Dear Rabbi Silver,

I have to thank you very much  
for your letter of March 4th, which I read with  
great interest. I shall from time to time be  
sending you a copy of the "Zionist Record", especially  
when we review any of your books.

I have written you separately  
extending a cordial invitation to you to contribute  
an article in our forthcoming Rosh Hashonah number  
and sincerely hope that you will accede to my request.

The undersigned had the pleasure  
of hearing you speak some years ago at the great  
Baliour meeting in the Albert Hall, London, and still  
remembers the deep impression which your oration made  
upon him.

With kind regards and Zion's  
greetings.

Dear Rabbi Silver,

I beg to draw your attention to the forthcoming publication of the special Jewish New Year (5693) Annual of the "Zionist Record". The issue will contain a large number of special messages and contributions from the pen of the greatest in world Jewry.

I desire to invite you cordially to send for publication a special article from your pen. This action on your part will, I assure you, be very deeply appreciated by the Jewish community in this country. You might care to write an article on the present position of Zionism in the United States or perhaps you would like to contribute something on a religious topic.

In view of the time which elapses before your contribution can reach this country and as we have
