FOOTNOTES TO 1941 ESTIMATES

- * All estimates for the country at large, excluding New York City, are based on our experience in the Spring campaigns which pledged approximately the same aggregate amount to the United Jewish Appeal in 1941 as the Spring campaigns of 1940, but to be conservative we are estimating pledges for the entire year at a somewhat lower figure than the 1940 result and to provide for further contingencies, we are allowing a larger amount for shrinkage than in 1940.

The final net estimate of the amount to be available for distribution from income outside of New York City is approximately \$270,000 less than the 1940 figure.

- ** The New York City report as of 9/10/41 shows total gross pledges of \$4,734,762.57, from which we have deducted designated items (representing payments to other agencies including approximately \$75,000 to J.D.C. Matzoh Fund and balance to Hias, Ort and Welfare Funds in other cities) of \$100,436.79. Although the New York City total pledge figure also includes the amount of \$306,293.82 as the unpaid balance on "pledges to raise," we are informed that this amount does not represent actual pledges but that organizations have undertaken to raise this sum, from which there may be allotments deducted for other agencies. We have therefore put this amount in the estimate column and have made allowance in the shrinkage item, which will be explained below.

- *** The Executive Directors of the New York City Campaign have given us a gross estimate of \$5,000,000 for 1941, but we are taking \$4,850,000 in order to allow for the deduction of over \$100,000 for designations and approximately \$50,000 for other contingencies. Our figure includes an estimate of \$65,000 as net income from the Night of Stars.

- # The estimated national administration expense figure includes the following:

Expenses reimbursed to J.D.C., U.P.A. and M.E.S. for period 1/1/41-3/15/41 prior to reconstitution	\$162,560.97
Expenses 3/16/41 - 8/31/41	210,076.11
Expenses estimated 9/1/41 - 12/31/41	127,362.92
Collection expenses in 1942	35,000.00

Allotment Committee

\$ 10,000.00
\$545,000.00

Expenses for 1940 amounted to

429,118.09

Expenses for 1939 amounted to

441,137.86

- ## New York City expenses as of August 31, 1941 amounted to \$558,989.11 including amounts reimbursed to J.D.C., U.P.A. and E.R.S. for expenses incurred 1/1/41-3/15/41 before reconstitution of U.J.A. We estimate additional expenses of \$50,000 monthly during 1941, making total \$750,000 and we are allowing additional \$50,000 for collection expenses after January 1, 1942. New York City local expenses in 1940 amounted to \$636,000.
- ### The New York City shrinkage estimate of \$550,000 is based on the experience of 1939 and 1940. In 1939 New York City actual pledges were reduced by cancellations of approximately \$600,000. In 1940 minimum estimated pledges were excessive in the amount of approximately \$200,000 and in addition it is estimated that approximately \$300,000 of the balance still outstanding on 1940 pledges is uncollectible, or a total shrinkage in 1940 of \$500,000.
- ### Against 1940 pledges the New York City Campaign has already paid in cash \$3,856,500, and it is expected that the total for 1940 will approximate \$4,000,000 net in cash for distribution. This estimate of \$3,500,000 net for 1941 is therefore conservatively below actual cash receipts of 1940.

* Based on our experience in 1939 we purposely made very low estimates for the income from the country at large, excluding New York City, and as a result the net available will be approximately \$100,000 more than estimated.

In 1940 New York City figures of "pledges to raise" were included at face value and it was not until a year later that the national office was advised of substantial deductions. The net available figure for New York City is still an estimate, however, as the New York City office has not yet written off its books the \$300,000 additional estimated shrinkage in collections.

* Drop of approximately \$360,000 below estimated net national available is due to unprecedented situations arising in 3 major cities. Results of Chicago campaign had given every assurance that U.J.A. might anticipate \$1,750,000 but allotment was finally set at \$1,400,000.00, representing a loss in estimated income of \$350,000. Philadelphia is unable to meet its definite allotment by about \$80,000 and Boston is unable to meet its definite allotment by about \$80,000, or a total shrinkage for these 3 cities alone of \$490,000. The original shrinkage figure did not contemplate substantial losses in the major cities and covered the normal shrinkages.

Based on previous experience a rather substantial figure was set up for New York City shrinkages, but in 1939 the New York City Campaign also had an unprecedented experience when substantial pledges that were entered on the books had to be written off. The actual shrinkage exceeded the estimated shrinkage by approximately \$140,000, or a total shrinkage of about \$640,000.

United Jewish Appeal, Inc.,
342 Madison Avenue,
New York, N. Y.

Gentlemen:

In accordance with instructions, we have examined the books and records of United Jewish Appeal, Inc. (1942) - national organization - for the period from January 1, 1942, to April 30, 1942.

Herewith we submit our report consisting of:

EXHIBIT A - Statement of Assets and Advances on Account
of Allocations and Liabilities at April 30,
1942

EXHIBIT B - Statement of Income and Expenses for the
period reviewed

together with three supporting schedules.

Under an agreement dated December 31, 1941, between the American Jewish Joint Distribution Committee, Inc., and United Palestine Appeal, Inc., the 1942 Appeal continued the prior years' organization of United Jewish Appeal, Inc., to conduct, during 1942, a joint fund-raising campaign in the United States, for refugees, overseas needs and Palestine, on behalf of:

American Jewish Joint Distribution, Inc. (J.D.C.)
United Palestine Appeal, Inc. (U.P.A.)
National Refugee Service, Inc. (N.R.S.)

The agreement included the following provisions:

(a) The first \$9,100,000.00 allocated to the beneficiaries is to be divided as follows:

J.D.C.	\$4,525,000.00
U.P.A.	2,575,000.00
N.R.S.	<u>2,000,000.00*</u>
T o t a l .	<u>\$9,100,000.00</u>

*N.R.S. share of the 1942 campaign is limited to \$2,000,000.00, which sum is, however, guaranteed by J.D.C. and U.P.A. from the campaign proceeds. The N.R.S. is to receive this sum in ten equal installments beginning in January, 1942.

An addendum to the agreement provided that the \$2,000,000.00 allocated to N.R.S. shall be deemed to include the participation of N.R.S. in the proceeds of the Greater New York Campaign of the United Jewish Appeal.

(b) All amounts thereafter available shall be divided between J.D.C. and U.P.A. in the sole and exclusive discretion of an Allotment Committee. The Allotment Committee shall be composed of an equal number of nominees of J.D.C. and U.P.A. and shall also include three representatives of Welfare Fund communities who have been approved by J.D.C. and U.P.A.

(c) An amount, agreed upon between the parties, shall be allocated to the Allotment Committee, when organized, for 1942 budget studies, personnel and overhead expenses.

(d) Traditional collections of Jewish National Fund (a constituent of U.P.A.) are not to be included as part of U.J.A. collections, but allotments received by J.N.F. from Welfare Funds are to be regarded as U.J.A. income.

(e) All funds and assets, with certain specified exceptions, pledged to and/or collected directly by the beneficiaries, which would, in the ordinary course, be credited to the 1942 United States campaign of the recipient, including such items resulting from 1942 United States campaign activities, shall be considered part of the receipts of the joint campaign and subject in their entirety to the provisions of this agreement.

(f) The agreement shall be deemed to have commenced on January 1, 1942, and to expire on December 31, 1942.

(g) All details for implementing and carrying out the agreement are in charge of the National Chairmen of United Jewish Appeal, Inc., or their respective nominees.

Checks issued by the United Jewish Appeal, Inc. (for 1942) are to be signed by at least two persons, one designated by J.D.C. and the other by U.P.A.

Advances were received from 1941 campaign funds in order to meet the cash requirements during the early months of the 1942 campaign, for the payment of current expenses, and for payments of the installments on the \$2,000,000.00 guaranteed allotment to N.R.S; to April 30, 1942, a total of \$933,008.69 was advanced of which \$200,000.00 has not yet been reimbursed.

The accounts of United Jewish Appeal, Inc. (1942) for the period from January 1, 1942, to April 30, 1942, are summarized as follows:

Cash contributions remitted to national headquarters (on account of pledges of \$2,993,030.13).	\$868,752.38

The scope of our examination of the income of the 1942 campaign was similar to that of the prior year campaigns; for details thereof, reference should be made to our report dated February 3, 1940.

An expense budget of \$447,257.88, net (\$462,257.88 for current expenses, less \$35,000.00 to be charged to 1941 campaign for collection expenses) for the year 1942 was adopted for the campaign. The amount budgeted does not include (a) the collection costs of 1942 campaign balances outstanding at the close of the current campaign year and (b) the expenses of the Allotment Committee.

For the purpose of this interim report, none of the assets or liabilities was independently verified by us.

The following comments are pertinent to the statements submitted:
