Dear Rabbi Silver,

Thank you very much for the handsome

Our family moved into a new home a few
months ago, and for the first time, I
now have a study and shelves for my

My dear Abba:
Am enclosing an article
about Kfar Silver which
appeared in The Day of December
31st. Most probably this has
already been called to your attention.

Two weeks ago, at a meeting
of the Executive of the Long Island
Zionist Region the news of your
acceptance of the invitation to
address the 25th Anniversary Dinner
of the Region was received with
much acclaim. The raising of
funds for a laboratory at Kfar Silver
was discussed and quotas set for
each District. Ben Elutovich was
present and partook in the discussion.

It would not hurt if Elutovich
kept on pressing the officers of
the Region and insisting that a
sizeable check for Kfar Silver
must be presented to you at
the dinner.

Kindest regards to Virginia in
which Anna joins me. I am enjoying
reading Daniel's columns in the Temple Bulletin.
As ever yours, Sol

Dear Rabbi Silver:

It is upon your instructions in your letter of July 13th, 1959 that I am taking the liberty of reminding you of the balance of your pledge which you made at the annual HADOAR dinner on June 15th, 1959.

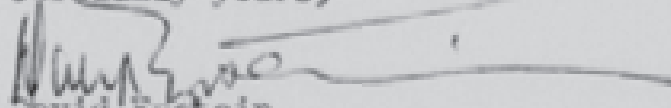

I believe that I do not have to dwell upon HADOAR'S role in the cultural life of American Jewry, nor do I have to emphasize to you, Sir, the problems which we are facing. Your generous contribution was not only, as I have said in my previous communication, of great material help to us, but more so, an encouragement to us, knowing that we have great friends and devoted supporters who are ready to heed our call whenever help is needed.

If it is at all possible, I would greatly appreciate receiving the balance of your pledge, \$500.00, at your earliest convenience. We are at this moment, more than usual, pressed for funds.

And again, permit me to express to you the heartfelt thanks of all who labor for the HADOAR, as well as my sincerest gratitude to you for your assistance and understanding.

With kindest personal regards, I remain

Cordially yours,

My dear Mr. Dahler:

I learned from your daughter of your recent operation and I wish to send you all my good wishes for a speedy recovery. Your daughter has been so close to the work of the Temple that anything which affects a member of her family evokes our deep interest. Were I in New York, I would give myself the pleasure of calling on you at the hospital. We are thinking of you and our sincerest prayers are for your complete recovery. Gentlemen:

After the initial drafting by Mr. Levine and several subsequent conferences and conversations, Jimmy has undertaken to put these documents in final form, subject to the approval of our Committee. I am sending you each herewith for your consideration, the Articles of Incorporation, the first minutes, and the by-laws. As you know, under the new Alabama Non-Profit Corporation Act, there is no need to enumerate powers or authorities since they are fully set out in the Act.

It would now seem in order to have another early meeting, at which time any necessary or appropriate changes in these documents should be made, but if same are found to be in order and meet the approval of our committee, the documents should be executed by the five new directors, and thereafter, the Articles of Incorporation should be recorded and the matter placed in order for presentation to the annual

membership meeting of Temple Beth El in May.

Fred, I am certain that all of us join in expressing to you our appreciation for your leadership and direction in this matter. While I doubt that any of us will see the fruits of this project in our own lifetimes, it will certainly be worthwhile for our children and our children's children, etc.

Very truly yours,

ARTICLES OF INCORPORATION

OF

TEMPLE BETH-EL FOUNDATION

KNOW ALL MEN BY THESE PRESENTS: That we, the undersigned incorporators, do hereby associate ourselves together for the purpose of forming a corporation under the provisions of Act No. 578, adopted by the Regular Session of the Legislature of Alabama, 1955, which said Act is known as the "Alabama Non-Profit Corporation Act", and do declare as follows:

ARTICLE I

NAME

The name of the corporation shall be "Temple Beth-El Foundation".

ARTICLE II

DURATION

The duration of this corporation shall be perpetual.

ARTICLE III

PURPOSES

The purposes for which the corporation is formed are:

(1) For the exclusive purpose of holding title to property, collecting income therefrom, and turning over the entire amount thereof, less expenses, to Congregation Beth-El, a religious corporation organized and existing under the laws of the State of Alabama, with its principal office being located in the City of Birmingham, Jefferson County, Alabama, which is an organization

exempt from income taxes under Section 501 (c) (3) of the United States Internal Revenue Code, or, in the event of the liquidation of the said Congregation Beth-El, then to its successor corporation, provided such successor corporation shall likewise be exempt from income taxes under Section 501(c)(3) of the United States Internal Revenue Code.

(2) To collect, solicit and receive from persons, firms and corporations, by gift, conveyance, transfer, settlement, devise and bequest, or in any other manner or manners, lands, buildings, bonds, shares of corporate stock, life insurance proceeds, and any and all other kinds of property of any nature, and invest and manage the same and disburse, at the direction of the directors, all income and corpus of said gifts exclusively to the said Congregation Beth-El, a religious corporation, or to its successor organization, as is provided for hereinabove in subparagraph (1).

(3) To disburse the income or corpus of said gifts to the said Congregation Beth-El from time to time, at the direction of the Board of Directors, in accordance with by-laws of this corporation which shall be hereafter enacted (but which by-laws shall not be in conflict with any of the provisions contained in these Articles of Incorporation) for the purpose of maintaining and operating the said Congregation Beth-El, including the purchase of land, making of capital improvements, repairs and maintenance of physical facilities, payment of general expenses of operation, supplementation of compensation paid to employees, and any and all other items of expenditure which, in the discretion of the Board of Directors, may inure to the general welfare and benefit of the said Congregation Beth-El.

(4) To hold and manage all such property, coming into its hands, and to invest and reinvest the proceeds thereof,

and to collect the income and profits therefrom, and to use, spend and pay out, disburse, and to assign, transfer and otherwise dispose of said property or income therefrom for the purposes hereinabove mentioned.

(5) The Directors shall have complete discretion and control as to what portion of said property and property rights shall be devoted to each of the authorized purposes.

(6) It is the intention of the within incorporators that this corporation shall be an organization exempt from income taxes under Section 501(c)(2) of the United States Internal Revenue Code, and, in carrying out the purposes hereinabove enumerated, for which this corporation has been organized, the Directors shall, at no time, take any action or make any expenditure whatever which could or might result in denying to the corporation the benefits of such income tax exemption.

ARTICLE IV

MEMBERSHIP

The corporation shall have no members whatever.

ARTICLE V

DIRECTORS

There shall be five (5) directors of this corporation at all times. Such directors shall be elected by the general membership of the said Congregation Beth-El. Of the five directors to be elected initially, one shall be elected to serve for a term of five years, one for a term of four years, one for a term of three years, one for a term of two years, and one for a term of one year. Should the remaining directors be unable to agree upon such successor, then such successor shall be named by the President of the Jewish Theological Seminary.

FOUNDATION

An organizational meeting of the Board of Directors of Temple Beth-El Foundation was held at the principal office of the corporation at 2179 Highland Avenue, Birmingham, Alabama, on the _____ day of _____, 1960, at 7:30 P. M. The following, representing all of the members of the Board of Directors of the corporation who were named as initial Directors in the Articles of Incorporation, were present: F. W. Nichols, Max Greenwald, Arnold Royal, James L. Permutt and Marshall A. Gordon. Upon motion duly made and seconded, F. W. Nichols was chosen Chairman of the meeting.

The Chairman reported that the corporation was now duly incorporated and that this meeting was an organizational meeting held for the purpose of adopting By-Laws, electing officers, and for the transaction of such other business as may come before the meeting. All of the original five incorporators waived notice of the time and place and purpose of the meeting, and as evidence thereof, agreed to execute the minutes.

A copy of the said Articles of Incorporation was exhibited at the meeting and read by all of the Directors, and, upon motion duly made and seconded, was adopted, confirmed and ratified by unanimous vote, and the members of the Board of Directors named therein were declared to be the duly elected Directors of the corporation, to serve for the respective terms named in the Articles of Incorporation. The Chairman reported that at the next meeting of the general membership of Congregation Beth-El, the election of the said five directors would be ratified and confirmed, as set forth in the Articles of Incorporation. The Chairman reported that the original of the Articles of Incorporation, when returned from the Probate Court, would be attached to the Minute Book of the corporation.

Upon motion duly made and seconded, the following resolution was unanimously adopted:

BY-LAWS
OF
TEMPLE BETH-EL FOUNDATION

ARTICLE I

Section 1. The name of the corporation shall be Temple Beth-El Foundation.

Section 2. The principal office of the corporation shall be located at 2179 Highland Avenue, Birmingham, Alabama.

Section 3. Other offices for the transaction of business may be located in such places as the Board of Directors from time to time may determine.

ARTICLE II

At no time will any capital stock of this corporation be issued, in view of the fact that the corporation is formed solely and exclusively as a non-profit organization, and for the limited purposes as set out in the Articles of Incorporation.

ARTICLE III

Section 1. There shall be no members of the corporation at any time. The property, affairs and business of the corporation shall be managed by its Board of Directors, and their successors in office. There shall be five (5) Directors of the corporation at all times. Such Directors shall be elected by the general membership of Congregation Beth-El, a religious organization organized and existing under the laws of the State of Alabama. The five Directors who were elected initially and whose names appear in the Articles of Incorporation, were elected to serve for staggered terms, one for a term of five years, one for a term of four years, one for a term of three years, one for a term of two years, and one for a term of one year. In this fashion, the term of the said original five Directors will expire one in each year, and his successor will be elected annually by the said general membership of Congregation Beth-El for a term of five years. Thus, with the exception of the initial Board of Directors who shall serve staggered terms, as referred to above, each member of the Board of Directors shall serve for a term of five years, or until his successor

in office is duly elected and qualified. There shall be no prohibition against a director being re-elected to serve for any number of successive terms.

Section 2. In the event of the death, resignation, refusal or inability, for any reason whatever, of any of the duly elected directors to complete his term of office, the remaining directors shall elect a successor to complete the unexpired term of the deceased or resigned director. Should the remaining directors be unable to agree upon such successor, then such successor shall be named by the President of the Jewish Theological Seminary.

Section 3. Regular meetings of the Board of Directors shall be held at such times as may from time to time be fixed by resolution of the Board of Directors, and special meetings may be held at any time upon the call of the President by oral, telegraphic or written notice, duly served on or sent or mailed to each director not less than two days before such meeting. Notice need not be given of regular meetings of the Board of Directors held at times fixed by resolution of the Board of Directors. Meetings may be held at any time without notice if all of the Directors are present, or, if at any time before or after the meeting, those present waive notice of the meeting in writing.

ARTICLE IV

Section 1. The Board of Directors shall elect a President, a Vice-President, a Secretary and a Treasurer, and may from time to time appoint such Assistant Secretaries, and such other officers, agents and employees as it may deem proper. Any two offices may be held by the same person. All of the officers so elected shall be members of the Board of Directors.

Section 2. The term of office of all officers shall be one year and until their respective successors are elected and qualified.

Section 3. The officers of the corporation shall each have such powers and duties as generally pertain to their respective offices, as well as such powers and duties as from time to time may be conferred by the Board of Directors.

ARTICLE V

Section 1. The Directors are authorized to receive, on behalf of the corporation, for the purposes named in the Articles

of Incorporation, gifts or bequests of a minimum value of Two Hundred Fifty & no/100 (\$250.00) Dollars. The said minimum of Two Hundred Fifty Dollars may be increased, however, upon the affirmative vote of four out of five of the directors.

Section 2. The directors are authorized to receive gifts and bequests, of the minimum referred to hereinabove, of two different types or categories, each of which types will be maintained in a separate account of the corporation as follows:

(1) A restricted fund, in which will be deposited all gifts or bequests in connection with which the donor specifies the purpose of the gift or bequest, and the manner in which it is to be expended. Should the directors, within their discretion, deem it feasible to accept the gift or bequest under such terms and restrictions as shall be placed thereon by the donor, then the directors shall endeavor to expend the same so as to comply with the intent of the donor. The directors shall be authorized to refuse any restricted gift or bequest should they, within their discretion, deem it unwise or inexpedient to carry out the wishes of the donor, or for any other reason.

(2) An unrestricted fund, in which all gifts and bequests other than those referred to hereinabove in sub-paragraph (1) will be deposited. This unrestricted fund shall be expended by the directors for the purposes designated in the Articles of Incorporation in accordance with the following rules and regulations:

(a) There shall be no expenditure from either the income or corpus of this ^{un}restricted fund unless and until the assets therein shall be not less than the amount of One Hundred Thousand Dollars. The said minimum of One Hundred Thousand Dollars may be either increased or decreased by vote of four of the five directors.

(b) When the total assets in the said unrestricted fund shall reach the sum of One Hundred Thousand Dollars, the Board of Directors, by a majority vote, shall be empowered to disburse to the said Congregation Beth-El, for its capital or maintenance purposes, all or any part of the current or accumulated income therefrom, but in no event shall disbursement of income be so made which would reduce the total assets in said fund to less than the amount of One Hundred Thousand Dollars.

(c) When the total assets in the said unrestricted fund shall reach the figure of One Hundred

Thousand Dollars, the Board of Directors, by a vote of four out of five, shall be empowered to disburse to the said Congregation Beth-El, for its capital or maintenance purposes, any part of the corpus of said unrestricted fund, but in no event shall disbursement of the corpus be so made which will result in reducing the total assets of said fund to less than the figure of One Hundred Thousand Dollars.

ARTICLE VI

The Directors of this corporation shall receive no compensation for their services rendered. They may, however, make payments for such clerical assistance and for such professional service as they deem necessary for the conduct of the affairs of the corporation.

ARTICLE VII

Amendments to these By-Laws may be made only by a vote of four out of five of the members of the Board of Directors of the corporation at any regular or special meeting. There shall be no amendment made to these By-Laws of the corporation which shall be inconsistent with any of the provisions in the Articles of Incorporation.

My dear friends:

Please pardon the long delay in answering your kind note of December 7th. I have been traveling a good bit and my correspondence has lagged. It was indeed very thoughtful of you to write to me and inquire about my health. Thank goodness, I am feeling fine and have been back to work on full schedule.

I wish I could visit Florida soon. I always enjoyed the time which I spent there and the opportunities which it afforded me to meet so many of my good friends. However, our plans are quite indefinite for this year.

I trust that you are all well. Mrs. Silver joins me in sending you our fondest regards and all good wishes.

Dear Rabbi Silver:

I am acknowledging, with thanks, receipt of your letter expressing your good wishes for my recovery.

Of the numerous letters I received, your letter comforted me the most. Your reference to Mitzi's close connection with the Temple gladdened my heart. Mrs. Zahler and I are mindful of the fact that our children's pleasure of Temple life is due to the kindness and influence of the Silvers, for which we are most thankful.

God-willing, Mrs. Zahler and I are looking forward to visiting the children in Cleveland and shall enjoy the pleasure then of thanking you in person.

Most cordially yours,

My dear Abba:

I should like to get your reaction to the matter of the Fund raising by the Long Island Zionist Region for a Laboratory Building in Kfar Silver.

I feel that it would be easier for me to raise funds for the Laboratory Building by urging some of my friends to donate Israel Bonds for that purpose. If it meets with your approval, I feel that thru the Long Island Zionist District fund raising for the Laboratory thru Israel Bonds would be a huge success. At present fund raising for Kfar Silver will have to come most probably from A.Z.C. campaigns - not such an easy task.

Raising of funds specifically thru Israel Bonds will make it much much easier. If that method should be found agreeable to you, Leon Blumentrich would have to ~~be~~ start some pressuring on the officers of the Region to immediately proceed with that action. Let me hear from you soon. I join me in best wishes to you and Virginia.
As ever yours,
Sol.

My dear Mrs. Silkes:

Thank you for drawing to my attention the project for the publication of the Great Dictionary of the Yiddish Language. I believe that the project, if carried out as its originators plan, will prove to be a monumental contribution to the cultural life of our people. So much of the life and genius of our people in modern times has found expression in the speech and the rich literature of Yiddish that a comprehensive dictionary, which will help to unlock for future generations its rich treasures, will be invaluable indeed. As indicated to you, I will support the project.

With all good wishes, I remain

Very cordially yours,

THE YIDDISH DICTIONARY COMMITTEE, INC.
1048 FIFTH AVENUE
NEW YORK 28, N. Y.

THE COMMITTEE

for the publication of THE GREAT DICTIONARY OF THE YIDDISH LANGUAGE was organized just about five years ago by leading members of YIVO, assisted by a group of Yiddish scholars and linguists. Over one hundred leading figures in American Jewry — among them many prominent writers, lecturers, teachers and leaders of national Jewish organizations—have since joined this general committee. The purpose of this committee appeals to every segment in Jewish life in the United States, since its objectives are close to the heart of all who seek the enhancement of the cultural status of Jews the world over.

Although the Yiddish language attracted the attention of many reputed linguists through the centuries, no evident attempt was made to compile and publish a comprehensive dictionary to serve as a source book and as a reference book for the lay person as well as the scholar. In the long life and growth of Yiddish many dictionaries were compiled but all of them an-

swered the immediate and the utilitarian needs of a given country at a given time. What this committee is endeavoring to do is a great deal more inclusive, more comprehensive, and will actually result in the compilation of all Yiddish dialects of all times and places—the Yiddish of 30 generations. The dictionary we envisage, similar in scope to the great Oxford English dictionary, will ultimately serve as a living symbol of the geographical diffusion of Yiddish and as a vitalizing monument to its people for all time to come.

A project of such gigantic proportions is obviously beyond the reach of any single scholar. For this painstaking work the dictionary committee has recruited many contributing editors, consultants in specialized fields, historians of the language and literature of the Jewish people as well as a group of editors-in-chief to guide and direct the entire project. The committee for the dictionary is proud in having been able to obtain thus far the services of two outstanding contemporary Yiddish linguists, Judah A. Joffe and Yudel Mark, who are the editors-in-chief, and of two other Yiddish scholars of high repute, Prof. Mordecai Kossover and Dr. Isaac Rivkind, who serve as assistants.

Our editors have to date made contact with practically all Jewish linguists the world over, and we are glad to announce that most of these scholars have already sent in highly valuable contributions in every phase of lexicography and many of them have offered their services (without remuneration) as consultants in various specialized fields. Such favorable responses, to mention but a few, have been

received from England, France, Australia, South America and a good many from Israel.

It may be of interest to note that soon after the announcement of our plans appeared in the press sometime ago a great many congratulations and many laudatory responses were received by the committee from leaders representing all segments of Jewish cultural life in the United States.

We may summarize the accomplishments of the dictionary committee to date in several brief paragraphs:

- 1) For the first time in the entire history of Yiddish we have gathered and classified and indexed the complete vocabulary of the language running well over 150,000 words together with tens of thousands of appropriate quotations gleaned from classical as well as modern Yiddish literature from all corners of the earth.
- 2) One fifth of this vocabulary collection has already been defined and made ready for the editors.
- 3) Realizing that the publication of such a voluminous dictionary entails the expenditure of vast sums of funds not now available, the committee recently decided to concentrate all efforts for the present on the preparation during 1954 of the first volume of the dictionary.

Far be it from us—even indirectly—to convey the impression by these figures and details that our project involves a mere collection of words and their meanings. The truth is that to us and to the Jewish people at large, Yiddish symbolizes a way

of life, shaped and molded through centuries of individual and group experiences. We want to create a lexicographic treasure-trove which will record a life that is no more—the life of East European Jewry—and a life that is in the process of creativity, the life of the Jew in Israel and in the Americas.

Most of the funds received by the committees during the past four years were voluntary donations on the part of many friends of the project in practically every state of the United States and Canada. While the response to our appeals for funds has been encouraging, the totals received were never sufficient to maintain all the technical and editorial assistance needed. The dictionary committee, however, feels very confident that as a result of many articles published in the American-Jewish press during the past year and of the several appeals addressed to a number of foundations sufficient funds will be made available to the committee for the completion task set for 1958—namely, of the first volume of the dictionary.

We have so far refrained from conducting elaborate and expensive campaigns because we feel that in times like the present such projects can best be supported by foundations whose trustees are cognizant of the great cultural impact of such a project and by voluntary contributions.

The work for this great dictionary can no longer be postponed. It must be done and completed while the contemporary scholars of Yiddish are still with us. We owe this debt to the generations to come.

WHAT THEY SAY ABOUT THE PROJECT

Commission on Research YIVO Institute for Jewish Research

The Commission fully appreciates the enormous task of gathering and preparing materials for the Dictionary. The magnitude of this task can easily be gauged by the amount of material gathered to date. When completed, the Dictionary will not only be a monument of research in the Yiddish language, but also a great help for the study of Jewish history, especially the history of Jewish culture.

The publication of THE GREAT DICTIONARY OF THE YIDDISH LANGUAGE will open up horizons before us. Not even we, who are heart and soul devoted to the Yiddish word, and who constantly seek to enrich it, have an adequate idea as to how rich this language of ours is. For this reason, the Great Dictionary will be a revelation even to us, who are ourselves the revealers of Yiddish.

After the destruction of Eastern European Jewry we contemplated various kinds of monuments to commemorate its great creativity. The Great Dictionary will be the finest memorial to a Jewry which gave expression to its creative energy by creating the Yiddish language.

EPHRAIM AUERBACH
President

SAMUEL BELKIN

President, Yeshiva University

It is gratifying to learn of your project in bringing to realization the first comprehensive dictionary of the Yiddish language which is being prepared by your Committee.

The continued sustenance and development of the language rests, in a good measure, on the presence of a publication such as you have conceived. I regard the fulfillment of this project as a noteworthy, scholarly undertaking, meriting the widest possible interest and support.

S. A. BIRNBAUM

*Professor, School of Oriental
and African Studies
University of London*

The compilation of a comprehensive GREAT DICTIONARY OF THE YIDDISH LANGUAGE is a significant and responsible task. It can be a veritable sea of cultural history and can include the essence of three thousand years of Jewish culture, from the world of Sabbath to the world of the atom bomb.

SOLOMON B. FREEHOF

Rabbi, Rodeph Shalom Temple, Pittsburgh, Pa.

The proposed Yiddish Dictionary (sample pages of which I have seen) promises to be of great value to linguists and to readers generally (of Yiddish). Not for many years has there been an adequate Yiddish Dictionary and certainly not a scientific one. Modern lexicography will be advanced if a dictionary is completed which will serve as a key to the original literature produced in the Yiddish language.

ROMAN JAKOBSON

*Professor, Slavic Languages and Literature
Harvard University*

The work on a detailed and thoroughly scientific dictionary of Yiddish is, in my opinion, an important and urgent cultural task. If the dictionary can be achieved it will become a reference book for generations of scholars and writers.

HORACE M. KALLEN

*Research Professor of Social Philosophy
New School for Social Research*

I regard the completion of the dictionary as not only a great scholarly enterprise, but as a contribution to the culture of the Jewish communities of the United States.

ABRAHAM I. KATSH

*Professor of Education
Chairman, Department of Hebrew Culture
New York University School of Education*

I was indeed very happy to learn of the splendid project you and your colleagues have undertaken, of preparing THE GREAT DICTIONARY OF THE YIDDISH LANGUAGE. Your dictionary, to my mind, is more than a book of words; it mirrors our rich heritage of Jewish life, concepts and thoughts, religious and secular—reflecting the joys and sorrows of the Jew struggling to maintain his Jewish life.

I want to congratulate you and your associates on the grand task you have undertaken. You merit assistance and cooperation of all right thinking Jews, in fulfilling the great Mitzvah of "שמור וזכור."

SAMUEL NIGER

Author and Critic

The preparation of THE GREAT DICTIONARY OF THE YIDDISH LANGUAGE is not connected with Yiddishism as an ideology. It is a project devoted to the Yiddish language and to its cultural values.

The history of this language is the history of our people, of the great majority of Jews during the long periods when they lived in Middle and Eastern Europe and in many other lands. THE GREAT DICTIONARY OF THE YIDDISH LANGUAGE which will disclose this whole dynamic history, will be a key to the history of Jewish life for many centuries.

S. RAWIDOWICZ

*Professor of Hebrew Literature
and Jewish Philosophy
Brandeis University*

It gives me great pleasure to join the friends of THE GREAT DICTIONARY OF THE YIDDISH LANGUAGE. I consider this dictionary not as a large word-collection but as a treasury of thought. I hope that the Great Dictionary of the Yiddish Language will, insofar as possible, be built upon historic principles, i.e., that it will give us the Yiddish word on its various levels. Such a dictionary will serve as the best introduction to Jewish feeling and thought of the past several centuries. It will promote a thorough understanding of the ideas and emotions of a great number of Jewish communities in many past generations.

MAURICE SAMUEL

Author and Lecturer

I am grateful to you for inviting me to express my views on the value of the first comprehensive dictionary of the Yiddish language, which your Committee is preparing. I look upon this as one of the most important cultural enterprises that have been launched in Jewish life in recent decades.

RABBI DR. J. B. SOLOVEITCHIK

Yeshiva University

For centuries Jews have used Yiddish to express their thoughts, feelings, and strivings, their joys and sorrows, their yearnings and their dreams. Such a language needs no endorsement.

I appeal to my students and friends to support your undertaking. I pray that the Dictionary will not become merely a dead storage warehouse of Yiddish, but serve as a laboratory for this great living language.

AARON STEINBERG

*Director, Culture Department
of the World Jewish Congress*

Yiddish is the younger sister of Hebrew, and both are married to the Jewish people. The news that a dictionary which will encompass the whole Yiddish language is in preparation is good news indeed for the Cultural Department of the World Jewish Congress.

For the past ten years, this Department has been closely connected with UNESCO, the cultural

agency of the United Nations. UNESCO's program has long included the sustaining of cultural phenomena which are in danger of becoming extinct. This leads us to believe that THE GREAT DICTIONARY OF THE YIDDISH LANGUAGE is an undertaking that can count on the moral support of UNESCO. In any event the Cultural Department of the World Jewish Congress will obligate itself to represent the dictionary in UNESCO headquarters. The Cultural Department of the World Jewish Congress sends you its blessing and wishes you success.

MAX WEINREICH

*Associate Professor
in charge of Yiddish Studies
College of the City of New York*

The need for the presentation of the treasures of Yiddish in the form of a modern dictionary is obvious.

The riches of our dialects, some already registered in specialized publications and others never even recorded, are yet to be appraised, arrayed, and brought into the main stream of an all-inclusive Yiddish standard. Moreover, there are many linguistic items in earlier Yiddish literature that are fit for reactivation.

A dictionary of such scope will immensely increase our knowledge of the Yiddish language and of Jewish culture as a whole.

RABBI JUDAH ZLOTNICK

Philologist and Folklorist, Jerusalem

It gave me great pleasure to receive the splendid sample pages of THE GREAT DICTIONARY OF THE YIDDISH LANGUAGE. It is clear that the work is in the hands of good and competent people, and it is an honor, a pleasure and a joy to be invited to work with them.

I wish you success in the rapid completion of this great work. Please be assured of my cooperation in your endeavors.

Rabbi Abba Hillel Silver,
Cleveland, Ohio.

Dear friend,

The accompanying brochure showing 42 synagogues the Israel Synagogue Building Fund has tried to build since 1947, may be of interest to you.

I suppose it to be the record of the record, and I am proud. However, in the light of hundreds of appeals still listed on our books in Jerusalem (and the number increases as new communities are created), I am disappointed and depressed.

It is inconceivable that I cannot enlist the co-

operation of the leaders of the
Reform, Conservative and Or-
thodox groups, who, to my way
of reasoning, should have taken
over this great and holy task
when, again and again, I
have pleaded with them to
take over my self-chosen job.

And too, I cannot under-
stand, why, with the Jewish
activity for a synagogue and
center for Jewish life, practi-
cally every community with
a Jewish population of 1000
or more, has failed to raise a sufficient
sum of money to build a synagogue
— of some-
how failed to arouse proper
interest in small, two-room,
minimum cost of \$10,000.
per building, synagogues in
Israel!

Oh, if only our American
leaders could hear the piti-
ful cry for "four walls within

which to pray!" I only they
could see the degrees of the
applicants as we tell them
they must wait until the
pitifully small funds will
suffice!

Please tell me, a tired,
weary "lay" person now in
my thoughts. I hope you
what I hope to do. Of God's
Grace, I still retain my
health and my energy, and
I am still serving the J. A.
I am the U. J. C. — and
I simply must continue
to help to build synagogues.
But how can I raise the
necessary funds?

Ask fully for a chance to
tell group of small groups

will suffice) how much you
sympathize & are needed in fact,
just once they have heard,
they do respond!

Could you help me by having
some one in Philadelphia call
together a group for me to
address? I will gladly come
at my own expense if need
be.

Especially there can be no
inner group. We are forming the
living of a new and giving

With your warmest kindest

good health.

I am, as ever,

Mrs. Silver and I are leaving for Europe next Monday. We are flying to Rome. We hope to spend a few weeks in Italy and a few weeks in Israel. We will probably get to Israel toward the end of February or early in March. I would appreciate if you would apprise the Bond Organization in Israel of our coming. It took such good care of us the last time we were there. Our first stop will be at Hotel Hassler, Rome. My dear Cousin:

I have received your letters and if I have not answered all of them it is due only to the fact that I have been traveling about a great deal. In fact, we are leaving Monday for Europe and will probably come to Israel toward the end of February or the beginning of March. I hope that I will see you then.

I am delighted to learn of the wedding of your daughter, Ruth, to Ethan Gabrieli. I should like to extend to you, your husband and the newly-weds my congratulations and all my good wishes. I am enclosing herewith a wedding gift from me and Mrs. Silver to the young people.

I trust that you are well. With warmest regards
I remain

Dear Abba:

Greetings! Delighted to learn from your Temple Bulletin that you are again in the full swing of things, and apparently wholly recuperated from your recent indisposition.

At long last, as you will note from the enclosed, I have completed the pre-final draft of Chapter III - with great relief, preceded by many expletives, heard from Coast to Coast. One of the reasons this chapter took so long in the bulding is that ~~xxxx~~ I have had no occasion to date to give the Book of Proverbs a through "work-out"; as I did have in the case of the Book of Job, in connection with my The Way To God. My revision of my next chapter on Job should therefore be a holiday in comparison. As in the case of the previous chapters, I have deferred much concentration on the "literary" angles for seilah ~~though~~ ^{though} I have found, ~~as~~ I was correcting my local typist's present draft, that the thing, by the grace of God, reads rather smoothly. *You will find this copy very decipherable.*

Having had by now ~~quite~~ a rest, as it were, from your reading of the first two chapters, your comments on which, by the way, proved very ~~un~~encouraging, indeed, I thought that you would find it rather pleasant at this time to leisurely read the third chapter.

We are quite comfortably settled at the above address (a small, quiet hotel) for the winter season, until beginning of May.

Please convey our love to Virginia, Dan and Raphael, and the youngsters.

Incidentally, judging by your Temple Bulletins, which I enjoy receiving and reading weekly, as well as from unsolicited comments which reach me from many folks, it appears that Danny has been doing a fine job at The Temple. Please convey to him my sincere congratulations.

As ever,

Rabbi Abba Millel Silver

Mr. Abba Silver

After my retrospective exhibition that I had this summer 1959 in Israel I got an invitation to prepare the materials for an serious editor here who promised to print a good book of my work ~~of~~ 45 years in Europe and now in Israel.

I find that such work could not appear without having a page in Colours from my important work, the ghetto fighters with a.s. in the possession of your Cleveland Museum.

I would be very Thankful to you if I could get a coloured Slide made by a fotograf, out of my work, that I consider a pillar of the epoch of war in my creation.

Thankful and Sincerely yours

Dear Rabbi and Mrs. Silver:

I am very pleased to acknowledge your recent generous gift of \$250.00, representing the final payment on the original pledge which you made to the Science Center Building Fund.

We are very pleased to report that we have received pledges totaling more than \$5 million towards this very important project thus far. Plans for the new building are proceeding rapidly, and we have every expectation that we will be able to break ground and start construction this spring.

You and our many other friends have been most generous in devoting your personal resources to Western Reserve for the Science Center. As we move into the new building and our basic science departments have adequate space for their teaching and research activities, we are confident that the investment you have made will be amply justified.

Sincerely yours,

Sorry to be so late but I'm sure you understand I'm kept pretty busy and haven't had an opportunity before this to make a copy of the sermon.

Dear T. Silver,

I hope you will still permit me to address you with the full meaning of the word dear rather than its formal one. The years during which we did not see each other for other obstacles did not change my feelings for you and Mrs. Silver.

I am writing to you now at the request of my father and am enclosing a few lines he asked me to send you from him. It seems there is to be a ~~display~~ Israeli Exhibit at the Musée de l'Art Moderne in Paris and in conjunction with this a book is to be published on my father's 60th birthday. If possible without too much trouble on your part - he would like very much to have a color slide made of his painting in

your museum.

Whatever expense is involved I will be glad to take care of as well as the sending of the slide on to him.

You may have heard that I am remarried — I have a 3 year old daughter and my husband's family are old friends of yours in Cleveland.

Our Uncle Sam Klein (whom I will ask to take this note back with him to Cleveland) and I have often talked about you and so I have had at least had some news of you and Mrs. Silver.

Please remember me to her and thank you very much for your trouble on behalf of my father.

Yours
Josie

Dear Rabbi Silver:

Through my secretary I was made acquainted with the fact that Sam Goldstein of Lorraine, Ohio, is in Doctor's Hospital, Beverly Glen and Santa Monica Boulevards, Los Angeles. When I went to see him he mentioned the long-standing friendship with you.

He may not want to write you and you may not learn it from anyone else. I am sure he would be pleased to hear from you. He had a pretty severe heart attack, but is coming along nicely. He will be in the hospital another week or ten days.

All good wishes from house to house.

Dear Dan:

I have investigated the letter written to your father about which we spoke several weeks ago, and I have found that it was the result of some unfortunate personality failings of the young woman involved.

She is a nurse who works on one of our wards and who lives in our Nurses' Residence, which accounts for the fact that she happened to hear that our students were in need of extra dishes for a party that they were planning. She took it upon herself to call The Temple. She did not represent the hospital nor had she been asked to call by any representative of the hospital.

Nevertheless, I am extremely disturbed that an incident of this sort should be even remotely associated with Mount Sinai, and I hope that you will convey my most sincere apologies to your father.

Cordially yours,

Sidney Lewine

Dear Colleague,

On our recent trip to Israel, Mrs. Harburg and I had the pleasure of visiting K'far Silver. We were very much impressed with it. It is an institution of which both you and the Zionist Organization of America should be very proud of.

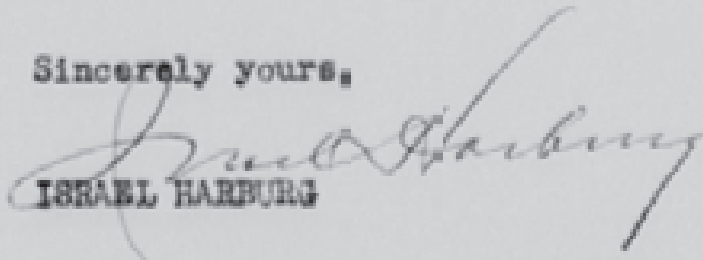

The pleasure of our visit was doubly great because the student who served as our guide was no other than a grandson of my sister, Yoram Katz. He is tall, handsome and refined, and he is a fine exemplar of an Israeli young man of the soil.

His father, Kalman Katz, has given the best years of his life to defense activities, and his older brother is an officer in the Israel Army. I take great pride in this grand nephew and of his entire family whose lives have been closely linked with the destiny of Israel for three generations.

My grand nephew, Yoram Katz, is anxious to further his agricultural studies in the United States. I was given to understand that there are scholarships available for such studies and I would greatly appreciate it, if you were to inform me as to whether my information is correct; and if so, as to how I should go about in obtaining such a scholarship.

I have been invited to give a lecture this year at the C.C.A.R. Convention on the philosophy of the late Prof. Simon Ravidovitz of Brandeis University, whom I had the pleasure of knowing at close range, and I hope I will have the pleasure to meet you and to tell you in person of the fine work of K'far Silver.

Sincerely yours,

ISRAEL HARBURG

Dear Rabbi Silver:

I should like to express the appreciation of the Board of Trustees, as well as my personal thanks, for your generous pledge to the Building Fund of the Cleveland Institute of Music.

The housing of the Institute in its new building at East Boulevard and Hazel Drive in the University Circle area will provide an opportunity for an even greater contribution to the training of teachers of music and the development of musical talent than has been achieved up to this time. We have concluded an arrangement with Western Reserve University which, when our campuses are joined, will make possible a completely integrated program and for the granting of degrees in Bachelor of Arts, Bachelor of Music, Master of Music and Doctor of Music. Provision has also been made, so that there will be available to us dormitory space in the new building soon to be erected adjacent to our property.

It is an exciting prospect to all of us who are devoting our efforts to make the Institute an effective medium for the development of musical talent and we hope it will be a source of satisfaction to you to know that you have played a part in this program.

Sincerely,

My dear Rabbi:

I have just read with great feeling and comfort, too, the fine tribute that you paid our fine personal friend, Spencer Irwin.

I was out of town at the time so could not attend the service, but I heard in part what you had said. It is a very wonderful tribute and so richly deserved.

as always,

PLEASE ADDRESS REPLY TO

Rabbi Abba Hillel Silver,

Cleveland, Ohio.

Dear Rabbi Silver:

Am enclosing a letter which was originally addressed to Meyer D Berkman, Beaver Falls, Pa, and which was forwarded to me, the letter was from the youngest daughter of Perez and Gisha, who are, or rather were, my fathers sister and your fathers brother, but who is now in Israel.

In 1944 when in your home, I asked you about Perez and family, but you failed to give me any knowledge of their whereabouts. If you have any information now, would like to be informed of it.

Meyer is a cousin of mine as well as the rest of the family. Would like to have the letter when its purpose has been accomplished.

With kindest regards to your wife, and two sons, who no doubt, are following in your footsteps,

Sincerely, *A. Berkman*

"אין דר"ר סילבר מה לעשות בישראל"

חלוץ א. 60.3.60

לדיר אבא הלל סילבר יש סיבות רבות לשאת בלבו סינה על סמאיי, ועל ראשונה אלמלא הם, כי אז היה האיש עד היום היה עושה פעולות רבות למען ישראל וזקא משה המדיני, בשם עשה בעבר, אך הם היווהו אסתרובוין סביבות, ובעצמים התרחק זה קרוב לעשר שנים מן העבודות המוליסית בארצותהברית, וחבל מאד, כי האיש הוא בעלתהנפה וכולת, והוא יכול היה להסיר אבנינוק רבות מעל זרמא, אבל על סמאיי אין קשקש, כל דבר, שהא פעולות לעשות משה הן לעצמה — טוב היא, יפי שאין היא יכולה להסיר משה העולת לארצותהברית היתומים שלה — פסול הוא, להסיר הוצאל מידיו את שרבים התנהגה של התנועה העיונית בארצותהברית ברית לעצמה, לא היה להם חבר מילום בעל שיעוריקוסה שימלא את מקומו של סילבר, להסיר, בליהברותה, משה אנשים הקרובים להם יותר משהו: הדרד נהם מילר מן העיר פונפורי, כאן המקום לציין, של מולדמן לא עמדה ליאליותה, וראש סמאיי הסכתו הראשונהמשלה, המסיק במסך הדי נים הללו להתור תחת יסודות ההסתדרות העיונית בגולה, וכיסוד בארצותהברית, וי קעקע אותם, אולם קתה בסילבר אנו נהם, ולא בנשיא הנוכחי של ההסתדרות העיונית.

דיר אבא הלל סילבר היה במקומה הדי ראשונה לאחר הרתחו מרנשם ואסתרובו, הוא סירב כמאב, כי לאחר המאבק העצום במקומה המדינית בשנים 1947-1949, ראשונה כשהייתה החלטה ארים, נולדו מן הארץ ברבות למר משה שרת (שעשה אז באמריקה באותו ענין, אך אותו לא נהני להסבה בעצמו, העצור אסמאיי עוב את הכל מן אחוריו, וההתבודד בקליבלנד של, בקהילתו הרפורמית, אך כיוון שהוא "גול יהודי" — מופ מופ לא שפי סמאיי למד ציונות — לא סרק את העולת באחוריו, הוא נענה לקריאתה של ישראל בכל דעה שגורס לכך, לא אחת דק מר אבא אב על ולתו, וקראתו להילחמוין, להסל מידיות, וסילבר לבש את מקילהפוחה שלו, נל וסקלו מיו, נסל ראשי ממשלת ארה"ב ותקן תיקונים רבים, אך אינמלא רשמית לא לבש מני א, לאחר האכונה המרה שהחילתו כי קיונרם העיוני בשנה 1951 בירושלים, הנבי רת גילתה מאיר שפכה עליו מל ברת הדי קיונרם קיונרן של חילופים, ובסמאיי מנהא את בחירתו לזיר העד הפעל הציוני במקומו נבחר מר שמרינוק גיל, שסבר שא כתר אתר של יזיר הננסה אך בסמאיי צרתהקין, טובה לתת לזיר סילבר גם מדי חורים מן הקונת, הכל — לה לעצמה, לאחי רים — לא מלם.

בשנים האחרונות עומד הדרד סילבר כי ראש מפל, בלחה העיונית (הגבושית) כי נשא, (מפל המפעל הוא הדרד יוסף שחרק, הוון רימא את סעדילבוני, ובמסך הוון המסיק אסילו לחלוק המאמל רבות למר בןגוריון, אם כי עקמים אחות התרחשו דברים שיש בהם, מקריות פיוהי, הוא בא לישראל, כשנןגוריון יונג לאמריקה, הוא חורד לאמריקה, בדיק בו כיום שכן גוריון עוב אותה, והיום אין ענינם "ברד"

מדי, להסך, איש לרעהו מחיק, אך כל מי כה, אין הדרד סילבר רוצה להימצא עם מנהיג סמאיי באורח קבוע במקום אחר, הנה, זה אהמול הודיע הראשני סילבר, שאין בועתו להשתקע בישראל, משום שהוא מוצא כי מקומו הוא בארצותהברית ולא בישראל, כי יהדות ארה"ב זקוקה להנהגה יותר משי זקוקים לה תושבי ישראל.

אלמלא אבד הדרד סילבר אלא זה את אשר עיסטנו לעיל, כי אז אסמאיי עוד יש מקום להתנוכח אתו, אבל, אסמאיי להבין, אולם מבלימשים הללים משה, שבו הוא גילה יותר מאשר התכונן לנלות, השאלה בדבר כחנתי להשתקע באילו בישראל, היא חסרת טעם, — אבל הדרד סילבר — כי אין לי מה לעשות בהי, לא ניתפס מה לללים המלתיהודיות שלו שהי שאלה על השתקקותו בישראל היא חסרת טעם, לא דוקא, והני שאלה בלאהשעם, הודע ישב משהו ציוני רביוניות כל ימיו בגולה, ולא יבוא להיות עם אחיו בארץ המולדת, במדינת העברים? גם אילו היו מני נהני מוסקים לו בקליבלנד ביתר קלות מאשר בישראל, כי גם אז אין הפרנסה חייבת להיות גורם מונע לציוני גדול לבוא לכאן ולהשק כאן סוף לפי ולמשפחתו, אך, ביה, פרנסתו מוכנסתה, ואין קליבלנד נסת מעק עליו יותר, וגם אם יהודי ארצותי הברית, זקוקים להנהגה, אין זה הכרת שהי מנהיגים ומחיקים יהיו צמודים למקומותיהם כל ימיהם, אודומ, יפני מקום לכוחות צעירים, הדרד סילבר עצמו עוב מונס את כם המנהיגות, והיעדרו מארה"ב לא היה ססלי כל כך, לעומת זה, עלייתו לישראל עשויה לשמש דוגמה נשלמה ליהודים אמריקניים רבים, הסבורים כי הם מפורים מנצחתהעולת, כאשר מנהיגים אים מקיי רים אותה.

אך עיקר משובתי נקוד מסיקתו: "אין לי מה לעשות בישראל", מדי שהוא התכונן לעשייה בג'יבור הישראלי, כי באות פרס' — בארץ ואנתי הפרנסה מסריתו — לא ישב בסל, ספרים יוכל לכתב כאן בלאיפחות השראה מאשר בקליבלנד, והבחינה חברתית לא יהיה מה מורד במעוה, רבים גם בישראל פוקידיו, סכריו ופיועיו, אבל הוא סבור, שהחזית המוליסית המסרה, משום שבוגוריון חוסם את הדרך בגני כל מי שאינו מורד בדרך לפונו, ואין בה לעשות בישראל.

זה קרוב לעשר שנים שהזיר סילבר איבד את המושל ואת התאבון להתיישב במקומה, להסיל את ישראלי ולהתמודד עם כוחותי סכנה, כושר קיצוני, ושערותישמשון שהיו לי טעם גדול, הוא קיבל את דיקיהבונקת בהרנסהראש והבוסיראונים, משה נשפי זה סעדי חורב, שאין לו מה לעשות בי ישראל, לשינוי המסרד ולחיקון החברת, מסופקו אם יש עוד תקנה להקירות זה שחם אסלו למחלל ברוגות, הולר לאיבד מזה שבשעתו הלו בו הקי חת רבות ענה הוא הקשין עצמו את מדיי עד כדי שדי, מחרים ואוסף כספים לקניות למעגלילבם של הרבים, המבדדים את זכויהודי והרודעים מה רבה היתה יכולה, ולשכחתה שי סמאיי.

You have been with us at times

And I will always be grateful

Strangely enough, Dad's last, even

Dear Sylvan:

Rabbi Abbe Silver of Cleveland called me about a number of matters, and he spoke of the letter that I wrote in behalf of the Men's Clubs. He told me that his Men's Club was resentful of the raise in dues and it would be difficult to persuade them to accept it.

However, he heard that the Baltimore Men's Club made a compromise which he believes will work with his, namely, the old dues continue as regular dues and the extra amount be put on the individual membership bill as a voluntary addition. I believe, too, that this is a good solution, and if you agree to it I am sure the time will come when the Temple Men's Club will of its own accord embody the addition in its regular dues.

Meantime, Rabbi Silver suggested to me, and I do to you, that you write to the Temple Men's Club saying that you would be willing to have this arrangement made.

With best wishes,

Sincerely,

Thank you so much, Mrs. May,

for your letter of March 25.

Upon receipt of your helpful information our Bookkeeping Department was able to find the entry on our records - the correction has been made and shows the account as fully paid.

I certainly appreciate your help and I am sorry that it was necessary for me to trouble you about the matter.

Cordially,

Treasurer

Dear Rabbi,

I would like an appointment to talk to you about my planned trip to Israel this summer. I will be in Cleveland from the second to the tenth of April and can arrange to see you then at your convenience.

Thank you,

David Rosin
