Dear Sidney:

It occurred to me that I have not yet sent in the exact text of the resolution which I offered at the meeting of the National Executive of the ZOA on July 2, 1948 and which was adopted by that meeting. The text is as follows:

"Having taken note of the resolution of the Executive of the World Zionist Organization of May 3, 1948, relative to the non-applicability of certain articles of the Constitution of the World Zionist Organization to the Zionist Organization of America, the National Executive of the Zionist Organization of America confirms that the activities of the Zionist Organization of America shall be conducted henceforth in accordance with the principles reflected in that resolution. The officers of the Zionist Organization of America are requested to prepare for the 52nd Annual Convention of the Zionist Organization of America a draft of any constitutional amendments which may be required in the light of the new situation."

Please be sure to have this resolution inserted in the minutes of the National Executive of that date.

On advice of our friends in Washington, we will abstain for the time being from communicating the text of this resolution to the Justice Department. But it is important to have it on record, in case we want to do so in future.

Sincerely yours,

Bakzin
