Dear Dr. Silver:

Masada, Young Zionists of America, is embarking on a Palestine Project, in addition to the Freedom Forest Project in which we are already engaged. Through this Palestine Project we will be giving direct, practical aid to our General Zionist settlements in Eretz. The exact form of this project is being worked out now.

Because of your position in the Zionist movement, it would be very important to us, from the point of view of publicity, if we could have a positive, encouraging statement from you which we could use for publicity release purposes.

We would appreciate it very much if you could find it possible to send such a statement to us.

With Zion's greetings,

Natanel Zvi Cohen
Executive Director
