MIZRACHI HEAD "VOICES SATISFACTION" WITH  
PALESTINE PLANK OF DEMOCRATS

- - - - -

New York - - Leon Gellman, president of the Mizrachi Organization of America, the religious wing of the World Zionist movement, today voiced his "deepest satisfaction that the Democratic Party, whose great leader Franklin Delano Roosevelt has already disavowed the White Paper, has now gone on record as supporting the ideals of a Jewish Palestine."

In a statement issued here, Mr. Gellman noted that this action by the Democrats, "which follows a similar pronouncement by the Republican Party within less than a months, lifts the Palestine problem beyond the pale of partisan politics, and demonstrates that the great masses of American people recognizing the moral, legal and historical right of the Jewish people to their homeland, have come to the realization that the time has come for the payment of an age-old debt to a long-suffering and patient people."
