Dear Rabbi:

The Zeire-Zion organization of Cleveland joins with me in expressing sincere gratitude at your consent to address the Trumpeldor-Brenner meeting on April 22nd, at the Jewish Center auditorium. We feel that your participation will rouse the Cleveland Jewish youth from their apathy and instill in them the Zionist spirit of our present day renaissance.

We hope that most of Cleveland's Jewish young men and women will come to this meeting.

Thanking you again and assuring you of our appreciation, with Zeire-Zion greetings,

Sincerely yours,

I. BARKAN

Dear Rabbi Silver:

We are writing these few words with the impression of the Trumpeldor-Brenner meeting still in mind. We feel that this meeting was a great event in the Zionist life of our City, and that our group has been inspired to greater activities, especially in bringing the Jewish youth in closer contact with Zionist ideals.

May we say that your address of Chalutzism, which embodied the ideals of the Zeire Zion, was not merely appreciated by our own chaverim, but also stimulated enthusiasm for future work.

We are sure you will be interested in knowing that at this meeting we received about two hundred names of young boys and girls who are not affiliated with any Zionist group. It is our aim to acquaint these young people with Zionism through the medium of youth clubs.

We hope that with the assistance of friends and sympathizers as manifested in the past, to build up a strong Zionist youth movement in Cleveland.

Sincerely yours,

HITACHDUTH ZEIRE ZION
