Zionist Organization of America, Deficit Fund, 1930-1932.

July 23d, 1930

Mr. Nathan Loesser,
National City Bldg.,
Cleveland, Ohio.

My dear Hates:-

Would you like to make a contribution to the \$10,000 fund which we undertook to raise in Cleveland to wipe out the long-standing deficit of the Zionist Organisation of America.

The Organisation has been laboring under the handicap of this debt for some years and it has seriously hampered its activities.

At the last convention in Cleveland, I made an appeal to the delegates to lift this burden and over \$100,000 was pledged, of which Cleveland, being the convention city and the one in which the final peace was consummated between the warring factions in the Movement undertook to raise \$10,000. I personally pledged \$1500.

I will greatly appreciate any help which you may render the cause at this time.

With kindest regards and best wishes, I am

Very sincerely yours,

AHS/IR

August 1st, 1930

Dr. M. Garber,
10518 St. Clair Ave.,
Cleveland, Ohio.

My dear Dr. Garber:-

You will probably recall that at the last Zionist Convention we pledged the sum of \$10,000 as Cleveland's share in wiping out the deficit of the Zionist Organization of America.

This pledge must now be made good and the money should be raised before September or October when we shall be confronted with the Allied Jewish Campaign, the Community Chest, etc.

I had a meeting yesterday with a group of men at which time the names of prospective donors to this fund were distributed.

I wonder, my dear Dr. Garber, whether you would undertake to raise a certain part of our quota among your physician friends. I am sure there must be quite a number among them who are gratified at the results of the new union which has been consummated and who would wish to facilitate the work of the new leadership by lifting the burden of debt. Would it be possible for your physicians' group to raise, say, the sum of \$1000?

While the pledges should be made now, payment of them can be made over a period of six months.

With kindest regards, permit me to remain

Very sincerely yours,

AHS/IR

Dear Friend:-

A new era in American Zionism began with the union of all the forces in the movement which was accomplished at the Convention held in Cleveland last month.

Justice Brandeis of the United States Supreme Court and Judge Mack have officially returned to the leadership of the movement. The hope is universally held that the movement will now enter upon a great period of growth and development.

One of the serious problems which confronted the new administration was a deficit which had accumulated over a period of years and which had to be liquidated in order to enable it to function smoothly and without financial embarrassment.

At the Cleveland Convention I appealed to the delegates present to wipe out this deficit and a sum well over \$100,000 was pledged by the spokesmen of the various communities in this country. Cleveland, as the convention city, pledged the sum of \$10,000.

I am writing to a small group of men in our community urging upon them to contribute to this deficit fund, thereby insuring the uninterrupted progress of the movement in this country. The burden of the debt once lifted, our leaders will be able to devote themselves to the many pressing problems which face us-~~in~~ are involved in the Palestinian situation today.

It is, of course, impossible to launch any extensive campaign for this purpose. The appeal must necessarily be limited to a very small number. I will appreciate any helpful contribution which you may make to this cause.

With kindest regards, I am

Rabbi Abba Hillel Silver,

Dear Rabbi Silver,

In a letter to Judge Mack, Mr. Justice
Brandeis writes:

"It seems to me important and possible
to get rabbis in many of the cities to
open the fall season with an instructed
talk on Palestine - obviously Rabbi A.H.
Silver, Rabbi Louis I. Newman, Rabbi James
G. Heller, e.g., with appropriate arrange-
ments for publicity. If this is done before
the Simpson report is made public, it
might be a gain. We could forecast a favor-
able instead of an unfavorable report."

I am sending this excerpt to you in the
hope that you will find it possible to act favorably upon
Mr. Brandeis' suggestion, knowing the importance of such
action on your part.

Sincerely yours,

Robert Szold

Rabbi A. H. Silver,
The Temple,

Cleveland, Ohio.

My dear Rabbi Silver:-

I have given your letter serious consideration and I came to the conclusion that a campaign among physicians to cover the Zionist deficit is hardly advisable.

To begin with the deficit of the Zionist organization is a matter of concern only to organized Zionists. So-called sympathizers with Palestine, lukewarm Jews, are not much concerned with our inner difficulties and are not likely to respond to our appeal to help us lighten our burden.

Just about a year ago, I have raised some money among the Zionist doctors of Mt. Sinai for same purpose, and I fear that unless they suffer a lapse of memory they will remind me of those contributions they have made. Personally, I have contributed twice before to cover this same deficit within the last two years. I am ready to contribute again \$50.00 for same purpose.

In addition to the general depression the difficulty in this matter is also

M. GARBER, M. D.

the fact that three of my best lieutenants, Dr. Maschke, Dr. Bland, and Dr. Gans-are not available now, and Dr. Jacobs just returned today from his vacation.

If you think a lunch-
-
- with you as speaker would bring good results I'll be glad to do my share in rounding up about a dozen physicians: otherwise I'll make an attempt to get from them a few dollars in some other way provided you did not already list some of them with that group of which you speak in your letter.

I would also suggest that you address a letter similar to the one you sent me to the following, suggesting to them to get in touch with me if they chose to do anything more than give a personal contribution.

Dr. Galvin
Dr. Yamehon
Dr. Jacobs

Dr. S. Rosen

This is his third contribution within the last two years.

Dr. Garber suggests that letters should be sent to the following doctors: Doctors Epstein, Applebaum, Weitz, Wittelson, Galvin, Yanshon, Jacobs, S. Rosen, Lupeson, Pfeffer, Grossberg, Alex Miller, B. Persky and Rogoff.

My dear Dr. Garber:-

Permit me to thank you for your kind letter of August 8th. I fully realize the difficulties which are involved in the present situation. We shall have to do some uphill work in order to procure the ten thousand dollars which we pledged to the Deficit Fund of the Z.O.A. I don't think that a luncheon with a group of physicians at the present time would be desirable. I think it would perhaps be better for you, if you have the time, to interest them personally and get as much as you can from them. I will follow your suggestion and send a letter to the men whom you mention in your letter. I will ask them to get in touch with you but it might be advisable for you to get in touch with them within a few days when they will have received my letter.

I need not tell you that I deeply appreciate your generous contribution of an additional fifty dollars to the Deficit Fund.

Dear Rabbi:

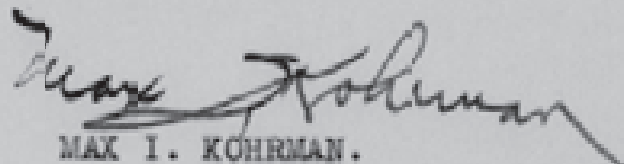

As per telephone conversation, you will find enclosed herewith list of 150 odd names whom I addressed with your letter regarding the Z.O.A. Deficit Fund. You will note that that list contains the pledges made to date, as well as a few of the names and solicitors by whom they have been taken.

At today's meeting, at which were present Mr. Max Simon, George Klein, Ezra Shapiro and myself, it was the consensus of opinion of those present that we wait until the end of this week before making personal solicitation. It was felt that there may be some remittances forthcoming as the result of the letter, and by the end of this week it was suggested that another meeting be called, at which time we shall again endeavor to distribute the balance of the names of prospective contributors to the Deficit Fund.

You will also find enclosed herewith check in the sum of \$250.00, same being contribution of Max & D.I. Simon. Mr. Max Simon also advises me that he has seen Mr. Reinthal, from whom he is certain he will receive a contribution. He has also advised me that a check of \$50.00 will soon be forthcoming from Mr. Harry Simon as his contribution to the Deficit Fund.

I trust that this will give you the information desired, and that you will not hesitate calling upon the writer for any further help in our attempt to bring our pledge to the Deficit Fund to a successful conclusion.

Sincerely yours,

I am asking a group of my friends to contribute to a ten thousand dollar fund which we undertook to raise in Cleveland to help in wiping out the long-standing deficit of the Zionist Organization of America.

The historic convention of the Zionist Organization which brought Chief Justice Brandeis back into the leadership of the Zionist movement was held in Cleveland. A new era of unity and good will was inaugurated.

The Zionist Organization has been laboring under the handicap of this debt for some years and it has seriously hampered its activities.

At the last convention in Cleveland, I made an appeal to the delegates to lift this burden and over \$100,000 was pledged, of which Cleveland, being the convention city and the one in which the final peace was consummated between the warring factions in the Movement undertook to raise \$10,000. My dear Rabbi:

I wish to acknowledge your letter of the 25th ultimo relative to the Zionist movement.

I want to do something to help this along, but I believe I am like a great many other individuals in our community that right now are in such a condition that it is impossible to do what our heart dictates.

Of course, in a very little while, I will send you my mite, which I trust you will accept in the spirit in which it is intended.

S. Wintner in the sum of \$25.00, one of Morris Miller in the sum of \$10.00, and one of J. H. Miller in the sum of \$10.00.

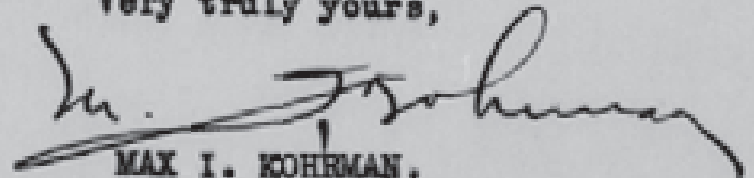

These represent, of course, personal solicitations of Mr. Max Simon, and one of Samuel Feierman obtained by the writer, and one of Alex Wintner obtained by Nathan D. Engleman. I am also advised by Mr. Max Simon that the contributions of Meyer Miller and J.H. Miller were forwarded to him in response to a letter, and that he expects to follow the same up in an effort to obtain a larger contribution.

You have, in your last two letters, inquired with reference to the organization of the solicitation committee of the district. I have on several occasions endeavored to gather a group together for that purpose but up to the present writing, have not succeeded.

I shall, however, within the next ten days arrange a meeting of a group sufficiently large enough to cover those prospects that we may expect to contribute to this fund.

My dear Mr. Kollin:-

I am asking a group of my friends to contribute to a ten thousand dollar fund which we undertook to raise in Cleveland to help in wiping out the long-standing deficit of the Zionist Organization of America.

The historic convention of the Zionist Organization which brought Chief Justice Brandeis back into the leadership of the Zionist movement was held in Cleveland. A new era of unity and good will was inaugurated.

The Zionist Organization has been laboring under the handicap of this debt for some years and it has seriously hampered its activities.

At the last convention in Cleveland, I made an appeal to the delegates to lift this burden and over \$100,000 was pledged, of which Cleveland, being the convention city and the one in which the final peace was consummated between the warring factions in the Movement undertook to raise \$10,000. I personally pledged \$1500.

I will greatly appreciate any help which you may render the cause at this time.

With kindest regards and best wishes, I am

Very sincerely yours,

Oct. 3d, 1930

Dear Friends:-

A new era in American Zionism began with the union of all the forces in the movement which was accomplished recently at the Convention held in Cleveland.

Justice Brandeis of the United States Supreme Court and Judge Mack have officially returned to the leadership of the movement. The hope is universally held that the movement will now enter upon a great period of growth and development.

One of the serious problems which confronted the new administration was a deficit which had accumulated over a period of years and which had to be liquidated in order to enable it to function smoothly and without financial embarrassment.

At the Cleveland Convention I appealed to the delegates present to wipe out this deficit and a sum well over \$100,000 was pledged by the spokesmen of the various communities in this country. Cleveland, as the convention city, pledged the sum of \$10,000.

I am writing to the registered members of the Zionist District of Cleveland to urge upon them to contribute to this Deficit Fund, thereby insuring the uninterrupted progress of the movement in this country.

It is very difficult to appeal for such a fund to non-Zionists. It clearly devolves upon those who are members of the organization and who realize the absolute importance of enabling the American Zionist Organization to carry on a firm and aggressive Zionist educational program in this country to wipe out this deficit. The burden of debt once lifted, our leaders will be able to devote themselves to the many pressing problems which are involved in the Palestinian situation today.

It is, of course, impossible to launch any extensive campaign for this purpose at this time. The appeal must necessarily be limited to a small number of interested men and women. I would deeply appreciate any helpful contribution which you may make to this cause. Please send these contributions to me.

With kindest regards and Zion's greetings, permit me to remain

Very sincerely yours,

AHS/IR

My dear Judge Bernon:-

I am asking a group of my friends to contribute to a ten thousand dollar fund which we undertook to raise in Cleveland to help in wiping out the long-standing deficit of the Zionist Organization of America.

The historic convention of the Zionist Organization which brought Chief Justice Brandeis back into the leadership of the Zionist movement was held in Cleveland. A new era of unity and good will was inaugurated.

The Zionist Organization has been laboring under the handicap of this debt for some years and it has seriously hampered its activities.

At the last convention in Cleveland, I made an appeal to the delegates to lift this burden and over \$100,000 was pledged, of which Cleveland, being the convention city and the one in which the final peace was consummated between the warring factions in the Movement undertook to raise \$10,000. I personally pledged \$1500.

I will greatly appreciate any help which you may render the cause at this time.

Dear Friend:-

A new era in American Zionism began with the union of all the forces in the movement which was accomplished recently at the Convention held in Cleveland.

Justice Brandeis of the United States Supreme Court and Judge Mack have officially returned to the leadership of the movement. The hope is universally held that the movement will now enter upon a great period of growth and development.

One of the serious problems which confronted the new administration was a deficit which had accumulated over a period of years and which had to be liquidated in order to enable it to function smoothly and without financial embarrassment.

At the Cleveland Convention I appealed to the delegates present to wipe out this deficit and a sum well over \$100,000 was pledged by the spokesmen of the various communities in this country. Cleveland, as the convention city, pledged the sum of \$10,000.

I am writing to the registered members of the Zionist District of Cleveland to urge upon them to contribute to this Deficit Fund, thereby insuring the uninterrupted progress of the movement in this country.

It is very difficult to appeal for such a fund to non-Zionists. It clearly devolves upon those who are members of the organization and who realize the absolute importance of enabling the American Zionist Organization to carry on a firm and aggressive Zionist educational program in this country to wipe out this deficit. The burden of debt once lifted, our leaders will be able to devote themselves to the many pressing problems which are involved in the Palestinian situation today.

It is, of course, impossible to launch any extensive campaign for this purpose at this time. The appeal must necessarily be limited to a small number of interested men and women. I would deeply appreciate any helpful contribution which you may make to this cause. Please send these contributions to me.

Mr. George J. Klein,
Cleveland, Ohio.

My dear Mr. Klein:-

I am considerably worried about our Zionist Deficit Fund. It is more than six months after the last Convention and we have not yet reached even half of our pledge. Our sum total raised to the present is \$4491, which includes the money which was collected at the Protest Meeting.

So far some forty people, all told, contributed to the Fund. Frankly I do not know where the Zionists of Cleveland are or whether they have no sense of responsibility to their Organization. The National headquarters are simply strapped for lack of funds.

I have been told over and over again that a committee would soon be organized to solicit contributions to the Fund. No such committee was ever organized. In another few weeks it will be too late to do anything for this fund this season and we shall be compelled to come to the next Zionist Convention in the role of a community which broke its pledge.

May I urge upon you to get together with the Board of the District at once to devise ways of collecting the outstanding \$5500 which ought not to be an impossible task.

With kindest regards and best wishes, permit me to remain

GEORGE J. KLEIN

At the last Zionist Convention in Cleveland in July of 1930 the Jewish Community thru Rabbi Abba Hillel Silver pledged the sum of \$10,000.00 towards the Zionist Organization's Deficit. This amount was to have been raised quickly to facilitate the work of the incoming administration, now headed by Judge Julian W. Mack and Mr. Robert Zold, in its intricate and important problems.

However, we have thus far failed to raise our share and surely the members of the Executive Committee of the District must want to do their share.

I, therefore, urge you to advise me the amount of your contribution. You may enclose a check for all or part.

The National Organization is beseeching us to speedily forward funds as the needs are urgent and immediate attention must be given by us.

May I urge upon you prompt attention to this important matter.

Mr. Alfred H. Sachs,

My dear Alfred:

I am very much perturbed about the fact that the Cleveland Zionists have not as yet made good their pledge of \$10,000 towards the Deficit Fund. It is extremely embarrassing to receive a stream of communications from New York asking what Cleveland is doing to make good its pledge.

As you well know the Zionist District has so far failed to bestir itself and it is now more than a year since the pledge was made. I suspect active sabotage on the part of some members of the District.

Unless some substantial funds are raised before next Fall nothing will be done before the next Zionist convention because the Community Fund Campaign will intervene.

I am leaving the city next Tuesday for my summer vacation. I shall be gone until the first of September. Unless we can count upon someone who would take the responsibility and the initiative in this matter there is very little prospect that anything will be done.

At the time of Robert Seold's visit to Cleveland you expressed a desire to help in the work. I wonder whether you would not undertake to supervise this activity during the summer. I believe that if five men would take the matter earnestly and personally interview a group of people in our community who are still able to make a contribution, a substantial sum of money could be raised, if not the entire amount.

The Zionist Organization of America is in desperate need of funds and only this morning I received a pleading letter from New York asking for immediate help because the banks were pressing very hard.

Rabbi A. H. Silver,

Dear Rabbi Silver:

Replying to yours of June 25th, please be advised that I have similarly been somewhat worried about the fact that the Cleveland Zionists have not yet made good their pledge towards the deficit fund. Personally, I do not consider it a consolation that the other districts have even done worse than we.

Sunday morning I had a meeting with George Klein and several other active Zionists, when we discussed the matter thoroughly. They seem to be of the opinion that it would be next to impossible to raise a substantial sum during the summer, especially since the purpose is to cover part of an old deficit and since the deficit continues to grow, and that any amount raised in Cleveland at the present time would in no way alleviate the situation.

As to the latter consideration I believe we must all be in accord. However, as to the possibility of raising a few thousand dollars I am still of the opinion that it can be done if a real effort be made. I do not know how much cooperation I can get, and frankly, I am afraid to undertake the sponsorship of this effort since I have been working hellishly hard during the last few months and I do not believe I can give this the necessary time.

However, I have agreed to prepare a list of names of people of some means and who are on the periphery of the Cleveland Zionist movement. It is these men especially that I believe we can induce to give us some money for this purpose on the basis of a general Jewish obligation to liquidate the present indebtedness of the Zionist Organization of America. I shall prepare this list during the week and again confer with my committee. I hope to be able to work out some plan of approach to the problem. If you will send to my office your vacation address I should be glad to communicate with you in a week or two to tell you what progress we are making.

With kindest personal regards, and ^{with} best wishes for a restful vacation,

Dear Dr. Silver:

I am attaching herewith a list of the subscribers to the Deficit Fund. This list is correct up to date. I think a personal note from you to the people on this list would be very helpful. If you have no facilities for turning out letters from your summer home, let me have your stationery and the letter that you would like to send out, and I will arrange everything else here.

Word received from abroad indicates that Arlosoroff is to take Kiach's place in Palestine, and Emanuel Neumann is to take charge of the office in London. This is rather contrary to our earlier guesses. I presume it is subject to further confirmation.

I have just gotten a letter from Mr. Szold in which he says that he expects to be back here about the middle of August. He also says that he should like to have the Z.O.A. Convention held some time in October. He does not, however, give any reasons for the early date. This would rather upset the plan for a membership campaign prior to the Convention. I would appreciate your comment on this. I expect to communicate with the other members of the Administrative Committee now in New York, and suggest that they hold a meeting on Monday or Tuesday of next week, for the purpose of discussing this and some other matters. I should like to be in a position to present to this meeting your opinions on the date of the Convention. May I also suggest that you indicate where you think the Convention ought to be held.

I have just received word that Mr. de Haas is coming back here on August 2. I have no definite word, but I believe that Judge Mack will return just about the same time.

Sincerely yours,

Maya

P.S. -- While no funds have been coming in from other sources, the income from dues thus far this month is gratifying. We anticipated the collection of \$2,000 this month. We are already within \$100 of striking the \$3,000 mark, ~~we~~ still have one week to go.

My dear Mr. Magida: In Re: New Cleveland Zio District

Your letter addressed to Rabbi Silver was forwarded to me and I am of the opinion that we should do everything possible to encourage this new group and give them any possible assistance that will enable them to attempt to build up Zionist membership.

The matter of the formation of this new group has neither been discussed by the Cleveland District nor our Executive Committee. My personal opinion, however, is that this effort should be assisted.

With reference to their retaining one third of the dues collected, I might say that this matter of local operating expense is one that is very troublesome and we discussed this matter at length with Mr. De Haas in New York City some time ago.

While he agreed with us that no local group could operate on \$1.00 per head, he intimated that some groups were retaining a larger portion than one sixth of the dues collected even though there is no legal provision for so doing and inasmuch as the group which Miss Tarletz refers to spend a large portion of their time on JWA F work and represent the major portion of JWA F workers in Cleveland, they will be unable to raise money through side affairs without depreciating their JWA F collection. So if it is at all possible to allow this additional money I would recommend it.

I would also ask that a letter be sent to them urging them to enroll new members rather than dividing the present district.

Very truly yours,

RABBI LEON I. FEUER
MINISTER OF RELIGIOUS EDUCATION

ABBA HILLEL SILVER, D.D.
RABBI

HARRY A. LEVY
EXECUTIVE SECRETARY

Dear Friend:-

A new era in American Zionism began with the union of all the forces in the movement which was accomplished at the Convention held in Cleveland last month.

Justice Brandeis of the United States Supreme Court and Judge Mack have officially returned to the leadership of the movement. The hope is universally held that the movement will now enter upon a great period of growth and development.

One of the serious problems which confronted the new administration was a deficit which had accumulated over a period of years and which had to be liquidated in order to enable it to function smoothly and without financial embarrassment.

At the Cleveland Convention I appealed to the delegates present to wipe out this deficit and a sum well over \$100,000 was pledged by the spokesmen of the various communities in this country. Cleveland, as the convention city, pledged the sum of \$10,000.

I am writing to a small group of men in our community urging upon them to contribute to this deficit fund, thereby insuring the uninterrupted progress of the movement in this country. The burden of the debt once lifted, our leaders will be able to devote themselves to the many pressing problems which are involved in the Palestinian situation today.

It is, of course, impossible to launch any extensive campaign for this purpose. The appeal must necessarily be limited to a very small number. I will appreciate any helpful contribution which you may make to this cause.

With kindest regards, I am

Very sincerely yours,

Abba Hillel Silver
