United Palestine Appeal, Inc.,
111 Fifth Avenue,
New York, N. Y.

Gentlemen:

In accordance with instructions, we have examined the books and records of United Palestine Appeal, Inc. (for 1939) for the year 1939, and submit herewith our report thereon, consisting of:

EXHIBIT A - Statement of Assets, Advances on Account of Allocations and Liabilities as at December 31, 1939

EXHIBIT B - Statement of Income and Expenses for the year ended December 31, 1939

We also submit, in Exhibits C and D and supporting schedules, comparative data setting forth the assets, allocations, etc., and the campaign collections and expenses for the 1936, 1937, 1938 and 1939 campaigns.

On December 29, 1938, at a joint sub-committee meeting of the Jewish National Fund, Inc. (Keren Kayemeth) and Palestine Foundation Fund, Inc. (Keren Hayesod), it was agreed that United Palestine Appeal, Inc., should continue for 1939 as their agent and in their behalf conduct and manage a joint campaign under substantially the same arrangements as for the year 1938. As heretofore, Jewish National Fund collections (exclusive of specified income), less expenses, are to be turned over to the United Palestine Appeal, Inc.; the total receipts of the United Palestine Appeal, Inc., after deducting expenses and allocations as hereinafter set forth, are to be divided equally between Jewish National Fund, Inc., and Palestine Foundation Fund, Inc.

The Committee voted an allotment of $90,000.00 for the year 1939 (as compared with the 1938 allotment of $60,000.00) to the Mizrachi Palestine Fund, with the understanding that the latter organization would provide the Executive of the Jewish Agency in Palestine with an accounting and full report of the expenditures involved, and with the further understanding that copies of these reports would also be submitted to the United Palestine Appeal, Inc. We understand that your request for an accounting has not yet received a response.

The Committee also voted that the service charge allotments to the recognized parties in the Zionist movement shall be the same as for the year 1938, as follows:

Mizrachi Organization of America. . . .	$ 9,800.00
Poale Zion-Ziere Zion	9,800.00
Zionist Organization of America	54,000.00

The allotments are made for services rendered in utilization of the Palestine educational programs maintained by them.

With respect to the raising of funds for the year 1939, the United Palestine Appeal, Inc., entered into an agreement with the American Jewish Joint Distribution Committee, Inc., to conduct a unified campaign under the name of United Jewish Appeal, Inc., for Refugees and Overseas Needs, the goal of which was to raise a minimum of $20,000,000.00, divisible as follows:

(a) The first $9,500,000.00 to be allocated shall be divided as follows:

National Coordinating Committee (N.C.C.). .	$2,000,000.00
United Palestine Appeal (U.P.A.).	2,500,000.00
American Jewish Joint Distribution Committee (J.D.C.).	5,000,000.00
T o t a l	$9,500,000.00

(b) All amounts available for distribution thereafter shall be entirely subject to the disposition of an Allocations Committee, composed of two nominees of U.P.A. and two of J.D.C. and a fifth member selected by the other four.

(c) The Allocations Committee, by a majority vote, may allocate an additional $500,000.00 to the National Coordinating Committee on proof of need, but no additional amount shall be granted thereafter except by unanimous vote of the Committee.

It was also understood that all 1939 contributions received by the three beneficiaries (except contributions applicable to 1938 and prior campaigns) shall belong to United Jewish Appeal. We were informed that United Palestine Appeal, Inc., will account to United Jewish Appeal for collections made by Jewish National Fund other than traditional collections.

At a meeting held on November 15, 1939, the members of the Allocations Committee, consisting of Dr. Solomon Goldman, Henry Ittleson, Louis E. Kirstein (selected as the fifth member), Albert D. Lasker and Dr. Abba Hillel Silver, voted unanimously to instruct the officers of the United Jewish Appeal, Inc., to distribute the net funds collected in excess of $9,500,000.00 in the following manner:

(a) The next $6,000,000.00 is to be divided:

(1) $600,000.00 to the National Refugee Service, Inc. (formerly the National Coordinating Committee, Inc.)

$250,000.00 "to non-sectarian organizations dealing with Christian refugees, with the understanding that Protestant and Catholic refugees shall share and share alike in the distribution of such funds." Since the Allocations Committee was not empowered to authorize allocations other than to the N.C.C., U.P.A. and J.D.C., the $250,000.00 allotment was recommended, subject to the approval of the U.J.A. Negotiating Committee. We were informed that the U.J.A. National Chairmen were among the members of such Committee and that it had approved this allocation.

(2) The balance of $5,150,000.00 ($6,000,000.00 less $850,000.00 provided under (1)) is to be distributed as follows:

$1,500,000.00 to United Palestine Appeal, Inc.
$3,650,000.00 to American Jewish Joint Distribution Committee, Inc., which amount includes:

(A) $500,000.00 in obligations assumed in connection with the refugees disembarked from the S.S. St. Louis; and

(B) $500,000.00 for the Coordinating Foundation for Refugees.

(b) The amount available for distribution in excess of $15,500,000.00 shall be apportioned:

To United Palestine Appeal, Inc	30%
To American Jewish Joint Distribution Committee, Inc.	70%
T o t a l	100%

The accounts of the United Palestine Appeal, Inc. (for 1939) and our examination thereof are discussed in the following comments:

RE CONTRIBUTIONS ---

The funds of United Palestine Appeal, Inc., are received from United Jewish Appeal, Inc., and from Jewish National Fund, Inc.

The United Jewish Appeal allocates its net collections on the basis of the arrangements previously described herein. The books of United Palestine Appeal properly reflected the amount distributed to it to December 31, 1939, by United Jewish Appeal, Inc.

The Jewish National Fund, Inc., conducts its own fund-raising activities and furnishes a monthly statement prepared by its auditor, showing the net income (under the agreement) which is to be remitted to United Palestine Appeal, Inc. We were informed by Mr. Montor that the United Palestine Appeal will account to the United Jewish Appeal for $3,086.84 of 1939 Campaign contributions received by the Jewish National Fund, Inc., from community and welfare funds.

We ascertained that income from the Jewish National Fund, Inc., as recorded in the books of United Palestine Appeal, was in accordance with its net income, subject to agreement, as shown on the monthly statement prepared by that organization's auditor.

In December, 1939, United Palestine Appeal, Inc., received $45,000.00 from Night of Stars, Inc., which is being held in suspense (as to its inclusion in U.J.A. income) pending final disposition of other items of disputed nature which are now under discussion between J.D.C. and U.P.A. For the purpose of this report, however, the item was included in income.

RE EXPENSES ---

An expense budget of $63,492.10 was adopted for the year 1939. In Exhibit B, Schedule I, the budgeted figures are compared with the actual expenses for the year 1939.

The checks issued in payment of all salaries and other expenses are signed by a co-chairman and one of the treasurers. The salaried personnel, as presently constituted, comprises a bookkeeper and several clerks; the other employees, including the executive director, office manager, fieldmen, etc., have been transferred to the United Jewish Appeal, Inc., on whose payroll they now appear.

Payroll lists, expense and petty cash and postage vouchers are approved by Mr. Alex Rothenberg. Payment vouchers are also approved by Mr. Henry Montor, the Executive Director.

We inspected creditors' invoices, vouchers supporting petty cash and postage disbursements and payment vouchers in support of checks issued and noted that they bore proper approvals.

CASH --- $5,670.89

The cash account comprised the following:

On deposit in the National City Bank of New York .	$5,482.89
Petty cash and postage	188.00
T o t a l	$5,670.89

The cash on deposit was confirmed by correspondence with the depositary.

The petty cash and postage funds were counted by us.

ADVANCES TO REGIONAL OFFICES --- $687.15

The balances comprising this total were in agreement with statements furnished by the regional offices. These advances, representing cash on hand at December 31, 1939, will be used for 1940 Campaign purposes and will be reimbursed from the 1940 United Palestine Appeal account.

DUE FROM JEWISH NATIONAL FUND, INC. --- $48,879.25

The Jewish National Fund, Inc., reported that $48,879.25 was due for collections made during December, 1939; this amount was paid in January, 1940.

UNITED JEWISH APPEAL, INC. --- $217.21
GREATER NEW YORK CAMPAIGN OF U.P.A., INC. --- $922.92
NIGHT OF STARS, INC. --- $242.74

These amounts were advanced for current expenses and will be repaid.

MISCELLANEOUS ADVANCES --- $516.83

This consisted of the following:

Dr. Joachim Prinz (balance of loan after reduction by the amounts due for speaking engagements) . . .	$ 88.25
Transcontinental & Western Air, Inc. - deposit . . .	425.00
Tri-State (balance of advance)	3.58
T o t a l	$516.83

ADVANCES FOR UNITED PALESTINE APPEAL, INC. (1940 ACCOUNT) --- $29,978.46

Included herein were the following advances:

Mizrachi Palestine Fund.	$15,000.00
Emergency Committee for Zionist Affairs.	10,000.00
Zionist Organization of America (including $302.66 expenses advanced by U.P.A.)	4,802.66
National Conference for Palestine.	175.80
T o t a l	$29,978.46

The advances to the above organizations represent payments authorized by the Administrative or Executive Committees against 1940 allotments. The amount of $175.80 was advanced for expenses incurred in connection with the Washington conference held in January, 1940. The total amount, $29,978.46, is to be reimbursed from 1940 campaign funds.

ADVANCES TO BENEFICIARIES ON ACCOUNT OF ALLOCATIONS --- $2,888,500.00

The advances on account of allocations are set forth in detail in Exhibit A. The disparity in the allocations to the beneficiaries was equalized early in January, 1940. The allocations to Jewish National Fund, Inc., did not include the collections (covered by the agreement with you) for December, 1939, amounting to $48,879.25.

OTHER ALLOCATIONS --- $171,800.00

The payments of $4,500.00 to the President's Advisory Committee and of $2,500.00 to the Council of Jewish Federation and Welfare Funds were authorized in the minutes; the payment of $1,200.00 to Hashomer Hatzair was made, we understand, under instructions from the Joint Sub-Committee. The other payments were provided for in the agreement constituting the United Palestine Appeal.

DUE TO UNITED PALESTINE APPEAL, INC. (1938) --- $26,327.23

Included in this total is a payment of $25,000.00 made in December, 1939, from the 1938 campaign account to the Palestine Foundation Fund, Inc.; this amount has been included in the allocations paid to the latter organization.

ACCOUNTS PAYABLE --- $1,085.34

This total represents, so far as we could ascertain, the unpaid expense liabilities at December 31, 1939.

We take this opportunity of expressing our appreciation of the cooperation afforded to our representatives by your personnel and shall be pleased to furnish you with any further information with respect to the accounts discussed herein that you may desire or to confer with you thereon.

Respectfully submitted,

Dear Friend:

Contributors to the United Palestine Appeal, like stockholders in a great corporation, are interested in knowing how the funds which they generously contribute are being utilized.

The attached comprehensive report of six months of activity in Palestine has been prepared to show how immigration activity, land purchase, colonization, education, cultural advancement and general economic development are being promoted by the agencies which receive their funds from American Jewry through the United Palestine Appeal.

Today, more than ever before, Palestine is the focus of Jewish hopes, the storehouse of Jewish creative energy, the stronghold for the survival of Jewish values. Its growth in all directions will be directly proportionate to the funds that American Jewry makes available through the United Palestine Appeal.

In reading this report, the following notes should be kept in mind:

The Jewish Agency for Palestine is recognized in the League of Nations Mandate as the supreme Jewish authority in the rebuilding of the Jewish National Home in Palestine.

Funds are raised for the Jewish Agency by the Palestine Foundation Fund (Keren Hayesod), which finances immigration, colonization, education, security, agricultural development and all other activities designed to enlarge Palestine's capacity to absorb immigration.

The Jewish National Fund (Keren Kayemeth), the other co-partner in the United Palestine Appeal, has for thirty-eight years been the agency of the Jewish people for the acquisition of land in Palestine as the inalienable possession of the Jewish people.

The term £ (pound) is used instead of the equivalent in dollars because of fluctuations in exchange.

May I use this opportunity to convey to you the deep appreciation of the officers of the United Palestine Appeal for the cooperation you have extended in order that Palestine might give security and freedom to hundreds of thousands of Jews.

Sincerely yours,

Arthur M. Lamport
National Treasurer

TO: Officers of the United Jewish Appeal

FROM: Messrs. Isidor Coons and Henry Montor

SUBJECT: Monthly Pledge and Payment Report

The United Jewish Appeal for 1940 is now taking such form as to permit us to give some high-spot information on the metropolitan communities and larger cities which, in the aggregate, will be expected to produce up to 80% of the amount to be raised this year. The intensive period for campaigns is now beginning.

The status of the metropolitan communities to date is recorded by us as follows:

New York City. We are advised that the 1940 New York City campaign is organized as to trades and suburbs and other units and divisions. We are further advised that the officers of the New York City campaign are now giving special attention to the contributions from the big givers and that as of this date they do not have official figures to release.

Boston. The 1939 campaign for the U.J.A. in Boston was conducted last Spring but as of this writing, Boston has practically decided to combine its 1940 U.J.A. with that of the Associated Jewish Philanthropies in a joint campaign to be conducted in the Fall. A recent survey of 120 of the larger givers indicates that each contributor will give to the joint campaign not less than the sum total of his separate gifts last year.

Baltimore. The 1939 campaign in Baltimore was completed in November. The community leaders express doubt as to whether Baltimore will be able to participate this year in the U.J.A. because the Associated Jewish Charities of Baltimore will preempt the field in the Fall. We are negotiating at present to ascertain the possibility of the larger givers making contributions this Spring in a quiet campaign for the United Jewish Appeal.

Cincinnati and Philadelphia. will conduct their campaigns in the Fall as usual.

Few campaigns have been completed to date, but each of these has succeeded in raising a larger sum than in 1939 and has increased the allotment to the U.J.A., as you will note in the following table:

CITY	J.P.	TOTAL RAISED 1939	TOTAL RAISED 1940	1939 ALLOTMENT	1940 ALLOTMENT
Montgomery, Ala.	1,100	$ 15,500	$ 20,350	$ 9,000	$ 12,500

WRHS AMERICAN JEWISH ARCHIVES

Generally speaking, we anticipate slight proportionate increases in allotments to the U.J.A. from each of the participating communities this year. In the aggregate, this should amount to a considerable sum of money but it would not be sufficient to offset any marked deficiencies in the New York City and Chicago campaigns should those two cities fall much below their 1939 results. Visits to practically all the metropolitan and larger cities from coast to coast persuade us to believe that communities are reaching the limits of the amounts which they are willing to contribute for a national effort such as this. We have been advised by many community leaders that if we could assure them that this would be the last campaign of this magnitude, they would be able to raise larger sums of money on what they designate as an "emergency basis" but they anticipate that there will be comparable requests for support of the U.J.A. agencies for a number of years to come and they are therefore unwilling to tax their communities beyond the present prevailing standards. This is particularly true of Welfare Funds in which the U.J.A. is but one of the participating agencies. It should be pointed out that practically all communities are undertaking to raise substantially larger sums than in the past but the proportionate increase does not accrue to the U.J.A. Larger sums are being set aside for local refugee programs as well as for local institutions and other agencies included in Welfare Fund campaigns.

In 1940 there has been a much more extensive and intensive personal contact than any year in the past by the National Chairmen, the Executive Vice-Chairmen and other representatives of national headquarters with productive communities throughout the country. This personal contact has been particularly important during the preliminary period of community campaign organization this year because of the erroneous impression that grew up after the declaration of war last Fall that monies raised could not be expended in the distress areas. Visits of this type permitted us to answer many questions in

the minds of our friends and also helped us more impressively and definitely to enlist the complete understanding and cooperation of community leaders. Letters and other forms of communication are not as effective for this type of negotiation and this work has had to be done in advance of final decisions being made by the communities regarding their commitments and participation for 1940.

It is anticipated that in 1940 campaign coverage will be at least as widespread as in 1939 when approximately 3,000 cities, towns, villages and hamlets participated in the U.J.A. Our organizational structure for field coverage has been improved this year for more efficient community handling and for increased production, if possible.

A survey of the results in 1939 campaigns indicated that there are approximately 45 communities which last year made an inadequate response in relation to other comparable communities, and we are making a special effort this year to build these cities up to average standards. Newark, for example, which fell far below the average in 1939, gives great promise of improvement along these lines this year.

The U.J.A. has been fortunate in enlisting a larger number of volunteer speakers this year, recruited from all sections of the country.

In the next report we will be better able to gauge more precisely the trend of the 1940 campaign, and we hope to be able to make a fairly accurate estimate as to the anticipated gross results. The 1940 Pledge and Payment Report as of March 31, attached, gives pledges reported to national headquarters as of that date and, of course, does not take into account funds raised in Welfare Fund campaigns which had not been completed by that time and where the allotment to the U.J.A. is not known, nor the initial response to the New York City campaign. You will notice that most of the figures which are given for other community campaigns represent the amounts raised on account as of that date, and the final results in practically all cases will be considerably higher.

As of March 31, the 1940 U.J.A. had received in cash a total of $127,837.06. As of this date additional cash has been received, bringing the total to $546,366.70.

Distributions have been made as follows:

Joint Distribution Committee	$196,875.00
United Palestine Appeal	93,750.00
National Refugee Service	93,750.00

The expenditures for national administration as of this date are well well within the budget which was established for the year with the approval of the National Chairmen and the members of the Executive Committee.

1939 UNITED JEWISH APPEAL

The attached Pledge and Payment Report for the 1939 U.J.A. as of March 31, 1940 shows total gross pledges of $16,594,611.60 and total cash received at national headquarters of $13,609,102.50. Because of revisions in the New York City campaign pledge figure to $6,227,925.74, the gross total figure for pledges as of this date has been changed to $16,410,369.37. As of this date, cash received on account of the 1939 U.J.A. totals $13,853,930.59.

Distribution has been made as follows:

Joint Distribution Committee	$7,070,666.67
United Palestine Appeal	3,520,333.33
National Coordinating Committee	2,550,000.00
Christians	250,000.00

United Jewish Appeal, Inc.,

New York, N. Y.

Gentlemen:

In accordance with instructions, we have examined the books and records of United Jewish Appeal, Inc. (1940) - national organization - for the four months ended April 30, 1940, and herewith submit our report thereon, consisting of:

EXHIBIT A - Statement of Assets and Advances on Account of Allocations and Liabilities at April 30, 1940

EXHIBIT B - Statement of Income and Expenses for the period reviewed

together with three supporting schedules.

The 1940 Appeal is a continuation of the 1939 organization of United Jewish Appeal, Inc., and represents the unified fund-raising activities for refugees and overseas needs on behalf of:

American Jewish Joint Distribution Committee, Inc. (J.D.C.)
National Refugee Service, Inc. (N.R.S.)
United Palestine Appeal, Inc. (U.P.A.)

United Jewish Appeal, Inc., was designated to manage the 1940 campaign under an agreement dated February 8, 1940, between American Jewish Joint Distribution Committee, Inc., and United Palestine Appeal, Inc. The goal of the campaign is to raise a minimum of $23,000,000.00.

The agreement between J.D.C. and U.P.A. includes the following provisions:

(a) The first $10,250,000.00 allocated to beneficiaries is to be apportioned as follows:

J.D.C	$ 5,250,000.00
N.R.S	2,500,000.00
U.P.A	2,500,000.00
Total	$10,250,000.00

(b) In addition to the foregoing, the New York City and Metropolitan Area Campaign of United Jewish Appeal shall allocate $1,000,000.00 directly to N.R.S.

(c) All amounts thereafter available for allocation (in excess of that provided under (a)) shall be divided between U.P.A. and J.D.C. as directed by a "Distribution Committee" composed of an equal number of nominees of U.P.A. and J.D.C. and representatives (approved by both organizations) of Welfare Fund Communities, except that N.R.S. shall have the right to apply for an additional allocation not to exceed $500,000.00.

(d) An allotment not exceeding $25,000.00 is to be made to the "Distribution Committee," upon its organization, for 1940 budget studies, personnel and overhead expenses. Although the agreement provides that the "Distribution Committee" shall be named not later than March 15th, we understand that the committee has not yet been formed.

(e) All details for implementing and carrying out the agreement are in charge of Rabbi Jonah B. Wise and Rabbi Abba Hillel Silver, National Chairmen, or their respective nominees.

The National City Bank of New York was designated as the depository of the funds of United Jewish Appeal, Inc. Two bank accounts were opened: "United Jewish Appeal, Inc. - National Account" and "United Jewish Appeal, Inc. - Administration Fund Account."

Withdrawals from the "National Account" were authorized on the signature of any two of the following: Abba Hillel Silver, Jonah B. Wise, Arthur M. Lamport and I. Edwin Goldwasser. Withdrawals from the "Administration Fund Account" were authorized on the signature of any one of the following: Arthur M. Lamport, Emil Mayer, William S. Menke, Charles Stachelberg, I. Edwin Goldwasser, Abraham L. Liebovitz, Jacob Sincoff and Harriet B. L. Goldstein.

The "National Account" is the major account in which all contributions are deposited. Disbursements therefrom include distributions to beneficiary organizations and reimbursements, as required, to the "Administration Fund Account" in which a revolving fund of $25,000.00 is presently maintained for the payment of current expenses.

The allocations paid to April 30, 1940, were as follows:

J.D.C.	$262,500.00
N.R.S.	125,000.00
U.P.A.	125,000.00
T o t a l. . .	$512,500.00

The accounts of United Jewish Appeal, Inc. (1940) for the

period from January 1, 1940, to April 30, 1940, are summarized as follows:

1940 campaign cash contributions received at the national office (on account of pledges of $1,758,378.96*)		$681,875.76
Expenses of campaign, including $7,198.40 unpaid (see Exhibit B, Schedule I)		133,019.21
Excess of collections over expenses		$548,856.55
Less:		
Advances to field representatives	$3,775.00	
Advances to speakers	835.00	
Automobiles, net	4,205.12	
Deposit	425.00	
Sundry	40.88	9,281.00
		$539,575.55
Less allocations paid		512,500.00
Balance (after deducting $7,198.40 for unpaid expenses)		$ 27,075.55

*Subject to adjustment; see pertinent remarks on page 5. hereof.

The balance of $27,075.55 consisted of:

Cash on deposit	$33,473.95	
Petty cash and postage funds	800.00	
	$34,273.95	
Less unpaid expenses		7,198.40
Balance		$27,075.55

The scope of our examination of the income of the 1940 campaign was similar to that of the 1939 campaign; for details thereof, reference should be made to our report dated February 3, 1940.

An expense budget of $423,688.68, net ($458,688.68 for current expenses, less $35,000.00 to be charged to the 1939 account for collection expenses) was adopted for the 1940 campaign, and included a provision of $12,000.00 for contingencies. In this connection, it is pertinent to note that, although the net budget has been reduced by $35,000.00, representing the charge for collecting the outstanding 1939 campaign balances, no corresponding provision has been made in the 1940 budget for the collection costs of 1940 campaign balances which will be outstanding at the end of the current year.

CASH --- $34,273.95

The cash accounts are summarized as follows:

On deposit in the National City Bank of New York:		
National Account		$ 8,473.95
Administration Fund Account		25,000.00
Carried forward		$33,473.95

Brought forward.	$33,473.95
Petty cash fund.	500.00
Postage fund	300.00

The foregoing were reconciled with the balances appearing on the bank statements but (for the purpose of this interim report) were not independently verified by correspondence with the depositary.

The petty cash and postage funds were counted by us.

ADVANCES TO FIELD REPRESENTATIVES, ETC. --- $3,775.00

This amount was advanced to twenty-six field representatives for revolving expense funds. Reimbursements are made weekly on the basis of expense statements furnished by the representatives and approved by your Mr. M. Robert Herman.

ADVANCES TO SPEAKERS --- $835.00

This represents the amounts advanced for expenses in connection with speaking engagements.

AUTOMOBILES, NET --- $4,205.12

Included herein is the cost of eight automobiles used by your fieldmen. Depreciation thereon has been included in fieldmen's expenses.

FURNITURE, FIXTURES AND OFFICE EQUIPMENT ---

During the period under review, $1,484.53 was expended for typewriters and other equipment; the entire amount thereof has been included in expenses. The fixtures and equipment in use, in addition to current purchases, include those acquired by the 1939 campaign and other items which were borrowed from J. D. C. and U.P.A.

ACCOUNTS PAYABLE --- $7,198.40

Included herein are the unpaid expenses applicable to the period under review; such items are not recorded in the books until paid.

UNRECORDED AND CONTINGENT ASSETS ---

The United Jewish Appeal, Inc., received, as a gift, a quit-claim deed to two lots located in Bronx County, N. Y. We did not inspect the county records to verify your title thereto and encumbrances, if any, thereon but we examined a quit-claim deed which indicated that on February 9, 1940, the property was recorded in your name. We were informed by your controller that there were no encumbrances on the property and that taxes thereon had been paid to December 31, 1939, by the previous owner. United Jewish Appeal, Inc., paid the second half of the 1939-1940 fiscal year taxes

amounting to $40.88 based on an assessed value of $2,800.00. When the lots are sold, the proceeds thereof, less expenses, will be included as a contribution.

According to the pledge and payment report prepared by your statistical department, the total pledges at April 30, 1940, aggregated $1,758,378.96

The cash received thereon amounted to . . .	$681,875.76	
Applicable community expenses, as reported, amounted to	11.95	681,887.71
Leaving a balance of unpaid pledges at April 30, 1940, of		$1,076,491.25

The pledges, $1,758,378.96, include $160,000.00 from the U.J.A. Greater New York Campaign which represents only the amount of cash remitted to April 30, 1940, to the National Organization.

INSURANCE ---

Our examination of your insurance records indicated coverage for such risks as open stock burglary, public liability (at your office and on the real estate owned by you), workmen's compensation, messenger robbery, safe burglary, portable typewriter floater, fire and employees' fidelity. With respect to automobiles owned by the organization, insurance is carried for bodily injury and property damage, and for fire and theft, etc. Other policies covered similar risks on automobiles owned by fieldmen.

We shall be pleased to furnish you with any further information with respect to the accounts discussed herein that you may desire, or to confer with you thereon.

Respectfully submitted,

Our audit report dated February 3, 1940, with respect to the period from inception to December 31, 1939, contains a synopsis of the agreement constituting the United Jewish Appeal, Inc.
