Mr. David Brown,
512 Pershing Square Bldg.,
New York City.

My dear Mr. Brown,

Permit me to acknowledge the receipt of your kind letter of December 31st. The report on my address in the Jewish Advocate of Boston quoted by you is not accurate, and couched in abominable English. What did the reported mean by saying that the Russian Colonization is a new Catholicism? What I said at the meeting was that Zionists are not opposed to any relief drive for the *amelioration* of the conditions of their people in any part of the world nor are they opposed to this United Jewish Campaign. Their opposition was focused against the effort made by some who advocate Russian Colonization as the solution of the problem of Russian Jewry and as the panacea for all their ills. This you will recall, I stated in my letter to you and to Mr. Marshall. You may rest assured, my dear Mr. Brown, that I have not in the past nor do I intend in the future to do anything that would in the least harm the United Jewish Campaign. I did not hear the address of Mrs. Archibald Silverman for I left immediately after my talk to catch a train for North Adams.

With kindest regards and trusting that you are well, permit me to remain

Very sincerely yours,

Mr. William Edlin,
Zionist Organization of America,
115 Fifth Avenue, New York City.

My dear Mr. Edlin,

I have decided upon "Authority vs. Liberty in Government" as Colonel Wedgwood's subject for my Congregation on January 17th, as the one most likely a representative audience. It would of course be very fine if the Colonel could find it possible to introduce the subject of Palestine in his address.

Should I succeed in arranging a meeting for Mrs. Wedgwood, I will wire you.

Please let me know when the Colonel expects to come to Cleveland.

Very sincerely yours,

Dear Dr. Silver:

I address myself to you with another and
even more insistent invitation to come to Toronto.

Our Membership Campaign is practically over.
The results to date our most encouraging inasmuch as we have
received in contributions and donations over \$92,000 for 1926
with the prospect of from \$3,000 to \$4,000 more before we close
our books. This has proven the biggest achievement in the history
of the Federation.

Our next endeavour is to hold a large public
annual meeting. At our last year's annual meeting, Mr. Jacob
Billicopf was our guest. Mr. Rotenberg, the President of the
Federation, is especially anxious that you be our guest and speaker.
It is desired to have this meeting sometime between March 1st and
the 15th. Whatever date is suitable to you, we shall be glad to
accept and make provisions accordingly.

I earnestly hope that this time you will find
yourself able to accept our invitation.

With best regards,

Very sincerely yours,

My dear Emanuel,

I have been approached by representatives of the J.D.C., inviting me to join a commission which will visit Eastern Europe and Russia this summer, in the interest of the J.D.C. I presume they are anxious to have a Zionist representative on the commission to give the impression of a united American Jewry.

Before I personally study the matter, I should like to have your reaction and that of the Administrative Committee. Would you advise me to go? Do you think that it would be a desirable gesture, in view of the criticism to which we have been subjected?

I assume that the people of the J.D.C. realize that were I to accept the invitation, that my position on the Colonization in Russia would of course remain unchanged.

Let me hear from you.

PERSONAL

Dear Abba:

I wanted to write to you privately and confidentially with regard to our present situation and the prospects for the future, and I would like you to give these matters some thought.

After two or three months of active campaigning, we can begin to gauge the possibilities and estimate the results of our effort this year. Although it is still early in the season, I am prepared to say that the outcome of the year's work will be far better than ever before in the history of American Zionism. In the controversy which grew out of the Crimean project, we have certainly emerged triumphant. Not only has the sum allotted for this purpose been reduced by half, but that feature has been now almost eliminated from the J.D.C. publicity and propaganda, and pure relief taken its place. Much more important than that, we really have achieved in a large measure what we were striving for under the slogan of "the priority of Palestine".

In large areas where it has not yet been possible to organize J.D.C. drives, we have organized our campaigns and they are in full swing. In a number of cases the local J.D.C. committees have requested us to agree to joint drives on a fifty-fifty basis. In Stamford, Conn., they forced us reluctantly to accept a sixty-forty basis, 60% for U.P.A. In Florida we have a fifty-fifty agreement for Jacksonville and 66% in the Miami and Tampa districts, two-thirds being for Palestine and one-third for the J.D.C. Judge Mack will go to Florida to speak. Of course, in some cities where our personnel is comparatively weak, less advantageous terms were accepted by our committees. But on the whole I think it is fair to say that for the Jewish public the U.P.A. is at least on a parity with the United Jewish Campaign.

But as I have been saying repeatedly to our workers wherever I have addressed them, the Zionists have frequently achieved moral victories and then thrown away the substantial victory. If after all of this we should fail to come within close range of our quota and the J.D.C. does get its money, then we shall have been defeated. Moreover, we have made such an extraordinary effort this year in the way of publicity and propaganda with visitors from abroad, etc., that if we do not come out well in the end, we shall most certainly suffer a reaction with all its disastrous effects on our work in future years.

But I am also, on the other hand, absolutely convinced that we can raise probably four million dollars, if not more, if we will exploit to the limit the present favorable sentiment. Extraordinary things are happening. The city of Boston, for instance, has already sent us the first check for \$50,000., and we are promised a check for the same amount by the end of February. I think the cash income from the New England region will probably be approximately twice as large as last year. In pledges, the income will probably be more than double. A similar condition is in Connecticut. It looks like double our cash income in this State. Pittsburgh, which was one of our worst towns, looks exceedingly promising this year. We got \$26,000. last year, and will get \$100,000. this year. I have mentioned Florida. We will get probably twenty or thirty times as much as ever before. In the South Western region, with St. Louis as the center, the prospects are very encouraging. We have already raised in that region as much as the whole of last year. The St. Louis campaign is yet to come. Even Chicago, the delinquent in our Zionist family, shows signs of life and improved activity. I expect to go out there in a fortnight. In New York City we have already raised \$800,000. toward our quota of a million and a half dollars, and Zeldin believes that we will get at least a million and a third - which is equivalent to what the J.D.C. has set as its quota for the year in New York.

In a number of cities the J.D.C. campaign will not be held until next fall or winter, and we may have joint campaigns in such cities next winter. But in order to obtain favorable terms next season, it is essential, of course, that we show such results this year as will justify our demands. This may be the case in Cleveland, and I would appreciate your view, first, as to whether or not Cleveland is to have a J.D.C. campaign next winter, ~~and~~ second, whether we should consider joining with them, and third, on what basis if at all.

As I have said, there is a wonderful spirit abroad throughout the country, and we would be absolutely ~~miss~~ as Zionist leaders if we failed to take full advantage of the situation.

In view of these unusual circumstances, I am ~~impelled~~ to approach you again, although you discouraged the suggestion when I spoke to you personally in the office, that you give us a larger measure of cooperation in this campaign even though you may find it difficult to do so in view of your other commitments. We have a wonderful line-up, and with a maximum of effort on the part of yourself, Wise, Mack, Sokolow, Bialik, Levin, etc., we will succeed. For myself, I can assure you that I am putting in every ounce of energy that I possess.

I propose that you let me have a record of all the dates still open on your calendar and that I make arrangements whereby you be reimbursed on the same basis as in the case of the forums that you address, or on any basis that would be satisfactory to you, and I would arrange this matter as strictly between you and me. I urge this because I don't think it is altogether fair for us to make heavy demands upon your time in a way which would mean practically your contributing thousands of dollars to the U.P.A. - a contribution out of all proportions to your means, and the contributions of others. I have not discussed this matter with a soul. I am acting entirely on my own and solely because of my deep interest in the outcome of the campaign and the good

of the cause. I beg you to give this matter earnest consideration, and I am sure that our personal relations are such that you will not hesitate to write me fully and frankly.

One thing more. You know we are bringing over the Bialik expedition. It includes himself, his wife and Dr. Levin. It is an expensive undertaking, involving transportation charges from Palestine and back, living expenses in America plus liberal compensation to Bialik for his time, etc.

In order to avoid placing an additional heavy charge on our campaign expenses, we have decided to cover the expense of this expedition by charging admission to a series of Bialik meetings in the large centers. In New York City we have taken Mecca Temple, and have priced the tickets to total \$7,000. It will yield us net probably over \$5,000. The tickets are going very well. About \$1200. worth have already been sold in the first two or three days. I have no doubt the meeting will be a success financially as well as otherwise. We are making similar arrangements in Baltimore, Boston, etc. We have received a letter from the Secretary of the Zionist District in Cleveland, Mr. Shapiro, who has requested us to give him Bialik for February 28th. We have replied, asking what arrangements can be made in Cleveland and how much the meeting can net. If they do arrange such a meeting, it ought to be used, at the same time, for getting a substantial check for the U.P.A. on account of the pledges as well as new money from people who have not yet given. I would appreciate your opinion on this question as soon as possible.

I have other matters to write to you about, but I shall leave it for another letter since this one has already assumed generous proportions.

With kindest regards to Mrs. Silver, I am

Ever yours,

Emanuel Krumm

My dear Mr. Wolf,

I have your letter of January twenty-fourth with its kindly insistent invitation ~~for me~~ to come to Toronto. I could not come in March. My schedule for that month is much too crowded. I believe, however, I could come on Tuesday or Wednesday, April 13th or 14th.

Kindly let me know at your early convenience which one, if either, of these dates would be acceptable.

I am glad to hear of the success of your membership campaign.

My dear Emanuel,

I have your letter of February second. I shall try to give you as many dates as I can for the U.P.A. I gave Mr. Edlin two dates in February for Des Moines and Kansas City. I was to have gone to Detroit last Monday but at the last moment I was informed that the meeting had been called off. I also offered Youngstown February 23rd, and March 16th and 17th to Mr. Edlin for meetings in New York. I shall be able to give you two or three dates in April.

Under no condition will I accept remuneration for my service. I am glad to be able to give it to our common cause. I would suggest that you inform me of prospective engagements three or four weeks ahead of time.

With kindest regards, permit me to remain

Very sincerely yours,

P.S.

I am enclosing herewith Colonel Wedgwood's hotel bill and railroad expenses. Inasmuch as I did not charge the Organization for my trip to New York, I think the Organization ought to pay this bill. I should not like to have The Temple pay it.

Dear Abba:

I have your confidential letter of February 1st and I hasten to reply.

Before submitting it to the Administrative Committee I would like to consult with Mr. Lipsky, who is due to arrive next Tuesday with Bialik. In the meantime, I shall keep this matter to myself and not discuss it with the Committee, with the possible exception of one or two privately.

I don't know whether you know, and I am telling you this also in confidence, that shortly after the Philadelphia Conference of the J.D.C. at which you will recall Maurice Samuel among others represented the viewpoint of the Zionists on the question of the colonization project in Russia, Mr. Samuel was approached by representatives of the J.D.C. likewise with the suggestion that he join such commission. He fought shy of the proposal, suspecting that it might be calculated to commit him personally and perhaps the Zionist Organization. In other words, he was suspicious of an attempt "to buy him off".

As for myself, I should like to think the matter over. I can see of course certain advantages. On the other hand, it also seems clear to me that the J.D.C. leaders are anxious to secure the cooperation of a number of our ablest and most eloquent speakers for their campaigns next year and the year after. If you accept their invitation I think they will assume that you will give them a large measure of cooperation in the future.

But as I say, the matter requires more thought and I will communicate with you again next week. In the meantime, I would strongly advise that you delay making your decision.

Dear Friends:

We have received a number of inquiries from various parts of the country as to whether or not the Mizrachi is taking an active part in our Campaign, and also what our relations are to the Poalei-Zion Gewerkschaften Campaign.

With regard to the Mizrachi, they have been almost from the first, and are today, one of the constituent organizations of the United Palestine Appeal. The Mizrachi has a number of cultural organizations in Palestine, and is also responsible for certain religious activities in Eretz-Israel, which are covered by the Palestine budget of the Keren Hayesod, adopted at the Vienna Congress. In addition, the Mizrachi has a number of institutions and activities in Palestine of a religious and educational nature, which were not included in the Palestine budget of the Keren Hayesod, owing to lack of funds.

When the Mizrachi entered the United Palestine Appeal an arrangement was made to include \$90,000 for the Mizrachi to cover these special Palestinian activities.

The recent Wise incident having been liquidated when it was discovered that Dr. Wise had been misquoted, the Mizrachi is now sending to its branches throughout the country instructions to continue to extend the cooperation which they are giving to the United Palestine Appeal in every Campaign in the land.

Moreover, in virtue of the agreement which exists between the United Palestine Appeal and the constituent organizations, the Mizrachi has agreed to conduct no Campaigns for the Tachkemoni or any of the other Mizrachi activities in Palestine, as these are now being covered by the United Palestine Appeal.

I hope that this explanation will make clear the situation as regards the Mizrachi.

\$5,000,000 for 1926

With reference to the Poalei-Zion and the Gewerkschaften Campaign, at the time of the Baltimore Conference negotiations were afoot between the United Palestine Appeal and the Poalei-Zion, whereby the Poalei-Zion fund would have become a constituent of the United Palestine Appeal. However, these negotiations did not materialize and the Gewerkschaften Campaign was launched with the Poalei-Zion as its most active supporters.

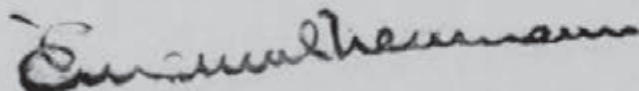

This fund is therefore not a constituent fund of the United Palestine Appeal. Nevertheless, cordial relations exist between the two Campaigns. The Poalei-Zion have recognized their obligation to help the United Palestine Appeal in every community in the country where a Campaign takes place as a constituent organization of the World Zionist Organization. Moreover, it is expected that the Gewerkschaften Campaign will conduct its Campaigns in such a manner as to not conflict in point of time or otherwise with the Campaigns of the United Palestine Appeal. These Campaigns should be held after the United Palestine Appeal Campaign is at an end, or, if the Campaign is held beforehand, in such a manner as to allow at least six weeks to elapse between the conclusion of the Gewerkschaften Campaign and the opening of the United Palestine Appeal Campaign.

We also learn that some misunderstanding exists as to the exact status of the Junior Hadassah in the United Palestine Appeal. A public statement has already been made to the effect that the Junior Hadassah has to raise a sum of \$43,000 to cover its Palestine obligations to the orphans in Palestine. This \$43,000 has been included in the five-million-dollar-fund of the United Palestine Appeal. It has been arranged that \$10,000 of this total is to be remitted in monthly installments from the National Treasury of the United Palestine Appeal, and the remaining \$33,000 is to be raised by social functions, dances, linen showers, rummage sales, etc.

These social functions are, of course, only to be held where it is clear that no injury to the general work of the United Palestine Appeal will result, and in consultation with the local representatives or the Regional Directors of the United Palestine Appeal.

We trust that the situation with regard to the Mizrachi, the Junior Hadassah, and the Gewerkschaften Campaign is now clear. We shall be glad to hear from you if there is any point upon which you need further explanation.

Yours very sincerely,

NATIONAL DIRECTOR.

Dear Rabbi Silver:-

The Toronto Jewish Community has always responded very generously in its contribution to the Keren Hayesod. This year they are prepared to do more than ever before. The Campaign in Toronto is scheduled to commence immediately after Passover, subject to your acceptance of an invitation from our office to participate as the guest speaker during the opening of the Campaign.

We fully realize the various demands made upon your time and energy by our Cause, and that you may be reluctant to cross the Border and enter into foreign Domains when there is so much work for you in the United States. We would urge you, however, to accept our invitation. Your presence in Toronto will stimulate Zionist thought and will rouse the Community to a proper response. I earnestly hope that you will find it possible to be with us. May I hope for a reply, please?

With Zionist greetings,

Cordially yours,

 Secretary, Keren Hayesod Campaign.

Dear Rabbi Silver:

At a recent meeting of the Executive Committee of the United Palestine Appeal, I was instructed to write you that it was the wishes of this Committee that you be our guest on Thursday evening, April 8th, the date of the formal opening of our \$500,000.00 campaign in Chicago. The only other guest to be invited besides yourself is Chaim Nachman Bialik.

We hope - at this dinner, which will be held at the New Palmer House - at least one-half of our quota will be subscribed and the Committee feels that the success of this dinner greatly depends upon your coming.

Mr. Emanuel Neumann was in our city yesterday and fully endorsed the sentiment of the request of the Executive Committee regarding your accepting this invitation and instructed me to write you in his behalf.

May I have a reply in an early mail as to your wishes in this matter, so that we may plan our work accordingly?

Hon. Stephen S. Wise,

Dear Mr. Wise:

I am coming to you with the appeal of the Omaha Jewry. As Chairman of the Omaha Zionist District I do not know what to answer to the Omaha people about Rabbi Silver's last minute cancellation. Everything was arranged with about a hundred reservations for a luncheon which I ordered. A big delegation has been arranged to meet Rabbi Silver at the depot on the morning of the 18th, 7 A.M. coming from Kansas City, Mo., which has been scheduled here for that date.

He was supposed to speak at that date at the Temple Israel. Omaha would have the biggest success of its kind on the meeting.

I have worked for three weeks day and night in order to make a success. On the night of the 17th, at 10 P.M. Mr. Henry Monsky, Omaha's well known attorney, who was to be Chairman at Rabbi Silver's meeting, calls me up telling me that he received a telegram from Mr. Charles Cooper at Kansas City, stating that Rabbi Silver has cancelled the Omaha engagement.

To my mind I think that that was a big calamity to our Omaha campaign. I actually do not know what to answer to the people that call me upon the phone every minute.

I would appreciate an answer from you by return mail stating the cause of his cancellation.

I have received two letters from Mr. Cooper which you will findⁱⁿ the body of both following:

February 8th, 1926.

My dear Mr. Feldman:

Thanks for your kind letter of the 5th inst. I am glad you are making the necessary preparations for Rabbi Silver visit. I trust the luncheon meeting will be productive ultimately of a successful campaign.

I will send you the necessary publicity in reference to Rabbi Silver as soon as same reaches me from the the New York office.

Very sincerely yours,
(signed) Chas. I. Cooper

February 11th, 1926.

My dear Mr. Feldman:

Congratulations upon your splendid arrangements for the dinner at the Brandeis restaurant.

I will arrive with Rabbi Silver from Kansas City on the morning of the 18th.

Very sincerely yours,

Zionist Organization of America,

Gentlemen:

We have been lead to believe that Rabbi Silver was to deliver an address here in Omaha last Thursday evening. His coming had been extensively advertised; arrangements had been made for him to speak at the Temple; a committee appointed to meet him at the station and entertain him here, to aid his Cause.

Imagine our surprise to receive a telegram late Wednesday night, telling us that he would not be here!

This may seem a very small matter to your organization, but it has raised particular "hell" in our city - so much so, that some of the more enthusiastic members of the Zionist organization have already accused some of us of purposely diverting Dr. Silver from Omaha. His non-appearance and no adequate explanation from you, has hurt your Cause.

In justice to the men who were absolutely sincere in advertising Dr. Silver's coming and in furthering the best interests of his Cause, you owe it to Omaha to give us an explanation of this fiasco. This explanation should come immediately, and from someone in authority.

I know that as fairminded men, you will give this letter and request your very prompt and courteous consideration.

Very truly yours,

(signed) William L. Holzman.

BY MR. HARRY LAPIDUS OF OMAHA NEBRASKA.

February 20th, 1926.

Now, then I would appreciate very much if you will kindly let me hear from you immediately just what was the reason that Rabbi Silver did not come to Omaha on Thursday, the 18th. My information is that the local chairman of the Zionist District, Mr. John Feldman, had been in communication with your Mr. Cooper, the Regional Director at St. Louis, and that he had positive information that Rabbi Silver would arrive in Omaha on Thursday morning, the 18th.

The local committee had arranged to have the most active men of our city to be present at a luncheon at noon, where Rabbi Silver was to speak. Arrangements were also made for a large meeting to take place in the evening, where Rabbi Silver was to address a mass meeting at the Temple. From all indications the Temple would have been crowded to over capacity, as very extensive propaganda had been sent out, both through the mail and through the local newspapers, as well as the local Jewish paper, and announcements had been made to all the different organizations in Omaha pertaining to Rabbi Silver. Everyone had been urged to attend, and the indications were that this meeting would have been a tremendous success, as I feel certain that Rabbi Silver's address would have produced wonderful results for the United Palestine Appeal. We were very much shocked and surprised when we received a telegram late Wednesday evening that on account of a misunderstanding in New York, Rabbi Silver was dated elsewhere for Thursday, the 18th.

I am very much afraid that because of the publicity and propaganda of his coming, and then on account of his failure to arrive, that the cause has suffered greatly. Therefore I am very anxious to know just what are the facts in this case, and just where the mistake was made in first the announcing of his coming, and second because of his failure to arrive, as I believe we are entitled to know the real facts so that the misunderstanding can be cleared up.

Hoping you will kindly give this matter your immediate attention, and let me hear from you just what are the real facts in the case, and with kindest personal regards, I am

Respectfully yours,

My dear Mr. Edlin,

I was surprised to receive your telegram in Kansas City. I had no address scheduled for Omaha. I recall that some two weeks ago you wrote me about my dates in the west and you mentioned Omaha among them. I promptly replied that I had no Omaha date scheduled and I gave you the exact information. Evidently someone slipped up in your office. I had to return to Cleveland in time for Friday evening services. We had two delightful meetings in Des Moines and Kansas City. The Des Moines meeting was especially gratifying in view of the large number that attended the luncheon. They gave me the enclosed check for \$3000 for the K.H. I do not know whether it is in payment of last year's account or in anticipation of this year's.

Mr. B. Stone,

Zionist Organization of America,
114 Fifth Avenue, New York City.

My dear Mr. Stone,

I am very much surprised and chagrined at the information contained in your letter of February 24th. I never scheduled an address at Omaha. The only two addresses that were scheduled were those in Des Moines and Kansas City. I have had no correspondence with you, or with Mr. Cooper, or with the Omaha people about coming there on the 18th of February. The mistake must be in your office.

On January 28th, Mr. Edlin wrote me:

"We understand that you are to fill some speaking engagements in the Middle West, including Kansas City on February 17th and Omaha on February 11th. Our people in that region are anxious to arrange for you luncheon conference with prospective contributors to the United Palestine Appeal."

I replied to him under date of February 1st as follows:

"I shall be very happy to devote a noon hour to Zionist meetings in Kansas City and Des Moines. I am to be in Des Moines on the 16th of February and in Kansas City on the 17th. The dates given in your letter are wrong."

Evidently Mr. Edlin failed to give you this letter.

I wish you would write to the Omaha people and give them the facts. I do not want them to think that at the last moment I cancelled an engagement. This is not my way of doing things. Please send me a copy of the letter which you write to Omaha.

With kindest regards, I beg to remain

Rabbi Abba Hillel Silver,
c/o The Temple,
Cleveland, O.

My dear Rabbi Silver:

I was glad to have had an opportunity last week of discussing Cleveland matters with our good friend, Mr. Max Simon. Realizing the needs of the Ohio Bureau in looking after our activities both in Cleveland and the State, we are endeavoring to place a permanent director in charge.

I am not certain that we have the right candidate, but we are nevertheless making an attempt to meet the situation. I have discussed with Mr. Simon the possibility of placing a certain Mr. Friedlander, who is now in our Chicago Bureau, in charge of the Cleveland office.

Mr. Friedlander is a man of about 55 years of age. He is assisting our Director in our Chicago Bureau, in the organization of the mid-western states. He has been active in the Zionist movement for a number of years, and was at one time secretary of the Chicago Bureau, during the Restoration Fund Campaign of 1919-20. He has been identified, also, with one of the Anglo-Jewish weeklies of Chicago. On the whole, he is a very good man for publicity work. As to his actual fund-raising ability, I am unable to say as yet. As to that, we will be able to judge a little later on, when his work with the Chicago Bureau will have been completed.

It would be well, I believe, for Mr. Friedlander to visit Cleveland, so that your committee could interview him, and see whether he is suitable and satisfactory to the Cleveland Committee.

With kindest regards, I remain

Very sincerely yours,

Emanuel Neumann

Dear Rabbi Silver:

I am replying to yours of February 26th addressed to Mr. Stone. Mr. Stone left for Los Angeles to conduct our Campaign there. I am now at the National Office, cooperating with Mr. Neumann. Mr. Edlin, who was in error about your visit to Omaha, has written to the local people, as per the enclosed letter.

We had the pleasure last week of seeing Mr. Max Simon at Headquarters, and he advised us of the rigorous Pay-Up Campaign that the Cleveland Committee is now having to complete the collection of the subscriptions made in our Campaign last Fall.

While in Ohio recently, and since then, I have endeavored to be of service to the Cleveland Office in promoting this effort.

We are also hoping to be able to arrange for Mr. Bialik to visit Cleveland about the middle of April, upon his return from Chicago and the Twin Cities. Mr. Neumann will write you more fully about this in a few days.

While I have been out in the field almost continuously since August first and am glad to have the opportunity of being domiciled at home, I am hoping to be able to come out to Cleveland again after Passover, to complete our common effort.

With kindest regards to Mrs. Silver, I am,
Yours very sincerely,

Dear Mr. Holzman:

In answer to your letter of the 20th inst. addressed to the Zionist Organization of America, I desire to say that we all regret very much the misunderstanding regarding Rabbi Silver's coming to your city. Somebody, it seems, has blundered.

Although I am handling the arrangements for all speaking engagements in connection with the United Palestine Appeal, the meeting in Omaha was arranged without my knowledge of it. This is something which should not have been done, but considering the enormous work connected with conducting the drive of the United Palestine campaign throughout the country, it was perhaps, unavoidable to make some blunders. Though I think I know who is directly responsible for this mistake, yet it would serve me no good whatever to go into further details. I can assure you that no one had intentionally done anything which should lead to a fiasco of the affair in Omaha.

I trust that you will never again have a similar experience. If there is any way in which the National Office can atone for it, please communicate with us.

With deep regrets for what has happened, and with best wishes for future success,

Sincerely yours,

National Executive Secretary, Keren Hayesod

Dear Rabbi Silver:

I take much pleasure in informing you that adequate preparations for the Keren Hayesod campaign are being carried on in this City, and it is anticipated that the result will be successful.

The Committee has worked out a plan that while campaigning will be carried on in a quiet manner among the various trades and classes, the formal opening of the campaign will take place with a banquet, at which you are to be the honored guest, and it is expected an attendance of five to six hundred of the most prominent and leading citizens of Toronto.

It is calculated that the principal contributions will have been already listed and will be read after you make the appeal at the banquet.

I shall be greatly obliged to you if you could possibly direct someone to mail us here forthwith a "matt" or two and biographical publicity material, which we would like to make use of as soon as possible.

A day or two before you are to leave for Toronto, we would like to hear telegraphically from you the date and the hour your train may be expected to arrive here so that a committee may meet you.

Very respectfully yours,

Executive Secretary.

Dear Rabbi Silver,

I was very happy to learn that you will come here to help us initiate the Keren Hayesod Campaign on Tuesday evening, April 13th. We know that your presence here will mean much to the success of our venture. I should like to know just what your plans are, and if I can arrange one or two luncheons for you. I should very much like to arrange a luncheon for you on Tuesday, where you can meet some of the leaders of my congregation, most of whom are non, if not anti-zionists, with the hope that in an informal discussion with them, you might arouse their interest in the Zionist movement. I have discussed this with some of the Zionist leaders here, and they all feel that a little luncheon might prove very valuable. To that luncheon I should just invite say 12 or 15 men whose good-will and especially whose contribution we are very anxious to enlist for our work.

Would you also be interested in addressing the Canadian or Empire Clubs of the city at a luncheon on Wednesday? These organizations are the representative organizations of the city of Toronto. They have a membership of 2,000. They publish annually the addresses of all the men who speak at their meetings. They are the powers behind the throne in business, in industry and in government. If you can arrange to be here Wednesday noon, it would be a fine thing to have you address one of these organizations. I have, of course, discussed this matter with the campaign officials, and they concur with these suggestions. I look forward to welcoming you here, and hope that I will be able to put a little kick in your stay.

With fraternal greetings, I remain

Rabbi Abba Hillel Silver,
The Temple,
Cleveland, Ohio.

My dear Rabbi Silver:-

The Baltimore Zionists are planning a National Fund bazaar to open on May 1st. They plan to extend it over a full week. The most prominent and leading Jews of the community are interested in it, and all indications are to the effect that the sum of about ten thousand dollars (\$10,000.) will be netted for the National Fund. The sisterhoods of the various congregations have undertaken to supply and take care of the various booths. Rabbi Lazarons congregation and sisterhood are taking a great interest in the work.

The arrangement committee for the bazaar are planning to arrange one big meeting to take place one night during the bazaar for the purpose of acquainting the general Zionist public with the importance of the Jewish National Fund, and I have been requested by the committee to ask you to address this meeting. The meeting will be well advertised and well arranged and we expect it to be one of the largest Zionist meetings ever held in Baltimore. It will be the first attempt made to bring the J.N.F. activities to the minds of the general public.

We are well acquainted with your stand on the National Fund and the high opinion you have of the importance of this institution, and we feel, if you will comply with our request by delivering this address in Baltimore you will render very valuable services to our cause. We do not expect to make any appeal at this meeting; it will be purely a propaganda and educational meeting.

Can you make this contribution to the Jewish National Fund? You may select any of the following days for your visit to Baltimore May 1, 3, 4, 5 or 6th as the bazaar will take place during these days, and we can set aside any night convenient to you for this purpose. The meeting will be called at the Armory which will accommodate thousands of people.

Awaiting your favorable reply, I am,

Cordially yours,

חבר נכבד,

בחזורי האחרון מיום 18 לחדש זה הדנשתי שהחלטתם לכנס את הועד הפועל ליום 18 באפריל בירושלים מוחנית היא באפשרויות להוציא אל הפועל.

חשובותיהם של חברי הועד הפועל בדבר השתתפותם במושב שהיה עלינו לחזור בירושלים היו מחולקות. הרב הגדול הביע את המכמתו לצאת לארץ כמו 11 החברים בני-פולניה וחבריה אחרים אבל נמצאו גם כאלה שהעירוני שיש לחשוש שהכנס בירושלים בחדש אפריל עלול לחביא תקלה לחדש ההסתדרות שהכריזה עליה ההסתדרות הציונית. החברים האמריקאים מלגרמו לי מצדם שהם מחוננים הכלית ניגוד לכנס את הועד הפועל בארץ-ישראל בעונה זו.

במטרה של ליבון דברים נקראתי לבא לוונדונה ו24 לחדש זה נתקיימה שם ישיבה משותפת בנשיאותו של מר מוקולוב שבה דנו מחדש בענין יביעת מועד זמן המושב הקרוב של הועד הפועל.

חברי האקסקוטיבה הנמצאים בלוונדון הציעו באותה ישיבה לדחות את כנוס הועד הפועל לחדש יולי בגלל החוננות של האמריקאים ומפאת ירח ההסתדרות. הומעם יחד עם זה שמר מוקולוב היוצא ב 9 לאפריל לדרום-אפריקה להשתתף במגבית קה"י לא יוכל לבא בשעה זו לארץ-ישראל וכי על יחוד הידיעות האחרונות שנתקבלו ממר ויצמן יש לפקפק מאד אם הוא יוכל לחזור לארץ עד סוף אפריל ואולי גם עד הימים הראשונים לחדש מאי. כי לדרישת החברים בני-פולניה יצטרך המושב להפתח ב 9 לאפריל ואפשר לראות מראש שהישיבות המשכונות עד סוף החדש ואפשר גם במשך הימים הראשונים של ירח מאי.

לעומת זה הביעו חברי האקסקוטיבה שנזכחו בישיבה פה אחד את דעתם שמו"י יולי צריך להתכנס בארץ-ישראל והצהירו שהם יעמדו על עיקר זה בכל המרץ הראוי. מר מוקולוב חשביע כי בדרך חזירתו מאפריקה הדרומית תהא לו האפשרות והפנאי לסור בשלח יולי לארץ-ישראל וישתתף במושב הועד הפועל, אם יקרא באותו זמן.

הואיל ולא מצאתי לאפשר לקבל בענין כה רב-הערך החלטת גמורה על דעת עצמי גרידא הברקתי ליחר חברי הנשיאות של הועד הפועל ושאלתי לחות-דעתם. התשובות שהגיעוני מביעות את ההמכמה לדחות כפי הצעת חברי האקסקוטיבה את מושב הועד הפועל לסוף יולי השתא, אבל בחו"א שהועד-הפועל יולד או בירושלים.

בימים לב לנאמר חריני מתכבד להודיעך כי המושב השלישי של הועד הפועל נדחה לסוף חרס'ו יולי 1926. פרטים נוספים אמסור בחזור הבא.

בעונה אחת הנני מביע הכרת-תודה לחברי הועד הפועל על חשובותיהם הנריוות והמחויבות שחקלו על הנשיאות את המשא ומתן בענין זה.

בכבוד רב

ונרבה ציון

My dear Rabbi Silver:

I have written to you some time ago regarding a visit to Baltimore on behalf of the Jewish National Fund. Since that time the date of the bazaar has been changed to **May 24th**.

The committee in Baltimore still insists upon your coming to Baltimore to address a gathering any night during the week. Your visit would mean very much to the Jewish National Fund. It would not only serve as a moral encouragement to our workers there but would also directly bring us financial advantages.

In connection with this bazaar we are going to have a Jewish art exhibit, the Chassidim Band and one or two nationally known musical talents. The gathering will take place at the Armory. This place can contain thousands of people.

Will you please inform us whether it is possible for you to make this contribution to the Jewish National Fund?

Very cordially yours,

Abraham E. Abramowitz

My dear Rabbi:

One of the communities in this Region has expressed a desire to have you visit them sometime early in May, in the interest of the United Jewish Campaign.

Before setting any special day I am writing to you to ascertain whether you will do this and if so what day will be the most convenient.

This community is planning to hold a mass meeting with banquet and should respond generously to this call. I refer to Lima, Ohio.

Hoping to be favored with an early reply, I remain,

Most sincerely,

My dear Mr. Goodman,

I regret exceedingly that I shall not be able to accept the kind invitation of the Lima community to address a mass meeting and banquet in that city during the early part of May. It will not be possible for me to accept any additional out-of-town speaking engagements for the month of May. I am very much occupied in the preparation of my Class for Confirmation, and many other important congregational events take place in that month, making it out of the question for me to leave Cleveland.

Will you kindly convey my regrets to the Lima committee. I trust there may be an occasion at some future time when I may serve them.

Dear Friend:

At the Meeting of the Executive Committee and the Division Chairman, held at the Excelsior Club last evening, special prospect Cards for immediate solicitation were assigned to the men and women comprising these Committees.

Cards assigned to you are here enclosed.

In addition those present decided unanimously that the members of the Campaign Committee and the Division Chairmen, all of whom are lending their efforts to the success of this work, should send to Mr. Loeser, the Campaign Chairman, their individual Pledges.

It was felt that the publication of the individual pledges of those who are the recognized leaders in our Community, would not only serve as a guide and inspiration to the giving of others, but would of itself enable those of us who are soliciting, to approach our task and the prospects assigned to us with more of assurance in the knowledge that we had done our full duty and were asking others only to do the same.

Will you please respond with your own pledge as soon as possible, and see your assigned prospects also at the earliest possible time so that the Campaign may have the benefit of the publication of these pledges.

Very sincerely,

Rabbi Abba Hillel Silver,
Cleveland, Ohio.

Dear Rabbi Silver:

I have been asked by the cities of Minneapolis and Duluth to extend a most urgent invitation to you to address banquets for the opening of the United Palestine Appeal campaign in Minneapolis and a joint drive for the Relief and Palestine in Duluth.

Both of these cities say they will accept no one other than yourself, as they feel that the biggest man available is absolutely essential to put the jobs across. I believe that this is true.

Minneapolis has always done well for Palestine. The people of Minneapolis this year wanted a joint campaign; for months they negotiated and had agreed upon a sixty forty arrangement, 60% for Palestine and 40% for the Relief. Mr. David Brown upon his visit to the Twin Cities, cancelled that arrangement. After his departure attempts were made to get together upon some other basis, but with no success.

As Regional Director I proceeded pursuant to instruction of Minneapolis to arrange a separate United Palestine Campaign which was to have commenced next Sunday evening with Rabbi Stephen Wise at a banquet. About ten days ago with all arrangements almost perfected for the separate campaign, a number of individuals, interested in the Relief again broached the question of a joint campaign, feeling that Minneapolis should do something for the Relief of suffering Jews in Eastern Europe; despite the objection of a number of the stronger Zionists an agreement was made for a one year campaign on a fifty fifty basis. The campaign to be postponed until May. The chairman of the joint campaign reported to headquarters of the United Jewish Campaign and asking for their assistance, were advised that the arrangement made could not be approved, and after a number of wires back and forth with Mr. Brown, the joint campaign was cancelled for Minneapolis.

A. H. S. (2)

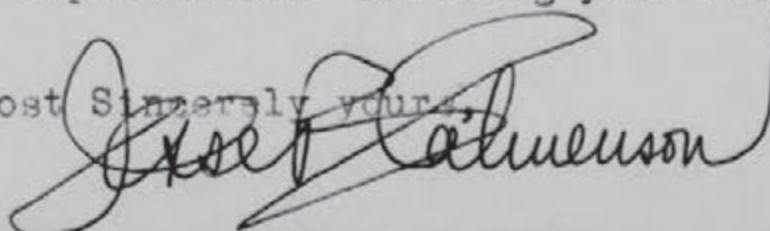

Now that the administrative committee of the United Palestine Appeal for Minneapolis has determined to proceed with its separate campaign for Palestine to commence about May 11, or shortly thereafter, the situation in Minneapolis calls for an unusual effort upon the part of all Minneapolis Zionists and they are ready to make the same. The campaign needs a stimulus however, and I hope you will not consider it as flattery, because it is not intended as such, when I say to you that under all the circumstances only you can provide the maximum stimulus by addressing the Minneapolis banquet to open the campaign.

The situation in Duluth is such that if you go there I believe that a very strong lasting sentiment for Palestine will be aroused which will help Duluth in its campaign for Palestine for years to come. Not only that, but Duluth will raise much more through your presence than would be possible with any one else. The Duluth campaign as I have said, will be divided fifty fifty with the Relief campaign. However, I am sure that the theme of the whole Duluth Campaign may be made Palestine and less stress placed upon the other effort, as Duluth is in no manner communicating with Headquarters of the United Jewish Campaign, but is making all its negotiations through my office.

As Regional Director for Minnesota, North and South Dakota, I have been beset with many difficulties and complications arising almost daily. I know how you are being called upon to deliver addresses here and there, but in spite of that I turn to you as one of the leaders in our movement to save the situation in Minnesota. If you could come to Minneapolis on the 11th, that would be fine; we could arrange for a banquet in Duluth either the day before or the day after. If you cannot come for that date would you please let me hear from you at once possibly by wire as to what dates you could give for Minneapolis and Duluth.

I hope that I have not burdened you with the details of this letter, but I felt that the urgency of the situation required an explanation. Awaiting your very early reply I am,

Most Sincerely yours,

A People Wants to Live! They Will--if We Give!

Dear Rabbi Silver:-

We approach the opening of the United Jewish Campaign for \$550,000 Plus in Cleveland.

You know what the money is needed for; what it is to be used for.

But there are thousands in Cleveland who do not know. It is our purpose to acquaint them with the facts. And we want you to help.

Will you dictate a statement over your name, to your secretary, about the campaign....what it is for... why you think it should succeed... what it will accomplish... for use in connection with our newspaper publicity?

Will you have your statement sent to Earle Ferris, our publicity director, at 531 Guardian Building, as soon as you can? We haven't much time and if you can send us the statement by return mail, we will appreciate it.

And will you give us about 300 words so that we may make a good story from your statement?

Thank you.

FOR \$550,000 PLUS

"A People Wants to Live!"

The Story of a Tragedy that has affected the lives of Seven Million Jews, is now being told.

The Story is being told in the helplessness and despair of a People Overseas, facing economic disaster and annihilation — but for what we may yet do for them.

What's going to be your Answer?

It is the Story of People racked and torn by the forces of a merciless War — uprooted and driven from home — a People marked for the hatred of age-old prejudices — the target for social and economic restriction and oppression. A People crushed but not beaten and a People that wills to live.

What's going to be your Answer?

It is the Story of hundreds of thousands of men, women and children suffering from years of undernourishment and exposure, and ravaged by disease. Thousands have died and are dying, and thousands more are doomed to die no matter what we do. A remnant of a People that has persisted, may yet be saved.

What's going to be your Answer?

"A People Wants to Live!"

It is the Story of the pitiless Fate of thousands of children — innocent victims of a cruel tragedy that has left them alone and uncared for — just so many thousands of little orphans with nothing left but the instinct to live, forced to beg or grub to appease their gnawing hunger.

What's going to be your Answer?

But more than all, it is the Story of a People facing a complete spiritual and physical breakdown — a People that has ever been an asset to civilization — a People that has known culture and learning and wealth — and a PEOPLE that is worth saving! It needs but the chance to live and You can give that chance.

What's going to be your Answer?

You are an American Jew but you are by ties of race and religion a brother of these People who are in need and suffering.

You are living in comfort and in peace.

You have helped. You must help again. If you do not, there is no one who will.

"A People Wants to Live!"

You have given Sixty Million Dollars to save this People — your People.

You are asked to give again — all the millions we can spare to save human lives.

Cleveland's Quota — Your Quota will be measured only by what the great Jewish heart of our Community feels it must give.

Although tardy, I shall be permitted to express to you the keenest appreciation of our Executive and sincerest thanks for the very valuable services you have rendered during the Keren Hayesod Campaign in Toronto, by the very inspiring address you have delivered at the banquet on the 13th instant.

We most ardently hope that also in the future, we shall be given the opportunity to have you visit some of the other communities in the Dominion for the benefit of the Movement.

Owing to the illness of some members of the Committee in Toronto, I have not been informed as yet whether you have been reimbursed your expenditures, so I take the liberty of asking you to kindly send us your memo here to this address, and which will be promptly attended to.

Thanking you once more very heartily,
I have the honour to remain,

Cleveland, Ohio.

Dear Rabbi Silver:

I take pleasure in informing you that you have been selected by the Zionist Organization of America as a delegate to the first Annual Conference of the Jewish National Fund to be held at the Pennsylvania Hotel on May 9th.

The Conference will be preceded by a mass meeting in Aeolian Hall on Saturday evening, May 8th, at which it is expected that every delegate will be present on the platform. That mass meeting will, I am sure, strike the keynote for the Conference and I hope that you will not fail to attend.

In a day or two, you will receive a program of the Conference. The most important function will be the selection of the new Board of Directors and a national council, besides important new plans for making the Jewish National Fund one of the major activities of the Zionist Movement of America.

I hope to have the pleasure of personally welcoming you at the Conference.

Sincerely yours,

CHAIRMAN

Dear Dr. Silver:

On behalf of the members of the Keren Hayesod Women's League and their friends who had the privilege of hearing you at our Palestine Afternoon, I beg to express our sincere thanks for the inspiring message which you gave us. It meant much for our Organization in that our old members were enthused for further activity on behalf of Palestine, and many new ones were encouraged to join our ranks through the appeal which you made to them.

We all join in the hope that we will be privileged to hear you for many, many more years to come.

I would have transmitted this message to you much sooner were it not for the fact that we have gone through a period of severe strain in our family due to the passing of a loved one.

With kind regards and best wishes,

I am

Dear Rabbi Silver:

With further reference to the situation in Minneapolis, I am glad to be able to advise you that following our difficult and painful negotiations in connection with the campaign in that community, a harmonious arrangement has finally been agreed upon to the effect that the joint campaign there is to be inaugurated on May 23rd for the United Palestine Appeal and the United Jewish Campaign, with a quota of \$100,000 for the year 1926 on a fifty-fifty basis.

Cordially and sincerely yours,

Emanuel Neumann

My dear Mr. Neumann,

I am enclosing herewith a letter received from J.A. Goodman in response to one I sent at the suggestion of your telegram. I have also written to the J.D.C. leader in Indianapolis but have not yet received word from him.

I am happy to learn that the situation in Minneapolis has been cleared up.

With kindest regards, I am

Very sincerely yours,

UNITED JEWISH CAMPAIGN CLEVELAND

Dear Division Member:

Thanks!

Thanks for that fine spirit of co-operation—thanks for the fine example you have set—thanks for the earnestness and enthusiasm which you put into this Campaign.

We have as a result of your participation, had evidence again that the heart of Cleveland Jewry is ever responsive to the call of those in need.

The Original Goal of \$550,000 has been passed.

The PLUS which we have held before us throughout the Campaign, represents however, the thousands of dollars additional which everyone knows must be raised if this great effort to save human life is to be effective.

May we therefore urge upon you, that tho the intensive Campaign is over, **YOU DO NOT RELAX YOUR ACTIVITY UNTIL EVERY JEW IN CLEVELAND WHO CAN CONTRIBUTE, WHO SHOULD CONTRIBUTE AND WHO MAY WANT TO CONTRIBUTE, SHALL HAVE HAD THE OPPORTUNITY.**

No one who desires to be at peace with his own conscience, or who cares for the respect of his fellow-man, will evade the obligation which this humanitarian appeal, places upon him.

Let the fine work go on.

Sincerely,

Rabbi Abba Hillel Silver,

Cleveland, Ohio.

Dear Rabbi Silver:

The City of Scranton intends to launch a combined campaign for the Joint Distribution Committee and for the United Palestine Appeal, for \$130,000. to be equally distributed among the two organizations.

The campaign is planned to begin with a banquet either on June 20th or June 27th, and the local leaders have importuned me to try my utmost to obtain your consent to speak at the opening banquet as the spokesman for Palestine. Mr. David Brown had previously promised the local committee to speak on behalf of the J.D.C. on that occasion.

The local leaders feel that with you and Mr. Brown as the speakers they will not only raise the quota but will even go considerably "over the top". Your presence in Scranton is greatly needed and will give added impetus to our work in that city.

I would appreciate hearing from you at an early date.

Very cordially yours,

Leo J. Frachtenberg

TIRED OF GIVING?

YOU DON'T KNOW!
WHAT IT IS TO BE TIRED!

May 21, 1926

Rabbi Abba Hillel Silver
East 105th Street at Ansel Road
Cleveland, Ohio

My dear Rabbi Silver:

It is most gratifying to know that you will be
with us on the opening day of launching our cam-
paign in Indianapolis.

The agreement entered into by the United Jewish
Campaign and the United Palestine Appeal for the
distribution of the money raised in the state is
that 75% of all the money collected in 1926 shall
be paid to the Jewish Relief Campaign and 25% to
the United Palestine Appeal, and a similiar arrange-
ment for the years 1927 and 1928.

We believe that a united appeal conducted in a
harmonious manner would realize in the State of
Indiana more money each than would have been reali-
zed if we had conducted separate campaigns. I am
sure that under your inspiration Indianapolis will
outdo any previous record.

If you will be good enough to send me your photo-
graph and some publicity matter I would appreciate
it, as the newspapers are giving us magnificent
cooperation. If you will also advise me as to your
arrival time in Indianapolis I will be grateful.

With kindest regards, I remain,

Very truly yours,

Louis J. Borinstein

Rabbi A. H. Silver
 c/o the Temple
 Cleveland, Ohio

Dear Rabbi Silver:

Mr. Neumann has asked me to acknowledge yours of the 20th. You will be pleased to hear that we have succeeded in settling the Indianapolis situation. While it is not altogether satisfactory, we feel that, under the circumstances, the arrangements are the best that could be effected.

I am enclosing copy of letter which contains copy of telegram sent by Mr. Neumann to Mr. Goodman. Mr. Carmel who was in Indianapolis over Shevuoth, will also write you as to the situation there, and as to your special mission in Indianapolis.

We have placed our confidence in Mr. J. A. Goodman. You may be interested in knowing something of our Indianapolis leader. He has risen financially in recent years and is reputed to be a millionaire. I do not know whether he is the President, but he is surely the leader of the Conservation Congregation in Indianapolis, which has recently built a very fine Synagogue. Mr. Goodman has become interested in Eretz Yisroel during the last few years. He attended the Baltimore Conference and we have been cultivating him, feeling that he is a prospect for big things for Palestine. He has taken his duties as Chairman of the United Palestine Appeal most seriously, and is eager to foster and promote the claims for primacy for Palestine.

Carmel reports that Goodman and family are likely to contribute \$25,000 to the Joint Campaign. That will possibly be the principal contribution in the State. He deserves all encouragement and congratulation, and we trust that you will also find him to merit your mention by public acclaim of his work.

With kind regards, I beg to remain,

Very cordially and sincerely yours,

I. Kadis

My dear Mr. Goodman:

I have received your letter of May 17th, as well as your telegram of the 22nd. I have also had an opportunity to confer with Mr. Carmel with regard to the situation, and I wired you this morning as follows: "YOUR LETTER AND WIRE RECEIVED AND ALSO CONFERRED FULLY CARMEL STOP UNDER THE CIRCUMSTANCES WITHDRAW OUR OBJECTION JOINT DRIVE PROVIDED GENERALLY UNDERSTOOD WE MAY CONDUCT PALESTINE CAMPAIGN THROUGHOUT STATE NINETEEN TWENTYSEVEN AND ANNOUNCEMENTS TO THAT EFFECT MADE IN THE COURSE OF THIS CAMPAIGN STOP RELY UPON YOUR ENERGETIC LEADERSHIP TO PROTECT PALESTINIAN INTEREST IN PROPAGANDA PUBLICITY ETCETERA CONFIDENT YOU WILL UTILIZE SILVER'S PRESENCE TO THE UTMOST FOR INCREASING UNDERSTANDING OUR CAUSE AND PRESTIGE OF OUR MOVEMENT STOP HAVE FULL CONFIDENCE YOUR DEVOTION TO THE CAUSE AND YOUR ABILITY TO REPRESENT ITS INTERESTS EVERY POINT LOOK UPON THIS YEARS CAMPAIGN AS LAYING FOUNDATION FOR GREATLY INCREASED EFFORTS BEHALF PALESTINE IN THE FUTURE UNDER YOUR DIRECTION WILL GIVE YOU OUR FULLEST BACKING AND COOPERATION EVERY WAY POSSIBLE"

It would be insincere for me to say that we are not disappointed. We are. And I feel that you feel very much the same way. But in the light of all explanations that have come, we feel that you have made every effort to protect the interests of Palestine in this campaign, and we know that you will continue to do so at every opportunity. What is most important, of course, is first, that at every banquet, meeting, etc., the Zionist cause be properly put before the public, and that the same be done in the matter of publicity, literature, etc. We have dispatched today another thousand copies of our pamphlet, and we are asking the Chicago office to forward you additional copies. We are somewhat low in our supplies at the present moment, but have ordered reprints.

I am happy to learn that you are going to utilize Silver's presence for a mass meeting, as well as the banquet. It was an excellent move on your part. Dr. Silver will, I know, help to lay a solid foundation, on which you will be able to build next year. I am writing him fully, explaining the situation, advising him of the efforts which you have been putting forward, and I know that he will cooperate with you in every possible way.

It is also of the greatest importance that we should announce our plans to conduct a campaign next year, so that the public will be prepared. You, as the leader of the Zionist forces in the State, may properly take occasion, whenever possible, to emphasize that fact, in your addresses, your statements and interviews to the press, in your correspondence, and in every other way.

In conclusion may I say that I believe the difficulty in which you have found yourself, and the circumstances which have dictated your course of action. I am sure you realize that the duty imposed upon me, as General Director of this campaign, is to leave no stone unturned, in order to secure the quota required for Palestine. I have been on this job continuously since last October as a volunteer, to the complete neglect of my personal affairs. I have given this campaign my thought day and night, and have placed the best that is in me at the disposal of the cause. Of course, I feel it is worthwhile, in view of the results we are getting, and I feel particularly happy over the calibre of men, such as yourself, who have stepped in this year and have taken hold of the responsibilities of the campaigns in the various parts of the country.

With kindest personal regards, I am,
Very cordially and sincerely yours,

Rabbi Abba Hillel Silver,
The Temple,
Cleveland, O.

My dear Rabbi Silver:

I had a conference with Mr. Goodman in Indianapolis. They had to modify conditions, but this does not change the percentage that we are to receive from the joint campaign, only that we are not getting the cash the first year, though it is understood, and it will be made known throughout the state, that in 1927 the U.P.A. will have new campaigns.

We have not been very strong in Indianapolis - nor in the whole state of Indiana, but having recently organized a Zionist Organization, under the Chairmanship of so influential a person as Mr. Goodman, we are gaining ground, and there is no doubt that we are going to be more successful in the future.

They are making elaborate preparations for your visit, and I hope that you will encourage our people to carry on our work.

Looking forward to the pleasure of seeing you again at our Convention in Buffalo, and with Zion's greetings, I am

Most cordially yours,

Dear Rabbi Silver:

At the last meeting of the Toronto Zionist Council, I was instructed to write you expressing sincere thanks and appreciation for your efforts on behalf of the Toronto Keren Hayesod campaign.

The opening banquet, at which you spoke, will long be remembered by Toronto Jewry, as one of the most inspiring ever held in Toronto. The appeal was met generously by all, and we can assure you that were it not for your presence, the \$32,000.00 would never have been realized at the banquet.

We trust that at some future time we may have the pleasure of hearing you.

With Zion's greeting,

CIRCULATING ICE WATER

June 9, 1926

My dear Rabelia Silver:

Your telegram accepting the invitation of the Dayton U.P.A. committee to be here on the fourteenth, was greeted very enthusiastically. The teams are working with greater vigor.

Dayton has had two drives for forty thousand dollars each, one a local one and the other for the Relief. A few weeks have passed since the close of the last campaign. So you can understand the difficulty in running this campaign. We have however already secured fifteen hundred dollars in cash, and the main people ^{are} to be seen.

We are going to depend a great deal on the banquet, for additional cash and pledges. This affair will be the closing of the campaign.

Because of the other drives it is of the utmost importance

400 ROOMS - 400 BATHS

that you be with us, for that
will mean the success of the
drive.

As the dinner will take
place at six thirty, you can
time your arrival accordingly.
Will you please be good enough
to inform me when you will
arrive and on what railroad.

Sincerely

My dear Mr. Neumann,

I am wondering to what party I should send my bill for expenses incurred on my visits to Indianapolis and Dayton. In as much as the Indianapolis campaign was a joint campaign between the U.P.A. and Foreign Relief, it seems fair that the expenses should be shared by the "Joint". My outlay was about \$65.00.

Dear Friends:

Now that the United Palestine Appeal is drawing to a close, especially the New York campaign, I am moved to write to you and to thank you with all my heart for your help in the campaign, and to remind you that we have other duties to face in connection with Jewish life.

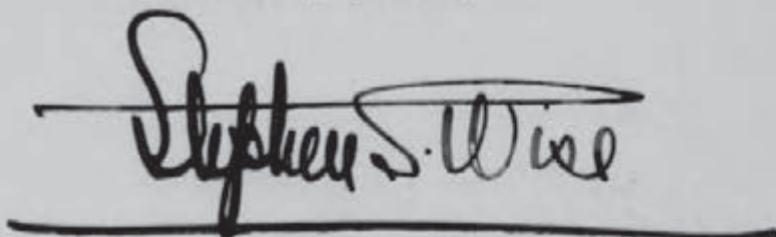

Nothing is more urgent, it seems to me, at this moment, than the need to build up the American Jewish Congress which is, after all, the one potent factor and democratic instrument of Jewish life for service in general questions affecting our people, and for the crystallization of public opinion whenever uncertainty and confusion prevail. Many of the difficulties which we are facing, and which are closely related to our tasks in Palestine, would, I believe, not exist if, with your help, we could make the American Jewish Congress the popularly elected and authoritative spokesman of all Jewry.

We plan to hold a Session of the Congress in the fall of the year, and even before that time we hope to perfect the reorganization of the Committee of Jewish Delegations in Paris, made up of chosen representatives of the Jewish communities of Europe, through which so much can be done to prevent further infringement upon Jewish rights. It is work which calls for vigilant and ceaseless effort in relation to the immigration problem and all other questions which are before the Jewish mind and conscience.

May I not most earnestly invite and request your support, and ask you to return the enclosure to me, together with your gift for the current year, 1926, in support of the Congress?

Faithfully yours,

PRESIDENT COOLIDGE'S MESSAGE TO AMERICAN JEWISH CONGRESS

(Sent through Dr. Stephen S. Wise,
President of the American Jewish
Congress.)

"American Jews are justified in seeking to safeguard the rights of their brother Jews in all lands in which these may in any way be imperilled; and the more because the Jew in this country is secure in those religious, civil, political rights, which are the inalienable possession of every law-abiding American.

"The President declared himself to be peculiarly interested in the effort of American Jews to have part in the building up of Palestine under British mandate as a Jewish Homeland, where homeless Jews may rebuild their ancient and historical home, whither Jews and all peoples may turn for that inspiration with which Palestine has long blessed mankind.

"When told that it is felt in Jewish circles that the immigration restrictions bear especially hard upon the Jew, and that in some East European centers would-be Jewish immigrants to America are not fairly dealt with by our consular representatives, the President stated: 'The administration will continue to refuse sanction or tolerance to any anti-Jewish discrimination in the matter of immigration, or in any other matter.' He

felt sure that a careful investigation, if needed, would reveal that these so-called discriminations were unreal.

"In closing, the President earnestly wished Godspeed to the American Jewish Congress, under the leadership of one of the best of Americans, Nathan Straus, in seeking to lift the Jewish people of all lands to a level equality of status, which is the deserved lot of the loyal and patriotic American Jew."

Oct. 14, 1923.

MESSAGE FROM DR. CHAIM WEIZMANN

President, World Zionist Organ.

*(From a letter to Mr. B. G. Richards,
Executive Secretary American Jewish
Congress).*

Acknowledging your letter with reference to the great Jewish task of the rebuilding of a Jewish Homeland in Palestine, for the furtherance of which my associates and myself have come to this country, I am glad to give renewed expression to the appreciation which we all felt of the great service which the American Jewish Congress has rendered in furthering the political aims of Zionism. The support of American Jewry through the medium of your Congress proved to be a very important factor in the achievements which we have been able to gain.

(Signed) CHAIM WEIZMANN.

Dr. Abba Hillel Silver,

My dear Dr. Silver:

I am writing you from the city which, during the past winter suffered great disappointment at your inability to visit them. You will recall the error that was made in the New York office concerning a proposed meeting that was scheduled for you in Omaha.

*Camp
come.*

We are perfecting plans for a campaign for Twenty-five Thousand Dollars for the United Palestine Appeal to be conducted in September. Our campaign committee has decided to ask you to come to Omaha for an address. They are willing to set the time of the campaign in accordance with your convenience.

Holidays

I have informed the committee of the unlikelihood of your finding it possible to leave Cleveland during the month of the High Holidays. The committee, nevertheless, felt that the invitation should be extended to you with the request that, if at all possible, you kindly arrange to help us in this effort for the United Palestine Appeal.

I personally am satisfied that should you find it possible to come, the success of the campaign is practically assured beforehand.

Cordial greetings.

Sincerely yours,

My dear Dr. Silver:

I regret very much that our people in Providence can't see their way clear to postponing their drive from the first week in October to October 21st, the date that you are free to go out there. Of course, they realize what a loss this is to them and you can imagine what conditions prevail there if they have to deny themselves the pleasure of having you as the speaker at the opening banquet of the campaign.

This campaign should have been held last Spring and was postponed for important local reasons. In the latter part of October there will be a Community Chest campaign and it is imperative that we make a United Palestine Appeal drive during the first week of October, therefore the only date suitable to our people there is either the 3rd or 5th of that month. Too bad indeed that you can't be there.

I understand that Mr. Cooper had written you a letter, asking you to go out to Omaha during September. I assume that you hardly have a free day during that month, when we have the High Holidays. But it is also a city where it is urgent that we make a United Palestine Appeal campaign early so as to be ahead of the United Jewish drive. We were negotiating there for a combined drive, but we were not offered the right terms and we will have to go it alone. Our quota is \$25,000. If, of course, it were possible for you to give them a date in September, it would save the situation for us.

May I not, at the same time, ask you, my dear Dr. Silver, to hold for us whatever free dates you have and you can spare during the coming Fall and Winter? I need hardly press this matter as I am sure you yourself realize the importance of your services to the United Palestine Appeal during the coming campaign for \$7,500,000. I know that people in many important cities will be clamoring for you and it would be well if we knew ahead of time just what dates you are at the disposal of the United Palestine Appeal campaign. If convenient to you, would you please write us about this.

With best wishes for a happy New Year,

Cordially yours,

William Edlin
National Executive Secretary,
Keren Hayesod.

Dr. Abba Hillel Silver,
The Temple,
Cleveland, O.

Dear Abba:

As I told you over the 'phone last week, it was my "mazzel" to have an almost continuous downpour of rain during my vacation. Last Thursday, when I was in town, I had to hurry back with Mrs. Neumann, for fear we might miss some of the precious drops. Now that I have returned to the city, it has cleared up, and we are enjoying almost spring-like weather. I am sorely tempted, despite my devotion to duty, to take another week or so "off".

I was very sorry that I could not see you last week, particularly since you seemed to have something on your mind. Perhaps you could write me a private personal letter, or else, worse come to worse, we will have to wait until you come east again, or I go west.

I want to thank you again for the books you recommended to me. They were my consolation during the time when my spirits were heavy with rain weather. In Muirhead's book, I relished particularly Hobhouse and Inge, and also got some "kick" out of Bertrand Russell. Any more suggestions? I would welcome them.

I am still uncertain of the exact date of the arrival of Dr. Weizmann. We cabled again last Friday, but as yet we have had no reply. Sir Alfred Mond will be here, but we were advised that he is in America on a special mission, and should not be approached to help in our propaganda during this trip. There is a possibility, as I think I told you, that Dr. Magnes will be here, and will place himself for a time at the disposal of the U.P.A. For the rest, we must depend on our own forces. Which brings me to the subject of your own speaking engagements. I understand that Mr. Edlin has been negotiating with you with reference to Providence, Omaha, etc. Would it not be possible for you to send me a list of dates, scattered

through the fall and winter months, which are open, so that we will be able to adjust ourselves and arrange opening dates of campaigns to fit these free days. Of course, in many cases, it is difficult to set the exact date of the opening of the campaign, because it does not depend entirely upon our wishes. Local conditions and unforeseen events frequently compel us to alter our plans. But in a number of instances it is possible to fix such dates definitely.

If you give me such a list, I promise to give the matter my personal attention, so that we will book you in only such places as are worthwhile. If you send us such a list of dates, it would be helpful if you would give us an idea of the city from which you will have to start in each case, whether from home or elsewhere. That will avoid our attempting to book you in Newark, N.J., for instance, a day or two after an engagement in Kansas City.

Zeldin has just returned from Palestine, and I am going to remind him of your desire that he visit Cleveland to help prepare for the next campaign.

With kindest regards to Mrs. Silver, I

am

As ever,

Yours,

Emanuel Newman

Mr. Charles I. Cooper,
Fontenelle Hotel,
Omaha, Nebraska.

My dear Mr. Cooper,

I have just returned to my desk after a summer spent in London, and hasten to reply to your kind invitation of August nineteenth.

I regret that I shall not be able to come to Omaha during September. The Holy-day Services and the opening up of the many important activities of my Temple will make it impossible for me to get away.

I trust that there may be an opportunity at some future time for me to serve your Omaha community.

With kindest regards and wishing you a happy New Year, I beg to remain

Very sincerely yours,

A. H. Silver:

Dr. Wise wired us to ask you to go to Syracuse any day before the 20th to attend banquet starting Keren Heyesod Campaign. It is very important that you should accept as whole quota might be raised at that banquet. This may necessitate your switching arrangements with ~~the~~ Bienenfeld to a later date. Please do that if at all possible.
