Rabbi A. H. Silver,
Cleveland, Ohio.

My dear Dr. Silver:

Greetings! It is good to know that one is not forgotten, and so it is that I hope we still hold at least a small place in your memory. Since we are known largely by what we do, I am sending you the latest issue of the annual magazine published by our campers, that this might give you a long distance peep at the forward march of Camp Wigwam since you last saw it. At the risk of over-filling your waste-basket I am also sending some other material. Why? Because we are preparing to print a folder to replace the one enclosed and we want you to see why we feel deserving of a few words of commendation from you. We assure you this will be in worthy company.

Camp Wigwam has not found it necessary to issue a catalogue for ten years or more, yet our enrollment is always over-subscribed through the personal recommendation of our friends and patrons. Each season we draw our campers from twenty or more different states. We wish this folder to serve as a fitting introduction to new prospective patrons whom we are compelled to reach by mail. Let me assure you that we are fortunate in catering to a cultured and discriminating clientele.

Wigwam stresses mental as well as physical growth. Its program includes a wide variety of educational and cultural interests. It attracts men of rare ability for its staff. In short, it has developed into an institution, not merely a play-ground. We honestly feel that Camp Wigwam is performing a genuine service in the interest of our patrons; for instance, a friend recently wrote us, saying: "Wigwam is not only a recreation or re-creation or pleasure ground. It's a sub-conscious character-moulding place where body and soul find growth. ..."

I am enclosing a copy of a letter with which you were once kind enough to favor us. Perhaps you may wish to grant us permission to use this with a slight revision.

Mr. Mandelstam and Mrs. Lehman join me in sending regards to you and yours.

Very sincerely yours,

A. M. Lehman
Arnold M. Lehman.

My dear Dr. Silver:

You will remember your remarks, concerning speakers, at the close of the last forum meeting. I was recently in Pittsburgh and was a guest of the Hungry Club, there I heard Dr. Harry Elmer Barnes speak on "The Place of Religion in a Scientific Age." I was given a copy of the Hungry Club's yearbook. Believing that you may wish to look it over, I take pleasure in sending it to you.

I am the official photographer at the Montefiore Home. One of the inmates made an interesting looking picture so I am sending it to you.

My dear Rabbi Silver:

Although I do not know you personally, I feel that I want to write you a line in commendation of your wonderful poem "America".

I have quoted your poem innumerable times when speaking before Parent-Teachers' Associations and other organizations affiliated with schools and women's clubs.

Your poem has always found such a responsive chord and met with such success that I thought the author should know about it. Only recently I addressed the State Conference of Superintendents of Schools of Massachusetts. I closed my address with "America" as written by you. Several of the Superintendents asked me to mail them a copy which I have done. Some day I hope to see and hear you in person.

Our club would so much like to have you on its platform and would look you for a lecture if we knew when you expected to be here. We left Cleveland before you came and have not been back since, but have heard a great deal about your eloquence. Do come out soon!

Dear Abba:-

How are you, Virginia and that Little
Fellow, who must be quite a boy by now?

I'm writing you the following few lines
by urgent request of Sol Cohen, who claims to have
written to you sometime ago about the proposed
twenty fifth anniversary re-union, but has not
heard from you as yet, though he already received
replies from all the other out-of-town boys.

At an informal conference held yesterday
which was attended by seven of the Herzogites, it
was decided tentatively to hold the re-union on
Tuesday evening, July 2nd. Both the C.C.A.R.
conference and the Zionist convention will have
been over by that date, and plenty time will remain
between then and the forthcoming Zionist Congress
which some of the boys may attend.

Will you therefore notify me by return
mail whether the above date is convenient for you,
and if so whether the arrangement committee may
count upon your presence.

With kind regards to yourself and family,

כשהייתי אצלו הקצבתי לו את הסחיר של "השלח" לערך \$250. חשבתי שאפשר יהיה להשיג את כל הסדר בסחיר זה והנח לא עלה בידינו להשיגו עוד. יש אדם אחד שיש לו סדר שלם ודורש סטנו שלש סאות דולרים וכסובן אנו צריכים להרויח דבר מה על זה. ובכן אין מה לדבר על סדר זה. אבל יש לנו תקוה לסדר סדר שלם על ידי רכישת כרכים שונים סאת אנשים שונים. ובכן אנו מבקשים סטנו לענות לנו על זה:

(א) אם הזמנה זו על סדר שלם של "השלח" עומדת בתקפה ואנו יכולים לשלח לו את הסדר בכל זמן שנהיה נכונים לשלוח. נגביל את הזמן לסטך של חצי שנה.

(ב) אם הוא יסכים לסחיר של \$250, זאת אוטרת שמאקסימום הסחיר יהיה עד \$250.

(ג) אם אינו טקפיר על זה שהכרכים יהיו סכורכים בכריסה אחת ולא ססינים שונים.

אם יסכים לתנאים האלה נשתדל להשיג בשבילו את "השלח" ואולי יזדמן לנו להשיג בפחות מן הסחיר הזה וגם בזמן יותר סוקדם.

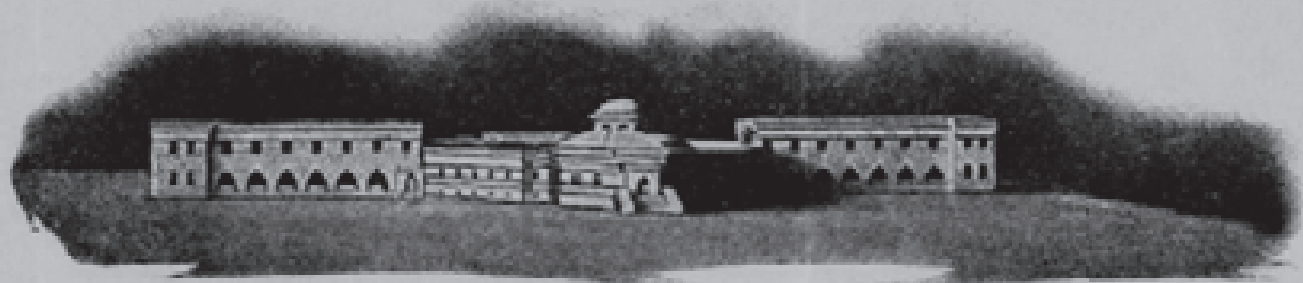

בנוגע ל"בכורי עתים" תלבנון "רזשוואיש קווארערלי רעויו" גם כן נשתדל להשיגם אם יבטיח לנו שיקבלם סטנו בעת שנהיה נכונים לשלוח אותם אליו. אנו נכתוב לסקוטות שונים ויש תקוה להשיגם, אבל צדיכים להיות בטוחים שיקבלם אחר השרחה הגדולה שיש ברכישתם.

קבלנו ספרין חדשים, נעין "ציונים", סאסף לזכר דר' שמחוני ז"ל, שיצא ע"י "אשכול", דרשות אל עסי "חלק ג'", "הקמפתח", תוצאת חדשה.

Dear friend Silver:

In behalf of Dr. Yellin I wish to acknowledge
your letter of May 10th enclosing the following checks.

Your own supplementary contribution - \$100.
Nathan Lossner - a new contribution - 25.
Mrs. Henry Frankel - Payment of old
pledge - 25.

At the conference at the Biltmore Hotel on
Sunday, I had an opportunity to speak with Dr. Rosenau, who
extended his cooperation during my visit with Dr. Yellin to
Baltimore. Dr. Rosenau asked if any other Rabbis in the country
had supported Dr. Yellin. He was very pleased when I told him
of your own two contributions and the contribution of Dr.
Philipson. Dr. Yellin is delighted with the splendid way in
which you are again cooperating with him in your community.

Sincerely,

J. Max Weis,

For the American Committee.

Mr. Nathan Lossner,

My dear Nate:-

You will recall that I spoke to you a little while ago about the Herzl Memorial Issue of the New Palestine, which is to be published in June. This volume will contain three hundred pages of important literary contributions of the outstanding Jews of the world. It will cover national Jewish and Zionist history throughout the world for the past twenty-five years. I believe that this will be a very dignified literary publication.

In order not to tax the organization with the cost of this volume, some friends have undertaken to raise the amount through voluntary contribution. I am trying to raise \$500 in Cleveland and I would appreciate very much if you would help me in raising this amount by indulging again in our favorite pastime of "schnerring." I shall personally contribute \$100.

I believe that we ought to have a meeting of the Finance Committee of the Bureau of Jewish Education in the very near future. Please let me know when it is convenient for you.

With kindest regards, I am

Very sincerely yours,

Rabbi A. H. Silver, Esq.

Dear Silver:

I write to ask you to give me some information. Mr. Ralph Simon, an attorney, and a member of your congregation, has evinced quite an admiration for my daughter, whom he met at the wedding of her cousin at Norfolk Va. I do not at all undertake to say that this acquaintance is going to eventuate into anything closer, but - frankly - we care it should. Mrs. Calisch and I would like to be informed.

Will you kindly tell us something about Mr. Simon's position, social and professional? - about his family and his prospects? I am writing to you in strict confidence, and shall of course hold your reply equally so. Please do not hesitate to be perfectly frank. I will be grateful for a candid statement.

With feeling from house to house
Sincerely yours,

Edward N. Calisch.

Perhaps I should explain, the young lady is my step-daughter. Miss Helen Calisch - but my interest is as deep as though she were my own.

Dear Rabbi:-

I want to thank you for your letter of May 14th and kindly be advised that I shall be glad to wait for a date early in the fall. I hope that your summer will be a pleasant one in which there will be ample time for you to rebuild much of the nervous and muscular energy that the public at large exact from you unwittingly.

Let me suggest early morning walks as the best and least strenuous form of exercise, and if I do not assume too much, let me add that you exercise to the point of stimulation rather than to the point of fatigue.

Golfing in the hot sun promotes fatigue, swimming in the hot sun lowers the vitality, and above all, permit me to say keep away from all artificial exercising apparatus such as electrical health belts, riding horses, riding bicycles, and electrical baths.

With kindest regards, I remain

Sincerely yours,

Rabbi Abba Hilel Silver
The Temple
105th Street
Cleveland, Ohio.

My dear Rabbi Silver:

I am sending you under separate cover a little gift from your parents which was sent through me to be delivered upon my arrival to this country. This was about five months ago. However, upon my arrival in Paris, one of my suit cases, part of my luggage which was in charge of the American Express Company was misdirected and attached to some other traveler's, who bears a similar name to mine. My luggage therefore went to the Orient instead of America and only after months of investigation did I finally succeed in getting the luggage back. I received same this week and am hastening to deliver to you the gift. I felt very much embarrassed over this matter and have refrained from writing to you until I got back my luggage. I hope you will excuse this delay, for which I am not to be blamed.

I also wish to convey to you regards from your parents. We have been living together for over a year in the same house and our families have become great friends. They are both, your father and mother, in the best of health. Your mother especially has revealed an extraordinary talent for architecture. During the time we lived together, their house was built and your parents supervised the work from beginning to end in every detail and their knowledge of building in Palestine is almost of an expert nature. Their little home is actually wonderful. I have seen it when it was almost completed.

If I should have a chance to be in Cleveland within the near future, I will be very happy to give you personal regards and add orally more details with regard to your parents. I can only say to you that they do not cease talking about you, your wife, little Daniel & Jeremiah, for whom I understand the gift I am forwarding to you has been intended.

Cordially yours,

Dear Dr. Silver:-

As you undoubtedly know, Mrs. Kohut and I are seeking funds from a number of our people to help the Bais Jakob Movement in Poland and other East European countries.

We have succeeded in raising only a very small sum and before going abroad, I am anxious to add to this sum as much as I can personally obtain.

I would like to come to Cleveland to speak to a number of people in behalf of this movement. Could you help me by urging one of the prominent women in the community to arrange a parlor meeting for me to which a number of wealthy Cleveland Jews can be invited.

I am not looking for much money in Cleveland, but would like to raise about \$1000 from that community for this fund.

Under separate cover, I am forwarding some literature on the Bais Jakob Movement, and would appreciate word from you.

It was indeed kind of you to write us your permission to use your letter endorsing camp Wigwam. The delay of this expression of thanks is due to the fact that I have been unable to find another copy of your letter. Apparently this has been misfiled and I may find it at some future time. I hope however, that you kept the copy that I forwarded to you so that you may send it back to me. Otherwise, may I trouble you to send me another letter to take its place. We shall appreciate it ever so much.

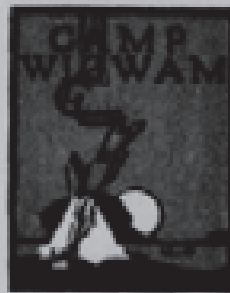

Let me take this occasion to renew the standing invitation for you and Mrs. Silver to visit our camp whenever you find it possible.

Dear Rabbi Silver, -

I am today returning the "Jewish Science" Book you so graciously loaned me. I sincerely hope I have not taken too much advantage of the privilege of keeping out the book so long. However you will appreciate, as I do, that it is a book one has to study as well as read.

It has benefited me greatly, and has been quite a comfort. Many thanks for your interest.

You mentioned to me that you had another book I could borrow when I returned this one. If you will please advise me whether or not it is available, I will appreciate it. I could call for

the book.

Thanks most sincerely
for your kindness, which
is always a great consolation.

I have just returned to New York City after visiting several cities in the middle west. I wish to thank you for your good wishes for my activities and for the interest that you have displayed. I thank you above all for your own supplementary contribution.

I am also writing to you to recall your promise to obtain some additional contributions for the college. You had stated that you would confer with Mr. Bemesch so that both of you might not conflict with one another in the people you approach.

Since I shall be leaving in June, I am very anxious for word on the results you have been able to accomplish.

Hoping that you will be good enough to write me by return mail in view of the brief time I have, with kind regards,
