Dear Dr. Silver:

Congratulations from a "Mississippi Goy" and an admission that you are a "better man than I, Gunga Din".

All of this is occasioned by your broadcast over Radio Jerusalem which I have just read in the "News Reporter" issue of the "New Palestine" for December 31st. The editor's note said you delivered it in Hebrew. This being so, according to the editor, you are indeed a master of that ancient language because the entire address is filled with two-bits to one-dollar worlds. Only a real student of Hebrew can pitch like that.

I must rise, however, to the defense of the Mississippi Goys. Before the turn of the century there was no opportunity in Mississippi for prospective bright young men to learn Hebrew. As a matter of fact, those who learned English were indeed fortunate.

Cheerio,

Sincerely,

AN APPEAL TO THE CONSCIENCE OF AMERICA

A STATEMENT BY 1027 JEWISH spiritual leaders — Orthodox, Conservative and Reform Rabbis — appealing on behalf of the stricken Jews of Europe that they be accorded full justice and that they be assisted in the fulfillment of their will to emigrate to Palestine where they shall be able with their brethren who have preceded them, to reconstitute a free and democratic Jewish Commonwealth in their ancient Homeland.

The following rabbis sponsored this appeal, and submitted it for signature to their colleagues: PHILIP S. BERNSTEIN, BARNETT R. BRICKNER, ISRAEL GOLDSTEIN, ROBERT GORDIS, JULIUS GORDON, SIMON GREENBERG, JAMES G. HELLER, MORDECAI M. KAPLAN, JACOB KOHN, ARTHUR J. LELYVELD, B. L. LEVINTHAL, ISRAEL H. LEVINTHAL, LOUIS M. LEVITSKY, FELIX A. LEVY, JOSHUA LOTH LIEBMAN, JOSEPH H. LOOKSTEIN, JACOB R. MARCUS, IRVING MILLER, ABRAHAM A. NEUMAN, LOUIS I. NEWMAN, DAVID DE SOLA POOL, ABBA HILLEL SILVER, MILTON STEINBERG, SAMUEL THURMAN, STEPHEN S. WISE.

AT THIS DECISIVE MOMENT IN HISTORY, we direct this urgent plea to the conscience of America as well as to the world statesmen gathered at San Francisco — a plea on behalf of the Jewish survivors of Nazi bestiality.

We speak for millions of Americans, Jews and non-Jews alike — for our many congregants troubled by the plight of their European brethren and for our Christian

friends who share their concern for justice, mercy and the preservation of the human values paramount in our common religious heritage.

We speak as Jewish spiritual leaders versed in the traditions of our faith and as Americans cherishing the ideals of our land. We find, in both, the imperatives which make it impossible for us to close our eyes to suffering or to ignore injustice.

Five million human beings — men, women and children, innocent of any wrong — have been slain because they were Jews. It is true that the Jews were not the only people who suffered at the hands of the Nazis. But the Jews, first in suffering, are last in the hope of rehabilitation.

With victory in Europe achieved, the Christian Poles, Czechs, and Dutch are free to go home. They will rightfully sit in the councils of nations. But for hundreds of thousands of Jews who have survived the Hitler slaughter the future holds little promise. They are naked, hungry, sick. The poison of anti-Semitism which the Nazis left behind, has made them literally homeless.

Their eyes are turned to the ancient homeland of their people — Palestine. This is the land which the nations of the world pledged to the Jews at the close of the last war. This is the land which Jews have rebuilt and reclaimed from the desolation and barrenness in which they found it. This is the land which has given freedom to 600,000 Jews and which promises the opportunity for normal, creative living to the hundreds of thousands in Europe who look to it longingly.

Palestine has room and room to spare for the Jews who seek entry into it. No single Christian or Moslem will be dispossessed or deprived of his rights in the Holy Land. Our world will be the richer for having made of Palestine a bridge-head to the future for the entire Middle East.

But — and this is a situation so intolerable that it cries out to the heart of humanity — these Jews whose only hope lies in Palestine cannot enter Palestine. The land which has been designated as their home is now closed to men and women who desperately need and are justly entitled to it.

The United Nations dare not ignore the plea of these victims of one of the most heinous crimes in history. The gates of Palestine must be opened — and opened now — not tomorrow when it may be too late.

We call upon all citizens who are lovers of humanity to join their voices with ours in demanding human rights and human dignity for these bitterly persecuted people. The undertaking of the nations of the world, our own America among them, that Palestine shall be reestablished as the Jewish national home and that, in the words

of President Wilson, "There shall be laid there the foundations of a Jewish Commonwealth," must be fulfilled in letter and in spirit.

Now that the nations assemble once again to plan a peace which we pray shall this time be just and enduring, we call upon you to turn to the leaders of the nations and demand

that there be full justice for the Jews of Europe;

that those who need or desire to do so be aided to emigrate to Palestine quickly;

that the pledges of the Balfour Declaration and the League of Nations Mandate be fulfilled;

that those conditions be created which will insure the realization of a Jewish aspiration which has been shared by numberless Christians of great vision — Franklin Delano Roosevelt, Wilson, Smuts, Balfour, Lloyd George, Churchill, and a myriad others — the aspiration that Palestine, guaranteeing full equality of rights for all inhabitants "without distinction of religion or race, in the political, civic, religious and national domains, and without domination or subjugation,"* shall be a free and democratic Jewish Commonwealth.

My dear Emanuel:

I regret more than I can tell you my inability to attend the birthday party which is being tendered to our mutual friend, Mr. Numa Torczyner, tomorrow. I am scheduled to be in Cincinnati tomorrow attending the executive sessions of the Central Conference of American Rabbis, of which as you know, I am President.

Will you not convey my warmest felicitations to Mr. Torczyner and my sincerest wishes that many more blessed years of contentment and great service for our great cause may be vouchsafed unto him. Mr. Torczyner has been a source of strength and inspiration for our work, and in these trying times it is good to know that our movement can call upon the wisdom and the wide experience of such a devoted and loyal Zionist.

Most cordially yours,

AHS:BK
