MEMORANDUM

TO: All District and Regional Presidents

DATE: October 14, 1946

FROM: Dr. Sidney Marks

SUBJECT:

November 2nd is Balfour Day. This historic anniversary comes at a time of unparalleled crisis for the Jewish people. There have been many difficult periods since the Balfour Declaration was issued but this is by far the most critical.

This year Balfour Day should be observed in a manner which will aid the Yishuv and the hundreds of thousands of displaced Jews, who face another terrible winter in the camps of Europe and Cyprus. We ask, therefore, that you make immediate arrangements for mass meetings in your communities for either the evening of Saturday, November 2nd or the afternoon or evening of Sunday, November 3rd. The larger cities should organize several meetings.

The brutality of the British Government is today viewed with dismay and a sense of outrage by all liberty-loving people. However, not only Britain is to be blamed for the present desperate plight of the Jewish survivors. Our own Government has failed to bring its influence to bear on Britain in order to achieve a just solution in keeping with established American pledges. America's pledges have been broken. America's promises remain unfulfilled.

It is necessary that these facts be pointed out at your Balfour Day rally. But this should be done by our own spokesmen. It would be unwise to invite the candidates of either political party to address these rallies. We do not need new pre-election promises. We want the old ones kept.

Balfour Day occurs only a few days before election. All of our activities during the past weeks have been concentrated on driving home to the Democratic Administration a realization of its responsibility for the bitter and justified resentment of our people. This pressure must be continued. All of you are called upon to lend your influence in this direction. This is one of our few remaining opportunities to revive official American intervention to bring about the fulfillment of this country's and Britain's pledges for a Jewish Palestine.

March 20, 1947

To The Members of the National Executive
Committee, the National Administrative
Council and the Regional Presidents.

Dear Friends:

Before leaving for Palestine, I am pausing to write this letter to the members of the National Executive Committee, the National Administrative Council and the Regional Presidents.

I am somewhat concerned about the progress of our Membership and the National Expansion Fund. The staff is doing everything humanly possible to arouse our units throughout the country to accelerate their activity in these respects. I need not stress to you that the "force of numbers" and the generation of favorable public opinion - Membership and Expansion Fund - are acts of the highest political magnitude.

I call upon you, the leadership of the Zionist Organization of America, to do everything within your power to further these efforts in your respective geographical areas. I should be happy to hear from you regarding your progress in these avenues of Zionist endeavor. I know, of a certainty, that with your help and devotion, the Zionist Organization of America will continue to progress as it has in these many years.

With cordial greetings, I am

Faithfully yours,

Abba Hillel Silver
