Dear Dr. Silver:-

That was a good statement you sent to the President.

I'm dining with Attlee and Byrnes today and, possibly, some reference may be made to Palestine.

Apropos of Islamic solidarity, of which Britain pretends to be afraid: she is fighting the Javanese (for the Dutch) 75,000,000 of whom are Mohammedans!

Best wishes.

Dear Dr. Silver:-

Thanks for sending me the copy of the Truman-Bevins statement. It was in my hands, but I had not read it thoroughly.

You probably noted that Secretary Byrnes made a statement on the day following my conversation with him. While it indicates an awareness, you are the best judge of whether it is a step forward.

Best wishes.
