Gentlemen:-

Having disposed of my business in Lexington, Ky., I am now en route to Cleveland. Having looked over the credentials of various cities, I have decided that your city has decided advantages socially and commercially. It is my desire to obtain an executive position for a period of months and later invest capital.

I feel able to fill, from my past general business experience, any executive position requiring same.

I note in the Cleveland Plain Dealer of Friday, July 9th an advertisement requiring the services of an executive. The address is given 2409 Euclid Ave. If your staff, or any member thereof, is able to assist me in procuring a position of this sort I would greatly appreciate same. By addressing any business firm or banker of Lexington, Ky. you will be able to substantiate any statement herein made.

Thanking you in advance for any kind favors which you may render in my behalf, I beg to remain,

Yours very sincerely,

P. S.

"Blessed!" Last evening we had supper on the porch after which we danced. Then came your letter - a fitting close to a perfect day. Almost forgot to mention a glorious moon - but altho I was in good company you were gazing at it with me. "There you go again - you really should write poetry."

Did you receive the telegram I sent you to the steamer? Glad to know that you had such a pleasant trip over. May it be so coming back. No doubt you made a tremendous hit in London.

Write me about it for I shall still be at
Windermere when you return to Cleveland.
Beware of a starved little lady who will
come to Confession about Sept. 1st.
Must stop being young & silly & talk business.
The Annual Meeting of the Temple Women's Association
is set for Oct 13th. The Chairman of the Program Co.
invites you to be the principal speaker - as has been the
custom for several years. At our last Cooperative
meeting I thought I had persuaded the President
of the Euclid Av. Sisterhood to postpone your date with
them until later in the year, as both October
meetings came within the same week & ours is
the annual. She called me just before I left Cleveland
& said she would leave it for you to decide when
you return. Please give us the preference. Robert certainly
enjoyed the use of your machine. He left it with Mr. Englander
with a list of instructions & I trust you will find it in good
condition. Am taking a much needed rest up here
after being out every night. So far have nothing very
serious to ~~report~~ ^{confess} altho interesting things have happened. Your devoted
Thais.

Dear Rabbi Silver: -

In accordance with
my promise to write you
when I returned to college,
I find myself doing so.

I was home almost
a month, but gained
very little strength. The
fact that I have no
definite position for next

that villain's treachery,
though revealed is escaping

punishment - these conditions
have naturally kept me from
gaining - Now that I
know what he is, I would
not go back to Kennard

elsewhere for a mere

I do hope you enjoyed
your visit abroad -

In the event you

My Dear Abba: -

WRHS
No doubt you
have my telegram already
in answer to your letter
addressed home.

As therein stated
Dr. Ev. Carter to whom I
wrote about Albany wrote
me that he suggested my name
to the Albany President for
the Holy days and urged him
to invite me for the Holy days.

He thinks that Philippen
is trying to push Jackson
there - whoever he is - also
he is not sure whether they
might not decide to go south
students ^{there} they have engaged
to do the work as they
first arranged.

I also would like
Franklin last Thursday
that if he considers getting
an assistant I will be
glad to work with him,
but have not heard from
him yet. So I don't care
for assistant ships in
general, I would consider
this one - as Franklin I believe
is all right to work with
and Detroit offers a big
field. Maybe you can help.

As for Buffalo, they were
ready to install a new
modern prayer book, so
I could not possibly consider
it as you know. Am not
sorry for that at all, is I
do not care to tangle myself
with "Semis"

I am not trying to
act the pious. I refuse
cheap, because I look
upon it as taking a chance
maybe I'll be able to connect

I thought, before the holidays
with some smaller but
fairly suitable protection
so so permanently, while
if I am not successful
there, and no one can tell
how things turn out, I am
stuck again for a whole
year very likely. That's
why I refused. As things
stand now, however unless
some such protection as
Sioux City, Iowa turns
up, with which latter I am in
communication, I could have
taken a chance with Chicago
anyway. However, Chicago is
not yet filled, Schwab may
not be elected there and there's
still hope of getting there after
the holidays.

As things stand
now I'll consider any
earlier opening for the

is not available I will
uppose for a week or so for
the Holidays. Bridgeport
asked me some time ago to come
there for the Holidays - down
B.B. for a miserly proposition
that sort, but if nothing better
I might do that yet.
Also Canton Ohio wrote

Dear Doctor:

I received your letter of the 19th inst. and am very much surprised at the contents. Payments heretofore have been made by you direct to this office in accordance with our understanding, and I cannot understand why your secretary sent the check for the August payment to Bardwell & Miller, particularly in view of the fact that the check for the July payment was sent by her personally to me.

My letter of the 18th inst. was written to you after my letter of the 30th of July advising you that a payment was due on August 1st was unanswered. My communication of the 30th ult. must have been in your secretary's hands not later than the 1st inst, and surely at the time when she remitted a check to Bardwell & Miller. I realize that it was her mistake not yours.

I note what you say relative to the return of paid notes, but if you will refer to my letter of the 19th of June you will find that the same are in the possession of the Attorneys in your city. Proper instructions will be sent to Bardwell & Miller relative thereto. I note that you say that your checks hereafter will be sent to this office.

You ought to give a good lecture Max, why on earth don't he accept any position regardless of money? Then it will be much easier to get a larger congregation. Dear Abe,

It was indeed fine of you to remember us with such a splendid letter of congratulation and both dear Gertrude and I appreciate it more than we can say. You may imagine how I feel that after three years of "apprenticeship" I now have a great opportunity to strike out alone in a wonderful community. I believe that great opportunities await me there and under the blessings of God I shall do my utmost to make the best of them. It is encouraging to me to know that my dear friends are wishing me well and hoping for success in my new ministry.

I am glad that you returned safely. I imagine, that as heretofore, your trip must have been full of exhilarating experiences. Someday I hope I can accompany you on one of your trips. Abe I read with real pleasure some extracts of your remarkable speech in London.

Trusting that you are enjoying the best of health and that you are in condition to keep up your famous work and with kindest personal regards in which dear Gertrude joins most heartily, I am sincerely and cordially your friend,

Cleveland, Ohio.

My dear Rabbi Silver:-

I regret very much that I was out of the city when you and your committee came to Newark to visit my Temple last Tuesday. You know I would have been only too glad to have welcomed you here and to help you in every way possible. I understand that you visited the Temple and ~~was~~ impressed with it. If I can give you any information ~~or~~ any detail, do not hesitate to write me.

With best wishes for your health, and with cordial New Year greetings, I remain,

Yours faithfully,

Dear Sir:-

I should appreciate it if you can reserve a room for Dr. Henry Englander of Cincinnati, who will be in Cleveland, I believe, on September 10th, for several days.

Dr. Englander was with you for a week in June of this year and has expressed a desire to stay there again if a room can be secured.

If it be not possible to make this reservation, will you kindly let me know, in order that I may make other arrangements for Dr. Englander.

Thanking you for your courtesy,

Very sincerely yours,

Rabbi A. H. Silver,

Dear Rabbi:

After our conversation of this afternoon,
the following occurred to me on my way back to the office.

My name appears on the billheads and letter-
heads of Messrs. Farasey & Kraus, and it is quite likely
that that is the way Miss Jones connected my name with the
fact I had written you a letter on their letterhead. I
am very certain I would not write to you on their letter-
head, because--firstly, it would not be the proper thing
to do; and secondedly I have none of their letterheads.

I might further say that I spent nine weeks this
summer in Chicago, attending a reporting School in the even-
ing and working during the day time. I might also add that
it has been more than eleven months since I was connected
with Farasey & Kraus.

I would also ask that you please remember to
telephone Rabbi Wolsey. I have been reporting his sermons
for a long time.

Thanking you for any consideration you may give
me, and also extending my felicitations to you and yours
for the coming year, I am,

Sincerely,

Harry Herman

My Dear Rabbi Silver:-

I was awfully sorry that you were away, in Europe I believe, when I came to Cleveland last July. I did really like to have that long chat ~~that~~ you mentioned in your last letter. I couldn't see my way clear to College this fall and I didn't want to impose upon anybody or be a parasite while going to school so I thought that the Navy was the best place for an unattached young man like me; and believe me, I like it better every day.

UNITED STATES NAVY CLUB

I joined the Hospital Corps for a three year enlistment and passed all the tests. I have a chance to go to Annapolis next year and I'm sure going to try mighty hard for it too; for it means a four-year course in a real college and pay while going to school.

As far as a reputation is concerned, I have the best, I could of ever wished for in Dayton and I'm mighty proud of it too. Mr. Bard, my first employer at the Dairy wanted to take me with him when he leaves for Florida

UNITED STATES NAVY CLUB

this fall.

My brother in Chicago wanted to get me out of the service, but I feel it would be a benefit to me if I stayed in until my enlistment expired, because the longer I'm in the better I like it and the healthier I grow.

Well, hoping this letter finds you in the best of health and refreshed from your recent trip to Europe, I remain

Your kind friend,

Morris M. Fitch.

P.S. This may be a little late but better late than never! I wish you a Happy New Year!

Rabbi Abba H. Silver:

My dear Rabbi:

You were quite right. Your marriage "toek" excellently, and I am an exceedingly happy man. Bernice and I have been home now a little over a week and in a couple days we start out on another honeymoon to spend about eight weeks in and around N.Y.

Enclosed a little token of gratitude to you for your "first class work". When we return this time we expect to go to housekeeping and some time when you are not too pressed with your duties drop in for "chow" with us. We'll always have open house for you.

Wishing you a very happy new year and our best wishes
-----thanks again.

Sincerely.

Dear Rabbi Silver, -

This is the first time
that I have been deprived of celebrating
our holy New Year day at home and oh
how I long to personally give the maternal kiss
and blessing to my absent dear ones. Had it been
possible I would have sent my New Year greeting
to you sooner, even now I am writing under the
most trying conditions. i.e. swathed in hot
packs. You know, no one can be more solicitous
for your health and happiness than I am.
"May the Lord bless you and keep you" is my

fervent prayer. I left a message for you
 with Miss Jones explaining my sudden
 departure for New York. I have been just as
 miserable as any human can be - but if
 patience and perseverance can bring
 about a cure - I'm sure I will soon be well.

All my time has been spent in doctors offices
 and in my room pontificing - and today for
 the first time I have felt encouraged. Dr Craig
 and Dr George Draper both declared I am on
 the mend. He plans to be home about the twenty fifth
 and about a week later I expect to leave for San
 Francisco. I hope to see you before I leave. I am awaiting
 to hear the result of the Choir exchange. Greetings from Mary & Ray.
 Fondly Rolinda M. [unclear]
