Dear Dr. Silver,

On account of the difficult political situation, we have decided that we shall get a better conference if we have it in London than in Paris, and so at an officers' meeting we decided to hold the Conference, which will take place from July 6th to 10th, in London. May I appeal to you once more to accede to our request to give the paper at the opening meeting, on the evening on July 7th, on "Judaism and the Destiny of the Human Race." We have held up our arrangements in order to wait for your decision, and therefore I would earnestly ask you to let me know at your very earliest convenience. I do very greatly hope that your answer may be in the affirmative. It is quite essential that we should know definitely who our speakers are to be before the end of this month.

Yours sincerely,

Lily H Montagu
