No words can declare the sincere
tramp we wish to convey to
you for your participation in the
Great Event to us which you
so grandly assisted us in fulfilling.
The Unveiling of the Charter of
the Wormwood Congregation of

not have been carried to such a
successful issue without your
assistance for which we would
have you consider us grateful

Dear Sir:

I have been asked by several of your friends to take special pains to procure you as speaker for the meeting of the Sabbath Evening League set for March 26, just before Passover.

We desire particularly an address adaptable for the season of the year, with a Zionist sentiment.

I trust that you will be able to accommodate us on this occasion.

Yours very respectfully,

David N. Rosenbaum.

Dear Sir:

Through an oversight
on the part of our Correspond-
ence Secretary the matter
of sending you a ticket
ere this to our Play and
Dance was overlooked.
I therefore take the

pleasure of enclosing a
Complimentary Ticket together
with Programme & hope
you will be in a position
to be with us that evening.

We have already had the
good fortune of disposing
of 65 tickets right here

those sent to Ashland, Ironton
& Charleston are in hopes
of selling at least 125 tickets
in all if not more.

At any rate here's trusting
to "Good Luck."

Rabbi A. Silver

Dear Sir:-

I think that you will remember the days when you belonged to the Dr. Herzl Zion Club. It is impossible for you to forget those memorable Herzl Club Meetings, especially the mass-meeting, where you yourself, presiding perhaps, sought to inspire the audience with awe and reverence for the noble ideal and tried to impress the audience with the grandeur of the Dr. Herzl Zion Club.

The junior branch

of that club is still alive.
 She is having her rebirth
 and like the eagle is en-
 deavouring to renew her wings
 and soar upwards again, up-
 wards, high, high, reaching the
 stage she has reached a few
 years ago. She is making her
 start this Saturday by a
 Dr. Herzl Memorial Meeting. She
 wants to prove that the
 club that has acquired so
 much fame in the first years
 of her existence is still alive
 and that her banner will wave
 again as triumphantly as before
 despite the indifference shared
 towards her now. We are mak-
 ing our start the night of
 the third of July by a mass-
 meeting in room ten A-B. We
 therefore imply you, having

been the organiser and main
 working spirit of the club for
 many years, to aid us to make
 this meeting a tremendous suc-
 cess by delivering a speech ^{English} ~~in~~
 about our greatest leader of
 the last century whose name
 our club bears. Expecting a
 speedy answer in the af-
 firmative to this request,
 I remain

with Zion's Greetings
