For the personal attention of Dr. Silver

Dear Dr. Silver:

We of the New England Zionist Youth Commission cannot allow our recent third annual Educational Institute for Zionist youth to pass into history without reporting to you and to the National Executive Committee its outstanding success. We report to you, not in a boastful manner, but rather in a spirit of humility, since we feel you are always interested in the progress New England makes.

For the past three years we have sponsored a week-end Institute to gather together our leaders of the four youth groups for discussion and analysis of our problems and issues of vital concern to our Zionist youth of New England. The idea originated with Dr. Shlomo Bardin, who has worked with us and encouraged us each year to make further progress and gains in our communities and among our youth.

This year's Institute, from the point of view of interest, of program content, of enthusiasm and stimulation has surpassed all others. Our guiding spirit and mentor and advisor again was Dr. Bardin. No sooner had he returned to this country, then the leaders of the four groups requested that he come to Boston. In fact, Boston was the first city he visited upon his return. They wanted to hear all about Palestine. And he did not disappoint them.

The comment of our Worcester Youth Commission chairman, following the Institute, was typical of many others: "Our small army of Worcester young people had a grand time in Boston this past week-end, and the talk by Dr. Bardin inspired them in a manner the like of which I have never seen or heard before."

We are grateful to the American Zionist Youth Commission and to Dr. Bardin for his ever-ready cooperation and desire to help, and for his many splendid ideas and suggestions. With his guiding influence, again New England has made progress in Zionist youth activity. To us, this is exceedingly important, and we would appreciate it if you would pass this on to your National Executive and to the members of the American Zionist Youth Commission.

With cordial regards and best wishes,

Sincerely yours,

Harry Levine

My dear Friends:

Upon my return to Cleveland I found your gracious letter, inviting me to speak at the 26th Annual Convention of the New England Zionist Region on September 28 and 29.

I wish I were free to come. You must know how eagerly I would have availed myself of the opportunity to meet again with our fellow-Zionists of New England. Unfortunately, time will not permit it. I must remain here in Cleveland for the period of the High Holydays. I have been away practically the entire summer in New York and in Washington in connection with our political work.

I am confident that you will have a successful convention and I do hope to see many of the leaders of New England Zionism at the ZOA Convention in Atlantic City in October.

With all good wishes, I remain

Most cordially yours,

My dear Dr. Silver:

It is with a great deal of pleasure and satisfaction that I send to you the following resolution which was unanimously adopted at the 26th Annual Convention of the New England Zionist Region held in Worcester on September 29, 1946.

I am also enclosing a copy of our Annual Report.

The New England Zionist Region gratefully acknowledges the courageous leadership of Rabbi Abba Hillel Silver as Co-Chairman of the Zionist Emergency Council in the crisis confronting the Jewish people and Palestine; and

WHEREAS, the continued inspiration from such leadership is vital to the success of the cause of Zionism,

BE IT RESOLVED, that we call upon all Zionists throughout the United States to support Rabbi Abba Hillel Silver in the Presidency of the Zionist Organization of America, and

Be it further resolved that we call upon him to continue to lead the American Zionists and

Be it further resolved that we pledge him our wholehearted and continued support and cooperation in the work of securing a free and democratic Jewish community in Palestine.

My dear Mr. Borenstein:

Permit me to thank you for your kind letter of October 2, and for your thoughtfulness in transmitting to me the resolution which was adopted by the 26th Annual Convention of the New England Zionist Region on September 29.

The message of confidence and encouragement, which the resolution conveys, from the Zionists of New England is very heartening to me, especially in these confused and troubled times. I am very grateful to the delegates who attended the Convention for the resolution which they adopted.

I am hoping that I will have the pleasure of seeing you and many of the New England Zionists at the ZOA Convention in Atlantic City.

JEWISH AGENCY

1. The New England Zionist Region hails the magnificent accomplishments of the Jewish Agency during the trying years of the war, its marshalling of the industry and fighting power of the Jews of Palestine on the side of democracy, its organization of the rescue of Jews from the maelstrom of Naziism, and its leadership in bringing to the fore the spirit of militant self-reliance in the Yishuv.
2. We appreciate the enormity of the obstacles which have confronted the political negotiations of the Jewish Agency, and we subscribe to its earnest to find a formula which may bring peace and justice to Palestine and open its gates to the suffering Jews of Europe.
3. To the end that we may continue to present a unified front in our political negotiations with the governments of the world, we call for an ever close cooperation between the Jewish Agency and the great organs of American Zionism.
4. We commend these views to the forthcoming convention of the ZOA, with the further understanding that it is the function of the World Zionist Congress not only to receive from the Jewish Agency a careful and detailed report of its six-year trusteeship, but also to examine, and if necessary to restate, both the basic objectives and the immediate aims of the Zionist Movement.

RESOLUTION

It is the sense of the New England Zionist Convention that it is opposed to any partition of Palestine and that it reaffirms the Biltmore program except as it is modified by the Convention of the Zionist Organization of America.

The New England Zionists in convention assembled calls upon our Government to use its best efforts to facilitate the immediate entry to 100,000 Jews into Palestine and to establish a democratic Jewish Commonwealth in Palestine.

RESOLUTION

Mindful of the importance of membership not only in the strengthening of our Zionist organization, but also in the furtherance of our Zionist political aims,

WE, the delegates to the 26th Annual Convention of the New England Zionist Region pledge ourselves and our respective districts to exert every effort possible to enroll every male adult Jew within membership of our Region during the ensuing year.

Dear Dr. Silver:

We have just returned from the Emergency Conference in Washington and we are giving all our attention and effort to the membership campaign in the New England Region.

To bring this campaign to an appropriate conclusion, insofar as our intensive efforts for this season are concerned, we are planning a Victory Dinner. I understand that Mr. Borenstein has already inquired about your availability to address the Region on that occasion. We would be highly honored if you would be our speaker at the Victory Dinner, which we are planning to hold on March 25, 27, or April 1, on whichever day suits your convenience.

We sincerely hope that you will find it possible to be with us on one of those days.

Dear Dr. Silver:

I know this letter will not find you in Cleveland. Permit me to tell you at the outset that I have been following your sojourn in Palestine with a great deal of interest and pride. Your statements quoted in the Jewish Press simply fortify my admiration for your leadership and my devotion to you.

I am writing this letter to your Cleveland address upon the advice of our mutual friend, Dr. Marks, because I have written to him on March 14, pertaining to the same matter. It concerns our forthcoming New England Zionist Regional Convention to be held in Springfield, Massachusetts, over the week-end of June 7-8.

It so happens that we are dedicating this convention to twenty-five years jubilee of the acceptance of the 1922 resolution in Washington, which, you will remember, emanated from Massachusetts. We have procured the Springfield Auditorium for a public meeting on Saturday evening, June 7, and on Sunday, we are doing away with the evening banquet and have decided in favor of an afternoon luncheon.

In behalf of the Region, I am inviting you to be the guest speaker at either one of the two functions that you may choose or prefer. Your presence, I am sure, will not only give us courage and inspiration, but is really needed in order to make my administration possible and liveable for another term.

THEREFORE BE IT RESOLVED that the Executive Committee of the New England Zionist Region take due notice thereof and spread the same upon the records of the New England Zionist Region.

My dear Dr. Robbins:

I returned from Palestine to find your kind letter on my desk. I should very much love to come to the New England Zionist Regional Convention on June 7th and 8th. I am confronted, however, with the difficulty of having to be in attendance at the closing exercises of my Religious School on Sunday morning, June 8th. It is a very important function in the life of our congregation. I have been away from my pulpit so much during the year that I do not wish to miss this occasion. If I could leave Springfield in time to be in Cleveland at ten o'clock Sunday morning I could undertake to come to you for your public meeting Saturday night. I have, however, checked on both planes and trains, and as far as I can see, there is no way of my getting back in time. Perhaps you can check back on it from your end.

Dear Dr. Silver:

This will acknowledge receipt of your letter dated April 2nd. On checking transportation, we find that there is a train leaving Albany at 1:44 A.M. on Sunday morning, arriving in Cleveland at 11:20 A.M.

We would be prepared to get you to Albany in time for this train since it is a two and a half to three hour drive from Springfield. Unfortunately, however, it will not get you to Cleveland by 10:00 A.M., and I was wondering if the hour and twenty minutes would make that much difference as to prevent you from being with us Saturday night at the mass meeting. I can understand very well your sentiment about the closing exercises of the Religious School of your Temple, but at the same time, you would do us honor with your presence.

I have indicated in New York to our mutual friend, Mr. Frisch, the reason and the importance of your presence, which reason I would not care to put down in writing.

I regret very much that I did not know of your letter while I was in New York last Monday for I could have talked with you then and settled this matter. I would appreciate hearing from you.
