NEW YORK

Dear Rabbi Silver:

I am writing you on behalf of Young Judaea to request to serve on our Board of Trustees for the coming year.

Young Judaea, as you are doubtless aware, is that organization which endeavors to bring to the aid of the Zionist cause the Jewish youth of America and to bring to the Jewish youth of America the abiding ideals of Judaism Jewish life, religion, and culture.

In the pursuit of this aim, it has organized more than one thousand clubs of young people, has published educational books and pamphlets and is maintaining a staff of trained workers to see that the educational programs of the clubs are effectively carried out.

In the past this work was largely financed by the Zionist Organization. The Zionist Organization, at present is rightly turning its attention chiefly to palestinian work, and Young Judaea must therefore rely upon its own resources.

I know from personal experience as the rabbi of a large congregation as well as by contact with Young Judaea workers that the work they are doing is not only vast educational importance, but that the workers of Young Judaea have manifested a devotion and spiritual enthusiasm seldom equalled. These young people, therefore, have every claim to our moral and material support.

The undersigned, who has been honored with the presidency of Young Judaea, hopes that you will accept the appointment on our Board of Trustees. Your interest in the spiritual welfare of our Jewish youth as well as in the Zionist cause should prompt you to add your name to the list of those who will stand back of Young Judaea.

Kindly let me hear of your acceptance as soon as possible. I make this plea not only on my own behalf, but in the name of Judge Mack who is the Honorary President of Young Judaea.

Yours, for the Rebuilding of Zion.

Cordially,

Jacob Kohn
President.

Rabbi A. Silver
C/O The Temple
Central Ave. & 55th St.
Cleveland, Ohio

My dear Rabbi Silver:

I am sure you will be interested in the progress being made in the Young Judaea Campaign in New York City.

A gala affair has been arranged at Madison Square Garden for February 20th where Cantor Josef Rosenblatt and Rabbi Stephen S. Wise will be the principal numbers on the program. Young Judaeans in New York are now active in selling tickets for this affair which is expected to net a handsome sum towards the quota which New York has set for itself in this campaign.

Please let us know of your activity for the Young Judaea Campaign. Have you organized the committee which is to interview prospective "Contributing Friends"? Are preparations for your big affair under way?

Young Judaea's present financial situation and outlook require most energetic action. I hope to hear that your plans are progressing satisfactorily.

Will you please inform us in what special manner we can assist your enterprises on behalf of Young Judaea?

Yours, for the success of the Campaign,

Samuel S. Grossman

Acting Secretary.

The Work of Young Judaea *Must go on!*

PLEASE READ CAREFULLY THIS MESSAGE
ADDRESSED TO YOU BY TWENTY THOUSAND
JEWISH BOYS AND GIRLS IN AMERICA

The Voice of Twenty Thousand Jewish Children

A whole generation of the Jewish Youth in America is facing a spiritual crisis.

Young Judaea, which has brought up thousands of loyal young Jews, is in danger of having its accumulated forces scattered to the four winds.

Hitherto the Zionist Organization of America supported Young Judaea, but now the parent Organization must apply its financial resources directly to the problems of Reconstruction in Palestine.

Young Judaea must henceforward find its own means for carrying on its work.

YOUNG JUDAEA'S WORK MUST GO ON!

In this crisis Young Judaea is determined to rely on its own efforts, and calls on understanding American Jewry to rally to its aid.

Commencing January 23rd Young Judaea will carry on a campaign for funds. Forty Thousand Dollars is needed to maintain the Thousand Clubs of Jewish boys and girls for the coming year.

There is no money to be lavished on an expensive campaign. Every penny of the money raised will go into actual Young Judaea work.

The campaign for the first two weeks will be concentrated in its appeal. Young Judaea asks for Two Hundred and Fifty "Contributing Friends" each to subscribe One Hundred Dollars. This will form the solid nucleus of the Forty Thousand Dollar Budget.

In addition a special fund of Five Thousand Dollars will be raised to be used as the "Friedlander Memorial Fund for Publications of Young Judaea."

The remaining Ten Thousand must be raised by the children's clubs through Entertainments and Mass Meetings after the first part of the campaign is over.

Twenty thousand children already enjoying a Zionist education in the Clubs ask for a chance to grow up as good Jews and Zionists.

What will be *your* contribution to meet Young Judaea's needs?

The Work of Young Judaea must go on!

What Young Judaea has meant in the Life of the Jew in America

Young Judaea's Biography.

Young Judaea began ten years ago in a small way, with a big idea. Boys and girls wanted to receive Jewish education and nationalist inspiration. The happy social atmosphere which children crave was provided in the form of the organization—a club. A capable leader soon made the club an influence for Judaism and Jewish nationalism. The idea spread, and took root in many places.

The first President of National Young Judaea was Professor Israel Friedlander.

Within a few years there were hundreds of Young Judaea clubs. Now there are over one thousand. About twenty thousand Jewish boys and girls from eight to eighteen years of age are vigorously participating in the benefits of Young Judaea activity and preparing themselves for Patriotic services to Palestine and the Jewish people.

The Work of Young Judaea must go on!

Young Judaea's Influence

YOUNG JUDAEA'S PIONEER WORK—

was the first answer to the problem of the Jewish youth in America, on a national scale. Its method has proved the right one; making Jewish history, Jewish religious life, Jewish tradition, idealism and nationalism appealing to the American born child.

TRAINING AND SUPERVISION: Young Judaea maintains a training school for leaders and has a capable corps of supervisors throughout the land. They are all American, and skilled in handling the Jewish child so as to inspire love for his people and his people's life. An efficient correspondence and travelling Field Workers keep constant touch with all new developments, and standardize all Young Judaea to a high plane of co-operation.

"YOUNG JUDAEA'S PERSONALITY"—

has worked as an anti-toxin against missionaries and other destroying influences.

Young Judaea Jewishness has been *cheerful, colorful*, bubbling with song, more attractive than vicious surroundings—and it has succeeded.

CELEBRATIONS, ACTIVITIES: At every Jewish Festival Young Judaea holds large gatherings. The twenty thousand members invite many more of their friends; last year there were a total of over half-a-million admissions to Young Judaea celebrations. The entertainment in a Zionist environment brings new Jewish influences to untold numbers outside the clubs.

YOUNG JUDAEA'S TEACHING—

is conducted by educational experts, who have prepared palatable, systematic courses in Bible, History, Hebrew, Zionism and cognate subjects.

PUBLICATIONS: "Young Judaeon" monthly magazine for the young; leaflets in Hebrew, monthly for children; Leader's Bulletin; Books of poems, Music, Maps, Pictures, Directions for Celebrating, Plays; Textbooks, Syllabi. Courses of Study. Outlines, etc.

During the last ten years more than 3,500,000 pieces of study literature, in text books, pamphlets, syllabi and other forms have been prepared, distributed, and used by Young Judaea.

YOUNG JUDAEA'S ZIONISM—

has created a Jewish solidarity among our boys and girls.

DEMONSTRATIONS: Young Judaeans have responded as a unit to calls for relief in Europe and for Reconstruction in Palestine; have participated in National Fund Flag Days; have taken up the study of Hebrew, and formed Hebrew Speaking Groups; have organized Junior Congregations; have exhibited Jewish pride on appropriate occasions in public speaking contests, essays, pageants, etc.

The Work of Young Judaea must go on!

Dear Rabbi Silver:

Some little time ago I sent you a routine letter of the kind written to Young Judaea workers all over the country in order to keep you posted on the doings of the National Campaign.

I am now writing to you personally to ask you to render a service which only you can give.

New York City Young Judaea has arranged for a big affair at Madison Square Garden on Sunday evening, February 20th. This will be known as the "Young Judaea Music Festival". Cantor Josef Rosenblatt has been engaged as the principal musical feature.

We expect ten thousand people there. It will be an opportunity to net a handsome sum to the Young Judaea campaign, and what is equally important a chance for the highest form of Young Judaea propaganda.

We want you as the one speaker of the evening to interpret Young Judaea to the great crowd that will be there and if you see fit, to make an appeal for funds.

As you know, Young Judaea has a tremendous fund of accumulated good will and sentiment, and we think that on this occasion we will be in a position to "cash in".

It is the unanimous agreement of the Executive Committee and of the workers of the campaign that your coming will add to the occasion in many ways. You will be a big drawing card for the affair and you will make the very finest representation on

behalf of Young Judaea that we could wish for in this big place and on this occasion.

As a member of the old "Herzl Club" which was the forerunner of Young Judaea, I am sure you are interested in helping Young Judaea in its present plight.

I hope that you will be able to accept and that you will inform me as soon as possible. I should appreciate it if you would wire acceptance so that we can put your name in print immediately.

With kindest personal regards and very best wishes, I am

My dear Mr. Grossman,

I am in receipt of your letter of the 15th, inviting me to address a Mass Meeting of the Young Judea Workers on Sunday evening February 20th. I would of course be most happy to do so were it not for the fact that I find it impossible to leave Cleveland on a Sunday. Most of my Temple activities take place on Sunday, and I feel that I owe it to my Congregation to remain in Cleveland.

Regretting again my inability to avail myself of the opportunity to address the Young Judea meeting, I beg to remain,

Yours very truly,

In Re: YOUNG JUDAEA CAMPAIGN NOW BEGINNING.

You Know Our
Situation

The Zionist Organization of America at its last convention voted to make Young Judaea autonomous. If the Zionist youth of the country is to continue its activity, it must now establish itself without further subsidy from the national Zionist Organization.

A Matter of
Life or _____
for Young Judaea

THE WORK OF YOUNG JUDAEA MUST GO ON. The breaking up of the National Young Judaea Organization at this critical time in Zionist and general Jewish affairs would be an irreparable loss to Jewry and to Palestine.

Young Judaea is determined to carry on its work without a break in the continuity of its effort. To this end an Extraordinary Convention was called in Philadelphia on December 18th and 19th. Plans for the maintenance of Young Judaea as an independent body, affiliated with the Zionist Organization of America were formulated. A campaign for funds was decided upon.

Time of the
Campaign

Young Judaea's campaign will begin January 16th and will continue intensively for two weeks, to be followed by a broader form of campaign for an additional two weeks.

How Much Is
Wanted and
Why

Young Judaea needs \$40,000 for this year's activity.

It costs an average of \$40 to maintain each club each year. (This includes all our publication work, national office, field work, supervision, and local administration).

There are about 1000 Young Judaea clubs in America.

Every club must be given a chance to live and develop. Only the full success of our \$40,000 Campaign will insure this.

A -
"Concentrate-
the-Contribu-
tions-Campaign"

Young Judaea has not the means to conduct an expensive and elaborate campaign. Every penny raised will go towards the carrying out of actual Young Judaea work.

A distinctive plan of campaigning has been hit upon. Instead of a promiscuous appeal a selected list of men and women in each community will be approached and asked to contribute \$100 each towards Young Judaea's budget for this year. You and the National Headquarters together will work out the list for your territory. You will then organize the proper committee to approach this limited number of people. They will be a uniformly sympathetic group of patriotic Jews capable of giving this amount.

250
"Contributing-
Friends"-at
\$100 each --
\$25,000.

The total number of men and women who are expected to become "Contributing Friends" of Young Judaea at \$100 each will be limited to 250, and this number will be distributed through the cities and towns of the country, in accordance with the lists of previous campaigns which are now being carefully studied.

This method of procedure will emphasize the fact that we are approaching only those individuals or organizations in the community from whom we have a right to expect immediate relief in our critical situation. They will be so picked as to make refusal on their part almost impossible.

One Banner
Affair every-
where --
\$15,000.

About the 1st of February, the second part of the campaign will begin to take shape. However, plans for this as for the first part of the campaign must be started immediately. During the first two weeks in February each local community will run the banner affair of the year in the form of a monster entertainment, concert, or theatrical performance. It will be advisable, where the local situation warrants it, to employ professional talent.

Every Young Judaeon should be expected to sell tickets for this affair. This will be the only form of activity in connection with the campaign that will be demanded of the boys and girls.

Your Quota
Your Share
Your Job

Quotas for the District under your supervision will be assigned within the next few days.

You will send all moneys whether raised from "Contributing Friends" or from the one big affair of the year to the National Treasurer at Headquarters. The percentages to be retained for local needs and for the needs of the National Office are being worked out, and we will notify you as to the same at the same time as quotas are assigned. The immediate work on hand is:

a) The selection of the proper committee in your community to interview the prospective "Contributing Friends" and the drawing up of a list of the prospects for approval by the National Campaign Committee.

b) Immediate preparations for a large affair to be held in the early part of February in which all your members will participate by selling tickets, souvenir programs, etc.

Publicity
Preparedness
Push

One of the principal values of the campaign will be the education of American Jewry in the activities of Young Judaea. Begin at once to give extensive publicity to all phases of Young Judaea work, in anticipation of the campaign which is to begin within the next two weeks.

We cannot allow any talk of "depression" to stay our efforts. It is not a question of choice with us. Young Judaea must live through this crisis. If the local branches as well as the National Organization do not immediately raise funds it may be too late to attempt to put Young Judaea on a sounder footing at another time.

Dear Sir:

Young Judaea has for the past ten years published monthly the only Zionist Magazine for Jewish children and young people in America.

The Young Judaeas Magazine has, thru its columns, developed a Zionist-Jewish juvenile literature. It has brought the spirit of a vitalized Judaism to thousands of our young people.

We are desirous of printing a circular containing endorsements and statements of opinion about the Young Judaeas Magazine by the leaders of American Jewry. We are enclosing a sample copy and would be very happy to have you write us a few words expressing your opinion of our magazine. I trust that you will be good enough to reply, so that we may, thru your help, strengthen the cause of Zionism among our boys and girls by spreading the Young Judaeas Magazine.

Dear Rabbi Silver:

May I thank you for your very kind statement about the Young Judaeans. You say, "I would most heartily recommend the Young Judaeans Magazine to my young friends". I am going to ask you to actually do that for us.

Our coming issue the June number is a very fine, thirty-two page Lag B'Omer-Shevuoth issue. We would like to make a drive among the members of your temple for subscriptions to the magazine for their children. My plan is this. If you will have your secretary send us a list of your members having children between the ages of eleven and eighteen in the family, we would send each one a copy of the June issue together with a letter asking for subscriptions. Now if you would announce the Young Judaeans and say a few words from the pulpit about it, I feel that this would bring an increased circulation.

To make the plan really effective, you should have a committee of Young Judaeans visit the members to whom we will write and personally ask for their subscriptions.

I realize that asking these things of you will mean a great deal of work for you but I feel that one of Young Judaea's trustees will certainly welcome the opportunity to be of considerable service to our movement. We should like to have the list immediately so that letters may be sent out to reach the people about June 1st.

Sincerely yours,
THE YOUNG JUDAEAN MAGAZINE.

Rabbi A. H. Silver,
East 55th Street
% Temple,
Cleveland, Ohio.

My dear Rabbi Silver:

You are cordially invited to attend the Annual Convention of National Young Judaea which will be held at Lake Hopatcong from Friday, June 24th to Tuesday, June 28th. Reservations already made indicate that this is to be one of the biggest conventions in the history of Young Judaea. The Convention will be attended by leaders and senior Young Judaeans from all over the country and as you know this means that we shall have there some of the finest element in our American Jewish youth.

I am very anxious that you should be present as an honorary delegate to this Convention. We want to feel that the responsible leaders of The American Jewish community are with us in our educational work.

This Convention, owing to the changed conditions will be of vital import to our movement, and knowing as we do that you have the interest of our one thousand clubs of boys and girls at heart, we ask you to show that interest by appearing in person at our Convention. If for any reason you find yourself unable to accept this invitation, please send us a message to be read from the platform.

The principal day of the Convention is Sunday, and if you will advise us when you will arrive and how long you will stay, we will be glad to make the necessary arrangements to receive you.

Sincerely yours,

→ Jacob Kohn
President

I was most eager to accept your kind invitation to attend the Convention of young Judaea. Unfortunately I am detained in Cleveland. Please convey to the representatives of young Judaea my best wishes for our past achievements and for our future service in behalf of our common cause - in the years to come.
