My dear Dr. Silver:

This will confirm our telephone conversation
of today in regard to Schenectady, N. Y.

You are to address the opening luncheon of the
campaign on Monday, November 13, 1939 at 12:15 p.m. at the Van
Curler Hotel. Your acceptance will greatly stimulate the community
and will give added impetus to the chairman Mr. Joseph E. Grosberg
and all the workers in the drive.

As you know Schenectady did one of the outstanding
jobs in the country in 1938 whereby they raised \$30,000 as compared
to \$6,000 the year before. This year with your coming to the community
they have been given the initiative to raise \$50,000.

I understand that you will be in Buffalo on Sunday,
November 12, 1939. You can take the sleeper which leaved Buffalo at
3:19 p.m. and you will arrive in Schenectady at 8:56 a.m.

From Schenectady, I will drive you to Troy for your
evening engagement in twenty minutes.

All of us are extremely grateful for your accepting
the engagement. The community in this past half hour since the
announcement of your arrival is deeply stirred.

I sincerely look forward to the pleasure of seeing
you again,

With my warmest personal regards, I am,

Respectfully yours,

High Salpeter
National Field Representative

UNITED JEWISH APPEAL FOR REFUGEES AND OVERSEAS NEEDS
DIGEST - SCHENECTADY, NEW YORK
Jewish Population - 3,800

This digest is prepared for your use in connection with the Big Gifts Luncheon on November 13.

Although neither the total goal, nor the question of allotments to beneficiary agencies has yet been definitely decided upon, it is the opinion of our Field Representative Mr. Goldby, that the United Jewish Appeal is not likely to receive more than \$30,000. Mr. Henry Montor feels, however, upon the basis of his conversation in September with Joseph E. Grosberg and other leaders, that our requested allotment of \$50,000 may be possible; Mr. Goldby indicates that any substantial increase over the 1938 allotment (totalling \$25,250) will depend upon the standard of giving set by these leaders. Mr. Goldby reported that the following may be depended upon for substantial giving:

Joseph E. Grosberg
Henry Schaffer
Leo Weiss
Abraham Cohen

On June 12 a formal application, together with budgetary material was sent to Joseph E. Grosberg suggesting \$50,000 as the UJA allotment for 1939. Copies of this material were also sent to Lewis Lurie.

In October Dr. Silver expressed to Mr. Schaffer appreciation of his acceptance of the chairmanship of the Big Gifts committee.

Following are the officers of the campaign:

Joseph E. Grosberg, Chairman
Lewis Lurie, Vice-Chairman
Samuel Graubart, Treasurer
Henry Schaffer, Chairman of BG
Harry H. Ruvin, Secretary

Others of importance in the community are:

Jacob Breslaw
Abraham Cohen
Joseph Cohen
Arnold Dubb
Benjamin L. Dubb
Benjamin Eisenstein
Rabbi David Samuel Gruber
Rabbi Louis Hait
Dr. Abraham Pletman
Nathan Sahr
Harry G. Coplon
Abraham Ferber

As a result of the campaign for 1938 in Schenectady, JDC was allotted \$12,250, UPA \$12,500 and NCC \$500. We have no information concerning the other agencies in this campaign.

Dear Dr. Silver:

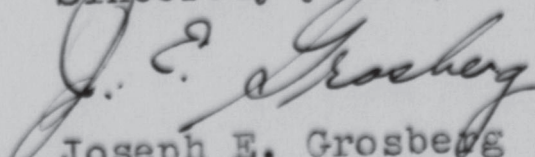

It was with deep regret that I learned from Mr. High Salpeter that you did not plan to be present at the Big Givers breakfast on Monday, November 13, to be held at the Van Curler Hotel in Schenectady.

We are extremely enheartened and encouraged that you have agreed that the Reception Committee may meet you at the train since we number some of our larger Givers among that group. The success of the Schenectady drive depends, as you know, from your many years of campaign leadership and experience, upon what the Big Givers will do. Since the breakfast meeting will just about be over at the time of your arrival, I want to sincerely urge you to step by for just two minutes, as these men are meeting to let us know of their advance givings before our luncheon meeting where you are to be our honored guest.

As you have repeatedly urged me to accept the Chairmanship in 1939, may I ask you to do this one thing to make the Schenectady Campaign a success it deserves to be, in view of all the hard work the community is putting into the drive.

With my kindest personal regards and best wishes to you,
I am

Sincerely yours,

Rabbi Abba H. Silver,
Cleveland, Ohio.

Dear Rabbi Silver:

I am delighted to learn that you will come to Indianapolis to speak Thursday night, May 2nd, to an audience of prospects and workers.

There will be, I am sure, an over-flow gathering.

Our campaign for general solicitation of funds will open the next morning.

I can think of no man who can inspire prospects to generous giving and enthuse workers to do a real job as you can. You will help us immeasurably to get off to a wonderful start.

I hope you can arrange to be here by noon Thursday to talk also to an audience of women at a luncheon. We are going to repeat our plan of last year to ask our women to purchase the lives of children. We told them that ten cents per day would save a child's life, that thirty six dollars and fifty cents would save a child's life for a year. We did not ask them to give us money but to tell us how many lives they wished to buy, and we stressed that no woman could purchase a child's life unless she agreed to save the amount whether it be on her table, her clothes, her entertainment, her beauty parlor or what not as we wished it emphatically understood that the subscription of no woman should in any manner whatsoever affect the subscription of her husband. Last year we raised approximately ten thousand dollars at the luncheon. If you will talk to this group I feel confident we will do as well or better this year.

I know how many demands are made upon you and I reluctantly ask you to do this only because the money is so sorely needed. I hope you will advise me that you will do this so we may plan accordingly and have our invitations ready to go out at the proper moment.

While we did an excellent job here last year in raising more money than in any previous campaign we are increasing our quota this year and we will do our best to raise every dollar possible.

When you come to Indianapolis Mrs. Borinstein and I want you to be a guest in our home. You will, of course, let me know in due time your arrival date so I may meet you.

With kindest personal regards and all good wishes.

Very cordially yours,

Sam Borinstein

Dear Rabbi Silver:

I want to express my appreciation to you for having accepted our invitation to be with us and to deliver the address of the community meeting and rally of workers in our Campaign on Thursday evening, May 2nd.

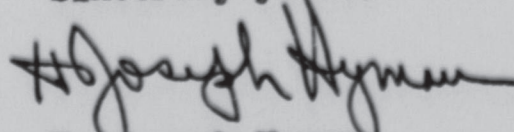

I will appreciate if you will send me the subject of your address (you can just jot it down on this sheet and return it in the enclosed envelope.) I fear to give you a subject. I did this thing once to Rabbi Goldman, and he threatened to make me deliver the address, since he had chosen the subject, and therefore, to avoid embarrassment, I am going to ask you to choose your own subject and let me have it at once.

I also want to express my gratefulness to you for your address on the United Jewish Appeal Broadcast on March 9th, a copy of which is before me. I heard you give it, and I have read your address since.

It will certainly be a great pleasure to see you again on May 2nd.

Very best regards,

Sincerely yours,

It would be tremendously helpful if you could advise me when you are coming. First of all, Lou Borinstein, our Chairman, is anxious to know because he would like to meet you; secondly, it would help our publicity greatly if our newspapermen could have an interview with you before the meeting and if you could send us a copy of your address. Rabbi Abba Fillel Silver

East 105th Street at Ansel Road

Dear Rabbi:

Again it is my pleasant duty to thank you for the great service you rendered our Jewish Welfare Fund Campaign by addressing our community meeting.

While to us the attendance was most discouraging, since we had hoped to have an overflow meeting, I must explain that all along the line this year we have had that experience. Despite everything we could do we have not been able to get people out to meetings. It can only be explained by a heaviness of heart and a feeling of futility, which causes people to want to be spared any more pulling at the heart strings. That situation, of course, is pretty tough on the men who run campaigns.

Your address last night would have meant so much in the raising of large funds could we have gotten these people there. However, we did have in the audience most of our workers, and they were inspired; and I know that their path is made much easier in the inspiration which they had and which they will impart to their prospects.

I was deeply impressed by the dignity and statesmanship of your address. It gave me courage as I am sure it did everyone else present.

Again in behalf of this community, and personally, my sincere thanks to you.

Sincerely yours,

H. Joseph Hyman

The Committee is pleased to announce that Dr. Abba Hillel Silver who addressed us last year will be with us again at our division's luncheon on Thursday, May 23rd. Dr. Silver, as National Chairman of the United Jewish Appeal, is in the midst of a speaking itinerary which sends him by plane from coast to coast. We are indeed fortunate that we will be able to hear this great leader and educator when our Division initiates its campaign on behalf of the United Jewish Appeal.

Dr. Silver has a radio audience numbering hundreds of thousands but rarely is he able to appear on the speakers' dais in New York. His books, articles, on timely social and religious problems have been read by millions. An outstanding figure in the American rabbinate, Dr. Silver is also acknowledged to be one of the most enthralling speakers in America. It will be our privilege to hear him at the Amusement Division's luncheon on Thursday, May 23rd.
