Dear Rabbi Silver:

We are contemplating beginning the 1926 United Palestine Appeal Campaign about October 20th. During the High Holidays many of the synagogues in the city have extended the privilege to our speakers' committee for the use of the pulpits for propaganda and publicity concerning the United Palestine Appeal Campaign.

We will deeply appreciate your co-operation if you will find an occasion to spread the propaganda of the United Palestine Appeal before your congregation either during the High Holidays or the Succoth festival.

I wish to extend in behalf of the United Palestine Appeal, our best wishes and greetings to you for the New Year.

Sincerely yours,

My dear Rabbi:

We are extremely anxious that you shall be with us at the opening of our campaign for the United Jewish Appeal, which combines the United Jewish Campaign and the United Palestine Appeal.

The date has been set for the evening of the 14th of October, and we hope you will be here to address us at that time.

Mr. David A. Brown has already accepted, and we are extremely anxious that two such recognized leaders in American Jewry shall help us to carry to a successful conclusion this very important work.

With the compliments of the season and the assurance of my personal regards, I remain,

Yours very truly,

Mr. Samuel Ach,

My dear Mr. Ach,

Permit me to thank you for your kind letter of September eleventh and for the invitation which you extend to me to address the meeting which opens the campaign for the United Jewish Appeal, on October fourteenth.

Unfortunately, I have already accepted an invitation from the Ohio Welfare Conference to open the State Convention in your City on that same date. I am writing them today requesting that I be put on their program early in the evening, or perhaps in the afternoon, so that I may be free to be with you for at least a part of your meeting.

I shall let you know when I hear from the Welfare Conference.

With kindest regards and reciprocating your kind greetings for the New Year, I am

Dear Rabbi Silver:

In behalf of the Cleveland Jewish National Fund Council, I wish to extend to you the greetings and congratulations of our local organization, upon your election as a director of the World Jewish National Fund Organization.

We are very happy to find you in such an important position and know that this will stimulate greater activity on the part of the Cleveland Jewish National Fund for greater endeavors for the coming year.

We are planning to hold a large celebration after the U.P.A. Campaign, in order to commemorate the twenty-fifth anniversary of the Jewish National Fund existence. We would like to know if you would be willing to call a conference of representatives of the different synagogues and Jewish organizations for the purpose of getting inscriptions for the Golden Book. The third volume is a special number arranged for American Jewry. We believe that a call for such a conference under your name will mean the success of the required number of inscriptions, which we are hoping to obtain from Cleveland Jewry.

We shall appreciate an early reply from you, letting us know that you have accepted to undertake this program in cooperation with our organization.

With greetings to you and best wishes for a Happy New Year, we remain,

Sincerely yours,

Rabbi Abba Hillel Silver,
The Temple,
East 105th St. at Ansel Road,
Cleveland, Ohio

My dear Rabbi:

As soon as your letter reached me today I hurried to see Mr. Och, Chairman of the United Jewish Appeal Committee, to see what could be done about it.

It was such a relief to have him tell me that they had found it necessary to move their opening meeting back from the 14th to the 13th and that he had written you to this effect.

While our State Conference also meets on the 13th, the evening meeting is of such a character as to not conflict to any appreciable extent with the other. We sincerely trust that both for their sake and ours that you will be able to spend both evenings with us. We are just sending out 5000 programs for our Conference, one of which will go to you within a day or so.

We are planning, you will recall, to give you the entire evening with no other speaker on the program. Social work needs your message on the place of religion in social service and I am sure you will not disappoint us. I have delayed writing you sooner because I have been expecting the programs every day to arrive from Columbus where they have been printed.

Very sincerely yours,

Otto W. Davis

Dear Rabbi Silver:

You no doubt know from press reports that on October 9th and 10th there is to be a National Conference of leading Jews of the Country for the purpose of learning the present status of the United Jewish Campaign and the results of relief work done abroad thus far.

The Conference is called by Mr. David A. Brown, National Chairman, and at the invitation of Mr. Julius Rosenwald is being held at the Standard Club, Chicago.

Reports of progress of the Campaign in this Country will be submitted as well as statements by some of our foremost Jews who have recently covered Eastern Europe in the interest of the Joint Distribution Committee which is disbursing the funds.

We will, everyone of us, find much of interest in this Conference and I would personally urge your presence if you can attend. Reservations can be made for you if you will communicate with Mr. Goldhamer at the Federation Office, Superior 1780.

Very sincerely,

Dear Abba:

I enclose you herewith a copy of a

Brown and his colleagues are met.

My dear friend:

You will be interested to know that our efforts here for a joint campaign have fallen through, not because our local Zionists were not prepared to do everything possible to meet the J.D.C., and, I can say this also, not because there was no definite sentiment in favor of a joint campaign, but simply because David Brown said not to. Rosenau and I are very disappointed at our failure in what might have been an example to the whole country of community harmony. However, the blame is place where it belongs.

Faithfully yours,

(signed) Lazon.

Rabbi A. H. Silver,

Cleveland, Ohio.

My dear Doctor Silver:

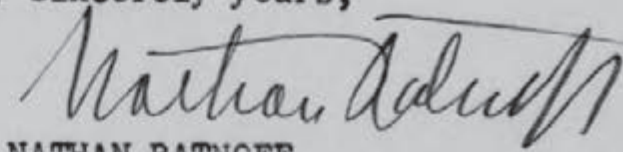

It was my intention to write you sooner but knowing you would be busy during the holidays I have waited. I think it is now the proper time to approach you with regard to the discussion I had with you at length on the boat, about the plans of the American Jewish Physicians' Committee and what we expect from the union with the Hadassah Medical Organization.

Under our agreement with the U.P.A., we cannot make a drive, therefore, the money we need must come from individual donors, especially from those who up to now have not contributed to any Palestinian activities. It goes without saying, of course, that if a good Zionist, who can afford it, wants to donate towards this fund as well, it would be very welcome.

I know your influence in Cleveland among Zionists and non-Zionists, and I would ask you - if it is consistent with your duties - to help the American Jewish Physicians' Committee and the Hadassah Chapter in Cleveland, to raise a substantial sum of money.

Hoping this finds you and Mrs. Silver in good health, and expecting an early reply, I am,

Very sincerely yours,

NATHAN RATNOFF,
Chairman.

Dear Rabbi:-

I know you will be glad to hear that one of the members of your team, Mr. Julius Weitz, went out of his way to be of service to us in this campaign.

Mrs. Simon had some cards in the commission merchants neighborhood and at her suggestion I phoned Mr. Weitz to find out if he would be kind enough to canvas these cards for her because of the fact that he is in the same line of business.

Mr. Weitz just phoned me that out of the fifteen cards given to him by Mrs. Simon, one had previously pledged, one was out of the city and the remaining thirteen he signed up for a total of \$300.00 which I know is considerably more than Mrs. Simon could have gotten.

My dear Emanuel,

Just a note about our Cleveland campaign. We have already reached seventy-two thousand which is in excess of the full amount raised last year and we have a week to go. We shall probably reach a hundred thousand and perhaps go a little beyond that.

Judge Mack's visit here proved very helpful. He delivered a splendid address and while the meeting, which was held on one of the worst nights we had, was not large, (about 225 present) was quite enthusiastic.

We had a glorious Service here at The Temple on Sunday, October 24th at which Rabbi Goldman and I participated in a symposium. Rabbi Goldman spoke on "The Cultural Significance of Palestine" and I spoke on "The International Significance of Palestine". Men and women at The Temple are working splendidly in this campaign. The same is true of Goldman's Jewish Center. The other Temples and Synagogues are doing nothing.

I have been trying hard to get someone to occupy my pulpit on November 21st to enable me to attend the Boston conference. I will let you know whether I can come.

I am herewith enclosing subscription
blank of Mr. and Mrs. Newberry in the sum of
\$200.00 and subscription of Mrs. Marks for \$25.00.

I did not see Mrs. Marks; I called her
by telephone, and she was not at home. Fannie
Gries spoke to me and said they had taken the
matter up and she knew her subscription would
not exceed \$25.00, and authorized me to make it
out for that amount. I wrote Mrs. Marks con-
firming the fact that I had signed for her.

I am also returning the cards of
Julius Feiss and Paul Feiss which I did not
solicit.

I now have only one remaining card,
that of Walter Goldsmith. I saw him yesterday
and he refused any subscription, but I am holding
the card until I see him further.

I am leaving at noon for the duck
marsh and will not be back for the meeting
tomorrow.

I have been so immersed in the work of the Palestine Campaign that I have not had an opportunity to write to you and to tell you how much I enjoyed your great message at the opening of our campaign and how greatly you have stimulated our workers. We have already passed our last year's record and we still have a week to go. It is likely that we shall raise this year over a hundred thousand dollars.

I hope to be in New York the week of November 8th and I shall give myself the pleasure of calling on you.

Dear Abba:

I have your letter of November 2d and your telegram of November 3rd with reference to Weizmann. I have sent Weizmann copy of your telegram. You will be glad to know that he is in fine trim and excellent spirits. Yesterday he got a check for \$50,000 from Mr. Gregory Benenson.

Tonight we are having an initial meeting of a couple of hundred men for the purpose of planning the New York campaign.

I am very happy that Cleveland has done better than ever before. I am sure you will go over the \$100,000 mark. If Weizmann comes in December, you will be able to utilize him for some kind of "clean up" effort.

You simply must get some one for the 21st. We are counting upon you for the Conference. Please prepare something that we could use as campaign material throughout the country.

Dr. Weizmann has already seen both Mr. Marshall and Mr. Warburg. The conferences with Mr. Warburg were entirely satisfactory. He seems to be willing and even eager to help and patch things up. The conferences with Mr. Marshall were somewhat less satisfactory. He spoke at length about his grievances, etc., but Dr. Weizmann seems to be hopeful.

He also had a most satisfactory interview with the President on Monday. The President seemed to know a thing or two

about our affairs. We are arranging also a luncheon or dinner in Washington under the auspices of the British Embassy, probably in the legation itself. I will tell you more about it later on.

I suppose you will be in New York next week. We are having a series of meetings and conferences. There is a meeting at Mecca Temple on Monday night in honor of Dr. Weizmann, and I expect you to come over when you are through with your lecture at the Centre.

With best regards to your Lady, I am as ever

My dear Sam:-

Please pardon the long delay in replying to your kind letter of October 17th. I have been out of the city much of the time.

I wish I could see my way clear to accept your kind invitation to address a meeting of the Kansas City Palestine Appeal Committee but I am afraid that I can not come. I am very heavily dated up between now and the first of February. I plan to spend most of the month of February on the Pacific Coast and I therefore feel that I ought not accept any more out of town engagements between now and February 1st.

I am delighted to learn of your splendid interest in the Palestine work in your community and particularly of the great welcome which you received in your new home. You will like Kansas and I know that the Kansas people will be gloriously proud of you.

Nov. 8, 1926

Rabbi A. H. Silver.

Dear Rabbi Silver:

As one who is vitally concerned with our work for Palestine you would be, I believe, interested to know the impression which our last U. P. A. Campaign has made upon The Physic. & Dentist com. as a group.

This campaign, I regret to say, has left the majority of workers of P. & D. com. with a feeling of resentment bordering on unfriendliness toward those who managed the campaign. So much so that while I found it no easy task to arouse enough interest among them in order to secure their active participation in our campaign this year, I fear that it will be so much more difficult, if not impossible, to secure their cooperation in our future U. P. A. campaigns.

The reason for their irritation is the inexcusable favoritism shown to the various groups of workers while allotting the cards of our prospective contributors. First, the P. & D. committee did not get the cards of the contributors from whom they obtained pledges during last year's campaign. Considering that those pledges amounting to about \$10,000 were practically all new pledges obtained by P. & D. through their influence & solicitation they resented the fact that those "easy" prospects were given to others. They claimed that it would have been easy for them to increase the amounts pledged as in the case of The Richmans who doubled their pledge. Considerable sums were lost through giving those cards to others, mostly a few women. Several of these cards having fallen accidentally into the hands of P. & D. com. were encroached upon again by members of the more favored groups causing considerable comment & resentment. Second, The P. & D. com. having secured last year pledges from about 80% of Jewish Physic. & Dentists of Cleveland, hoped that this professional group, to which they have

2.

M. GARBER. M. D.

10539 ST. CLAIR AVE.

CLEVELAND, O.

access and where their influence is greatest, would be left them for soliciting. Instead only a part of Physic. & Dentist's cards were given to this committee. This has again caused a considerable ~~comment~~ ^{and} loss in amounts pledged ^{and} ~~an~~ unfavorable comment among the workers. Third, anxious to ^{help} bring up the sum secured during the campaign to \$100,000 I have succeeded ^{to secure} not without considerable effort & coaxing, the services of 8 men of this com. who were willing to continue soliciting this week. When I came to the office (Hotel Statler) yesterday afternoon I was given pledges of last years contributors up to \$5. & \$10. I was informed that the other, so called "good" cards were already given to a few people who will "take care" of them. I was glad to learn for the first time that we had such an abundance of workers for Palestine... Two facts stood out prominently during this last campaign. First, the mysterious disappearance of several hundred of our last years ~~campaign~~ ^{cards} ~~campaign~~ ^{contributors}. Most of these, I suspect, have not been covered during the campaign which would account for the peculiar fact that at the end of the campaign hundreds of our good last years contributors were not heard from. We certainly had the workers to cover these cards if those cards were only available. I have made repeated efforts during the campaign & at the very beginning of the campaign to secure "decent" cards but my efforts were in vain. The only "good" cards I did have were those given by Mrs. Silver & yourself out of ^a pile of returned or refused cards. They netted the com. about \$1500. Second, ^{the} unique spectacle of several of our women & men reporting fairly large sums on very few pledges. Why & how did ~~this~~ ^a handful of workers get the cards of our best prospects?

When the Physic. & Dentists met at the Temple Library & accepted a quota of \$15,000 instead of \$20,000 they felt that they would reach a much higher figure than \$15,000 but wished to be conservative in accepting a definite obligation. They were all sincere, eager & enthusiastic. They all worked splendidly but fruitlessly.

M. GARBER, M. D.

10539 ST. CLAIR AVE.

CLEVELAND, O.

What makes it quite disagreeable for me is the idea prevalent among many of this group that Cleveland people are prepared to give for Palestine anywhere up to \$5. or \$10. at most \$25.; and again that some people who had the destinies of this campaign in their hands have purposely denied this com. of the share of prospects to which they were entitled to by their last years work & record.

The loss of the few thousands of dollars for Palestine which could have been procured by this com. & were not procured by others is to be of course, deplored. The greater loss to our cause is, however, the feeling prevalent among the workers that the Physic. & Dentist were ~~discriminated~~^{discriminated} against during this campaign. Some stated to me that in the future they would have nothing to do with the "Zionists" because their organization is apparently dominated by insincerity & petty jealousies toward one another.

It has taken me, as you may possibly know, several years of effort to get this group of 30 physic. & Dentist to cooperate with us, and it pains me to see it slip away from us on account of a mismanaged campaign. I want to hope that time, the great healer of all grievances, will also heal the irritation existing among Physic. & Dentist toward the Zionists, and that next year we will be able to induce them to make a substantial contribution to our cause.

Cordially,

My dear Rabbi Silver:

You will no doubt remember that during your last visit to Detroit on the occasion of your lecture before the Men's Club of Temple Beth El I talked to you about your coming to Detroit as the principal speaker at our banquet opening the 1927 campaign.

This will take place in February and we should like to have you with us on the evening of Sunday, February 5th, or 6th.

Will you please advise whether you have that date open and if not whether you could come the following Sunday evening, or some evening during the week of February 5th. Our choice, of course, is the first Sunday evening.

Your early reply will be very greatly appreciated.

Sincerely,

A. C. Lappin

Dear Abba:

I am sorry that I was so tied up during your last visit to the city that I was scarcely able to see you and was compelled to leave the meeting of the Administrative Committee before it was over. Above all, I want to make sure about your coming to the convention next Sunday. Please do not leave that as a matter of chance. We are counting upon you for the program.

You will be interested to know, that Dr. Weizmann had a meeting with Mr. Marshall Etal at the home of Justice Irving Lehman last Thursday night. On the whole it was satisfactory from the viewpoint of the agency. Judge Lehman, undertook to do the legal and constitutional work on the proposition during his coming Thanksgiving holiday.

I understand that part of the plan is to summon a constituent assembly for constituting the American section of the agency. This assembly to be of a larger and more representative nature than the conventions held in the past.

Nothing more for the present. As ever yours,

Emanuel Neumann.

My dear Rabbi Silver:-

February 27th has been set aside as the date for the Semi-Jubilee celebration of the Jewish National Fund. The celebration in the form of a massmeeting will take place at the Mecca Temple in the evening of that day.

This meeting in addition to the fact that it is to mark the inauguration of the Silver Jubilee, will also serve as a beginning of similar celebrations to take place in every Jewish community.

In the name of our Administrative Committee we are extending you herewith an invitation to be with us at this meeting and deliver the main address of the celebration.

We want to make this affair an outstanding event in the history of the Jewish National Fund in this country and we feel certain, that with your presence we will succeed in making it so in every respect.

Will you please confirm the acceptance of this invitation at the earliest possible opportunity, so that we can proceed with the necessary preparations.

With best wishes.

Mr. Louis Lipsky,

New York City.

My dear Mr. Lipsky,

Mr. Julius Tuteur phoned me this morning and informed me that there is a possibility of his attending the Boston meeting. Please make an effort to meet him and be sure to introduce him to Dr. Weizmann. Mr. Tuteur is a very representative citizen of our community and has in the past few years evidenced a growing interest in Palestine. He has contributed this year, two thousand dollars to our campaign. He may be encouraged to give more. He was in Palestine last summer and was very favorably impressed.

I regret exceedingly that I shall be unable to come. I have not succeeded in getting someone to take my place on Sunday morning and in as much as I have been out of the city so much of the time in the last month, I do not feel that I should absent myself again. Judging from the amount of talent you shall have in Boston, I am sure that you will not miss me.

My dear Mr. Zeldin,

I am afraid that I spoke too soon. When I accepted your invitation to attend the opening meeting of the New York campaign on Monday, January 17th I did not remember that it was the opening of the Biennial Convention of the Union of American Hebrew Congregations in Cleveland. This is, as you know, a very important convention and in as much as Cleveland will act as host to it, it will be impossible to absent myself from the city that week. I am sorry that I must disappoint you.

- י. שמירת היער בנהלל.

היו"ר מוסר קודם-כל ידיעות על המצב הכספי של הקה"ל, שהודע בינתיים.
בחדש אוקטובר ובחלפת נובמבר היו הכנסות-ההכנסות מינימליות. מאידך-גיסא,
יש לשלם עד 1 לינואר 1927 סכום של 40,000 ל"מ ע"ת החתיבות הקה"ל
בקשר לעבודתה בארץ.

דף ב' לפרטיכל של ישיבת הדירקטוריון של הקרן הקיימת לישראל, ירושלים, מ-14.10.26, מ. חרפ' 2/ז.

דו"ר והחלטות.

א. קניית אדמה ביבנה.

נמסרה הודעה, כי יש אפשרות לקנות 6.000 - 7.000 דונם מאדמה יבנה, שליש השטח - אדמה ראויה לעבוד ושני שלישים חולות, במחיר ממוצע של 2,50 ל"מ לדונם ובכלל זה הוצאות מדור המפרוז. הוחלט למלא את ידי הלשכה הראשית להוסיף ולהתחקות על העניין הזה. כמו"כ - לאשר את ההחלטה הקודמת ע"ד קניית אדמה ביבנה (ע"ן פרטיכל מס' סיון חרפ' 1.6.25, מ. חרפ' 8/ה).

ב. קניית אדמה קומית.

הוצע לקנות עוד 3.500 דונם מאדמה קומית, להשלמת קניית-ההקרקעות של הקה"ל שם. לפי ההודעות של מר הנקין, יהיה צורך לשלם עכשיו ע"ח זה - 1.300 ל"מ, ואת המותר - אחרי זמן רב, שיש עוד לקבוע. ההחלטה בשאלה הזאת נדחתה עד לאחר קבלת ידיעות מפורטות.

ג. קניית אדמה על-יד נחל-יהודה.

נמסרה הודעה, כי לפני יוחר משש שנים אושר חקציב של - 7.500 ל"מ לקניית אדמה בשביל נחל-יהודה. הקנייה לא יכלה לצאת-לפעל עד עכשיו - לרגלי מכשולים וקושיים שהיו מונחים על דרך הגשמתה, ובעיקר מפני שאי-אפשר היה להשיג שטח-אדמה מתאים בחטיבת אחת. מן ההכרח לרכוש עתה 400 דונם אדמה, העולה כיום במחיר של 12 ל"מ לדונם - במקום 7.50 ל"מ לדונם. יו"ר-הדירקטוריון בהיותו בחו"ל הביע את הסכמתו הסלגרפית להגדלת החקציב והוא מבקש עתה את הדירקטוריון לאשר את זאת. האשור המבוקש ניתן והחקציב לקניית אדמה על-יד נחל-יהודה הוגדל בסכום של - 1.800 ל"מ.

ד. קניית אדמה בשביל הישוב היהודי בפקיעין.

נמסר דו"ר על החוצאות והמסקנות של תקירות המשלחת שנמעה לפקיעין. הוצע לקנות שטח של 300 דונם אדמה במקום אחד, במחיר של 2,50 ל"מ לדונם. את חצי השטח אפשר לעבד חקף. והחצי השני זקוק להשבתות.

דף ג' לפרטיכל של ישיבת הדיקטוריון של הקה"ל. ירושלים-26.10.14. ס. חרפ'ז/2.

הוחלט בפרינציפ להוציא-לפעל את קניית-האדמה הזאת, מכספי הקרן שיטנה

ברשות הקה"ל למטרת קניית אדמה בשביל יהודי פקיעין.

הגשמה הדבר וזכות ההחלטה הגמורה נמסרו ללשכה הראשית, אשר חבר

מקודם עם מר חנקין, אם אין אפשרות להשיג שם שטח-אדמה יותר טוב.

ח. קניית אדמה "שעירה" על-יד פתח-חקה.

קניית אדמה "שעירה" בשביל מושב-החימנים "מחנה-יהודה", שהוחלט עליה

לפני זמן רב, לא יכלה לצאת-לפעל עד עכשיו, יען-כי המוכר דרש מחיר

הרבה יותר גדול מהמחיר של 6 ל"מ לרונם שנדרש מקודם והעמידו לסוף על

13,50 ל"מ לרונם.

הוחלט לאשר את הסכום של 13,50 ל"מ לרונם, אמנם ההוצאה-לפעל של

הקניית נחלת במעצור גדול, היות והמצב הכספי הקשה של הקה"ל איננו מרשה

לה להוציא סכום של 6,000 ל"מ בבח-אחת, אולם יש לחפש דרכים ואמצעים,

כדי להמציא את הכסף הדרוש.

מדור העניין נמסר ליה"א אומישקין, קול. קיש וד"ר גרנובסקי.

ו. קניית אדמה בשביל הפועלים במושבות.

בהתאם להחלטה בישיבה הקודמת, דנו הפעם באופן מקיף על השאלה של קניית

אדמה בשביל הפועלים במושבות. הזכירו את העובדה, כי חלק גדול מהקרקעות

המוצעות נקנה ע"י המרכז החקלאי או ע"י פועלי המושבות עצמם וגם שולם כסף

ע"ת הקרקעות.

אחרי זכרון מסעך הוחלט להעמיד למניין את הצעת מחלקת-העבודה של

ההנה"צ. לפי הצעת זו יש לקנות:

105	דונם אדמה בפתח-חקה.	(1
105	גן קרמנצקי בפתח-חקה.	(2
68	אדמה בראשון-לציון.	(3
44	אדמה בחדרה.	(4
150	של "כפר-גנים" על-יד פתח-חקה.	(5

הצריכים לעלות לסכום כללי של 6,000 ל"מ.

הוצאות ההעמדה למניין - היו: שתי דעות בעד ההצעה ושתי דעות נגדה.

הקול. קיש מוסר מודעה, כי הוא יודיע את מצב-הדברים להנה"צ;

אפשר שהיא תבוא בהצעת אחרת לקה"ל.

דף ד' לפרטיבל של ישיבת הדירקטוריון של הקה"ל, מ-14.10.26, חרפ"ז/2.

הוחלט פה-אחד להשיג יריעות ע"ד חנאי רבישה אדמה במקומות הנ"ל מירי

ערביים.

ז. חבירה 800 דונם אדמה-גיפחליק על-יד אילת-השחר.

נמסרה לחשומת-לב המשחתפים חשובת הפיק"א, בקשר להחלמת הדירקטוריון

בעניין הנדון בישיבתו הקודמת.

במקרה שהקה"ל תקבל על עצמה את חבירה 800 הדונם - יש לעשות צעדים

גם לשוב האדמה. הקה"ל הוכל, אפוא, לקבל את האדמה הזאת לרשותה רק לאחר

שהחלקה להתישבות הקלאית תביע את דעתה ע"ד סדור ההתישבות על האדמה.

הלשכה הראשית תבוא-בדברים על כך עם המחלקה להתישבות הקלאית.

ח. מסירת חלק מאדמה בן-שמן.

היות וחתנת-הנסיכון החקלאית עוזבת את בן-שמן ועוברת לגבחה - ישוחרר

שטח של 700 דונם אדמה. ישנה בעלנים שונים על האדמה הזאת: חלק נדרש

להגדלת המושב, 80 דונם נדרשים בשביל קבוצת-פועלות לשנה אחת ו-400 דונם -

בשביל "עזרה ליחומים יהודים".

1. הוחלט למסור 400 דונם זאת חצר בן-שמן ל"עזרה ליחומים יהודים".

ההחלטה הוצע לפני ההנה"צ - בשאלה, אם אין לה כלום נגד מסירת השטח הזה.

ההחלטה הזאת נתקבלה בשלש דעות. ק"ש נמנע מלהצביע והשאיר לעצמו את

הזכות לשוב ולהביע את עמדתו לשאלה הזאת באופן מיוחד.

2. הוחלט פה-אחד למסור לקבוצת-הפועלות 80 דונם לשנת חרפ"ז.

3. כמו"כ הוחלט פה-אחד להשחמש בשארית השטח להגדלת המושב ולהעמידה

לרשות המחלקה להתישבות הקלאית.

ט. סדור הספקת-המים על קרקעות הקה"ל.

הוצעה רשימת-הערכה לסדור הספקת-מים ב-16 נקודות ישוביות על

קרקעות הקה"ל, העולה לסכום כללי של - 40,470 ל"מ.

אחרי זכות מקיף על העניין הנדון - הוחלטו ההחלטות הבאות: -

1. להשאיר את השאלה של סדור הספקת-המים בעפרות - פתוחה עד לאחר

בירור כל עניין הנקודה הישובית הזאת;

2. להשאיר את השאלה של סדור הספקת-מים בשביל אגודת-"החתי"ה" על-

יד פחת-חקות - פתוחה ולברר בינתיים את הצעת סר כצנלנסון לסדר את הספקת-המים

דף ה' לפרטיכל של ישיבת הדירקטוריון של הקה"ל, מ-26.10.14, מ. חרפ'ז/2.

לאחרי שאגודת-ה"החיה" חזיר חלק מהאדמה המסורה לה, בשטח של 100 דונם לערך.

3. להשאיר את השאלה של סדור הספקת-המים בקומיה - פחותה עד לאחר סדור שאלת המפרוז וחעודת-הרשום (קושן).

4. לרחות לזמן ידוע את פתרון השאלה של סדור הספקת-המים באותן הנקודות הישוביות שמערכי הספקת-המים קיימים שם: בקריית-ענבים, גוש חל-ע"שים, גניגר, כפר-מל"ל.

5. הוחלט בפרינציפ להוציא-לפעל את סדור הספקת-המים: 1) כחב"א, 2) יזר, 3) אבחא-עמק, 4) אבחא-הר, 5) חל-יהושע, 6) כניפס, 7) ורקני, 8) חל-מורא, 9) אבו-שושה. פרמי החוצאה-לפעל נמסרים לשקול-דעה ההנהלה של הקה"ל. זו חברת את הענין עם ההנה"צ ותקבע אח"כ את מספר הנקודות הישוביות שיש להספיק מים שם חכף וכסוף את האפשרויות להשגת האמצעים הכספיים להוצאה-לפעל של העבודה הזאת.

כל ההחלטות האלו הוחלטו פה-אחד.

י. שמירת היער בנהלל.

מר וילקנסקי מציע להזמין מומחה למטרת הקמת היער העתיק בנהלל ע"פ שיטה קבועה.

הוחלט לכר סקודם עם המוסדות הממשלתיים המתאימים את חוצאות נסיונותיהם בהגשמת עבודת כאלו ולרחות את השאלה עד לאחר הבירור.

יא. בחירת חבר-הדירקטוריון לקורטוריון של קרן-הפנסיה של הקה"ל.

מר הרמן שטרוק נבחר לקורטוריון של קרן-הפנסיה של הקה"ל - במקום מר ון-זריסלנד שיצא מהדירקטוריון.

My dear Dr. Garber,

Please pardon the long delay in acknowledging your kind letter of the 8th. I regret as much as you do that your splendid physicians committee was rendered impotent to perform real service through secretarial bungling in the office. Your group is not the only one that suffered through the lack of organization and through the over zealousness of the women who came in first and appropriated any card that they desired. In spite of your great handicap you did a beautiful piece of work. I think that every member of your group ought to feel satisfied that he worked and did his best.

Please do not be discouraged. We are learning slowly and we are improving slowly. We did fifty percent better in our campaign this year than we did last year. I trust that we shall do even better in the coming years.

My dear Rabbi Silver:-

I have just received word that you are to attend the National Meeting of the Jewish Welfare Board to be held in our city on November 19th.

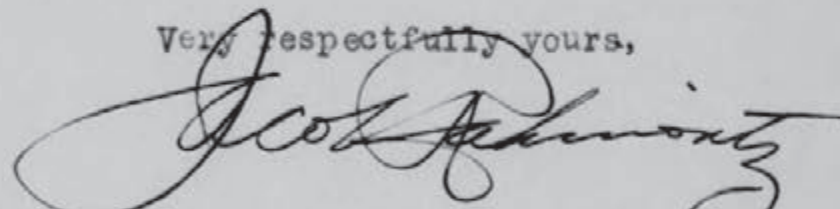

I need not tell you how much we missed you at the National Conference on Palestine. Hundreds of our people were very much disappointed that they could not hear you at our banquet and at our National Conference.

We are presently conducting our campaign for \$300,000. We hope to wind up our campaign by December 19th. It would be a great impetus to our workers here and it would be of tremendous service to our cause if it would be possible for you to address a meeting of our workers on the 19th of December on any time of the day convenient to yourself.

I would appreciate it very much if you would be kind enough to let me know by return mail if you are coming and if we can figure on a meeting with you on that date.

With sincerest appreciation for your valuable services in the past and with kindest regards from all our workers, believe me, I am,

Dear Rabbi Silver:

I want to advise you that at a meeting of our Board the date which you suggested for your Detroit visit, namely, February 7th, was accepted and our banquet will be held Monday evening, February 7th, at which you will be the speaker.

We note you assume that there will be no other speaker. Are we to imply from this that you also want to make the appeal following your address, or that you would have no objection to some other person doing this? We have made it a point at the last two banquets to announce that there would be no solicitation. However, at the 1926 banquet, addressed by Dr. Stephen S. Wise, while no appeal was made directly yet Dr. Wise simply went as far as to leave it to those present to decide whether they wanted to make their pledges then and there, with the result that quite a number of substantial pledges were made that evening.

Of course, you have your own ideas on the subject and have had many experiences along this line and we should very much like to receive the benefit thereof.

Will you be good enough to write us fully as to your views and preferences, or would you suggest that someone from Detroit run down to Cleveland to discuss the matter with you in person? Please let us hear from you as soon as possible.

Sincerely,

A. C. Lappin

Any date between December 26, 1926, and

The St. Louis Jewish community has never
raised so large an amount for Palestine as we are

We are very much interested to know whether you are going to the National Meeting of the Jewish Welfare Board on that day, and if you are, we desire to second the invitation of Mr. Rabinovitz that you participate in our own campaign during your visit to Boston.

Our people there are most anxious to get you to address a workers rally and if it is possible for you to accept, I hope you will not hesitate to do so. Needless to say, your words will be an inspiration to them to wind up the campaign in a fitting manner.

Rabbi Abba Hillel Silver,
The Temple,
Cleveland, O.

Dear Rabbi Silver:

I have your letter of December 5th, and I hasten to reply thereto.

It was only after you had called my attention to that part of the report which you sent to me, that I noticed that I had omitted your name in my report, and I am indeed deeply regretful for the omission. I assure you that it was purely accidental, and should in no way have been construed as a desire on my part to underestimate the value of your great help to our work.

I, myself, know of the many calls that were made on you for your services, and of your many sacrifices to answer those calls. I feel that you have done even more in the past year than ever before, both in your own city, and in the country.

The only way in which I can explain this oversight is this: In preparing my report, I made notations of moneys received and expended, percentages, and averages - in short a purely statistical report. For the rest, my report was extemporaneous. In mentioning those who were active and instrumental in obtaining the results, I thought I had included all our good friends. I now find I was mistaken.

It would be a great pity if you were to regard this error as an intention on my part to give the impression that your work was "lightly valued". I am confident that you will not.

With kindest regards, and reiterating my regret of the omission, I am

Sincerely yours,

Bernard Stone
National Executive Secretary.

P.S. Please let me know
that I am forgiven

Rabbi Abba Hillel Silver

Dear Rabbi Silver:

As Chairman of the Zionist District of Albany, and Chairman of the last two United Palestine Appeals, I naturally take a great deal of interest in Zionist work in this city.

No doubt you are acquainted with the fact that it has been very difficult for many years to make progress among the Temple element with our movement. Fortunately events are shaping themselves in the direction of progress. I cannot tell you how much I rejoiced to learn that on Saturday the Board of Directors of the Temple Brotherhood extended to you an urgent invitation to come on December 27 to address them on the subject of Zionism.

I only hope that you will find it possible to accept this invitation for it means that at last the Palestine problem will be presented to an important group of Jews who have hitherto withheld their interest and support. I feel that their invitation is in line with the spirit of Dr. Weizmann's hopes as to the inclusion of all American Jewry in our historical task, and we Zionists of Albany are happy to be able to look forward to a united community on behalf of Eretz Isreal.

With Zion's greetings, I am

I am of course very deeply interested in the plans of the American Jewish Physicians' Committee and I think that we might be in position, in cooperation with friends of your organization in Cleveland, to do something this year.

I hope to be in New York within a month and I shall give myself the pleasure of getting in touch with you so that we can discuss the thing at greater length.

Begging your pardon again for this delayed reply and trusting that I shall have the pleasure of seeing you before long, permit me to remain

Dear Dr. Silver:-

I have your letter of the 5th inst.,
and note carefully what you say regarding the
Jewish community of St. Louis.

I am informed of a very poorly arranged
meeting for you a number of years ago, which is
said to be responsible for your attitude towards
our friends here.

In discussing the matter with the members
of our Committee quite frankly last evening, our
leading Zionists showed great anxiety to have an
opportunity to rehabilitate themselves in your
estimation. It is for that reason that Prof.
Klausner telephoned you.

May I not say that during the last twelve
months our movement has gathered a great deal of
prestige in St. Louis, and our fellow-Zionists
have shown that they are capable of very fine
things.

My dear Prof. Klausner,

I have looked over my calendar and find that the only evening I could give you would be Monday evening, January 31st and even that would necessitate my cancelling another engagement. I have hesitated in accepting your kind invitation because I was afraid that my visit to St. Louis would be as little productive of good as my last visit, which was poorly planned and poorly managed. I have, within the year, refused three or four St. Louis invitations and I should not care to accept this one unless I ~~was~~ ^{were} assured that there would be a real community effort to make this meeting a success.

The month of January is an exceedingly crowded one inasmuch as the Biennial Council of the Union of American Hebrew Congregations meets in our city in January. I shall however make a real effort to come, provided the Zionists of St. Louis will utilize my coming properly.

I have looked over my calendar and I find that the only evening I could give you would be Monday evening, January 31st and even that would necessitate my cancelling another engagement. My dear Rabbi Silver:-

Exactly a week ago I had the pleasure of talking to you over long distance. You promised me that you would consult your calendar in your study at the Temple the next morning and let me know when you will be able to come to St. Louis to open the United Palestine Appeal Campaign. Not having heard from you for over a week, I wonder whether you have forgotten or by chance overlooked your promise made over the 'phone.

We have made fine progress during the last year in respect to gathering funds for Palestine. We broke the record and have drawn in new, valuable forces -- practically the leaders of the community -- and if you were to come, we could assure you a hearing worthy of your standing in American Israel.

With kindest personal regards, I am,

Cordially and sincerely yours,

Dear Rabbi Silver:

Wish to acknowledge with thanks your
kind telegram and letter, in reply to which I wired:

"THANKS JANUARY THIRTY-FIRST ACCEPTABLE ON RECEIPT
OF YOUR LETTER WILL WRITE DETAILS."

The committee in charge of the United
Palestine Appeal will make an earnest effort to make
your visit in St. Louis a memorable one becoming to a
man of your standing in Jewish life.

I have written to you on a previous
occasion that St. Louis has made fine progress under
the directorship of Mr. Charles I. Cooper, and I may
say to you without any hesitancy that this time your
visit will be utilized properly. Our plans are as
follows:

Beginning January 9th we are having a number
of preliminary meetings with the one thought in mind to
work towards the big Rally which is going to be the
banquet in your honor. We expect, prior to this meet-
ing, to have raised a considerable sum of money and at
your banquet we will make a very sincere and earnest
effort to bring in a big number of reform Jews; in other
words, your banquet will be the befitting climax to a
wonderful campaign. The arrangements this time are in
the hands of responsible men and women, and I can assure
you beforehand that none of them will 'fall down on the job.'

Please accept my sincerest thanks for your
kindness, and heartiest personal greetings.

Director UPA, Rabbi M. Berlin and Rabbi A. Silver, Directors of the KKL.

Rabbi A. Silver,

New York City.

Dear Rabbi Silver:

I am taking the extraordinary step of writing to you
directly on the situation which has arisen in the Keren Kayemeth and which
calls for immediate earnest consideration on your part as a member of its
Board of Directors.

The National Fund is today on the verge of danger. It is to
avoid this danger materializing that I am addressing you and your fellow
Committee members. To appreciate what has happened, it is necessary to
review recent events in America. A year ago the UPA was created. The
Keren Kayemeth LeIsrael was included but not without the gravest mis-
givings on the part of Jerusalem Headquarters, which gave its consent
thereto only after the event. Assurances were given that the KKL as an
autonomous body would not suffer - it would have the possibility of de-
veloping to the full its own collecting means - and further it was promised
an augmented income. The past year's working of the UPA has not borne
out these assurances. The JNF as an organ of collection with specific
and characteristic methods, has weakened. Its net income for the year
from its own sources was less than that during the previous year prior
to the creation of the UPA, while its expenses have swollen.

This year the UPA has been maintained under conditions which
further reduce the possibility of the JNF developing as a particular organ
of collection. The opinion of the Head Office was not requested through
its doubts about the advisability of being included in the UPA had become
stronger than before. The JNF this year was promised by the UPA \$ 550,000
and in view of its being its semi-Jubilee year, and to meet the demand that

it be allowed to exploit its characteristic collecting methods, the Golden Book effort was solemnly announced, for £ 100,000, the value of a separate Gift Volume. In fact, however, the latter sum has been made identical with the former so that the total guaranteed is £ 550,000, and the Golden Book itself, as other collecting methods of the JNF are being used in the interests of the general UPA, thus obscuring the specific character of the JNF as a collecting instrument.

The effects of the UPA upon the JNF have been swift and drastic. During the first three months of the present financial year (October to December 1926) remittances from the JNF in America to Jerusalem entirely ceased. As a rule remittances were forwarded from America every two or three weeks. The amount received in these months in 1925, prior to the working of the UPA, was £ 15,353, which at least was to be expected this year plus the UPA contribution. At first we did not realize that America had really ceased remitting its contributions. Letters were written asking for explanations, which, not being forthcoming, were followed up with telegrams of increasingly urgent character as weeks went by without one cent from the U.S.A. Under normal circumstances the stoppage of funds from America would obviously embarrass the JNF in Palestine. But recent developments have not been normal. The economic depression in Europe on the one hand, and the considerable obligations of the JNF, payable this year, on the other hand, created an acute situation. As a result of the exercise of the utmost caution and gathering of resources from all quarters the JNF was able to come through last year satisfactorily. We reckoned that by the same careful husbandry, and as a result of the special effort to be made during the Jubilee Year, we should also successfully meet our liabilities during the present year. Our hope was based on the most careful calculations which depended naturally also upon the income from America.

The failure of funds from the UPA radically upset those calculations and we found ourselves faced with the probability, growing to a certainty towards the close of December, when most of our bills were due, and no money had arrived from America, that we should be unable to meet our creditors. That meant that lands secured by mortgage would be lost. It was in view of that serious situation that a Directors meeting was called and further urgent telegrams despatched by our Directors, to Rabbi Berlin by Mr. H. Struck, to Dr. Arlozoroff by Mr. Wilkanski, to Mr. Neuman by Col. Kisch. The result of this step was a cable from Mr. Neuman promising to secure a loan of £ 50,000 from the UPA and a cable from our office promising to despatch £ 25,000 from income. In fact all that we received in cash was £ 20,000 (£ 4116) from our office and this reached us too late to be available for meeting our liabilities in December. That is the full amount that we have received from the USA since first October to date.

You are aware that the JNF avoided the danger which threatened it in December. It did so only by taking some extraordinary steps and in virtue of the assistance rendered it by a few private individuals. But it has avoided it only for the moment. The funds placed at the crucial moment at its disposal must be repaid, and soon, and fresh funds must be found to defray the subsequent obligations which the JNF is to meet. We are at a loss to know to whom to turn for these funds. European and other countries have in response to our appeal, strained their utmost to send us this year, in spite of bad economic circumstances, more than last year. But their receipts are not sufficient: we cannot carry on minus the support of America. Unless we are now put in a position to repay our friends for their temporary loans, and meet our other obligations, the JNF faces insolvency, solely, you must note, because its receipts from America have failed it.

The JNF income in America for October-November, decreased in

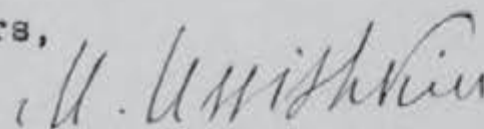

1926 by £ 24,000 in comparison with those two months in 1925. No UPA funds were available because, as we understand, they come in only after January. To meet that, loans have been raised by the UPA for the Keren Hayesod and Hadassah, but even the £ 50,000 loan promised us by cable from Mr. Neuman has not materialized. We are entitled to ask why this discrimination against the JNF, one of the participating bodies in the UPA?

But we have to complain of more than discrimination. The funds of the UPA which belong solely to the participating institutions, including the JNF, are being disposed of without consulting the JNF and in a manner to which the JNF cannot, in any circumstances, consent. A loan has been guaranteed by the UPA for the Zion Commonwealth in the first place for £ 40,000 and since, as we learn, it has been decided to repeat such guarantee for the huge sum of £ 500,000. The JNF learned of these guarantees indirectly. It was never informed, still less consulted, by the UPA. When I learned of the first guarantee at the Paris meeting of the Directors of the Jewish Colonial Trust, I went on record protesting categorically against such action. The JNF, a national land purchasing institution, cannot become responsible in any way for the affairs of another body, still less of a land-selling agency, and one whose financial condition is as complicated as that of the Zion Commonwealth. The sum at that time was small, but a much larger sum is mentioned, against which we renew our protest most energetically.

The UPA has thus had this effect upon the KKL. Its receipts in America are failing it. Its income from its own sources has considerably declined, and the UPA has not placed funds at its disposal, as it has done in the case of the Keren Hayesod. At the same time the JNF has been made a party to the guarantee for a company selling Palestine land to private individuals, thus veiling the essential distinction between national and private land, and linking us with the involved financial affairs of an institution outside the UPA. Autonomy no longer exists, and neither are there funds, for the KKL. Incapable of exercising influence from Jerusalem, I appeal to you to consider the situation. The KKL stands now to lose land purchased, for which instalments are due, because of the failure of its income from America. I do not speak of the necessity to carry out important reclamation works, and of the equally important need to purchase further lands. It is now a question of meeting our obligations on lands already acquired. It is a question of the solvency of the KKL. If it can no longer rely upon the support of America, there will be only one tragic consequence. I ask you in all seriousness to help to avoid that contingency by coming immediately to the aid of the Fund.

With Zion's greetings,

Faithfully yours,

Chairman, Board of Directors.

P. S. We have just received copy of Minutes of Administrative Committee meeting of 6th December reporting its negotiations with the UPA and the decision to warn the UPA that the KKL will consider withdrawing from it. This but too fully confirms the fears we have always entertained and is a poignant comment on the situation above described.

P.P.S. The Palestine Zionist Executive has handed to us copy of its resolutions in reference to the decision of the UPA to guarantee a loan of £ 100,000 to the Zion Commonwealth. The KKL is in full accord with that resolution to which it gives its complete support.

RESOLUTION OF THE PALESTINE ZIONIST EXECUTIVE

Guarantee of the UPA for a Loan of
£ 100,000 for the American
Zion Commonwealth.

RESOLVED:

The Zionist Executive expresses its great ~~amaze~~ astonishment at the decision of the UPA to guarantee a loan of £ 100,000 for the Zion Commonwealth, and it draws the attention of the management of the UPA to the decision adopted at London on the subject some time ago, and to the telegram which the Executive despatched on the matter. The Executive appreciates that the UPA has adopted this decision in view of the considerable injury which it might suffer as a result of the collapse of the Zion Commonwealth in Palestine, but at the same time, it emphasises the principle that it is not possible to utilize monies intended for the ordinary budget for such objects.

My dear Rabbi Silver:

I am dropping this line to remind you of your appointment to be our guest and speaker at the banquet next Monday evening, February 7th, marking the official opening of our 1927 campaign.

The dinner has been called for 6:30, and we expect to start by 6:45.

It will also interest you to know that Mr. Fred Butzel would preside and make the appeal. There will be no other addresses, except a few minutes by the governor of the state, if he can be present and, possibly by one other person.

If you will advise me of the time of your arrival in Detroit, I will see that you are met at the depot or at the hotel, if you prefer. Also let me know whether you intend to remain in Detroit overnight, so that I might reserve a room, or if you intend to leave on the night train, so that I might reserve a berth.

Sincerely,

My dear Rabbi Silver:-

This is just to remind you of the invitation you accepted, to be the principal speaker at the Jewish National Fund Jubilee Celebration, February 27th, at the Mecca Temple.

Arrangements are being made on an elaborate scale, all indications point towards a very successful evening. The Jubilee Committee, which meets very frequently succeeded in drawing in a number of prominent people representing various elements of the Jewish population in New York, who have hitherto stood away from the movement.

A very interesting program has been worked out for the evening. Besides the chairman who will make a few introductory remarks and a few greetings which will be read, you will be the only speaker of the evening.

We will forward to you within a few days a complete program.

With best wishes.

Very cordially yours,

J.W.M. re St. Louis

February 7, 1927

Dear Silver:

They tell me that there is an urgent call from St. Louis for Weizmann or myself to save the day and that this is due to the fact that while you were scheduled to be there, for some reason that I have not learned you ~~did not~~^{do} go or are not going.

You can well imagine that when I am back in New York for three weeks it is something of a hardship to break in on that to spend fifty hours on the train in order to spend four hours in St. Louis; but I have consented to do it and will get there next Monday night.

I am, however, curious to know just what that situation is and whether there was something about the matter in St. Louis that led you to fail to go, if in fact you did fail, or whether there is something wrong at this end. My query is purely personal, but if there is something that ought to be corrected I will do my share in correcting it, and of course I will treat your answer either as confidential or otherwise, as you prefer.

With personal regards to you and Mrs. Silver, I am,
as ever,

Sincerely yours

J.W.M.

Judge Julian W. Mack,
Woolworth Building,
New York City.

My dear Judge Mack,

I am glad that you wrote to me about the St. Louis matter. I feel that you ought to know the facts. Some two years ago the St. Louis Zionists invited me to address a meeting in connection with their campaign. The meeting was a miserable failure. The organization had made practically no preparations for the meeting. When the director of the region wrote me again this year to address their campaign, I replied that I would not come in view of my experience two years ago. Whereupon I had any number of letters and telegrams from Dr. Klausner and the director himself urging upon me the importance of coming and promising to make every effort to have the meeting a success. Being good natured I accepted. A week before the meeting I received word from friends of mine in St. Louis that my meeting was scheduled on a night when two other meetings long scheduled would be held, and that the element which it was hoped would be reached for my meeting would be attending these other meetings and that only those who had already pledged would be likely to come. In spite of the information I was resolved to go. Three days before the meeting I received a telegram from Dr. Klausner stating, "two other meetings Monday conflict with our banquet thus threatening its effectiveness. If Wednesday equally convenient or any other date first fifteen days of February, would prefer it". I replied that I could not give them any other date in February as I was heavily booked up with other engagements and in as much as the effectiveness of the meeting was threatened by two other meetings that I did not feel that I ought to be subjected to another fiasco in St. Louis.

Upon the receipt of my telegram Dr. Klausner called me long distance and among other things informed me that they were expecting about two hundred people to the banquet. Two hundred in Zionist terminology means about one hundred in actuality.

February 9th, 1927.

I would suggest to you, my dear Judge Mack, that before you sacrifice time and energy to go to St. Louis, that you learn definitely what arrangements they will make for your reception. The St. Louis Zionist contingent is the least reliable in the country.

With kindest regards to you and Mrs. Mack in which Mrs. Silver joins me, permit me to remain

Very sincerely yours,

WRHS

My dear Rabbi Silver:

Again I am "vagabonding" for Palestine. It is my lot for the next two months to look after the work in the Pittsburgh region. I have just visited a number of communities and have covered the State of West Virginia, where, by the way, you will be pleased to know, we have arranged meetings for Jimmy Heller for March at Huntington and Charleston.

It was my good pleasure to confer with Mr. Horkheimer at Wheeling, and I have since been in touch with him, as well as other friends in that community. I know that you will be delighted to know that Mr. Horkheimer has assured me of his earnest desire to lead in an early effort for the UPA.

I understand that Mr. Horkheimer will be visiting with you and Mrs. Silver over the week end and I know that you will be gratified to know of the active interest your good father-in-law has shown in our efforts.

With kind regards to Mrs. Silver and trusting this finds you in good health, I am

Wine

Dear Rabbi Silver:

It is quite a time since I have troubled you about accepting an invitation to speak for the United Palestine Appeal. I therefore take courage now to invite you to give as many as four days in one lump to Minneapolis and St. Paul, Minn., from May 1st to 4th, inclusive. NO

I am prompted to do this by the earnest plea made to us by our newly elected officers in that section of the country. The plan is to have a combined drive in Minneapolis to begin May 2nd and to launch the campaign in St. Paul during the same week. Your presence there on these occasions will, we feel, go far in assuring the success of the United Palestine Appeal.

Needless to say, I realize the difficulty of your giving away so much time in one region, but it is considered very important and urgent. Kindly give this matter your immediate consideration and let us know at your earliest possible convenience whether Minneapolis and St. Paul can count on your presence at that time.

Another thing. Would it be possible for you to come to New York on March 30th to speak at a Rally of the Women's Division of the United Palestine Appeal of Brooklyn? It will be a sort of a wind-up of the Brooklyn campaign. The function planned is in the nature of a luncheon, for which \$25 a ticket will be charged and it is expected that a minimum of a thousand women will be present. The affair will take place at one of the finest hotels in New York. For this, too, I bespeak your immediate consideration. The leaders of the Women's Division are unanimous in their desire that you should grace the occasion by your presence. Monday April 4

William Edlin

Dear Rabbi Silver:

It will interest you to know that I have been sent to Denver to organize the Rocky Mountain Region or in other words the great open spaces, where men are men and women are governors. This territory has been sadly neglected and no campaigns have been conducted since 1922.

While Denver is the cradle of four national institutions, it has never responded to many of the calls made upon it but on the contrary has been demanding funds from the other communities throughout the country. You also know that Rabbi Friedman is a bitter opponent, and while I have not felt his club and am acting very tactful, I hope to win over that element. We cannot judge the work out here in terms of money, as Jews are scattered in numerous communities far apart and must be organized, and with the perfection of the Rocky Mountain Region our chain throughout the country will be complete. This link is very weak.

Appreciating the numerous demands that have been made upon you, I am wondering if it will at all be possible for you to spare one day in Denver, any time after March 20th.

I believe a trip would do you a great deal of good, the climate is wonderful, the scenery is beautiful, and the hospitality cannot be beat anywhere in the country.

Hoping that you will give me a favorable reply at an early date, I am with kindest regards to both Mrs. Silver and yourself,

Sincerely and Cordially yours,

Director

Rabbi Abba Hillel Silver,
 c/o The Temple,

Dear Rabbi Silver:-

Your letter dated February 15th was a great surprise to me.

We emphasized in all our publicity and advertisements the fact that you are to be the main speaker of the evening. We have not invited any others and we have sold our tickets practically on strength of your fame as orator. If you should disappoint us it would be not only the collapse of this Celebration but it would completely demoralize our work in the entire country.

We are looking to this Celebration as a beginning of a series of celebrations throughout the country and its success means the success of all others.

In all our publicity we have used widely your name. It so happens that by accident, which we have noticed before you have called our attention to it, that your name was omitted in the advertisements of Dos Yiddishe Folk and the New Palestine, owing to the fact that we gave it as a headliner in large type and the make-up man by accident placed it in the press omitting the first headline; it will be corrected in the next issues.

In all New York advertisements your name is featured conspicuously.

You have no idea how much your letter disturbed us and I beg you for the sake of your love for Palestine and your devotion to the work of the Jewish National Fund not to disappoint us. It will be impossible to proceed with this meeting without your presence.

Please favor us with your immediate reply assuring us of your attendance.

Very cordially yours,

Abraham E. Abramowitz

Rabbi Abba Hillel Silver,
 The Temple,
 East 105th St at Ansel Road,

My dear Rabbi Silver:-

We have just received a letter from Mr. H. Steinberg, Chairman of our Chicago Committee informing us that they are making arrangements for a big Silver Jubilee Celebration April 20th, to take place at the Orchestra Hall.

They have succeeded in getting the promises of the leading Jews of the community to participate in this affair. They insist that we get you as the principal speaker of the evening.

I realize that you are very busy and that you are overburdened with engagements but, I am sure, that you are ready to cooperate with us in every respect, specially this year, the Jubilee Year of the Jewish National Fund, and you will do your utmost in this regard.

Chicago is one of the best communities in its work for the Jewish National Fund and aside of the fact that your presence in Chicago will help us bring up the Jewish National Fund to its proper hight and prestige, it will in addition mean a great deal financially for the Jewish National Fund.

Will you please inform us at once whether it will be possible for you to accept this engagement.

Looking forward to the pleasure of seeing you coming Sunday, I am,

Very cordially yours,

Dear Friend:

The Jewish National Fund Committee of Cincinnati is arranging for a celebration of the 25th Anniversary of the Jewish National Fund.

This celebration is to take place in Emery Auditorium on Tuesday March 29th. It is hardly necessary for me to tell you how important it is that the Jews of Cincinnati should be aroused to a sense of their obligation in this respect. The committee has authorized me to write to you and to extend a most cordial invitation to you to be the only English speaker of the evening. Knowing the situation in Cincinnati as you do, you will readily understand that your presence on such an occasion will be of special significance as it will no doubt attract many elements in the community that would otherwise stay away from such a mass meeting. A number of your friends, myself among them, are sincerely hoping that you will make every effort to accept this invitation and to help in the work in which we are all interested.

Please wire me collect informing me whether you can accept this invitation c/o Bernard Pepinsky, 102 Bell Block Cincinnati, Ohio. With kindest personal regards to Mrs. Silver and to yourself, I am

Dear Abba,

They have been urging me to
take the chairmanship of our Nat'l Fund
celebration here. If a suitable program
can be arranged without adding to my
already heavy burden, I would accept.
I write to ask if there is any date on
which you could and would come here
as the speaker for the celebration. If
you would do this, I'll take it without
hesitation. Will you? I would give
no joy to have you and I can assure
you of a great meeting. You could
bring friends along and will have a
happy reunion. Say yes write you?
And give choice of dates if possible.
Best to you both.

My dear Morris:

I wish I could see my way clear to come to Baltimore and join with you in the Jewish National Fund Jubilee Celebration. But I am so heavily booked up with lecture engagements, that I cannot in justice to myself accept any more. Furthermore, I have been suffering from a rather severe cold these last ten days which is hanging on and which has considerably bothered me. I hope that I may be able to serve you at some future time.

We have not, as yet, hear from Polly or Dad Horkheimer. Remember me to the children.

Meeting of United Palestine Appeal Organization Committee to discuss plans for Regional Conference on March 13, 1927.

Those present were Messrs. Max Simon, A. Simon, Maurice Gusman, Alfred H. Sachs, Aaron Garber, Ezra Z. Shapiro, Nathan D. Engleman, Allan Tarshish, Mesdames. Lesser, M. J. Lewis, Henry Frankel, I. Zwick, Max Simon, A. I. Fischer and the Misses Caroline Speser, and Ida Rose.

Mr. Max Simon acted as chairman. He mentioned the purpose of the Regional Conference to be threefold:

1st) to organize a state region; (2) to allocate quotas for communities which have not had campaigns; (3) to stimulate greater interest and co-operation throughout the entire state for Zionist and Palestine activity, through the contact of a Regional Office, which will be in Cleveland.

The place of the Conference was designated to be the Hotel Winton. Registration of Delegates will begin at 9:00 A.M. First session at 10:30 A.M.

The agenda for the morning session will be

- (1) Greetings by the chairman of the Cleveland U.P.A.
- (2) Election of Chairman and Secretary of Conference
- (3) Appointment of the following committees: (a) Credentials, (b) Resolutions and bylaws, (c) Nominations, (d) quotas, (e) Organization
- (4) Report of Regional activities by Director of Ohio Region.
- (5) Outline of purposes and policies for organization of Region by Bernard Stone, National Executive Secretary
- (6) Luncheon will be served at 1:00 P.M. in the Rainbow Room of Hotel Winton.

Dr. Weizman will address this luncheon.

Afternoon session will begin at 2:00 P.M. During this period reports of the committees will be rendered and the discussion of those reports will follow.

It was the consensus of opinion that special addresses dealing with the stimulation of Zionist activity and organization of stronger districts should be included in the program of the conference.

Delegates will be invited to attend the evening meeting at the Jewish Center, arranged through the Cleveland Silver Jubilee Committee of the Jewish National Fund. The program of this meeting includes musical numbers by the string quartette of the Cleveland Symphony Orchestra, Hebrew melodies by the Jewish Singing Society of Cleveland. Addresses will be delivered by Dr. Weizman and others.

The committee of arrangements for the conference will be named at a later time at the discretion of the Regional Director. The reception committee for Dr. Weizman is composed of the following: Messrs. A. Simon, Aaron Garber, M. Gusman, Mesdames A. I. Fischer, Leo Lesser and Henry Frankel. This committee will be enlarged by suggestions of additional names so that the complete personnel of the committee will represent every organization of the Cleveland Jewish Community in order to honor Dr. Weizman in accordance with his due prestige and position as a leader of the Zionist movement.

Mrs. A. I. Fischer was appointed chairman of the Reception Committee for delegates. Addition members of this committee will be named at a later date.

Invitations are to be extended to all of Cleveland Jewry who are not official delegates for the Conference to attend all the sessions and meetings on this date. Notices are to be sent to all the U.P.A. Contributors with the enclosure of the proposed agenda of the conference.

Publicity about the Conference will be used through the Jewish Independent, Jewish Review and Observer, Jewish World, through the newspapers, locally and in all of the cities of the state.

It was suggested that a night telegram be sent to the Chairman of the Zionist districts throughout the state, urging them to call special meetings this week and elect delegates to represent them at the Regional Conference.

It was suggested at this meeting that part of the discussion of the Conference should deal with the stimulation of Organization of Zionist Districts throughout the state and to mention that only through the strength of well organized districts can the U.P.A. activities be conducted successfully.

Delegates will be charged \$2.00 for registration, which will include the cost of their luncheon.

~~The-consensus-of-opinion-~~

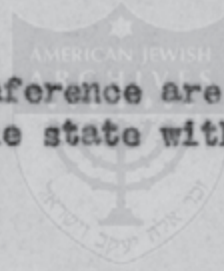

The sessions of the conference as well as the meetings will be open to the public and information about this policy will be expressed through newspapers the English Jewish weeklies and other publicity mediums.

The meeting of the reception committee to add names so that all organizations in Cleveland will be represented to honor Dr. Weizman will meet Monday noon at the Hotel Winton.

It was suggested that copies of these minutes be sent to all the Rabbis and to Mr. Max Simon.

Copies of the proposed agenda of the conference are to be mailed to the district and U.P.A. Committees throughout the state within a few days.

The meeting adjourned at 6:00 P.M.

Cleveland, O.

My dear Rabbi Silver:

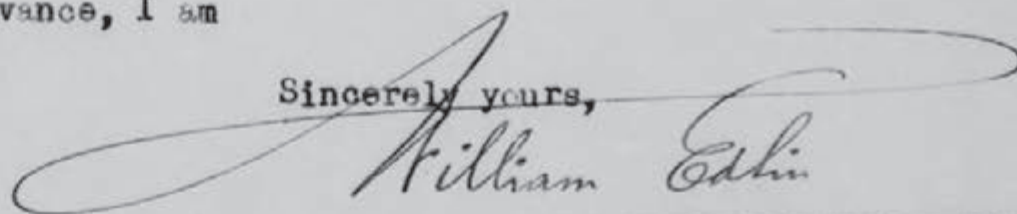

While appreciating your very prompt answer regarding the invitation from Washington, I nevertheless refuse to accept your declination to be guest of the evening at the Victory Banquet on May 11th.

I note the reason you cannot accept the invitation. You say you must be in Des Moines on the 15th and cannot be away from Cleveland twice in one week. May I not point out that May 11th is the beginning of a new week and that engagement in Des Moines ought not to prevent you from going to Washington on May 11th. Surely enough, you know your business best and far be it from me to direct in any way what you should do with your time. But I consider the Washington function so important and your presence there so necessary to guarantee the success of the United Palestine Appeal there that I want to make a second appeal to you to accept that invitation.

You can leave Cleveland the evening of the 10th arriving in Washington the next morning and leave Washington that very night, returning to Cleveland at noon on the 12th. I trust you will reconsider the matter and agree to visit Washington. We shall be very happy to have you do so.

With thanks in advance, I am

Sincerely yours,

The local Zionists are again preparing for their Keren Hayesod Campaign which will commence on April the twenty-sixth, and I have been requested to extend to you, the invitation of addressing the Jews of Toronto at a banquet to be held on Tuesday evening, April the 26th.

P. O. B. 283 ת. ד. 283

To members of the Administrative Committee of the Keren Kayemeth LeIsrael and of the Board of Directors in America.

Dear Sir,

I have just received a copy of the Minutes of the meeting of the American Board of Directors of the Jewish National Fund of 1st February, at which my letter of 9th January to the members of the Administrative Committee was discussed. These minutes contain the following passage from a speech of Judge B. Rosenblatt:-

"Judge Rosenblatt stated in answer to Mr. Bonchek that the American Zion Commonwealth was a public institution controlled by the Zionist Organisation, and that the financial condition of the Commonwealth affected all Zionist institutions. If it would collapse, the U.P.A. as well as all other organisations would suffer tremendously. He stated further that the American Zion Commonwealth has been in this embarrassing situation because it went out of its way to help the Meshek, also because the Commonwealth advanced large payments on tracts of land in Haifa Bay, which belonged to the Jewish National Fund. These advances were made to relieve the Jewish National Fund, and it is very unfair on the part of the J.N.F. to attack the American Zion Commonwealth when its own interests and possessions in the Haifa Bay were assured through this guarantee of the U.P.A. Otherwise the J.N.F. would have had to make its own payments, and borrow money for the purpose of holding these possessions."

It is my duty to declare that the facts do not correspond to the statements reported in Mr. Rosenblatt's name. The actual facts are as follows:-

The J.N.F. purchased one quarter of the land of the Haifa Bay Development Co. For this its share it has regularly

and promptly paid the full amount of the instalments whenever due. Moreover it has also made advance payments to the Haifa Bay Development Company, on account of parts of the estate still unpurchased, and the H.B.D.Co. is today debtor to the J.N.F. for advances on these yet unpurchased parts to the extent of ££4291.

The statement that "the Commonwealth advanced large payments on tracts of land in Haifa Bay which belonged to the J.N.F." is without any foundation; it cannot possibly be substantiated. On the contrary when payment on account of the mortgage on H.B.D.Co. land was due last August, the J.N.F. paid the amount for which it was responsible, but the Zion Commonwealth failed to pay its share, with the consequence that our representatives at the Acre Land Registry, where our payment was made, were placed in a most embarrassing situation by the mortgagee's representatives.

There is no basis whatever for the statement that the J.N.F. was saved from making payments by the advances of the Zion Commonwealth.

The J.N.F. is in a position to produce documentary and book evidence in support of its absolute denial of the statements above quoted and I am quite unable to appreciate how they came to be made.

(2). With regard to the table of remittances from New York to Jerusalem totalling \$108,000 to 11th January, contained in the same Minutes, I must point out that the first item of \$15,000 was on account of last year's receipts as duly intimated when remitting same and must, therefore, be eliminated from a discussion of this year's receipts. Further we had received no report of the items of \$5,000 and \$3,000 paid in New York on account of notes in

November and December, and could not, therefore, credit these amounts. The remaining three items - \$20,000 and \$15,000 cash J.N.F. receipts and \$50,000 an advance from the U.P.A. - were received by us after the conclusion of the first Quarter of the year. It is clear, therefore, that the cash receipts in and for that Quarter were only \$8,000, which we did not in fact receive here in Jerusalem and of the payment of which in New York we were not aware. Hence the fact that we received no money in and for the Quarter October - December 1926.

(3). I desire further to state that my signature on a document should be sufficient evidence of the reliability of its contents. I do not sign letters unless they are perfectly accurate and there should, therefore, never have been any question raised as to the correctness of the facts in my earlier communication.

Yours faithfully,

M. Ussishkin
Chairman,
Board of Directors.

c/o The Temple

My dear Rabbi Silver:

I haven't yet received an answer to my letter of the 13th inst., in which I tried to point out for the second time the importance of your going to Washington, D.C. I am now writing to you again to say that if the 11th is absolutely inconvenient for you, our Washington leaders are willing to shift the date of their Victory Dinner to some other day that week, either the 9th, the 10th or the 12th. It might be more convenient to you to go to Washington on the 9th, which is a Monday. You could leave Cleveland on Sunday night of the 8th, reaching Washington the next morning and leave Washington that very night back to Cleveland. This would enable you to rest for a few days in Cleveland before you go out to keep your appointment in Des Moines on the 15th.

I do plead with you once more to give this matter your most serious consideration. We have six important cities where campaigns for the United Palestine Appeal will be launched between May 1st and May 15th. The cities are St. Paul, Minneapolis, Buffalo, Pittsburgh, Washington and Philadelphia. You have already declined to go to Minneapolis and St. Paul. That invitation, however, still stands. If you prefer to go there on May 2nd and 3rd or May 1st and 2nd, then we shall release you from Washington.

I hardly need tell you how important it is that we cash in on Palestine as much as possible this year. Only yesterday there took place a special conference in New York City where Dr. Weizmann pleaded with our keymen in the East that an extraordinary effort be made to raise more money than has been forthcoming so far. We must do something out of the ordinary to raise our full quota or as near the quota that was accepted by us as possible. The above mentioned cities where campaigns are to be held in May can bring us in a lot of money if we work them right. We must therefore have your cooperation.

Kindly let us know at your earliest possible convenience whether you are considering accepting either Washington during the week of the 8th or Minneapolis and St. Paul a week earlier.

Sincerely yours,

William Edlin
National Executive Secretary,
Keren Hayesod.

Dear Rabbi Silver:

May I call your attention to a letter which I sent you under date of March 15th, asking you to be good enough to give us a date, early in the Fall, when you will be able to visit Omaha.

I have promised our Omaha friends to let them know at an early date when they may expect you in Omaha, and it is for that reason that I take the liberty of approaching you once again, in the hope that you will instruct your secretary to let us know what date you have set aside for this visit.

I would appreciate an early reply.

With kind regards, I am

My dear Rabbi Silver:

I am pleased to be able to notify you that our friends in Washington have accepted your offer to go there on May 23rd. This, then, is final. You will therefore be good enough to reserve that date exclusively for Washington.

It is going to be a very fine function, a sort of Victory Banquet, at which the check for the amount of money raised during the campaign will be presented to you. Your name as the guest of honor will be printed on all campaign certificates that will be sold in Washington. In other words, the method of campaigning there is different from other cities. It is what is called a cash campaign. No one without a certificate for at least \$25. is permitted to buy a ticket for the Banquet. That is why it is so important for them to know a long time ahead of the function as to who is going to be the guest of honor. With your kind offer to be there on the 23rd of May the matter is now settled.

Now another thing. We are wondering whether it would be possible for you to launch our campaign in the city of Buffalo on May 8th. Cleveland being only about five hours away from Buffalo, I think it ought not to be very difficult for you to take a Sunday afternoon train and get there in time for the function. You can be back in Cleveland the next morning. I shall be glad to hear from you real soon as to whether you can make that.

With thanks in advance,

Sincerely yours,

National Executive Secretary,
Keren Hayesod.

Rabbi Abba Hillel Silver

Cleveland, O.

My dear Rabbi Silver:

Permit me to thank you for your kindness in accepting the invitation from us to go to Buffalo on May 8th. I have no doubt that the function will be a banquet and not a mass meeting. Anyway, I have taken steps to inform myself of the nature of the function and we shall see to it that it shall be a dinner rather than a mass meeting.

Dr. Wise was there last year and in his effort to squeeze the most out of the audience at the dinner he aroused the enmity of quite a number of people who have not forgiven us to this very day. We have been working for the past few months to re-establish good relations between our workers in Buffalo and the National Office. I feel certain that your going to that city for the opening of our next campaign there will assure the success of the drive.

Another thing. Like a good Jew, I am not contented with what I have, but continually ask for more. I am quite reluctant to do so, but conditions compel me to try and try again. As far back as February 21st I received word from you that you can't go either to Denver or Minnesota. Well, the Denver campaign was held last week with Mrs. Irma Lindheim as the guest of honor. But our leaders in Minnesota are still clamoring for you. Minneapolis is to have a joint drive on May 2nd and the United Jewish Campaign is to have a distinguished representative there. Naturally, our people want to make the best possible impression and they think that only you can assure the results they are hoping for. The campaign in St. Paul is to be held either on the 1st or the 3rd of May. Therefore, you are wanted for both these cities for the first few days in the month of May. If it is at all possible for you to make that trip, then we shall call it square for the rest of the month and not trouble you for any more of our drives this season.

Kindly let me know how you feel about this. With my best wishes, I am

Sincerely yours,

William Edlin

Dear Rabbi Silver:

Many thanks for your tipping us off regarding the muddled situation in Buffalo. While we were not completely in the dark about it, yet the fact that you, who spent there only several hours, sized up the situation as you did, is additional proof to us that something extraordinary ought to be done to save the campaign. We shall probably do something. Of course, it might be too late now, but nevertheless we shall not let the thing drift and if any effort on the part of the National Office can improve things there, nothing shall be left undone.

Enclosed you will find check covering your traveling expenses to and from Buffalo.

I hope that you will find the situation quite different in Washington, where you are to be on the 23rd. We get good reports from that city and we feel that the gathering which you are to address will be of a nature to make you feel joyful.

Rabbi A.H. Silver
The Temple
East 105th St.
Cleveland, O.

Dear Rabbi Silver:

We have not yet received an answer from you to our telegram of several days ago asking you whether it would be possible for you to address a mass meeting on Sunday evening, May 29th, at the Nixon Theatre in the city of Pittsburgh in connection with the Brith Sholom Convention, which is taking place there that week. The officers of the Brith Sholom will be glad to hear you talk on Palestine or any other subject that you may choose. They are asking us to use our good offices to secure you and they are pressing us for your answer. Kindly wire us collect whether it is possible for you to be in Pittsburgh on the 29th.

It may interest you to know that upon receipt of your letter in which you give us an inkling of the situation in Buffalo, I rushed over there to look it over. I spent two days there interviewing all the communal workers and others who have been or are interested now in our Movement. I am satisfied that it is no fault of our director there that the campaign is lagging and that we don't get the returns that we have a right to expect in a city the size of Buffalo.

We are simply up against it in that town. There are a combination of causes that make it an uphill fight. Still, I hope that I have succeeded in influencing partly some of the men whose cooperation might be helpful. Rabbi Fink is one of them. He promised to be more active and secure a number of the men of his own Temple to make their contributions.

I am also convinced that your presence there was of great value to us even though the returns at the banquet proper were not what you might have expected. It proved to the people who were opposed to a United Palestine Appeal campaign this year that we mean business and some of those I talked to are quite surprised that we succeeded in raising up until now a sum close

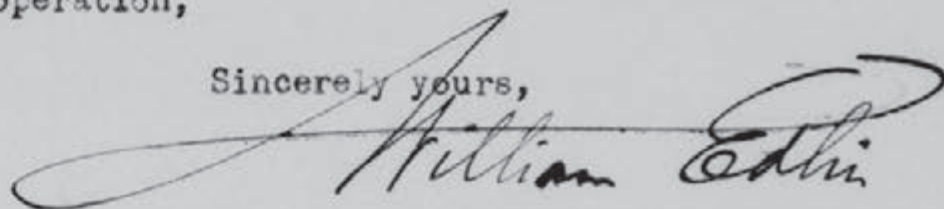

Rabbi A.H. Silver-2
May 20, 1927

to \$20,000.

The campaign there will now be prolonged a week or two and a sum of about \$30,000 will probably be raised. Under the circumstances, it is the best that can be realized in Buffalo this year.

With thanks for your cooperation,

Sincerely yours,

National Executive Secretary,
Keren Hayesod.

Rabbi A. H. Silver
The Temple
Cleveland, Ohio.

Dear Rabbi Silver:

We are now completing our advance effort for the United Palestine Appeal and hope to have \$50,000 cash before the Convention.

The 1927 drive is scheduled for the early fall and we are eager to make somewhat definite arrangements as to the opening function which we plan on having the last week in October or early in November. I understand that you are sailing for Europe shortly and I am eager to have you arrange your calendar so as to plan on being our guest for the opening function of the campaign in the early fall.

Will you be good enough therefore to let me hear from you advising me that you will reserve a date for Pittsburgh for the early fall? Do you expect to be at the Convention? I am planning to attend, though I am not sure whether mother will.

With kindest regards and greetings to Mrs. Silver, I am

Sincerely yours,

Charles J. Rosenbloom

Rabbi A. H. Silver,
The Temple,
Cleveland, Ohio.

Dear Rabbi Silver:

I spoke to you the other day about some effort to collect on the outstanding pledges.

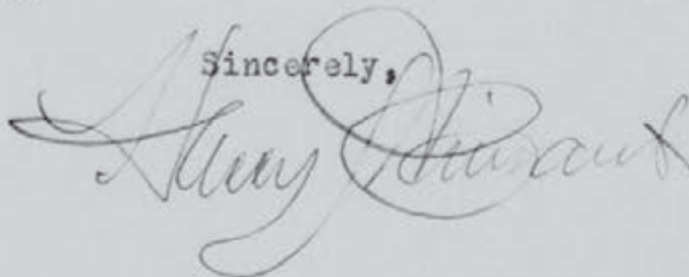

Talked the matter over with Mr. Sachs and we are both of the opinion that it would be almost futile to send out another letter on U.P.A. stationery. Such a letter was sent out very recently and the response was negligible.

If you would consent to a letter sent out on your stationery over your signature, we feel such a letter would surely bring better results than any other method we can think of.

Enclosing herewith a tentative letter which you can revise or substitute just as you wish.

I will call you in the morning on the telephone relative to this.

Sincerely,

HW/ZS

June
Seventeenth
1937

The enclosed resolution adopted at a special conference in New York, which I trust you will find time to read over, will give you an inkling of the gravity of the present situation in Palestine.

In response to this national appeal the Cleveland Committee pledged itself to remit the greater part of all outstanding pledges before the end of this month. The month of June has been set aside as Redemption Month of all United Palestine Appeal pledges.

I am writing in the hope that you will be able to make an effort to send your check in payment of that part of your pledge which is still outstanding and thus help Cleveland do its proper share, which the members of our Committee solemnly undertook to make good during the month of June. I understand that a memorandum of your balance due has been sent directly from the U. P. A. office early this month.

Cordially yours,

June 20, 1927.

Mr. Charles J. Rosenbloom,
United Palestine Appeal,
Anchor Bank Bldg.
414 Smithfield St.
Pittsburgh, Pa.

My dear Mr. Rosenbloom:

Permit me to thank you for your
kind letter of June 5th.

I am happy to learn that you
have assumed the Chairmanship of the
Palestine Appeal in your community. I
shall make every effort to be with you
early in the fall to open your campaign.
Please get in touch with me some time in
the middle of September.

I plan to return from Europe
by the 15th of September. We sail on
June 25th and will, therefore, miss the
convention much to our regret but we are
going to Palestine and as you know the trip
is a long one and we caught the first available
boat.

With kindest regards and wishing
you a happy summer, permit me to remain

Very sincerely yours,

AHS:NEB
