TO : Officers of the United Jewish Appeal
FROM : Messrs. Isidor Coons and Henry Montor, Executive Vice-Chairmen
SUBJECT : Pledge and Payment Report

Since the preparation of the attached Pledge and Payment Report giving the status of the 1941 United Jewish Appeal as of September 30th, with \$11,340,434 recorded in pledges and \$6,224,044 received in cash at national headquarters, there have been further advices on the results of campaigns held earlier in the year and the figures as of October 15th have been raised to \$11,435,778 in gross pledges and \$6,551,142 cash received at national headquarters. These gross totals include the sum of \$4,381,096 representing actual pledges received by the Greater New York City Campaign. In addition, the New York City Campaign has on its books approximately \$300,000 in what they term "pledges to raise", making a gross total at this date for New York City of \$4,680,896. Out of this total allowance is to be made for campaign expenses and shrinkage in collections. To date the Greater New York City Campaign has remitted to national headquarters \$2,725,100 out of the total of \$6,551,142 received at national headquarters.

Disbursements have been made as follows:

J.D.C.	\$2,907,000.00
U.P.A.	1,717,000.00
N.R.S.	1,360,000.00
Allotment Committee.	5,000.00

National campaign expenses to date, including the sums reimbursed to the J.D.C., the U.P.A. and the N.R.S. for expenditures prior to the reconstitution of the U.J.A., amount to 438,155.86, or 3.8% of the total raised to date.

The productive campaigns of the Fall period are just getting under way. Reports from Boston, Philadelphia and Cincinnati indicate that the level of advance gifts is being maintained or exceeded above 1940. Although these

campaigns will be completed within a month or so and most of the other sizable communities will also complete their campaigns before December 1st, final word as to their allotments to the U.J.A. may not come in for several months. Early reports, however, seem to indicate that our estimates will be sustained.

At the request of the Allotment Committee we prepared detailed estimates on the probable results of the 1941 U.J.A. indicating that the total gross to be raised for the year will reach approximately \$13,900,000, representing a figure within \$150,000 of the gross amount raised in 1940. After generous allowances for expenses and shrinkage in collections, we estimated conservatively that there would be a net available for distribution from the proceeds of the 1941 U.J.A. of \$11,600,000, so that after the deduction of \$8,800,000 for distribution in accordance with the terms of the national agreement, there would be available for the consideration of the Allotment Committee a sum of approximately \$2,800,000. We expressed the opinion that, all other factors being equal, there might be a variation in our estimates of not more than \$250,000 either way.

1940 UNITED JEWISH APPEAL

Total cash has been received in the amount of \$12,429,485.46, against gross pledges of \$14,048,564.28. New York City has remitted \$3,901,500 including the \$1,000,000 to the U.R.S., and the country at large has paid \$8,527,985.46. After the allowance for local campaign expenses and estimated shrinkage in collections, there remains a collectible balance of approximately \$375,000, which we are making every effort to bring in as promptly as possible.

Disbursements have been made as follows:

J.D.C.	\$5,650,000.00
U.P.A.	2,700,000.00
N.R.S. from National	2,500,000.00
N.R.S. from New York City.	1,000,000.00
Distribution Committee	25,000.00
National Administration Expenses	430,118.09

1939 UNITED JEWISH APPEAL

Total cash has been received in the sum of \$15,112,536.40, against gross pledges of \$16,208,924.95. New York City has remitted \$5,377,301.80 and the country at large \$9,735,234.60. After allowance for local campaign expenses and uncollectibles there remains a net outstanding balance of approximately \$120,000.

Disbursements have been made as follows:

J.D.C.	\$7,865,666.67
U.P.A.	3,932,833.33
N.C.C.	2,600,000.00
Christians	250,000.00
National Administration Expenses	441,187.86
