December 7, 1949 Mr. N. L. Dauby May Company Cleveland, Ohio My dear Mr. Dauby: I have two requests to make of you. On Sunday morning, December 18th, an impressive Reconsecration Service will be held at The Temple for all the men and women who in the past years were confirmed at The Temple. There are over 4,000 of them. Two of our oldest confirmants who will be in attendance will represent the class of 1870, and one, the class of 1874. Each class will, through a chosen representative, kindle a light in a large Menorah which will be erected on the Temple altar. Young Bob Gries has been chosen to represent his class. I should like you to attend this service. I believe that it will be an inspirational one. The project which I discussed with you a few times - that of utilizing the spirit of the Centennial Year to build up The Temple Endowment Fund to protect our institution against future emergencies as well as the beautiful Temple building is well on the way. I am eager to proceed with the quiet contact of those members of The Temple who are in best position to assist. I have made some soundings, and I believe that the response will be very good. I would appreciate hearing from you on this matter. It was very pleasant to see you last evening at the Reich With all good wishes, I remain Most cordially yours, ABBA HILLEL SILVER AHS:er

December 16, 1949 Mr. N. L. Dauby The May Company Cleveland, Ohio My dear Mr. Dauby: I received your letter this morning, and I hasten to thank you for the generous gift of \$5,000 from the Beaumont Fund to The Temple Endowment Fund. I am profoundly grateful to you for this gift and for the inspiration which it will give us in reaching the goal which we have set for ourselves during this Centennial Year for our Temple Endowment Fund. I am, of course, deeply appreciative of the personal contribution which you indicate in your letter that you will make. Your wholehearted cooperation at all times has been a constant source of enheartening to me. I shall look forward with pleasure to seeing you at The Temple this coming Sunday. With all good wishes, I remain Most cordially yours, ABBA HILLEL SILVER AIIS ter

Mr. Isadore Horowitz 18200 Shaker Boulevard Cleveland 22, Ohio

My dear Friend:

I was very happy to have had the opportunity to chat with you briefly yesterday and to interest you in The Temple Endowment Fund. I should like to tell you more about it.

As you undoubtedly know, The Temple is celebrating this year its 100th anniversary. Many fine events have been scheduled in this connection. You will recall the beautiful Consecration Service of all past Temple confirmants which was held on December 18th. On March 1st a new Temple Museum for Religious Art and Music will be dedicated. On March 29th a colorful Pageant telling the story of the 100 years of the life of our Temple and of the Cleveland community will be presented at Music Hall. An attractive souvenir volume recording the history of the congregation in words and pictures is being printed. All these affairs will be climaxed on May 18th with a Centennial Banquet at which an outstanding national figure will be our guest and speaker.

I am eager to see the fine spirit and good will which will be engendered in the Centennial year result in some material benefit for The Temple. We must look ahead. As we enter our second century The Temple, the foremost liberal religious congregation in the United States, should be helped to even greater usefulness and increased opportunities to serve our people, our faith, our city, and our country. Provision should be made for expanding the program of our Religious School, our youth activities, our adult education, our Library and Museum services, and other important work.

We should also make provision to protect our institution as far as possible from the sort of experience which we had in 1929-34 when, because of a severe economic depression, The Temple was compelled drastically to curtail its program of essential activities because it had no reserves whatsoever to draw upon - nothing to cushion the shock of an unforeseen emergency. Many important cultural or religious organizations in the United States, including the leading churches of Cleveland, have an endowment fund which enables them to tide over periods of emergency.

-2-February 20, 1950 Isadore Horowitz Furthermore, our Temple building, one of the noblest examples of ecclesiastical art in the United States and the pride of our community, is already a quarter of a century old. There will be increasing need for extensive repairs and renovations to keep it in proper condition. Because of all these considerations, The Temple recently established an Endowment Fund, and a fair amount has already been contributed to it by loyal members who have the interest of The Temple at heart and who look ahead to its future. I feel that during this Centennial year this Endowment Fund should be substantially increased. I am making a canvass among friends of The Temple for gifts to this Fund. It is many years since The Temple has turned to its members for contributions beyond the rather modest annual dues which they pay. I realize that there are many other demands which are being made upon you. I should not wish this request to affect your contribution to any other worthy cause. If you are in a position to help The Temple by making a gift to it on this unusual occasion, it would be a most meritorious act and would be profoundly appreciated. Please let me hear from you. I send you my warmest greetings and all good wishes. Most cordially yours, ABBA HILLEL SILVER AHS:er

February 21, 1950 Mr. Philmore J. Haber Hollywood Beach Hotel Hollywood, Florida My dear Phil: I know of your great interest in The Temple Endowment Fund, and I am accordingly enclosing herewith a draft of a letter which I am sending out this week to about 150 members of The Temple. The letter will tell you the story. Last evening Dan Sherby was at my home, and we spoke about this Endowment Fund. He was very much interested and he himself has contributed \$1,000. I told him that I would be in Miami Beach for six days beginning Monday, March 6th. I am to address a meeting there on the 8th of March. I expressed the thought that it might perhaps be advisable for me informally to meet The Temple members who may be vacationing at the Hollywood Beach Hotel. Dan thought that perhaps you could arrange a cocktail party, say, on Saturday afternoon, March 11th, for our Cleveland friends at which time I would speak to them for five or ten minutes about the Centennial of The Temple and try to interest them in the Endowment Fund. I think the idea is a splendid one, and I am wondering whether you would undertake to arrange for this little party. Dan Sherby is eager to help. You may be interested to know that before he left for Florida, Mr. Dauby sent us a very generous contribution to the Endowment Fund both for himself and the Beaumont Fund. I trust that you and Connie are well and enjoying your well-deserved vacation. With all good wishes, I remain Most cordially yours, ABBA HILLEL SILVER AHS:er

My dear Bob:

I am writing this letter to a group of friends. As you undoubtedly know, The Temple is celebrating this year its 100th anniversary. Many fine events have been scheduled in this connection. You will recall the beautiful Consecration Service of all past Temple confirmants which was held on December 18th. On March 1st a new Temple Museum for Religious Art and Music will be dedicated. On March 29th a colorful Pageant, telling the story of the 100 years in the life of our Temple and of the Cleveland community will be presented at Music Hall. An attractive souvenir volume recording the history of the congregation in words and pictures is being printed. All these affairs will be climaxed on May 18th with a Centennial Banquet at which an outstanding national figure will be our guest and speaker.

I am eager to see the fine spirit and good will which will be engendered in the Centennial year result in some material benefit for The Temple. We must look ahead. As we enter our second century, The Temple, the foremost liberal religious congregation in the United States, should be helped to ever greater usefulness and increased opportunities to serve our people, our faith, our city, and our country. Provision should be made for expanding the program of our Religious School, our youth activities, our adult education, our Library and Museum services, and other important work.

We should also make provision to protect our institution as far as possible from the sort of experience which we had in 1929-34 when, because of a severe economic depression, The Temple was compelled drastically to curtail its program of essential activities because it had no reserves whatsoever to draw upon - nothing to cushion the shock of an unforeseen emergency. Many important cultural or religious organizations in the United States, including the leading churches of Cleveland have an endowment fund which enables them to tide over periods of emergency.

Furthermore, our Temple building, one of the noblest examples of ecclesiastical architecture in the United States and the pride of our community, is already a quarter of a century old. There will be increasing need for extensive repairs and renovations to keep it in proper condition.

Because of all these considerations, The Temple recently established an Endowment Fund, and a fair amount has already been contributed to it by loyal members who have the interest of The Temple at heart and who look ahead to its future. I feel that during this Centennial year this Endowment Fund should be substantially increased.

I am making a quiet canvass among friends of The Temple for gifts to this Fund. Would you like to help us by making a birthday gift to the Endowment Fund? I would be deeply grateful to you. It is many years since The Temple has turned to its members for contributions beyond the rather modest annual dues which they pay.

I realize that there are many other demands which are being made upon us. I should not wish this request to affect your contribution to any other worthy cause. If you are in a position to help The Temple by making a gift to it on this rare occasion, it would be a most meritorious act and would be profoundly appreciated. Please let me hear from you.

I send you my warmest greetings and all good wishes.

I will not be in position for some time to allocate gifts for 1950, but I will make an effort to do this before the May 18th Centennial Banquet.

Best regards.

Rabbi Abba H. Silver c/o The Temple East 105th Street at Ansel Road Cleveland 6, Ohio · · · · · · · · CHARLES A. BARNETT 13720 SHAKER BLVD. CLEVELAND 20, OHIO March 8, 1950 Rabbi Abba Hillel Silver, The Temple, East 105th St. at Ansel Road, Cleveland 6, Ohio My dear Rabbi: I am heartily in accord with the purpose of the Endowment Fund as outlined in your letter of February 24th, and I will be glad to make a gift to this fund. It will be very inconvenient for me to make this a birthday gift and I would therefore prefer to wait until some time later in the year. As you know, I was unable to devote full time to my business during most of last year, and as a matter of fact, I am still following a rather restricted schedule. However, I hope that I will be in a position to make a more substantial gift in the fall than at the present time. With best wishes for a grand Centennial Year, Cordially yours, Church CAB: VB

March 16, 1950 Mr. Philipre J. Haber 3021 Courtland Cleveland 22, Ohio My dear Phil: I have just returned from my trip to Canada and I hasten to write to you and tell you how much I appreciated your cooperation, and how delighted Virginia and I were at the dinner which you and Commie arranged at the Hollywood Beach Hotel, and with the hospitality which you extended to us. I was very happy to meet your friend, Mr. Robin, and to have seen what I saw of the hotel and of his apartment. They were indeed eye-openers. While the material results of the meeting were somewhat disappointing, I think that we shall be able to see some of the people here in Cleveland. I would deeply appreciate if you could see some of your friends in the next few weeks and urge them to make contributions to the Fund. All of them, I am sure, have received a letter explaining the Fund, similar to the one which I sent you. By the time the annual banquet comes around on May 18th, I should like to be in position to armounce a substantial sum raised for the Endowment Fund. Honey has been coming in - some of it surprisingly good. With all good wishes, I remain Most cordially yours, ABBA HILLEL SILVER AHS:er

March 16, 1950 Mr. William Skirball Hollywood Beach Hotel Hollywood Beach, Florida My dear Bill: It was so very nice to see you last Saturday at the Hollywood Beach Hotel. It was such a pleasant surprise. Both Virginia and I enjoyed the evening very much. I was in New York Monday on my way to Toronto to open the U.J.A. Campaign, but all planes were grounded and so I missed my meeting, but I did go on the next day to Montreal for another Campaign opener. I tell you this so that you will enjoy the sun-shine and the rest of Florida even more. I am grateful to you for your contribution to the Centennial Endowment Fund. When you return to Cleveland, please come in to see me. I should like to show you the perfectly beautiful Museum for Religious Art and Music which our Temple has built in honor of the 100th anniversary. With all good wishes in which Virginia joins me, I remain Most cordially yours, ABBA HILLEL SILVER AHS:er

Rabbi Abba Hillel Silver 19810 Shaker Cleveland Hts., Ohio

My dear Rabbi:

It does me great honor to be considered among your friends, as indicated in your letter to me of February 24, 1950.

I have observed that the expression of friendship from you, my dear Rabbi, is not the result of a momentary whim. It is, therefore, most gratifying to know that, after many years, I have acquired your confidence and esteem.

The privilege of your spiritual guidance and leadership is, in my opinion, given to altogether too few of our fellow Jews, large as our Temple membership may be. There are many, like myself, who believe that you belong to world Jewry, and that it is altogether fitting that you now be at the helm. It is my hope that this will come to pass in our lifetime.

Feeling as I do, I desire to express to you my deep appreciation of your service to our people, and particularly in the creation of the State of Israel. As a small token of my deep affection for you and the high regard in which I hold you as a Rabbi, as a leader and as a friend, I am enclosing my check, payable to The Temple, in the sum of One Thousand Dollars (\$1,000.00) to be divided by you as a contribution of Five Hundred Dollars (\$500.00) to the Endowment Fund and Five Hundred Dollars (\$500.00) to the Museum Fund.

May God bless you in all your endeavors.

Dear Schnorrer:

I'm herewith pleased to enclose my check for \$250.00 for your Endowment Fund - whatever that is. Please do not buy Hershey Bars with it.

In any event, if it pleases you, it pleases me. I'm only sorry that Eva and I will not be with you on May 18th.

I do want to say this to you: the enclosed check means that Eva will have to wear one less girdle.

As the old prophets used to say: Noof -- noof -- noof.

Best regards.

Sincerely,

May 23, 1950 Mr. Louis S. Sanders Craftint Manufacturing Co. 1615 Collamer Cle veland, Ohio My dear Friend: I am writing this letter to a group of friends. As you know, The Temple celebrated this year its 100th anniversary. Many fine events were held in this connection. You will recall the beautiful Consecration Service of all past Temple confirmants which was held on December 18th. On March 1st a new Temple Museum for Religious Art and Music was dedicated. On March 29th a colorful Pageant, telling the story of the 100 years in the life of our Temple and of the Cleveland community was presented at Music Hall. Our Centennial Religious Service was held on Sunday morning, May 14 th, and our 100th Annual Meeting and Anniversary Banquet on May 18th climaxed the year's activities. A few days ago an attractive souvenir volume recording the history of the congregation in words and pictures was mailed to all of the members. I am eager to see the fine spirit and good will engendered in the Centennial year result in some material benefit for The Temple. We must look ahead. As we enter our second century, The Temple, the foremost liberal religious congregation in the United States, should be helped to ever greater usefulness and increased opportunities to serve our people, our faith, our city, and our country. Provision should be made for expanding the program of our Religious School, our youth activities, our adult education, our Library and Museum services, and other important work. We should also make provision to protect our institution as far as possible from the sort of experience which we had in 1929-34 when, because of a severe economic depression, The Temple was compelled drastically to curtail its program of essential activities because it had no reserves whatsoever to draw upon - nothing to cushion the shock of an unforeseen emergency. Many important cultural or religious organizations in the United States,

May 23, 1950 --2-Louis S. Sanders including the leading churches of Cleveland have an endowment fund which enables them to tide over periods of emergency. Furthermore, our Temple building, one of the noblest examples of ecclesiastical architecture in the United States and the pride of our community, is already a quarter of a century old. There will be increasing need for extensive repairs and renovations to keep it in proper condition. Because of all these consideration, The Temple recently established an Endowment Fund, and a fair amount has already been contributed to it by loyal members who have the interest of The Temple at heart and who look ahead to its future. I feel that during this Centennial year this Endowment Fund should be substantially increased. I am making a quiet canvass among friends of The Temple for gifts to this Fund. Would you like to help us by making a birthday gift to the Endowment Fund? I would be deeply grateful to you. It is many years since The Temple has turned to its members for contributions beyond the rather modest annual dues which they pay. I realize that there are many other demands which are being made upon us. I should not wish this request to affect your contribution to any other worthy cause. If you are in a position to help The Temple by making a gift to it on this rare occasion, it would be a most meritorious act and would be profoundly appreciated. Please let me hear from you. I send you my warmest greetings and all good wishes. Most cordially yours, ABBA HILLEL SILVER AHS:er

May 24, 1950 Mr. William N. Skirball Chagrin River Road Gates Mills, Ohio My dear Bill: Thank you very much for your contribution to The Temple Endowment Fund. I trust that you are well and I hope that I may have the pleasure of seeing you in the near future. I should like to repeat the invitation which I sent to you to drop around some day to see our new Temple Museum for Religious Art and Music. It is well worth seeing. With all good wishes, I remain Most cordially yours, ABBA HILLEL SILVER AHS:er

I am enclosing key chains for you and your family. The design is the brainchild of the writer to commemorate our 35th Anniversary. It has significance and is especially timely. In addition to interpreting the history of our company from our start in a little blacksmith shop in the year of 1913 with continual employment without lay offs and profit to each - the employe, ourselves, and the customers whom we serve - the links demonstrate one serving the other for better living. With kind regards. Very cordially yours, Isaac Evans encls.
