Dear Rabbi Silver:

I regret very much that I did not get to see you while you were in Cincinnati. What I wanted to discuss with you is the business in which I am working and I believe that you know that I am with the Union Central Life Insurance Company of Cincinnati and have been for the past eleven years.

I have not had very many opportunities to see you since you have been in Cleveland and for that reason I am writing you now.

If you will be kind enough to mail me your date of birth, I will be more than pleased to submit some propositions to you; or, if you have never had an analysis made of your Life Insurance, I will be pleased to serve you.

My Father wishes to be remembered and also my sister; with kindest regards and appreciating a reply, I am

My dear Abba,

I want to thank you for sending me a copy of your book "The Democratic Impulse in Jewish History." In my absence in the East, Rebecca and the baby were staying at the home of a friend in another section of the city and so my mail wandered about. I did not get your book until last Thursday and I have not as yet had the opportunity to read it. I

Adolph J. Feinberg, of your city is an applicant for admission to the Hebrew Union College. He has given us your name as one who might recommend him for admission to our Institution. We will appreciate greatly if you will give us your full, free and confidential reply to the following queries, as you can well realize that it is of the utmost importance that students for the Rabbinate be of the very best material, and that they must evidence fine qualities for spiritual leadership:

How long have you known this young man?
What have been your personal relations with him?
What is your impression of his character and personality?
What do you know of his family history and religious background?
What is your opinion of his mastery of the English language?
What, if any, are his present religious affiliations or interests?
In your opinion, has the young man all the qualifications for spiritual leadership?
What, in your opinion, are the motivating influences leading him to choose the Rabbinate as a life work?

Dear Rabbi Silver:

I shall be very grateful if you will send us your check for \$500 which you were good enough to underwrite as a sponsor for the Herzl Memorial Book.

We are planning to go to press on June 10th so that the volume may be completed in time for the Zionist Convention, but are seriously handicapped in our work due to lack of funds since, as you know, we have no source of income other than the money we receive from sponsors through whose generosity this book is made possible.

If for any reason you find it inconvenient to mail us your check at this time, will you be good enough to sign the enclosed blank and indicate a definite date when you will send it.

Please typewrite or print your name on the reverse side of the blank in full, so that it may be listed correctly both on the roster of sponsors published in the book and on the cover of the de luxe leather bound edition which is being prepared especially for sponsors.

Assuring you of our appreciation for your co-operation, I am

SCHOOL FOR TEACHERS AT ADDIS-ABEBA, ABYSSINIA

June 4th, 1929.

Rabbi A. H. Silver,
The Temple,
East 105th Street,
Cleveland, Ohio.

Dear Rabbi Silver:

We are face to face with a situation that compels us to secure a fund immediately to take care of our budget for the summer period and so prevent the repetition of the situation a year ago when Dr. Faitlovitch and the pupils at our school in Addis-Abeba faced actual starvation and other problems because of our inability to transmit the promised funds in accord with the agreed budget.

I am accordingly visiting Cleveland among other cities during this week, with the consent of our Committee. I am writing to you to ask for your co-operation in raising a few hundred dollars among men of your Congregation. I am appealing to one other colleague in your city to do likewise.

Since I shall have but one day in Cleveland, namely, Friday, June 7th, I shall thank you very much if you would send me, to the Hotel Statler, a letter of introduction to a list of eight or ten men to whom I could appeal for contributions in sums of \$50 and \$100.

If you could possibly call with me on two or three men, and thus insure a contribution on their part, our Committee would be deeply grateful.

Please aid us in this critical hour. We have done excellently this year and we do not want to undermine all our good work by being unable to meet our commitments for the summer period.

Anticipating receiving your letter upon my arrival at the Hotel Statler Friday morning, and thanking you in advance for your very generous aid and interest, with kind greetings,

Sincerely,

J. Max Weis

Dear Rabbi Silver: -

I plan on bringing my sweetheart to Cleveland on Sunday June 16th, and would be honored to have you perform the marriage for us. Our parents will accompany us.

If that date, about two o'clock in the afternoon, is satisfactory, can you kindly let me know. However, should your duties prevent you from officiating, perhaps you can arrange for your assistant to perform the ceremony.

You may remember I rode from Youngstown to Cleveland with you last winter, after you spoke at the Temple Emmanuel. Mr. Goldman introduced us.

Can you kindly let me know if we may definitely make arrangements to see you?

To Whom It May Concern:

Mr. Albert Downing was a member of the choir of our Temple as the leading tenor for a period of three years. It was with deep regret that we learned of his departure from our city.

Mr. Downing's voice is rich and beautiful. He interprets religious music with profound understanding and consummate skill. He is a musician of the first rank. I would heartily recommend him to the choir of any great church or Temple.

Dear Sirs:

I shall not

reach Cleveland before Wednesday.

Through the kindnesses of James H. Becker, James Davis and S. J. T.

Strauss of S. W. Strauss & Co., I have been able to obtain an excellent result for the Alaska Cause.

I hope you have sent me the names and letters of introduction. We shall be glad to take units

of \$25⁰⁰ in order to secure the
Hotel from Cleveland - I shall
have but one day.

Freehof, Henry, Stolz
and Harkness have all
been very helpful. Mann
is out of the city.

Hoping that you will
assist me in this first visit
into the field that we have
made for the Falascha, to secure
the budget for the summer period.

With kind greetings,
Sincerely,

Max (J. Max) (1890)

My dear Dr. Englander:-

I have your inquiry about Adolph J. Feinberg who has applied for admission to the Hebrew Union College.

Mr. Feinberg just graduated from the Temple High School. He was the valedictorian of the class and received the Temple prize scholarship of \$150. for excellence in his studies during the three years of the entire school course.

He is a confirmant of the Temple and his family have been identified with the Temple for a great number of years.

He has taken supplementary study in Hebrew from private tutors and at the local Talmud Torah. He is a boy of very fine character and I have no hesitancy at all in recommending him for admission to the college.

My dear Mabel:-

Mrs. Silver and I received the beautiful gift which the Friday Evening Group sent us but we did not know to whom to send our acknowledgment and rather than write to each one individually, we thought we would wait for the reunion of our group some time this summer.

This morning I learned from the Potter Studio that you were the chairman of the committee and I hasten to express to you and through you to the members of our group my deep appreciation. Really the group should not have gone to the trouble of sending me this token. The pleasure which I derive from our Friday Evening gatherings is sufficient reward to me. I trust that we shall meet soon again.

I hope that Mrs. Silver and I will have the pleasure before long of seeing you.

The Liquidating Midland Bank, Trustee
Cleveland, Ohio.

Gentlemen:

Several years ago S. Ulmer and Sons, Inc. offered for sale some of the bonds on the Palace Theatre and Commercial Building of South Bend, Ind. We understand that you wish to bring to the attention of the bondholders certain conditions affecting this property at the present time.

The trust deed under which these bonds were issued provided for monthly payments into a sinking fund to meet ground rent, taxes, insurance and interest and principal payments of maturing bonds. The owners of this property failed to meet all sinking fund requirements that were due October 1, 1927, and we accordingly placed a representative in charge of this property to make sure that all income in excess of operating expenses would be paid into the hands of the Trustee.

All income, after operating expenses, since that time, has been turned over to the Trustee for the bondholders. The net income from the property has not been sufficient to meet principal requirements. Of the principal maturing October 1, 1927, bonds in the amount of \$10,000. remain unpaid. Of the principal falling due October 1, 1928, there remains unpaid \$35,000., or a total of \$45,000. past due bonds unpaid at the present time. Ground rent has been met regularly to March, 1929, and at the moment is delinquent for the months of March, April, May and June, 1929. All taxes have been paid to date. Under the present circumstances, funds will not be available to retire the bonds which mature in October, 1929.

When this loan was made in 1925, the property had a gross annual income of better than \$180,000. Of this amount over \$117,000 represented income taken in directly from the theatre, which was and is leased to the Orpheum Theatre Company, one of the largest and most successful theatrical companies in this country. This income was based on a minimum guaranteed rental of \$40,000. per year and one-half of the profits arising from theatre operation. Since that time two other large theatres have been built in this immediate vicinity, with the result that profits have dropped sharply and lately very little has been received in excess of the minimum rental. The theatre is under lease for a period extending two years beyond the last maturity of the bonds.

We feel certain that the difficulties affecting this property at the present time will be adjusted. The company has on its books receivables in an amount sufficient to cure all defaults that exist at this time, and we are assisting the company in forcing payment of these items. The premises are fully occupied, and if present plans mature, the theatre situation, which accounts for most of the shrinkage in profit, will be satisfactorily adjusted.

Very truly yours,
S. Ulmer and Sons, Inc.

Perhaps naming your society after some great Jewish writer like Maimonides or Ha-Levi or some modern like Israel Zangwill would be appropriate.

Rabbi Abba Hillel Silver,
The Temple,
E. 105th Street,
Cleveland, Ohio

Dear Rabbi Silver:

Enclosed you will find two additional checks for two of your books. I am sorry I neglected to send them to you sooner.

I read with a great deal of pleasure the statement of policy of your Synagogue. I, too, have felt that the secular adjuncts of the Synagogue have been overemphasized at the expense of the purely spiritual and cultural activities. Your course of action is logical if you feel sure that the Synagogue is incapable of injecting a spiritual and Jewish tone in the social and recreational activities of its centers. Not having a center of my own, and being a firm believer in your sincerity and spiritual devotion, I am inclined to abide by your judgement.

I just finished reading the article of Rabbi Goldman in the New Palestine. I am inclined to feel that this nationalization of God whereby He is made subsidiary to Israel represents a misreading, if not a distortion of the Jewish attitude of the past. It is true that the Jew spoke of God in a possessive rather than in a declarative mood. Nevertheless the belief in Him was central in the Jewish scheme. Israel was fashioned to serve Him and not He to serve them. I cannot see how we can hope to arouse a belief in the divinity in and reverence for the Torah if we merely consider it as folk views *ways*. Don't you feel the same way about it?

While I am in a "shmusing" mood, I want also to tell you that the Union Temple of Brooklyn asked me whether I would be interested in the vacancy which exists there. I replied in the affirmative and they have asked me to meet their committee on June 25th. A word of recommendation from you to some influential people that you know there would help a great deal. Would you do that for me? Let me know whether you have any connections there and whether you will do this for me.

With best regards to Mrs. Silver, I remain

My dear Rabbi Calisch:-

I have been able to procure the following
information about Ralph J. Simon:

He has been in the law office of Mr.
Otto Zinner of our city for about four years. I do not
think that he is a partner in that office but Mr. Zinner
speaks well of him.

He was the valedictorian of his class
when he graduated from law school. He is spoken of as an
able man and one who would be able to assume the financial
responsibilities of a family. He is one of several children
and his father is in the clothing business.

I learned but one fact which I am having
investigated. His brother was indicted recently on some
charge having to do with the selling of stolen stamps.
I have not gotten the details of this thing but as far as
I have been able to learn Mr. Ralph has had nothing to do
with it. As soon as I receive more information I shall
communicate with you.

I am enclosing form letter we usually send out. I will appreciate an early reply.

Jury Commissioners,
New Court House,
Cleveland, Ohio.

Gentlemen:-

Attention Secretary.

I received notice from the Jury Commission that it has my name under consideration as a juror and that I am to report to the Commissioners on June 15th, 1929. While I should regard it as a great honor to serve on the Jury, I desire to call your attention to the fact that I am a Rabbi of a very large Temple in Cleveland and that I am called upon at all hours of the day for funerals, weddings and other religious functions and that service on the Jury would interfere with the proper discharge of my office. If you think, in view of these facts, that I should report to the Commissioners, I shall be glad to do so.

With kindest regards, permit me to remain

Very sincerely yours,

HISTADRUTH IVRITH of AMERICA

NEW YORK

חבר וכבוד

חוקר המרכזי של ההסתדרות העברית באמריקה קורא לסועצת עברית שתתקיים בדטרויט, בימי הועידה הציונית, (30 ביוני - 2 ביולי, 1929), בה ישתתפו הצירים העברים אל הועידה הציונית, אורחים וכן שליחים מיוחדים מאגודות עבריות, בתי ספר ומוסדות עבריים שונים.

בסועצת זו שתשמש מעין ועידה נלווית נדון בעניינים הקומדיים ברום עולמנו העברי, בה נעין בשאלות: העתון העברי לילדים, ספר-השנה, הוצאת הספרים "עונן", ארגון העברים ותנועת העברי, עבודת הרבנות בין השכונות הציוניות והסתנות של "בני ציון", גם שאלת הקונגרס העברי העולמי וטעם העברית ברוסיה יעלו על חסר. וכן עלינו להסתדר לשם הועידה הציונית עצמה - למען נגן בכחות מאוחדים על דרישותינו.

אנו מיחסים חשיבות ארגונית רבה לסועצת זו. כי עד כה היו הועידות השנתיות של ההסתדרות העברית נערכות רק בסורה וחברינו מן המערב התיכוני ושאר המדינות לא יכלו לצערנו להשתתף בהן. וסוכן שזה השפיע, ולא-למובח, על עבודתנו. אולם הפעם ניתנת תיכולת לזמן את חברינו מהמדינות המערביות והדרוסיות לעניינינו - ותקוותנו חזקה כי הסועצת תצליח ותוסיף ענין ובה למחננו ולעבודתנו.

סופרים, עסקנים ונואמים יקחו חלק בסועצת זו - ויש להאמין כי גם נחום סוקולוב, אורחנו החשוב, יהיה אתנו.

חשיבת הראשונה של הסועצת התקיים ביום ב', 1 ביולי, בשעה 9 בבוקר, באולם הועידה. Hotel Statler, Detroit, Mich.

אנו מתכבדים איפוא לחוסיןך אל הסועצת הזאת וכן גם לראות ולחשתדל שכל העברים שיהיו צירים לוועידה הציונית, ידעו כי שליחות כפולה להם: שליחות הציונות ושליחות העברית.

בתקווה להתראות בקרוב בדטרויט, אנו חותמים

It was very good of you to take the time to read my paper. I am sorry now that I did not wait until I had revised it, as I think the revision is a considerable improvement. Incidentally, I changed some of the things I said about unemployment insurance, fearing that the previous paper might be misinterpreted as being opposed to that measure, whereas, I really believe that unemployment insurance of a certain kind is valuable.

We missed you at the last board meeting. Incidentally, we needed you, as there was a very close vote on a question of some importance. I hope you have a fine vacation.

Dear Rabbi Silver

We had our last meeting of the Crippled Children
Committee today, under the present administration.

In checking up the list of contributors to the
crippled children fund, I find your name missing
and believe this to be an oversight on your part, as
I can't help but feel you want a part in this splen-
did work the Rotary Club is trying to carry on.

Will you not, therefore, fill out enclosed card
and send it to Bob Bishop so that we can add your
name to the list. July 1st is the deadline for us to
turn over the records of this years committee.

Rotarily yours

Dear Sir:

Mr. Abraham Kramer, of your city is an applicant for admission to the Hebrew Union College. He has given us your name as one who might recommend him for admission to our Institution. We will appreciate greatly if you will give us your full, free and confidential reply to the following queries, as you can well realize that it is of the utmost importance that students for the Rabbinate be of the very best material, and that they must evidence fine qualities for spiritual leadership:

How long have you known this young man?
What have been your personal relations with him?
What is your impression of his character and personality?
What do you know of his family history and religious background?
What is your opinion of his mastery of the English language?
What, if any, are his present religious affiliations or interests?
In your opinion, has the young man all the qualifications for spiritual leadership?
What, in your opinion, are the motivating influences leading him to choose the Rabbinate as a life work?

Sincerely appreciating an early reply, I am

Very truly yours

Henry Englander

Dear Rabbi:-

I am taking this opportunity to write you regarding a certain situation which I have become engulfed in. I have been informed that you are the President of the United Jewish Campaign and I am taking the liberty of explaining my difficulties to you as I am unable to reason with any other member of this organization.

The situation is this: About three years ago I was approached by a very dear friend of mine who asked me to sign a pledge for \$240. to the United Jewish Campaign. I told him at the time that my circumstances did not allow me to make any such a pledge, but of course with a little persuasion on his part he got me to sign, with the understanding that things might get better and enable me to keep my promise. Since that time conditions in business have become worse instead of better and I not only have not been able to meet this pledge but I have been having a great deal of trouble meeting my bills which mean the support of my family. Now, Rabbi, I have received a Final Notice from this committee that I must either pay this pledge up with a few days or they will sue me for this amount. Is this fair? Is there such a think that if a man pledges to give something and he comes unable to do it should he be forced by court to pay it? At the present time I am sending money every month to two families in Europe of my own and it is pretty hard for me to do this. To be sure I would be more than glad to give this money if I was able too, but it is an impossibility at the present time. I would appreciate very much a reply from you in this matter.

Yours respectfully,
