Dear Mr. Musser:

I wonder if the Cleveland-Wooster Club might be able to help me with my senior I.S. project in History, which is the "American Jewish Community's Views, Pro and Con, of Zionism."

It would be a great help to me if I could get introductions to some of the leaders in the Cleveland Jewish Community. I would particularly like to see Rabbi Abba Hillel Silver, so that I could interview him on my topic. Any help the Club can give me along this line will be greatly appreciated.

Sincerely,

My dear Abba:

You will forgive me for bothering you again ~~again~~ about the dedication of the plaque in memory of my son Emanuel.

As I gather from your letter of November 5, 1957, you had expected to hear from them in reply to your letter in which you enclosed the inscription to appear on the plaque, and then to communicate with me. Evidently they did not respond.

The month of April, when you plan to visit Israel, is rapidly approaching. From my personal experiences in the past with Israeli institutions such as Keren Kayemet and Israeli Kibbutzim, I am very much afraid that when you will come to dedicate the plaque, you may find *ח' אל קבר /כ*, **A**nd how Anna and I are anxious to have our dear son's name perpetuated in Israel, in Kfar Silver!

ח' אל קבר /כ If the proposed inscription you mailed ~~them~~ was somehow misplaced, I am enclosing here two duplicate copies. As I wrote you before, Emanuel's name, mentioned in Mr. Daniel's letter to you of July 10, 1957, was incorrect. I do hope that Kfar Silver will prove to be the exception, and everything will be properly arranged and prepared when you arrive there.

I am enclosing an editorial in last week's National Jewish Post. Dr. Emanuel Cohen of Redwood City, California, as chairman of the Welfare Fund in his community, was one of the rare exceptions among physicians.

Kindest regards to Virginia in which Anna joins me. I see from the Temple Bulletin that Daniel Jeremy is making quite a name for himself. My kindest regards to him.

As ever yours,

Sol
P.S. On the enclosed card of inscription the word *plaza* and *inscribed* is filled in by me in pencil. I have filled in the correct word for it.

Dear Mr. Nider:

Please pardon the delay in answering your letter of December 3rd. I have been away from the city a good deal of the time and my correspondence has lagged.

I am glad to tell you what I know about Mr. Charles Ascherman. He has, for many years, been an honored member of our Temple and has given of himself enthusiastically to its religious and cultural programs. His interests, however, are not confined to The Temple or to any one institution. He is a man of widest sympathies and gives of himself most generously to many worthwhile civic and philanthropic projects. He has been particularly interested, as you undoubtedly know, in penal institutions and the rehabilitation of men after they leave these institutions. He has often come to talk to me about specific cases. I have, from time to time, brought to his attention cases of men where I thought he could be helpful.

Quietly and without fanfare, Mr. Ascherman has through the years been rendering a valuable humanitarian service. It is good to have such men in a community.

With warmest regards, I remain

Very cordially yours,

Dear Rabbi Silver,

Your letter of December 24th 1957 must have been delayed, because of Christmas overtaxation of the mails and I was also away from New-York a great deal with lecture engagements, hence the delay in acknowledging same only today.

Great, marvelous Rabbi Silver! How shall I express to you my thankfulness for your wonderful response? The happy surprise is too short lived yet to allow me to find the appropriate words, so I can justly express my deep-felt gratitude. Now I am a happy man! Now I can just do that, which has been in my heart for many years. If you knew, dear Rabbi Silver, with what pangs I was awaiting your answer! I was sure it could not be otherwise but positive, full and coached in great delicacy of wording, warmth and personal consideration.

Now I can go back home and hasten completion of the last volume and see it through the press with God speed and good luck. You are backing me up in every way. God's blessing, which I so much wished for the final act of a great work, has now been given to me by no lesser one than your good self. God bless you in return seven-fold.

Dear Dr. Silver:

I have heard through the grapevine that you are honoring the Hillel Foundation of Cornell University with your presence on Sunday, January 12th, at 6:30 P.M.

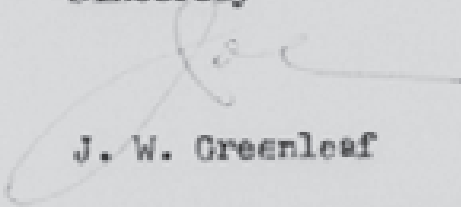

Our son, Jonathan (Jonny) is a freshman at Cornell and is looking forward to saying "hello" to you after the lecture. He has fond memories of having met you personally in Atlantic City when, you may recall, I had the privilege of serving as Chairman of the National Convention during your first administration as President of the Z.O.A. Since then Jonny has heard you speak at several important functions, but will not have had the pleasure of greeting you personally again until Sunday.

Since Jonny is still a teenager, a few nice words from you to him about his dad would not hurt one bit.

Seriously, may I wish you a very pleasant round trip to Ithaca. It is a beautiful place to visit at this particular time of the year.

Freddie joins me in wishing you, Virginia, and your family a very happy and healthful New Year.

Dear Rabbi:

I am enclosing herewith copies of the first three articles which I told you about yesterday and which have been published in the Sun-Press. I have written two others and will be very happy to send them on to you after they have been published.

My stay in Israel was a very exciting one and I have tried to convey some of this enthusiasm by means of these articles and some of the talks which I have given throughout the city.

כזכור לך בודאי, כזמן בקרוך האחרון בארץ, שוחחנו על שבת דודך, הגב' יונינה זילבר (עתה פלדברג) בתם של ערל וגיטה זילבר סוילקוויטש. נשארה בחיים וחייה בויילנה. לקני כפחצית שנה נסיתי לבוא אהה בסע על ידי בן-דודי, יוסף זימן שנמצא עדיין בויילנה, והתשובה העתה אז שסמיכות טובות וידועות לכולנו, לא יצתה לעמוד בקשרים עם סרוביה בארץ וארצות הברית.

Dear Rabbi Silver:

May I introduce myself by telling you that I
am a former Chief of Army Chaplains.

I am taking this liberty in writing you in
behalf of my good friend Chaplain Henry Tavel. There are
those of us who feel that Henry should be the next Chief of
Army Chaplains. In the first place your Faith has never had
a Chief of Chaplains. In the second place, in my judgement
Chaplain Tavel is well qualified to fill that important
position.

The present Chief of Army Chaplains is a Roman
Catholic. His term of office expires in the spring.

Dear Rabbi Silver,

I am now a senior at Princeton University and writing my thesis on the "Role of Jewish Community Relations Organizations in the United States during the Suez-Sinai Crisis." Since this paper is being prepared for the Politics Department, my primary concern will necessarily be in that area.

Among the questions I plan to discuss are:

1. What contributions do the groups or a specific group make to the American political scene?
2. What is their influence on governmental policy?
3. What is the efficiency and effectiveness of their various techniques?
4. What is their overall value to the Jewish community, the general community and to the formulators of opinion and policy?

As I plan to devote a chapter to the February White House Conference with the eight non-Zionists, I wondered if you could comment on it, especially ^{to New} regard to whether you considered it proper and valuable, since it raised to some the question of dual loyalty and allegiance. Another chapter will deal with activities on the local level and I would appreciate your views on the effectiveness, efficiency and influence of the work done in Cleveland. I would also be interested in the part you played during the crisis, and if you could send me any statements you made, they would be of use not only in the text, but in the complete appendix which I hope to compile.

As part of my project I am soliciting views on these issues and would appreciate your opinions very much and expect they will prove valuable to my study. This information will complement the research done so far with the full cooperation of the various groups. I assure you that any aid you can give me will be most welcome and helpful. I hope to have the opportunity to speak with you the next time I am home. With best wishes for a happy, healthy and peaceful 1958, I remain,

Sincerely yours,

My dear Merrill and Mitzi:

The Temple Office has advised me that you have sent a contribution to The Temple Museum Fund in honor of our 35th wedding anniversary and my 65th birthday.

I need not tell you that I am profoundly grateful for your thoughtfulness.

I hoped both events would pass by unnoticed but evidently some of our good friends got wind of it.

Many many thanks.

My dear Rita and Howard:

I want to thank you for your lovely note and for the check which you enclosed.

My custom is not to accept any honorarium for wedding ceremonies. I usually apply such checks which are sent to me, subject of course to the approval of the parties, to their first year's dues as members of The Mr. and Mrs. Club of The Temple, which, by the way, is \$25.00. If it is agreeable to you, I will do just that. If not, I will place it into a charity fund here at The Temple.

With kind regards and all good wishes, I remain

Dear Dr. Silver:

PEC will pay a cash dividend of 4% on February 28, 1958. More than \$400,000 will be payable to PEC stockholders on this 44th dividend.

By reinvesting their dividends in additional PEC stock many devoted PEC stockholders have for more than a decade provided PEC with additional capital for important Israel enterprises which can contribute materially to rendering Israel economically independent.

I hope you will join such PEC stockholders by signing and returning the enclosed Dividend Retainer Authorization. This Authorization has been prepared in the name in which the stock is registered. The Authorization may be revoked by you at your pleasure.

In appreciation of your favorable consideration of my suggestion and with all good wishes.

My dear Mr. Hexter:

The Ohio Foundation of Independent Colleges has received a generous gift from you to be divided among the 27 members of that organization. Findlay College, as one of the member institutions, benefits from your gift. Therefore I wish to extend to you and those responsible for making the decision to aid the Ohio Colleges, the sincere and deep appreciation that we have for the assistance received.

As we, the small colleges of Ohio, look to the future, we see that more problems, due to increased enrollment and the necessity of supplying additional faculty members and course opportunities, will be forced upon us. We think also that we are rendering a unique contribution to the higher educational pattern of Ohio. There is some virtue in being a small college due to the close faculty member and student family atmosphere which develops during the course of a year. Moreover, in a small college, more students have an opportunity to participate in leadership training curriculum activities and extra curricular activities than in a larger institution. In addition, those of us which are church related insist upon Christian ideals, ethical standards, honesty, integrity, reliability and the other characteristics of religious environment which helps to produce leaders of outstanding qualities in the respective professions into which they enter. Above all, I believe the small college, by virtue of its philosophy of education, has presented in its courses in economics, political science and history especially the basic ideals of democracy which have made our nation great and will continue to make it the strongest nation on earth.

We thank you again sincerely and hope that we shall continue to merit your confidence and generosity.

Yours in His Service,

Dear Rabbi Silver,

Last Saturday night I took the liberty and called you on the telephone for what I beg your forgiveness.

That Saturday we had received a letter from Yoninah Feldberg from Warsaw and the situation is most urgent. Now that the matter is in your hands, she and her family have great hopes that soon they will be able to proceed on their way.

If there is anything we can do to help with information or such, we are at your service all the time.

Very Truly Yours,

My dear Rabbi Silver:

I deeply regret the delay in reply to your letter of January 6. The delay is due to my absence from New York last week.

Your relative appears to be one of the repatriates from the Soviet Union. We here are not in possession of all the information relating to the procedure governing the emigration to Israel of people in this category. We have, therefore, written to our Legation in Warsaw to ascertain the present position and have asked them as to the ways and means of helping your relative.

I shall communicate with you as soon as I have heard from our Legation in Warsaw.

In accordance with your request I am returning herewith Mr. Feldberg's letter.

Hon. Lewis L. Strauss,

My dear Dr. Strauss,

On the front page of the New York Herald Tribune this morning I read the statement concerning your "gift" to Soviet Deputy Prime Minister Mikoyan of a copy of Washington's Farewell Address with the passage underlined concerning religion.

I wish to express my profound appreciation for what you did. I listened intently to the various broadcasts hoping to hear someone say something about the basic reason we cannot get along with the Soviet Union - their rejection of the concepts underlying our Judeo-Christian faith, and not only their rejection of it but their complete indifference of those who do accept and practise it, except where expediency is expedient and temporary. But you showed all this in discussions with that which should have been said and done, showing that it was not just an individual opinion, but an underlying concept in our national consciousness.

There is certainly a profound sense of gratitude on the part of many of our people when we find expressions of religious faith, without sectarian connotation, courageously given by our governmental officials.

May God bless you always.

Sincerely yours,

Harold F. Damon

Dear Rabbi Silver:

I hope my previous letter, which surprisingly enough did not come into your hands in spite of the fact that I had sent it airmail-special delivery, has reached you by now.

You cannot imagine how happy I am that you have graciously consented to address our dinner in Toledo where preparations are in full swing. As promised, I shall keep you informed about the developments.

In the meantime, another interesting "problem" has come up and I would highly appreciate your kind advice on the following matter.

Professor Israel Reichert from the Hebrew University's School of Agriculture, is at present here in New York. I understand he is a personal friend of yours and most certainly he is one of your most fervent admirers. Professor Reichert has found and classified an edible mushroom which grows, apparently, only in the Middle East. He has found it in the Emek and in Hefzi Ba.

It is the intention of Professor Reichert to honor you in the most impressive way a scientist can honor an outstanding personality: by giving this newly found mushroom your name, calling it *BOLETUS SILVERIANA*.

It is, of course, his ambition to do this in some way which would call this honor to the attention of the Jewish community. He has consulted me about it and I thought it best to submit this problem to you. Are you the honored guest of any important function in Cleveland or in New York within the next few weeks, into which a few words by Professor Reichert (ten minutes) and a little ceremony could be built in? Would you want us to make use of the Toledo dinner for this purpose? Frankly, I don't think Toledo is the right place.

I would highly appreciate it if you would let me have the benefit of your guidance in this matter.

I need not tell you that I am deeply moved by the honor which you have bestowed upon me today. I have, in the past, received, in many instances quite undeservedly, marks of recognition, but this is a unique experience for me and deeply appreciated.

I want to thank the eminent scientist, Professor Israel Reichart² especially for having selected me to receive the honor ~~to~~^{of} havingⁱⁿ the new mushroom which he found and classified, named after me. This is the highest honor which ~~the~~^a scientist can bestow upon any one. I have, for years, enjoyed the privilege of his friendship, and that of Mrs. Reichart, and this, his latest expression of friendship, I shall deeply cherish.

To have one's name associated with a plant in Israel is a rare distinction indeed. Our people was always fond of associating precious things and high human values and ideals with growing things and with natural phenomena. Our Torah is likened to a tree of life. The good man is like a tree planted by streams of water. The life of man and of nations are likened to grass and flowers which flourish and pass away, while the word of God endures forever. How often is the House of Israel compared to a vineyard of the Lord, and the men of Judah to a plant of His delight. In the gladsome time of Restoration -- which may also apply to our own times -- "the wilderness", we read, "will be turned into a pool of water and the dry land into springs of water. God will cause to plant in the wilderness the Cedar, the Acacia-tree, the Myrtle and the Oil-tree and He will cause to be set in the desert the Cypress, the Plane tree and the Larch". (Is. 41.8-10)

The impressive scientific discovery of Professor Reichart² of the Hebrew University School of Agriculture, is a signal achievement from a great scientist and from a great institution from which many new discoveries^{I am sure} will be vouchsafed^{in the future} to mankind in many fields of human endeavor. The little land of Judea has in the past sent forth ~~mighty~~ revelations and influences which have affected the course of human history. It has been a land of light and leading for mankind. Revolutionary ideas in religion and in ethics have come forth from ~~these~~^{among} mountains in Judea and plains of Summaria. The vigor and vitality of the people of Israel which made

Sumeria

these vast contributions to civilization are not spent. The creative spiritual and intellectual energies are here -- the vision and the dedication are here -- of men and women who love truth and wish to serve their people and mankind in the highest ranges of the mind and the soul. There will be many startling discoveries emanate from this land which will be a blessing, not only to Israel, but to the whole of mankind.

The land of Israel is small, but the people of Israel will make it great. The monumental contributions to civilization have been made by great peoples which have inhabited little countries. Generations of men and women to come, living in this land of challenge and renewal, will speak great words and do great deeds. Not in opulence but in eminence will their destiny be fulfilled, and their pride will be distilled not out of dominion or far-flung borders, but out of the rare achievements of heart and mind.

Dear Dr. Silber,

I hope that neither you nor Mrs. Silber have ~~not~~ forgotten my name and ^{that} of my wife (the friend Nadia Sittiger). Our acquaintance came about in Stockholm 1850, where we spent pleasant unforgettable hours together. All my trials to contact you when Israel in your hatch were in vain. We greeted you once on the streets of Jerusalem - that was all. But I have written ^{to} you several times in one of these letters I informed you that I have decided as a sign of my admiration for you to call one of my new discoveries in mushrooms of Israel, not known in science up to now on your name. This mushroom should go out in the world under the name of Bolbitis Silberiana and will perpetuate your name for ever in the mycological literature & science. Only after long study I in barbaric finding in a Eucalyptus forest at near Hepti Bab and Bet Shefah is a real new species. Now I can publish it.

When meeting Dr. Fuchsman of the
Office of Friends of the Hebrew University

a week ago in N.Y., I told him this story.
He suggested that I should make this dedi-
cation publically at a celebrating occasion
arranged by the A.U. as that will be a bond
between you and our new science sponsored and
developed by the A.U. I was happy about this
idea as since long, as mentioned, I cherished
for your personality high admiration. When
my friend Chaim Kunes, Rector of Dorot (Library)
was about to go to N.Y. I emphatically advised
him to come to see you. He has done it and came
back as your admirer. He told about his talk
with you. Now I shall have the opportunity to
tie up your name with Dorot's nature,
which like and have done so much.

I am in the U.S. since November 16, where
I have been invited by the California University
to lecture at the Conference of Citrus Virus
diseases in Riverside. Since then I am roam-
ing around in the citrus orchards of Calif.,
Arizona, Texas and Florida. I was invited to
lecture at the Universities of Los Angeles, Berkeley,
Davis (Calif.), Davisville (Lake Alfred), Florida, Washing-
ton D.C. (Federal Research in Beltsville). Today I am
lecturing at the Academy of Sciences of N.Y.
and tomorrow 11 and 14 I am invited to lecture
at the Cornell University, Ithaca. You don't need
more florification but I hope my modest but
very devoted contribution will prepare you some-
what as it is connected with the soil of Israel.
I send you my regards and also my devoted
love from my wife.

Executive Vice President

9 East 89th Street
New York 28, New York

My dear Dr. Lachman:

Let me thank you for your letter of January 22nd.

I was delighted to receive word from you that Professor Israel Reichert from the Hebrew University, for whom I have the highest regard, wishes to honor me by naming the new mushroom, which he found and classified, after me. I regard it indeed as a great honor and I wish you would convey to Dr. Reichert my profoundest appreciation.

As regards the problem of public announcement and presentation with which you confront me, I am at a loss to give you any helpful suggestions. I am not scheduled to be in New York for any function for the next few weeks, nor am I the subject or the victim of any special testimonial here in Cleveland. Are you holding any affairs in New York City in the near future under the auspices of the American Friends of the Hebrew University? If so, time permitting, I would make an effort to attend that function. Otherwise, the Hebrew University Toledo meeting seems to be the only other occasion.

There is, of course, the alternative of giving a straight-out press release as a subject of scientific interest. Professor Reichert may then make a covering statement. I am sure that the press would welcome the announcement.

Perhaps the Zionist Organization of America is planning, in the next few weeks, some important meeting in New York City. That might serve as a proper platform. I would suggest that you contact Mr. Harold Manson of the ZOA.

With warmest regards and all good wishes, I remain

Very cordially yours,

Mr. Leon Ilutovich of the Zionist Organization of America has brought to my attention your very attractive article which appeared in the New York Daily Mirror on January 20th under the heading "How Children Learn Ways of Democracy".

I have read the article with keenest delight and was especially pleased with the vivid and sympathetic way in which you described Kfar Silver and the life of the children from all parts of the world in this agricultural training school. I am sure that your article will do a great deal of good, not only for Kfar Silver, but by way of giving the average American a better understanding of the evolving life of that gallant little country on which so many hopes center and around which so many storms sweep.

Dear Rabbi Silver:—

It is regrettable I could not get an appointment with you when I visited your city recently as your schedule was so busy.

It was in regard to my late husband's works by Dr. Hatellum.

The outstanding scholar you are you will judge for yourself the merit of this work. However I did want to show you the endorsements of Dr. Nelson Glusberg, the late Prof. Louis Ginzberg Dr. Belkin all who knew my husband personally for his scholarly ability.

Since Rabbi Cohen was not privileged to distribute the fruits of his labors suffering a fatal heart attack I have undertaken to bring this work to the attention of some rabbis who have library funds to assist in furthering this worthy project.

Under separate cover I have mailed the 3 volumes for your library and trust you will recommend its acceptance.

Even tho I did not get to shake your hand your address at the Hanukkah Social Band Festival was most stirring and impressive.

wish every good wish for
you and your dear ones for the

Rabbi Abba Hillel Silver

January 29, 1958.

My dear Rabbi Silver,

My name is under consideration by President Dwight D. Eisenhower for membership on the Civil Rights Commission. Any weight you could activate towards a favorable decision would be appreciated.

We had met as "delegates passing in the halls" at ZOA conventions in Pittsburgh and New York City.

My parents were Zionists in their philosophy and some of it remained with me. In 1941 I was President of the Hanita Camp of Bnai Zion and in 1948 I was vice president of the Stamford, Conn. section of ZOA. During those hectic years, I beat a regular path to Washington to beard our Senators and Congressmen about partition.

As a director of my Synagogue, I was active in the direction of our Hebrew School and helped organize the drives for UJA and Food for Israel.

Elected to the School Board at Stamford Connecticut, The four years of membership merited distinction and decisions of integrity for all people.

Another contribution to improve Jewish-Christian relations was as Cubmaster of a new Boy Scout Group at an Episcopal Church. There were 27 Catholic, 27 Protestant and one Jewish boy, my own. He was the first boy, to date, to win a Ner Tamid award from our Synagogue.

These items are enumerated only to indicate a breadth of interest and participation in community affairs.

What contributions can I make to the Civil Rights Commission?
There are many.

As a Construction Superintendent and twelve years in the building industry coupled with fifteen years as an Industrial Engineer with firms of national repute have enabled me to work with people of many creeds and colors. What I've learned is not theory, but the knowledge of day by day working with them.

After graduation from Brooklyn Law School, I took evening courses for five years in electrical and industrial engineering. In my own profession, I've risen to become Chief Manufacturing Engineer, at Raytheon Mfg. Co. (we make guided missiles.)

I would bring to the Commission the mature judgement of an engineer trained in Law and tempered by the understanding of our own Talmud.

All these I offer freely. I need your help.

I would prefer to apply the amount to your first year membership in The Temple if it is agreeable to you. Membership for those up to the age of 35 is \$25.00 a year plus an assessment for the new Temple Building of \$25.00 a year for four years. Your contribution for \$50.00 would, therefore, cover both your first year's membership and your assessment.

קליבלנד.

אבא הלל היקר - ברוך תהיה!

בשמחה רבה קבלתי את מכתבך מיום 23 לינואר, 1958 ואני מאשר לדעת כי הנך מוכן לעשות ~~עצמית~~ דודתך יונינה פלדברג-זילבר הכול מה שרק באפשרותך. לא היה לי כל ספק בנכונותך ורצונך הטוב לסייע לה הנ בעלייתה לארץ והנ בתמיכה בזמן שהותה עדיין בפולין. לא תיארתי לי שהצירות שלנו בארצות הברית יודעת הרבה בענייני העליה מארצות הברית המזרחי ופולין בתוכן. טוב עשית שהפנית אותם לצירות בורשה. אולם, ~~אצמא~~ בינתיים קבלתי מכתב (למעשה המכתב הראשון) מיונינה בנו רצון גם מכתב עבורך, אותו אני מעביר לך היום. מתכן מכתבה תלמד לדעת, כי בגלל טעות בכתבת חזר מכתבה לפולין ואחרי גלגולים, באמצעות אדם שהגיע לארץ, נשלח אלי. מתכן מכתבי אל יונינה שהעתק ארפתי בכאן הבין שאני מכאן התחלתי כבר לפעול בעניין עלייתם. פניתי למחלקת העליה של הסוכנות היהודית שידאגו לה שם. העתק מכתב מחלקת העליה שנשלח היום, באמצעות הדאר הדיפלומטי, ~~אצא~~ אני ממציא לך. אני סבור שהם שם יעשו את הכול מה שביכולתם למענה; אולם אינני חולה הרבה תקוות בזה, מכיוון שענייני העליה מארצות אלה נהיו לי, וכמעט שאין לי כל ספק, כי הצירות שלנו בורשה מוגבלת באפשרות פעולתה שם. אולם לא יזיק אם אתה, אבא הלל היקר, תפנה למר זלמן שרגאי, ראש מחלקת העליה של הסוכנות היהודית בירושלים, שהוא יספל בעצמו בעניין עלייתה של יונינה ומשפחתה לארץ. נכון הוא שגם האפשרויות שלו הנ מוגבלות, אבל בכל זאת אפשר למצוא - לדעתי - דרך להשגת העליה של משפחה אחת מיני אלפים שמצפים ליום בו יוכלו לעזוב את אדמת פולין. קיימת עוד אפשרות אחת והיא שאני אביש פה בקשה לצירות פולין בישראל, לעליית קרובתי (בת דודה), את הדבר הזה אני אעשה מיד כשאקבל את כל הפרטים האישיים על יונינה ומשפחתה, כפי שהם נכונים בדוכאנים שלהם. יש סיכוי מה שבקשה כזאת תביא לתוצאות רצויות. כתבתי היום גם מכתב למכילי, מר שמידס, נציג הסוכנות היהודית בורשה (העובד שם בצירות כאילו אחד מעובדי הצירות, דבר זה ידוע רק למעטים ולי בתוכם, ואין לפרסם את הדבר, מסיבות ברורות וידועות) את המכתב הקצר אליו שלחתי במכתב ליונינה ובקשתיה שחמסור את המכתב רק בידיו של מר שמידס ומשיחתו, צמו חגולל את כל ענייניה ואין לי ספק שהוא יגיש לה את כל העזרה הנדרשת לה בכל השטחים כל עוד היא נמצאת בפולין. אם בינתיים תקבל ידיעות מצירות ישראל בורשה, באמצעות השגרירות בארצות הברית, אודה לך אם תודיעני על כך. אבא הלל היקר, שמחנו לשמוע שהנך חושב לבקר את ישראל ביום חג העצמאות העשירי. ואני מקווה שהפעם תהיה גם אורח פרסי שלנו. מה נודה לך, אם תכבדנו הפעם בביקור בביתי, אותו עזרת ברוב טובך וחסדך, להקים. טוב יהיה לנו שנדע שלו פעם אחת נתפנית גם לביקור קצר אצלנו. דבר זה יהיה בשבילנו חוויה עמוקה ומגוונת לנו הרבה שמחה ונחת. אינני רוצה הפעם להרבות כתוב, משום ששומה עליך לקרוא הפעם מכתבים ארוכים (מכתבה של יונינה אליך, העתק מכתבה אלי וכן חשבותי אליה מהיום) ואין ברצוני לייגע אותך מדי. את כל ההוצאות שתהיינה בקשר הגשת הבקשה לעלייתה של יונינה ובני משפחתה לאחר קבלת הפרטים המבוקשים אשא בוצון ובשמחה. אהיה מאשר ששם שאדע שיכולתי לתרום משהו לאחד משרידי משפחתנו העניפה. הנה בימים אלה ימלאו עשרים שנה לעליתי לארץ. ובשאני מעלה בזכרוני את הימים הקשים האחרונים בהיותי בליטא, מיותר מהורים, ~~אצא~~ ומצפה לעליתי וכסף אין! באה החשועה והפדות סמך, אבא הלל היקר! מי יודע מה היה גורלי לו לא שלחת לי אז את ה-\$150 שהיו לי מקור להוצאות העליה! מי יודע האם גורלי לא היה כגורל מיליונים של עסנו, כגורל של מאות מבני משפחתנו וקרובינו בליטא? אתה אבא הלל, היקר, העלית אותי לארץ והורית, זכרונם לברכה, אפשרו את עלייתה של אחתי חיי. הוואם רק זה היית עושה בשבילנו הרי זה די יג ו!

(המשך בדף 2)

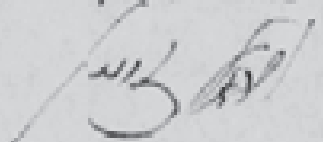

ובמה אודה לך, אבא הלל היקר?
רק ברכה חמה בפי ובעומק לבי: מי יתן ותוסיף כוח ואיל, תוסיף שנים
על שנים לפעול למען ולטובת עמנו ובני משפחתך, קרוביך וכל היקרים לך!
אני מקווה לקבל תשובה במהירה ומצפים אנו, כולנו, לדאותך בביטחון
בימי שהותך בישראל לחגיגות יובל העשור לעצמאות ישראל.
אנא, מסור שלום וברכה חמה לרעייתך, לבניך היקרים ולכל המשפחה.
נשמה לשטוע מכולכם.
כל ידיעה שאקבל בנוגע עלייתה של יונינה הודיע לך.

כל טוב לך, אבא הלל היקר!

בידידות ובברכה חמה

My dear Friend:

It was very thoughtful of you to send me the newspaper account of the testimonial which was tendered to you on January 23rd by the National Conference of Christians and Jews and by the community of Tulsa.

I was delighted to read of the warm tributes which were paid to you. I know that they were all fully deserved. You have given of your self, time, energy and substance, most generously to all worthy purposes and men of good will are prompt to recognize genuine service.

With warmest regards to you and Mrs. Taubman, in which Mrs. Silver joins me most heartily, I remain

My dear Betty:

Thank you so much for sending me the enclosures which I read with much interest.

The quotations in the brochure which you sent me are characteristic of all such literature -- taking a sentence out of the context and making it give the impression which was furthest from the mind of the writer.

I trust that you are all well.

I was glad to have had the opportunity to speak to you about the Souvenir Program which The Temple Men's Club is publishing in connection with The Temple Concert which will be held on April 1st in Severance Hall.

The enclosed material will give you an idea of this event which I am sure will be a very impressive one.

The proceeds will be used towards the cost of the new Temple Annex which is fast nearing completion.

I am sure that you will wish to be represented in this Souvenir Program which will be a very attractive one and the Deutsch Funeral Home will take a full page ad or more for a proper display.

I will be deeply appreciative of your cooperation.

My dear Dr. Silver,

A few days ago, a distinguished artist by the name of Blum Rosenbaum came to my office. I invited him to speak to our Brotherhood Luncheon on the subject of art. He made a most wonderful impression. I was very much impressed with his forceful approach to art.

The purpose of this letter is to ask you whether there is any possibility of having some organization commission him to go to the State of Israel and make certain paintings which will express the new life and hope of the country. This type of art would be of definite advantage to the State of Israel both in Israel and in the United States. Mr. Rosenbaum maintains that there is a terrible dearth for this kind of art in Israel.

He indicated that he had a number of conversations with you and that you are acquainted with his work. With many thanks and kindest personal regards.

Sincerely,

RABBI DAVID SHAPIRO

Dear Rabbi Silver,

In an effort to aid students at the College of Wooster in the preparation of their Independent Study papers, the Wooster Alumni in Cleveland have offered to assist them in acquiring materials.

The Wooster Independent Study Program may be briefly explained as a thesis written by the student on a subject of his choice allied with his major course of study. Many of the students select topics of current interest which are very challenging fields of study.

The attached letter is from a Senior at the college who has solicited our assistance. It is possible for her to be in Cleveland either Monday or Friday afternoons. If you could arrange your schedule to grant her an interview on either of these days it would be of immeasurable benefit to this young lady and our new program.

I will be happy to make the necessary arrangements with Miss Dodson if you contact me. I can be reached by writing the above address or phoning W11-4930.

Thank you for your time and consideration.

Sincerely,

Virgil L. Musser

Dear Dr. Silver:

Mr. W. Earton Beatty, Director of Region III of the United Negro College Fund, was so impressed with the message you delivered at the Sunday morning service October 27, 1957 dealing with Segregation in American World Leadership, that he had copies made and sent one to me.

May I express to you on behalf of our college our sincere thanks for the excellent message which is one of the most scholarly presentations that I have had the privilege to read. Your interest in the problem of race relations is greatly appreciated, and I am sure that the impact is influencing others to the Christian way of life.

May I also extend to you my personal thanks for your staunch support of the United Negro College Fund.

Sincerely yours,

Dear Rabbi:

It was of great interest to me that you are trying to work out a program that I originated for another temple.

I am in a position to work out any plan that would be best suited for your congregation. When you work this plan, you would have a permanent endowment fund; and I am certain that working with your committee, we can find some plan that would fit our needs.

I would like to have this opportunity to work out the program, and am hoping that we can have a meeting the first part of March, so Mr. Schweid can report to you by the 15th, as you suggested to me.

With best regards to Mrs. Silver and yourself, I am,

Very sincerely yours,

My dear Abba:

February 17, 1958

I read a news story in the Jewish Day that you will deliver the keynote address at the J.O.A. House in Tel Aviv on April 29th at the 10th Anniversary celebration of the founding of the State of Israel. At long last, you will be given some slight recognition for your great achievement in the founding of the Jewish State.

I am enclosing a marked copy of an obituary about our son Emanuel which appeared in the "Annals of Internal Medicine" a magazine published by the American College of Physicians specializing in the field of Internal Medicine. It is a fine tribute, but does not help to heal Anna's and my great wound. The article will help to acquaint you with his work in his specialty of Internal Medicine.

I am now in the midst of my seasonal nish. As it eases I will send you details of his Jewish background and his activities in Jewish life in his community. As

I wrote you before, on him it could truly be said *אבד אדם 1870 1177*. That's why the loss is so much greater and irreplaceable!

No doubt, by this time Mr. Chaim Danieli Chairman of the Board of Directors of Kfar Silver has already completed all necessary arrangements in connection with the erection of the plaque and its Dedication by you when you visit Kfar Silver.

This signal honor to my son to be conferred on him by the dedication of the Plaque by you in his memory, will help to alleviate to some degree the great loss we have suffered. What a great tribute to have his name perpetuated in Israel in Kfar Silver. How grateful I am to you that you have made this possible.

Is Virginia going with you?
Remember me to her. Anna joins me in best wishes to you and Virginia

My dear Friend Daniel Persky:

Let me thank you for your kind letter and for the copy of the Ha-Doar which you sent me.

It was thoughtful of you to take all that trouble to get a copy of the Ha-Doar which contained your article about me. I need not tell you that I read it with great pleasure, not only because of the many complimentary things which you say about me, but also because of the many interesting historical facts about my early activities in the Zionists and the Hebrew movement which you present in your article and by means of which my memory was refreshed about these early days of my youth.

I am pleased to learn from your letter that you plan to include the article in a book which you are writing. I shall be most interested in seeing the volume when it is published.

Do you wish me to return the copy of the Ha-Doar to you? If not I shall keep it in my file and shall always be very grateful to you for making it available to me.

With warmest regards I remain

COURT OF COMMON PLEAS

COUNTY OF CUYAHOGA

CLEVELAND 13, OHIO

SAMUEL H. SILBERT
CHIEF JUSTICE

February 18, 1958

Rabbi Abba H. Silver,
The Temple,
Ansel Road & East 105th Street,
Cleveland, Ohio.

Dear Rabbi: -

I was in Parma yesterday where I attended the Memorial tribute paid to the late Judge Edward Blythin by the Reverend Harry V. Parrot. I was thrilled to hear him quote you at considerable length in the course of his sermon.

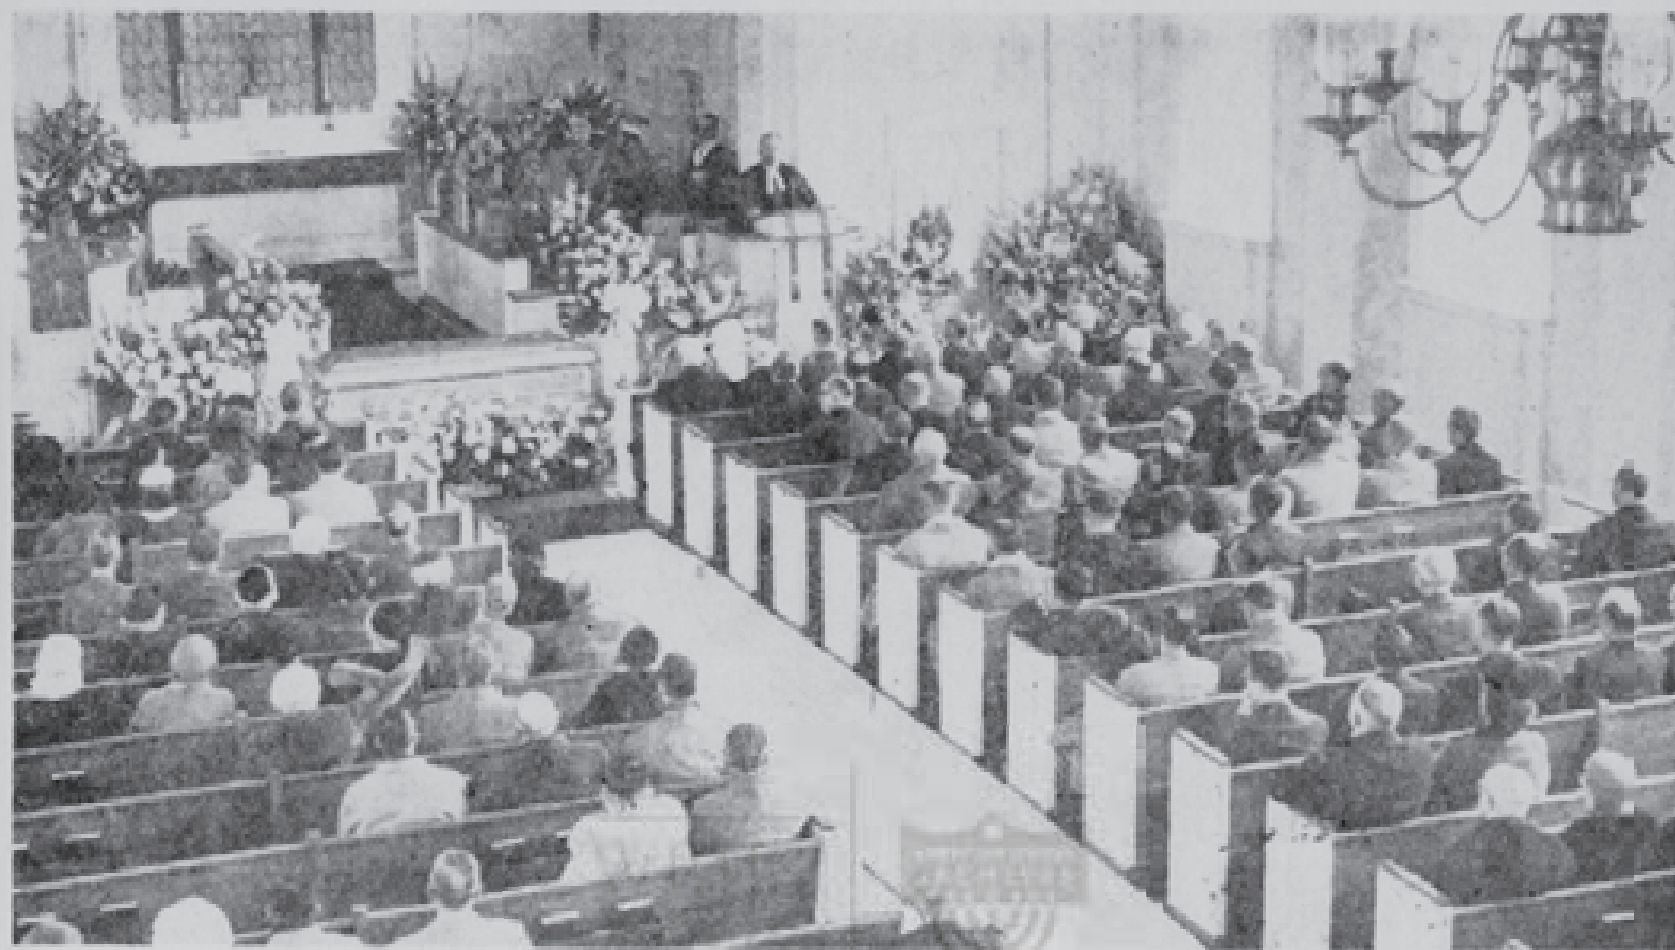

Just the day before The Plain Dealer took note of me in its Pictorial Review and its punch line came from the great speech you were kind enough to deliver in my behalf on the occasion of my 70th Birthday.

I enclose both the articles for your perusal. I offer no comment but merely state the facts. I offer no comment but leave it to you to draw your own conclusions from the facts submitted as to the public's opinion of Rabbi Silver.

Yours most cordially,

Samuel H. Silbert

SHS/red

Friends, both political and personal, join the family at final rites for Common Pleas Judge Edward Blythin. PLAIN DEALER STAFF PHOTO

Memorial Tribute Is Paid to Judge Blythin

"But his memorial remains riveted into the language, the sharp, clear prism of his mind."

Dos Passos wrote that about Veblen, controversial economic theorist, and possibly it is wrong to mention Veblen here the day after Common Pleas Judge Edward Blythin was buried.

But they all said that about Judge Blythin yesterday: the judges of the county and the lawyers and the politicians who sat in Parma South Presbyterian Church, 6155 Pearl Road, Parma Heights, before the Lake View Cemetery burial. In one way, or another, they all said it.

Like Veblen, Judge Blythin suffered the chronic inability to say "yes" to compromise. It was this inability to accept out-held temptation that his colleagues in law and friends had come to honor, they said, as

much as the man who was buried.

The cleric in the pulpit said it, though not in those words. He used Judge Blythin's own words in recalling the straight course the slim, ascetic-faced Westman had riven through a lifetime of work, law and honorable living.

"There is no substitute for moral and intellectual integrity," said the Rev. Harry V. Parrot, pastor of Garfield Trinity Baptist Church and an intimate friend of the one-time Cleve and mayor.

Those words were Judge Blythin's he said, a part of the 73-year-old jurist's personal creed.

The politicians said it loudly. The friends of the one-time penniless immigrant said it without speaking a word. The touch of the hand, brushing, hesitatingly, against the coffin,

and true sorrow in the eyes, said it for them.

As funerals go, this was a splendid one, ostensibly simple, with two ministers intoning mournful oratory.

Solemn black cloth and the voluble white hands of lawyers still-held respectfully announced the burial of an important man.

To an outsider, looking beyond the grave faces of uniform, prescribed grief, into the sloped shoulders, the deep-lined tightness of lips and the pathetic gesture of farewell that hands made touching, as if of their own accord, the casket on the flowered trestle, it was a funeral of a man who never considered himself important but was esteemed by others.

Conducting the services beside the Rev. Mr. Parrot was the Rev. Howard B. Withers, minister of the Parma Heights church.

Representing the Cleveland Bar Association were Chief Justice Samuel L. Silbert of Common Pleas Court, and judges of that court.

Mayor Anthony J. Celebrezze represented Cleveland in saying goodbye to one of the city's elder statesmen.

Judge Blythin's court, as were all other courts, was closed yesterday in tribute.

City Council last night unanimously passed a resolution of condolence "acknowledging gratefully the debt of this city" to the life and service of Judge Blythin.

He "brought to all the problems of a cosmopolitan city in this land of opportunity a bold and forthright approach, a vigorous and enlightened dedication and a capacity to give unselfishly of himself to their solution."

February 26, 1958

Dear Dr. Silver:

Thousands of migrant children, some as young as six, work long hours for meager pay to help pick the food for our tables and the cotton for our clothing.

Moreover, migrant life makes schooling hard to get, and lack of education robs these children of their American heritage of a chance to get ahead in life. We must show the world our concern for these least privileged American children.

And even on "home farms," there are hazards for children when careless parents allow them to operate or play around tractors or dangerous farm machinery. In 1957, 103 children were killed and 176 were injured in farm machinery accidents.

Our concern is also for older youth in city and country with their poignant problems of educational preparation for useful and satisfying work. The realization of their full potential as intelligent, well-equipped citizens is important not only for their own lives, but also for the welfare and security of our country and the world.

The National Child Labor Committee has assumed a leading role in developing positive programs to meet the needs of children and youth. The enclosed folder pictures some of the existing conditions, and briefly describes our history and program.

We need your help as we press forward with new vigor in this fight for the welfare and happiness of American children and youth. Won't you send a contribution today?

Sincerely yours,

James Myers

THE NATIONAL CHILD LABOR COMMITTEE *What it is . . . What it does . . .*

- Founded in 1904 — Board of Trustees composed of distinguished representatives of education, business, labor, agriculture, medicine, law, religion and social work. Program and Annual Budget approved by the National Budget Committee. Contributions deductible for tax purposes.
- Works to improve child labor legislation and enforcement where needed and acts as a "watchdog" to preserve acceptable standards where now prevailing.
- Distributed over 2,000,000 fliers in the past three years to rural parents and children in the effort to prevent tragic loss of life and limb by children through the operation of tractors and farm machinery.
- Has developed and financed seven experimental summer schools and educational projects for migrant children in five key states. Stimulates governmental responsibility for migrant children for better education, child care centers, health services, and safety in transportation.
- Issues *The American Child*, authoritative quarterly on child labor and youth employment. The Committee publishes *Youth and Work* to guide communities desiring to supply constructive work experience programs for young people.
- The Committee studies youth education-employment problems and stimulates programs designed to achieve "the right job for the right child at the right time." Of particular concern are school-work programs, summer and part-time jobs, school drop-outs, unemployment.
- Stimulates governmental responsibility—at federal, state and local levels—for improved educational and employment programs.
- Conducts Information Service for the public.

What do American children see ahead?

? — Among the migrants—child labor, miserable living conditions, ill health and high death rates, lack of education?

? — In our cities—early school leavers, unemployment, delinquency?

OR a better chance in life?

It will depend in part on you.

Won't you help?
