My dear Betsy:

As part of our centennial celebration The Temple plans to set aside the Sunday morning service of December 18 - Chanukah week - as a re-dedication service for all the men and women who were confirmed at The Temple - over 4,000 of them. The Temple plans this service as a great re-consecration service on the part of these past confirmants to the ideals of our faith and of our Temple.

I am inviting a small group of confirmants of The Temple to meet with me on Tuesday evening, October 25th, in the Parlor of The Temple to plan the service. I believe that it will be one of the most impressive events in our centennial year. May I count upon your attendance? We shall meet at 8:15 p.m.

Looking forward to the pleasure of seeing you, I remain

Most cordially yours,

ABBA HILLEL SILVER

SUGGESTED LETTER TO THOSE ATTENDING MEETING OF OCTOBER 25th:

Dear _____

Thank you again for attending the meeting on Tuesday evening. The enthusiasm of the group was very gratifying, and I know that we shall have a beautiful service on December 18th.

In accordance with the plans made at the meeting, you will find enclosed a list of your classmates with whatever information we have been able to secure about them as to married names, address, etc. As soon as they have all been contacted, will you please report the results to Miss Rice.

The November 4th issue of The Temple Bulletin will carry a brief item on the re-dedication service so that many of the people you will contact will already be aware of it. For those who have not seen the item in the Bulletin, I would suggest that you explain to them

SUGGESTED LETTER TO CLASS REPRESENTATIVES NOT INVITED TO MEETING
OF OCTOBER 25TH:

Dear:

As part of our centennial celebration The Temple plans to set aside the Sunday morning service of December 18 - Chanukah week - as a re-dedication service for all the men and women who were confirmed at The Temple - over 4,000 of them. The Temple plans this service as a great re-consecration service on the part of these past confirmants to the ideals of our faith and of our Temple.

At a small meeting held Tuesday, October 25th, plans were made for a very beautiful and impressive service, to be followed by individual class reunions in the classrooms of the School building after which there will be a general reunion and reception in Mahler Hall.

I should be very pleased if you would accept the responsibility of contacting the members of your class. You would, of course, be free to call on anyone else in your class to assist you in making these contacts. In a few days my secretary will telephone you, and if you agree to take on this assignment a list of your classmates will be sent to you.

With all good wishes, I remain

SUGGESTED LETTER TO THOSE INVITED FOR OCT. 25TH MEETING, BUT
UNABLE TO ATTEND:

Dear _____

I am sorry that you were unable to attend the meeting of the confirmants on Tuesday evening. We had a fine turn-out, and some excellent suggestions were made for a beautiful and impressive service.

It was agreed that a representative from each class would be selected to contact the members of his class in order to explain the purpose of the service and to determine the interest of the class in attending. Tickets of admission will be sent out prior to the service.

Following the service the confirmants will adjourn to the School building for individual reunions, after which there will be a general reception and reunion in Mahler Hall.

In accordance with your request to serve on this Committee, I am enclosing a list of the confirmants in your class. An effort has been made to indicate married names wherever possible. You may, of course, feel free to call on any other member in your class to assist you in making the contacts. When all the calls have been made, will you please telephone Miss Rice at The Temple and give her the results. If you have any questions or suggestions, I shall be very pleased to hear from you.

With all good wishes, I remain

My dear Friend:

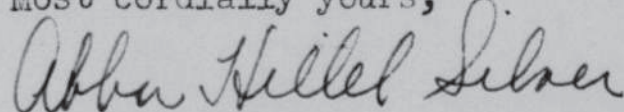

The unusual interest and enthusiasm throughout the entire community in the Reconsecration Service to be held on Sunday, December 18th, is due in large measure, I am sure, to the efforts of you and the other Confirmation Class representatives who are devoting yourselves so thoroughly to contacting your classmates. I know that it involves much work, and I am most appreciative of your efforts.

A committee is now at work planning the procedure for the class reunions which will be held in the classrooms of the School building following the Service in the Temple. Arrangements are being made to serve a buffet luncheon to the confirmants and their husbands and wives who will attend. In order to assist this committee in estimating the number of people who plan to attend, I would very much appreciate your completing your contacts as early as possible and reporting the results to my secretary, Miss Rice.

In addition, when you have completed your work, will you please return your lists to Miss Rice with all the additional information which you have been able to secure; i.e., married names, present addresses, etc. so that The Temple files may be brought up to date.

Let me again express my deep appreciation for your willingness to participate in this program which, I am sure, will be a memorable one for all of us.

Most cordially yours,

My dear Rabbi Silver,

I can't tell you how thrilled I was upon reading your letter concerning the coming centennial celebration. Mother forwarded it to me immediately, for I am in New York attending school.

I regret that I will not be able to participate in the centennial services but it is impossible for me to be in Cleveland on December 1st.

Thank you so much for the honor of the your invitation. My biggest regret is that I cannot accept.

Most cordially yours,
Lois Hays

My dear Friend:

If you have not already done so, will you please complete the calls to your Confirmation classmates as quickly as possible, and return the lists with the results to Miss Rice. In planning the luncheon which will follow the service, it is important that we know the approximate number who are planning to attend.

I should like to take the opportunity once again of expressing my deep appreciation for the time and energy which you have devoted to this task.

Cordially yours,

My dear Friend:

I was delighted to learn from Miss Rice that you will be present at the Reconsecration Service on Sunday morning, December 18th, and that you will kindle the light for the class of 1869. This service is being planned in connection with our Centennial Year, and is a reconsecration for all past confirmants of The Temple, of which there are over 4,000. Following the service class reunions are being held and a buffet luncheon will be served. We should be very pleased to have you and your daughter, Mrs. Eckhouse, remain for the luncheon. You would meet with the classes of 1890 to 1900 in the Children's Library on the first floor of the School Building.

We are holding a short rehearsal on Friday, December 16th, at 8:00 p.m. in The Temple for all those participating in the kindling of the lights. It will be a very simple procedure and I am sure that we can facilitate it for you. A section in the front of The Temple will be reserved for those participating, and we shall be happy to reserve a seat for you so that there will be a minimum amount of walking.

Again, let me express my pleasure at your willingness to participate in this service, which I believe will be a memorable one for everyone. With all good wishes, I remain

Agreement was reached on the following suggestions:

1. That a chairman or monitor be selected from each Confirmation Class to contact all the members of the class in order to inform them of the re-dedication service and to insure as full attendance as possible. Each chairman will receive a list of the confirmants in his class, and after making the calls, he will report back to Miss Rice.
2. The most significant prayers of the Confirmation service (opening, closing, floral offering) will be incorporated into the regular Sunday morning service. Two large Menorahs will be erected, one on each side of the altar, and each holding about 30 holders. At a designated time in the service, the roll will be called and a representative from each class will ascend the altar and light a taper for his year.
3. A printed program will be prepared, including the Confession of Faith which will be repeated during the service by the confirmants.
4. Interest was expressed in using the traditional Confirmation music and the possibility of singing one of the Confirmation songs. The playing of "Largo" was also requested.
5. Reading of Scriptures by one of the confirmants.
6. Following the service the confirmants will adjourn to the School building where rooms will be assigned to each class for brief reunions, following which everyone will assemble in Mahler Hall for a general reunion.
7. It was suggested that buttonieres of carnations be distributed in the lobby of the Temple to all confirmants as they enter.
8. The class chairman will act as hostess at the individual reunions and at the general reunion.
9. Class pictures and programs will be exhibited in the halls of the School building.
10. Admission cards will be sent to all confirmants indicating their interest in attending the service.
11. Possibility of dismissing Religious School on December 18th.

Benediction

Lord What Off'ring Shall We Bring?

Lord, what off'ring shall we bring
At Thine altar when we bow?
Hearts,—the pure unsullied spring
Whence the kind affections flow.

Willing hands to lead the blind,
Heal the wounded, feed the poor;
Love, embracing all mankind;
Charity, with lib'ral store.

Teach us, O Thou heavenly King,
Thus to show our grateful mind,
This accepted off'ring bring;
Love to Thee and all mankind.

Father, See Thy Suppliant Children

Father, see Thy suppliant children
Trembling stand before Thy Throne,
To confirm the vow of Horeb,
"We will serve the Lord alone."

Thy command shall be engraven
On the tables of our heart,
Till the heart in death be broken,
Till the cord of life shall part.

When dark tempest, low'ring gather,
It will be our strength and stay,
It will be our guardian angel
Upon life's laborious way.

As a shelt'ring cloud at noontide,
As a flaming fire by night,
Through prosperity and sorrow,
It will guide our steps aright.

Till we reach the land of promise
When the toils of earth are past,
Till we sleep the sleep eternal
In the realms of peace at last.

Confession of Faith

I consecrate my life to the religion of Israel—
With all my heart, with all my soul, with all my might,
I will strive to further the holy purposes of Judaism.
Unto the end of my life, Israel's watchword shall be my guide.
Sh'ma Yisroel Adonoi Elohenu Adonoi Echod.
Hear, O Israel, the Lord, our God, the Lord is One.

Dear Rabbi

This is my second
Jan letter - the first was to
Marie Keener - but after yes-
terday I think you deserve
a million!

I am not a confirmand
of the Temple, but I was
right in Merrill's shoes
with him yesterday and
appreciated the services,
the service and the lunch
just as though I had been.
The whole idea was so
wonderful and so perfect-
ly executed. If I seem en-
thusiastic, it's because I
am!

Let me think I am

completely happy about it
all - well, I'm not. The
service jarred me too much.
I'm precariously bouncing
between categories now and
I don't like it a bit!

Affectionately,

Dear Mr. Pyle:

I am writing to you in behalf of Mrs. Bialosky and Mrs. Wise, as well as everyone who participated in yesterday's celebration, to tell you what a magnificent job you did. Not only were there hundreds of comments yesterday about the attractive tables and the delicious food, but this morning I have received dozens of phone calls from hostesses telling me what complete cooperation they received from your waiters and waitresses.

We know under what handicaps you had to work in a building such as ours, but it would be impossible to imagine anyone doing the job more efficiently or more satisfactory than you. Please express to Mr. Gilchrist, to your brother and to everyone of your staff our deep appreciation for a very difficult job well done.

Dear Rabbi Silver:

Still under the spell of yesterday's Reconsecration Service, I want to thank you and The Temple for affording me the opportunity of recapturing the solemnity and the spirit of holiness of my Confirmation. I would not have thought it possible.

The service itself was poignantly beautiful, while the efficiency with which the class reunions were managed was indeed a marvel. It was so good to be able to "backward turn time in its flight," and I am deeply grateful.

Dear Rabbi .

Enclosed is a check representing a collection that the class of 1912 gave at the reconsecration ceremony.
