr. Weisgal:-

Joseph is just beginning to recover from typhoid fever and is out of service for the present campaign. I do not think it advisable that Silver occupy the local pulpit because we are planning that he be one of the speakers at a large public meeting in connection with our local campaign, some time during the week beginning April 12th, - most likely Wednesday evening, the 14th or Thursday evening, the 15th. Will you be kind enough to advise Dr. Silver of this? In the very near future the proper Committee person will take the matter up directly with Dr. Silver.

With best wishes,

Sincerely

My dear Rabbi:-

Replying to your letter of the 19th,

I think that you are probably right with reference to accepting the invitation of Temple Beth El. Can we, therefore, count upon you to be the principal speaker at the opening of the drive which will be on April 11th, 1920, at the Iroquois Hotel. The drive will open with a banquet of the same character as the War Relief Drive. I think that if you could come early enough to be here in the afternoon, to be the host of a few of the more influential members of our community, that you would be a great help in getting the larger subscriptions, to be announced at the opening of the drive in the evening. As stated before, the drive will open on April 11th, 1920, and will continue until April 18th, 1920; it will last one week.

We are about to send out announcements and will appreciate it if you will let us know by wire immediately whether you can be here on April 11th.

My dear Rabbi Silver:

I know it will please you to hear of the progress we are making in the Baltimore campaign.

About sixty five thousand dollars was raised at the dinner on March 16th. Since then the total has reached over one hundred thousand dollars and our committees are still hard at work.

We are preparing plans for co-operation on the part of the synagogues during Pesach through we hope to add considerably to the fund.

I want you to know that your presence and the magnificent address you delivered were an inspiration not only to all who attended the dinner but, through the efforts of our workers, to our people generally.

Let me assure you again of our deep appreciation of the great assistance you rendered us.

With kindest personal regard for you, I am,

I am in receipt of your letter of March 25th and regret exceedingly that you will be unable to be here on Sunday, April 11th. We have sort of counted on having you here on that day and have made all preparations for your presence here. However, we will re-arrange our plans and will appreciate your presence here on April 13th for a noon-day dinner, for which we expect to send out special invitations to secure the presence at this dinner of prominent people in Buffalo. It has been announced in the press that you will speak here in that way, and it is for this reason that I am very anxious that we secure your presence. Dear Rabbi:-

I recently received communication from you regarding donation toward the Palestine Restoration Fund.

Later, I received an acknowledgment of subscription which must have been mailed to me in error, inasmuch as I did not subscribe to this fund prior to this writing.

You will find enclosed my check for \$100.00 toward this fund, and would ask that you kindly acknowledge receipt of same.

It may be possible that one of your representatives called upon me shortly after I received your first letter, as I was ill with Influenza shortly after I received same.

Trusting that the Restoration Fund Campaign has been a great success, I remain,

Sincerely yours,

Alvin P. Fishel.

My dear Dr. Friedenwald,

I was delighted to receive
your letter informing me of the fine pro-
gress which Baltimore is making in the
Palestine Restoration Fund campaign.

I need not tell you how
much I appreciated the privilege of
being with you on March 16th.

I sent a statement of my
expenses to New York for which I have
already received a check, so you need
not bother further about it.

My dear Miss Antin,

I am in receipt of your letter of March 30th, and I shall be pleased to meet the people of Toledo on the 12th.

I understand that you are to utilize the meeting to raise money for the Restoration Fund. Let me suggest that it is absolutely essential that your leading citizens and active Zionists pledge themselves beforehand and solicit the larger contributions before the meeting.

You failed to do that at the last meeting and the results, as you know, were not very satisfactory. It is the preparatory work ~~preceding~~ the meeting that is, after all, the vitally important thing. I hope that you will bring this to the attention of your committee.

With kindest regards, I beg to remain

Very sincerely yours,

My dear Rabbi, WRHS

The Palestine Restoration Fund drive in Detroit has not yet been started. Zionist work in this city has been neglected for some time and the effort of starting the drive here must be carried out in an effective and energetic manner.

The Palestine Restoration Fund Committee with Mr. Fred M. Butzel at its head, are anxious to have your help and coöperation in the starting of the drive. A luncheon of about one hundred and fifty prominent Zionists and workers will take place on Thursday, evening, April 29. I was asked to extend to you the invitation of the Palestine Restoration Fund Committee to attend this luncheon. We all feel that your presence and exhortation will serve as a mighty encouragement and produce the proper results.

Expecting to receive a favorable reply and in the hope of Zion Rebuilt, I am,

Respectfully yours,

Leon Zlotzkoff

P. S. Kindly wire your reply so that we may save some time in hastening the printing of invitations and arrangements. *

Dear Silver:

I have been trying to get you over the telephone, but have been having poor luck. Mr. Ostrow, who is chairman of organization that is arranging a Palestine Fund meeting, has asked me to invite you to address his meeting. Of course, you know that on my own account I shall be delighted to have you come.

In order to increase the chances of your being able to accept this invitation I have advised Mr. Ostrow to leave the date open. Any date that you can come in the near future will be set for the meeting. Here, as in all small cities, Sunday is by far the best day of the week for such a meeting. Therefore, if you can arrange ~~XXXXX~~ for some Sunday evening in the near future, you will be sure of getting the best results. You could thus have practically the whole day at home, leave for Erie about six o'clock and get here in good time for the meeting.

I hope that you will be able to come and that you will be my guest while here.

Yours sincerely

Currick

You could leave for Cleveland same evening, if necessary.

Rabbi A.H. Silver,

Dear Rabbi Silver,

The enclosed is a typewritten copy of notes taken from your recent wonderful lecture at the Hutchinson High School, Buffalo.

It is probably imperfect and we are sending it to you thinking perhaps that you would be willing to revise it for us as we would like your permission to publish a dozen copies or so for distribution at our closing banquet on May 2d.

There are very many people who are extremely anxious to secure a copy and we are certain to complete our quota if there is still anything lacking by allowing some of these people to purchase an autograph copy of same.

We will be very grateful to you if you will write us a line consenting to the use of these few copies of your lecture and if your will return the enclosed corrected or edited, by return mail, we will have sufficient time to have them properly printed and bound for use on May 2d.

The writer wishes to thank you for all the assistance that you were able to give us in our campaign.

Very sincerely yours,

Aaron Nathan

My dear Rabbi Silver:-

At a meeting of the District Committee held on April 21st, I was asked to write to you and convey to you the thanks of the Committee for having honored us, by coming to New Orleans and taking part in the meeting opening the Palestine Restoration Campaign.

I assure you it was a genuine pleasure to us all to hear your message and, personally, I only regret that so many members of our community allowed the unclement weather to prevent them from coming and hearing you.

With kind regards, I remain, in the hope of the

Dear Rabbi:-

Your kind favor of the 15th inst. received, and was glad to know that you will favor us with your kind visit to Erie on the 26th.

Regarding your recommendation, we should not depend entirely on your visit, and do some Campaign work before you come. I beg to advise you that we have started an Advertising and Educational Campaign regarding the Restoration Fund for the last four or five weeks. Rabbi M. C. Currick, has already delivered two or three sermons in his temple, to advocate the Moral and Financial support for the Restoration Fund.

We are also having a meeting this evening of Twenty-four workers to outline the entire Campaign appoint Captains for the drive, etc.

I have tried to get you by 'phone all day, as we want you to send us one of your photographs by sepcial delivery, to have it in the newspaper, advertising your coming here to deliver an address on the Twenty-Sixth to Celebrate the granting of the "Manadate of St. Remo". Upon receipt of this letter, kindly wire me at my expense whether you will send photograph or not, so we will

know how to go ahead with the advertising. In case if you have no photograph, I wish you would wire New York headquarters, who I know have your photograph, advising them to forward same to us immediately. Also I would like to ask you to let me know whether it is necessary for the Delegation to make a report of the Last convention in New York City, or whether you will include that in your own address, also whether you will make an appeal for funds or whether you want somebody ^{else} to appeal for same. It is the opinion among our workers, that you could achieve better results if you would do it, than anybody else, but if you want somebody to make a Direct appel for funds, we will follow your instructions.

As the time is short, kindly give us the above information as soon as possible by wire or call me by 'phone, reversing the charges.

With kindest personal regards, also thanking you for your kind acceptance of our invitation,

In hope of the New Zion, I remain,

Sincerely yours,

P.P. Please pardon last errors as this letter was written after 6 P.M. and the stenographer was in a hurry

Dear Rabbi:-

In my last letter, I omitted to ask you to let me know what train you intend to take coming here, so we will have the Committee meet you. I would suggest that you take the train that arrives in Erie about 3:05 Railroad time, as the next train would be rather too late.

Please let me know by return mail, whether this is the train you will take or any other train.

My dear Mr. Ostrow,

Enclosed please find the photograph which you requested.

I shall make the appeal for funds, but the actual *Solicitation* ~~solicitation~~ of individuals should be made by one who knows the community thoroughly.

However, we can arrange that when I get there.

My dear Silver:-

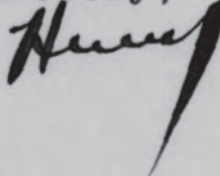

It surely was a delight to receive your letter this afternoon -- not to speak of the big, fat check it contained.

Just prior to receiving your letter a meeting was held of the committee doing the dirty work, consisting of Chipkin, Cohen and yours truly. We were then wondering why we had not heard from you up to that time.

I shall be glad to send the tickets to the people you indicated, and hope that we shall meet one another soon in good health.

With kindest regards,

Sincerely,

P.S. It may interest you to know that our once-upon-a-time director, Mr. Louis Hurwitz, is coming to the banquet and is making a special trip from Boston for the purpose,
