Rabbi A. H. Silver,

Dear Rabbi Silver:

You are no doubt familiar with the aims and activities of Young Judaea. The Dr. Herzl Zion Club, of which you were a member, has been one of the few who were responsible for its organization, and who helped to bring it to its present stage.

In spite of our many efforts to extend our influence to Cleveland we have today not a single club in your community. The opportunity now presents itself to us to do what should have been done several years ago and I take the privilege of soliciting your cooperation. Mr. Samuel Whol of your city called at this office some day this week, and assured me that on his return, he will attempt to create a local committee which shall endeavor to organize and supervise Young Judaea activities locally. I sincerely hope that you will give him the greatest possible cooperation.

In the hope of the New Zion, I am,

Very truly yours,

S. J. Borowsky
Acting Registrar.

Rabbi A.H. Silver,

My dear Rabbi Silver:

Mr. Samuel Wohl of 2253 East 55th Street is trying hard to organize Young Judaea work in Cleveland. I am writing to you to request you to give every possible cooperation. I am sure that you realize the importance of Young Judaea work, particularly at this time.

The significance of Young Judaea increases in direct proportion as the distance between ourselves and our goal diminishes. Since you owe so much of your Jewish inspiration to the Junior Zionist movement, you are qualified to understand the problems of Young Judaea and to give effective assistance.

Thanking you in advance for all that you may be able to do in this respect, I beg to remain in the Hope of the New Zion,

Cordially yours,

Emanuel Neumann
